**ABOUT THE ANNUAL MEETING**

***What is the purpose of the meeting?***

The principal purposes of the Annual Meeting are to elect two directors to the company's Board of Directors, to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2012 and to approve the company's proposed 2012 Omnibus Incentive Plan. In addition, our management will report on our performance during 2011 and respond to questions from shareholders.

***When were these materials mailed?***

We began mailing this Proxy Statement on or about April 27, 2012.

***Who is entitled to vote?***

Shareholders of record at the close of business on the record date, April 9, 2012, are entitled to vote in person or by proxy at the Annual Meeting. In general, shareholders are entitled to one vote per share on each matter voted upon. In an election for directors, however, shareholders are entitled to vote the number of shares they own for as many director candidates as there are directors to be elected. The Board of Directors has determined that the Board of Directors should include two Class A directorships. Accordingly, since two directors are to be elected at this Annual Meeting, in electing directors, each share will entitle the shareholder to two votes, one per director. Shareholders may not cumulate their votes. As of April 9, 2012 there were 6,765,958 common shares outstanding.

***What constitutes a quorum?***

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares outstanding will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as "WITHHOLD AUTHORITY" and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting, but will not be counted for any other purpose. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular proposal and has not received instructions as to that proposal from the beneficial owner.

***What is the difference between a shareholder of record and a beneficial owner?***

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a shareholder of record. This Notice of Meeting and Proxy Statement has been provided directly to you by Homeowners Choice, Inc. You may vote by ballot at the meeting or vote by proxy. To vote by proxy, sign, date and return the enclosed proxy card or follow the instructions on the proxy card for voting by telephone or Internet.

If your shares are held for you in a brokerage, bank or other institutional account (that is, held in street name), then you are not a shareholder of record. Rather, the institution is the shareholder of

record and you are the beneficial owner of the shares. This Notice of Meeting and Proxy Statement has been forwarded to you by that institution. If you complete and properly sign the accompanying proxy card and return it in the enclosed envelope, or follow the instructions on the proxy card for voting by telephone or Internet, the institution will cause your shares to be voted in accordance with your instructions. If you are a beneficial owner of shares and wish to vote in person at the Annual Meeting, then you must obtain a proxy, executed in your favor, from the holder of record (the institution).

***How do I vote?***

**By Ballot at the Meeting.** If you are a shareholder of record and attend the Annual Meeting, you may vote in person by ballot at the Annual Meeting. To vote by ballot, you must register and confirm your shareholder status at the meeting. If the shareholder of record is a corporation, partnership, limited liability company or other entity of which you are an officer or other authorized person, then you should bring evidence of your authority to vote the shares on behalf of the entity. If your shares are held for you in a brokerage, bank or other institutional account (that is, in street name), you must obtain a proxy, executed in your favor, from that institution (the holder of record) to vote your beneficially-owned shares by ballot at the Annual Meeting. In the election of directors (Matter No. 1), each share held by a shareholder of record will be entitled to two votes, one for each director to be elected. Your option with respect to each director will be to vote FOR the director or to abstain from voting. In the vote to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2012 (Matter No. 2), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN. In the vote to approve the 2012 Omnibus Incentive Plan (Matter No. 3), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN.

**By Proxy.** If you complete, sign and return the accompanying proxy card or follow the instructions on the proxy card for voting by telephone or Internet, then your shares will be voted as you direct. In the election of directors (Matter No. 1), your options with respect to each director are to direct a vote FOR or to WITHHOLD AUTHORITY. In the proposal to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2012 (Matter No. 2), your options will be to direct votes FOR or AGAINST or to direct the proxy to ABSTAIN from voting on that proposal. In the vote to approve the 2012 Omnibus Incentive Plan (Matter No. 3), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN. If you are a shareholder of record, then you may opt to deliver your completed proxy card in person at the Annual Meeting.

***Can I vote by telephone or Internet?***

Yes. If you follow the instructions on the proxy card for voting by telephone or Internet, your shares will be voted as you direct.

***What does it mean if I receive more than one proxy card?***

You will receive separate proxy cards when you own shares in different ways. For example, you may own shares individually, as a joint tenant, in an individual retirement account, in trust or in one or more brokerage accounts. You should complete, sign and return each proxy card you receive or follow the telephone or Internet instructions on each card. The instructions on each proxy card may differ. Be sure to follow the instructions on each card.

***Can I change my vote or instruction?***

Yes. You may follow the instructions on the proxy card to change your votes or instructions any time before midnight the day before the meeting.

In addition, if you are a shareholder of record, you may revoke your proxy any time before your shares are voted by filing with the secretary of the company a written notice of revocation or submitting a duly executed proxy bearing a later date. If you file a notice of revocation, you may then vote (or abstain from voting) your shares in person at the Annual Meeting. If you submit a later dated proxy, then your shares will be voted in accordance with that later dated proxy. No such notice of revocation or later dated proxy, however, will be effective unless received by us at or before the Annual Meeting and before your shares have been voted. Unless the proxy is revoked, the shares represented thereby will be voted at the Annual Meeting or any adjournment thereof as indicated on the proxy card. Sending in a proxy does not affect your right to vote in person if you attend the meeting, although attendance at the meeting will not by itself revoke a previously granted proxy.

***If I submit a proxy card, how will my shares be voted?***

Your shares will be voted as you instruct on the proxy card.

***What happens if I submit a proxy card and do not give specific voting instructions?***

If you are a shareholder of record and sign and return the proxy card without indicating your instructions, your shares will be voted in accordance with the recommendations of the Board of Directors. With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion. As of the date this proxy statement went to print, we did not know of any other matter to be raised at the Annual Meeting.

If you are a beneficial shareholder and you sign and return your proxy card without indicating your instructions, then your broker or nominee will vote, or not vote, in accordance with the rules of the New York Stock Exchange (provided the broker or nominee is a member of the New York Stock Exchange). If a voting matter is designated by the New York Stock Exchange as routine then your broker or nominee may vote or not vote in its own discretion. If a voting matter is designated non-routine by the New York Stock Exchange, then your broker or nominee cannot vote without your instructions.

***Which voting matters are considered routine or non-routine?***

In general, uncontested matters and matters not involving a merger or consolidation or affecting substantially the rights or privileges of the stock are considered routine under the rules of the New York Stock Exchange. Accordingly we expect the New York Stock Exchange will designate as routine the proposal to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2012 (Matter No. 2) and brokers and other nominees will be permitted to vote on that matter. On the other hand, the New York Stock Exchange views matters involving the election of directors and matters involving the implementation of any equity compensation plan to be non-routine. Accordingly, the election of directors (Matter No. 1) and approval of the 2012 Omnibus Incentive Plan (Matter No. 3) will be designated by the Exchange as non-routine and brokers and other nominees will not be permitted to vote on those matters matter without instructions from the beneficial owner.

***What happens if I do not submit a proxy card and do not vote by telephone or Internet?***

If you are a shareholder of record and you neither designate a proxy nor attend the Annual Meeting, your shares will not be represented at the meeting. If you are the beneficial owner of shares held in the name of a member of the New York Stock Exchange, that member may vote in its discretion on matters deemed routine by the New York Stock Exchange. The member may not vote on matters considered non-routine.

***What are the Board's recommendations?***

The Board's recommendations are set forth elsewhere in this proxy statement. In summary, the Board recommends votes

Ø FOR election of the following nominees for director positions:

*Harish M. Patel*

*Martin A. Traber*

Ø FOR ratification of the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2012.

Ø FOR approval of the Homeowners Choice, Inc. 2012 Omnibus Incentive Plan.

***What vote is required to approve each item?***

***Election of directors.*** In the election of directors, the two highest recipients of FOR votes will be elected. A properly executed proxy card marked WITHHOLD AUTHORITY with respect to the election of one or more director nominees will not be voted with respect to the director or directors indicated, even though it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting.

***Ratification of appointment of independent registered public accounting firm.*** The proposal to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2012 will be approved if the number of votes for the proposal exceeds the number of votes against the proposal.

***Approval the Homeowners Choice, Inc. 2012 Omnibus Incentive Plan.*** The 2012 Omnibus Incentive Plan will be approved if the number of votes for approval exceeds the number of votes against approval.

***Other Matters.*** We do not anticipate other matters coming to a vote at the Annual Meeting. Should any other matter be brought to a vote, the matter will be approved if the number of votes favoring the matter exceeds the number of votes opposing the matter.

***How will votes be counted?***

All votes will be tabulated by the secretary of the company. We have engaged Broadridge Financial Solutions, Inc. to collect and tabulate proxy instructions. Although abstentions and broker non-votes are each included in the determination of the number of shares present, they are not counted on any matters brought before the meeting.

***Who is paying for the preparation and mailing of the proxy materials and how will solicitations be made?***

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by mail, telephone, facsimile or electronic transmission. We have requested brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to beneficial shareholders and have agreed to reimburse those institutions for their out-of-pocket expenses.

**MATTER NO. 1**

**Election of Directors**

Two directors are to be elected at the Annual Meeting. In accordance with the company's articles of incorporation, the Board of Directors is divided into three classes. Each class consists of two or three directors. All directors within a class have the same three-year terms of office. The class terms expire at successive annual meetings so that each year a class of directors is elected. The current terms of director classes expire in 2012 (Class A directors), 2013 (Class B directors) and 2014 (Class C directors). Each of the Class A directors elected at the 2012 Annual Meeting will be elected to serve a three year term.

With the recommendation of the Governance and Nominating Committee, the Board of Directors has nominated the following persons to stand for election as Class A directors at the 2012 Annual Meeting of Shareholders, with terms expiring in 2015:

*Harish M. Patel*

*Martin A. Traber*

Each of the nominees for election as a director has consented to serve if elected. If, as a result of circumstances not now known or foreseen, one or more of the nominees should be unavailable or unwilling to serve as a director, proxies may be voted for the election of such other persons as the Board of Directors may select. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve.

The persons named in the enclosed proxy card intend, unless otherwise directed, to vote such proxy FOR the election of Harish M. Patel and Martin A. Traber as Class A directors of Homeowners Choice, Inc. The nominees receiving the two highest FOR vote totals will be elected as directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** ELECTION OF EACH OF THE NOMINEES AS DIRECTORS OF THE COMPANY ITEM 1 ON YOUR PROXY CARD.

**DIRECTORS AND EXECUTIVE OFFICERS**

**DIRECTORS**

**Directors Standing for Election (Class A)**

**Harish M. Patel**, age 55, was appointed on April 9, 2011 by our Board of Directors to fill a vacancy among our Class A directors and to serve on the company's audit committee. Harish Patel has no familial relationship to Paresh Patel, our Chief Executive Officer and Chairman of the Board. His financial sophistication is evidenced by his business education and his work experiences. For example, as a district manager for DaimlerChrysler Motors Corporation he was required to read, understand and analyze financial information. His ability to analyze financial information is considered of importance in enhancing oversight of the company's performance, monitoring its financial disclosure and evaluating growth opportunities. Important also, Mr. Saravanos has a substantial personal investment in the company and he played a large role in bringing initial investors to the company.

#### **Arrangements as to Selection and Nomination of Directors**

We are aware of no arrangements as to the selection and nomination of directors.

#### **Independent Directors**

Based upon recommendations of our Governance and Nominating Committee, our Board of Directors has determined that current directors George Apostolou, Harish M. Patel, Gregory Politis, Anthony Saravanos and Martin A. Traber are independent directors as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC. Under that rule, the Board of Directors determines whether a director has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In the case of Mr. Traber, the Committee considered his role as a partner of Foley & Lardner LLP, which provides legal services to the company, and determined that the fees received by the law firm from us amount to less than 1% of the firm's total revenue. The Committee also considered Mr. Traber's personal financial substance, his other sources of income and his lack of dependence upon legal fees from the company.

#### **TRANSACTIONS WITH RELATED PERSONS**

##### **Transactions**

##### *Office Lease*

On April 8, 2008, we entered into a lease with Xenia Management LLC, a company owned and operated by Gregory Politis, one of our directors. The lease is for 6,000 square feet of office space and 1,498 square feet of common area, in Clearwater, Florida. The lease commenced in July 2008 and requires us to make monthly lease payments of \$12,500, which includes \$2,500 for common area maintenance. The initial term of the lease will expire July 15, 2013. We, at our option, may renew the initial term of the lease for three additional periods of five years each by providing written notice of renewal at least six calendar months before the end of the initial five year term. If we renew the lease, the monthly lease payments will increase by approximately 15% in each successive five year renewal period.

##### *Software License Agreement*

Prior to July 1, 2011, we licensed our policy administration software from Scorpio Systems, Inc., a company owned and operated by Paresh Patel, the Chairman of our Board of Directors. The license agreement was effective as of November 1, 2007. The license agreement was perpetual unless terminated by either party upon six months' written notice or by Scorpio Systems, Inc. upon thirty days' written notice to us within three months following the occurrence of a change in control of our company. Under the terms of the license agreement, Scorpio Systems, Inc. granted us an exclusive, perpetual, nontransferable, worldwide license to use the software in connection with policy administration services performed with regard to insurance policies issued by our company or any of our wholly-owned subsidiaries. In exchange for the license, we agreed to pay to Scorpio Systems, Inc. a license fee of one dollar per policy generated as a new policy issued or a paid renewal policy. For 2011, the license fees totaled \$30,801. Effective June 30, 2011, all rights to the software license were assigned to the company in exchange for a one-time payment of \$50,000. The related software license and consulting agreements were terminated coincident with this exchange (see Consulting Agreement below).

***Consulting Agreement***

On June 1, 2007, we entered into a consulting agreement with Scorpio Systems, Inc., a company owned and operated by Paresh Patel, our Chief Executive Officer and Chairman of our Board of Directors.

Under the terms of the agreement, Scorpio Systems, Inc. provided us with business advice, information and consultation regarding the insurance industry. In consideration for these services, we agreed to pay a monthly fee of \$25,000 to Scorpio Systems, Inc. and reimburse Scorpio Systems, Inc. for its reasonable and customary business expenses incurred in the performance of its services. This consulting agreement was terminated effective June 30, 2011 (see Software License Agreement above). For 2011 consulting fees totaling \$150,000 were paid to Scorpio Systems, Inc. with respect to this agreement.

***Legal Services***

One of our directors, Martin A. Traber, is a partner at the law firm of Foley & Lardner LLP, and since our inception in 2007, the firm has provided legal representation to us on certain matters, including our 2008 initial public offering. During 2011, Foley & Lardner LLP billed us approximately \$232,000. Such amount includes fees billed in connection with our preferred stock offering and represents less than 1% of Foley's fee revenue. These services were provided on an arms-length basis, and paid for at fair market value. We believe that such services were performed on terms at least as favorable to us as those that would have been realized in transactions with unaffiliated entities or individuals.

***Stock Repurchases***

On April 4, 2011, the company repurchased from one of our then directors, Krishna Persaud, 80,000 shares of the company's common stock at a price of \$8.00 per share for a total cost of \$640,000. Such shares were repurchased from Mr. Persaud under a stock purchase agreement at a price below the \$8.20 market value of the company's common stock on the date of the transaction. Such repurchases were not part of a publicly announced plan or program. Mr. Persaud declined to seek re-election to the company's Board of Directors effective April 9, 2011.

Effective June 27, 2011, the company repurchased and retired a total of 85,200 shares of the company's common stock at a price of \$6.50 per share for a total cost of \$553,800. Such shares were repurchased under a stock purchase agreement with the company's former chief executive officer, Francis McCahill, at a price below the \$6.96 market value of the company's common stock on the date of the transaction. Such repurchases were not part of a publicly announced plan or program.

***Policies for Approval or Ratification of Transactions with Related Persons***

Our policy for approval or ratification of transactions with related persons is for those transactions to be reviewed and approved by the Audit Committee. That policy is set forth in the Audit Committee Charter. Our practice is that such transactions are approved by a majority of disinterested directors. The policy sets forth no standards for approval. Directors apply their own individual judgment and discretion in deciding such matters.

**ADVERSE INTERESTS**

We are not aware of any material proceedings in which an executive officer or director is a party adverse to the company or has a material interest adverse to the company.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Based solely upon a review of Forms 3, 4, and 5 filed for the year 2011, we believe that all of our directors, officers, and 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them. In addition all such forms were filed timely.

We have adopted a code of ethics applicable to all employees and directors, including our Chief Executive Officer and Chief Financial Officer. We have posted the text of our code of ethics to our Internet web site: [www.hcpci.com](http://www.hcpci.com). Select Investors from the left and then select Corporate Governance and then Code of Conduct. We intend to disclose any change to or waiver from our code of ethics by posting such change or waiver to our Internet web site within the same section as described above.

## COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has an Audit Committee, a Compensation Committee, and a Governance and Nominating Committee.

### Audit Committee

The company has a separately-designated standing audit committee established in accordance with the Securities and Exchange Act of 1934. The Audit Committee's responsibilities include the following:

assisting our Board of Directors in its oversight of the quality and integrity of our accounting, auditing, and reporting practices;

overseeing the work of our internal accounting and auditing processes;

discussing with management our processes to manage business and financial risk,

making appointment, compensation, and retention decisions regarding, and overseeing the independent auditor engaged to prepare or issue audit reports on our financial statements;

establishing and reviewing the adequacy of procedures for the receipt, retention and treatment of complaints received by our company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters;

reviewing and discussing with management and the independent auditors our annual and quarterly financial statements and related disclosures; and

conducting an appropriate review and approval of all related party transactions for potential conflict of interest situations on an ongoing basis.

The Audit Committee is composed of three members: Anthony Saravanos, its chairman, George Apostolou and Harish M. Patel. Since our common shares are listed on The NASDAQ Global Select Market, we are governed by its listing standards. Accordingly, each member of the Audit Committee is an independent director as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC and meets the criteria for independence set forth in Rule 10A-3(b)(1) of the Securities and Exchange Commission. The Board of Directors has determined that Mr. Saravanos is an audit committee financial expert. administering and making awards under the company's 2007 Stock Option and Incentive Plan and monitoring and supervising the administration of any other benefit plans the company may have; and

reviewing and approving compensation to outside directors.

The Compensation Committee has the authority to determine the compensation of the Chief Executive Officer and the non-employee directors, including the Executive Chairman. At least annually the Compensation Committee considers the results of the company's operations and its financial position and makes compensation determinations. The Compensation Committee has not engaged or relied on consultants, instead relying on the judgment and knowledge of its own members. It views the determination of such compensation to be a collaborative effort and accordingly it welcomes recommendations and advice from executive officers and other directors. The Compensation Committee is composed of four members: Martin A. Traber, Chairman, and Gregory Politis, Anthony Saravanos and George Apostolou, each of whom is an independent director as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC. Traber, Anthony Saravanos and George Apostolou, each of whom is an independent director as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC. The Governance and Nominating Committee held two meetings in 2011. The Board of Directors has adopted a written Nominating Committee Charter. A current copy of the charter is available on our website [www.hcpci.com](http://www.hcpci.com). Click Investors and then Corporate Governance.

Each of the proposed director nominees was recommended by the Governance and Nominating Committee to the Board of Directors.

The Governance and Nominating Committee identifies director candidates in numerous ways. Generally, the candidates are known to and recommended by members of the Board of Directors or management. In evaluating director candidates, the Governance and Nominating Committee considers a variety of attributes, criteria and factors, including experience, skills, expertise, diversity, personal and professional integrity, character, temperament, business judgment, time availability, dedication and conflicts of interest. At a minimum, director candidates must be at least 18 years of age and have such business, financial, technological or legal experience or education to enable them to make informed decisions on behalf of the company. The Governance and Nominating Committee has not adopted a specific policy on diversity. However, in practice it has identified and recommended individuals of diverse ethnic, cultural and business backgrounds.

The Governance and Nominating Committee will consider director candidates recommended by shareholders. If you wish to recommend one or more director candidates you should send your recommendations before November 1 of the year preceding the next annual meeting of shareholders to the Secretary of the Corporation, Andrew L. Graham, 5300 West Cypress Street, Suite 100, Tampa, Florida 33607. Each recommendation should set forth the candidate's name, age, business address, business telephone number, residence address, and principal occupation or employment and any other attributes or factors you wish the committee to consider, as well as your name, address and telephone number and the class and number of shares you hold. The Committee may require the recommended candidate to furnish additional information. The secretary will forward recommendations of qualified candidates to the Governance and Nominating Committee and those candidates will be given the same consideration as all other candidates.

A shareholder wishing to nominate an individual for election to the Board of Directors at the Annual Meeting of the Shareholders, rather than recommend a candidate to the Governance and Nominating Committee, must comply with the advance notice requirements set forth in our bylaws. See [Shareholder Proposals for Presentation at the 2013 Annual Meeting](#) for further information.

Our business and affairs are managed under the direction of the Board of Directors. Under our current leadership structure Paresh Patel serves as Chairman of the Board and Chief Executive Officer. Mr. Patel's role includes providing continuous feedback on the direction and performance of the company, serving as chairman of regular meetings of the Board of Directors, setting the agenda of meetings of the Board of Directors and leading the Board of Directors in anticipating and responding to changes in our business. The Board of Directors may determine to alter this leadership structure anytime based on then existing circumstances.

### **Board of Directors Role in Risk Oversight**

The Board of Directors plays a significant role in monitoring risks to the company. Where major risks are involved the Board of Directors takes a direct role in approving those matters. Reinsurance is insurance we buy from other insurance companies to cover hurricanes and other catastrophes. The Board of Directors also approves any strategic initiatives and any large or unusual investment or other such expenditure of the company's resources. The Board of Directors has established committees to assist in ensuring that material risks are identified and managed appropriately. Among them are the Audit Committee, the Compensation Committee, the Investment Committee and the Governance and Nominating Committee. The Board and its committees regularly review material operational, financial, compensation and compliance risks with executive management. The Audit Committee is responsible for assisting the Board of Directors in its oversight.

of the quality and integrity of our accounting, auditing, and reporting practices and discussing with management our processes to manage business and financial risk. The Compensation Committee considers risk in connection with its design of our compensation programs for our executives. The Investment Committee manages the company's normal investments. ##### **Approval of 2012 Omnibus Incentive Plan**

On April 20, 2012, the Board adopted, subject to shareholder approval, the 2012 Omnibus Incentive Plan (the Plan ). The Plan will be effective only upon shareholder approval and will terminate on the date all shares reserved for issuance under the Plan have been issued, unless the Board determines to terminate the Plan earlier.

We currently maintain the 2007 Stock Option and Incentive Plan (the Prior Plan ). As of April 23, 2012, there were approximately 4,804,800 shares of our common stock reserved and available for future awards under the Prior Plan. If the shareholders approve the Plan, all future equity grants to employees, officers, directors and service providers will be made from the Plan, and we will not grant any additional awards under the Prior Plan. If the shareholders do not approve the Plan then the Prior Plan will continue.

The persons named in the enclosed proxy card intend, unless otherwise directed, to vote such proxy **FOR** approval of the 2012 Omnibus Incentive Plan. The 2012 Omnibus Incentive Plan will be approved if the number of votes for approval exceeds the number of votes against approval.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** APPROVAL OF THE 2012 OMNIBUS INCENTIVE PLAN ITEM 3 ON YOUR PROXY CARD.

The following discussion is only a summary of the Plan and is qualified in its entirety by the full text of the Plan, which is attached to this proxy statement as [Appendix A](#) for your review.

### **Purpose of the Plan**

The purpose of the Plan is twofold: (1) it enables us to attract and retain individuals who are expected to make important contributions to our business, and (2) it increases shareholder value by aligning the interests of such persons with our shareholders.

### **Participants**

The Plan permits us to grant certain stock-based and other incentive awards to any of our or our affiliates' officers, employees or other service providers, any individual that we or an affiliate has engaged to become an officer or employee, or any non-employee director. We currently have a total of approximately five officers, 200 employees, and five non-employee directors.

### **Administration**

The Administrator will be the Compensation Committee of the Board. Subject to any limitations contained in the Plan, the Administrator will have the authority to designate those eligible individuals who will become participants and determine the type of awards to be granted to each participant and the number, terms and conditions of such awards, as well as establish, adopt or revise any rules and regulations as it may deem advisable to administer the Plan, and make all other decisions and determinations that may be required under the Plan. Determinations of the Administrator made under the Plan are final and binding.

### **Awards**

The Administrator may grant the following types of awards to any eligible individual it selects:

*Stock Options.* A stock option permits the award holder to purchase shares of our common stock in the future at a fixed price. Two types of stock options may be granted: incentive (or qualified) stock options, which may only be granted to our employees (or those of any of our subsidiaries), and nonqualified stock options. A stock option must have an exercise price at least equal to the fair market value of a share of our common stock as determined on the date of grant. The date of grant may not be a date prior to the date the Administrator takes action to approve the option. For purposes of the Plan, fair market value means the closing price of a share of our common stock as reported on the NASDAQ Global Select market on the relevant date, or if no sales occur on such date, on the last preceding date on which a sale occurred on such market. A stock option must expire no later than the tenth anniversary of its grant date.

*Stock Appreciation Rights ( SARs ).* A SAR gives the award holder the right to receive the difference between the fair market value per share of our common stock on the date of exercise over the grant price. Similar to stock options, a SARs grant must be price at least equal to the

fair market value of a share of our common stock as determined on the date of grant, and the date of grant may not be a date prior to the date the Administrator takes action to approve the SAR. A SAR must expire no later than the tenth anniversary of its grant date.

*Restricted Stock.* A holder of a restricted stock award immediately receives shares of our common stock, which shares are subject to restrictions on transferability and subject to forfeiture based on certain conditional events.

*Restricted or Deferred Stock Units.* These units provide the award holder the right to receive shares of our common stock (or an equivalent value in cash or other property, as specified in the award agreement) in the future, based upon the attainment of stated vesting or performance criteria.

*Performance Awards (Performance Shares or Performance Units).* These awards entitle the holder to a payment in stock or cash upon the attainment of one or more specified performance goals.

*Annual or Long-Term Incentive Awards.* These awards entitle the holder to a payment in cash based on the attainment of one or more specified performance goals.

*Dividend Equivalent Units.* These units entitle the award holder to payments (or an equivalent value payable in stock or other property) equal to any dividends paid on the shares of stock underlying such award.

*Other Stock-Based Awards.* The Administrator may grant other types of stock-based awards that are payable in stock or cash. Subject to the limitations of the Plan, the Administrator has discretion to determine the terms and conditions of the awards, including: (1) whether the award will be subject to a vesting schedule, (2) when the award will be cancelled, and (3) what happens to the award when a participant stops providing services to us and our affiliates.

#### **New Plan Benefits**

We cannot currently determine the awards that may be granted under the Plan in the future to the executive officers named in this proxy statement, other officers, directors or other persons. The Administrator will make such determinations from time to time.

#### **Shares Available for Awards**

Subject to adjustment as provided in the Plan, the aggregate number of shares of our common stock reserved and available for issuance pursuant to awards granted under the Plan is 5,000,000, which will consist of a number of shares not previously authorized for issuance under any plan. Only 4,000,000 shares of our common stock may be issued upon the exercise of incentive stock options.

If a Plan award lapses, expires, terminates or is cancelled without the issuance of shares under such award, or if it is determined during or at the conclusion of the term of an award that all or some

portion of the shares with respect to which the Award was granted will not be issuable, or if shares subject to an award are either forfeited or are reacquired by us pursuant to rights reserved upon the issuance of such shares, then such shares shall be recredited to the Plan's reserve and may again be used for new Plan awards. Any such recredited shares may not, however, be issued pursuant to incentive stock options. In no event, however, will shares tendered in payment of the exercise price of an option, shares withheld to satisfy federal, state or local tax withholding obligations, or shares purchased by us using proceeds from option exercises be recredited back to the Plan reserve.

The maximum aggregate limits applicable to awards made to any participant during any fiscal year are as follows:

Type of Award	Limit
Options and Stock Appreciation Rights	1,000,000 shares
Restricted Stock (including any dividends paid thereon) and Restricted Stock Units (including any associated Dividend Equivalent Units) and Deferred Stock Rights (including any associated Dividend Equivalent Units)	1,000,000 shares
Performance Shares or Performance Units the value of which is based on the fair market value of shares of common stock	1,000,000 shares
Performance Units, the value of which is not based on the fair market value of shares of common stock	\$ 10,000,000.00
Other Stock-Based Awards	\$ 10,000,000.00
Annual Incentive Awards	\$ 10,000,000.00
Long-Term Incentive Awards	\$ 10,000,000.00

**Performance Goals**

For any awards made under the Plan that are intended to meet the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), the grant or vesting of such awards may be based upon one or more performance goals that apply to the specified participant, one or more of our business units, or us as a whole. The categories of performance goals (defined as "Performance Goals" under the Plan) on which performance goals intended to qualify compensation as performance-based compensation for purposes of Section 162(m) of the Code may be based are:

---

Our basic earnings per common share on a consolidated basis	Inventories
Our diluted earnings per common share on a consolidated basis	Trade working capital
Total shareholder return	Return on equity
Fair market value of shares	Return on assets
Net sales	Return on invested capital
Non-catastrophic claims incurred	Reinsurance costs
Cost of sales	Return on sales
Gross profit	Economic value added, or other measure of profitability that considers the cost of capital employed
Selling, general and administrative expenses	Free cash flow
Operating income	Net cash provided by operating activities
Earnings before interest and the provision for income taxes (EBIT)	Net increase (decrease) in cash and cash equivalents
Earnings before interest, the provision for income taxes, depreciation, and amortization (EBITDA)	Customer satisfaction
Net income	Market share
Accounts receivable	Quality
Gross premiums earned	

The Administrator may designate other categories with respect to awards under the Plan that are not intended to qualify as performance-based compensation within the meaning of Code Section 162(m) or to the extent that the application of such categories results in a reduction of the maximum amount otherwise payable under the award.

### **Termination of Employment**

Unless otherwise specified in a participant's award agreement, all unvested and/or unexercisable awards will automatically be cancelled and forfeited upon termination of employment for any reason except retirement (as defined in the Plan). A participant whose employment terminates for a reason other than retirement, death, disability or for cause or inimical conduct (all as defined in the Plan) will have thirty (30) days following termination in which to exercise any option or SAR. If the termination of employment is due to death, disability or retirement (as defined in the Plan), then the participant will have until the earlier of the first anniversary of the date of the death or disability or the last day of the term of the award to exercise the award. All other awards made to such a participant, to the extent not then fully earned or vested, shall terminate on the participant's last day of employment or service without payment. In the event of a termination for cause or inimical conduct (as defined in the Plan), all of a participant's awards, whether vested or unvested, exercisable or unexercisable, will automatically be forfeited. The Administrator will have sole discretion for determining termination provisions for awards.

### **Limitations on Transfer**

No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution, unless and to the extent the Administrator allows a participant to designate, in writing, a beneficiary to exercise the award after the participant's death or to transfer an award.

### **Treatment of Awards upon a Change in Control**

The Plan provides that, upon a change of control (unless an award agreement or the Administrator subsequently provides otherwise), the successor corporation in the transaction may assume all of our outstanding awards or replace such awards with similar awards. However, to the extent awards are not assumed or replaced, then all outstanding stock-based awards will vest immediately prior to the date of the change of control and (unless otherwise determined by the Administrator) and options and SARs will be cancelled and paid out in cash. In addition, all earned but unpaid performance and incentive awards would be cancelled in exchange for a cash payment, and to the extent the performance period had not yet expired, the payment will be prorated to reflect the number of days in the performance period that had passed.

If a participant who receives a replacement award by the survivor of a change of control transaction is terminated without cause (or the Participant terminates employment for good reason under an agreement with us that contemplates such termination) within twelve months following a change of control, then the participant's awards will be vested in full, or on a pro-rata basis if the award is subject to the attainment of performance goals and shall be cancelled in exchange for a cash payment to the participant.

The Plan's change of control provisions can be varied in an employment agreement, change of control agreement or award agreement.

The Plan provides that a change of control will occur upon any of the following: acquisition by a person of more than 50% of our common shares or more than 50% of the total voting power of our stock; the current Board members ceasing to constitute a majority of the Board, without regard to any new Board member whose election or nomination was approved by the then-existing Board; completion of a reorganization, merger, consolidation or similar corporate transaction in which existing stockholders cease to own more than 50% of our stock; a sale of substantially all of our assets; or shareholder approval of our complete liquidation or dissolution.

### **Adjustments**

In the event we enter into a transaction that causes the per-share value of the common stock to change (including, without limitation, any stock dividend, stock split, spin-off, rights offering or large nonrecurring cash dividend), the Administrator will make such adjustments to the number and type of shares subject to the Plan and outstanding awards, the grant, purchase or exercise price with respect to any award or the performance goals of an award (limited by the Code Section 162(m) rules) as the Administrator may deem equitable to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

In no event, however, may we, the Administrator or any other person amend an option or SAR to reduce the exercise or grant price, cancel an option or SAR in exchange for a similar award with a lower exercise or grant price, or cancel an out-of-the-money option or SAR for a cash payment or other consideration.

### **Termination and Amendment**

The Administrator may, at any time and from time to time, terminate or amend the Plan, but an amendment will require shareholder approval if (a) it is required by the Exchange Act, the listing requirements of any principal securities exchange or market on which our shares of common stock are then traded, or any applicable law; or (b) the amendment increases the number of shares reserved under the Plan or the individual participant share or payment limits set forth in the Plan, expands the group of individuals that may become participants, or diminishes the protections afforded by the anti-repricing provisions of the Plan.

In no event, however, may we, the Administrator or any other person amend an option or SAR to reduce the exercise or grant price, cancel an option or SAR in exchange for a similar award with a lower exercise or grant price, or cancel an out-of-the-money option or SAR for a cash payment or other consideration.

### **Certain U.S. Federal Income Tax Consequences**

The following is a general discussion of certain federal income tax treatment that will generally apply to awards made under the Plan, based on U.S. federal income tax laws currently in effect. This summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign income and other tax consequences.

*Incentive Stock Options.* An employee generally will not recognize taxable income upon grant or exercise of an incentive stock option. However, the amount by which the fair market value of the shares on the exercise date of an incentive stock option exceeds the purchase price generally will constitute an item of adjustment for alternative minimum tax purposes, and may therefore result in alternative minimum tax liability to the option holder. Incentive stock option tax treatment will be available only if the participant has been our employee within three months of the date of exercise. We will not be entitled to any compensation expense deduction on the grant or exercise of an incentive stock option. If the employee has held the shares acquired upon exercise for at least two years after the date of grant and for at least one year after the date of exercise, upon disposition of the shares by the employee, the difference, if any, between the sales price of the shares and the exercise price of the option will be treated as a long-term capital gain or loss. If the employee does not satisfy these holding period requirements (a disqualifying disposition), the employee will generally recognize ordinary income for the year of disposition, in an amount equal to the excess of the fair market value of the shares on the date the option was exercised over the option exercise price (or, if less, the amount realized upon disposition over the exercise price). Any excess of the amount realized by the employee on the disqualifying disposition over the fair market value of the shares on the date of exercise of the option will be a short-term capital gain. We generally will be entitled to a deduction in the year of disposition equal to the amount of ordinary income recognized by the employee. The employee's basis in the shares acquired upon exercise of an incentive stock option is equal to the exercise price paid, plus any amount includible as ordinary income as a result of a disqualifying disposition. A subsequent disqualifying disposition of shares acquired upon exercise of an incentive stock option will eliminate the alternative minimum taxable income adjustment if the disposition occurs in the same taxable year as the exercise. A disqualifying disposition in a subsequent taxable year will not affect the alternative minimum tax computation in the earlier year.

*Nonqualified Stock Options.* An employee will not recognize any income at the time of grant of a nonqualified stock option and we will not be entitled to a tax deduction with respect to such grant. Generally, upon exercise of a nonqualified stock option, the participant will recognize ordinary income in an amount equal to the amount by which the fair market value of the shares on the date of exercise exceeds the exercise price of the option. Subject to any deduction limitation under Section 162(m) of the Code (which is discussed below), we will be entitled to a federal income tax deduction in the year of exercise in the same amount as the taxable compensation recognized by the participant. The participant's basis in the stock for purposes of measuring the amount of gain will be the exercise price paid to us plus the amount of compensation includible in income at the time of exercise. A participant's subsequent disposition of shares acquired upon the exercise of a nonqualified stock option will ordinarily result in long-term or short-term capital gain or loss, depending on the holding period of the shares.

*Stock Appreciation Rights and Performance Awards.* When SARs are exercised or when performance awards are settled or paid, the amount of cash and the fair market value of property received by a participant (including shares) will be ordinary income, unless the property is subject to transfer restrictions or forfeiture. We will be entitled to a federal tax deduction at the same time, and in the same amount, as the participant recognizes income.

*Restricted Stock.* Restricted stock granted under the Plan may, in the determination of the Administrator, be subject to rights of repurchase, forfeiture and other transfer restrictions. The tax consequences of stock granted under the Plan depends on whether the stock is subject to restrictions and, if so, whether the restrictions are deemed to create a substantial risk of forfeiture under Section 83 of the Code (for example, stock granted under the Plan that is subject to forfeiture if the participant terminates employment prior to the time the restrictions lapse, which right lapses over a period of continued employment, is considered a substantial risk of forfeiture under Section 83 of the Code). If stock is not subject to a substantial risk of forfeiture, the participant normally will recognize taxable ordinary income equal to the value of the stock on the date on which the stock is granted less any amount paid for that stock. If the stock is subject to a substantial risk of forfeiture, the participant generally will recognize taxable ordinary income as and when the substantial risk of forfeiture lapses in the amount equal to the fair market value of the shares at the time they are no longer subject to the substantial risk of forfeiture less the amount paid for the stock. Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for the stock plus any amount recognized as ordinary income upon grant or vesting of the stock. The gain or loss will be long- or short-term depending on how long the participant held the stock. We will be entitled to a federal tax deduction at the same time, and in the same amount, as the participant recognizes income.

A recipient of stock subject to a substantial risk of forfeiture may make an election under Code Section 83(b) to recognize ordinary income on the date the participant receives the restricted stock, rather than waiting until the substantial risk of forfeiture lapses. If the participant makes a Section 83(b) election, the participant will be required to recognize as ordinary income on the date the participant receives the stock grant the difference, if any, between the fair market value of the stock on the award date and the purchase price paid. If the participant makes a Section 83(b) election, the participant will not be required to recognize any income when the substantial risk of forfeiture lapses.

The shares acquired will have a cost basis equal to the fair market value on the date the restrictions lapse (or the date of grant if a Section 83(b) election is made). When the participant disposes of the shares acquired, any amount received in excess of the shares' cost basis will be treated as long- or short-term capital gain, depending upon the holding period of the shares. If the amount the employee receives is less than the cost basis of the shares, the loss will be treated as long- or short-term capital loss, depending upon the holding period of the shares.

*Restricted or Deferred Stock Units.* A participant will not recognize taxable income, and we will not be permitted a compensation deduction, at the time a stock unit award is granted. Upon receipt of shares of our common stock (or the equivalent value in cash or other property) in settlement of a stock unit award, a participant will recognize ordinary income equal to the fair market value of the common stock or other property as of that date (less any amount he or she paid for the stock or property), and we will be permitted a corresponding federal income tax deduction at that time, subject to any applicable limitations under Section 162(m).

Code Section 162(m). Section 162(m) of the Code limits the deduction we can take for compensation we pay to our chief executive officer and our four other highest paid officers other than our chief financial officer (determined as of the end of each year) to \$1,000,000 per year per individual.

However, performance-based compensation that meets the requirements of Section 162(m) does not have to be included as part of the \$1,000,000 limit. The Plan is designed so that awards granted to the covered individuals may meet the Section 162(m) requirements for performance-based compensation.

Code Section 409A. The Plan permits the grant of various types of incentive awards, which may or may not be exempt from Internal Revenue Code Section 409A. If an award is subject to Section 409A, and if the requirements of Section 409A are not met, the taxable events as described above could apply earlier than described and could result in the imposition of additional taxes and penalties. Restricted stock awards, stock options and SARs that comply with the terms of the Plan are designed to be exempt from the application of Section 409A unless they are designed to satisfy the short-term deferral exemption from such law. If not exempt, such awards must be specially designed to meet the requirements of Section 409A in order to avoid early taxation and penalties.

### **3. Administration.**

(a) *Administration.* The Administrator shall administer this Plan. In addition to the authority specifically granted to the Administrator in this Plan, the Administrator has full discretionary authority to administer this Plan and all Awards, including but not limited to the authority to: (i) interpret the provisions of this Plan and any Award agreement; (ii) prescribe, amend and rescind rules and regulations relating to this Plan; (iii) correct any defect, supply any omission, or reconcile any inconsistency in this Plan, any Award or agreement covering an Award in the manner and to the extent it deems desirable to carry this Plan or such Award into effect; and (iv) make all other determinations necessary or advisable for the administration of this Plan. All Administrator determinations shall be made in the sole discretion of the Administrator and are final and binding on all interested parties.

Notwithstanding the above statement or any other provision of the Plan, the Committee shall have no discretion to increase the amount, once established, of compensation payable under an Award that is intended to be performance-based compensation under Code Section 162(m), although the Committee may decrease the amount of compensation a Participant may earn under such an Award.

(b) *Delegation to Other Committees or Officers.* To the extent applicable law permits, the Board may delegate to another committee of the Board or to one or more officers of the Company, or the Committee may delegate to one or more officers of the Company, any or all of their respective authority and responsibility as an Administrator of the Plan; provided that no such delegation is permitted with respect to Stock-based Awards made to Section 16 Participants or Awards made to Participants subject to Code Section 162(m) at the time any such delegated authority or responsibility is exercised unless the delegation is to another committee of the Board consisting entirely of directors who are non-employee directors within the meaning of Rule 16b-3 and outside directors within the meaning of Code Section 162(m)(4)(C). If the Board or the Committee has made such a delegation, then all references to the Administrator in this Plan include such other committee or one or more officers to the extent of such delegation.

(c) *Indemnification.* The Company will indemnify and hold harmless each member of the Board and the Committee, and each officer or member of any other committee to whom a delegation under Section 3(b) has been made, as to any acts or omissions with respect to this Plan or any Award to the maximum extent that the law and the Company's articles of incorporation and by-laws permit.

**4. Eligibility.** The Administrator (to the extent of its authority) may designate any of the following as a Participant from time to time: any officer or other employee of the Company or its Affiliates, any individual that the Company or an Affiliate has engaged to become an officer or employee, any consultant or independent contractor engaged by the Company or an Affiliate to provide services, or any Non-Employee Director. The Administrator's designation of a Participant in any year will not require the Administrator to designate such person to receive an Award in any other year. No individual shall have any right to be granted an Award, even if an Award was granted to such individual at any prior time, or if a similarly-situated individual is or was granted an Award under similar circumstances.

**5. Types of Awards.** Subject to the terms of this Plan, the Administrator may grant any type of Award to any Participant it selects, but only employees of the Company or a Subsidiary may receive grants of Incentive Stock Options. Awards may be granted alone or in addition to, in tandem with, or (subject to the prohibition on repricing set forth in Section 16(e)) in substitution for any other Award (or any other award granted under another plan of the Company or any Affiliate).

**6. Shares Reserved under this Plan.**

(a) *Plan Reserve.* Subject to adjustment as provided in Section 18, an aggregate of Five Million (5,000,000) Shares are reserved for issuance under this Plan. The Shares reserved for issuance may be either authorized and unissued Shares or Shares reacquired at any time and now or hereafter held as treasury stock. The aggregate number of Shares reserved under this Section 6(a) shall be depleted by the number of Shares with respect to which an Award is granted. For purposes of determining the aggregate number of Shares reserved for issuance under this Plan, any fractional Share shall be rounded to the next highest full Share.

(b) *Incentive Stock Option Award Limits.* Subject to adjustment as provided in Section 18, the Company may issue an aggregate of Four Million (4,000,000) Shares upon the exercise of Incentive Stock Options.

(c) *Replenishment of Shares Under this Plan.* If (i) an Award lapses, expires, terminates or is cancelled without the issuance of Shares under the Award (whether due currently or on a deferred basis), (ii) it is determined during or at the conclusion of the term of an Award that all or some portion of the Shares with respect to which the Award was granted will not be issuable on the basis that the conditions for such issuance will not be satisfied, (iii) Shares are forfeited under an Award or (iv) Shares are issued under any Award and the Company subsequently reacquires them pursuant to rights reserved upon the issuance of the Shares, then such Shares shall be reccredited to the Plan's reserve (in the same number as they depleted the reserve) and may again be used for new Awards under this Plan, but Shares reccredited to the Plan's reserve pursuant to clause (iv) may not be issued pursuant to Incentive Stock Options. Notwithstanding the foregoing, in no event shall the following Shares be reccredited to the Plan's reserve: Shares tendered in payment of the exercise price of an Option; Shares withheld to satisfy federal, state or local tax withholding obligations; and Shares purchased by the Company using proceeds from Option exercises.

(d) *Addition of Shares from Prior Plan.* After the Effective Date, if any Shares subject to awards granted under the Prior Plan would again become available for new grants under the terms of such plans if such plans were still in effect (taking into account such plan's provisions concerning termination or expiration, if any), then those Shares will be available for the purpose of granting Awards under this Plan, thereby increasing the number of Shares available for issuance under this Plan as determined under Section 6(a). Any such Shares will not be available for future awards under the terms of the Prior Plan.

(e) *Participant Limitations.* Subject to adjustment as provided in Section 18, no Participant may be granted Awards that could result in such Participant:

(i) receiving Options for, and/or Stock Appreciation Rights with respect to, more than 1,000,000 Shares during any fiscal year of the Company;

(ii) receiving Awards of Restricted Stock (including any dividends paid thereon) and/or Restricted Stock Units (including any associated Dividend Equivalent Units) and/or Deferred Stock Rights (including any associated Dividend Equivalent Units) relating to more than 1,000,000 Shares during any fiscal year of the Company;

(iii) receiving Awards of Performance Shares, and/or Awards of Performance Units the value of which is based on the Fair Market Value of Shares, for more than 1,000,000 Shares during any fiscal year of the Company;

(iv) receiving Awards of Performance Units the value of which is not based on the Fair Market Value of Shares that would pay more than \$5,000,000.00 during any fiscal year of the Company;

(v) receiving other Stock-based Awards pursuant to Section 11 relating to more than 1,000,000 Shares during any fiscal year of the Company;

- (vi) receiving an Annual Incentive Award in any fiscal year of the Company that would pay more than \$5,000,000.00; or
- (vii) receiving a Long-Term Incentive Award in any fiscal year of the Company that would pay more than \$ 5,000,000.00.

In all cases, determinations under this Section 6(e) should be made in a manner that is consistent with the exemption for performance-based compensation that Code Section 162(m) provides.

**7. Options.** Subject to the terms of this Plan, the Administrator will determine all terms and conditions of each Option, including but not limited to:

- (a) Whether the Option is an Incentive Stock Option or a nonqualified stock option which does not meet the requirements of Code Section 422;
- (b) The number of Shares subject to the Option;
- (c) The date of grant, which may not be prior to the date of the Administrator's approval of the grant;
- (d) The exercise price, which may not be less than the Fair Market Value of the Shares subject to the Option as determined on the date of grant; provided that an Incentive Stock Option granted to a 10% Shareholder must have an exercise price at least equal to 110% of the Fair Market Value of the Shares subject to the Option as determined on the date of grant;
- (e) The terms and conditions of exercise, including the manner and form of payment of the exercise price; provided that if the aggregate Fair Market Value of the Shares subject to all ISOs granted to a Participant (as determined on the date of grant of each such Option) that become exercisable during a calendar year exceed \$100,000, then such ISOs shall be treated as nonqualified stock options to the extent such \$100,000 limitation is exceeded; and
- (f) The term; provided that each Option must terminate no later than ten (10) years after the date of grant and each Incentive Stock Option granted to a 10% Shareholder must terminate no later than five (5) years after the date of grant.

In all other respects, the terms of any Incentive Stock Option should comply with the provisions of Code Section 422 except to the extent the Administrator determines otherwise. If an Option that is intended to be an Incentive Stock Option fails to meet the requirements thereof, the Option shall automatically be treated as a nonqualified stock option to the extent of such failure.

**8. Stock Appreciation Rights.** Subject to the terms of this Plan, the Administrator will determine all terms and conditions of each SAR, including but not limited to:

- (a) Whether the SAR is granted independently of an Option or relates to an Option;
- (b) The number of Shares to which the SAR relates;

- (c) The date of grant, which may not be prior to the date of the Administrator's approval of the grant;
- (d) The grant price, provided that the grant price shall not be less than the Fair Market Value of the Shares subject to the SAR as determined on the date of grant;
- (e) The terms and conditions of exercise or maturity;
- (f) The term, provided that each SAR must terminate no later than ten (10) years after the date of grant; and
- (g) Whether the SAR will be settled in cash, Shares or a combination thereof.

If an SAR is granted in relation to an Option, then, unless otherwise determined by the Administrator, the SAR shall be exercisable or shall mature at the same time or times, on the same conditions and to the extent and in the proportion, that the related Option is exercisable and may be exercised or mature for all or part of the Shares subject to the related Option. Upon exercise of any number of SARs, the number of Shares subject to the related Option shall be reduced accordingly and such Option may not be exercised with respect to that number of Shares. The exercise of any number of Options that relate to an SAR shall likewise result in an equivalent reduction in the number of Shares covered by the related SAR.

**9. Performance and Stock Awards.** Subject to the terms of this Plan, the Administrator will determine all terms and conditions of each award of Restricted Stock, Restricted Stock Units, Deferred Stock Rights, Performance Shares or Performance Units, including but not limited to:

- (a) The number of Shares and/or units to which such Award relates;
- (b) Whether, as a condition for the Participant to realize all or a portion of the benefit provided under the Award, one or more Performance Goals must be achieved during such period as the Administrator specifies;
- (c) The Restriction Period with respect to Restricted Stock or Restricted Stock Units and the period of deferral for Deferred Stock Rights;
- (d) The performance period for Performance Awards;
- (e) With respect to Performance Units, whether to measure the value of each unit in relation to a designated dollar value or the Fair Market Value of one or more Shares; and
- (f) With respect to Restricted Stock Units and Performance Units, whether to settle such Awards in cash, in Shares, or a combination thereof.

Unless the Administrator shall otherwise provide, during the time Restricted Stock is subject to the Restriction Period, (1) Participants holding Shares of Restricted Stock may exercise full voting rights with respect to those Shares, and (2) the Participant shall have the right to receive any dividends paid with respect to such Shares, provided that such any dividends or

other distributions paid or delivered with respect to such Shares of Restricted Stock shall be subject to the same conditions and restrictions applicable to such Shares and shall not be paid currently but shall be accrued and paid within thirty (30) days of such time as all applicable restrictions lapse and the Restriction Period expires.

Except as otherwise provided in the Plan, at such time as all restrictions applicable to an Award of Restricted Stock, Deferred Stock Rights or Restricted Stock Units are met and the Restriction Period expires, ownership of the Stock subject to such restrictions shall be transferred to the Participant free of all restrictions except those that may be imposed by applicable law; provided that if Restricted Stock Units are paid in cash, then the payment shall be made to the Participant after all applicable restrictions lapse and the Restriction Period expires.

**10. Annual Incentive Awards.** Subject to the terms of this Plan, the Administrator will determine all terms and conditions of an Annual Incentive Award, including but not limited to the Performance Goals, performance period, the potential amount payable, and the timing of payment, subject to the following: (a) the Administrator must require that payment of all or any portion of the amount subject to the Annual Incentive Award is contingent on the achievement of one or more Performance Goals during the period the Administrator specifies, although the Administrator may specify that all or a portion of the Performance Goals subject to an Award are deemed achieved upon a Participant's death, Disability or (for Awards not intended to qualify as performance-based compensation within the meaning of Code Section 162(m)) Retirement, or such other circumstances as the Administrator may specify; and (b) the performance period must relate to a period of one fiscal year of the Company except that, if the Award is made in the year this Plan becomes effective, at the time of commencement of employment with the Company or on the occasion of a promotion, then the Award may relate to a period shorter than one fiscal year.

**11. Long-Term Incentive Awards.** Subject to the terms of this Plan, the Administrator will determine all terms and conditions of a Long-Term Incentive Award, including but not limited to the Performance Goals, performance period, the potential amount payable, and the timing of payment, subject to the following: (a) the Administrator must require that payment of all or any portion of the amount subject to the Long-Term Incentive Award is contingent on the achievement of one or more Performance Goals during the period the Administrator specifies, although the Administrator may specify that all or a portion of the Performance Goals subject to an Award are deemed achieved upon a Participant's death, Disability or (for Awards not intended to qualify as performance-based compensation within the meaning of Code Section 162(m)) Retirement, or such other circumstances as the Administrator may specify; and (b) the performance period must relate to a period of more than one fiscal year of the Company.

**12. Dividend Equivalent Units.** Subject to the terms of this Plan, the Administrator will determine all terms and conditions of each award of Dividend Equivalent Units, including but not limited to whether: (a) such Award will be granted in tandem with another Award; (b) payment of the Award be made currently or credited to an account for the Participant that provides for the deferral of such amounts until a stated time; and (c) the Award will be settled in cash or Shares.

**13. Other Stock-Based Awards.** Subject to the terms of this Plan, the Administrator may grant to Participants other types of Awards, which shall be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, Shares, either alone or in addition to or in conjunction with other Awards, and payable in Stock or cash. Without limitation, such Award may include the issuance of unrestricted Shares (which may be awarded as payment of director fees, in lieu of cash compensation to which a Participant is otherwise entitled, in exchange for cancellation of a compensation right, as a bonus, upon the attainment of Performance Goals or otherwise) or rights to acquire Stock from the Company. The Administrator shall determine all terms and conditions of the Award, including but not limited to, the time or times at which such Awards shall be made, and the number of Shares to be granted pursuant to such Awards or to which such Award shall relate; provided that any Award that provides for purchase rights shall be priced at 100% of Fair Market Value on the date of grant of the Award; and provided further that the date of grant cannot be prior to the date the Administrator takes action to approve the Award.

**14. Effect of Termination on Awards** If the Participant has in effect an employment, retention, change of control, severance or similar agreement with the Company or any Affiliate that discusses the effect of the Participant's termination of employment or service on the Participant's Awards, then such agreement shall control. In any other case, except as otherwise provided by the Administrator in an Award agreement or as determined by the Administrator prior to or at the time of termination of a Participant's employment or service, the following provisions shall apply upon a Participant's termination of employment or service with the Company and its Affiliates.

(a) *Termination of Employment or Service.* If a Participant's service with the Company and its Affiliates as an employee or Director ends for any reason other than (i) a termination for Cause or Inimical Conduct, (ii) Retirement, (iii) death or (iv) Disability, then:

(i) Any outstanding unvested Options or SARs shall be forfeited immediately upon such termination, and any outstanding vested Options or SARs shall be exercisable until the earlier of thirty (30) days following the Participant's termination date and the expiration date of the Option or SAR under the terms of the applicable Award agreement.

(ii) All other Awards made to the Participant, to the extent not then fully earned or vested, shall terminate on the Participant's last day of employment or service without payment therefor.

(b) *Retirement of Employees.* Upon Retirement of a Participant who is an employee:

(i) Any outstanding unvested Options or SARs shall be forfeited immediately upon Retirement, and any vested Options or SARs held by the Participant shall be exercisable to the extent they would have been exercisable as of the date of Retirement, and may be exercised until the earlier of the first (1<sup>st</sup>) anniversary of the date of Retirement or the last day of the term of the Option or SAR.

(ii) All outstanding Restricted Stock Units and Deferred Stock Rights (that are not Performance Awards) that are subject to a Restriction Period on the Participant's Retirement date shall be deemed to have lapsed and shall automatically be forfeited as of the date of the Retirement.

(iii) All Performance Awards outstanding on the Participant's Retirement date shall be paid in either unrestricted Shares or cash, as the case may be, following the end of the performance period and based on achievement of the Performance Goals established for such Awards, as if the Participant had not retired.

(iv) Any Incentive Awards held by the Participant shall be cancelled in exchange for a payment following the end of the performance period based on achievement of the Performance Goals established for such Award, but prorated based on the portion of the performance period that the Participant has completed at the time of Retirement.

(c) *Death of Participant.* If a Participant dies during employment with the Company and its Affiliates or while a Director:

(i) Any outstanding unvested Options or SARs shall be forfeited immediately upon such termination, and any outstanding vested Options or SARs shall be exercisable immediately to the extent they would have been exercisable on the date of the Participant's death, and may be exercised until the earlier of the first (1st) anniversary of the date of the Participant's death or the last day of the term of the Award.

(ii) Any outstanding Awards of Restricted Stock, Restricted Units and Deferred Stock Rights (that are not Performance Awards) that are subject to a Restriction Period as of the date of the Participant's death shall automatically be deemed to have lapsed and shall automatically be forfeited as of the date of death.

(iii) All Performance Awards outstanding on the date of the Participant's death shall be paid in either unrestricted shares of Stock or cash, as the case may be, following the end of the performance period and based on achievement of the Performance Goals established for such Awards, as if the Participant had not died, but prorated based on the portion of the performance period that the Participant has completed at the time of death.

(iv) Any Incentive Awards held by the Participant shall be cancelled in exchange for a payment following the end of the performance period based on achievement of the Performance Goals established for such Award, but prorated based on the portion of the performance period that the Participant has completed at the time of death.

(d) *Disability of Participant.* If a Participant's employment with the Company and its Affiliates or service as a Director terminates due to a Disability, then:

(i) Any outstanding unvested Options or SARs shall be forfeited immediately upon such termination, and any outstanding vested Options or SARs shall be exercisable immediately to the extent they would have been exercisable on the date of termination, and may be exercised until the earlier of the first (1<sup>st</sup>) anniversary of the date of termination or the last day of the term of the Option or SAR.

(ii) Any outstanding Awards of Restricted Stock, Restricted Units and Deferred Stock Rights (that are not Performance Awards) that are subject to a Restriction Period as of the Participant's date of termination shall automatically be deemed to have lapsed and shall automatically be forfeited as of the date of such termination.

(iii) All Performance Awards outstanding on the date of such termination shall be paid in either unrestricted shares of Stock or cash, as the case may be, based on the degree to which the Participant had attained the applicable Performance Goals as of the date of such termination, but prorated based on the portion of the performance period that the Participant has completed at the time of termination.

(iv) Any Incentive Awards held by the Participant shall be cancelled in exchange for a payment following the end of the performance period based on achievement of the Performance Goals established for such Award, but prorated based on the portion of the performance period that the Participant has completed at the time of termination.

(e) *Termination for Cause or Inimical Conduct.* Unless otherwise provided by the Administrator, notwithstanding any provisions of this Plan or an Award agreement to the contrary, a Participant's Award shall be immediately cancelled and forfeited, regardless of vesting, and any pending exercises shall be cancelled, on the date that: (i) the Company or an Affiliate terminates the Participant's employment or service for Cause, (ii) the Administrator determines that the Participant's employment or service could have been terminated for Cause if the Company or Affiliate had all relevant facts in its possession as of the date of the Participant's termination, or (iii) the Administrator determines the Participant has engaged in Inimical Conduct. The Administrator may suspend all exercises or delivery of cash or Shares (without liability for interest thereon) pending its determination of whether the Participant has been or should have been terminated for Cause or has engaged in Inimical Conduct.

(f) *Other Stock-Based Awards.* The Committee shall have the discretion to determine, at the time an Award is made, the effect of the Participant's termination of employment or service with the Company and its Affiliates on other Stock-based Awards.

(g) *No Effect on Deferred Compensation Elections.* Notwithstanding the foregoing, none of the foregoing provisions of this Section 14 shall override the terms of, or any Participant elections under, any deferred compensation arrangements that relate to the deferral or distribution of Awards or other amounts that are subject to Code Section 409A.

#### **15. Transferability.**

(a) *Restrictions on Transfer.* No Award (other than unrestricted Shares), and no right under any such Award, shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by will or by the laws of descent and distribution, unless and to the extent the Administrator allows a Participant to: (i) designate in writing a beneficiary to exercise the Award after the Participant's death; or (ii) transfer an Award.

(b) *Restrictions on Exercisability.* Each Award, and each right under any Award, shall be exercisable during the lifetime of the Participant only by such individual or, if permissible under applicable law, by such individual's guardian or legal representative.

**16. Termination and Amendment of Plan; Amendment, Modification or Cancellation of Awards.**

(a) *Term of Plan.* Unless the Board or Committee earlier terminates this Plan pursuant to Section 16(b), this Plan will terminate on the date all Shares reserved for issuance have been issued. If the term of this Plan extends beyond ten (10) years from the Effective Date, no Incentive Stock Options may be granted after such time unless the shareholders of the Company have approved an extension of this Plan for such purpose.

(b) *Termination and Amendment.* The Board or the Committee may amend, alter, suspend, discontinue or terminate this Plan at any time, subject to the following limitations:

(i) the Board must approve any amendment of this Plan to the extent the Company determines such approval is required by: (A) prior action of the Board, (B) applicable corporate law, or (C) any other applicable law;

(ii) shareholders must approve any amendment of this Plan to the extent the Company determines such approval is required by: (A) Section 16 of the Exchange Act, (B) the Code, (C) the listing requirements of any principal securities exchange or market on which the Shares are then traded, or (D) any other applicable law; and

(iii) shareholders must approve any of the following Plan amendments: (A) an amendment to increase any number of Shares specified in Section 6(a) or 6(b) or the limits set forth in Section 6(e) (except as permitted by Section 18), (B) an amendment to expand the group of individuals that may become Participants, or (C) an amendment that would diminish the protections afforded by Section 16(e).

(c) *Amendment, Modification, Cancellation and Disgorgement of Awards.*

(i) Subject to the requirements of the Plan, including the limitations of Section 16(e), the Administrator may modify, amend or cancel any Award or waive any restrictions or conditions applicable to any Award or the exercise of the Award, provided that any modification or amendment that materially diminishes the rights of the Participant, or the cancellation of the Award, shall be effective only if agreed to by the Participant or any other person(s) as may then have an interest in the Award, but the Administrator need not obtain Participant (or other interested party) consent for the modification, amendment or cancellation of an Award pursuant to the provisions of subsection (ii) or Section 18 or as follows: (A) to the extent the Administrator deems such action necessary to comply with any applicable law or the listing requirements of any principal securities exchange or market on which the Shares are then traded; (B) to the extent the Administrator deems necessary to preserve favorable accounting or tax treatment of any Award for the Company; or (C) to the extent the Administrator determines that such action does not materially and adversely affect the value of an Award or that such action is in the best interest of the affected Participant or any other

person(s) as may then have an interest in the Award. Notwithstanding the foregoing, unless determined otherwise by the Administrator, any such amendment shall be made in a manner that will enable an Award intended to be exempt from Code Section 409A to continue to be so exempt, or to enable an Award intended to comply with Code Section 409A to continue to so comply.

(ii) Notwithstanding anything to the contrary in an Award agreement, the Administrator shall have full power and authority to terminate or cause the Participant to forfeit an Award, and require the Participant to disgorge to the Company any gains attributable to the Award, if the Participant engages in any action that constitutes a breach of any nonsolicitation, noncompete or confidentiality covenant under the Participant's employment agreement or other written agreement with the Company; or, after the Participant is no longer employed by the Company or any Affiliate:

(A) soliciting, with respect to any of the services or products that the Company or any Affiliate then provides to customers, any person or entity whom the Participant knows to be a customer of the Company or any Affiliate, or whose business the Participant solicited on behalf of the Company or any Affiliate while employed by it,

(B) soliciting or hiring any person who is then an employee of the Company or an Affiliate, or

(C) taking any action that, in the judgment of the Administrator, is not in the best interests of the Company or an Affiliate.

(iii) Any Awards granted pursuant to this Plan, and any Stock issued or cash paid pursuant to an Award, shall be subject to (A) any recoupment, clawback, equity holding, stock ownership or similar policies adopted by the Company from time to time and (B) any recoupment, clawback, equity holding, stock ownership or similar requirements made applicable by law, regulation or listing standards to the Company from time to time.

(iv) Unless the Award agreement specifies otherwise, the Administrator may cancel any Award at any time if the Participant is not in compliance with all applicable provisions of the Award agreement and the Plan.

(d) *Survival of Authority and Awards.* Notwithstanding the foregoing, the authority of the Board and the Administrator under this Section 16 and to otherwise administer the Plan will extend beyond the date of this Plan's termination. In addition, termination of this Plan will not affect the rights of Participants with respect to Awards previously granted to them, and all unexpired Awards will continue in force and effect after termination of this Plan except as they may lapse or be terminated by their own terms and conditions.

(e) *Repricing and Backdating Prohibited.* Notwithstanding anything in this Plan to the contrary, and except for the adjustments provided in Section 18, neither the Administrator nor any other person may (i) amend the terms of outstanding Options or SARs to reduce the exercise

price of such outstanding Options or SARs; (ii) cancel outstanding Options or SARs in exchange for Options or SARs with an exercise price that is less than the exercise price of the original Options or SARs; or (iii) cancel outstanding Options or SARs with an exercise price above the current Share price in exchange for cash or other securities. In addition, the Administrator may not make a grant of an Option or SAR with a grant date that is effective prior to the date the Administrator takes action to approve such Award.

(f) *Foreign Participation.* To assure the viability of Awards granted to Participants employed or residing in foreign countries, the Administrator may provide for such special terms as it may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Administrator may approve such supplements to, or amendments, restatements or alternative versions of, this Plan as it determines is necessary or appropriate for such purposes. Any such amendment, restatement or alternative versions that the Administrator approves for purposes of using this Plan in a foreign country will not affect the terms of this Plan for any other country. In addition, all such supplements, amendments, restatements or alternative versions must comply with the provisions of Section 16(b).

In addition, if an Award is held by a Participant who is employed or residing in a foreign country and the amount payable or Shares issuable under such Award would be taxable to the Participant under Code Section 457A in the year such Award is no longer subject to a substantial risk of forfeiture, then the amount payable or Shares issuable under such Award shall be paid or issued to the Participant as soon as practicable after such substantial risk of forfeiture lapses (or, for Awards that are not considered nonqualified deferred compensation subject to Code Section 409A, no later than the end of the short-term deferral period permitted by Code Section 457A) notwithstanding anything in this Plan or the Award agreement to contrary.

(g) *Code Section 409A.* The provisions of Code Section 409A are incorporated herein by reference to the extent necessary for any Award that is subject to Code Section 409A to comply therewith.

#### **17. Taxes.**

(a) *Withholding.* In the event the Company or an Affiliate of the Company is required to withhold any Federal, state or local taxes or other amounts in respect of any income recognized by a Participant as a result of the grant, vesting, payment or settlement of an Award or disposition of any Shares acquired under an Award, the Company may deduct (or require an Affiliate to deduct) from wages or other payments of any kind otherwise due the Participant cash, or with the consent of the Committee, Shares otherwise deliverable or vesting under an Award, to satisfy such tax obligations. Alternatively, the Company may require such Participant to pay to the Company, in cash, promptly on demand, or make other arrangements satisfactory to the Company regarding the payment to the Company of the aggregate amount of any such taxes and other amounts. If Shares are deliverable upon exercise or payment of an Award, the Committee may permit a Participant to satisfy all or a portion of the Federal, state and local withholding tax obligations arising in connection with such Award by electing to (a) have the Company withhold Shares otherwise issuable under the Award, (b) tender back Shares received in connection with such Award or (c) deliver other previously owned Shares; provided that the amount to be withheld may not exceed the total minimum federal, state and local tax withholding

obligations associated with the transaction to the extent needed for the Company to avoid an accounting charge. If an election is provided, the election must be made on or before the date as of which the amount of tax to be withheld is determined and otherwise as the Committee requires. In any case, the Company may defer making payment or delivery under any Award if any such tax may be pending unless and until the Participant has fulfilled all obligations with respect to such tax in a manner which is satisfactory to the Company, as determined in the Company's sole discretion.

(b) *No Guarantee of Tax Treatment.* Notwithstanding any provisions of the Plan, the Company does not guarantee to any Participant or any other Person with an interest in an Award that (i) any Award intended to be exempt from Code Section 409A shall be so exempt, (ii) any Award intended to comply with Code Section 409A or Code Section 422 shall so comply, (iii) any Award shall otherwise receive a specific tax treatment under any other applicable tax law, nor in any such case will the Company or any Affiliate indemnify, defend or hold harmless any individual with respect to the tax consequences of any Award.

(c) *Participant Responsibilities.* If a Participant shall dispose of Stock acquired through exercise of an ISO within either (i) two (2) years after the date the Option is granted or (ii) one (1) year after the date the Option is exercised (i.e., in a disqualifying disposition), such Participant shall notify the Company within seven (7) days of the date of such disqualifying disposition. In addition, if a Participant elects, under Code Section 83, to be taxed at the time an Award of Restricted Stock (or other property subject to such Code section) is made, rather than at the time the Award vests, such Participant shall notify the Company within seven (7) days of the date the Participant makes such an election.

#### **18. Adjustment Provisions; Change of Control.**

(a) *Adjustment of Shares.* If: (i) the Company shall at any time be involved in a merger or other transaction in which the Shares are changed or exchanged; (ii) the Company shall subdivide or combine the Shares or the Company shall declare a dividend payable in Shares, other securities or other property; (iii) the Company shall effect a cash dividend the amount of which, on a per Share basis, exceeds ten percent (10%) of the Fair Market Value of a Share at the time the dividend is declared, or the Company shall effect any other dividend or other distribution on the Shares in the form of cash, or a repurchase of Shares, that the Board determines by resolution is special or extraordinary in nature or that is in connection with a transaction that the Company characterizes publicly as a recapitalization or reorganization involving the Shares; or (iv) any other event shall occur, which, in the case of this clause (iv), in the judgment of the Board or Committee necessitates an adjustment to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan, then the Administrator shall, in such manner as it may deem equitable to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan, adjust as applicable: (A) the number and type of Shares subject to this Plan (including the number and type of Shares described in Section 6) and which may after the event be made the subject of Awards; (B) the number and type of Shares subject to outstanding Awards; (C) the grant, purchase, or exercise price with respect to any Award; and (D) to the extent such discretion does not cause an Award that is intended to qualify as performance-based compensation under Code Section 162(m) to lose its status as such, the Performance Goals of an

Award. In any such case, the Administrator may also (or in lieu of the foregoing) make provision for a cash payment to the holder of an outstanding Award in exchange for the cancellation of all or a portion of the Award (without the consent of the holder of an Award) in an amount determined by the Administrator effective at such time as the Administrator specifies (which may be the time such transaction or event is effective). However, in each case, with respect to Awards of Incentive Stock Options, no such adjustment may be authorized to the extent that such authority would cause this Plan to violate Code Section 422(b). Further, the number of Shares subject to any Award payable or denominated in Shares must always be a whole number. In any event, previously granted Options or SARs are subject only to such adjustments as are necessary to maintain the relative proportionate interest the Options and SARs represented immediately prior to any such event and to preserve, without exceeding, the value of such Options or SARs.

Without limitation, in the event of any reorganization, merger, consolidation, combination or other similar corporate transaction or event, whether or not constituting a Change of Control (other than any such transaction in which the Company is the continuing corporation and in which the outstanding Stock is not being converted into or exchanged for different securities, cash or other property, or any combination thereof), the Administrator may substitute, on an equitable basis as the Administrator determines, for each Share then subject to an Award and the Shares subject to this Plan (if the Plan will continue in effect), the number and kind of shares of stock, other securities, cash or other property to which holders of Stock are or will be entitled in respect of each Share pursuant to the transaction.

Notwithstanding the foregoing, in the case of a stock dividend (other than a stock dividend declared in lieu of an ordinary cash dividend) or subdivision or combination of the Shares (including a reverse stock split), if no action is taken by the Administrator, adjustments contemplated by this subsection that are proportionate shall nevertheless automatically be made as of the date of such stock dividend or subdivision or combination of the Shares.

(b) *Issuance or Assumption.* Notwithstanding any other provision of this Plan, and without affecting the number of Shares otherwise reserved or available under this Plan, in connection with any merger, consolidation, acquisition of property or stock, or reorganization, the Administrator may authorize the issuance or assumption of awards under this Plan upon such terms and conditions as it may deem appropriate, subject to the listing requirements of any principal securities exchange or market on which the Shares are then traded.

(c) *Change of Control.* If the Participant has in effect an employment, retention, change of control, severance or similar agreement with the Company or any Affiliate that discusses the effect of a Change of Control on the Participant's Awards, then such agreement shall control. In all other cases, unless provided otherwise in an Award agreement or by the Administrator prior to the date of the Change of Control, in the event of a Change of Control:

(i) If the purchaser, successor or surviving corporation (or parent thereof) (the Survivor) so agrees, some or all outstanding Awards shall be assumed, or replaced with the same type of award with similar terms and conditions, by the Survivor in the Change of Control transaction. If applicable, each Award which is assumed by the Survivor shall be appropriately adjusted, immediately after such Change of Control, to apply to the

number and class of securities which would have been issuable to the Participant upon the consummation of such Change of Control had the Award been exercised, vested or earned immediately prior to such Change of Control, and other appropriate adjustments in the terms and conditions of the Award shall be made.

(ii) To the extent the Survivor in the Change of Control transaction does not agree to assume the Awards or issue replacement awards as provided in clause (i), then immediately prior to the date of the Change of Control:

(A) Each Option or SAR that is then held by a Participant who is employed by or in the service of the Company or an Affiliate shall become immediately and fully vested, and, unless otherwise determined by the Board or Committee, all Options and SARs shall be cancelled on the date of the Change of Control in exchange for a cash payment equal to the excess of the Change of Control price of the Shares covered by the Option or SAR that is so cancelled over the purchase or grant price of such Shares under the Award.

(B) Restricted Stock, Restricted Stock Units and Deferred Stock Rights (that are not Performance Awards) that are not then vested shall vest.

(C) All Performance Awards and Annual and Long-Term Incentive Awards that are earned but not yet paid shall be paid upon the Change of Control, and all Performance Awards and Annual and Long-Term Incentive Awards for which the performance period has not expired shall be cancelled in exchange for a cash payment to be made within thirty (30) days after the Change of Control equal to the product of (1) the maximum value payable to the Participant under his Award and (2) a fraction, the numerator of which is the number of days after the first day of the performance period on which the Change of Control occurs and the denominator of which is the number of days in the performance period.

(D) All Dividend Equivalent Units that are not vested shall vest and be paid in cash, and all other Awards that are not vested shall vest and if an amount is payable under such vested Award, such amount shall be paid in cash based on the value of the Award.

(iii) In the event that (1) the Survivor terminates the Participant's employment or service without cause (as defined in the agreement relating to the Award or, if not defined therein, as defined by the Administrator) or (2) if the Participant has in effect an employment, retention, change of control, severance or similar agreement with the Company or any Affiliate that contemplates the termination of his or her employment or service for good reason, and the Participant terminates his or her employment or service for good reason (as defined in such agreement), in the case of either (1) or (2) within twelve (12) months following a Change of Control, then the following provisions shall apply to any assumed Awards or replacement awards described in paragraph (i) and any Awards not cancelled in connection with the Change of Control pursuant to paragraph (ii):

(A) Effective upon the date of the Participant's termination of employment or service, all outstanding Awards or replacement awards automatically shall vest (assuming for any Award the vesting of which is subject to Performance Goals, that such goals had been met at the target level); and

(B) With respect to Options or Stock Appreciation Rights, at the election of the Participant, such Awards or replacement awards shall be cancelled as of the date of such termination in exchange for a payment in cash and/or Shares (which may include shares or other securities of the Survivor) equal to the excess of the Fair Market Value of the Shares on the date of such termination covered by the portion of the Option or Stock Appreciation Right that has not been exercised over the exercise or grant price of such Shares under the Award; and

(C) With respect to Restricted Stock, Restricted Stock Units or Deferred Stock Rights, at the election of the Participant, such Awards or replacement awards shall be cancelled as of the date of such termination in exchange for a payment in cash and/or Shares (which may include shares or other securities of the Survivor) equal to the Fair Market Value of a Share on the date of such termination; and

(D) With respect to Performance Awards and Annual and Long-Term Incentive Awards that are earned but not yet paid, such Awards or replacement awards shall be paid upon the termination of employment or service, and with respect to Performance Awards and Annual and Long-Term Incentive Awards for which the performance period has not expired, such Awards shall be cancelled in exchange for a cash payment to be made within thirty (30) days after the date of termination equal to the product of (1) the maximum value payable to the Participant under his Award and (2) a fraction, the numerator of which is the number of days after the first day of the performance period on which the termination occurs and the denominator of which is the number of days in the performance period; and

(E) With respect to other Awards, such Awards or replacement awards shall be cancelled as of the date of such termination in exchange for a payment in cash in an amount equal to the value of the Award.

Notwithstanding anything to the contrary in the foregoing, if the Participant has a deferral election in effect with respect to any amount payable under this Section 18(c), such amount shall be deferred pursuant to such election and shall not be paid in a lump sum as provided herein. Notwithstanding the foregoing, with respect to amounts payable to a Participant (or the Participant's beneficiary or estate) who is entitled to a payment hereunder because the Participant's employment terminated as a result of death or Disability, or payable to a Participant who has met the requirements for Retirement (without regard to whether the Participant has terminated employment), no payment shall be made unless the Change of Control (as defined below) also constitutes a change of control within the meaning of Code Section 409A.

If the value of an Award is based on the Fair Market Value of a Share, Fair Market Value shall be deemed to mean the per share Change of Control price. The Administrator shall determine the per share Change of Control price paid or deemed paid in the Change of Control transaction.

(d) *Application of Limits on Payments.* Except as otherwise expressly provided in any agreement between a Participant and the Company or an Affiliate, if the receipt of any payment by a Participant under the circumstances described above would result in the payment by the Participant of any excise tax provided for in Section 280G and Section 4999 of the Code, then the amount of such payment shall be reduced to the extent required to prevent the imposition of such excise tax.

**19. Miscellaneous.**

(a) *Other Terms and Conditions.* The grant of any Award may also be subject to other provisions (whether or not applicable to the Award granted to any other Participant) as the Administrator determines appropriate, including, without limitation, provisions for:

(i) the payment of the purchase price of Options by delivery of cash or other Shares or other securities of the Company (including by attestation) having a then Fair Market Value equal to the purchase price of such Shares, or by delivery (including by fax) to the Company or its designated agent of an executed irrevocable option exercise form together with irrevocable instructions to a broker-dealer to sell or margin a sufficient portion of the Shares and deliver the sale or margin loan proceeds directly to the Company to pay for the exercise price;

(ii) one or more means to enable Participants to defer the delivery of Shares or recognition of taxable income relating to Awards or cash payments derived from the Awards on such terms and conditions as the Administrator determines, including, by way of example, the form and manner of the deferral election, the treatment of dividends paid on the Shares during the deferral period or a means for providing a return to a Participant on amounts deferred, and the permitted distribution dates or events (provided that no such deferral means may result in an increase in the number of Shares issuable under this Plan);

(iii) restrictions on resale or other disposition of Shares; and

(iv) compliance with federal or state securities laws and stock exchange requirements.

(b) *Employment and Service.* The issuance of an Award shall not confer upon a Participant any right with respect to continued employment or service with the Company or any Affiliate, or the right to continue as a Director. Unless determined otherwise by the Administrator, for purposes of the Plan and all Awards, the following rules shall apply:

(i) a Participant who transfers employment between the Company and its Affiliates, or between Affiliates, will not be considered to have terminated employment;

(ii) a Participant who ceases to be employed by the Company or an Affiliate and immediately thereafter becomes a Non-Employee Director, a non-employee director of an Affiliate, or a consultant to the Company or any Affiliate shall not be considered to have terminated employment until such Participant's service as a director of, or consultant to, the Company and its Affiliates has ceased; and

(iii) a Participant employed by an Affiliate will be considered to have terminated employment when such entity ceases to be an Affiliate.

Notwithstanding the foregoing, for purposes of an Award that is subject to Code Section 409A, if a Participant's termination of employment or service triggers the payment of compensation under such Award, then the Participant will be deemed to have terminated employment or service upon his or her separation from service within the meaning of Code Section 409A. Notwithstanding any other provision in this Plan or an Award to the contrary, if any Participant is a specified employee within the meaning of Code Section 409A as of the date of his or her separation from service within the meaning of Code Section 409A, then, to the extent required by Code Section 409A, any payment made to the Participant on account of such separation from service shall not be made before a date that is six months after the date of the separation from service.

(c) *No Fractional Shares.* No fractional Shares or other securities may be issued or delivered pursuant to this Plan, and the Administrator may determine whether cash, other securities or other property will be paid or transferred in lieu of any fractional Shares or other securities, or whether such fractional Shares or other securities or any rights to fractional Shares or other securities will be canceled, terminated or otherwise eliminated.

(d) *Offset.* The Company shall have the right to offset, from any amount payable or stock deliverable hereunder, any amount that the Participant owes to the Company or any Affiliate without the consent of the Participant or any individual with a right to the Participant's Award.

(e) *Unfunded Plan.* This Plan is unfunded and does not create, and should not be construed to create, a trust or separate fund with respect to this Plan's benefits. This Plan does not establish any fiduciary relationship between the Company and any Participant or other person. To the extent any person holds any rights by virtue of an Award granted under this Plan, such rights are no greater than the rights of the Company's general unsecured creditors. Income recognized by a Participant pursuant to an Award shall not be included in the determination of benefits under any employee pension benefit plan (as such term is defined in Section 3(2) of the Employee Retirement Income Security Act of 1974, as amended) or group insurance or other benefit plans applicable to the Participant which are maintained by the Company or any Affiliate, except as may be provided under the terms of such plans or determined by resolution of the Board.

(f) *Requirements of Law and Securities Exchange.* The granting of Awards and the issuance of Shares in connection with an Award are subject to all applicable laws, rules and regulations and to such approvals by any governmental agencies or national securities exchanges as may be required. Notwithstanding any other provision of this Plan or any Award agreement, the Company has no liability to deliver any Shares under this Plan or make any payment unless such delivery or payment would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity, and unless and until the Participant has taken all actions required by the Company in connection therewith. The Company may impose such restrictions on any Shares issued under the Plan as the Company determines necessary or desirable to comply with all applicable laws, rules and regulations or the requirements of any national securities exchange.

(g) *Restrictive Legends; Representations.* All Shares delivered (whether in certificated or book entry form) pursuant to any Award or the exercise thereof shall bear such legends or be subject to such stop transfer orders as the Administrator may deem advisable under the Plan or under applicable laws, rules or regulations or the requirements of any national securities exchange. The Administrator may require each Participant or other Person who acquires Shares under the Plan by means of an Award to represent to the Company in writing that such Participant or other Person is acquiring the Shares without a view to the distribution thereof.

(h) *Governing Law.* This Plan, and all Awards hereunder, and all determinations made and actions taken pursuant to this Plan, shall be governed by the internal laws of the State of Florida (without reference to conflict of law principles thereof) and construed in accordance therewith, to the extent not otherwise governed by the laws of the United States or as otherwise provided hereinafter. Any dispute or claim arising in connection with this Plan or any Award shall be resolved in the state or federal courts residing in Hillsborough County, Florida that have jurisdiction, and all Participants agree to submit to the exclusive jurisdiction of such courts.

(i) *Construction.* Whenever any words are used herein in the masculine, they shall be construed as though they were used in the feminine in all cases where they would so apply; and wherever any words are used in the singular or plural, they shall be construed as though they were used in the plural or singular, as the case may be, in all cases where they would so apply. Titles of sections are for general information only, and this Plan is not to be construed with reference to such titles.

(j) *Severability.* If any provision of this Plan or any Award agreement or any Award (a) is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction, or as to any person or Award, or (b) would disqualify this Plan, any Award agreement or any Award under any law the Administrator deems applicable, then such provision should be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Administrator, materially altering the intent of this Plan, Award agreement or Award, then such provision should be stricken as to such jurisdiction, person or Award, and the remainder of this Plan, such Award agreement and such Award will remain in full force and effect.
