You may vote through the Internet, by telephone or by mailing your completed proxy card (or voting instruction form, if you hold your shares through a broker).

Important Notice Regarding the Availability of Proxy Materials

The Notice contains instructions on how to access our proxy materials on the Internet, as well as instructions on how to obtain a paper copy of the full set of proxy materials if a shareholder so desires. This process is more environmentally friendly and reduces our costs to print and distribute these materials to shareholders. We appreciate your continued support and interest in Marriott Vacations Worldwide.

Sincerely,

William J. Shaw

PROXY STATEMENT

The Board of Directors of Marriott Vacations Worldwide Corporation (we, us, Marriott Vacations Worldwide or the Company) is soliciting shareholders proxies in connection with the 2014 Annual Meeting of Shareholders of the Company, and at any adjournment or postponement thereof (the Annual Meeting). The mailing to shareholders of the Notice Regarding the Availability of Proxy Materials took place on April 22, 2014.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE
ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 6, 2014**

The Notice of Annual Meeting and Proxy Statement and our

2013 annual report to shareholders are available at www.proxyvote.com.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Why am I receiving these materials?

Marriott Vacations Worldwide has made these materials available to you on the Internet or has delivered printed versions of these materials to you by mail in connection with the solicitation of proxies on behalf of the Board of Directors (the Board) for use at our Annual Meeting. This Proxy Statement describes the matters on which you, as a shareholder, are entitled to vote. It also gives you information on these matters so that you can make an informed decision.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of printed proxy materials?

The Securities and Exchange Commission (the SEC) permits companies to furnish proxy materials to shareholders by providing access to these documents over the Internet instead of mailing a printed copy. Accordingly, we mailed a Notice Regarding the Availability of Proxy Materials to some shareholders. These shareholders have the ability to access, view and print the proxy materials on a website referred to in the Notice Regarding the Availability of Proxy Materials and request a printed set of proxy materials.

Can I get electronic access to the proxy materials if I received printed materials?

If you received a printed copy of our proxy materials, you may choose to receive future proxy materials by email. Choosing to receive your future proxy materials by email will lower our costs of delivery and will reduce the environmental impact of our Annual Meeting. If you choose to receive our future proxy materials by email,

Table of Contents

you will receive an email next year with instructions containing a link to view those proxy materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it or for so long as the email address provided by you is valid.

What items will be voted on at the Annual Meeting?

Shareholders will vote on the following items at the Annual Meeting, if each is properly presented at the meeting:

1. Election of the three director nominees named in this Proxy Statement;
2. Ratification of the appointment of Ernst & Young LLP (Ernst & Young) as the Company s independent registered public accounting firm for its 2014 fiscal year;
3. An advisory resolution to approve executive compensation; and
4. Any other matters that may properly be presented at the meeting.

In addition, management will respond to questions from shareholders.

What are the Board s voting recommendations?

The Board s recommendation is set forth together with the description of each Item in this Proxy Statement. In summary, the Board recommends a vote **FOR** Items 1, 2 and 3.

Who is entitled to vote?

Only shareholders of record who owned the Company s common stock at the close of business on April 10, 2014 are entitled to vote. Each holder of common stock is entitled to one vote per share. There were 34,554,961 shares of common stock outstanding and entitled to vote on April 10, 2014.

What is the difference between being a record holder and a beneficial owner of shares held in street name?

A record holder holds shares directly in his or her own name with the Company s transfer agent. Shares held in street name refer to shares that are held in the name of a bank or broker on a person s behalf. Many shareholders hold their shares in street name. For such shares, the bank or broker is considered the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct that organization how to vote the shares held in your account.

How do I vote?

If you received a Notice Regarding the Availability of Proxy Materials in the mail, you can either vote by Internet (www.proxyvote.com) or in person at the Annual Meeting. You may also vote by mail if you request a paper copy of the materials. Voting instructions are provided on the Notice Regarding the Availability of Proxy Materials.

Record holders that received a copy of this Proxy Statement and accompanying proxy card in the mail can vote by filling out the proxy card and returning it in the postage paid return envelope. Record holders that receive these materials in the mail may also vote in person at the Annual Meeting, by telephone (800-690-6903) or by Internet (www.proxyvote.com). Voting instructions are provided on the proxy card.

If you hold shares in street name, you must vote by giving instructions to your bank or broker. You should follow the voting instructions on the form that you receive from your bank or broker.

Table of Contents

How will my proxy be voted?

Your proxy card, when properly signed and returned to us, or processed by telephone or via the Internet, and not revoked, will be voted in accordance with your instructions. We are not aware of any other matter that may be properly presented other than those described above. If any other matter is properly presented, the persons named in the enclosed proxy card will have discretion to vote in their best judgment.

If you hold shares in street name, your bank or broker is permitted to use its own discretion and vote your shares on certain routine matters (such as Item 2) even if you have not provided voting instructions. Your bank or broker is not permitted to use its discretion and vote your shares on non-routine matters (such as Items 1 and 3) if it has not received instructions from you as to how to vote the shares. *Therefore, we urge you to give voting instructions to your broker on all three voting items.* Shares that are not permitted to be voted by your broker with respect to any non-routine matter are called broker non-votes. Broker non-votes are not considered votes for or against, or entitled to vote with respect to, any of the proposals to be voted on at the Annual Meeting and will have no direct impact on any such proposal.

What if I don't mark the boxes on my proxy?

Unless you give other instructions on your proxy card, or unless you give other instructions when you cast your vote by telephone or the Internet, the persons named as proxies will vote in accordance with the recommendations of the Board of Directors.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority in voting power of the outstanding shares of common stock entitled to vote at the Annual Meeting will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

How many votes are needed to approve an item?

Directors will be elected by a plurality of all the votes cast at the Annual Meeting, either in person or represented by a properly completed or authorized proxy. This means that the three nominees who receive the highest number of FOR votes cast will be elected as directors. Shareholders cannot cumulate votes in the election of directors.

The affirmative vote of shares representing a majority in voting power of the votes cast, present in person or represented by proxy and entitled to vote at the meeting is necessary for approval of Items 2 and 3. Proxy cards marked as abstentions on Items 2 and 3 will not be counted as votes cast but will count as present and entitled to vote and therefore will have the effect of a negative vote.

Who can attend the Annual Meeting?

Only shareholders as of the record date, their proxy holders and our invited guests may attend the Annual Meeting.

What do I need to bring to the Annual Meeting?

Beneficial owners whose ownership is registered under another party's name and who plan to attend the Annual Meeting in person should obtain an admission ticket in advance by sending written requests, along with proof of

beneficial ownership, such as a bank or brokerage firm account statement, to: Jeffrey A. Hansen, Vice

Table of Contents

President Investor Relations, Marriott Vacations Worldwide Corporation, 6649 Westwood Boulevard, Orlando, Florida, 32821. Beneficial owners who do not present valid admission tickets at the registration counter at the Annual Meeting will be admitted at the Company's sole discretion and may be required to verify share ownership, which may be established by providing a bank or brokerage firm account statement and photo identification, at the registration counter at the Annual Meeting. Shareholders as of the record date or their proxy holders who plan to attend the Annual Meeting may also be asked to present photo identification at the registration counter at the Annual Meeting to gain admittance to the Annual Meeting.

Can I go to the Annual Meeting if I vote by proxy?

Yes. Attending the Annual Meeting does not revoke your proxy.

Can I change my vote or revoke my proxy after I return my proxy card, or after I vote by telephone or electronically?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised at the meeting. Regardless of the way in which you submitted your original proxy, you may change it by:

Returning a later-dated signed proxy card;

Delivering a written notice of revocation to Marriott Vacations Worldwide Corporation, 6649 Westwood Boulevard, Orlando, Florida, 32821, Attention: Corporate Secretary;

Voting by telephone or the Internet until 11:59 p.m., Eastern Time, on June 5, 2014;

Voting in person at the meeting.

If your shares are held through a broker or other nominee, you will need to contact that institution if you wish to change your voting instructions.

PROPOSALS TO BE VOTED ON

Item 1 Election of Directors

The Board consists of eight members and is divided into three classes, each having three-year terms that expire in successive years. The term of the Class II directors expires at the 2014 Annual Meeting of Shareholders. The Board proposes that C.E. Andrews, William W. McCarten and William J. Shaw, each of whom is currently serving as a Class II director, be re-elected to Class II for a new term of three years expiring at the 2017 Annual Meeting of Shareholders and until their successors are duly elected and qualified. Mr. McCarten and Mr. Shaw joined our Board at the time of our spin-off (the "Spin-Off") from Marriott International, Inc. ("Marriott International") in November 2011. Mr. Andrews was elected to the Board of Directors effective April 1, 2013 upon the recommendation of the Company's Nominating and Corporate Governance Committee. Mr. Andrews, who is the only nominee who was not elected by our former parent company in its capacity as our sole shareholder prior to the Spin-Off, was recommended to the Nominating and Corporate Governance Committee by one of our non-management directors. Only the current

Class I directors have been elected by the Company's public shareholders. Proxies cannot be voted for more than the number of nominees proposed for re-election.

Each of the nominees has consented to be named as a nominee and to serve as a director if elected. If any of them should become unavailable to serve as a director (which is not now expected), the Board may designate a substitute nominee. In that case, the persons named as proxies will vote for the substitute nominee designated by the Board.

Table of Contents

Information about the nominees, as well as the current Class I and Class III directors, along with their present positions, their principal occupations and directorships held with other publicly traded companies during the past five years, their ages and the year they were first elected as a director of the Company, are set forth below beginning on page 7.

Our Board of Directors recommends that you vote FOR each of the three director nominees

Item 2 Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee of the Board has appointed Ernst & Young as the Company's independent registered public accounting firm for the Company's 2014 fiscal year. Ernst & Young, a firm of registered public accountants, has served as the Company's independent registered public accounting firm since the Spin-Off. Ernst & Young will examine and report to shareholders on the consolidated financial statements of the Company and its subsidiaries.

Representatives of Ernst & Young are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire, and are expected to be available to respond to appropriate questions. You can find information on pre-approval of independent auditor fees and Ernst & Young's 2013 and 2012 fees beginning on page 16.

Although the Audit Committee has discretionary authority to appoint the independent auditors, the Board is seeking shareholder ratification of the appointment of the independent auditors as a matter of good corporate governance. If the appointment of Ernst & Young is not ratified by shareholders, the Audit Committee will take that into consideration when determining whether to continue the firm's engagement. Even if the appointment is ratified, the Audit Committee at its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company.

Our Board of Directors recommends that you vote FOR ratification of the appointment of Ernst & Young as the Company's independent registered public accounting firm for its 2014 fiscal year.

Item 3 Advisory Resolution to Approve Executive Compensation

We are asking shareholders to approve an advisory resolution on the Company's executive compensation as reported in this Proxy Statement. As described below in the Compensation Discussion and Analysis section of this Proxy Statement, the Compensation Policy Committee has structured our executive compensation program to achieve the following key objectives:

Executive officers should be paid in a manner that contributes to shareholder value.

Compensation should be designed to motivate executive officers to perform their duties in ways that would help achieve current year as well as longer-term objectives.

The compensation program must be competitive in order to attract key talent from within and outside of our industry and retain key talent at costs consistent with market practice.

Our executive compensation programs have a number of features designed to promote these objectives:

Performance-based equity compensation is a significant component of total pay opportunity for our executive officers.

Annual cash compensation awards are designed to reward the achievement of pre-established financial objectives, individual achievement objectives, customer/guest satisfaction objectives and associate engagement objectives.

Table of Contents

We have a long-term incentive plan with share-based payouts at the end of a three-year performance period that rewards executives for meeting key financial objectives.

We do not provide for a gross-up of excise taxes on any parachute payments that could become payable in connection with a change in control.

Executive officers are provided only limited perquisites and are not provided with tax gross-ups with respect to such perquisites.

We have a clawback policy applicable to incentive compensation paid to our executive officers and directors, which is in addition to the clawback provision that applies to equity awards issued under the Marriott Vacations Worldwide Corporation Stock and Cash Incentive Plan (the Stock and Cash Incentive Plan).

The Stock and Cash Incentive Plan does not include an evergreen provision.

We cannot, without shareholder approval, reprice stock options or stock appreciation rights (SARs) by reducing the exercise price of such stock option or SAR, exchanging such stock option or SAR for a new award with a lower exercise price, or exchanging such stock option or SAR for cash (other than in connection with specified corporate transactions).

We do not provide single trigger change in control benefits, except with respect to equity awards which are not retained or replaced with substitute awards following a change in control.

We have share ownership guidelines that require our Chief Executive Officer to own shares of our common stock with a market value equal to five times base salary and other executive officers to own shares of our common stock equal to two to three times annual base salary. Executive officers who served in such capacity at the time of the Spin-Off are expected to achieve compliance with these guidelines by the end of 2016; other executive officers are expected to achieve compliance by the end of their fifth full year of service.

Equity grants are made on a consistent schedule and are not made in anticipation of significant developments that may impact the price of our common shares. Annual grants are generally made during the first quarter, after the release of our earnings for the prior year and guidance for the current year, which is intended to ensure that we do not make equity grants when material, non-public information exists.

We have a policy prohibiting associates, officers and directors from including Marriott Vacations Worldwide stock or other securities in a margin account or pledging such securities as collateral for a loan.

Our associates, officers and directors may not at any time engage in any form of derivative transactions (such as short sales or option puts or calls) in our securities.

We do not have employment agreements with any of our executive officers.

None of our executive officers are entitled to guaranteed bonuses.

We urge shareholders to read the Compensation Discussion and Analysis beginning on page 17 of this Proxy Statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and other related compensation tables and narrative, appearing on pages 32 through 41, which provide detailed information about the compensation of our named executive officers. The Compensation Policy Committee and the Board of Directors believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in achieving our goals and that the compensation of our named executive officers reported in this Proxy Statement reflects and supports these compensation policies and procedures.

Table of Contents

In accordance with Section 14A of the Exchange Act, and as a matter of good corporate governance, we are asking shareholders to approve the following advisory resolution at the Annual Meeting:

RESOLVED, that the shareholders of Marriott Vacations Worldwide Corporation (the Company) approve, on an advisory basis, the compensation of the Company's named executive officers disclosed in the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company's 2014 Annual Meeting of Shareholders.

This advisory resolution, commonly referred to as a say-on-pay resolution, is not binding on the Board of Directors. Although non-binding, the Board and the Compensation Policy Committee will review and consider the voting results when making future decisions regarding our executive compensation program.

Our Board of Directors recommends that you vote FOR the approval of the advisory resolution to approve executive compensation.

Board Leadership Structure

Mr. Shaw serves as the Chairman of the Board. Our Corporate Governance Principles provide that when the position of Chairman is held by a non-independent director, such as Mr. Shaw, an independent director will serve as Lead Independent Director, as recommended by the Nominating and Corporate Governance Committee and selected by the Board. Mr. Martinez currently serves as Lead Independent Director. During 2013, Mr. Gellein served as Lead Independent Director until he resigned from the position in April 2013. The Lead Independent Director's responsibilities include: (1) setting the agenda for and presiding over the executive sessions of the non-management directors and independent directors; (2) participating with the Chairman in setting agendas and schedules for Board meetings; (3) chairing Board meetings in the Chairman's absence; (4) acting as a liaison between the independent directors and the Chairman; and (5) being available for consultation and communication with shareholders as appropriate. The Lead Independent Director also has the authority to call additional executive sessions as appropriate.

Six of our eight directors are independent, and the Audit Committee, Compensation Policy Committee and Nominating and Corporate Governance Committee are comprised solely of independent directors. Consequently, the independent directors directly oversee such critical items as the Company's financial statements, executive compensation, the selection and evaluation of directors and the development and implementation of our corporate governance programs.

We believe that the separation of the roles of Chairman and Chief Executive Officer, and the oversight by the independent directors, is the optimal leadership structure for the Company and our shareholders at this time, because it allows our Chief Executive Officer to focus on his duties while benefitting from the Chairman's significant experience at Marriott International and in the hospitality industry.

Selection of Director Nominees

The Nominating and Corporate Governance Committee identifies and recruits candidates for election to the Board. The Nominating and Corporate Governance Committee selects and recommends to the Board director candidates based on character, judgment, personal and professional ethics, personal and professional integrity, values, background experience, technical skills, affiliations, familiarity with national and international issues affecting our business and demonstrated exceptional ability and judgment. Although we do not have a formal policy regarding diversity, our Board views diversity as a priority and seeks diverse representation among its members. The Nominating and Corporate Governance Committee recommends to the Board the Company's candidates for election or reelection to the Board at each annual shareholders' meeting and candidates to be elected by the Board as necessary to fill vacancies and newly created directorships. The Board proposes a slate of nominees to the shareholders for election to the Board. The Board also determines the number of directors on the Board.

The Nominating and Corporate Governance Committee will consider candidates for Board membership recommended by shareholders. Shareholders may recommend nominees for consideration by the Nominating and Corporate Governance Committee by submitting the names and supporting information to: Marriott Vacations Worldwide Corporation, 6649 Westwood Boulevard, Orlando, Florida, 32821, Attention: Corporate Secretary. The supporting information should include the information required by our Bylaws in connection with the

nominations of persons for election to the Board. The Nominating and Corporate Governance Committee will evaluate all candidates, regardless of source, in light of the Board-approved criteria.

Corporate Governance Principles

Our Board has adopted Corporate Governance Principles that meet or exceed the NYSE Listing Standards. The full text of the Corporate Governance Principles can be found in the Investor Relations section of our website (www.marriottvacationsworldwide.com) by clicking on Corporate Governance. A copy may also be obtained upon request from our Corporate Secretary. Our Corporate Governance Principles establish the limit on the number of boards of publicly-traded companies on which the Company's directors may serve at three, including our Board, for directors who are chief executive officers of publicly traded companies, and six for other directors. Our Corporate Governance Principles also establish the limit on the number of audit committees of publicly traded companies on which members of the Company's Audit Committee may serve, including our Audit Committee, at three.

Director Independence

Our Corporate Governance Principles provide that at least a majority of the Board will consist of independent directors. An independent director is a director who meets the NYSE definition of independence, as determined by the Board. To be considered independent, the Board must determine that a director has no direct or indirect material relationship with the Company. The Board makes an affirmative determination regarding the independence of each director annually, based upon the recommendation of the Nominating and Corporate Governance Committee. The Board undertook its annual review of director independence in February 2014. As a result of this review, the Board affirmatively determined that six of our eight directors are independent: Mr. Andrews, Mr. Gellein, Mr. Hutchison, Mr. Martinez, Mr. McCarten and Ms. Morgan. Mr. Weisz is not independent as a result of his employment with the Company. Mr. Shaw is not independent as a result of his prior recent employment with Marriott International. Deborah M. Harrison, who served as a member of our Board until her resignation effective as of September 7, 2013, was not independent as a result of her employment with Marriott International.

In assessing director independence, the Board considered relationships with the Company over the past three years, as well as pre-Spin-Off relationships with Marriott International from the beginning of 2011, because the NYSE Listing Standards look back three years when evaluating a director's independence. Specifically, the Board considered that Mr. Martinez is an empl
