This Amendment No. 1 ( **Amendment** ) amends and supplements the Tender Offer Statement on Schedule TO filed with the Securities and Exchange Commission (the **SEC** ) on January 31, 2013 (the **Schedule TO** ), and relates to the offer by Groundhog Acquisition, Inc. ( **Purchaser** ), a Delaware corporation and a wholly-owned subsidiary of Allergan, Inc. ( **Allergan** ), to purchase all outstanding shares of common stock, par value \$0.01 per share (individually, a **Share** and collectively, the **Shares** ), of MAP Pharmaceuticals, Inc. ( **MAP** ), for \$25.00 per Share, net to the seller in cash, without interest and less any applicable withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated January 31, 2013 (together with any amendments and supplements thereto, the **Offer to Purchase** ), and the related Letter of Transmittal (together with any amendments and supplements thereto, the **Letter of Transmittal** and, together with the Offer to Purchase, the **Offer** ), copies of which were filed as Exhibits (a)(1)(A) and (a)(1)(B), respectively, to the Schedule TO. Capitalized terms used and not otherwise defined in this Amendment shall have the meanings assigned to such terms in the Offer to Purchase.

All of the information set forth in the Offer to Purchase is hereby amended and supplemented as set forth below.

**Item 11. Additional Information.**

Item 11 of the Schedule TO and the Offer to Purchase are hereby amended and supplemented as set forth below:

The subsection titled **Litigation** in Section 16 **Certain Legal Matters; Regulatory Approvals** of the Offer to Purchase is hereby amended and supplemented by adding the following after the last sentence thereof:

On January 31, 2013, an additional purported class action lawsuit was filed by Brent Snow, on behalf of himself and the public shareholders of MAP, in the Court of Chancery of the State of Delaware, C.A. No. 8269, against MAP, Allergan, Purchaser and the members of the MAP Board, challenging the proposed transaction. The lawsuit asserts claims for breach of fiduciary duty against the members of the MAP Board and aiding and abetting breach of fiduciary duty against MAP, Allergan and Purchaser. The lawsuit seeks class certification, to enjoin the defendants from proceeding with the proposed transaction or, in the alternative event that the proposed transaction is consummated, rescission or rescissory damages, an accounting, costs and attorneys' and expert fees, and any other relief the court may deem proper.

On February 7, 2013, an additional purported class action lawsuit was filed by Michael Marrell, individually and on behalf of all similarly situated MAP stockholders, in the Superior Court of the State of California, County of Santa Clara, Case No. 1-13-CV-240862, against MAP, Allergan, Purchaser and the members of the MAP Board, challenging the proposed transaction. The lawsuit asserts two claims for breach of fiduciary duty against the members of the MAP Board and a claim for aiding and abetting breach of fiduciary duty against Allergan and Purchaser. The lawsuit seeks class certification, to enjoin the defendants from proceeding with the proposed transaction or, in the alternative event that the proposed transaction is consummated, rescission or rescissory damages, an accounting, costs and attorneys' and expert fees, and any other relief the court may deem proper.

The subsection titled **Antitrust Compliance** in Section 16 **Certain Legal Matters; Regulatory Approvals** of the Offer to Purchase is hereby amended and supplemented by replacing the second and third paragraphs thereof with the following:

Allergan filed a Premerger Notification and Report Form under the HSR Act with the Antitrust Division and the FTC on January 29, 2013 in accordance with the terms of the Merger Agreement. Allergan also made a request pursuant to the HSR Act for early termination of the waiting period applicable to the Offer. On February 6, 2013, the FTC granted early termination of the waiting period applicable to the Offer. Accordingly, the HSR Condition has been satisfied.

The Antitrust Division and the FTC routinely evaluate the legality under the United States antitrust laws of transactions such as our acquisition of Shares pursuant to the Offer. At any time before or after the consummation of any such transactions, including after granting early termination of any applicable waiting period under the HSR Act, the Antitrust Division or the FTC could take such action under the antitrust laws as it deems necessary or desirable in the public interest, such as seeking to enjoin the purchase of Shares pursuant to the Offer or seeking divestiture of the Shares so acquired or divestiture of some of Allergan's or MAP's assets or any of their respective subsidiaries and affiliates. Private parties and state attorneys general may also bring legal actions under the antitrust laws. There can be no assurance that a challenge to the Offer on antitrust grounds will not be made or, if such a challenge is made, what the result will be. If any such action is commenced by the FTC, the Antitrust Division, any state or any other person and an order is issued prohibiting the consummation of the Offer, we may not be obligated to consummate the Offer. See Section 15 **Conditions of the Offer**.
