Item 1. Security and Issuer

This Amendment No. 17 to Schedule 13D amends and supplements the statement on Schedule 13D originally filed by Rio Tinto plc (Rio Tinto) and Rio Tinto International Holdings Limited (RTIH), and together with Rio Tinto and 7999674 Canada Inc., the Rio Tinto Companies) on November 3, 2006, and amended on September 12, 2007, October 26, 2007, January 7, 2008, April 10, 2008, October 30, 2009, March 4, 2010, July 7, 2010, September 13, 2010, December 14, 2010, February 4, 2011, June 28, 2011, August 24, 2011, September 27, 2011, December 12, 2011, January 26, 2012 and April 20, 2012 (as amended and supplemented, the Schedule 13D) with the Securities and Exchange Commission (the SEC), relating to the common shares, without par value (the Shares), of Ivanhoe Mines Ltd., a corporation continued under the laws of the Yukon Territory, Canada (the Company).

Item 4. Purpose of Transaction

Item 4 of the Schedule 13D is hereby amended and supplemented as follows:

The information in Item 6 is hereby incorporated by reference in this Item 4.

Except as otherwise set forth in Item 4 of the Schedule 13D, as amended hereby, none of the Rio Tinto Companies has any present plan or proposal that would relate to, or result in, any of the matters set forth in paragraphs (a) through (j) of Item 4 of Schedule 13D. Notwithstanding the foregoing, the Rio Tinto Companies reserve their rights in full to change their intentions with respect to any and all matters referred to in Item 4 of Schedule 13D as they deem appropriate.

Item 5. Interest in Securities of the Issuer

Item 5 of the Schedule 13D is hereby amended and supplemented as follows:

The responses of the Rio Tinto Companies to Rows (11) through (13) of the cover pages of this Schedule 13D and the information set forth in Item 3 are hereby incorporated by reference in this Item 5.

Each of the Rio Tinto Companies is deemed to beneficially own 377,397,658 Shares which represents 51.0 per cent. of the Company's outstanding Shares on a fully diluted basis.

As the subscription price for the rights offering will not be agreed until the final prospectus, the number of Shares Rio Tinto will beneficially own following the closing of the rights offering cannot be determined at this time. However, following the closing of the rights offering, assuming Rio Tinto and other holders of rights under the rights offering exercise their rights in full and the standby commitment is not utilized, Rio Tinto will beneficially own the same percentage of Shares that it is currently deemed to beneficially own. If Rio Tinto were fully to exercise the Series D Warrants, Rio Tinto would acquire an additional 55,000,000 Shares. Following such issuance, Rio Tinto would beneficially own 432,397,658 Shares representing 54.3 per cent. of the outstanding Shares. The percentage of Shares is based on 741,386,789 outstanding Shares.

In addition, the Shares deemed beneficially owned by each of the Rio Tinto Companies with respect to which such person (i) has sole voting power, (ii) shares voting power, (iii) has sole dispositive power and (iv) shares dispositive power are listed in the responses to Items 7, 8, 9 and 10, respectively, of the cover page of this Schedule 13D relating to such person.

Except as disclosed in this Schedule 13D, none of the Rio Tinto Companies nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, beneficially owns any Shares or has the right to acquire any Shares.

Except as disclosed in this Schedule 13D, none of the Rio Tinto Companies nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, presently has the power to vote or to direct the vote or to dispose or direct the disposition of any other Shares which they may be deemed to beneficially own.

Except as disclosed in this Schedule 13D, none of the Rio Tinto Companies nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, has effected any transaction in the Shares during the past 60 days.

To the best respective knowledge of the Rio Tinto Companies, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares beneficially owned by the Rio Tinto Companies.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Item 6 of the Schedule 13D is hereby amended and supplemented as follows:

On May 22, 2012, Rio Tinto agreed to amend certain terms of the Memorandum of Agreement entered into with the Company on April 17, 2012 in order to address conditions of regulatory approval and more closely align the terms of the proposed rights offering by the Company with current market conditions. The description of the amendments contained herein is qualified in its entirety by reference to Exhibit O, which is incorporated herein by reference.

The amendments include the following:

Rio Tinto has confirmed it will take up its full basic subscription privilege under the US\$1.8 billion rights offering with respect to its 51 per cent. shareholding in the Company, subject to certain conditions.

Rio Tinto has agreed to eliminate the material adverse change condition for its standby commitment in relation to a decline in the Company's Share price.

Rio Tinto will continue to provide a standby commitment for the full amount of the US\$1.8 billion rights offering, subject to certain conditions including the price for the Company's Shares on the NYSE not falling below the subscription price at any time on or after the fifth business day before the expiry of the rights. Under the standby commitment, Rio Tinto is required to acquire any Shares not taken up under the rights offering.

The US\$8.34 subscription price for the rights offering will be removed. Rio Tinto and the Company have agreed to price the rights offering in the final prospectus.

In consideration of the elimination of the material adverse change clause for decline in Share price, the exercise price of Series D Warrants will be re-priced to US\$10.84 per Share, subject to adjustment upon completion of the rights offering.

The standby commitment fee will be paid in cash. Rio Tinto has agreed to waive its entitlement to invest the standby commitment fee in Shares.

Item 7. Materials to be Filed as Exhibits
