**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On August 27, 2014, Whiting Petroleum Corporation (the Company) and its subsidiary Whiting Oil and Gas Corporation (Whiting Oil and Gas) entered into a Sixth Amended and Restated Credit Agreement with the lenders party thereto, JPMorgan Chase Bank, N.A., as Administrative Agent, and the various other agents party thereto (the Credit Agreement). The Credit Agreement will replace Whiting Oil and Gas existing credit agreement effective on the closing date (the Closing Date) of the Company's previously announced proposed acquisition (the Acquisition) of all of the issued and outstanding common shares of Kodiak Oil & Gas Corp. (Kodiak). Whiting Oil and Gas intends to use the credit facilities to provide working capital, to refinance certain existing debt of Kodiak, to pay fees and expenses in connection with the Acquisition and for general corporate purposes.

On and after the Closing Date, the Credit Agreement will provide for a revolving credit facility in an amount up to \$2.5 billion and a term loan facility in an amount up to \$1.0 billion, in each case subject to an initial borrowing base of \$4.5 billion. A portion of the revolving credit facility, in an aggregate amount not to exceed \$100 million, may be used to issue letters of credit for the account of Whiting Oil and Gas and other designated subsidiaries of the Company. The revolving credit facility will mature on the fifth anniversary of the Closing Date and the term loan facility will mature on December 31, 2015.

Interest will accrue on revolving loans at Whiting Oil and Gas option at either (i) a base rate for a base rate loan, plus a specified margin, where the base rate is defined as the greatest of the prime rate, the federal funds rate plus 0.50% per annum or an adjusted LIBO rate plus 1.00% per annum, or (ii) an adjusted LIBO rate for a Eurodollar loan plus a specified margin. Initially the margin applicable to revolving base rate loans and revolving Eurodollar loans will be determined based on the ratio of outstanding borrowings to the borrowing base. Interest will accrue on term loan borrowings, if any, at Whiting Oil and Gas option at either (i) a base rate (as defined above) for a base rate loan plus (A) 1.00% per annum from the Closing Date until the ninetieth day after such date and (B) 1.50% per annum from the ninety-first day after the Closing Date until the term loans are paid in full, or (ii) an adjusted LIBO rate for a Eurodollar loan plus (A) 2.00% per annum from the Closing Date until the ninetieth day after such date and (B) 2.50% per annum from the ninety-first day after the Closing Date until the term loans are paid in full.

Under the Credit Agreement, Whiting Oil and Gas will also incur a commitment fee with respect to the revolving facility on the unused portion of the lesser of the aggregate revolving commitments of the revolving lenders or the borrowing base, which commitment fee initially will be either 0.375% or 0.50% per annum based on the ratio of outstanding borrowings to the borrowing base. In addition, Whiting Oil and Gas will pay a commitment fee at the rate of 0.25% on the average daily unused amount of the term loan facility.

The Credit Agreement contains various restrictive covenants applicable to the Company, Whiting Oil and Gas and certain other subsidiaries of the Company. The Credit Agreement initially requires the Company, as of the last day of any quarter, (i) to maintain a ratio of total debt to EBITDAX (as defined in the Credit Agreement) during the last four quarters not to exceed 4.0 to 1.0 and (ii) to maintain a ratio of consolidated current assets to consolidated current liabilities (in each case as defined in the Credit Agreement) of not less than 1.0 to 1.0.

The obligations of Whiting Oil and Gas under the Credit Agreement will continue to be secured by a first lien on substantially all of Whiting Oil and Gas properties included in the borrowing base for the Credit Agreement. The Company will continue to guarantee the obligations of Whiting Oil and Gas under the Credit Agreement and pledge the stock of Whiting Oil and Gas and certain other of the Company's subsidiaries as security for its guarantee.

At any time during which the Company has an investment grade debt rating from Moody's Investors Service, Inc. or Standard & Poor's Ratings Group and the Company has elected, in its discretion, to effect an investment grade rating period, certain security requirements, including the borrowing base requirement, and restrictive covenants will cease to apply, certain other restrictive covenants will become less restrictive, an additional financial covenant will be imposed and the interest rate margin applicable to all revolving borrowings as well as the commitment fee with respect to the revolving facility will be based upon the Company's debt rating rather than the ratio of outstanding borrowings to the borrowing base.

The Credit Agreement also contains customary events of default. The lenders may declare any outstanding obligations under the Credit Agreement immediately due and payable upon the occurrence of an event of default. In addition, the amount of any outstanding obligations under the Credit Agreement will be immediately due and payable in the event that the Company or any of its subsidiaries that are obligors or guarantors under the Credit Agreement becomes the subject of voluntary or involuntary proceedings under any bankruptcy, insolvency or similar law or becomes unable to pay its debts generally as they become due.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, a copy of which is filed herewith as Exhibit 4.1 and is incorporated herein by reference.

Section 1.03 Types of Loans and Borrowings. For purposes of this Agreement, Loans and Borrowings, respectively, may be classified and referred to by Type (e.g., a Eurodollar Loan or a Eurodollar Borrowing ).

Section 1.04 Terms Generally; Rules of Construction. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words include, includes and including as used in this Agreement shall be deemed to be followed by the phrase without limitation. The word will shall be construed to have the same meaning and effect as the word shall. Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in the Loan Documents), (b) any reference herein to any law shall be construed as referring to such law as amended, modified, codified or reenacted, in whole or in part, and in effect from time to time, (c) any reference herein to any Person shall be construed to include such Person's successors and assigns (subject to the restrictions contained in the Loan Documents), (d) the words herein, hereof and hereunder and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (e) with respect to the determination of any time period, the word from means from and including and the word to means to and including and (f) any reference herein to Articles, Sections, Annexes, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Annexes, Exhibits and Schedules to, this Agreement. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, for purposes of compliance with the terms of this Agreement or any other Loan Document, GAAP will be deemed to treat operating leases and Capital Leases in a manner consistent with their current treatment under GAAP as of the Signing Date, notwithstanding any modifications or interpretive changes thereto that may occur thereafter (it being understood that financial statements shall be prepared without giving effect to this sentence).

## ARTICLE II

### THE CREDITS

#### Section 2.01 Commitments.

(a) Subject to the terms and conditions set forth herein, each Revolving Lender agrees to make Revolving Loans to the Borrower during the Revolving Availability Period in an aggregate principal amount that will not result in (i) such Revolving Lender's Revolving Credit Exposure exceeding such Revolving Lender's Revolving Commitment or (ii) the total Revolving Credit Exposures exceeding the total Revolving Commitments. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, repay and reborrow the Revolving Loans.

(b) Subject to the terms and conditions set forth herein, each Term Loan Lender agrees to make Term Loans to the Borrower during the period from and including the Closing Date to but excluding the Term Loan Commitment Expiration Date in up to ten (10) Term Loan Borrowings in an aggregate principal amount that will not result in (i) such Term Loan Lender's Term Loan Exposure exceeding such Term Loan Lender's Term Loan Commitment or (ii) the total Term Loan Exposures exceeding the total Term Loan Commitments. Any portion of the Term Loans that is repaid may not be reborrowed.

(c) On the Closing Date (or as soon as practicable with respect to (ii)):

(i) the Borrower shall pay all accrued and unpaid commitment fees, break funding fees under Section 5.02 and all other fees that are outstanding under the Existing Whiting Credit Agreement for the account of each Lender under the Existing Whiting Credit Agreement; and

(ii) the Administrative Agent shall use reasonable efforts to cause each Lender under the Existing Whiting Credit Agreement to deliver to the Borrower as soon as practicable after the Closing Date the Note issued by the Borrower to it under the Existing Whiting Credit Agreement, marked canceled or an affidavit that such note has been lost and (in any event) has been canceled.

It is the intent of the parties hereto that, as of the Closing Date, this Agreement amends and restates in its entirety the Existing Whiting Credit Agreement and re-evidences the obligations of the Borrower outstanding thereunder. On the Closing Date, the commitments, loans and participation interests of the lenders under the Existing Whiting Credit Agreement are assigned and reallocated among the Revolving Lenders under this Agreement as set forth on Annex I. This Agreement shall not constitute a novation of the obligations and liabilities under the Existing Whiting Credit Agreement or evidence repayment of any such obligations and liabilities. All loans, letters of credit and other indebtedness, obligations and liabilities outstanding under the Existing Whiting Credit Agreement on such date shall continue to constitute Loans, Letters of Credit and other obligations and liabilities under this Agreement. The Lenders under the Existing Whiting Credit Agreement that are Lenders hereunder waive any notice required under the Existing Whiting Credit Agreement to the extent that such notice relates to the voluntary prepayments under the Existing Whiting Credit Agreement contemplated hereby.

Section 2.02 Loans and Borrowings.

- (a) Borrowings: Several Obligations. Each Revolving Loan shall be made as part of a Borrowing consisting of Revolving Loans made by the Revolving Lenders ratably in accordance with their respective Revolving Commitments. Each Term Loan shall be made as part of a Borrowing consisting of Term Loans made by the Term Loan Lenders ratably in accordance with their respective Term Loan Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.
- (b) Types of Loans. Subject to Section 3.03, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. So long as doing so would not result in any increased costs to which the Borrower would be responsible for under Section 5.01, each Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.
- (c) Minimum Amounts: Limitation on Number of Borrowings. At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 and not less than (i) \$50,000,000 for any Term Loan Borrowing and (ii) \$2,000,000 for any other Borrowing. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 and not less than (i) \$50,000,000 for any Term Loan Borrowing and (ii) \$1,000,000 for any other Borrowing; provided that, an ABR Borrowing may be in a lesser aggregate amount that is equal to the entire unused balance of the Revolving Commitments or Term Loan Commitments, as applicable, or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.08(e). Borrowings of more than one Type may be outstanding at the same time, provided that (i) there shall not at any time be more than a total of ten (10) Eurodollar Borrowings outstanding and (ii) the Borrower may not request more than a total of ten (10) Term Loan Borrowings during the period commencing on the Closing Date and ending on the Term Loan Maturity Date. Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Termination Date.
- (d) Notes. If requested by a Lender, the Loans made by each Lender shall be evidenced by a single promissory note of the Borrower in substantially the form of Exhibit A, dated, in the case of (i) any Lender party hereto as of the date of this Agreement, as of the date of this Agreement, (ii) any Lender that becomes a party hereto pursuant to an Assignment and Assumption, as of the effective date of the Assignment and Assumption, or (iii) any Lender that becomes a party hereto in connection with an increase in the Aggregate Maximum Revolving Credit Amounts pursuant to Section 2.06(c), as of the effective date of such increase, payable to such Lender in a principal amount equal to its Maximum Revolving Credit Amounts as in effect on such date, and otherwise duly completed. In the event that any Lender's Maximum Revolving Credit Amount or Maximum Term Loan Amount increases or decreases for any reason (whether pursuant to Section 2.06, Section 12.04(b) or otherwise), the Borrower shall deliver or cause to be delivered on the effective date of such increase or decrease, a new Note payable to such Lender in a principal amount equal to its Maximum Revolving Credit Amount or Maximum Term Loan Amount, as applicable, after giving effect to such increase or decrease, and otherwise duly completed. The date, amount, Type, interest rate and, if applicable, Interest Period of each Loan made by each Lender, and all payments made on account of the principal thereof, shall be recorded by such Lender on its books for its Note, and, prior to any transfer, may be endorsed by such Lender on a schedule attached to such Note or any continuation thereof or on any separate record maintained by such Lender. Failure to make any such notation or to attach a schedule shall not affect any Lender's or the Borrower's rights or obligations in respect of such Loans or affect the validity of such transfer by any Lender of its Note.

Section 2.03 Requests for Borrowings. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone or by delivery of a written Borrowing Request in substantially the form of Exhibit B and signed by the Parent Guarantor and the Borrower (a) in the case of a Eurodollar Borrowing, not later than 12:00 noon, New York City time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, on the date of the proposed Borrowing; provided that no such notice shall be required for any deemed request of an ABR Borrowing to finance the reimbursement of an LC Disbursement as provided in Section 2.08(e). Each such Borrowing Request shall be irrevocable and each telephone request for a Borrowing shall be confirmed promptly by hand delivery, email or facsimile to the Administrative Agent of a written Borrowing Request in substantially the form of Exhibit B and signed by the Parent Guarantor and the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of the requested Borrowing and whether such Borrowing is a Revolving Borrowing or a Term Loan Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;
- (iv) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term Interest Period ;
- (v) in the case of a Revolving Borrowing, the amount of the then effective Borrowing Base, the current total Revolving Credit Exposures (without regard to the requested Borrowing), the current total Term Loan Exposures and the pro forma total Revolving Credit Exposures (giving effect to the requested Borrowing);
- (vi) in the case of a Term Loan Borrowing, the amount of the then effective Borrowing Base, the current total Term Loan Exposures (without regard to the requested Borrowing), the current total Revolving Credit Exposures and the pro forma total Term Loan Exposures (giving effect to the requested Borrowing); and
- (vii) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.05.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Each Borrowing Request shall constitute a representation that the amount of the requested Revolving Borrowing shall not cause the total Revolving Credit Exposures to exceed the total Revolving Commitments (i.e., the lesser of the Aggregate Maximum Revolving Credit Amounts and the then effective Borrowing Base).

Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 Interest Elections.

(a) Conversion and Continuance. Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.04. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) Interest Election Requests. To make an election pursuant to this Section 2.04, the Borrower shall notify the Administrative Agent of such election by telephone or by delivery of a written Interest Election Request in substantially the form of Exhibit C and signed by the Borrower by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and if provided via telephone shall be confirmed promptly by hand delivery, email or facsimile to the Administrative Agent of a written Interest Election Request in substantially the form of Exhibit C and signed by the Borrower.

(c) Information in Interest Election Requests. Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to Section 2.04(c)(iii) and (iv) shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period" .

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Notice to Lenders by the Administrative Agent. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) Effect of Failure to Deliver Timely Interest Election Request and Events of Default and Borrowing Base Deficiencies on Interest Election. If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default or a Borrowing Base Deficiency has occurred and is continuing:

(i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing (and any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective) and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.05 Funding of Borrowings.

(a) Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 2:00 p.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent and designated by the Borrower in the applicable Borrowing Request; provided that ABR Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.08(e) shall be remitted by the Administrative Agent to the Issuing Bank. Nothing herein shall be deemed to obligate any Lender to obtain the funds for its Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for its Loan in any particular place or manner.

(b) Presumption of Funding by the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.05(a) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to the Type of such Borrowing. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

Section 2.06 Termination, Reduction and Increase of Aggregate Maximum Revolving Credit Amounts and/or Aggregate Maximum Term Loan Amounts .

(a) Scheduled Termination of Commitments. Unless previously terminated, the Revolving Commitments shall terminate on the Revolving Maturity Date and the Term Loan Commitments shall terminate on the Term Loan Maturity Date. If at any time the Aggregate Maximum Revolving Credit Amounts or the Borrowing Base are terminated or reduced to zero, then the Revolving Commitments shall terminate on the effective date of such termination or reduction. If at any time the Aggregate Maximum Term Loan Amounts are terminated or reduced to zero, then the Term Loan Commitments shall terminate on the effective date of such termination or reduction.

(b) Optional Termination and Reduction of Aggregate Credit Amounts.

(i) The Borrower may at any time terminate, or from time to time reduce, the Aggregate Maximum Revolving Credit Amounts and/or the Aggregate Maximum Term Loan Amounts; provided that (A) each such partial reduction shall be in an amount that is an integral multiple of \$10,000,000 and (B) the Borrower shall not terminate or reduce the Aggregate Maximum Revolving

Credit Amounts if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 3.04(b), the total Revolving Credit Exposures would exceed the total Revolving Commitments.

(ii) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Aggregate Maximum Revolving Credit Amounts and/or the Aggregate Maximum Term Loan Amounts under Section 2.06(b)(i) at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Revolving Lenders and/or the Term Loan Lenders, as applicable, of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.06(b)(ii) shall be irrevocable; provided that such a notice may state that it is conditioned upon the satisfaction of one or more conditions precedent, in which case such notice may be revoked by the Borrower (by at least one Business Day's prior notice to the Administrative Agent on or prior to the specified effective date) if such conditions are not satisfied. Any termination or reduction of the Aggregate Maximum Revolving Credit Amounts and/or the Aggregate Maximum Term Loan Amounts shall be permanent and may not be reinstated except pursuant to Section 2.06(c). Except for termination of a Defaulting Lender under Section 5.04(b), each reduction of the Aggregate Maximum Revolving Credit Amounts or Aggregate Maximum Term Loan Amounts, as the case may be, shall be made ratably among the Lenders in accordance with each Lender's Applicable Percentage under such Facility.

(c) Optional Increase in Aggregate Maximum Revolving Credit Amounts.

(i) Subject to the conditions set forth in Section 2.06(c)(ii), the Borrower may from time to time increase the Aggregate Maximum Revolving Credit Amounts then in effect without the prior consent of the Lenders, but with the prior written consent of the Administrative Agent, by increasing the Maximum Revolving Credit Amount of one or more Revolving Lenders or by causing a Person that at such time is not a Revolving Lender to become a Revolving Lender (an Additional Lender ).

(ii) Any increase in the Aggregate Maximum Revolving Credit Amounts shall be subject to the following additional conditions:

(A) such increase shall not be less than \$50,000,000 unless the Administrative Agent otherwise consents, and no such increase shall be permitted if after giving effect thereto the Aggregate Maximum Revolving Credit Amounts would exceed the Revolving Facility Amount;

(B) no Default or Event of Default shall have occurred and be continuing at the effective date of such increase;

(C) on the effective date of such increase, no Eurodollar Borrowings shall be outstanding or if any Eurodollar Borrowings are outstanding, then the effective date of such increase shall be the last day of the Interest Period in respect of such Eurodollar Borrowings unless the Borrower pays compensation required by Section 5.02;

(D) no Lender's Maximum Revolving Credit Amount may be increased without the consent of such Lender;

(E) if the Borrower elects to increase the Aggregate Maximum Revolving Credit Amounts by increasing the Maximum Revolving Credit Amount of a Lender, the Administrative Agent, the Parent Guarantor, the Borrower and such Revolving Lender shall

execute and deliver to the Administrative Agent a certificate substantially in the form of Exhibit G-1 (a Maximum Credit Amount Increase Certificate ), together with a processing and recordation fee of \$3,500, and, if requested, the Borrower shall deliver a new Note payable to such Lender in a principal amount equal to its Maximum Revolving Credit Amount after giving effect to such increase, and otherwise duly completed; and

(F) if the Borrower elects to increase the Aggregate Maximum Revolving Credit Amounts by causing an Additional Lender to become a party to this Agreement, then the Administrative Agent, the Parent Guarantor, the Borrower and such Additional Lender shall execute and deliver to the Administrative Agent a certificate substantially in the form of Exhibit G-2 (an Additional Lender Certificate ), together with an Administrative Questionnaire and a processing and recordation fee of \$3,500, and, if requested, the Borrower shall deliver a Note payable to such Additional Lender in a principal amount equal to its Maximum Revolving Credit Amount, and otherwise duly completed.

(iii) Subject to acceptance and recording thereof pursuant to Section 2.06(c)(iv), from and after the effective date specified in the Maximum Credit Amount Increase Certificate or the Additional Lender Certificate (or if any Eurodollar Borrowings are outstanding, then the last day of the Interest Period in respect of such Eurodollar Borrowings, unless the Borrower has paid compensation required by Section 5.02): (A) the amount of the Aggregate Maximum Revolving Credit Amounts shall be increased as set forth therein, and (B) in the case of an Additional Lender Certificate, any Additional Lender party thereto shall be a party to this Agreement and the other Loan Documents and have the rights and obligations of a Lender under this Agreement and the other Loan Documents. In addition, the Revolving Lender or the Additional Lender, as applicable, shall purchase a *pro rata* portion of the outstanding Revolving Loans (and participation interests in Letters of Credit) of each of the other Revolving Lenders (and such Revolving Lenders hereby agree to sell and to take all such further action to effectuate such sale) such that each Revolving Lender (including any Additional Lender, if applicable) shall hold its Applicable Revolving Percentage of the outstanding Revolving Loans (and participation interests) after giving effect to the increase in the Aggregate Maximum Revolving Credit Amounts.

(iv) Upon its receipt of a duly completed Maximum Credit Amount Increase Certificate or an Additional Lender Certificate, executed by the Borrower and the Revolving Lender or the Borrower and the Additional Lender party thereto, as applicable, the processing and recording fee referred to in Section 2.06(c)(ii), the Administrative Questionnaire referred to in Section 2.06(c)(ii), if applicable, and the written consent of the Administrative Agent to such increase required by Section 2.06(c)(i), the Administrative Agent shall accept such Maximum Credit Amount Increase Certificate or Additional Lender Certificate and record the information contained therein in the Register required to be maintained by the Administrative Agent pursuant to Section 12.04(b)(iv).

#### Section 2.07 Borrowing Base.

(a) Borrowing Base. During any time which is not an Investment Grade Rating Period, the Revolving Facility shall be subject to a Borrowing Base. For the period from and including the Closing Date to but excluding the next Redetermination Date, which Redetermination Date is scheduled to occur on May 1, 2015, the amount of the Borrowing Base shall be equal to Four Billion Five Hundred Million dollars (\$4,500,000,000). Notwithstanding the foregoing, the Borrowing Base may be subject to further adjustments from time to time pursuant to Sections 2.07(e), 2.07(f) or 9.11.

(b) Scheduled and Interim Redeterminations. Except as set forth in the following sentence, the Borrowing Base shall be redetermined semi-annually in accordance with this Section 2.07 (a Scheduled Redetermination ), and, subject to Section 2.07(d), such redetermined Borrowing Base shall

become effective and applicable to the Borrower, the Administrative Agent, the Issuing Banks and the Revolving Lenders on May 1st and November 1st of each year, commencing May 1, 2015. In addition, the Borrower may, by notifying the Administrative Agent thereof, and the Administrative Agent may, at the direction of the Required Revolving Lenders, by notifying the Borrower thereof, one time during any period of 12 consecutive calendar months, to elect to cause the Borrowing Base to be redetermined between Scheduled Redeterminations (an Interim Redetermination ) in accordance with this Section 2.07.

(c) Scheduled and Interim Redetermination Procedure.

(i) Each Scheduled Redetermination and each Interim Redetermination shall be effectuated as follows: Upon receipt by the Administrative Agent of (A) the Reserve Report and the Reserve Report Certificate, and (B) such other reports, data and supplemental information, including, without limitation, the information provided pursuant to Section 8.11(c), as may, from time to time, be reasonably requested by the Majority Revolving Lenders (the Reserve Report, such certificate and such other reports, data and supplemental information being the Engineering Reports ), the Administrative Agent shall evaluate the information contained in the Engineering Reports and shall in good faith propose a new Borrowing Base (the Proposed Borrowing Base ) based upon such information and such other information (including, without limitation, the status of title information with respect to the Oil and Gas Properties as described in the Engineering Reports and the existence of any other Debt) as the Administrative Agent deems appropriate exercising reasonable commercial standards consistent with its normal and customary oil and gas lending criteria as they exist at the particular time.

(ii) The Administrative Agent shall notify the Borrower and the Revolving Lenders of the Proposed Borrowing Base (the Proposed Borrowing Base Notice ):

(A) in the case of a Scheduled Redetermination (1) if the Administrative Agent shall have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely manner, then on or before the March 15th and September 15th of such year following the date of delivery or (2) if the Administrative Agent shall not have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely manner, then promptly after the Administrative Agent has received complete Engineering Reports from the Borrower and has had a reasonable opportunity to determine the Proposed Borrowing Base in accordance with Section 2.07(c)(i); and

(B) in the case of an Interim Redetermination, promptly, and in any event, within fifteen (15) days after the Administrative Agent has received the required Engineering Reports.

(iii) Any Proposed Borrowing Base that would increase the Borrowing Base then in effect must be approved or deemed to have been approved by all of the Revolving Lenders consistent with each such Lender's normal and customary oil and gas lending criteria as they exist at the particular time as provided in this Section 2.07(c)(iii); and any Proposed Borrowing Base that would decrease or maintain the Borrowing Base then in effect must be approved or be deemed to have been approved by the Required Revolving Lenders and consistent with each such Lender's normal and customary oil and gas lending criteria as they exist at the particular time as provided in this Section 2.07(c)(iii). Upon receipt of the Proposed Borrowing Base Notice, each Revolving Lender shall have fifteen (15) days to agree with the Proposed Borrowing Base or disagree with the Proposed Borrowing Base by proposing an alternate Borrowing Base. If at the end of such fifteen (15) days, any Revolving Lender has not communicated its approval or disapproval in writing to the Administrative Agent, such silence shall be deemed to be an approval of the Proposed Borrowing Base. If, at the end of such 15-day

period, all of the Revolving Lenders, in the case of a Proposed Borrowing Base that would increase the Borrowing Base then in effect, or the Required Revolving Lenders, in the case of a Proposed Borrowing Base that would decrease or maintain the Borrowing Base then in effect, have approved or deemed to have approved, as aforesaid, then the Proposed Borrowing Base shall become the new Borrowing Base, effective on the date specified in Section 2.07(d). If, however, at the end of such 15-day period, all of the Revolving Lenders or the Required Revolving Lenders, as applicable, have not approved or deemed to have approved, as aforesaid, then the Administrative Agent shall poll the Revolving Lenders to ascertain the highest Borrowing Base then acceptable to all of the Revolving Lenders or a number of Revolving Lenders sufficient to constitute the Required Revolving Lenders, as applicable, and, so long as such amount does not increase the Borrowing Base then in effect, such amount shall become the new Borrowing Base, effective on the date specified in Section 2.07(d).

(d) Effectiveness of a Redetermined Borrowing Base. After a redetermined Borrowing Base is approved or is deemed to have been approved by all of the Revolving Lenders or the Required Revolving Lenders, as applicable, pursuant to Section 2.07(c)(iii), the Administrative Agent shall notify the Borrower and the Revolving Lenders of the amount of the redetermined Borrowing Base (the New Borrowing Base Notice ), and such amount shall become the new Borrowing Base, effective and applicable to the Borrower, the Administrative Agent, the Issuing Banks and the Revolving Lenders:

(i) in the case of a Scheduled Redetermination, (A) if the Administrative Agent shall have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on the April 1st or October 1<sup>st</sup>, as applicable, following such notice, or (B) if the Administrative Agent shall not have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on the Business Day next succeeding delivery of such notice; and

(ii) in the case of an Interim Redetermination, on the Business Day next succeeding delivery of such notice.

Such amount shall then become the Borrowing Base until the next Scheduled Redetermination Date, the next Interim Redetermination Date or the next adjustment to the Borrowing Base under Section 2.07(e), Section 2.07(f) or Section 9.11, whichever occurs first. Notwithstanding the foregoing, no Scheduled Redetermination or Interim Redetermination shall become effective until the New Borrowing Base Notice related thereto is received by the Borrower.

(e) Reduction of Borrowing Base Upon Issuance of Permitted Additional Senior Notes. Upon the issuance of any Permitted Additional Senior Notes in accordance with Section 9.02(g) (other than Senior Notes constituting Permitted Refinancing Debt up to the original principal amount of the refinanced Senior Notes), the Borrowing Base then in effect shall be reduced by an amount equal to the product of 0.25 multiplied by the stated principal amount of such Permitted Additional Senior Notes (without regard to any initial issue discount), and the Borrowing Base as so reduced shall become the new Borrowing Base immediately upon the date of such issuance, effective and applicable to the Borrower, the Administrative Agent, the Issuing Banks and the Revolving Lenders on such date until the next redetermination or modification thereof hereunder.

(f) Reduction of Borrowing Base Upon Termination of Hedge Positions. If a Credit Party shall terminate any hedge positions or create any off-setting positions (whether evidenced by a floor, put or Swap Agreement) upon which the Revolving Lenders relied in determining the Borrowing Base, then the Borrowing Base shall be reduced in an amount determined by the Required Revolving Lenders equal to the economic value of such hedge positions.

(g) Administrative Agent Data. The Administrative Agent hereby agrees to provide, promptly, and in any event within three (2) Business Days, following its receipt of a request by the Borrower, an updated Bank Price Deck. In addition, the Administrative Agent and the Lenders agree, upon request, to meet with the Borrower to discuss their evaluation of the reservoir engineering of the Oil and Gas Properties included in the Reserve Report and their respective methodologies for valuing such properties and the other factors considered in calculating the Borrowing Base.

(h) Investment Grade Rating Period. Notwithstanding anything in this Agreement to the contrary, during any Investment Grade Rating Period, the provisions of clauses (a) through (f) of this Section 2.07 (and any other provision elsewhere herein relating to the Borrowing Base) will be inapplicable and shall be disregarded for all purposes. Upon the end of any Investment Grade Rating Period, the Borrowing Base will be the most recent Borrowing Base in effect until the next Redetermination Date, subject to further adjustments from time to time pursuant to Sections 2.07(e) and 2.07(f).

#### Section 2.08 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower may request the issuance of dollar denominated Letters of Credit for its own account or for the account of any of its Restricted Subsidiaries, in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, at any time and from time to time during the Revolving Availability Period; provided that the Borrower may not request the issuance, amendment (to extend the term or increase the amount), renewal or extension of Letters of Credit hereunder, and no Issuing Bank shall issue, amend (to extend the term or increase the amount), renew or extend a Letter of Credit, if a Borrowing Base Deficiency exists at such time or would exist as a result thereof or if the LC Exposure would exceed the LC Commitment after giving effect thereto. Subject to the terms and conditions set forth herein, the applicable Issuing Bank shall then arrange for the Letter of Credit to be issued on the Borrower's behalf. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, such Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or fax (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (not less than two (2) Business Days in advance of the requested date of issuance, amendment, renewal or extension (or such shorter time as such Issuing Bank may agree in a particular instance in its sole discretion)) a notice:

- (i) requesting the issuance of a Letter of Credit or identifying the Letter of Credit to be amended, renewed or extended;
- (ii) specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day);
- (iii) specifying the date on which such Letter of Credit is to expire (which shall comply with Section 2.08(c));
- (iv) specifying the amount of such Letter of Credit;

(v) specifying the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit; and

(vi) specifying the amount of the then effective Borrowing Base (if applicable) and whether a Borrowing Base Deficiency (if applicable) exists at such time, the current total Revolving Credit Exposures (without regard to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit) and the pro forma total Revolving Credit Exposures (giving effect to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit).

Each notice shall constitute a representation that after giving effect to the requested issuance, amendment, renewal or extension, as applicable, (i) the LC Exposure shall not exceed the LC Commitment and (ii) the total Revolving Credit Exposures shall not exceed the total Revolving Commitments (i.e. the lesser of the Aggregate Maximum Revolving Credit Amounts and the then effective Borrowing Base (if any)).

If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application in a form acceptable to such Issuing Bank in connection with any request for a Letter of Credit.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) unless satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion, the date that is five Business Days prior to the Revolving Maturity Date; provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (ii)).

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Revolving Lenders, the applicable Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Revolving Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender's Applicable Revolving Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in Section 2.08(e), or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.08(d) in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default, the existence of a Borrowing Base Deficiency or reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit prior to 11:00 a.m., New York time, then the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 4:00 p.m., New York City time, on the same Business Day, if the Borrower shall have received notice of such LC Disbursement prior to 12:00 noon, New York City time, on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 12:00 noon,

New York City time, on the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time on the day of receipt; provided that if such LC Disbursement is not less than \$1,000,000, the Borrower shall, subject to the conditions to Borrowing set forth herein, be deemed to have requested, and the Borrower does hereby request under such circumstances, that such payment be financed with an ABR Borrowing in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Borrowing. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Revolving Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Revolving Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.05 with respect to Revolving Loans made by such Lender (and Section 2.05 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.08(e), the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this Section 2.08(e) to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this Section 2.08(e) to reimburse the applicable Issuing Bank for any LC Disbursement (other than the funding of ABR Loans as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in Section 2.08(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Agreement or this Agreement, or of any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or any Letter of Credit Agreement, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.08(f), constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Revolving Lenders nor the applicable Issuing Bank, nor any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse the applicable Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise due care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(g) Disbursement Procedures. Each applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The applicable Issuing Bank shall promptly notify the Administrative Agent and the

Borrower by telephone (confirmed by facsimile or email) or written notice of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that, subject to Section 2.08(e), any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank or the Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, until the Borrower shall have reimbursed such Issuing Bank for such LC Disbursement (either with its own funds or a Borrowing under Section 2.08(e)), the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Loans. Interest accrued pursuant to this Section 2.08(h) shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.08(e) to reimburse such Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment.

(i) Cash Collateralization. If (i) any Event of Default shall occur and be continuing and the Borrower receives notice from the Administrative Agent or the Required Revolving Lenders demanding the deposit of cash collateral pursuant to this Section 2.08(i), or (ii) the Borrower is required to pay to the Administrative Agent the excess attributable to an LC Exposure in connection with any prepayment pursuant to Section 3.04(c), then the Borrower shall deposit, in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount in cash equal to, in the case of an Event of Default, the LC Exposure, and in the case of a payment required by Section 3.04(c), the amount of such excess as provided in Section 3.04(c), as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become promptly due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Parent Guarantor or any other Credit Party described in Section 10.01(h), Section 10.01(i) or Section 10.01(j). The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Banks and the Revolving Lenders, and agrees to maintain, an exclusive first priority and continuing perfected security interest in and Lien on such account and all cash, checks, drafts, certificates and instruments, if any, from time to time deposited or held in such account, all deposits or wire transfers made thereto, any and all investments purchased with funds deposited in such account, all interest, dividends, cash, instruments, financial assets and other Property from time to time received, receivable or otherwise payable in respect of, or in exchange for, any or all of the foregoing, and all proceeds, products, accessions, rents, profits, income and benefits therefrom, and any substitutions and replacements therefor. If at any time the Administrative Agent determines that the amounts deposited pursuant to this Section 2.08(i) are subject to any right or claim of any Person other than the Administrative Agent, the Issuing Banks and the Revolving Lenders as herein provided (other than Liens permitted by Section 9.03), or that the total amounts deposited pursuant to this Section 2.08(i) are less than, in the case of an Event of Default, the LC Exposure, and in the case of a payment required by Section 3.04(c), the amount of such excess as provided in 3.04(c), the Borrower will, promptly upon demand by the Administrative Agent, deposit additional cash collateral in an amount sufficient to eliminate such deficiency (after giving effect to any cash collateral provided by the Defaulting Lender). The Borrower's obligation to deposit amounts pursuant to this Section 2.08(i) shall be absolute and unconditional, without regard to whether any beneficiary of any such Letter of Credit has attempted to draw down all or a portion of such amount under the terms of a Letter of Credit, and, to the fullest extent permitted by applicable law, shall not be subject to any defense or be affected by a right of set-off, counterclaim or recoupment which the Parent Guarantor or any other Credit Party may now or hereafter have against any such beneficiary, the Issuing Banks, the Administrative Agent, the Revolving Lenders or any other Person for any reason whatsoever.

Such deposit shall be held as collateral securing the payment and performance of the Borrower's and the Guarantor's obligations under this Agreement and the other Loan Documents and shall be utilized to satisfy the Borrower's obligation to reimburse the Administrative Agent for drawings under Section 2.08(e). The parties hereto expressly agree that, in the absence of gross negligence, bad faith, breach of contract or willful misconduct on the part of the Issuing Banks (as finally determined by a court of competent jurisdiction), each Issuing Bank shall be deemed to have exercised all requisite care in each such determination. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and reasonable discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Revolving Loans has been accelerated, be applied to satisfy other obligations of the Borrower and the Guarantors under this Agreement or the other Loan Documents. If on any date of determination after the Borrower has posted cash collateral, the amount of such cash collateral exceeds the LC Exposure, then such cash collateral (or the appropriate portion thereof) shall no longer be required to be held as cash collateral pursuant to this Section 2.08(i) and the Administrative Agent shall promptly (but not later than three (3) Business Days after determining such excess exists) release such excess to the Borrower; provided that, subject to Section 4.03, the Person providing the cash collateral and each Issuing Bank may agree that cash collateral shall be held to support future anticipated LC Exposure or other obligations; and provided further that to the extent such cash collateral was provided by the Borrower, such cash collateral shall remain subject to the security interest then in effect (if any) pursuant to the Loan Documents.

(j) Outstanding Letters of Credit. If requested by any Revolving Lender, the Administrative Agent shall provide the requesting Lender with a list of all outstanding Letters of Credit.

Section 2.09 Additional Borrowers.

(a) After the Signing Date, the Parent Guarantor may, upon not less than five (5) Business Days' notice from the Parent Guarantor to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its sole discretion) designate Kodiak Oil & Gas (USA) Inc. and Holdco (US) (each an Additional Borrower) as a borrower under one or more of the Facilities by delivery to the Administrative Agent of an Additional Borrower Supplement in substantially the form attached hereto as Exhibit J executed by such Restricted Subsidiary and the Parent Guarantor, which shall specify the Facilities under which such Additional Borrower shall become a borrower. As soon as practicable upon receipt of such an Additional Borrower Supplement, the Administrative Agent will deliver a copy thereof to each Lender under the applicable Facility. The parties hereto acknowledge and agree that prior to any Additional Borrower becoming entitled to utilize the credit facilities provided for herein, the Administrative Agent and the Lenders under the applicable Facility shall have received such supporting resolutions, incumbency certificates, opinions of counsel, if applicable hereunder, Security Instruments and other documents or information (including, without limitation, information required by regulatory authorities with respect to such Additional Borrowers under applicable know your customer and anti-money laundering rules and regulations, including the Patriot Act, that has been reasonably requested by the Administrative Agent or the Lenders, as applicable (the Patriot Act Information)), in each case, in form, content and scope reasonably satisfactory to the Administrative Agent (and in the case of the Patriot Act Information, the Administrative Agent and each Lender), as may reasonably be required by the Administrative Agent, and Notes signed by such Additional Borrower to the extent any Lenders so require. Promptly following receipt of all such requested resolutions, incumbency certificates, opinions of counsel, if applicable hereunder, Security Instruments and other documents or information, the

Administrative Agent shall send a notice to the Parent Guarantor and the Lenders under such Facility specifying the effective date upon which the Additional Borrower shall constitute an Additional Borrower for purposes hereof (with each reference herein to the Borrower deemed to include such Additional Borrower, as the context requires), whereupon each of the Lenders under such Facility agrees that such Additional Borrower shall for all purposes of this Agreement be an Additional Borrower under the requested Facilities and party to this Agreement (until its status as a borrower is terminated in accordance with clause (b) below).

(b) So long as the principal of and interest on all Loans made to any Additional Borrower under this Agreement shall have been paid in full and all other obligations of such Additional Borrower in such capacity (other than any contingent indemnification or similar obligation not yet due and payable) shall have been fully performed, such Additional Borrower may, upon not less than five (5) Business Days prior written notice to the Administrative Agent (which shall promptly notify the Lenders thereof), terminate its status as an Additional Borrower.

(c) Each Subsidiary that becomes a borrower hereunder from time to time hereby irrevocably appoints the Borrower as its agent for all purposes relevant to this Agreement and each of the other Loan Documents, including (i) the giving and receipt of notices, (ii) the execution and delivery of all documents, instruments and certificates contemplated herein and all modifications hereto, and (iii) the receipt of the proceeds of any Loans made by the Lenders to any such Additional Borrower hereunder. Any notice, demand, consent, acknowledgement, direction, certification or other communication delivered to the Borrower in accordance with the terms of this Agreement shall be deemed to have been delivered to each Additional Borrower.

### ARTICLE III

#### PAYMENTS OF PRINCIPAL AND INTEREST; PREPAYMENTS; FEES

Section 3.01 Repayment of Loans. The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan on the Termination Date. The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Term Loan Lender the then unpaid principal amount of each Term Loan on the Term Loan Maturity Date.

Section 3.02 Interest.

(a) ABR Loans. The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(b) Eurodollar Loans. The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(c) Post-Default Rate. Notwithstanding the foregoing, if an Event of Default has occurred and is continuing, or if any principal of or interest on any Loan or any fee or other amount payable by the Borrower or any Guarantor hereunder or under any other Loan Document is not paid when due, whether at stated maturity, upon acceleration or otherwise, then at the direction of the Majority Revolving Lenders, with respect to the Revolving Facility, or the Majority Term Loan Lenders, with respect to the Term Loan Facility, all Loans outstanding to which such direction relates, in the case of an Event of Default, and such overdue amount, in the case of a failure to pay amounts when due, under such Facility shall bear interest, after as well as before judgment, at a rate per annum equal to two percent (2%) plus the rate applicable to ABR Loans as provided in Section 3.02(a), but in no event to exceed the Highest Lawful Rate.

(d) Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, with respect to Revolving Loans, on the Termination Date; provided that (i) interest accrued pursuant to Section 3.02(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than an optional prepayment of an ABR Revolving Loan prior to the Termination Date), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) Interest Rate Computations. All interest hereunder shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case interest shall be computed on the basis of a year of 365 days (or 366 days in a leap year), except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent demonstrable error, and be binding upon the parties hereto.

Section 3.03 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent demonstrable error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Majority Revolving Lenders, with respect to the Revolving Facility, or the Majority Term Loan Lenders, with respect to the Term Loan Facility, that the Adjusted LIBO Rate or LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing under such Facility for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, email or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist (which notice shall be given promptly after such circumstances cease to exist), (i) any Interest Election Request that requests the conversion of any Borrowing under such Facility to, or continuation of any Borrowing as, a Eurodollar Borrowing under such Facility shall be ineffective, and (ii) if any Borrowing Request requests a Eurodollar Borrowing under such Facility, such Borrowing shall be made either as an ABR Borrowing or at an alternate rate of interest determined by the Majority Revolving Lenders or the Majority Term Loan Lenders, as applicable, as their cost of funds.

Section 3.04 Prepayments.

(a) Optional Prepayments. Subject to any break funding costs payable pursuant to Section 5.02 and prior notice in accordance with Section 3.04(b), the Borrower shall have the right at any time and from time to time to (i) prepay any ABR Borrowing in whole or in part, in a minimum aggregate amount of \$1,000,000 or any integral multiple of \$500,000 in excess thereof or if less than \$1,000,000,

the remaining balance of such ABR Borrowing, and (ii) prepay any Eurodollar Borrowing in whole in or in part, in a minimum aggregate amount of \$2,000,000 or any integral multiple of \$500,000 in excess thereof or if less than \$2,000,000, the remaining balance of such Eurodollar Borrowing.

(b) Notice and Terms of Optional Prepayment. The Borrower shall notify the Administrative Agent by telephone (confirmed by facsimile or email) or written notice of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 12:00 noon, New York City time, two Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 noon, New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that such a notice may state that it is conditioned upon the satisfaction of one or more conditions precedent, in which case such notice may be revoked by the Borrower (by at least one Business Day's prior notice to the Administrative Agent on or prior to the specified prepayment date) if such conditions are not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each optional prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 3.02.

(c) Mandatory Prepayments under the Revolving Facility.

(i) If, after giving effect to any termination or reduction of the Aggregate Maximum Revolving Credit Amounts pursuant to Section 2.06(b), the total Revolving Credit Exposures exceeds the total Revolving Commitments, then the Borrower shall immediately (and in any event on the Business Day of such termination or reduction) (A) prepay the Revolving Borrowings on the date of such termination or reduction in an aggregate principal amount equal to such excess, and (B) if any excess remains after prepaying all of the Revolving Borrowings as a result of an LC Exposure, pay to the Administrative Agent on behalf of the Revolving Lenders an amount equal to such excess to be held as cash collateral as provided in Section 2.08(i).

(ii) Upon any redetermination of or adjustment to the amount of the Borrowing Base in accordance with Section 2.07 (other than in accordance with Section 2.07(e) or (f)), if the total Revolving Credit Exposure exceeds the redetermined or adjusted Borrowing Base, then the Borrower shall (A) prepay the Revolving Borrowings in an aggregate principal amount equal to such excess, and (B) if any excess remains after prepaying all of the Revolving Borrowings as a result of an LC Exposure, pay to the Administrative Agent on behalf of the Revolving Lenders an amount equal to such excess to be held as cash collateral as provided in Section 2.08(i). The Borrower shall be obligated to make such prepayments in six substantially equal monthly installments, the first of which shall be due on the thirtieth day following receipt of the New Borrowing Base Notice in accordance with Section 2.07(d); provided that all payments required to be made pursuant to this Section 3.04(c)(ii) must be made on or prior to the Termination Date.

(iii) Upon any adjustment to the Borrowing Base pursuant to Section 2.07(e), Section 2.07(f) or Section 9.11, if the total Revolving Credit Exposures exceeds the Borrowing Base as adjusted, then the Borrower shall (A) prepay the Revolving Borrowings in an aggregate principal amount equal to such excess, and (B) if any excess remains after prepaying all of the Revolving Borrowings as a result of an LC Exposure, pay to the Administrative Agent on behalf of the Revolving Lenders an amount equal to such excess to be held as cash collateral as provided in Section 2.08(i). The Borrower shall be obligated to make such prepayment and/or deposit of cash collateral either on the date it or any Subsidiary receives cash proceeds as a result of such disposition or on the date the Permitted Additional Senior Notes are issued or hedge positions are terminated, as applicable; provided that all payments required to be made pursuant to this Section 3.04(c)(iii) must be made on or prior to the Termination Date.

(iv) Each prepayment of Borrowings pursuant to this Section 3.04(c) shall be applied, first, ratably to any ABR Revolving Borrowings then outstanding, and, second, to any Eurodollar Revolving Borrowings then outstanding, and if more than one Eurodollar Revolving Borrowing is then outstanding, to each such Eurodollar Revolving Borrowing in order of priority beginning with the Eurodollar Revolving Borrowing with the least number of days remaining in the Interest Period applicable thereto and ending with the Eurodollar Revolving Borrowing with the most number of days remaining in the Interest Period applicable thereto.

(v) Each prepayment of Revolving Borrowings pursuant to this Section 3.04(c) shall be applied ratably to the Revolving Loans included in the prepaid Revolving Borrowings. Prepayments pursuant to this Section 3.04(c) shall be accompanied by accrued interest to the extent required by Section 3.02.

(d) Mandatory Prepayments under the Term Loan Facility.

(i) Issuance or Incurrence of Debt. In the event that the Parent Guarantor or any Restricted Subsidiary shall receive Net Cash Proceeds from the issuance or incurrence of Debt of the Borrower or any Restricted Subsidiary (other than Debt permitted to be issued or incurred pursuant to Section 9.02 (except Section 9.02(b)(iii)), the Parent Guarantor shall or shall cause the applicable Restricted Subsidiary to, no later than five (5) Business Day following such receipt, apply an amount equal to 100% of such Net Cash Proceeds to prepay outstanding Term Loans.

(ii) Asset Sales; Casualty Events. No later than the fifth (5th) Business Days following the date of receipt (or the date on which such amounts become Net Cash Proceeds by virtue of the expiration of a Reinvestment Period) by the Borrower or any of its Restricted Subsidiaries of any Net Cash Proceeds in respect of any Asset Sale or Casualty Event, the Parent Guarantor shall cause the Borrower or the applicable Restricted Subsidiary to apply an amount equal to 75% of such Net Cash Proceeds in excess of \$100,000,000 to prepay outstanding Term Loans.

(iii) Each prepayment of Borrowings pursuant to this Section 3.04(d) shall be applied, first, ratably to any ABR Term Loan Borrowings then outstanding, and, second, to any Eurodollar Term Loan Borrowings then outstanding, and if more than one Eurodollar Term Loan Borrowing is then outstanding, to each such Eurodollar Term Loan Borrowing in order of priority beginning with the Eurodollar Term Loan Borrowing with the least number of days remaining in the Interest Period applicable thereto and ending with the Eurodollar Term Loan Borrowing with the most number of days remaining in the Interest Period applicable thereto.

(iv) Each prepayment of Term Loan Borrowings pursuant to this Section 3.04(d) shall be applied ratably to the Term Loans included in the prepaid Term Loan Borrowings. Prepayments pursuant to this Section 3.04(d) shall be accompanied by accrued interest to the extent required by Section 3.02.

(e) No Premium or Penalty, Interest, Officer's Certificate. Prepayments permitted or required under this Section 3.04 shall be (i) without premium or penalty, except as required under Section 5.02, (ii) accompanied by the concurrent payment of accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment and (iii) in the case of a prepayment required under Section 3.04(d), accompanied by a certificate of a Financial Officer of the Parent Guarantor or Borrower, as applicable, setting forth in reasonable detail the calculation of the amount of such prepayment.

Section 3.05 Fees.

(a) Commitment and Upfront Fees.

(i) The Borrower agrees to pay quarterly in arrears to the Administrative Agent for the account of each Revolving Lender a commitment fee, which shall accrue at the rate per annum as set forth in the definition of Applicable Margin on the average daily amount of the unused amount of each Revolving Lender's Applicable Revolving Percentage of the aggregate Revolving Commitments (excluding an amount equal to the Revolving Commitment of each Defaulting Lender) during the period from and including the Closing Date to but excluding the Termination Date. Accrued commitment fees under this Section 3.05(a)(i) shall be payable in arrears on the last day of March, June, September and December of each year and on the Termination Date, commencing on the first such date to occur after the Closing Date.

(ii) The Borrower agrees to pay quarterly in arrears to the Administrative Agent for the account of each Term Loan Lender a commitment fee, which shall accrue at the rate per annum of 0.25% on the average daily amount of the unused amount of each Term Loan Lender's Applicable Term Loan Percentage of the aggregate Term Loan Commitments (excluding an amount equal to the Term Loan Commitment of each Defaulting Lender) during the period from and including the Closing Date to but excluding the Term Loan Maturity Date. Accrued commitment fees under this Section 3.05(a)(ii) shall be payable in arrears on the last day of March, June, September and December of each year and on the Term Loan Maturity Date, commencing on the first such date to occur after the Closing Date.

(iii) All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) Letter of Credit Fees. The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at a rate equal to the Applicable Margin used to determine the interest rate applicable from time to time to Eurodollar Loans (or, in the case of standby Letters of Credit, 50% of such Applicable Margin) on the average daily amount of such Revolving Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which such Revolving Lender's Revolving Commitment terminates and the date on which such Revolving Lender ceases to have any LC Exposure, (ii) to each Issuing Bank a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure, provided that in no event shall such fee be less than \$500 as to any Issuing Bank during any quarter, and (iii) to each Issuing Bank, for its own account, its standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the fifth Business Day following such last day, commencing on the first such date to occur after the Closing Date; provided that all such fees shall be payable on the Termination Date and any such fees accruing after the Termination Date shall be payable on receipt of written demand setting forth such amounts and the calculation thereof with reasonable particularity. Any other fees payable to an Issuing Bank pursuant to this Section 3.05(b) shall be payable within 10 days after receipt of written demand setting forth such amounts with reasonable particularity. All participation fees and fronting fees shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case interest shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) Administrative Agent Fees. The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

#### ARTICLE IV

#### PAYMENTS; PRO RATA TREATMENT; SHARING OF SET-OFFS

##### Section 4.01 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Payments by the Borrower. The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 5.01, Section 5.02, Section 5.03 or otherwise) prior to 12:00 noon, New York City time, on the date when due, in immediately available funds, without defense, deduction, recoupment, set-off or counterclaim. Fees, once paid, shall be fully earned and shall not be refundable under any circumstances. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices specified in Section 12.01, except payments to be made directly to the Issuing Banks as expressly provided herein and except that payments pursuant to Section 5.01, Section 5.02, Section 5.03 and Section 12.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) Sharing of Payments by Lenders. If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price returned to the extent of such recovery, without interest, and (ii) the provisions of this Section 4.01(c) shall not be construed to apply to any payment made by the Borrower to a Defaulting Lender pursuant to Section 5.04(b) or pursuant to and in

accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Parent Guarantor or any other Credit Party or Affiliate thereof (as to which the provisions of this Section 4.01(c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that subject to Section 12.04 and Section 12.08, any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

Section 4.02 Presumption of Payment by the Borrower. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or an Issuing Bank that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 4.03 Payments and Deductions to a Defaulting Lender.

(a) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(a), Section 2.08(d), Section 2.08(e) or Section 4.02 then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid in cash.

(b) If a Defaulting Lender (or a Lender who would be a Defaulting Lender but for the expiration of the relevant grace period) as a result of the exercise of a set-off shall have received a payment in respect of its Revolving Credit Exposure or Term Loan Exposure which results in its Revolving Credit Exposure or Term Loan Exposure, as applicable, being less than its Applicable Revolving Percentage or Applicable Term Loan Percentage of the aggregate Revolving Credit Exposures or Term Loan Exposures, as applicable, then no payments will be made to such Defaulting Lender until such time as such Defaulting Lender shall have complied with Section 4.03(c) and all amounts due and owing to the Revolving Lenders or Term Loan Lenders, as applicable, have been equalized in accordance with such Lenders' respective *pro rata* share of the Secured Obligations. Further, if at any time prior to the acceleration or maturity of the Loans, the Administrative Agent shall receive any payment in respect of principal of a Loan or a reimbursement of an LC Disbursement while one or more Defaulting Lenders shall be party to this Agreement, the Administrative Agent shall apply such payment solely to the Borrowing(s) of, and LC Disbursements owed to, Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Borrowing(s) of, or LC Disbursements owed to, such Defaulting Lender until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Loans then outstanding. After acceleration or maturity of the Loans, subject to the first sentence of this Section 4.03(b), all principal will be paid ratably as provided in Section 10.02(c).

(c) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) Fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 3.05.

(ii) The Commitment, the Maximum Revolving Credit Amount, the Maximum Term Loan Amount, the Revolving Credit Exposure, the Term Loan Exposure and participation interests in Letters of Credit of such Defaulting Lender shall not be included in determining whether all Lenders, all Revolving Lenders, all Term Loan Lenders, the Required Revolving Lenders, the Majority Term Loan Lenders, the Majority Revolving Lenders or the Majority Lenders, as applicable, have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 12.02), provided that any waiver, amendment or modification requiring the consent of each affected Lender pursuant to Section 12.02 shall require the consent of such Defaulting Lender if it is adversely affected (for the avoidance of doubt, a Defaulting Lender shall have such a consent right with respect to changing the Revolving Maturity Date or Term Loan Maturity Date applicable to such Defaulting Lender, decreasing or forgiving any principal or interest due to such Defaulting Lender (other than the waiving of post-default interest rates) and any increase in such Defaulting Lender's Commitment); and provided further that any increase, decrease, redetermination or affirmation of the Borrowing Base shall occur without the participation of a Defaulting Lender, but the Revolving Commitment of a Defaulting Lender (i.e. the Applicable Revolving Percentage of the Borrowing Base of a Defaulting Lender) may not be increased without the consent of such Defaulting Lender.

(iii) If any LC Exposure exists at the time a Revolving Lender becomes a Defaulting Lender then:

(A) all or any part of such LC Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Revolving Percentages (calculated without regard to such Defaulting Lender's Revolving Commitment) but only to the extent that such reallocation does not cause the Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, then the Borrower shall within three (3) Business Days following notice by the Administrative Agent cash collateralize such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (A) above) in accordance with the procedures set forth in Section 10.02 for so long as such LC Exposure is outstanding;

(C) no Defaulting Lender shall be entitled to receive any fee under 3.05(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender);

(D) each Defaulting Lender shall be entitled to receive fees under Section 3.05(b) for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Revolving Percentage of the stated amount of Letters of Credit for

which it has provided cash collateral pursuant to Section 2.08(i); provided that if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to this Section 4.03 then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.05(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(E) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to Section 4.03(c)(iii), then the fees payable to the Lenders pursuant to Section 3.05(a) and Section 3.05(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Revolving Percentages; or

(F) if any Defaulting Lender's LC Exposure is neither cash collateralized nor reallocated pursuant to Section 4.03(c), then, without prejudice to any rights or remedies of the Issuing Banks or any Lender hereunder, letter of credit fees payable under Section 3.05(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Banks until such LC Exposure is cash collateralized and/or reallocated.

(d) So long as any Lender is a Defaulting Lender, the Issuing Banks shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 4.03(c) or by the Defaulting Lender pursuant to Section 2.08(i), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.08(d) (and Defaulting Lenders shall not participate therein).

(e) In the event that the Administrative Agent, the Borrower and the Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date, if necessary as a result of a Loan funding pursuant to Section 2.08(e), such Lender shall purchase at par such of the outstanding Loans of the other Lenders or take such other actions as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided further that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 4.04 Disposition of Proceeds. The Security Instruments contain an assignment by the Borrower and/or the Guarantors unto and in favor of the Administrative Agent for the benefit of the Lenders of all of the Borrower's or each Guarantor's interest in and to production and all proceeds attributable thereto which may be produced from or allocated to the Mortgaged Properties. The Security Instruments further provide in general for the application of such proceeds to the satisfaction of the Secured Obligations and other obligations described therein and secured thereby. Notwithstanding the assignment contained in such Security Instruments, until the occurrence of an Event of Default (and only during the continuance of an Event of Default), (a) the Administrative Agent and the Lenders agree that they will neither notify the purchaser or purchasers of such production nor take any other action to cause such proceeds to be remitted to the Administrative Agent or the Lenders, but the Lenders will instead permit such proceeds to be paid to the relevant Credit Party and (b) the Lenders hereby authorize the Administrative Agent to take such actions as may be necessary to cause such proceeds to be paid to the relevant Credit Party.

**ARTICLE V**

**INCREASED COSTS; BREAK FUNDING PAYMENTS; TAXES; ILLEGALITY**

Section 5.01 Increased Costs.

(a) Changes in Law. If any Change in Law shall:

(i) subject the Administrative Agent, any Lender, or the Issuing Bank to any Taxes (other than (A) Indemnified Taxes, (B) taxes described in clauses (b) through (e) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

(ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(iii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurodollar Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or issuing or participating in Letters of Credit, or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or otherwise), then the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or the Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuing Bank's capital or on the capital of such Lender's or the Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Bank's policies and the policies of such Lender's or the Issuing Bank's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company for any such reduction suffered.

(c) Certificates. A certificate of a Lender or the Issuing Bank setting forth in reasonable detail the computation of the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in Section 5.01(a) or (b) shall be delivered to the Borrower contemporaneous with any request for payment hereunder. Such certificate shall be conclusive absent demonstrable error and certify that such Lender or the Issuing Bank (as the case may be) is charging similar costs to similarly situated borrowers at such time. The Borrower shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Effect of Failure or Delay in Requesting Compensation. Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section 5.01 shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or the Issuing Bank pursuant to this

Section 5.01 for any increased costs or reductions incurred more than 120 days prior to the date that such Lender or the Issuing Bank, as the case may be, demands compensation in accordance herewith; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 120-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 5.02 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan or an assignment pursuant to Section 5.04(b) in each case other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan into an ABR Loan other than on the last day of the Interest Period applicable thereto, or (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market.

A certificate of any Lender setting forth in reasonable detail the computation of any amount or amounts that such Lender is entitled to receive pursuant to this Section 5.02 shall be delivered to the Borrower. Such certificate shall be conclusive absent demonstrable error and state that such Lender or the Issuing Bank (as the case may be) is charging similar costs to similarly situated borrowers at such time. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 5.03 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Credit Party under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable law; provided that if a Credit Party shall be required by applicable law (as determined in the good faith discretion of such Credit Party) to deduct or withhold any Taxes from such payments, then (i) in the event such Taxes are Indemnified Taxes, the sum payable shall be increased as necessary so that after making all required deductions or withholdings for such Indemnified Taxes (including deductions applicable to additional sums payable under this Section 5.03(a)), the Administrative Agent, Lender or Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deduction or withholding been made, (ii) such Credit Party shall make such deduction or withholding and (iii) such Credit Party shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) Payment of Other Taxes by the Borrower. The Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent, timely reimburse it for any Other Taxes it pays.

(c) Indemnification.

(i) The Credit Parties shall jointly and severally indemnify the Administrative Agent, each Lender and the Issuing Bank, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent, such

Lender or the Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of any Credit Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 5.03) and any penalties that are not the fault of such indemnified Person, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate of the Administrative Agent, a Lender or the Issuing Bank setting forth in reasonable detail the calculations of the amount of such payment or liability under this Section 5.03 shall be delivered to the Borrower contemporaneously with any request for payment and shall be conclusive absent demonstrable error.

(ii) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Credit Parties to do so) and (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04(c)(j) relating to the maintenance of a Participant Register, in either case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent demonstrable error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (c)(ii).

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by a Credit Party to a Governmental Authority pursuant to this Section 5.03, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax, with respect to payments made under this Agreement or any Loan Document shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.03(e)(i)(A), (i)(B) and (i)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 (or any successor thereto) certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income Tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of the applicable IRS Form W-8 (or any successor thereto) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the interest article of such Tax treaty and (y) with respect to any other applicable payments under any Loan Document, the applicable IRS Form W-8 (or any successor thereto) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the business profits or other income article of such Tax treaty;

(2) executed originals of IRS Form W-8ECI (or any successor thereto);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Sections 881(c) or 871(h) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender (or, in the event that such Foreign Lender is a Disregarded Entity, the Person that is treated for U.S. federal income tax purposes as being the sole owner of such Lender) is not a bank within the meaning of Section 881(c)(3)(A) of the Code, a 10 percent shareholder of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a controlled foreign corporation described in Section 881(c)(3)(C) of the Code (a U.S. Tax Compliance Certificate) and (y) executed originals of the applicable IRS Form W-8 (or any successor thereto); or

(4) to the extent that a Foreign Lender (or, in the event that the Foreign Lender is a Disregarded Entity, the Person that is treated for U.S. federal income tax purposes as being the sole owner of such Foreign Lender) is a partnership (for U.S. federal income tax purposes) or otherwise not a beneficial owner (e.g., where such Foreign Lender is a participating Lender), IRS Form W-8IMY (or any successor thereto) and all required supporting documentation from each beneficial owner that would be required under this Section 5.03(e) if such beneficial owner were a Lender, as applicable, including (i) where the Foreign Lender is a participating Lender and one or more of the underlying beneficial owners is claiming the benefits of the portfolio interest exemption, a U.S. Tax Compliance Certificate of each such beneficial owner substantially in the form of Exhibit I-2 or Exhibit I-3, and (ii) where the Foreign Lender is a partnership (for U.S. federal income tax purposes) and not a participating Lender, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 provided by the Foreign Lender on behalf of each such direct or indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under

this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) If a payment made to a Lender hereunder or under any other Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable, or those under an intergovernmental agreement entered into in connection with the implementation of Sections 1471 through 1474 of the Code), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.03(e)(ii)(D), FATCA shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Tax Refunds. If any party determines, in its commercially reasonable discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 5.03 (including by the payment of additional amounts pursuant to this Section 5.03), it shall promptly pay over to such indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 5.03 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such party, upon the request of such indemnified party, shall repay the amount paid pursuant to this paragraph (f) (plus any penalties, interest, or other charges imposed by the relevant Governmental Authority) in the event such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 5.03 shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Each party's obligations under this Section 5.03 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

(h) For purposes of this Section 5.03, the term Lender includes the Issuing Bank and the term applicable law includes FATCA.

Section 5.04 Mitigation Obligations: Replacement of Lenders.

(a) Designation of Different Lending Office. If any Lender requests compensation under Section 5.01, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 5.01 or Section 5.03, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender (i) requests compensation under Section 5.01, (ii) requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, (iii) asserts an illegality under Section 5.05, (iv) is a Defaulting Lender, or (v) has not approved a proposed waiver, consent or amendment which has been approved by the Majority Lenders, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 12.04(a)), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) solely with respect to a replacement under clause (iv) above, the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 5.01, for payments required to be made pursuant to Section 5.03 or an illegality under Section 5.05, such assignment will result in a reduction in such compensation or payments or avoid the illegality.

Section 5.05 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its applicable lending office to honor its obligation to make or maintain Eurodollar Loans either generally or having a particular Interest Period hereunder, then (a) such Lender shall promptly notify the Borrower and the Administrative Agent thereof and such Lender's obligation to make such Eurodollar Loans shall be suspended (the Affected Loans ) until such time as such Lender notifies the Borrower and the Administrative Agent that it may again make and maintain such Eurodollar Loans (which notice shall be given promptly after such Lender is able to lawfully make and maintain Eurodollar Loans) and (b) all Affected Loans which would otherwise be made by such Lender shall be made instead as ABR Loans (and, if such Lender so requests by notice to the Borrower and the Administrative Agent, all Affected Loans of such Lender then outstanding shall be automatically converted into ABR Loans on the last day of the then current Interest Period for such Affected Loan) and, to the extent that Affected Loans are so made as (or converted into) ABR Loans, all payments of principal which would otherwise be applied to such Lender's Affected Loans shall be applied instead to its ABR Loans.

## ARTICLE VI

### CONDITIONS PRECEDENT

Section 6.01 Conditions to the Effectiveness of this Agreement. The effectiveness of this Agreement (the date of such effectiveness, the Signing Date ) is subject to the condition precedent that the Administrative Agent shall have received from each party hereto counterparts (in such number as may be requested by the Administrative Agent) of this Agreement signed on behalf of such party.

Section 6.02 Conditions of Initial Credit Extension. The obligations of the Lenders to make Loans and of the Issuing Bank to issue Letters of Credit hereunder shall not become effective until the date on which each of the following conditions is satisfied (or waived in accordance with Section 12.02):

- (a) The Administrative Agent, the Arranger and the Lenders shall have received all commitment, facility and agency fees and all other fees and amounts due and payable on or prior to the Closing Date, including, (A) for the account of each Term Loan Lender an upfront fee, which shall accrue at the rate of 0.125% of each Term Loan Lender's Applicable Term Loan Percentage of the aggregate Term Loan Commitments and (B) to the extent invoiced at least one Business Day prior to the Closing Date, reimbursement or payment of all out-of-pocket expenses required to be reimbursed or paid by the Borrower hereunder (including, without limitation, to the extent invoiced at least one Business Day prior to the Closing Date the fees and expenses of counsel to the Administrative Agent).
- (b) The Administrative Agent shall have received a certificate of the Secretary or an Assistant Secretary of the Borrower and each Guarantor setting forth (i) resolutions of its board of directors with respect to the authorization of the Borrower or such Guarantor to execute and deliver the Loan Documents to which it is a party and to enter into the transactions contemplated in those documents, (ii) the officers of the Borrower or such Guarantor (y) who are authorized to sign the Loan Documents to which the Borrower or such Guarantor is a party and (z) who will, until replaced by another officer or officers duly authorized for that purpose, act as its representative for the purposes of signing documents and giving notices and other communications in connection with this Agreement and the transactions contemplated hereby, (iii) specimen signatures of such authorized officers, and (iv) the Organizational Documents of the Borrower and such Guarantor, certified as being true and complete. The Administrative Agent and the Lenders may conclusively rely on such certificate until the Administrative Agent receives notice in writing from the Borrower to the contrary.
- (c) The Administrative Agent shall have received certificates of the appropriate State agencies (i.e., of each of the States in which the Borrower or applicable Guarantor, as the case may be, is organized) with respect to the existence, qualification and good standing of the Borrower and each Guarantor.
- (d) The Administrative Agent shall have received a compliance certificate which shall be substantially in the form of Exhibit D, duly and properly executed by a Responsible Officer and dated as of the Closing Date.
- (e) The Signing Date shall have occurred.

(f) The Administrative Agent shall have received from each party thereto duly executed counterparts (in such number as may be requested by the Administrative Agent) of the Security Instruments, including the Guaranty and Collateral Agreement and the other Security Instruments described on Exhibit E-1. In connection with the execution and delivery of the Security Instruments, the Administrative Agent shall:

(i) be reasonably satisfied that the Security Instruments create first priority, perfected Liens (provided that Liens which are permitted by the terms of Section 9.03 to attach to the Mortgaged Properties may exist and have whatever priority such Liens have at such time under applicable law) on at least 70% of the total value of the Oil and Gas Properties evaluated in the Initial Reserve Reports; provided that in no event shall Kodiak, Holdco (US) or any of their Subsidiaries be required to grant a Lien hereunder to secure amounts in excess of the maximum amount which Kodiak, Holdco (US) and any of their Subsidiaries may secure without violation of the Kodiak Indentures; and

(ii) have received certificates, together with undated, blank stock powers for each such certificate, representing all of the issued and outstanding Equity Interests of each of the Subsidiary Guarantors (excluding, for the avoidance of doubt, any such certificates representing the issued and outstanding Equity Interests of Kodiak and its Subsidiaries to the extent such pledge is not permitted by the Kodiak Senior Notes).

(g) The Administrative Agent shall have received an opinion of (i) Bruce R. DeBoer, General Counsel to the Parent Guarantor and the Borrower, (ii) Foley & Lardner LLP, special New York counsel to the Parent Guarantor and the Borrower and (iii) local counsel in each of the following states: Texas, Oklahoma and North Dakota in each case in a form reasonably acceptable to the Administrative Agent.

(h) The Administrative Agent shall have received a certificate of insurance coverage of the Borrower evidencing that the Borrower is carrying insurance in accordance with Section 7.12.

(i) The Administrative Agent shall have received title information as the Administrative Agent may reasonably require satisfactory to the Administrative Agent setting forth the status of title to at least 65% of the total value of the Oil and Gas Properties evaluated in the Initial Reserve Report.

(j) The Administrative Agent shall have received a certificate of a Responsible Officer certifying that the Credit Parties have received all consents and approvals required by Section 7.03.

(k) The Administrative Agent shall have received the financial statements referred to in Section 7.04(a) and the Initial Reserve Reports accompanied by a Reserve Report Certificate.

(l) The Administrative Agent shall have received appropriate UCC search certificates reflecting no prior Liens encumbering the Properties of the Parent Guarantor and the Credit Parties for each of the following jurisdictions: Delaware, Colorado and any other jurisdiction requested by the Administrative Agent; other than those being assigned or released on or prior to the Closing Date or Liens permitted by Section 9.03.

(m) The Existing Kodiak Credit Agreement shall have been (or contemporaneously shall be) repaid and terminated and all Liens related thereto shall be fully released.

(n) The Administrative Agent shall have received such other documents as the Administrative Agent or special counsel to the Administrative Agent may reasonably request.

(o) The Acquisition shall have been consummated in all material respects pursuant to the PSA, substantially concurrently with the initial funding of the Revolving Facility on the Closing Date, and no provision thereof shall have been amended or waived, and no consent shall have been given thereunder, in any manner materially adverse to the interests of the Arranger or the Lenders, without the prior written consent of the Arranger (such consent not to be

unreasonably withheld, conditioned or delayed).

- (p) The Administrative Agent shall have received a customary certificate from an officer of the Parent Guarantor, that the Parent Guarantor has provided a true and correct copy of the PSA to the Administrative Agent.
- (q) The Company Representations and Specified Representations shall be true and correct in all material respects.
- (r) The Administrative Agent shall have received a Borrowing Request in accordance with Section 2.03 or a request for a Letter of Credit in accordance with Section 2.08(b), as applicable.

The Administrative Agent shall notify the Borrower and the Lenders promptly of the occurrence of the Closing Date, and such notice shall be conclusive and binding. Notwithstanding the foregoing, the obligations of the Lenders to make Loans and of the Issuing Bank to issue Letters of Credit hereunder shall not become effective unless each of the foregoing conditions is satisfied (or waived pursuant to Section 12.02) at or prior to 2:00 p.m., New York City time, on the date that is 180 days after July 13, 2014 (or such other date as the Arranger, the Administrative Agent and the Borrower agree in writing); provided, however, that such deadline shall be automatically extended for a period not to exceed 60 days to the extent necessary to satisfy the condition set forth in Section 5.1(h) of the PSA (and, in the event such conditions are not so satisfied or waived, the Commitments shall terminate at such time).

Notwithstanding anything herein to the contrary, (i) to the extent any Lien on any assets of Kodiak and its Affiliates is not or cannot be provided on the Closing Date as a result of the failure to obtain the requisite consent from the noteholders under the Kodiak Senior Notes, then the provision of such Lien shall not constitute a condition precedent to the availability of the Facilities on the Closing Date, and (ii) the failure to perfect any Lien required by this Agreement on assets of Kodiak or any of its Affiliates to secure the Secured Obligations on or prior to the Closing Date after the Borrower's use of commercially reasonable efforts to take such actions as are necessary to do so shall not impair the availability of the Facilities on the Closing Date (unless perfection thereof may be accomplished by the filing of a financing statement under the UCC), but such Liens (to the extent required under the Loan Documents and permitted under the Kodiak Senior Notes) shall be perfected within 30 days after the Closing Date (or such longer period as the Administrative Agent may approve in its discretion) pursuant to arrangements to be mutually agreed between the Borrower and the Administrative Agent.

Section 6.03 Each Credit Event. The obligation of each Lender to make a Loan on the occasion of any Borrowing (other than the initial funding), and of the Issuing Bank to issue, amend (to increase the amount or extend the term), renew or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

- (a) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Default or Event of Default shall have occurred and be continuing.
- (b) The representations and warranties of the Borrower and the Guarantors set forth in this Agreement and in the other Loan Documents (excluding during any Investment Grade Rating Period the representations and warranties that by their terms are not deemed made or re-made during an Investment Grade Rating Period) shall be true and correct in all material respects (without duplication of any materiality qualifiers) on and as of the date of such Borrowing or the date of issuance, amendment,

renewal or extension of such Letter of Credit, as applicable, except to the extent any such representations and warranties are expressly limited to an earlier date, in which case, on and as of the date of such Borrowing or the date of issuance, amendment, renewal or extension of such Letter of Credit, as applicable, such representations and warranties shall continue to be true and correct as of such specified earlier date.

(c) The receipt by the Administrative Agent of a Borrowing Request in accordance with Section 2.03 or a request for a Letter of Credit in accordance with Section 2.08(b), as applicable.

Each request for a Borrowing and each request for the issuance, amendment, renewal or extension of any Letter of Credit shall be deemed to constitute a representation and warranty by the Parent Guarantor and the Borrower on the date thereof as to the matters specified in Section 6.03(a) through (c).

## ARTICLE VII

### REPRESENTATIONS AND WARRANTIES

The Parent Guarantor and the Borrower represent and warrant to the Lenders that on the date of each Loan, issuance, amendment (to increase the amount or extend the term), renewal or extension of any Letter of Credit (it being understood, however, that solely the Company Representations and the Specified Representations shall be made with respect to Kodiak and its Subsidiaries on the Closing Date).

Section 7.01 Organization; Powers. Each Credit Party is validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority, and has all material governmental licenses, authorizations, consents and approvals necessary, to own its assets and to carry on its business as now conducted, and is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required, except where failure to have such power, authority, licenses, authorizations, consents, approvals and qualifications could not reasonably be expected to have a Material Adverse Effect.

Section 7.02 Authority; Enforceability. The Transactions are within the Borrower's and each Guarantor's corporate powers and have been duly authorized by all necessary corporate and, if required, stockholder action (including, without limitation, any action required to be taken by any class of directors of the Parent Guarantor or any other Person, whether interested or disinterested, in order to ensure the due authorization of the Transactions). Each Loan Document to which the Borrower and each Guarantor is a party has been duly executed and delivered by the Borrower and such Guarantor and constitutes a legal, valid and binding obligation of the Borrower and such Guarantor, as applicable, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 7.03 Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority or any other third Person (including shareholders or any class of directors, whether interested or disinterested, of the Parent Guarantor or any other Person), nor is any such consent, approval, registration, filing or other action necessary for the validity or enforceability of any Loan Document or the consummation of the transactions contemplated thereby, except such as have been obtained or made and are in full force and effect other than (i) the recording and filing of the Security Instruments as required by this Agreement, (ii) those third party approvals or consents which, if not made or obtained, would not cause a Default hereunder or could not reasonably be expected to have a Material Adverse Effect, (iii) the filing of any required document with the SEC and (iv) such consents, approvals, registrations, filings and actions as may be necessary in connection with the grant of Liens on any Properties that are under the jurisdiction of

the Bureau of Indian Affairs, any tribal authority or any similar Governmental Authority or third Person, (b) will not violate any applicable law or regulation or the Organizational Documents of the Parent Guarantor or any other Credit Party or any order of any Governmental Authority which violation would reasonable be expected to have a Material Adverse Effect and (c) will not violate or result in a default under any indenture, agreement or other instrument evidencing Material Indebtedness binding upon the Parent Guarantor or any other Credit Party or its Properties or result in the creation or imposition of any Lien on any Property of the Parent Guarantor or any other Credit Party (other than the Liens created by the Loan Documents), except to the extent such violation, default or Lien under this clause (c) could not reasonably be expected to result in a Material Adverse Effect.

Section 7.04 Financial Condition: No Material Adverse Effect.

(a) The Parent Guarantor has heretofore furnished to the Lenders (i) its consolidated balance sheet and related statements of income, stockholders equity and comprehensive income, and cash flows as of and for the fiscal year ended December 31, 2013 and reported on by Deloitte & Touche LLP, independent public accountants and (ii) its unaudited consolidated balance sheet and related statements of income, stockholders equity and comprehensive income, and cash flows as of and for the fiscal quarter ended June 30, 2014. Section 7.06 Environmental Matters. Except for such matters as set forth on Schedule 7.06 or that, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect:

(a) the Parent Guarantor and the Credit Parties and each of their respective Properties and operations thereon are, and within all applicable statute of limitation periods have been, in compliance with all applicable Environmental Laws.

(b) the Parent Guarantor and the Credit Parties have obtained all Environmental Permits required for their respective operations and each of their Properties, with all such Environmental Permits being currently in full force and effect, and no Responsible Officer of any Credit Party has received any written notice or otherwise has knowledge that any such existing Environmental Permit will be revoked or that any application for any new Environmental Permit or renewal of any existing Environmental Permit will be protested or denied.

(g) there has been no exposure of any Person or Property to any Hazardous Materials as a result of or in connection with the operations and businesses of any Credit Party's Properties that could reasonably be expected to form the basis for a claim for damages or compensation.

The charges, accruals and reserves on the books of the Parent Guarantor and its Subsidiaries in respect of Taxes and other governmental charges are, in the reasonable opinion of the Parent Guarantor, adequate in all material respects. No Tax Lien has been filed and, to the knowledge of the Parent Guarantor, no claim is being asserted with respect to any such Tax or other such governmental charge which could reasonably be expected to have a Material Adverse Effect.

Section 7.10 ERISA. Except to the extent noncompliance could not reasonably be expected to have a Material Adverse Effect:

(a) Each Credit Party and each ERISA Affiliate have complied in all material respects with ERISA and, where applicable, the Code regarding each Plan.

(b) Each Plan is, and has been, established and maintained in substantial compliance with its terms, ERISA and, where applicable, the Code.

Section 8.13 Additional Collateral: Additional Guarantors.

(a) Except during an Investment Grade Rating Period, in connection with each redetermination of the Borrowing Base, the Parent Guarantor shall review the Reserve Report and the list of current Mortgaged Properties (as described in Section 8.11(c)(vi)) to ascertain whether the Mortgaged Properties satisfy the Collateral Coverage Requirement.

(b) In the event that the Mortgaged Properties do not satisfy the Collateral Coverage Requirement, then the Parent Guarantor shall, and shall cause its Restricted Subsidiaries to, grant, within thirty (30) days of delivery of the certificate required under Section 8.11(c), to the Administrative Agent as security for the Secured Obligations a first-priority Lien interest (provided that Liens which are permitted by the terms of Section 9.03 to attach to the Mortgaged Properties may exist and have whatever priority such Liens have at such time under applicable law) on additional Oil and Gas Properties not already subject to a Lien of the Security Instruments such that after giving effect thereto, the Mortgaged Properties will satisfy the Collateral Coverage Requirement. All such Liens will be created and perfected by and in accordance with the provisions of deeds of trust, security agreements and financing statements or other Security Instruments, all in form and substance reasonably satisfactory to the Administrative Agent and in sufficient executed (and acknowledged where necessary or appropriate) counterparts for recording purposes. If required in order to comply with the foregoing, in the event any Restricted Subsidiary places a Lien on its Oil and Gas Properties to secure Debt for borrowed money and such Subsidiary is not a Guarantor, then it shall become a Guarantor and comply with Section 8.13(c). Notwithstanding the foregoing, the Parent Guarantor and the Borrower shall not be obligated to cause Kodiak and its Affiliates to grant Liens to secure the Secured Obligations in an amount in excess of the maximum amount of the Secured Obligations which Kodiak and its Affiliates may secure without violation of the Kodiak Indentures.

(c) Except during an Investment Grade Rating Period, if (i) the Parent Guarantor shall form or acquire a Material Domestic Subsidiary or otherwise determines that any Restricted Subsidiary is a Material Domestic Subsidiary, (ii) the Parent Guarantor elects to have a Domestic Subsidiary (or any Foreign Subsidiary that is a Disregarded Entity) guarantee the Secured Obligations or (iii) a Domestic Subsidiary incurs or guarantees any Debt for borrowed money in an amount that exceeds \$100,000,000, then the Parent Guarantor shall promptly cause such Subsidiary to guarantee the Secured Obligations pursuant to the Guaranty and Collateral Agreement; provided that Excluded Subsidiaries shall not be required to become Guarantors and no Equity Interests in any Excluded Subsidiary shall be required to be pledged. In connection with any such guaranty, the Parent Guarantor shall, or shall cause the relevant Credit Party, if applicable, to, (A) execute and deliver a supplement to the Guaranty and Collateral Agreement executed by such Subsidiary, (B) pledge all of the Equity Interests of such new Domestic Subsidiary (including, without limitation, delivery of original stock certificates, if any,

evidencing the Equity Interests of such Subsidiary, together with an appropriate undated stock power for each certificate duly executed in blank by the registered owner thereof) and (C) execute and deliver such other additional closing documents, certificates and legal opinions as shall reasonably be requested by the Administrative Agent. Notwithstanding the foregoing, the Parent Guarantor and the Borrower shall not be obligated (i) to cause Kodiak and its Affiliates to guarantee the Facilities in an amount in excess of the maximum amount which Kodiak and its Affiliates may guarantee without violation of the Kodiak Indentures or (ii) to pledge the stock of Kodiak and its Affiliates to secure amounts in excess of the maximum amount which Kodiak and its Affiliates may secure without violation of the Kodiak Indentures.

(d) Except during an Investment Grade Rating Period, in the event that the Parent Guarantor or any Domestic Subsidiary becomes the owner of a Foreign Subsidiary which would qualify as a Material Domestic Subsidiary if it were a Domestic Subsidiary, then the Parent Guarantor shall promptly, or shall cause such Domestic Subsidiary to promptly, guarantee the Secured Obligations pursuant to the Guaranty and Collateral Agreement; provided that Excluded Subsidiaries shall not be required to become Guarantors and no Equity Interests in any Excluded Subsidiary shall be required to be pledged. In connection with any such guaranty, the Parent Guarantor shall, or shall cause such Domestic Subsidiary to, (i) execute and deliver a supplement to the Guaranty and Collateral Agreement, (ii) pledge sixty six and two-thirds percent (66-2/3%) of all the Equity Interests of such Foreign Subsidiary (including, without limitation, delivery of original stock certificates evidencing such Equity Interests of such Foreign Subsidiary, if any, together with appropriate stock powers for each certificate duly executed in blank by the registered owner thereof) and (iii) execute and deliver such other additional closing documents, certificates and legal opinions as shall reasonably be requested by the Administrative Agent. Notwithstanding the foregoing, the Parent Guarantor and the Borrower shall not be obligated to pledge the stock of Kodiak and its Affiliates to secure amounts in excess of the maximum amount which Kodiak and its Affiliates may secure without violation of the Kodiak Indentures.

(e) Subject to any applicable limitations set forth in the Security Instruments, the Parent Guarantor will, within sixty (60) days of the end of any Investment Grade Rating Period (or such longer period as the Administrative Agent may agree), execute and cause its Restricted Subsidiaries to execute such Security Instruments as are necessary such that after giving effect thereto the Credit Parties are in compliance with the foregoing provisions of this Section 8.13.

Section 8.14 ERISA Compliance. The Parent Guarantor will promptly furnish and will cause the Subsidiaries and any ERISA Affiliate to promptly furnish to the Administrative Agent, upon its request, copies of each annual and other material report with respect to each Plan or any trust created thereunder as filed with the United States Secretary of Labor or the Internal Revenue Service.

Section 8.15 Swap Agreements. While the Revolving Facility is subject to a Borrowing Base, the Parent Guarantor shall, and shall require all Subsidiaries to maintain the hedged positions established pursuant to Swap Agreements used to calculate the then effective Borrowing Base and shall, and shall require its Subsidiaries to, neither assign, terminate or unwind any such Swap Agreements nor sell any Swap Agreements if the effect of such action (when taken together with any other Swap Agreements executed contemporaneously with the taking of such action) would have the effect of canceling its positions under such Swap Agreements; provided that notwithstanding the foregoing, the Borrower may, and may permit its Subsidiaries to, assign, terminate or unwind Swap Agreements with the effect of canceling its position if it provides not less than two (2) Business Days prior written notice of such intent to the Administrative Agent, and concurrently with such notice the Required Revolving Lenders shall have the right to adjust the Borrowing Base in accordance with Section 2.07(f).

Section 8.16 [Reserved].

Section 8.17 Unrestricted Subsidiaries. The Parent Guarantor:

- (a) will cause the management, business and affairs of each of the Credit Parties to be conducted in such a manner (including, without limitation, by keeping separate books of account, furnishing separate financial statements of Unrestricted Subsidiaries to creditors and potential creditors thereof and by not permitting Properties of the Credit Parties to be commingled) so that each Unrestricted Subsidiary that is a corporation will be treated as a corporate entity separate and distinct from each Credit Party.
- (b) will not, and will not permit any of the Restricted Subsidiaries to, incur, assume, guarantee or be or become liable for any Debt of any of the Unrestricted Subsidiaries.
- (c) will not permit any Unrestricted Subsidiary to hold any Equity Interest in, or any Debt of, any Credit Party.

Section 8.18 Keepwell. The Parent Guarantor will, and will cause the Borrower and each Guarantor to, provide such funds or other support as may be needed from time to time by the Borrower or any Guarantor, as applicable, to honor all of its obligations under this Agreement and any other Loan Document in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 8.18 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 8.18, or otherwise under this Agreement or any other Loan Document, as it relates to the Borrower, any Restricted Subsidiary or any Guarantor, as applicable, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of the Borrower and each Guarantor under this Section 8.18 shall remain in full force and effect until the Commitments have expired or terminated and the principal of and interest on each Loan and all fees payable hereunder and all other amounts payable under the Loan Documents have been paid in full and all Letters of Credit have expired or terminated (or been collateralized in accordance with this Agreement) and all LC Disbursements shall have been reimbursed. The Borrower intends that this Section 8.18 constitute, and this Section 8.18 shall be deemed to constitute, a keepwell, support, or other agreement for the benefit the Borrower and any Guarantor, as applicable, for all purposes of section 1a(18)(A)(v)(II) of the Commodity Exchange Act. For the avoidance of doubt, the provision of such funds or other support as contemplated by this Section 8.18 shall in no event constitute Debt or Secured Obligations and, notwithstanding anything to the contrary in this Agreement or any other Loan Document, is in all respects permitted hereunder and thereunder.

Section 9.12 Environmental Matters. The Parent Guarantor will not, and will not permit any Credit Party to, cause or permit any of its Property to be in violation of, or do anything or permit anything to be done which will subject any such Property to a Release or threatened Release of Hazardous Materials, exposure to any Hazardous Materials, or to any Remedial Work under any Environmental Laws, assuming disclosure to the applicable Governmental Authority of all relevant facts, conditions and circumstances, if any, pertaining to such Property where such violations, Release or threatened Release, exposure, or Remedial Work could reasonably be expected to have a Material Adverse Effect.

The Parent Guarantor will not, and will not permit any Credit Party to, enter into any material transaction, including, without limitation, any purchase, sale, lease or exchange of Property or the rendering of any service, with any Affiliate (other than the Borrower, the Guarantors, Wholly-Owned Subsidiaries of the Parent Guarantor and any other Credit Party) unless such transactions are otherwise permitted under this Agreement and are upon fair and reasonable terms no less favorable to it than it would obtain in a comparable arm's length transaction with a Person not an Affiliate, as determined by the board of directors or managers of the Parent Guarantor or such Credit Party in good faith; provided that the foregoing shall not apply to (a) any Restricted Payment permitted by Section 9.04, Debt permitted by Section 9.02, or Investments permitted by Section 9.05, (b) the payment of reasonable and customary directors' fees and other benefits to Persons who are not otherwise Affiliates of any Credit Party, (c) any employment or severance or other employee compensation, benefit, arrangement or plan or any amendment thereto, entered into by any Credit Party in the ordinary course of business, (d) provision of officers' and directors' indemnification and insurance in the ordinary course of business to the extent permitted by law, (e) transactions with the Trusts and transactions contemplated by the Trust Agreements, (f) purchases of transportation services from Transpetco Pipeline Company LP, and (g) reorganizations of the Credit Parties consummated for the purpose of reducing tax obligations of the Parent Guarantor and its Subsidiaries, so long as the aggregate value of assets owned by the Parent Guarantor and its Domestic Subsidiaries is not materially decreased as a result thereof.

Section 9.14 Subsidiaries. The Parent Guarantor will not, and will not permit any Credit Party to, create or acquire any additional Restricted Subsidiary unless the Parent Guarantor complies, if necessary, with Section 8.13(b) and Section 8.13(c).

Section 9.15 Negative Pledge Agreements; Dividend Restrictions. Except during an Investment Grade Rating Period, the Parent Guarantor will not, and will not permit any Credit Party that is a Domestic Subsidiary to, create, incur, assume or suffer to exist any contract, agreement or understanding (other than this Agreement, the Security Instruments, the Existing Senior Notes or Liens permitted by Section 9.03(b), Section 9.03(d) or Section 9.03(x) but such restriction shall apply only to the Property subject of such Liens) which in any way prohibits or restricts the granting, conveying, creation or imposition of any Lien on any of its Property in favor of the Administrative Agent and the Lenders or restricts any Restricted Subsidiary from paying dividends or making distributions to the Borrower or any Guarantor, except for:

- (a) any financial covenant in any agreement evidencing Debt permitted hereunder.
- (b) any agreement (i) in effect on the date hereof and set forth on Schedule 9.15 or (ii) in effect at the time any Subsidiary becomes a Subsidiary of the Parent Guarantor, so long as such agreement was not entered into solely in contemplation of such Person becoming a Subsidiary of the Parent Guarantor.
- (c) any Contractual Obligation incurred or provided in favor of any holder of obligations secured by a Lien permitted under Section 9.03 solely to the extent any such Contractual Obligation relates to (i) the property subject to such Lien, (ii) the agreement giving rise to such Contractual Obligation, but only to the extent, and for so long as, such Contractual Obligation is not terminated or rendered ineffective by the UCC or any other applicable law, and/or (iii) the proceeds of the foregoing.
- (d) customary provisions in joint venture agreements and other similar agreements applicable to joint ventures and applicable solely to such joint venture entered into in the ordinary course of business.
- (e) customary restrictions in leases, subleases, licenses or asset or equity sale agreements otherwise permitted hereunder so long as such restrictions relate solely to the assets, equity or entities subject thereto.

- (g) restrictions on cash or other deposits imposed in connection with contracts with customers entered into in the ordinary course of business and not otherwise prohibited hereunder.
- (h) customary net worth provisions contained in real property leases entered into in the ordinary course of business, so long as Parent Guarantor has determined in good faith that such net worth provisions would not reasonably be expected to impair the ability of the Credit Parties to meet their ongoing obligations.
- (i) agreements and instruments governing Debt permitted under Section 9.02(m) so long as the Parent Guarantor shall have determined in good faith (which determination shall be conclusive) that the applicable restrictions will not affect the ability of the Credit Parties to make any payments required under, or otherwise perform their respective obligations under, the Loan Documents.
- (j) any amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing of any contract, instrument or obligation referred to above,

provided that the same, in the good faith judgment of the Parent Guarantor, is no more restrictive in any material respect, taken as a whole, with respect to the Contractual Obligations that are the subject of this Section 9.15 than those contained in the existing contract, instrument or obligation prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

Section 9.16 Swap Agreements. The Parent Guarantor will not, and will not permit any Credit Party to, enter into any Swap Agreements with any Person other than:

(a) Swap Agreements in respect of commodities (i) with an Approved Counterparty and (ii) the notional volumes (when aggregated with other commodity Swap Agreements then in effect other than basis differential swaps on volumes already hedged pursuant to other Swap Agreements) do not exceed, as of the date such Swap Agreement is executed or at any time during the term of this Agreement (for a period of ten (10) Business Days after any relevant event which results in anticipated production being less than the percentage limitation set forth below), the percentage set forth below of the Credit Parties' anticipated production of crude oil and natural gas from total proved Oil and Gas Properties (as reflected in the most recently delivered Reserve Report then delivered to the Administrative Agent or any interim reserve engineering delivered to the Administrative Agent) for each month during the period during which such Swap Agreement is in effect, for each of crude oil and natural gas, calculated separately:

Calendar Year Hedged (relative to measurement date)	Percentage Limitation	
	Oil	Gas
Months 1-24	80%	80%
Months 25-48	70%	70%
Months 49-60	60%	60%

No Swap Agreement in respect of commodities shall have a tenor of longer than 5 years. For purposes of the foregoing volume limitations, (i) floors and puts shall be disregarded and (ii) notional volumes in respect of commodities hedging for production from Oil and Gas Properties for which a net profits interest has been conveyed to a Trust shall be disregarded.

(b) In addition to, and notwithstanding the provisions of Section 9.16(a), if the Borrower has delivered to the Administrative Agent a full executed and complete copy of a purchase and sale agreement (in form and substance reasonably satisfactory to the Administrative Agent) evidencing a proposed acquisition (a subject acquisition) by the Borrower or a Restricted Subsidiary, then the Borrower may enter into Swap Agreements in respect of commodities (i) with an Approved Counterparty and (ii) so long as the notional volumes (when aggregated with other commodity Swap Agreements then in effect related to the subject acquisition other than basis differential swaps on volumes already hedged pursuant to other Swap Agreements) do not exceed, as of the date such Swap Agreement is executed, the lesser of (A) 100% of the Credit Parties' anticipated production of crude oil and natural gas, calculated separately, from proved, producing Oil and Gas Properties (as reflected in the most recently delivered Reserve Report then delivered to the Administrative Agent or any interim reserve engineering delivered to the Administrative Agent) for each month during the period during which such Swap Agreement is in effect for each of crude oil and natural gas, calculated separately, and (B) the volume limitations which would otherwise be in effect under Section 9.16(a) after giving *pro forma* effect to the subject acquisition; provided that (1) upon consummation of such subject acquisition, the Credit Parties shall be in compliance with Section 9.16(a) and (2) in the event such subject acquisition does not close (or any material portion of such subject acquisition is not closed), the Credit Parties shall as soon as reasonably practicable, but in any event within forty-five (45) days of the termination or cancellation of the applicable purchase and sale agreement or subject acquisition, unwind or terminate all or such portion of such Swap Agreements so that the Credit Parties are compliant with Section 9.16(a).

(c) Swap Agreements in respect of interest rates entered into with an Approved Counterparty, as follows: (i) Swap Agreements effectively converting interest rates from fixed to floating, the notional amounts of which (when aggregated with all other Swap Agreements of the Parent Guarantor and the Credit Parties then in effect effectively converting interest rates from fixed to floating) do not exceed 50% of the then outstanding principal amount of any Credit Party's Debt for borrowed money which bears interest at a fixed rate and (ii) Swap Agreements effectively converting interest rates from floating to fixed, the notional amounts of which (when aggregated with all other Swap Agreements of the Parent Guarantor and the Credit Parties then in effect effectively converting interest rates from floating to fixed) do not exceed 75% of the then outstanding principal amount of any Credit Party's Debt for borrowed money which bears interest at a floating rate.

(d) In no event shall any Swap Agreement contain any requirement, agreement or covenant for the Parent Guarantor or any other Credit Party to post collateral or margin to secure their obligations under such Swap Agreement or to cover market exposures.

(e) Notwithstanding the foregoing, the Parent Guarantor and any Subsidiary may enter into Swap Agreements in respect of crude oil or natural gas that are puts or floors, provided that such puts and floors are independent and are not matched with a ceiling or call (i.e., costless collars or participating structures).

**Section 9.17 Designation and Conversion of Restricted and Unrestricted Subsidiaries; Debt of Unrestricted Subsidiaries.**

(a) Unless designated as an Unrestricted Subsidiary on Schedule 7.14 as of the date hereof or thereafter, subject to Section 9.17(b), any Person that becomes a Wholly Owned Subsidiary of the Parent Guarantor or any of its Restricted Subsidiaries shall be classified as a Restricted Subsidiary.

(b) The Parent Guarantor may designate by written notification thereof to the Administrative Agent, any Restricted Subsidiary, including a newly formed or newly acquired Subsidiary, as an Unrestricted Subsidiary if (i) prior, and after giving effect, to such designation, neither a Default nor a Borrowing Base Deficiency would exist and (ii) such designation is deemed to be an Investment in an Unrestricted Subsidiary in an amount equal to the fair market value as of the date of such designation of the Parent Guarantor's direct and indirect ownership interest in such Subsidiary and such Investment would be permitted to be made at the time of such designation under Section 9.05. Except as provided in this Section 9.17(b), no Restricted Subsidiary may be redesignated as an Unrestricted Subsidiary. The Borrower may not be designated as an Unrestricted Subsidiary.

(c) The Parent Guarantor may designate any Unrestricted Subsidiary to be a Restricted Subsidiary if immediately after giving effect to such designation: (i) the representations and warranties of the Credit Parties contained in each of the Loan Documents are true and correct in all material respects on and as of such date as if made on and as of the date of such redesignation (or, if stated to have been made expressly as of an earlier date, were true and correct as of such date), (ii) no Default exists or would result therefrom and (iii) the Parent Guarantor complies with the requirements of Section 8.13 and Section 8.17. Any such designation shall be treated as a cash dividend in an amount equal to the lesser of the fair market value of the Credit Party's direct and indirect ownership interest in such Subsidiary or the amount of such Credit Party's cost basis of its investment previously made for purposes of the limitation on Investments under Section 9.05(s).

(d) No Unrestricted Subsidiary shall have any Debt other than Non-Recourse Debt.

Section 9.18 Use of Proceeds. The Borrower will not request any Borrowing or Letter of Credit, and the Borrower shall not use, and shall procure that its Subsidiaries and its or their respective directors, officers, employees and agents shall not use, the proceeds of any Borrowing or Letter of Credit (a) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (b) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, or (c) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

Section 10.02 Remedies.

(a) In the case of an Event of Default other than one described in Section 10.01(h), Section 10.01(i) or Section 10.01(j) at any time thereafter during the continuance of such Event of Default, the Majority Lenders may, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Notes and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and the other obligations of the Borrower and the Guarantors accrued hereunder and under the Notes and the other Loan Documents then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower and the Guarantors accrued hereunder and under the Notes and the other Loan Documents (including, without limitation, the payment of cash collateral to secure the LC Exposure as provided in Section 2.08(i)), shall become due and payable immediately, without presentment, demand, protest, notice of intent to accelerate, notice of acceleration or other notice of any kind, all of which are hereby waived by the Borrower and each Guarantor; and in case of an Event of Default described in Section 10.01(h), Section 10.01(i) or Section 10.01(j), the Commitments shall automatically terminate and the Notes and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and the other obligations of the Borrower and the Guarantors accrued hereunder and under the Notes and the other Loan Documents (including, without limitation, the payment of cash collateral to secure the LC Exposure as provided in Section 2.08(i)), shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and each Guarantor.

Notwithstanding the foregoing, amounts received from the Borrower or any Credit Party that is not an eligible contract participant under the Commodity Exchange Act shall not be applied to any Excluded Swap Obligations (it being understood, that in the event that any amount is applied to Secured Obligations other than Excluded Swap Obligations as a result of this clause, the Administrative Agent shall make such adjustments as it determines are appropriate to distributions pursuant to clause fourth above from amounts received from eligible contract participants under the Commodity Exchange Act to ensure, as nearly as possible, that the proportional aggregate recoveries with respect to Secured Obligations described in clause fourth above by the holders of any Excluded Swap Obligations are the same as the proportional aggregate recoveries with respect to other Secured Obligations pursuant to clause fourth above).

Section 10.03 Clean-up Period. If, during the five-day period following the Closing Date (the Cleanup Period), a matter or circumstance exists with respect to Kodiak or any of its Affiliates that constitutes a breach of the representations and warranties or a breach of the covenants or a potential or actual Event of Default, such matter or circumstance will not constitute a Default or an Event of Default; provided that (i) such matter or circumstance does not constitute a Major Default or Default or Event of Default incapable of being cured, (ii) reasonable steps are being taken to cure such matter or circumstances and (iii) such potential or actual event of default is cured or otherwise ceases to exist within the Clean-up Period.

## ARTICLE XI

### THE AGENTS

Section 11.01 Appointment; Powers. Each of the Lenders and the Issuing Bank hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto.

Section 11.02 Duties and Obligations of Administrative Agent. The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (the use of the term agent herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; rather, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties), (b) the Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except as provided in *Section 11.03*, and (c) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Guarantor or any other Credit Party that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and shall not be

responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or under any other Loan Document or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article VI or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or as to those conditions precedent expressly required to be to the Administrative Agent's satisfaction, (vi) the existence, value, perfection or priority of any collateral security or the financial or other condition of the Parent Guarantor and the Credit Parties or any other obligor or guarantor, or (vii) any failure by the Borrower or any other Person (other than itself) to perform any of its obligations hereunder or under any other Loan Document or the performance or observance of any covenants, agreements or other terms or conditions set forth herein or therein. For purposes of determining compliance with the conditions specified in Article VI, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received written notice from such Lender prior to the proposed closing date specifying its objection thereto.

**Section 11.03 Action by Administrative Agent.** The Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Majority Lenders, the Majority Revolving Lenders, the Majority Term Loan Lenders or the Required Revolving Lenders or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02; and in all cases the Administrative Agent shall be fully justified *vis-à-vis* the Lenders in failing or refusing to act hereunder or under any other Loan Documents unless it shall (a) receive written instructions from the Majority Lenders, the Majority Revolving Lenders, the Majority Term Loan Lenders, the Required Revolving Lenders or the Lenders, as applicable (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) specifying the action to be taken and (b) be indemnified to its satisfaction by the Lenders against any and all liability and expenses which may be incurred by it by reason of taking or continuing to take any such action. The instructions as aforesaid and any action taken or failure to act pursuant thereto by the Administrative Agent shall be binding on all of the Lenders. If a Default has occurred and is continuing, then the Administrative Agent shall take such action with respect to such Default as shall be directed by the requisite Lenders in the written instructions (with indemnities) described in this Section 11.03, provided that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders. In no event, however, shall the Administrative Agent be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to this Agreement, the other Loan Documents or applicable law. If a Default has occurred and is continuing, neither the Syndication Agents nor the Documentation Agents shall have any obligation to perform any act in respect thereof. The Administrative Agent shall not be liable *vis-à-vis* the Lenders for any action taken or not taken by it with the consent or at the request of the Majority Lenders, the Majority Revolving Lenders, the Majority Term Loan Lenders, the Required Revolving Lenders or the Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02), and otherwise the Administrative Agent shall not be liable for any action taken or not taken by it hereunder or under any other Loan Document or under any other document or instrument referred to or provided for herein or therein or in connection herewith or therewith INCLUDING ITS OWN ORDINARY NEGLIGENCE, except for its own gross negligence, bad faith, breach of contract or willful misconduct.

Section 11.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing reasonably believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to be made by the proper Person, and shall not incur any liability for relying thereon, except in the case of gross negligence, bad faith, breach of contract or willful misconduct by the Administrative Agent. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in good faith in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof permitted hereunder shall have been filed with the Administrative Agent.

Section 11.05 Subagents. The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding Sections of this Article XI shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 11.06 Resignation or Removal of Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this Section 11.06, the Administrative Agent may resign at any time by giving the Lenders, the Issuing Bank and the Borrower at least 30 days prior written notice, and, with the consent of the Parent Guarantor not to be unreasonably withheld (except that no such consent shall be necessary during the continuance of a Default or Event of Default), the Administrative Agent may be removed at any time with or without cause by the Majority Lenders. Upon any such resignation or removal, the Majority Lenders shall have the right, in consultation and with the consent of the Borrower, to appoint a successor. If no successor shall have been so appointed by the Majority Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation or removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Bank, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article XI and Section 12.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Section 11.07 Agents as Lenders. Each bank serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Parent Guarantor or any other Credit Party or other Affiliate thereof as if it were not an Agent hereunder.

Section 11.08 No Reliance. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, any other Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and each other Loan Document to which it is a party. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any other Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder. The Agents shall not be required to keep themselves informed as to the performance or observance by the Parent Guarantor or any other Credit Party of this Agreement, the Loan Documents or any other document referred to or provided for herein or to inspect the Properties or books of any Credit Party. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by the Administrative Agent hereunder, no Agent or the Arranger shall have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of the Parent Guarantor or any other Credit Party (or any of their Affiliates) which may come into the possession of such Agent or any of its Affiliates. In this regard, each Lender acknowledges that Simpson Thacher & Bartlett LLP is acting in this transaction as special counsel to the Administrative Agent only, except to the extent otherwise expressly stated in any legal opinion or any Loan Document. Each other party hereto will consult with its own legal counsel at its own cost.

Section 11.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Parent Guarantor or any other Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 12.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 12.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 11.10 Authority of Administrative Agent to Release Collateral, Liens and Subsidiaries. Each Lender and the Issuing Bank hereby authorizes the Administrative Agent to, and the Administrative Agent shall promptly after the Borrower's request therefor, (a) release any collateral that is subject to a Sale permitted hereunder or otherwise entitled to be released pursuant to the terms of the Loan Documents, including, without limitation, upon the Parent Guarantor's election to commence an Investment Grade Rating Period subject to the requirements of Section 12.14; (b) release any Subsidiary of the Parent Guarantor from its Secured Obligations if such Subsidiary ceases (or contemporaneously with such release will cease) to be a Subsidiary of the Parent Guarantor as the result of a transaction or series of related transactions permitted under this Agreement or is otherwise entitled to be released pursuant to the terms of the Loan Documents, including, without limitation, upon the Parent Guarantor's election to release Subsidiary Guarantors during an Investment Grade Rating Period as contemplated by Section 12.14; and (c) execute and deliver to the Borrower, at the Borrower's sole cost and expense, any and all releases of Liens, termination statements, assignments or other documents reasonably requested by the Borrower in connection with any of the foregoing. Without limiting the foregoing, the Liens under the Loan Documents on Properties subject to Sales permitted hereunder from time to time shall automatically be released upon such Sales without the necessity of any further action by any party.

Section 11.11 The Arranger, the Syndication Agents and the Documentation Agents. The Arranger, each of the Syndication Agents and each of the Documentation Agents shall have no duties, responsibilities or liabilities under this Agreement and the other Loan Documents other than their duties, responsibilities and liabilities in their capacity as Lenders hereunder.

The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

Section 12.02 Waivers; Amendments.

(a) No failure on the part of the Administrative Agent, any other Agent, the Issuing Bank or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege, or any abandonment or discontinuance of steps to enforce such right, power or privilege, under any of the Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any of the Loan Documents preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the Administrative Agent, any other Agent, the Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Credit Party therefrom shall in any event be effective unless the same shall be permitted by Section 12.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any other Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof nor any Security Instrument nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Parent Guarantor, the Borrower and the Majority Lenders or by the Parent Guarantor, the Borrower and the Administrative Agent with the consent of the Majority Lenders; provided that no such agreement shall (1) increase the Commitment, the Maximum Revolving Credit Amount or the Maximum Term Loan Amount of any Lender without the written consent of such Lender, (2) at any time while the Revolving Facility is subject to a Borrowing Base, increase the Borrowing Base without the written consent of each Revolving Lender, decrease or affirm at the existing amount the Borrowing Base without the consent of the Required Revolving Lenders, or modify Section 2.07 in any manner without the consent of each Revolving Lender; provided that a Scheduled Redetermination may be postponed by the Required Revolving Lenders, (3) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon (other than any waiver or amendment with respect to the application of a higher rate of interest under Section 3.02(c)), or reduce any fees payable hereunder, or reduce any other Secured Obligations hereunder or under any other Loan Document, without the written consent of each Lender to which such principal, interest, fees or Secured Obligations are payable, (4) postpone the scheduled date of payment or prepayment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or any other Secured Obligations hereunder or under any other Loan Document, or reduce the amount of, waive or excuse any such payment, without the written consent of each Lender or a party to a Swap Agreement secured by the Security Instruments which is not a Lender (or an Affiliate of a Lender) at the time of such agreement to which such principal, interest, fees or Secured Obligations are payable, it being understood that this clause (4) shall not apply to waivers, amendments or consents with respect to the mandatory prepayment provisions in Section 3.04(c) or Section 3.04(d) or provisions relating thereto, (5) postpone or

extend the Term Loan Maturity Date without the prior written consent of each Lender to which such postponement or extension applies, (6) change any provision of this Agreement in any manner that would alter the *pro rata* sharing of payments required hereby, without the written consent of each Lender directly affected thereby, (7) waive or amend Section 6.02, Section 8.13 or Section 12.13 without the written consent of each Lender, (8) change any of the provisions of this Section 12.02(b) or the definitions of Required Revolving Lenders , Majority Revolving Lenders , Majority Term Loan Lenders or Majority Lenders or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or under any other Loan Documents or make any determination or grant any consent hereunder or any other Loan Documents, without the written consent of each Lender directly affected thereby, (9) amend or otherwise modify any Security Instrument in a manner that results in the Secured Obligations owed to any Person under any Swap Agreement secured by such Security Instrument no longer being secured thereby, without the written consent of such Person (excluding, for the avoidance of doubt, any termination or release of Collateral during an Investment Grade Rating Period and any documentation to effectuate any such termination or release); provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any other Agent, or the Issuing Bank hereunder or under any other Loan Document without the prior written consent of the Administrative Agent, such other Agent or the Issuing Bank, as the case may be, or (10) other than in accordance with the terms of the Loan Documents, release any Credit Party or release any Guarantor (except as set forth in the Guaranty and Collateral Agreement) or release all or a substantial portion of the Collateral without the written consent of all Lenders. Notwithstanding the foregoing, so long as each designation of an Unrestricted Subsidiary set forth therein complies with this Agreement, any supplement to Schedule 7.14 (Subsidiaries) shall be effective simply by delivering to the Administrative Agent a supplemental schedule clearly marked as such and, upon receipt, the Administrative Agent will promptly deliver a copy thereof to the Lenders.

(c) Notwithstanding the foregoing, any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency so long as, in each case, the Lenders shall have received at least five Business Days prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Majority Lenders stating that the Majority Lenders object to such amendment.

(d) Notwithstanding any provision herein to the contrary, as to any amendment, amendment and restatement or other modifications otherwise approved in accordance with this Section, it shall not be necessary to obtain the consent or approval of any Lender that, upon giving effect to such amendment, amendment and restatement or other modification, would have no Commitment or outstanding Loans so long as such Lender receives payment in full of the principal of and interest accrued on each Loan made by, and all other amounts owing to, such Lender or accrued for the account of such Lender under this Agreement and the other Loan Documents at the time such amendment, amendment and restatement or other modification becomes effective.

Section 12.03 Expenses, Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Arranger and their Affiliates, including, without limitation, the reasonable fees, charges and disbursements of counsel and other outside consultants for the Administrative Agent, the reasonable travel, photocopy, mailing, courier, telephone and other similar expenses, and the cost of environmental invasive and non-invasive assessments and audits and surveys and appraisals, in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration (both before and after the execution hereof and including advice of

counsel to the Administrative Agent as to the rights and duties of the Administrative Agent and the Lenders with respect thereto) of this Agreement and the other Loan Documents and any amendments, modifications or waivers of or consents related to the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), it being understood that the Arranger and the Administrative Agent (and their Affiliates) shall be limited to a single primary counsel and no more than one local counsel in each jurisdiction in which a Credit Party or Collateral is located, (ii) all costs, expenses, Taxes, assessments and other charges incurred by any Agent or any Lender in connection with any filing, registration, recording or perfection of any security interest contemplated by this Agreement or any Security Instrument or any other document referred to therein, (iii) all reasonable out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iv) all out-of-pocket expenses incurred by the Administrative Agent (and its Affiliates) and the Lenders, including the fees, charges and disbursements counsel, it being understood that collectively, the Administrative Agent (and its Affiliates) and the Lenders shall be limited to a single primary counsel (unless there is a conflict of interest among the Administrative Agent and the Lenders, defenses or claims exist with respect the Administrative Agent or a Lender that are not available to either the Administrative Agent or other Lender or the Borrower otherwise agrees in writing) and no more than one local counsel in each jurisdiction in which a Credit Party or collateral is located or a remedy pursued, in connection with the enforcement or protection of its and the Lenders' rights in connection with this Agreement or any other Loan Document or in connection with the Loans made or Letters of Credit issued hereunder, including, without limitation, all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) THE BORROWER SHALL INDEMNIFY EACH AGENT, THE ARRANGER, THE ISSUING BANK AND EACH LENDER, AND EACH RELATED PARTY OF ANY OF THE FOREGOING PERSONS (EACH SUCH PERSON BEING CALLED AN INDEMNITEE ) AGAINST, AND DEFEND AND HOLD EACH INDEMNITEE HARMLESS FROM, ANY AND ALL LOSSES, CLAIMS, DAMAGES, PENALTIES, LIABILITIES AND RELATED EXPENSES, INCLUDING THE FEES, CHARGES AND DISBURSEMENTS OF ANY COUNSEL FOR ANY INDEMNITEE, INCURRED BY ANY INDEMNITEE ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF (i) THE EXECUTION (INCLUDING ANY CLAIM, LITIGATION OR PROCEEDING INITIATED BY THE PARENT GUARANTOR, THE BORROWER, OR ANY OF THEIR AFFILIATES) OR DELIVERY OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE PERFORMANCE BY THE PARTIES HERETO OR THE PARTIES TO ANY OTHER LOAN DOCUMENT OF THEIR RESPECTIVE OBLIGATIONS HEREUNDER OR THEREUNDER OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED HEREBY OR BY ANY OTHER LOAN DOCUMENT, (ii) THE FAILURE OF THE PARENT GUARANTOR OR ANY OTHER CREDIT PARTY TO COMPLY WITH THE TERMS OF ANY LOAN DOCUMENT, INCLUDING THIS AGREEMENT, OR WITH ANY GOVERNMENTAL REQUIREMENT, (iii) ANY INACCURACY OF ANY REPRESENTATION OR ANY BREACH OF ANY WARRANTY OR COVENANT OF THE BORROWER OR ANY GUARANTOR SET FORTH IN ANY OF THE LOAN DOCUMENTS OR ANY INSTRUMENTS, DOCUMENTS OR CERTIFICATIONS DELIVERED IN CONNECTION THEREWITH, (iv) ANY LOAN OR LETTER OF CREDIT OR THE USE OF THE PROCEEDS THEREFROM, (v) THE OPERATIONS OF THE BUSINESS OF THE PARENT GUARANTOR AND THE CREDIT PARTIES BY THE PARENT GUARANTOR AND THE CREDIT PARTIES, (vi) ANY ASSERTION THAT THE LENDERS WERE NOT ENTITLED TO RECEIVE THE PROCEEDS RECEIVED PURSUANT TO THE SECURITY INSTRUMENTS, (vii) ANY ENVIRONMENTAL LAW APPLICABLE TO THE PARENT GUARANTOR OR ANY OTHER CREDIT PARTY OR ANY OF THEIR PROPERTIES OR OPERATIONS, INCLUDING, THE PRESENCE, GENERATION, STORAGE, RELEASE, THREATENED RELEASE, USE,

- (D) the assignee, if (prior to such assignment) it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.
- (iii) Subject to Section 12.04(b)(iv) and the acceptance and recording thereof, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 5.01, Section 5.02, Section 5.03 and Section 12.03 as to events occurring within the stated timeframes and prior to such assignment). Any assignment or transfer that does not comply with this Section 12.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.04(c); provided that any assignment or transfer by a Lender of rights or obligations under this Agreement to a Defaulting Lender, an Affiliate thereof or a Disqualified Institution, shall be null and void.
- (iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the DQ List ) on IntraLinks or another similar electronic system, including that portion of IntraLinks or such other similar electronic system that is designated for public side Lenders and/or (B) provide the DQ List to each Lender requesting the same.
- (v) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Maximum Revolving Credit Amount or the Maximum Term Loan Amount of, and principal amount of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the Register ). The entries in the Register shall be conclusive (absent demonstrable error), and the Borrower, the Administrative Agent, the Issuing Bank and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice. In connection with any changes to the Register, if necessary, the Administrative Agent will reflect the revisions on Annex I and forward a copy of such revised Annex I to the Borrower, the Issuing Bank and each Lender.
- (vi) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in

---

Section 12.04(b) and any written consent to such assignment required by Section 12.04(b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 12.04(b).

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or the Issuing Bank, sell participations to one or more banks or other entities (other than any Defaulting Lender or Affiliate thereof or any Disqualified Institution) (a Participant ) in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the proviso to Section 12.03 that affects such Participant. In addition such agreement must provide that the Participant be bound by the provisions of Section 12.03. Subject to Section 12.04(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of Section 5.01 and Section 5.03 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.04(a). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the Participant Register); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(ii) A Participant shall not be entitled to (A) receive any greater payment under Section 5.01 or Section 5.03 than the applicable Lender is entitled to receive or (B) any rights (or exercise thereof) under Section 5.04(b) that the applicable Lender would not have been entitled to under Section 5.04(b), in each case, with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. Any demand for payment by a Participant of an amount under Section 5.01 or Section 5.03 in respect of any event or circumstance in excess of the amount demanded in accordance with such Section by the applicable Lender in respect thereof shall be null and void.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including, without limitation, any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section 12.04(d) shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding any other provisions of this Section 12.04, no transfer or assignment of the interests or obligations of any Lender or any grant of participations therein shall be permitted if such transfer, assignment or grant would require the Borrower and the Guarantors to file a registration statement with the SEC or to qualify the Loans under the Blue Sky laws of any state.

(f) Any seller of a participation hereunder shall be entitled to rely conclusively on a representation of the Participant in the relevant participation agreement that such purchaser is not a Disqualified Institution, provided that (i) such Participant is not then identified on the list of Disqualified Institutions contemplated by clause (a) or clause (b) of the definition of Disqualified Institutions and (ii) such reliance by such seller of a participation is in good faith and reasonable under the circumstances existing at the time of sale of the participation, including any facts known to or reasonably knowable by the seller of the participation at such time. The Administrative Agent shall not have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions.

(g) The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (i) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (ii) have any liability with respect to or arising out of any assignment or participation, or disclosure of confidential information, to any Disqualified Institution. The Borrower shall indemnify the Administrative Agent against any and all actual losses, claims, damages, liabilities and related expenses incurred by it arising out of any assignment or participation or disclosure of confidential information to a Disqualified Institution in violation of this Section 12.04.

Section 12.05 Survival; Revival; Reinstatement.

(a) All covenants, agreements, representations and warranties made by any Credit Party herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any other Agent, the Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding (unless cash collateralized) and so long as the Commitments have not expired or terminated. The provisions of Section 5.01, Section 5.02, Section 5.03 and Section 12.03 and Article XI shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

(b) To the extent that any payments on the Secured Obligations or proceeds of any collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any bankruptcy law, common law or equitable cause, then to such extent, the Secured Obligations so satisfied shall be revived and continue as if such payment or proceeds had not been received and the Administrative Agent's and the Lenders' Liens, security interests, rights, powers and remedies under this Agreement and each Loan Document shall continue in full force and effect. In such event, each Loan Document shall be automatically reinstated and each Credit Party shall take such action as may be reasonably requested by the Administrative Agent and the Lenders to effect such reinstatement.

Section 12.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

(b) This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. **THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES HERETO AND THERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

(c) This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or pdf shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07 Severability. Any provision of this Agreement or any other Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, but excluding any deposits held in any trustee, agency, fiduciary or other capacity for the benefit of one or more third parties) at any time held and other obligations (of whatsoever kind, including, without limitations obligations under Swap Agreements) at any time owing by such Lender to or for the credit or the account of the Parent Guarantor or any other Credit Party against any of and all the obligations of the Parent Guarantor or any other Credit Party owed to such Lender now or hereafter existing under this Agreement or any other Loan Document, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations may be unmatured. The rights of each Lender under this Section 12.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. Any Person that exercises a right of setoff under this Section shall provide the Borrower prompt written notice thereof, it being understood that the failure to do so shall not impair the effectiveness of any such setoff in accordance with this Section.

Section 12.09 GOVERNING LAW; JURISDICTION; CONSENT TO SERVICE OF PROCESS.

(a) **THIS AGREEMENT AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK; PROVIDED THAT (i) THE DETERMINATION OF THE ACCURACY OF ANY COMPANY REPRESENTATIONS AND WHETHER AS A RESULT OF ANY INACCURACY THEREOF THE PARENT GUARANTOR HAS THE RIGHT TO TERMINATE ITS OBLIGATIONS UNDER THE PSA**

Section 12.10 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.11 Confidentiality. Each of the Administrative Agent, the Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential) or to any credit insurance provider relating to the Borrower and its obligations under the Loan Documents, (b) to the extent requested by any regulatory authority (and in connection therewith, to the extent permitted by applicable law or such regulatory authority, the disclosing Person agrees to inform the Parent Guarantor of such disclosure or pending disclosure), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (and in connection therewith, to the extent permitted by applicable law or such legal process, the disclosing Person agrees to inform the Parent Guarantor of such disclosure or pending disclosure), (d) to any other party to this Agreement or any other Loan Document, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement for the benefit of the Credit Parties containing provisions substantially the same as those of this Section 12.11, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Agreement relating to any Credit Party and its obligations; provided that no such disclosure shall be made to any Person that is a Disqualified Institution, (g) with the consent of the Borrower or (h) to the extent the disclosing party proves that such Information (i) had become publicly available other than as a result of a breach of this Section 12.11 or (ii) had become available to the Administrative Agent, the Issuing Bank or any Lender on a nonconfidential basis from a source other than the Parent Guarantor or any Credit Party; provided that such source was not bound by a confidentiality agreement with the Parent Guarantor or any Credit Party known to the Administrative Agent, the Issuing Bank or the Lender, as applicable. For the purposes of this Section 12.11, Information means all information received from the Parent Guarantor or any other Credit Party relating to the Parent Guarantor, Kodiak and its Subsidiaries and Affiliates or any other Credit Party and their businesses. Any Person required to maintain the confidentiality of Information as provided in this Section 12.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

**Section 12.12 Interest Rate Limitation.** It is the intention of the parties hereto that each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby would be usurious as to any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in any of the Loan Documents or any agreement entered into in connection with or as security for the Notes, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Lender that is contracted for, taken, reserved, charged or received by such Lender under any of the Loan Documents or agreements or otherwise in connection with the Notes shall under no circumstances exceed the maximum amount allowed by such applicable law, and any excess shall be canceled automatically and if theretofore paid shall be credited by such Lender on the principal amount of the Secured Obligations (or, to the extent that the principal amount of the Secured Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower); and (ii) in the event that the maturity of the Notes is accelerated by reason of an election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Lender as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Lender on the principal amount of the Secured Obligations (or, to the extent that the principal amount of the Secured Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower). All sums paid or agreed to be paid to any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Lender, be amortized, prorated, allocated and spread throughout the stated term of the Loans evidenced by the Notes until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (i) the amount of interest payable to any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Lender pursuant to this Section 12.12 and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Lender would be less than the amount of interest payable to such Lender computed at the Highest Lawful Rate applicable to such Lender, then the amount of interest payable to such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Lender until the total amount of interest payable to such Lender shall equal the total amount of interest which would have been payable to such Lender if the total amount of interest had been computed without giving effect to this Section 12.12.

**Section 12.13 Collateral Matters; Swap Agreements.** The benefit of the Security Instruments and of the provisions of this Agreement relating to any collateral securing the Secured Obligations shall also extend to and be available on a pro rata basis to any Person under any Swap Agreement between the Parent Guarantor, the Borrower or any other Credit Party and such Person if either (i) at the time such Swap Agreement was entered into, such Person was a Lender or Affiliate of a Lender hereunder or (ii) such Swap Agreement was in effect on the Closing Date and such Person or its Affiliate was a Lender on the Closing Date, in each case, after giving effect to all netting arrangements relating to such Swap Agreements. No Lender in its capacity as a party to a Swap Agreement that obtains the benefits of the remedies and application of proceeds provisions contained in any Loan Document by virtue of the provisions hereof shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of the Loan Documents to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, obligations or other liabilities arising under Swap Agreements.

Section 12.14 Investment Grade Election. At any time after an Investment Grade Rating Event the Parent Guarantor may provide written notice to the Administrative Agent of its election to commence an Investment Grade Rating Period, which notice (a) may specify, in the Parent Guarantor's discretion, that it applies only to the provision of Collateral (including application of the Borrowing Base and related requirements), but not the provision of Subsidiary guarantees (in the absence of such a specification, such a notice shall be deemed to apply to all of the Security Requirements), and (b) shall contain a certification of a Financial Officer of the Parent Guarantor that no Default or Event of Default has occurred and is continuing (excluding, for the avoidance of doubt, any Default or Event of Default under one or more of the provisions that would cease to apply as a result of such election, provided that such Default or Event of Default did not exist prior to the transaction or series of related transactions resulting in the change in ratings to which such election relates). Upon receipt of any such notice by the Administrative Agent, such Investment Grade Rating Period will commence and the Borrower and the Guarantors shall cease to be subject to the Security Requirements to which such notice relates. For the avoidance of doubt, the Parent Guarantor's delivery of such a notice relating to only a portion of the Security Requirements shall not impair the Parent Guarantor's right to deliver a subsequent notice in accordance with this Section with the effect of causing the remainder of the Security Requirements to cease to apply as well. Notwithstanding any provision of this Agreement or any other Loan Document to the contrary, in the event an Investment Grade Rating Period shall terminate, no event, circumstance or transaction arising or occurring during such Investment Grade Rating Period shall be deemed to conflict with, or cause a Default or Event of Default in respect of, any of the representations, warranties or covenants that did not apply during such Investment Grade Rating Period.

Section 12.15 No Third Party Beneficiaries. This Agreement and the other Loan Documents, and the agreement of the Lenders to make Loans and the Issuing Bank to issue, amend, renew or extend Letters of Credit hereunder, are solely for the benefit of the Parent Guarantor, the Borrower and the other Credit Parties, and no other Person (including, without limitation, any obligor, contractor, subcontractor, supplier or materialsman) shall have any rights, claims, remedies or privileges hereunder or under any other Loan Document against the Administrative Agent, any other Agent, the Issuing Bank or any Lender for any reason whatsoever. There are no third party beneficiaries.

Section 12.16 USA Patriot Act Notice. Each Lender hereby notifies the Parent Guarantor and the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the Act), it is required to obtain, verify and record information that identifies the Parent Guarantor and the Borrower, which information includes the name and address of the Parent Guarantor and the Borrower and other information that will allow such Lender to identify the Parent Guarantor and the Borrower in accordance with the Act.

Section 12.17 Flood Insurance Provisions. Notwithstanding any provision in this Agreement or any other Loan Document to the contrary, in no event is any Building (as defined in the applicable Flood Insurance Regulation) or Manufactured (Mobile) Home (as defined in the applicable Flood Insurance Regulation) included in the definition of Mortgaged Properties (as defined herein or in any other Loan Document) and no Building or Manufactured (Mobile) Home is hereby encumbered by this Agreement or any other Loan Document. As used herein, Flood Insurance Regulations means (a) the National Flood Insurance Act of 1968 as now or hereafter in effect or any successor statute thereto, (b) the Flood Disaster Protection Act of 1973 as now or hereafter in effect or any successor statute thereto, (c) the National Flood Insurance Reform Act of 1994 (amending 42 USC 4001, et seq.), as the same may be amended or recodified from time to time and (d) the Flood Insurance Reform Act of 2004 and any regulations promulgated thereunder.

Section 12.18 Exiting Lender. Simultaneously with the amendment and restatement of the Existing Whiting Credit Agreement on the Closing Date under Section 2.01(c), RB International Finance (USA) LLC (formerly known as RZB Finance LLC) (the Exiting Lender ) shall be deemed to have irrevocably sold and assigned ratably to the Revolving Lenders (the Assignees ), and the Assignees shall be deemed to have irrevocably purchased and assumed from the Exiting Lender, all of the Exiting Lender's rights and obligations in its capacity as a lender under the Existing Whiting Credit Agreement and any other documents or instruments delivered pursuant thereto with respect to the Exiting Lender's Maximum Revolving Credit Amount, Revolving Commitment, Revolving Loans and LC Disbursements owing to such Exiting Lender. Such sales, assignments, purchases and assumptions shall be deemed to have been effected by way of, and subject to the terms and conditions of, an Assignment and Assumption attached as Exhibit F to this Agreement without the payment of any related assignment fee, and, except for replacement Notes to be provided to the Assignees in the appropriate principal amounts (to the extent the Assignees request to receive such Notes), no other documents or instruments shall be, or shall be required to be, executed in connection with such sales, assignments, purchases and assumptions (all of which are hereby waived). The Exiting Lender and the Assignees shall make such cash settlements among themselves, through the Administrative Agent, as the Administrative Agent may direct (after giving effect to any netting effected by the Administrative Agent) with respect to such sales, assignments, purchases and assumptions.

### GUARANTEE

Section 2.01 Guarantee.

(a) Each of the Guarantors hereby jointly and severally, unconditionally and irrevocably, guarantees to the Guaranteed Creditors and each of their respective successors and permitted assigns, the prompt and complete payment in cash and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Borrower Obligations. This is a guarantee of payment and not collection and the liability of each Guarantor is primary and not secondary.

(b) Anything herein or in any other Guaranteed Document to the contrary notwithstanding, (i) the maximum liability of each Guarantor hereunder and under the other Guaranteed Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 2.02), and (ii) the maximum liability of each of Kodiak, Holdco (US) and their Subsidiaries hereunder and under the other Guaranteed Documents shall in no event exceed, as to each such Person, the maximum amount which such Person may guarantee without violation of the Kodiak Indentures.

(c) Each Guarantor agrees that the Borrower Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guarantee contained in this Article II or affecting the rights and remedies of any Guaranteed Creditor hereunder.

(d) Each Guarantor agrees that if the maturity of the Borrower Obligations is accelerated by bankruptcy or otherwise, such maturity shall also be deemed accelerated for the purpose of this guarantee. The guarantee contained in this Article II shall remain in full force and effect until all the Borrower Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, shall have been satisfied by payment in full in cash, no Letter of Credit shall be outstanding (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion) and all of the Commitments are terminated, notwithstanding that from time to time during the term of the Credit Agreement, Borrower Obligations might not be outstanding.

(e) No payment made by any Obligor, any other guarantor or any other Person or received or collected by any Guaranteed Creditor from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Borrower Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Borrower Obligations or any payment received or collected from such Guarantor in respect of the Borrower Obligations), remain liable for the Borrower Obligations up to the maximum liability of such Guarantor hereunder until the Borrower Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, are paid in full in cash, no Letter of Credit shall be outstanding (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion) and all of the Commitments are terminated.

Section 2.02 Right of Contribution. Subject to the limitations in Section 2.01(b) hereof, each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution also shall be subject to the terms and conditions of Section 2.03. Except as set forth in Section 2.01(b) hereof, the provisions of this Section 2.02 shall in no respect limit the obligations and liabilities of any Guarantor to the Guaranteed Creditors, and each Guarantor shall remain liable to the Guaranteed Creditors for the full amount guaranteed by such Guarantor hereunder.

Section 2.03 No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by any Guaranteed Creditor, no Guarantor shall be entitled to be subrogated to any of the rights of any Guaranteed Creditor against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by any Guaranteed Creditor for the payment of the Borrower Obligations, nor shall any Guarantor seek or be entitled to seek any indemnity, exoneration, participation, contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Guaranteed Creditors by the Borrower on account of the Borrower Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, are paid in full in cash, no Letter of Credit shall be outstanding (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion) and all of the Commitments are terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Borrower Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, shall not have been paid in full in cash, any Letter of Credit shall be outstanding (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion) or any of the Commitments are in effect, such amount shall be held by such Guarantor in trust for the Guaranteed Creditors, and shall, promptly upon receipt by such Guarantor, be turned over to the Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Administrative Agent, if required), to be applied against the Borrower Obligations, whether matured or unmatured, in accordance with Section 10.02(c) of the Credit Agreement.

No Guaranteed Creditor shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Borrower Obligations or for the guarantee contained in this Article II or any Property subject thereto.

Section 2.05 Waivers. Each Guarantor hereby waives any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by any Guaranteed Creditor upon the guarantee contained in this Article II or acceptance of the guarantee contained in this Article II; the Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Article II and no notice of creation of the Borrower Obligations or any extension of credit already or hereafter contracted by or extended to the Borrower need be given to any Guarantor; and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Guaranteed Creditors, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Article II. Except as otherwise provided in the Credit Agreement, each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Borrower Obligations.

Section 2.06 Guaranty Absolute and Unconditional.

(a) Each Guarantor understands and agrees that the guarantee contained in this Article II is, and shall be construed as, a continuing, completed, absolute and unconditional guarantee of payment, and each Guarantor hereby waives any defense of a surety or guarantor or any other obligor on any obligations (other than a defense of payment or performance) arising in connection with or in respect of any of the following and hereby agrees that its obligations hereunder shall not be discharged or otherwise affected as a result of, any of the following:

- (ii) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrower or any other Person against any Guaranteed Creditor;
  - (iii) the insolvency, bankruptcy arrangement, reorganization, adjustment, composition, liquidation, disability, dissolution or lack of power of the Borrower or any other Guarantor or any other Person at any time liable for the payment of all or part of the Obligations, including any discharge of, or bar or stay against collecting, any Obligation (or any part of them or interest therein) in or as a result of such proceeding;
  - (iv) any sale, lease or transfer of any or all of the assets of the Borrower or any other Guarantor, or any changes in the shareholders of the Borrower or any other Guarantor;

  - (ix) any other circumstance or act whatsoever, including any action or omission of the type described in Section 2.04 (with or without notice to or knowledge of the Borrower or such Guarantor), which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Borrower Obligations, or of such Guarantor under the guarantee contained in this Article II, in bankruptcy or in any other instance.
- (b) When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Guaranteed Creditor may, but shall be under no obligation to, join or make a similar demand on or otherwise pursue or exhaust such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Borrower Obligations or any right of offset with respect thereto, and any failure by any Guaranteed Creditor to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such

If applicable to any particular item of Collateral, each Pledgor further agrees, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at such Pledgor's premises or elsewhere. Any such sale or transfer by the Administrative Agent

either to itself or to any other Person shall be absolutely free from any claim of right by Pledgor, including any equity or right of redemption, stay or appraisal which Pledgor has or may have under any rule of law, regulation or statute now existing or hereafter adopted (and such Pledgor hereby waives any rights it may have in respect thereof). Upon any such sale or transfer, the Administrative Agent shall have the right to deliver, assign and transfer to the purchaser or transferee thereof the Collateral so sold or transferred. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.01, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Administrative Agent and the Guaranteed Creditors hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in accordance with Section 10.02(c) of the Credit Agreement, and only after such application and after the payment by the Administrative Agent of any other amount required in connection therewith by any provision of law, including, without limitation, Section 9-615 of the UCC, need the Administrative Agent account for the surplus, if any, to any Pledgor. To the extent permitted by applicable law, each Pledgor waives all claims, damages and demands it may acquire against the Administrative Agent or any Guaranteed Creditor arising out of the exercise by them of any rights. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition. For the avoidance of doubt, the remedies set forth in this Section 6.01(a) shall only be pursued during the continuance of an Event of Default.

(b) In the event that the Administrative Agent elects not to sell the Collateral in connection with the exercise of remedies pursuant to Section 6.01(a), the Administrative Agent retains its rights to dispose of or utilize the Collateral or any part or parts thereof in any manner authorized or permitted by law or in equity, and to apply the proceeds of the same towards payment of the Obligations. Each and every method of disposition of the Collateral described in this Agreement shall constitute disposition in a commercially reasonable manner.

(c) In furtherance of and in connection with this Section 6.01, the Administrative Agent may appoint any Person as agent to perform any act or acts necessary or incident to any sale or transfer of the Collateral.

#### Section 6.02 Pledged Securities.

(a) Unless an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given notice to the relevant Pledgor of the Administrative Agent's intent to exercise its corresponding rights pursuant to Section 6.01(a), each Pledgor shall be permitted to receive all cash dividends paid in respect of the Pledged Securities paid in the normal course of business of the relevant Issuer and to exercise all voting, consent and corporate, partnership or limited liability rights with respect to the Pledged Securities; provided, however, that no vote shall be cast, consent given or right exercised or other action taken by such Pledgor that would violate any provision of the Credit Agreement, this Agreement or any other Loan Document or, during an Event of Default, without the prior consent of the Administrative Agent, enable or permit any issuer of Pledged Securities to issue any Equity Interest or to issue any other securities convertible into or granting the right to purchase or exchange for any Equity Interest of any issuer of Pledged Securities other than as permitted by the Credit Agreement. During an Event of Default, any sums paid upon or in respect of any Pledged Securities upon the liquidation or dissolution of any issuer of any Pledged Securities, any distribution of capital made on or in respect of any Pledged Securities or any property distributed upon or with respect to any Pledged Securities pursuant to the recapitalization or reclassification of the capital of any issuer of Pledged Securities or pursuant to the reorganization thereof shall, unless otherwise subject to a perfected security interest in favor of the Administrative Agent, be delivered to the Administrative Agent to be held by it hereunder as

additional collateral security for the Obligations. If any sum of money or property so paid or distributed in respect of any Pledged Securities shall be received by such Pledgor, such Pledgor shall, until such money or property is paid or delivered to the Administrative Agent, hold such money or property in trust for the Administrative Agent, segregated from other funds of such Pledgor, as additional security for the Obligations.

(b) During the continuance of an Event of Default, upon notice by the Administrative Agent of its intent to exercise such rights to the relevant Pledgor or Pledgors, (i) the Administrative Agent shall have the right to receive any and all cash dividends, payments, Property or other Proceeds paid in respect of the Pledged Securities and make application thereof to the Borrower Obligations in accordance with Section 10.02(c) of the Credit Agreement, and (ii) any or all of the Pledged Securities shall be registered in the name of the Administrative Agent or its nominee, and (iii) the Administrative Agent or its nominee may exercise (A) all voting, consent, corporate, partnership or limited liability and other rights pertaining to such Pledged Securities at any meeting of shareholders, partners or members (or other equivalent body) of the relevant Issuer or Issuers or otherwise and (B) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Pledged Securities as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Pledged Securities upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the organizational structure of any Issuer, or upon the exercise by any Pledgor or the Administrative Agent of any right, privilege or option pertaining to such Pledged Securities, and in connection therewith, the right to deposit and deliver any and all of the Pledged Securities with any committee, depositary, transfer agent, registrar or other designated agency upon such terms and conditions as the Administrative Agent may determine), all without liability except to account for Property actually received by it, but the Administrative Agent shall have no duty to any Pledgor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(c) During the continuance of an Event of Default, until the payment in full in cash of the Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, and in order to permit the Administrative Agent to exercise the voting and other consensual rights that it may be entitled to exercise pursuant hereto and to receive all dividends and other distributions that it may be entitled to receive hereunder, (i) each Pledgor shall promptly execute and deliver (or cause to be executed and delivered) to the Administrative Agent all such proxies, dividend payment orders and other instruments as the Administrative Agent may from time to time reasonably request and (ii) without limiting the effect of clause (i) above, such Pledgor hereby grants to the Administrative Agent an irrevocable proxy to vote all or any part of the Pledged Securities and to exercise all other rights, powers, privileges and remedies to which a holder of the Pledged Securities would be entitled (including giving or withholding written consents of shareholders, partners or members, as the case may be, calling special meetings of shareholders, partners or members, as the case may be, and voting at such meetings), which proxy shall be effective, automatically and without the necessity of any action (including any transfer of any Pledged Securities on the record books of the Issuer thereof) by any other Person (including the Issuer of such Pledged Securities or any officer or agent thereof).

(d) Each Pledgor hereby authorizes and instructs each Issuer of any Pledged Securities pledged by such Pledgor hereunder to (i) comply with any instruction received by it from the Administrative Agent in writing (a copy of which instructions shall also be provided by the Administrative Agent to the relevant Pledgor) that (A) states that an Event of Default has occurred and is continuing and (B) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Pledgor, and each Pledgor agrees that each Issuer shall be fully protected in

so complying, and (ii) unless otherwise expressly permitted hereby, pay any dividends with respect to the Pledged Securities directly to the Administrative Agent, if requested by the Administrative Agent pursuant to the instruction above.

(e) Upon the occurrence and during the continuance of an Event of Default, if the Issuer of any Pledged Securities is the subject of bankruptcy, insolvency, receivership, custodianship or other proceedings under the supervision of any Governmental Authority, then all rights of the Pledgor in respect thereof to exercise the voting and other consensual rights which such Pledgor would otherwise be entitled to exercise with respect to the Pledged Securities issued by such Issuer shall cease, and all such rights shall thereupon become vested in the Administrative Agent who shall thereupon have the sole right to exercise such voting and other consensual rights, but the Administrative Agent shall have no duty to exercise any such voting or other consensual rights and shall not be responsible for any failure to do so or delay in so doing.

Section 6.03 Private Sales of Pledged Securities.

(a) Each Pledgor recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Securities, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise or may determine that a public sale is impracticable or not commercially reasonable and, accordingly, may resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Securities for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so. For the avoidance of doubt, the terms of Section 6.03(a) and (b) shall only apply during the continuance of an Event of Default.

(b) Each Pledgor agrees to use its best efforts to do or cause to be done all such other acts as may reasonably be necessary to make such sale or sales of all or any portion of the Pledged Securities pursuant to this Section 6.03 valid and binding and in compliance with any and all other applicable Governmental Requirements. Each Pledgor further agrees that a breach of any of the covenants contained in this Section 6.03 will cause irreparable injury to the Guaranteed Creditors, that the Guaranteed Creditors have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.03 shall be specifically enforceable against such Pledgor, and such Pledgor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred or is continuing under the Credit Agreement.

Section 6.04 Deficiency. Each Pledgor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the fees and disbursements of any attorneys employed by the Administrative Agent or any Guaranteed Creditor to collect such deficiency.

Section 6.05 Non-Judicial Enforcement. The Administrative Agent may enforce its rights hereunder without prior judicial process or judicial hearing, and to the extent permitted by law, each Pledgor expressly waives any and all legal rights which might otherwise require the Administrative Agent to enforce its rights by judicial process.

## ARTICLE XIX

### THE ADMINISTRATIVE AGENT

#### Section 7.01 Administrative Agent's Appointment as Attorney-in-Fact, Etc.

(a) Each Pledgor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Pledgor and in the name of such Pledgor or in its own name, exercisable during an Event of Default, for the purpose of carrying out the terms of this Agreement, to take any and all reasonably appropriate action and to execute any and all documents and instruments which may be reasonably necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Pledgor hereby gives the Administrative Agent the power and right, on behalf of such Pledgor, without assent by such Pledgor (but with notice provided to such Pledgor in each case) to do any or all of the following:

(i) unless being disputed in accordance with or as otherwise permitted by the Credit Agreement, pay or discharge Taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement or any other Loan Document and pay all or any part of the premiums therefor and the costs thereof;

(ii) execute, in connection with any sale provided for in Section 6.01 or Section 6.03, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(iii) (A) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; (B) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (C) in the name of such Pledgor or its own name, or otherwise, take possession of and indorse and collect any check, draft, note, acceptance or other instrument for the payment of moneys due with respect to any Collateral and commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (D) defend any suit, action or proceeding brought against such Pledgor with respect to any Collateral; (E) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Administrative Agent may deem appropriate; and (F) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and do, at the Administrative Agent's option and such Pledgor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems necessary to protect, preserve or realize upon the Collateral and the Administrative Agent's and the Guaranteed Creditors' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Pledgor might do.

Anything in this Section 7.01(a) to the contrary notwithstanding, the Administrative Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.01(a) unless an Event of Default shall have occurred and be continuing.

(b) During an Event of Default, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply on behalf of the relevant Obligor, or otherwise cause performance or compliance on behalf of the relevant Obligor, with such agreement.

(c) The expenses of the Administrative Agent incurred in connection with actions undertaken as provided in this Section 7.01, together with interest thereon at a rate per annum equal to the post-default rate specified in Section 3.02(c) of the Credit Agreement, but in no event to exceed the Highest Lawful Rate, from the date of the relevant Obligor's receipt of a written invoice in reasonable detail from the Administrative Agent to the date reimbursed by such Obligor, shall promptly be paid by such Obligor to the Administrative Agent.

(d) Each Obligor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof and in compliance herewith. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until the Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, are paid in full in cash.

Section 7.02 Duty of Administrative Agent. The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar Property for its own account and shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which comparable secured parties accord comparable collateral. Neither the Administrative Agent, any Guaranteed Creditor nor any of their Related Parties shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Pledgor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Administrative Agent and the Guaranteed Creditors hereunder are solely to protect the Administrative Agent's and the Guaranteed Creditors' interests in the Collateral and shall not impose any duty upon the Administrative Agent or any Guaranteed Creditor to exercise any such powers. The Administrative Agent and the Guaranteed Creditors shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their Related Parties shall be responsible to any Obligor for any act or failure to act hereunder, except for their own gross negligence, bad faith, breach of contract or willful misconduct. To the fullest extent permitted by applicable law, the Administrative Agent shall, except as specifically set forth in this Agreement and the other Loan Documents, be under no duty whatsoever to make or give any presentment, notice of dishonor, protest, demand for performance, notice of non-performance, notice of intent to accelerate, notice of acceleration, or other notice or demand in connection with any Collateral or the Obligations, or to take any steps necessary to preserve any rights against any Pledgor or other Person or ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not it has or is deemed to have knowledge of such matters. Each Obligor, to the extent permitted by applicable law, waives any right of marshaling in respect of any and all Collateral, and waives any right to require the Administrative Agent or any Guaranteed Creditor to proceed against any Obligor or other Person, exhaust any Collateral or enforce any other remedy which the Administrative Agent or any Guaranteed Creditor now has or may hereafter have against each Obligor, any Obligor or other Person.

Section 7.03 Filing of Financing Statements. Pursuant to the UCC and any other applicable law, each Pledgor authorizes the Administrative Agent to file or record financing statements and other filing or recording documents or instruments with respect to the Collateral in such form and in such offices as the Administrative Agent reasonably determines appropriate to perfect the security interests of the Administrative Agent under this Agreement. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

Section 7.04 Authority of Administrative Agent. Each Obligor acknowledges that the rights and responsibilities of the Administrative Agent under this Agreement with respect to any action taken by the Administrative Agent or the exercise or non-exercise by the Administrative Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Administrative Agent and the Guaranteed Creditors, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and the Obligors, the Administrative Agent shall be conclusively presumed to be acting as agent for the Guaranteed Creditors with full and valid authority so to act or refrain from acting, and no Obligor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

## ARTICLE XX

### SUBORDINATION OF INDEBTEDNESS

Section 8.01 Subordination of All Obligor Claims. As used herein, the term Obligor Claims shall mean all debts and obligations of the Borrower or any other Obligor to any other Obligor, whether such debts and obligations now exist or are hereafter incurred or arise, or whether the obligation of the debtor thereon be direct, contingent, primary, secondary, several, joint and several, or otherwise, and irrespective of whether such debts or obligations be evidenced by note, contract, open account, or otherwise, and irrespective of the Person or Persons in whose favor such debts or obligations may, at their inception, have been, or may hereafter be created, or the manner in which they have been or may hereafter be acquired by.

Section 8.02 Claims in Bankruptcy. In the event of receivership, bankruptcy, reorganization, arrangement, debtor relief, or other insolvency proceedings of any Obligor, the Administrative Agent on behalf of the Administrative Agent and the Guaranteed Creditors shall have the right to prove their claim in any proceeding, so as to establish their rights hereunder and receive directly from the receiver, trustee or other court custodian, dividends and payments which would otherwise be payable upon Obligor Claims. Effective upon the occurrence of an event described in the prior sentence, each Obligor hereby assigns such dividends and payments to the Administrative Agent for the benefit of the Administrative Agent and the Guaranteed Creditors for application against the Borrower Obligations as provided under Section 10.02(c) of the Credit Agreement. After the occurrence of an event described in the first sentence of this Section 8.02, should any Agent or Guaranteed Creditor receive, for application upon the Obligations, any such dividend or payment which is otherwise payable to any Obligor, and which, as between such Obligors, shall constitute a credit upon the Obligor Claims, then upon payment in full in cash of the Borrower Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, the expiration of all Letters of Credit (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion) outstanding under the Credit Agreement and the termination of all of the Commitments, the intended recipient shall become subrogated to the rights of the Administrative Agent and the Guaranteed Creditors to the extent that such payments to the Administrative Agent and the Guaranteed Creditors on the Obligor Claims have contributed toward the liquidation of the Obligations, and such subrogation shall be with respect to that proportion of the Obligations which would have been unpaid if the Administrative Agent and the Guaranteed Creditors had not received dividends or payments upon the Obligor Claims.

Section 8.03 Payments Held in Trust. In the event that notwithstanding Section 8.01 and Section 8.02, any Obligor should receive any funds, payments, claims or distributions which are prohibited by such Sections, then it agrees: (a) to hold in trust for the Administrative Agent and the Guaranteed Creditors an amount equal to the amount of all funds, payments, claims or distributions so

received, and (b) that it shall have absolutely no dominion over the amount of such funds, payments, claims or distributions except to pay them promptly to the Administrative Agent, for the benefit of the Guaranteed Creditors; and each Obligor covenants promptly to pay the same to the Administrative Agent.

Section 8.04 Liens Subordinate. Each Obligor agrees that, until the Borrower Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, are paid in full in cash, no Letter of Credit shall be outstanding (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion) and the termination of all of the Commitments, any Liens securing payment of the Obligor Claims shall be and remain inferior and subordinate to any Liens securing payment of the Obligations, regardless of whether such encumbrances in favor of such Obligor, the Administrative Agent or any Guaranteed Creditor presently exist or are hereafter created or attach. Without the prior written consent of the Administrative Agent and until the Borrower Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, are paid in full in cash, no Letter of Credit shall be outstanding (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion) and all of the Commitments are terminated, no Obligor shall (a) exercise or enforce any creditor's right it may have against any debtor in respect of the Obligor Claims, or (b) foreclose, repossess, sequester or otherwise take steps or institute any action or proceeding (judicial or otherwise, including without limitation the commencement of or joinder in any liquidation, bankruptcy, rearrangement, debtor's relief or insolvency proceeding) to enforce any Lien held by it.

## ARTICLE XXI

### MISCELLANEOUS

Section 9.01 Waiver. No failure on the part of the Administrative Agent or any Guaranteed Creditor to exercise and no delay in exercising, and no course of dealing with respect to, any right, power, privilege or remedy or any abandonment or discontinuance of steps to enforce such right, power, privilege or remedy under this Agreement or any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, privilege or remedy under this Agreement or any other Loan Document preclude or be construed as a waiver of any other or further exercise thereof or the exercise of any other right, power, privilege or remedy. The remedies provided herein are cumulative and not exclusive of any remedies provided by law or equity.

Section 9.02 Notices. All notices and other communications provided for herein shall be given in the manner and subject to the terms of Section 12.01 of the Credit Agreement; provided that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on Schedule 1 (or other such address as provided by such Guarantor to the Administrative Agent).

Section 9.03 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 12.02 of the Credit Agreement.

Section 9.04 Successors and Assigns. The provisions of this Agreement shall be binding upon the Obligors and their successors and assigns and shall inure to the benefit of the Administrative Agent and the Guaranteed Creditors and their respective successors and assigns.

Section 9.05 Survival; Revival; Reinstatement.

(a) All covenants, agreements, representations and warranties made by any Obligor herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document to which it is a party shall be considered to have been relied upon by the Administrative Agent, the other Agents, the Issuing Bank and the Lenders and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the other Agents, the Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under the Credit Agreement except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, is outstanding and unpaid or any Letter of Credit is outstanding (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion) and so long as the Commitments have not expired or terminated.

(b) To the extent that any payments on the Guarantor Obligations or proceeds of any Collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any bankruptcy law, common law or equitable cause, then to such extent, the Guarantor Obligations so satisfied shall be revived and continue (including without limitation all Guarantor Obligations arising under Article II hereof) as if such payment or proceeds had not been received and the Administrative Agent's and the Guaranteed Creditors' Liens, security interests, rights, powers and remedies under this Agreement and each other Loan Document shall continue in full force and effect. In such event, each Loan Document shall be automatically reinstated and the Borrower shall take such action as may be reasonably requested by the Administrative Agent and the Guaranteed Creditors to effect such reinstatement.

Section 9.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

(b) This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. This Agreement and the other Loan Documents (other than the Letters of Credit and the Letter of Credit Agreements) represent the final agreement among the parties hereto and thereto and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

(c) This Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto, the Lenders and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by e-mail or facsimile shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07 Severability. Any provision of this Agreement or any other Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.08 Set-Off. If an Event of Default shall have occurred and be continuing, each Lender (and each of its Affiliates that is party to a Guaranteed Swap Agreement) is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, but excluding any deposits held in any trustee, agency, fiduciary or other capacity for the benefit of one or more third parties) at any time held and other obligations (of whatsoever kind, including, without limitation, obligations under Swap Agreements) at any time owing by such Lender (or Affiliate that is party to such Guaranteed Swap Agreement) to or for the credit or the account of any Obligor against any of and all the obligations of the Obligor owed to such Lender now or hereafter existing under this Agreement or any other Loan Document, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations may be unmaturing. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender or such Affiliates may have. Any Lender or Affiliate that exercises a right of setoff under this section shall provide the Obligor prompt written notice thereof, it being understood that the failure to do so shall not impair the effectiveness of any such setoff in accordance with this Section.

Section 9.09 Governing Law; Submission to Jurisdiction.

(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK; PROVIDED THAT (i) THE DETERMINATION OF THE ACCURACY OF ANY COMPANY REPRESENTATIONS AND WHETHER AS A RESULT OF ANY INACCURACY THEREOF THE PARENT GUARANTOR HAS THE RIGHT TO TERMINATE ITS OBLIGATIONS UNDER THE PSA OR THERE IS A FAILURE OF A CONDITION PRECEDENT TO THE PARENT GUARANTOR'S OBLIGATIONS UNDER THE PSA AND (ii) TO THE EXTENT THERE IS A DISPUTE HEREUNDER AS TO THE SPECIFIC QUESTION OF WHETHER THE ACQUISITION HAS BEEN CONSUMMATED IN ACCORDANCE WITH THE TERMS OF THE PSA, THEN EACH OF THE FOREGOING, IN EACH CASE, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE APPLICABLE TO AGREEMENTS SUCH AS THE PSA (INCLUDING DELAWARE CASE LAW), WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAWS PROVISION OR RULE (WHETHER OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE LAWS OF THE STATE OF DELAWARE AND PROVIDED FURTHER THAT MATTERS SUBJECT TO OR CONTEMPLATED BY THE BUSINESS CORPORATIONS ACT (BRITISH COLUMBIA), INCLUDING THE PLAN OF ARRANGEMENT (AS DEFINED IN THE PSA), SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAWS OF THE PROVINCE OF BRITISH COLUMBIA AND FEDERAL LAWS APPLICABLE THEREIN (INCLUDING PROVINCE OF BRITISH COLUMBIA CASE LAW), WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAWS PROVISION OR RULE (WHETHER OF THE PROVINCE OF BRITISH COLUMBIA OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE LAWS OF THE PROVINCE OF BRITISH COLUMBIA.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES OF AMERICA FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES HEREBY ACCEPTS FOR ITSELF AND (TO THE EXTENT PERMITTED BY LAW) IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS. THIS SUBMISSION TO JURISDICTION IS NON-EXCLUSIVE AND DOES NOT PRECLUDE A PARTY FROM OBTAINING JURISDICTION OVER ANOTHER PARTY IN ANY COURT OTHERWISE HAVING JURISDICTION.

(c) EACH PARTY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO IT AT THE ADDRESS SPECIFIED IN SECTION 12.01 OF THE CREDIT AGREEMENT (OR SUCH OTHER ADDRESS AS IS SPECIFIED PURSUANT TO SECTION 12.01 OF THE CREDIT AGREEMENT) OR SCHEDULE 1 HERETO, AS APPLICABLE, SUCH SERVICE TO BECOME EFFECTIVE THIRTY (30) DAYS AFTER SUCH MAILING. NOTHING HEREIN SHALL AFFECT THE RIGHT OF A PARTY OR ANY HOLDER OF A NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANOTHER PARTY IN ANY OTHER JURISDICTION.

Section 9.10 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.11 Acknowledgments. Each Obligor hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party;

(b) neither the Administrative Agent nor any Guaranteed Creditor has any fiduciary relationship with or duty to any Obligor arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Obligors, on the one hand, and the Administrative Agent and Guaranteed Creditors, on the other hand, in connection herewith or therewith is solely that of debtor and creditor;

Section 9.12 Additional Obligors and Pledgors. Each Restricted Subsidiary of the Borrower or Additional Borrower that is required to become a party hereto pursuant to Sections 2.09 or 8.13 of the Credit Agreement or otherwise desires to become a party hereto (if not already an Obligor hereunder) shall become an Obligor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex I hereto and shall thereafter have the same rights, benefits and obligations as an Obligor party hereto on the date hereof. Each Obligor that is required to pledge Equity Interests of its Restricted Subsidiaries pursuant to Section 8.13 of the Credit Agreement shall execute and deliver a Supplement in the form of Annex II hereto, if such Equity Interests were not previously pledged.

Section 9.13 Releases.

(a) Release Upon Payment in Full. Subject to Section 9.05, the grant of a security interest hereunder and all of rights, powers and remedies in connection herewith shall remain in full force and effect until the Borrower Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, shall have been satisfied by payment in full in cash, no Letter of Credit shall be outstanding (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion) and all of the Commitments are terminated. When the Borrower Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, shall have been satisfied by payment in full in cash, no Letter of Credit shall be outstanding (or all such Letters of Credit shall have been satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion)

and all of the Commitments are terminated, such security interest shall automatically be released and the Administrative Agent, at the expense of the Borrower, will promptly release, reassign and transfer the Collateral to the Pledgors and declare this Agreement to be of no further force or effect.

(b) Partial Releases. If any of the Collateral or any Equity Interest shall be subject to a Sale permitted under the Credit Agreement or otherwise entitled to be released pursuant to the terms of the Loan Documents (including, without limitation, upon the Parent Guarantor's election to commence an Investment Grade Rating Period), then the Administrative Agent, at the request and sole expense of such Pledgor, shall promptly execute and deliver to such Pledgor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral and the Equity Interests of the Issuer thereof. At the request and sole expense of the Borrower, a Guarantor shall be released from its obligations hereunder in the event such Guarantor ceases (or contemporarily with such release will cease) to be a Subsidiary of the Parent Guarantor as a result of a transaction or series of transactions permitted by the Credit Agreement or is otherwise entitled to be released pursuant to the terms of the Loan Documents (including, without limitation, upon the Parent Guarantor's election to commence an Investment Grade Rating Period); provided that the Borrower shall have delivered to the Administrative Agent, at least five (5) Business Days prior to the date of the proposed release, a written request of a Responsible Officer of the Borrower for release identifying the relevant Guarantor and stating that such release is permitted by the Credit Agreement and the other Loan Documents. Without limiting the foregoing, the Liens hereunder on Properties subject to Sales permitted under the Credit Agreement from time to time shall automatically be released upon such Sales without the necessity of any further action by any party.

(c) Retention in Satisfaction. Except as may be expressly applicable pursuant to Section 9-620 of the UCC, no action taken or omission to act by the Administrative Agent or the Guaranteed Creditors hereunder, including, without limitation, any exercise of voting or consensual rights or any other action taken or inaction, shall be deemed to constitute a retention of the Collateral in satisfaction of the Obligations or otherwise to be in full satisfaction of the Obligations, and the Obligations shall remain in full force and effect, until the Administrative Agent and the Guaranteed Creditors shall have applied payments (including, without limitation, collections from Collateral) towards the Obligations except for (i) the Swap Agreements which shall be payable upon the terms of such Swap Agreements, (ii) contingent obligations not yet due, and (iii) amounts owed or other obligations under Treasury Management Agreements with respect to which satisfactory collateral has been posted, in the full amount then outstanding or until such subsequent time as is provided in Section 9.13.

Section 9.14 Acceptance. Each Obligor hereby expressly waives notice of acceptance of this Agreement, acceptance on the part of the Administrative Agent and the Guaranteed Creditors being conclusively presumed by their request for this Agreement and delivery of the same to the Administrative Agent.

Section 9.15 Guarantor Senior Indebtedness. The Borrower, the Obligors, the Administrative Agent and the Lenders acknowledge and agree that the Borrower Obligations hereunder constitute Senior Debt and Designated Senior Debt, in each case, under and as defined in the Indentures pursuant to which the Senior Notes have been issued.

Section 9.16 Amendment and Restatement. This Agreement amends and restates and is given in substitution for, but not in satisfaction of the Existing Guaranty Agreement; provided that nothing contained in this Agreement shall limit or affect the liens and security interests heretofore granted, pledged and/or assigned to the Administrative Agent under the Existing Guaranty Agreement except as otherwise provided in the Credit Agreement.

## Schedule 7.05

### Litigation

In connection with the Acquisition, six purported class action lawsuits have been filed on behalf of Kodiak Oil & Gas Corp. ( Kodiak ) shareholders in the United States District Court for the District of Colorado: Quigley and Koelling v. Whiting Petroleum Corporation, et al., Case No. 1:14-cv-02023, filed July 22, 2014; Fioravanti v. Krysiak, et al., Case No. 1:14-cv-02037, filed July 23, 2014; Wilkinson v. Whiting Petroleum Corporation, et al., Case No. 1:14-cv-2074, Goldsmith v. Krysiak, et al., Case No. 1:14-cv-2098, filed July 29, 2014, Rogowski v. Whiting Petroleum Corporation, et al., Case No. 1:14-cv-2136, filed July 31, 2014 and Reiter v. Peterson, et al., Case No. 1:14-cv-02176, filed August 6, 2014 and one purported class action lawsuit has been filed on behalf of Kodiak shareholders in Denver District Court, State of Colorado: The Booth Family Trust v. Kodiak Oil & Gas Corp., et al., Case No. 14-cv-32947, filed July 25, 2014. It is possible that other related suits could subsequently be filed. The allegations in the seven lawsuits are similar. They purport to be brought as class actions on behalf of all shareholders of Kodiak. The complaints name as defendants the individual members of the Kodiak board of directors, Whiting Petroleum Corporation ( Whiting ) and 1007695 B.C. Ltd. ( Whiting Canadian Sub ) and list Kodiak as a nominal party or a defendant. Additionally, one complaint lists James Henderson, Kodiak's Chief Financial Officer, as a defendant. The complaints allege that the Kodiak board of directors breached its fiduciary duties to Kodiak shareholders by, among other things, failing to engage in a fair sale process before approving the PSA and to maximize shareholder value in connection with the PSA. Specifically, the complaints allege that the Kodiak board of directors undervalued Kodiak in connection with the PSA and that the Kodiak board of directors agreed to certain deal protection mechanisms that precluded Kodiak from obtaining competing offers. The seven complaints also allege that Whiting and Whiting Canadian Sub aided and abetted the Kodiak board of director's alleged breaches of fiduciary duties. The complaints seek, among other things, injunctive relief preventing the closing of the Acquisition, rescission of the PSA or an award of rescissory damages to the purported class in the event that the Acquisition is consummated, and damages, including counsel fees and expenses. Other suits with respect to similar claims may be commenced in the future.
