**Sensata Technologies Holding N.V. Announces Offering of 11.5 million Ordinary Shares by Selling  
Shareholder and Repurchase of its Ordinary Shares**

ALMELO, Netherlands, May 20, 2014 Sensata Technologies Holding N.V. (NYSE: ST) today announced the commencement of an underwritten public offering of 11,500,000 ordinary shares by an existing shareholder (the Selling Shareholder ) as identified in the prospectus supplement relating to this offering. Sensata Technologies will not receive any proceeds from this offering. The underwriters will offer the ordinary shares from time to time for sale in negotiated transactions or otherwise, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. The last reported sales price of Sensata Technologies ordinary shares on May 19, 2014 was \$43.49 per share.

BofA Merrill Lynch and Citigroup are acting as underwriters of the offering.

In addition, Sensata Technologies announced that it has entered into a share repurchase agreement with the Selling Shareholder pursuant to which it intends to repurchase 4,000,000 of its ordinary shares from the Selling Shareholder concurrently with the closing of the offering. The share repurchase will be effected in a private, non-underwritten transaction at a price per share equal to the price per share being paid by the underwriters to the Selling Shareholder in the offering. The Company expects to fund the repurchase from cash on hand. The closing of the share repurchase is contingent on the closing of the offering. The closing of the offering is not contingent on the closing of the share repurchase.
