Item 1.01 Entry into a Material Definitive Agreement.

On January 9, 2012, Fossil, Inc. (the Company) and its wholly owned subsidiaries, Fossil Europe B.V. (Fossil Europe) and Fossil (East) Limited (Fossil HK) and together with the Company and Fossil Europe, Buyers, entered into a Purchase Agreement (the Purchase Agreement) with Skagen Designs, Ltd. (Skagen US), Skagen Designs Limited (Skagen HK), the stockholders of Skagen US, Skagen HK and Skagen Designs Holding A/S (collectively the Sellers) and Charlotte K. Jorst, solely in her capacity as the Representative.

Pursuant to the Purchase Agreement, Buyers agreed to acquire from Sellers all of the issued and outstanding shares of the capital stock of Skagen US, Skagen HK and Skagen Designs Holding A/S for total consideration of (i) \$225 million in cash (the Cash Purchase Price), subject to certain working capital adjustments and (ii) 150,000 shares (the Consideration Shares) of common stock of the Company, par value \$0.01 per share (the Common Stock). In addition, the Purchase Agreement provides for the payment of up to an additional 100,000 shares of Common Stock if the Company's fiscal 2012 net sales of Skagen-branded products (including all corporate/private label related brands other than Grenen) exceed certain thresholds. Any shares of Common Stock issued pursuant to the Purchase Agreement will be subject to a six month transfer restriction from the date of issuance. Pursuant to the Purchase Agreement, \$20 million of the Cash Purchase Price will be held in an escrow account for a period of 18 months following the closing to secure certain indemnification obligations of Sellers under the Purchase Agreement.

The Purchase Agreement contains customary representations, warranties and covenants.

The transaction is subject to the satisfaction or waiver of customary closing conditions, including, without limitation, the receipt of all necessary regulatory and governmental approvals and authorizations. In addition, in connection with the Purchase Agreement, the Company or an affiliate of the Company has entered into employment, noncompetition and nonsolicitation agreements with certain key employees of Skagen US and Skagen HK to be effective upon closing. Pursuant to the Purchase Agreement, the Sellers would also be subject to a noncompetition agreement that would restrict them from competing against the Company or its subsidiaries for three years following the closing.

A copy of the Purchase Agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the full text of the Purchase Agreement.

The Purchase Agreement and the above description of the Purchase Agreement have been included to provide investors and security holders with information regarding the terms of the Purchase Agreement. They are not intended to provide any other factual information about the Company, Buyers, Sellers, or their respective subsidiaries and affiliates. The Purchase Agreement contains representations and warranties of Sellers solely for the benefit of Buyers. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that Sellers have delivered to Buyers in connection with signing the Purchase Agreement as of a specific date. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties of Sellers set forth in the Purchase Agreement. Therefore, investors and security holders should not treat them as categorical statements of fact. Moreover, these representations and warranties may apply standards of materiality in a way that is different from what may be material to investors and were made only as of the date of the Purchase Agreement or such other date or dates as may be specified in the Purchase Agreement and are subject to more recent developments.
