Item 1.01 Entry Into a Material Agreement.

On June 28, 2012, BioMed Realty, L.P. (the Operating Partnership), the operating partnership subsidiary of BioMed Realty Trust, Inc. (the Company), issued \$250.0 million aggregate principal amount of its 4.25% Senior Notes due 2022 (the Notes).

The terms of the Notes are governed by a base indenture, dated March 30, 2011, by and among the Operating Partnership, as issuer, the Company, as guarantor, and U.S. Bank National Association, as trustee (the Trustee), as supplemented by a supplemental indenture, dated as of June 28, 2012, by and among the Operating Partnership, the Company and the Trustee (the base indenture and the supplemental indenture, collectively the Indenture). The Indenture contains various restrictive covenants, including limitations on the Operating Partnership's ability to incur additional indebtedness, requirements to maintain a pool of unencumbered assets and requirements to maintain insurance with financially sound and reputable insurance companies. Copies of the base indenture and supplemental indenture, including the form of the Notes and guarantee of the Notes by the Company, the terms of which are incorporated herein by reference, are attached as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K. See Item 2.03 below for more information.

The net proceeds from the issuance of the Notes will be approximately \$245.9 million, after deducting the underwriters' discounts and the Operating Partnership's estimated offering expenses.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On June 28, 2012, the Operating Partnership issued \$250.0 million aggregate principal amount of Notes. The Operating Partnership offered the Notes at 99.126% of the principal amount thereof. The Notes are general unsecured senior obligations of the Operating Partnership and rank equally in right of payment with all other senior unsecured indebtedness of the Operating Partnership. However, the Notes are effectively subordinated to the Operating Partnership's existing and future mortgages and other secured indebtedness (to the extent of the value of the collateral securing such indebtedness) and to all existing and future preferred equity and liabilities, whether secured or unsecured, of the Operating Partnership's subsidiaries, including guarantees provided by the Operating Partnership's subsidiaries under the unsecured line of credit. The Notes bear interest at 4.25% per annum. Interest is payable on January 15 and July 15 of each year beginning January 15, 2013 until the maturity date of July 15, 2022. The Operating Partnership's obligations under the Notes are fully and unconditionally guaranteed by the Company. Copies of the base indenture and supplemental indenture, including the form of the Notes and guarantee of the Notes by the Company, the terms of which are incorporated herein by reference, are attached as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K.

Edgar Filing: BioMed Realty Trust Inc - Form 8-K

The Notes will be redeemable in whole at any time or in part from time to time, at the Operating Partnership's option and in its sole discretion, at a redemption price equal to the greater of:

100% of the principal amount of the Notes being redeemed; or

the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date on a semi-annual basis at the adjusted treasury rate (determined in accordance with the Indenture) plus 0.45%, plus, in each case, accrued and unpaid interest thereon to the redemption date.

Notwithstanding the foregoing, if the Notes are redeemed on or after 90 days prior to the maturity date, the redemption price will be equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest thereon to the redemption date.

Certain events are considered events of default, which may result in the accelerated maturity of the Notes, including:

a default for 30 days in the payment of any installment of interest under the Notes;

a default in the payment of the principal amount or redemption price due with respect to the Notes, when the same becomes due and payable;

failure to pay any indebtedness for money borrowed by the Operating Partnership, the Company, or any subsidiary in which the Operating Partnership has invested at least \$50 million in capital (a Significant Subsidiary), in an outstanding principal amount in excess of \$50 million at final maturity or upon acceleration after the expiration of any applicable grace period, which indebtedness is not discharged, or such default in payment or acceleration is not cured or rescinded, within 30 days after written notice to the Operating Partnership from the Trustee (or to the Operating Partnership and the Trustee from holders of at least 25% in principal amount of the outstanding Notes);

default in the performance or breach of any other covenant or warranty by the Operating Partnership or the Company in the Indenture (other than a covenant or warranty that has been included in the Indenture solely for the benefit of a series of debt securities other than the Notes), which default continues uncured for a period of 60 days after the Operating Partnership receives written notice from the Trustee (or the Operating Partnership and the Trustee receive written notice from the holders of at least 25% in principal amount of the outstanding Notes) as provided in the Indenture; and

certain events of bankruptcy, insolvency or reorganization of the Operating Partnership, the Company or any Significant Subsidiary.
