***Registration Rights Agreement***

On July 2, 2012, DCP Midstream Partners, LP (the Partnership) closed the private placement (the Private Placement) contemplated by the previously disclosed Common Unit Purchase Agreement (the Purchase Agreement), dated June 25, 2012, by and among the Partnership and the purchasers named therein (the Purchasers), whereby the Partnership sold to the Purchasers an aggregate of 4,989,802 common units representing limited partnership interests in the Partnership (the Common Units) at a price of \$35.55 per Common Unit for aggregate consideration of approximately \$177.4 million. The Common Units were issued in a private placement in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(2) thereof and the safe harbor provided by Rule 506 of Regulation D promulgated thereunder.

In connection with the closing of the Private Placement, the Partnership and the Purchasers entered into the Registration Rights Agreement (the Registration Rights Agreement) on July 2, 2012. Pursuant to the Registration Rights Agreement, the Partnership is required to file a shelf registration statement (the Registration Statement) to register the public resale of the Common Units sold to the Purchasers under the Purchase Agreement, as well as any Common Units issued in lieu of cash as liquidated damages as described below, on or before July 17, 2012, and use its commercially reasonable efforts to cause the Registration Statement to become effective as soon as practicable thereafter.

If the Registration Statement is not declared effective within 90 days after the closing of the Private Placement, the Partnership will be liable to each Purchaser for liquidated damages as calculated in accordance with the Registration Rights Agreement. In addition, the Registration Rights Agreement grants piggyback registration rights under certain circumstances.

The foregoing description of the Registration Rights Agreement is not complete and is qualified in its entirety by reference to the full and complete terms of the Registration Rights Agreement, which is attached to this Current Report on Form 8-K as Exhibit 4.1.

***Amendment to Omnibus Agreement***

On July 2, 2012, in connection with the completion of the Contribution described in Item 2.01, the Partnership entered into the Fifteenth Amendment (the Fifteenth Amendment) to the Omnibus Agreement, dated December 7, 2005, among DCP Midstream, LLC (Midstream), DCP Midstream GP, LLC (GP LLC), DCP Midstream GP, LP, the Partnership, and DCP Midstream Operating, LP (the Operating Partnership). The Fifteenth Amendment (i) increases the annual fee the Partnership pays to Midstream (previously \$27.9 million), the owner of the general partner of the general partner of the Partnership, by \$200,000, prorated for the remainder of calendar year 2012, for incremental general and administrative services that Midstream will provide to the Partnership during calendar year 2012, thereafter subject to an annual adjustment based on the Consumer Price Index, and (ii) contains other conforming changes. The Fifteenth Amendment was approved by the conflicts committee of the Board of Directors of GP LLC, the general partner of the general partner of the Partnership, as required by the Partnership's limited partnership agreement.

The foregoing description of the Fifteenth Amendment is not complete and is qualified in its entirety by reference to the full and complete terms of the Fifteenth Amendment, which is attached to this Current Report on Form 8-K as Exhibit 10.1.

***Term Loan Agreement***

The Partnership and its wholly-owned subsidiary, the Operating Partnership, entered into a Term Loan Agreement (the Term Loan Agreement) with SunTrust Bank, The Bank of Tokyo-Mitsubishi UFJ, Ltd., and JPMorgan Chase Bank, N.A., as lenders (the Lenders), on July 2, 2012. The Term Loan Agreement provides for a term loan to be made by the Lenders to the Operating Partnership in a principal amount up to \$140.0 million (the Term Loan). The Term Loan will mature on the first to occur of (i) the second anniversary of the date that the Operating Partnership received the term loans made by the Lenders pursuant to the Term Loan Agreement, or (ii) the date of acceleration of the term loans pursuant to the Term Loan Agreement.

A borrowing of \$140.0 million under the Term Loan occurred on July 2, 2012, and was used to fund the Contribution (as defined in Item 2.01 below). Loans under the Term Loan Agreement accrue interest based, at the Operating Partnership's election, on either the LIBOR rate or the base rate, plus in each case, an applicable margin as described therein.

The Term Loan Agreement contains customary covenants including, but not limited to, (i) a maximum leverage ratio, as defined in the Term Loan Agreement, of less than or equal to 5.0 to 1.0, provided that for three fiscal quarters subsequent to certain acquisitions, including the fiscal quarter in which acquisitions are consummated, the Partnership's leverage ratio may be less than or equal to 5.5 to 1.0, and (ii) limitations on incurrence of liens on assets, indebtedness, mergers and consolidations, transactions with affiliates, and sales of assets. The Term Loan Agreement also includes customary lending conditions, representations and warranties, events of default, and indemnification provisions. Upon the occurrence of certain events of default, the Operating Partnership's obligations under the Term Loan Agreement may be accelerated. The Operating Partnership's obligations under the Term Loan are unsecured and guaranteed by the Partnership.

Affiliates of certain of the Lenders under the Term Loan have provided from time to time, and may provide in the future, investment and commercial banking and financial advisory services to the Operating Partnership and its affiliates in the ordinary course of business, for which they have received, and may continue to receive, customary fees and commissions.

The Partnership paid Holdings aggregate consideration of \$200.0 million, plus customary working capital and other purchase price adjustments, in connection with the Contribution. \$140.0 million of the consideration was financed with the proceeds from the Term Loan and the remaining \$60.0 million was financed by the issuance of an aggregate of 1,536,098 Common Units to Holdings. The Common Units were issued in a private placement in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(2) thereof and the safe harbor provided by Rule 506 of Regulation D promulgated thereunder.
