- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

## Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

### Amendment and Restatement of the 2005 Stock Incentive Plan

At the Annual Meeting of Shareholders (the Meeting) of Cisco Systems, Inc. (Cisco) held on November 19, 2013, Cisco's shareholders approved the amendment and restatement of the Cisco 2005 Stock Incentive Plan (the 2005 SIP). The amendment and restatement of the 2005 SIP was approved by Cisco's Board of Directors on September 18, 2013, subject to the approval of Cisco's shareholders, and became effective with such shareholder approval on November 19, 2013.

As a result of such shareholder approval, the 2005 SIP was materially amended and modified to add 135 million shares and provide that shares withheld by Cisco from an award other than a stock option or stock appreciation right to satisfy withholding tax liabilities resulting from such award will again be available for issuance, based on the fungible share ratio in effect on the date of grant, under the 2005 SIP. The 2005 SIP contains a fungible share reserve feature, which makes a distinction between the number of shares in the reserve attributable to (i) stock options and stock appreciation rights and (ii) full value awards (i.e., stock grants and stock units), and currently shares granted pursuant to full value awards are counted against authorized shares under the 2005 SIP on a 1.5-to-1 ratio, the fungible share ratio. Shareholder approval of the amendment and restatement was also intended to comply with Section 162(m) of the Internal Revenue Code of 1986, as amended.

A more complete description of the terms of the 2005 SIP and the material amendments and modifications thereto can be found in Proposal No. 2 Approval of the Amendment and Restatement of the 2005 Stock Incentive Plan (pages 18 through 26) in Cisco's definitive proxy statement dated September 25, 2013, and filed with the Securities and Exchange Commission on September 30, 2013, which description is incorporated by reference herein. The foregoing descriptions and the description incorporated by reference from Cisco's definitive proxy statement are qualified in their entirety by reference to the 2005 SIP, a copy of which is filed as Exhibit 10.1 to this report.

## Item 5.07. Submission of Matters to a Vote of Security Holders.

The Annual Meeting of Shareholders of Cisco was held on November 19, 2013. At the Meeting, the shareholders voted on the following five proposals and cast their votes as follows:

Proposal 1: To elect twelve members of Cisco's Board of Directors:
