NOTICE OF CONSENT SOLICITATION

Dear holders, or Shareholders, of PowerShares DB Agriculture Fund common units of beneficial interest, or the Shares:

This Notice of Consent Solicitation and the accompanying Consent Solicitation Statement and voting instruction form, or Written Consent, are furnished to you by DB Commodity Services LLC, which we refer to as DBCS or the Managing Owner, and Invesco PowerShares Capital Management LLC, or Invesco, in connection with a solicitation of written consents from the Shareholders to take action without a meeting. DBCS and Invesco are together sometimes referred to as we or us or our.

You are being asked to consider and consent to the following proposals:

to approve the substitution of Invesco for DBCS as managing owner of PowerShares DB Multi-Sector Commodity Trust, or the Trust, and PowerShares DB Agriculture Fund, which we refer to as the Fund, pursuant to the Trust's Fourth Amended and Restated Declaration of Trust and Trust Agreement, or the Trust Agreement, and the transfer of DBCS's General Units (as defined in the Trust Agreement) to Invesco pursuant to an Asset Purchase Agreement described in the enclosed Consent Solicitation Statement, which proposal we refer to as the Managing Owner Substitution Proposal; and

to approve and adopt the amendment and restatement of the Trust Agreement as described in the enclosed Consent Solicitation Statement and set forth in Annex A, or the Trust Amendment Proposal.

After careful consideration, the Managing Owner has approved and adopted the Asset Purchase Agreement (described in the enclosed Consent Solicitation Statement) and recommends that the Shareholders consent to the adoption and approval of the Managing Owner

Table of Contents

Substitution Proposal and the Trust Amendment Proposal, which we refer to, collectively, as the Proposals, presented to the Shareholders in the accompanying Consent Solicitation Statement. When you consider the recommendation of the Managing Owner in favor of approval of the Proposals, you should keep in mind that the Managing Owner has interests in the Managing Owner Substitution Proposal that are different from or in addition to (and which may conflict with) your interests as a Shareholder. See the section entitled Summary of the Consent Solicitation Statement Recommendation to the Shareholders.

The solicitation is being made on the terms and subject to the conditions set forth in the accompanying Consent Solicitation Statement and Written Consent. As qualified in the manner described in the immediately following paragraph, to be counted, your properly completed Written Consent must be received before 5:00 p.m. New York Time, on February 19, 2015, subject to an extension of the time of termination by the Managing Owner or Invesco.

Because Section 11.3 of the Trust Agreement provides that Shareholders are deemed to have consented unless they timely object to proposals recommended by the Managing Owner, your consent will be deemed conclusively to have been granted unless you express written objection to the Proposals in the manner required by Section 15.4 of the Trust Agreement and your written objection is actually received by the Fund before 5:00 p.m. New York Time, on February 19, 2015. This means that if you are in favor of the Proposals, not responding will have the same effect as responding with your affirmative written consent.

We thank you for your support and look forward to the successful adoption of the Proposals.

Sincerely,

January 23, 2015

CONSENT SOLICITATION STATEMENT

General

This Consent Solicitation Statement is furnished to you by DB Commodity Services LLC, which we refer to as DBCS or the Managing Owner, and Invesco PowerShares Capital Management LLC, or Invesco, in connection with the solicitation of written consents from the holders, or Shareholders, of common units of beneficial interest, or the Shares, in PowerShares DB Agriculture Fund, which we refer to as the Fund, to take action without a meeting, or the Consent Solicitation. The Fund is a series of PowerShares DB Multi-Sector Commodity Trust, a Delaware statutory trust organized in seven series, which we refer to as the Trust. DBCS and Invesco are together sometimes referred to as we or us or our.

You are being asked to consider and consent to the following proposals:

to approve the substitution of Invesco for DBCS as managing owner of the Trust and the Fund pursuant to the Trust's Fourth Amended and Restated Declaration of Trust and Trust Agreement, or the Trust Agreement, and the transfer of DBCS's General Units (as defined in the Trust Agreement) to Invesco pursuant to an Asset Purchase Agreement described in this Consent Solicitation Statement, or the Asset Purchase Agreement, which proposal we refer to as the Managing Owner Substitution Proposal; and

to approve and adopt the amendment and restatement of the Trust Agreement as described in this Consent Solicitation Statement and set forth in Annex A, or the Trust Amendment Proposal.

The Managing Owner Substitution Proposal and the Trust Amendment Proposal are sometimes referred to, collectively, as the Proposals.

The Managing Owner has adopted the Proposals and recommends that Shareholders consent to the Proposals. The Managing Owner has

(i)

decided to seek written consent rather than calling a meeting of Shareholders, in order to eliminate the costs and management time involved in holding a meeting. Pursuant to Section 3806(f) of the Delaware Statutory Trust Act, or the Act, unless otherwise provided in a statutory trust governing instrument, on any matter that is to be voted on by the Shareholders, the Shareholders may take such action without a meeting, without a prior notice and without a vote if consented to, in writing, or by electronic transmission by Shareholders having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all Shares in the Fund entitled to vote thereon were present and voted. Written consents are being solicited from all of the Shareholders pursuant to Section 3806(f) of the Act and Section 11.3 of the Trust Agreement.

The close of business on January 8, 2015 has been established as the record date, or the Record Date, for determining Shareholders who are entitled to submit a voting instruction form, or the Written Consent. Shareholders holding a majority of the outstanding Shares (excluding Shares held by the Managing Owner and its affiliates) as of the close of business on the Record Date must consent to the Proposals for the Proposals to be approved by the Shareholders. As of the Record Date, the Fund had 41,200,040 Shares outstanding held by approximately two registered holders of record and approximately 43,831 beneficial holders. Consent materials, which include this Consent Solicitation Statement and a Written Consent, are being mailed to all Shareholders on or about January 30, 2015.

Any beneficial owner of the Fund who is not a record holder must arrange with the person who is the record holder or such record holder's assignee or nominee to: (i) execute and deliver a Written Consent on behalf of the beneficial owner; or (ii) deliver a proxy so that the beneficial owner can execute and deliver a Written Consent on its own behalf.

Subject to the qualification described in the bolded paragraph below, Shareholders who wish to consent or object must deliver their properly completed and executed Written Consents to Broadridge Mutual Funds Solutions, or the Tabulation Agent, in accordance with the instructions in the Written Consents. The Fund reserves the right (but is not obligated) to accept any Written Consent received by any other reasonable means or in any form that reasonably evidences the giving of consent to the approval of the Proposals.

Because Section 11.3 of the Trust Agreement provides that Shareholders are deemed to have consented unless they timely object to proposals recommended by the Managing Owner, your consent will be deemed conclusively to have been granted unless you express written

(ii)

objection to the Proposals in the manner required by Section 15.4 of the Trust Agreement and your written objection is actually received by the Fund before the Expiration Date (as defined below). This means that if you are in favor of the Proposals, not responding will have the same effect as responding with your affirmative written consent.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES REGULATORY AGENCY OR THE COMMODITY FUTURES TRADING COMMISSION HAS APPROVED OR DISAPPROVED THE TRANSACTIONS DESCRIBED IN THIS CONSENT SOLICITATION STATEMENT, PASSED UPON THE MERITS OR FAIRNESS OF THE MANAGING OWNER SUBSTITUTION PROPOSAL OR THE TRUST AMENDMENT PROPOSAL, OR PASSED UPON THE ADEQUACY OR ACCURACY OF THE DISCLOSURE IN THIS CONSENT SOLICITATION STATEMENT. ANY REPRESENTATION TO THE CONTRARY CONSTITUTES A CRIMINAL OFFENSE.

Requests for copies of this Consent Solicitation Statement should be directed to Computershare Fund Services, Inc., or the Information Agent, at 866-774-4940. This Consent Solicitation Statement is also available on the Fund's website at: <https://etfus.deutscheawm.com>.

DACS and Invesco expressly reserve the right, in their sole joint discretion and regardless of whether any of the conditions of the Consent Solicitation have been satisfied, subject to applicable law, at any time prior to 5:00 p.m. New York Time, on February 19, 2015, or the Expiration Date, to (i) terminate the Consent Solicitation for any reason, including if the consent of Shareholders holding a majority of the Fund's outstanding Shares has been received, (ii) waive any of the conditions to the Consent Solicitation, or (iii) amend the terms of the Consent Solicitation.

The final results of the Consent Solicitation will be published in a Current Report on Form 8-K, or the Form 8-K, by the Fund. This Consent Solicitation Statement and the Form 8-K will constitute notice of taking of action without a meeting by less than unanimous written consent as permitted by applicable law and Section 11.3 of the Trust Agreement.

All questions as to the form of all documents and the validity and eligibility (including time of receipt) and acceptance of Written Consents and changes of Written Consents will be determined by the Managing Owner, in its sole discretion, which determination will be final and binding.

Table of Contents

Changes of Written Consents

Written Consents may be changed by sending a later-dated, signed Written Consent to the Tabulation Agent, in accordance with the instructions in the Written Consent, so that it is received before the Expiration Date. No Written Consents may be changed after the Expiration date.

Solicitation of Consents

DBCS and Invesco are sending you this Consent Solicitation Statement in connection with their solicitation of Shareholder consent to approve the Proposals. DB U.S. Financial Markets Holding Corporation, a Delaware corporation and affiliate of the Managing Owner, or DBUSH, or an affiliate of DBUSH, and Invesco will pay for the costs of solicitation. DBUSH or an affiliate and Invesco will pay the reasonable expenses of brokers, nominees and similar record holders in mailing consent materials to beneficial owners of the Shares.

No Appraisal Rights

Under applicable Delaware law, the non-consenting Shareholders are not entitled to appraisal rights with respect to the Proposals, and the Fund will not independently provide the Shareholders with any such right.

Householding Matters

Shareholders sharing an address will each receive a copy of the Consent Solicitation Statement. However, only one Consent Solicitation Statement is being delivered to multiple Shareholders sharing an address, if such Shareholders have given their consent. Shareholders sharing an address can request delivery of a single copy of any consent solicitation statements in the future by contacting the financial institution through which the Shareholder holds the Shares.

The Fund will deliver promptly upon written or oral request a separate copy of the Consent Solicitation Statement to a Shareholder at a shared address to which a single copy of the documents was delivered. A Shareholder can notify the Fund that the Shareholder wishes to receive a separate copy of a Consent Solicitation Statement by contacting the Information Agent at 866-774-4940.

If the Shareholder wishes to receive a separate consent solicitation statement in the future, the Shareholder can notify the Fund by contacting the financial institution through which the Shareholder holds the Shares.

As of the Record Date, the closing price of the Shares was \$24.90 per Share and the Fund's total market capitalization was approximately \$1,025,880,996.

QUESTIONS AND ANSWERS ABOUT THE PROPOSALS FOR SHAREHOLDERS

The following questions and answers briefly address some commonly asked questions about the Proposals in connection with which your consent is being solicited. The following questions and answers do not include all the information that is important to the Shareholders. We urge Shareholders to read carefully this entire Consent Solicitation Statement, including the Annexes and the other documents referred to in this Consent Solicitation Statement.

Q: Why am I receiving this Consent Solicitation Statement?

A: You are being asked to consider and consent to the Proposals.

Q: What proposals are the subject of this Consent Solicitation?

A: You are being asked to consent to the following Proposals:

To approve the substitution of Invesco for DBCS as managing owner of the Trust and the Fund pursuant to the Trust Agreement, which substitution we refer to as the Managing Owner Substitution, and the transfer of DBCS's General Units (as defined in the Trust Agreement) to Invesco pursuant to the Asset Purchase Agreement; and

To approve and adopt the amendment and restatement of the Trust Agreement as described in this Consent Solicitation Statement and set forth in Annex A.

Q: Are the Proposals conditioned on one another?

A: Yes. The transactions contemplated by the Asset Purchase Agreement, pursuant to which Invesco and the Managing Owner have agreed, among other things, to substitute Invesco for DBCS as the Managing Owner with respect to the Trust, the Fund and certain other funds, will be consummated only if both the Managing Owner Substitution Proposal **AND** the Trust Amendment Proposal are approved by the consent of the Shareholders.

Q: Are the Proposals conditioned on any other consent solicitation?

A: Yes. Concurrently with this Consent Solicitation, equivalent proposals are being submitted to the shareholders of each of PowerShares DB Base Metals Fund, PowerShares DB Commodity Index Tracking Fund, PowerShares DB Energy Fund, PowerShares DB G10 Currency Harvest Fund, PowerShares DB Gold Fund, PowerShares DB Oil Fund, PowerShares DB Precious Metals Fund, PowerShares

Table of Contents

DB Silver Fund, PowerShares DB US Dollar Index Bearish Fund and PowerShares DB US Dollar Index Bullish Fund, or, collectively, the Other Funds. The closing of the transactions contemplated by the Asset Purchase Agreement and the implementation of the Proposals is conditioned upon the approval of these equivalent proposals by shareholders of each of the Other Funds, as well as the approval of the Proposals by the Shareholders.

Q: Why is the Fund providing Shareholders with the opportunity to consent or object to the Proposals?

A: Under the current Trust Agreement, the substitution of a new managing owner for DBCS requires the approval of a majority of the Shareholders. The Trust Amendment Proposal also requires the consent of the Shareholders, as the proposed amendments may be viewed as being adverse to the interests of the Shareholders.

Q: What will happen in the Managing Owner Substitution?

A: At the closing of the Managing Owner Substitution, Invesco will acquire all the issued and outstanding General Units (as defined in the Trust Agreement) of the Fund, and will become the Trust's and the Fund's managing owner, with full power and responsibility for management of the Trust and the Fund.

Q: What effect will the Proposals have on the Fund's investment objective or fees borne by Shareholders?

A: None. The Fund's investment objective and any fees borne by Shareholders will not be affected by the Proposals and will continue to be as described in the Fund's Prospectus.

Q: Why is DBCS ceasing to manage products in the U.S. commodities ETF space?

A: After consideration of the exchange-traded fund, or ETF, market generally and its goals specifically, DBCS made the determination that it would be in DBCS' best interest to cease managing products in the U.S. commodities ETF space. After consideration of the ETF market generally and its goals specifically, Invesco made the determination that it wanted to expand its presence in the U.S. commodities ETF space by becoming the new managing owner of the Fund. Invesco also intends to launch other commodities-based ETF products in the U.S. in order to respond to developments in the market and investor preferences. The change of managing owner will be effected at the closing of the transaction by DBCS selling and transferring to Invesco the General Units of the Fund owned by DBCS, and the substitution of Invesco for DBCS as managing owner of the Trust, effective at the closing.

Table of Contents

Q: What conditions must be satisfied to complete the Managing Owner Substitution?

A: The Asset Purchase Agreement contains customary representations, warranties and covenants, as well as a requirement that Invesco achieve operational readiness as of the closing, and other covenants relevant to the transaction among the parties to the Asset Purchase Agreement. In addition, there are a number of closing conditions in the Asset Purchase Agreement, including that the Shareholders and the shareholders of each of the Other Funds have approved and adopted the Managing Owner Substitution Proposal and the Trust Amendment Proposal or equivalent proposals, as applicable. The completion of the Managing Owner Substitution is also conditioned upon:

the receipt of certain governmental consents and approvals;

the execution and delivery of a License Agreement with Invesco, pursuant to which Invesco will receive the right to use certain indexes and trademarks and other intellectual property regarding the Fund and the Other Funds;

the execution and delivery of a Services Agreement with Invesco, pursuant to which Invesco will be provided certain marketing and index calculation services regarding the Fund and the Other Funds; and

other customary conditions.

Q: Why is the Managing Owner proposing the Trust Amendment Proposal?

A: The Trust Amendment Proposal that we are asking the Shareholders to approve in connection with the Managing Owner Substitution reflects currently prevailing industry terms. Invesco is not willing to become managing owner of the Trust, the Fund and the Other Funds unless the Trust Amendment Proposal and equivalent proposals for the Other Funds are approved. The Trust Amendment Proposal requires the consent of the Shareholders, as the proposed amendments may be viewed as being adverse to the interests of the Shareholders. See the section entitled "The Trust Amendment Proposal."

Q: What happens if I sell my Shares in the Fund before the action by written consent?

A: Only holders of record of the Shares at the close of business on January 8, 2015 are entitled to consent or object to the Proposals. Therefore, if you sell your Shares after the Record Date, you will still be entitled to consent or object to the Proposals.

Table of Contents

Q: What consent is required to approve the Proposals?

A: The approval of the Managing Owner Substitution Proposal and the Trust Amendment Proposal each require the consent of the holders of a majority of the Shares (excluding Shares held by the Managing Owner and its affiliates). **However, unless you express written objection to the Proposals in the manner required by Section 15.4 of the Trust Agreement and your written objection is actually received by the Fund before the Expiration Date, your consent will be deemed conclusively to have been granted to the Proposals.** Implementation of the Proposals also is conditioned upon the approval of equivalent proposals by shareholders of the Other Funds.

Q: How many consents do I have in connection with this action by written consent?

A: The Shareholders are entitled to one consent in connection with this action by written consent for each Share of the Fund held of record as of January 8, 2015, or the Record Date, for such action. As of the close of business on the Record Date, there were 41,200,040 outstanding Shares.

Q: What constitutes a quorum in connection with this action by written consent?

A: There is no quorum requirement in connection with this action by written consent.

Q: Do I have appraisal rights if I object to the proposed Managing Owner Substitution?

A: No. There are no appraisal rights available to Shareholders in connection with the Managing Owner Substitution Proposal or the Trust Amendment Proposal.

Q: What happens if the Managing Owner Substitution Proposal and the Trust Amendment Proposal are not adopted?

A: If the Proposals are not adopted, the Managing Owner will continue to manage the Trust and the Fund as before, but may consider finding another person to take over as managing owner of the Trust and the Fund or dissolving the Trust and the Fund. No decision in this regard has been made.

Q: When is the Managing Owner Substitution expected to be completed?

A: The Managing Owner Substitution is expected to be completed on or about February 20, 2015.

Table of Contents

Q: What do I need to do now?

A: You are urged to read carefully and consider the information contained in this Consent Solicitation Statement, including the Annexes and other documents referred to in this Consent Solicitation Statement. You should consider how the Managing Owner Substitution Proposal and the Trust Amendment Proposal will affect you as a Shareholder. You should then deliver your Written Consent as soon as possible as provided by the instructions in the enclosed Written Consent. If you hold your Shares through a brokerage firm, bank or other nominee, please review the instruction form provided by the broker, bank or nominee.

Q: How do I deliver my Written Consent?

A: To affirmatively register your approval or objection to the Proposals, you must deliver your properly completed and executed Written Consent to the Tabulation Agent, as provided by the instructions in the Written Consent.

Q: What will happen if I do nothing?

A: *Unless you express written objection to the Proposals in the manner required by Section 15.4 of the Trust Agreement and your written objection is actually received by the Fund before the Expiration Date, your consent will be deemed conclusively to have been granted to the Proposals.*

Q: If my Shares are held in street name, will my broker, bank or nominee automatically deliver my Written Consent for me?

A: No. Under the rules of various national and regional securities exchanges, your broker, bank, or nominee cannot consent or object in respect of your Shares on non-discretionary matters unless you provide instructions on how to complete the Written Consent in accordance with the information and procedures provided to you by your broker, bank, or nominee. We believe the Proposals will be considered non-discretionary. Therefore, your broker, bank, or nominee cannot consent or object in respect of your Shares without your instruction. If you do not provide instructions to your broker, bank, or nominee, your broker, bank, or nominee may deliver a Written Consent expressly indicating that it is NOT consenting or objecting in respect of your Shares. This is referred to as a broker non-vote. ***Any broker non-vote will be interpreted as a consent and as an authorization to pursue the Proposals.*** Your bank, broker, or other nominee can consent or object in respect of your Shares only if you provide instructions on how to complete the Written Consent. You should instruct your broker, bank or nominee to complete the Written Consent in accordance with directions you provide.

Table of Contents

Q: May I change my Written Consent after I have mailed my signed Written Consent?

A: Yes. You may change your Written Consent by sending a later-dated, signed Written Consent to the Tabulation Agent at 1155 Long Island Avenue, Edgewood, New York 11717, so that it is received before the Expiration Date.

Q: What should I do if I receive more than one set of consent materials?

A: You may receive more than one set of consent materials, including multiple copies of this Consent Solicitation Statement and multiple Written Consents. For example, if you hold your Shares in more than one brokerage account, you will receive a separate Written Consent for each brokerage account in which you hold Shares. Please complete, sign, date and return each Written Consent and instruction card that you receive in order to deliver your Written Consent with respect to all of your Shares.

Q: Who can help answer my questions?

A: If you have questions about the Proposals or you need additional copies of the Consent Solicitation Statement or the enclosed Written Consent, you should contact the Information Agent at 866-774-4940.

To obtain timely delivery, Shareholders must request the materials no later than ten business days prior to the date by which Written Consents must be returned. This Consent Solicitation Statement is also available on the Fund's website at: <https://etfus.deutscheawm.com>.

You may also obtain additional information about the Fund from documents filed with the Securities and Exchange Commission, or the SEC, by following the instructions in the section entitled "Where You Can Find More Information."

SUMMARY OF THE CONSENT SOLICITATION STATEMENT

This summary highlights selected information from this Consent Solicitation Statement and does not contain all of the information that is important to you. To better understand the Proposals for which consent is being solicited, you should read this entire Consent Solicitation Statement carefully, including the Annexes and other documents referred to in this Consent Solicitation Statement. See also the section entitled Where You Can Find More Information.

The Proposals

You are being asked to consider and consent to proposals:

to approve the substitution of Invesco for DBCS as managing owner of the Fund pursuant to the Trust Agreement and the transfer of DBCS's General Units (as defined in the Trust Agreement) to Invesco pursuant to the Asset Purchase Agreement; and

to approve and adopt the amendment and restatement of the Trust Agreement as described in this Consent Solicitation Statement and set forth in Annex A.

Concurrently with this Consent Solicitation, equivalent proposals are being submitted to the shareholders of each of the Other Funds. The closing of the transactions contemplated by the Asset Purchase Agreement and the implementation of the Proposals is conditioned upon the approval of these equivalent proposals by the shareholders of each of the Other Funds, as well as the approval of the Proposals by the Shareholders. Invesco is not willing to be substituted for DBCS as managing owner of the Trust and the Fund unless the Trust Amendment Proposal is approved.

Required Consents for Proposals

The approval of the Managing Owner Substitution Proposal and the Trust Amendment Proposal each require the consent of the holders of a majority of the Shares (excluding Shares held by the Managing Owner and its affiliates). **Because Section 11.3 of the Trust Agreement provides that Shareholders are deemed to have consented unless they timely object to proposals recommended by the Managing Owner, your consent will be deemed conclusively to have been granted unless you express written objection to the Proposals in the manner required by Section 15.4 of the Trust Agreement and your written objection is actually received by the Fund before the Expiration Date. This means that if you are in favor of the Proposals, not responding will have the same effect as responding with your affirmative written consent.**

Table of Contents

Each of the Managing Owner Substitution Proposal and the Trust Amendment Proposal is conditioned on the approval of the other. Implementation of the Proposals also is conditioned upon the approval of equivalent proposals by shareholders of the Other Funds.

Recommendation to the Shareholders

The Managing Owner believes that, together, the Managing Owner Substitution Proposal and the Trust Amendment Proposal for which consents are being solicited are in the best interests of the Fund and the Shareholders and recommends that the Shareholders consent to each of these Proposals.

When you consider the recommendation of the Managing Owner in favor of approval of these Proposals, you should keep in mind that the Managing Owner has interests in the Managing Owner Substitution that are different from, or in addition to (and which may conflict with), your interests as a Shareholder. These interests include, among other things:

Affiliates of the Managing Owner expect to earn licensing fees and servicing fees after the Managing Owner Substitution in respect of the Fund and certain other investment funds sponsored by Invesco. These licensing and servicing arrangements may, in the aggregate, be more profitable for DBCS than if DBCS were to continue to be Managing Owner of the Trust and the Fund.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

We make forward-looking statements in this Consent Solicitation Statement. These forward-looking statements relate to expectations for future financial performance, business strategies and the business of the Fund, and the timing of, and ability of DBCS and Invesco to complete, the Managing Owner Substitution. Specifically, forward-looking statements may include statements relating to:

the benefits of the Proposals;

the future financial performance of the Fund following the Managing Owner Substitution; and

other statements preceded by, followed by or that include the words estimate, plan, project, forecast, intend, expect, anticipate, seek, target or similar expressions.

These forward-looking statements are based on information available as of the date of this Consent Solicitation Statement and current expectations, forecasts and assumptions, and involve a number of judgments, risks and uncertainties. Accordingly, forward-looking statements should not be relied upon as representing our views as of any subsequent date, and we do not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

You should not place undue reliance on these forward-looking statements in deciding how to grant your consent on the Proposals set forth in this Consent Solicitation Statement. As a result of a number of known and unknown risks and uncertainties, the actual results or performance of the Fund may be materially different from those expressed or implied by these forward-looking statements. Some factors that could cause actual results to differ include:

There can be no assurance that Invesco will be able to cause the net asset value per Share to closely track the changes in the Fund's benchmark index over time.

Although Invesco manages a number of exchange-traded funds that use financial futures as part of their investment strategy, Invesco has only a short history of operating an exchange-traded fund that invests in a broad range of commodity futures contracts related to a futures index. The past performance of these funds is no indication of its ability to manage exchange-traded investment vehicles that track a commodities index such as the Fund.

Table of Contents

None of the investment professionals currently responsible for managing the Trust and the Fund are expected to be employed by Invesco, and an entirely new team of investment professionals is expected to be responsible for managing the Trust and the Fund. If the experience of Invesco and its principals is not adequate or suitable to manage investment vehicles such as the Trust and the Fund, the operations of the Trust and the Fund may be adversely affected.

Invesco expects to launch new futures-based exchange-traded funds in the future. Invesco's devotion of time and effort to other existing exchange-traded funds or to newly formed exchange-traded funds may be detrimental to the Trust and the Fund.

This Consent Solicitation Statement provides you with information you need to know to be able to consent (or object) or to instruct your consent to be given (or objection to be made) to the proposed actions.

Expiration Date

To be eligible to be counted, Written Consents must be received by the Tabulation Agent at any time prior to 5:00 p.m. New York Time, on February 19, 2015.

Method and Cost of Solicitation

Consent materials, which include this Consent Solicitation Statement and the enclosed Written Consent, are being mailed to all Shareholders on or about January 30, 2015.

The Managing Owner and Invesco are sending you this Consent Solicitation Statement in connection with its solicitation of Shareholder consent to approve the Proposals. DBUSH (or an affiliate) and Invesco will pay for the costs of solicitation. DBUSH (or an affiliate) and Invesco will pay the reasonable expenses of brokers, nominees and similar record holders in mailing consent materials to beneficial owners of the Shares.

Voting Power; Record Date

The close of business on January 8, 2015, has been established as the Record Date for determining Shareholders who are entitled to submit Written Consents. The Shareholders are entitled to one consent in connection with this action by written consent for each Share of the Fund held as of the Record Date. Shareholders holding a majority of the outstanding Shares (excluding Shares held by the Managing Owner and its affiliates) as of the close of business on the Record Date must vote in favor of the Proposals for the Proposals to be approved by the Shareholders. As of the Record Date, the Fund had 41,200,040 Shares outstanding held by approximately two registered holders of record and approximately 43,831 beneficial holders.

Table of Contents

Required Consent for Proposals

The approval of the Managing Owner Substitution Proposal and the Trust Amendment Proposal each require the consent of the holders of a majority of the Shares (excluding Shares held by the Managing Owner and its affiliates). **Because Section 11.3 of the Trust Agreement provides that Shareholders are deemed to have consented unless they timely object to proposals recommended by the Managing Owner, your consent will be deemed conclusively to have been granted unless you express written objection to the Proposals in the manner required by Section 15.4 of the Trust Agreement and your written objection is actually received by the Fund before the Expiration Date. This means that if you are in favor of the Proposals, not responding will have the same effect as responding with your affirmative written consent.**

Each of the Managing Owner Substitution Proposal and the Trust Amendment Proposal is conditioned on the approval of the other. Implementation of the Proposals also is conditioned upon the approval of equivalent proposals by shareholders of the Other Funds.

Recommendation to the Shareholders

The Managing Owner believes that, together, the Managing Owner Substitution Proposal and the Trust Amendment Proposal for which consents are being solicited are in the best interests of the Fund and the Shareholders and recommends that the Shareholders consent to each of these Proposals.

Broker Non-Votes and Abstentions

Under the rules of various national and regional securities exchanges, your broker, bank, or nominee cannot consent or object in respect of your Shares with respect to non-discretionary matters, unless you provide instructions on how to complete the Written Consent in accordance with the information and procedures provided to you by your broker, bank, or nominee. We believe the Proposals will be considered non-discretionary. Therefore, your broker, bank, or nominee cannot consent or object in respect of your Shares without your instruction. If you do not provide instructions to your broker, bank, or nominee, your bank, broker, or nominee may deliver a Written Consent expressly indicating that it is NOT consenting or objecting in respect of your Shares. This is referred to as a broker non-vote. ***For the reason described above, any broker non-vote will be interpreted as a consent and as an authorization to pursue the Proposals.*** Your bank, broker, or other nominee can consent or object in respect of your Shares only if you provide instructions on how to

Table of Contents

complete the Written Consent. You should instruct your broker, bank or nominee to complete the Written Consent in accordance with directions you provide.

Giving Consent

Shareholders who wish to consent may deliver their properly completed and executed Written Consents to the Tabulation Agent, as provided by the instructions in the Written Consents. The Fund reserves the right (but is not obligated) to accept any Written Consent received by any other reasonable means or in any form that reasonably evidences the giving of consent to the approval of the Proposals.

Changing Your Written Consent

If you deliver a Written Consent, you may change it by sending a later-dated, signed Written Consent to the Tabulation Agent, in accordance with the instructions in the Written Consent, so that it is received before the Expiration Date.

Who Can Answer Your Questions About Consents

If you have questions about the Proposals or you need additional copies of the Consent Solicitation Statement or the enclosed Written Consent, you should contact the Information Agent at 866-774-4940.

This Consent Solicitation Statement is also available on the Fund's website at: <https://etfus.deutscheawm.com>.

Appraisal Rights

THE MANAGING OWNER SUBSTITUTION PROPOSAL

We are asking the Shareholders to approve the substitution of Invesco for DBCS as managing owner of the Trust and the Fund pursuant to the Trust Agreement. We are requesting this approval because DBCS, the current managing owner of the Fund, has entered into an Asset Purchase Agreement, pursuant to which it has agreed to sell and transfer to Invesco all of the General Units (as defined in the Trust Agreement) of the Fund owned by DBCS, which are all of the issued and outstanding General Units and certain other assets pertaining to the management of the Trust and the Fund, including: (i) books and records; (ii) governmental approvals and related applications (to the extent the transfer is permitted at law); (iii) rights to causes of action and claims with respect to DBCS' ownership or use of the transferred assets; (iv) guarantees, warranties, indemnities and similar rights in favor of DBCS with respect to the transferred assets; and (v) certain intellectual property rights. Under the Asset Purchase Agreement, Invesco will assume the obligations of DBCS or its affiliates pertaining to the management of the Trust and the Fund and that are to be performed after the closing date pursuant to:

certain existing agreements, contracts or instruments that DBCS and/or its affiliates (as the case may be) will assign to Invesco; and

the organizational documents of the Trust and the Fund (and DBCS or its affiliates will retain responsibility for obligations pertaining to the management of the Trust and the Fund arising on or prior to the closing date).

The Asset Purchase Agreement contains customary representations, warranties and covenants, as well as a requirement that Invesco achieve operational readiness as of the closing, and other covenants relevant to the transaction among the parties to the Asset Purchase Agreement. The closing of the transaction contemplated by the Asset Purchase Agreement is conditioned upon, among other things:

the receipt of certain governmental consents and approvals;

the receipt of the approval of the Shareholders with respect to both Proposals;

the receipt of the approval of the shareholders of each Other Fund with respect to equivalent proposals;

the execution and delivery of a License Agreement with Invesco, pursuant to which Invesco will receive the right to use certain indexes and trademarks and other intellectual property regarding the Fund and the Other Funds;

Table of Contents

the execution and delivery of a Services Agreement with Invesco, pursuant to which Invesco is provided certain marketing and index calculation services regarding the Fund and the Other Funds; and

other customary conditions.

The Asset Purchase Agreement contains representations, warranties and covenants that the respective parties made to each other as of the date of the Asset Purchase Agreement or other specific dates. The assertions embodied in those representations, warranties and covenants were made for purposes of the contract among the respective parties. We do not believe that the Asset Purchase Agreement contains information that is material to a decision as to whether to approve the Managing Owner Substitution Proposal.

Reason DBCS is Ceasing to Manage Products in the U.S. Commodities ETF Space

After consideration of the ETF market generally and its goals specifically, DBCS made the determination that it would be in DBCS' best interest to cease managing products in the U.S. commodities ETF space. After consideration of the ETF market generally and its goals specifically, Invesco made the determination that it wanted to expand its presence in the U.S. commodities ETF space by becoming the new managing owner of the Fund. Invesco also intends to launch other commodities-based ETF products in the U.S. in order to respond to developments in the market and investor preferences. The change of managing owner will be effected at the closing of the transaction by DBCS selling and transferring to Invesco the General Units of the Fund owned by DBCS, and the substitution of Invesco for DBCS as managing owner of the Trust, effective at the closing.

Reasons for the Managing Owner Substitution Proposal

We are asking the Shareholders to adopt the Managing Owner Substitution Proposal because its adoption is a condition to the closing of the Asset Purchase Agreement.

The Managing Owner is proposing to appoint Invesco as its replacement, because DBCS would prefer to cease to be the Managing Owner. Invesco is willing to replace DBCS as the Managing Owner, subject to certain conditions, including the adoption of the proposed amendments to the Trust Agreement.

Consent Required for Approval

Shareholders holding a majority of the outstanding Shares (excluding Shares held by the Managing Owner and its affiliates) as of the close of

Table of Contents

business on the Record Date must consent to the Managing Owner Substitution Proposal for such Proposal to be approved by the Shareholders.

Because Section 11.3 of the Trust Agreement provides that Shareholders are deemed to have consented unless they timely object to proposals recommended by the Managing Owner, your consent will be deemed conclusively to have been granted unless you express written objection to the Proposals in the manner required by Section 15.4 of the Trust Agreement and your written objection is actually received by the Fund before the Expiration Date. This means that if you are in favor of the Proposals, not responding will have the same effect as responding with your affirmative written consent.

THE TRUST AMENDMENT PROPOSAL

The following sets forth a summary of the principal changes proposed to be made to the current Trust Agreement of the Trust. The Trust is comprised of seven series: PowerShare DB Agriculture Fund, PowerShares DB Base Metals Fund, PowerShares DB Energy Fund, PowerShares DB Gold Fund, PowerShares DB Oil Fund, PowerShares DB Precious Metals Fund and PowerShares DB Silver Fund, which we refer to, collectively, as the Sectors Funds. The Managing Owner believes these changes are consistent with prevailing industry terms. This summary is qualified by reference to the complete text of the proposed Trust Agreement, a copy of which, compared to the current Trust Agreement, is attached to this Consent Solicitation Statement as Annex A. All Shareholders are encouraged to read the proposed Trust Agreement in its entirety for a more complete description of its terms. Under the Trust Amendment Proposal:

The general liability of the managing owner is eliminated;

The requirement that the managing owner obtain the approval of the shareholders of the Sectors Funds prior to appointing an affiliate as an additional managing owner is eliminated;

The requirement that notice be given to, and approval obtained from, the Shareholders with respect to change of control transactions of the managing owner with non-affiliates is eliminated;

The managing owner may transfer its units to any person or appoint any person a managing owner without receiving Shareholder approval;

The standard description of the conduct of the managing owner as a fiduciary of the Trust is changed to eliminate express duties of good faith and due diligence;

The provision subordinating certain claims of the managing owner and trustee of the Trust has been eliminated;

The exculpation of the managing owner applies to any person, not solely to the Trust, any Sectors Fund and the managing owner's affiliates;

The exculpation of the managing owner does not apply to conduct constituting gross negligence (as opposed to negligence) or willful misconduct (as opposed to misconduct);

The Trust's and Sectors Funds' indemnity of the managing owner is changed to cover affiliates of the managing owner;

The good faith determination required with respect to an eligible indemnitee's conduct must also be reasonable;

Table of Contents

A potential indemnitee's failure to meet the standard of conduct requiring good faith and reasonable belief must be finally adjudicated;

Negligence, misconduct and a breach of the Trust Agreement do not disqualify an indemnitee from indemnification, but gross negligence and willful misconduct do;

The requirement of court disposition of claims and court approval with respect to indemnification for certain breaches of securities law is eliminated;

The requirement that a court approve any advance of expenses to the managing owner incurred defending a legal action initiated by a Shareholder is eliminated;

The requirement that items of loss and deduction in excess of the managing owner's capital account balance otherwise allocable to the managing owner be allocated to the Shareholders is eliminated;

The provision requiring legal opinions in connection with amendments of the Trust Agreement is eliminated; and

Following dissolution of the Trust or any Sectors Fund and liquidation and distribution of the Trust's or applicable Sectors Fund's assets, the make-up capital contribution no longer is required from the managing owner.

Reasons for the Trust Amendment Proposal

We are asking the Shareholders to adopt the Trust Amendment Proposal because its adoption is a condition to the closing of the Asset Purchase Agreement.

The Managing Owner is proposing to make the amendments to the Trust Agreement described above because Invesco's willingness to replace DBCS as the managing owner of the Trust and the Fund is conditioned upon, among other things, the adoption of such amendments to the Trust Agreement. The Managing Owner believes these amendments are consistent with prevailing industry terms.

Consent Required for Approval of Trust Amendment Proposal

Shareholders holding a majority of the outstanding Shares (excluding Shares held by the Managing Owner and its affiliates) as of the close of business on the Record Date must vote in favor of the Trust Amendment Proposal for such Proposal to be approved by the Shareholders.

Table of Contents

Because Section 11.3 of the Trust Agreement provides that Shareholders are deemed to have consented unless they timely object to proposals recommended by the Managing Owner, your consent will be deemed conclusively to have been granted unless you express written objection to the Proposals in the manner required by Section 15.4 of the Trust Agreement and your written objection is actually received by the Fund before the Expiration Date. This means that if you are in favor of the Proposals, not responding will have the same effect as responding with your affirmative written consent.

Recommendation of the Managing Owner

THE MANAGING OWNER RECOMMENDS THAT THE SHAREHOLDERS CONSENT TO THE TRUST AMENDMENT PROPOSAL.

The Managing Owner may classify or reclassify any unissued Units or any Units previously issued and reacquired of any Fund or class thereof into one or more series or classes thereof that may be established and designated from time to time. The Managing Owner may hold as treasury Units, reissue for such consideration and on such terms as it may determine, or cancel, at its discretion from time to time, any Units of any Fund or class thereof reacquired by the Trust. Unless otherwise determined by the Managing Owner, treasury Units shall not be deemed cancelled. The Units of each Fund shall initially be divided into two classes: General Units and Limited Units.

- (d) The Managing Owner and/or its Affiliates has made an investment of \$1,000 in each Fund.

- (e) Other than contemplated by Section 3.5, no certificates or other evidence of beneficial ownership of the Units will be issued.

- (f) Every Unitholder, by virtue of having purchased or otherwise acquired a Unit, shall be deemed to have expressly consented and agreed to be bound by the terms of this Trust Agreement.

SECTION 3.2 *Establishment of Series, or Funds, of the Trust.*

- (a) Without limiting the authority of the Managing Owner set forth in Section 3.2(b) to establish and designate any further series, the Managing Owner has heretofore established and designated seven initial series, or Funds, as follows:

PowerShares DB Energy Fund;

PowerShares DB Oil Fund;

PowerShares DB Precious Metals Fund;

PowerShares DB Gold Fund;

PowerShares DB Silver Fund;

PowerShares DB Base Metals Fund; and

PowerShares DB Agriculture Fund.

The provisions of this Article III shall be applicable to the above-designated Funds and any further Fund that may from time to time be established and designated by the Managing Owner as provided in Section 3.2(b); provided, however, that such provisions may be amended, varied or abrogated by the Managing Owner with respect to any Fund created after the initial formation of the Trust in the written instrument creating such Fund.

- (b) The establishment and designation of any series, or Funds, other than those set forth above shall be effective upon the execution by the Managing Owner of an instrument setting forth such establishment and designation and the relative rights and preferences of such series, or Funds, or as otherwise provided in such instrument. At any time that there are no Units outstanding of any particular series previously established and designated, the Managing Owner may by an instrument executed by it abolish that series and the establishment and designation thereof. Each instrument referred to in this Section shall have the status of an amendment to this Trust Agreement.

SECTION 3.3 *Establishment of Classes and Sub-Classes.* The division of any series, or Funds, into two or more classes or sub-classes and the establishment and designation of such classes or sub-classes shall be effective upon the execution by the Managing Owner of an instrument setting forth such division, and the establishment, designation, and relative rights and preferences of such classes, or as otherwise provided in such instrument. The relative rights and preferences of the classes or sub-classes of any series may differ in such respects as the Managing Owner may determine to be appropriate, provided that such differences are set forth in the aforementioned instrument. At any time that there are no Units outstanding of any particular class or sub-class previously established and designated, the

Managing Owner may by an instrument executed by it abolish that class or sub-class and the establishment and designation thereof. Each instrument referred to in this paragraph shall have the status of an amendment to this Trust Agreement.

SECTION 3.4 *Offer of Limited Units, Procedures for Creation and Issuance of Creation Baskets.*

- (a) **General.** The following procedures, as supplemented by the more detailed procedures specified in the Exhibits, annexes, attachments and procedures, as applicable to the Participant Agreement for each Fund, which may be amended from time to time in accordance with the provisions of the Participant Agreement (and any such amendment will not constitute an amendment of this Trust Agreement), will govern the Trust with respect to the creation and issuance of Creation Baskets. Subject to the limitations upon and requirements for issuance of Creation Baskets stated herein and in such procedures, the number of Creation Baskets which may be issued by each Fund is unlimited.
- (i) On any Business Day, each Participant may submit to the Managing Owner a purchase order and subscription agreement to subscribe for and agree to purchase one or more Creation Baskets for the applicable Fund (such request by a Participant, a **Purchase Order Subscription Agreement**) in the manner provided in the Participant Agreement. Purchase Order Subscription Agreements must be received by the Order Cut-Off Time on a Business Day (the **Purchase Order Subscription Date**). The Managing Owner will process Purchase Order Subscription Agreements only from Participants with respect to which a Participant Agreement for the Fund is in full force and effect. The Managing Owner will maintain and make available at the Trust's principal offices during normal business hours a current list of the Participants for each Fund with respect to which a Participant Agreement is in full force and effect. The Managing Owner will deliver (or cause to be delivered) a copy of the Prospectus to each Fund Participant prior to its execution and delivery of the applicable Participant Agreement and prior to accepting any Purchase Order Subscription Agreement.
- (ii) Any Purchase Order Subscription Agreement is subject to rejection by the Managing Owner pursuant to Section 3.4(c).

Table of Contents

- (iii) After accepting a Fund Participant's Purchase Order Subscription Agreement, the Managing Owner will issue and deliver Creation Baskets to fill such Fund Participant's Purchase Order Subscription Agreement within three Business Days immediately following the Purchase Order Subscription Date, but only if by such time as provided in the Participant Agreement the Managing Owner has received (A) for its own account, the Transaction Fee, and (B) for the account of the applicable Fund the Creation Basket Capital Contribution due from the Fund Participant submitting the Purchase Order Subscription Agreement for the Fund.

- (b) Deposit with the Depository. Upon issuing a Creation Basket for any Fund pursuant to a Purchase Order Subscription Agreement, the Managing Owner will cause the Trust to deposit the Creation Basket with the Depository in accordance with the Depository's customary procedures, for credit to the account of the Fund Participant that submitted the Purchase Order Subscription Agreement.

- (c) Rejection. For each Fund, the Managing Owner shall have the absolute right, but shall have no obligation, to reject any Purchase Order Subscription Agreement or Creation Basket Capital Contribution: (i) determined by the Managing Owner not to be in proper form; (ii) that the Managing Owner has determined would have adverse tax consequences to the Trust, any Fund or to any Limited Owners; (iii) the acceptance or receipt of which would, in the opinion of counsel to the Managing Owner, be unlawful; or (iv) if circumstances outside the control of the Managing Owner make it for all practical purposes not feasible to process creations of Creation Baskets. The Managing Owner shall not be liable to any person by reason of the rejection of any Purchase Order Subscription Agreement or Creation Basket Capital Contribution.

- (d) Transaction Fee. For each Fund, a non-refundable transaction fee will be payable by a Fund Participant to the Managing Owner for its own account in connection with each Purchase Order Subscription Agreement pursuant to this Section and in connection with each Redemption Order of such Participant pursuant to Section 7.1 (each a **Transaction Fee**). The Transaction Fee charged in connection with each such creation and redemption shall be initially \$500, but may be changed as provided below. Even though a single Purchase Order Subscription Agreement or Redemption Order may

Table of Contents

relate to multiple Creation Baskets, only a single Transaction Fee will be due for each Purchase Order or Redemption Order for a Fund. The Transaction Fee may subsequently be waived, modified, reduced, increased or otherwise changed by the Managing Owner, but will not in any event exceed 0.10 % of the Net Asset Value Per Basket of a Fund at the time of creation of a Creation Basket or redemption of a Redemption Basket, as the case may be. The Managing Owner shall notify the Depository of any agreement to change the Transaction Fee and shall not implement any increase for redemptions of outstanding Units until 30 days after the date of that notice. The amount of the Transaction Fee in effect at any given time shall be made available by the Trustee upon request.

- (e) Global Certificate Only. Certificates for Creation Baskets will not be issued, other than the applicable Global Security issued to the Depository. So long as the Depository Agreement is in effect, Creation Baskets will be issued and redeemed and Limited Units will be transferable solely through the book-entry systems of the Depository and the DTC Participants and their Indirect Participants as more fully described in Section 3.5. The Depository may determine to discontinue providing its service with respect to Creation Baskets and Limited Units by giving notice to the Managing Owner pursuant to and in conformity with the provisions of the Depository Agreement and discharging its responsibilities with respect thereto under applicable law. Under such circumstances, the Managing Owner shall take action either to find a replacement for the Depository to perform its functions at a comparable cost and on terms acceptable to the Managing Owner or, if such a replacement is unavailable, to terminate the Trust or the Funds, as applicable.

SECTION 3.5 *Book-Entry-Only System, Fund Global Securities.*

- (a) Global Security. The Trust and the Managing Owner will enter into the Depository Agreement pursuant to which the Depository will act as securities depository for Limited Units of each Fund. Limited Units of each Fund will be represented by a Global Security (which may consist of one or more certificates as required by the Depository), which will be registered, as the Depository shall direct, in the name of Cede & Co., as nominee for the Depository and deposited with, or on behalf of, the Depository. No other certificates evidencing Limited Units will be issued. The Global Security for each Fund shall be in the form attached hereto as

Table of Contents

Exhibit C or described therein and shall represent such Limited Units as shall be specified therein, and may provide that it shall represent the aggregate amount of outstanding Limited Units of a Fund from time to time endorsed thereon and that the aggregate amount of outstanding Limited Units represented thereby may from time to time be increased or decreased to reflect creations or redemptions of Baskets. Any endorsement of a Global Security to reflect the amount, or any increase or decrease in the amount, of outstanding Limited Units represented thereby shall be made in such manner and upon instructions given by the Managing Owner on behalf of the Trust as specified in the Depository Agreement.

- (b) Legend. Any Global Security issued to The Depository Trust Company or its nominee shall bear a legend substantially to the following effect: Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation (**DTC**), to the Trust or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is required by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.
- (c) The Depository. The Depository has advised the Trust and the Managing Owner as follows: The Depository is a limited-purpose trust company organized under New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the U.S. Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code, and a clearing agency registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for DTC's participants (the **DTC Participants**). DTC also facilitates the post-trade settlement among DTC Participants of sales and other securities transactions among the DTC Participants in deposited securities, through electronic computerized book-entry transfers and pledges between DTC Participants' accounts. This eliminates the need for physical movement of securities certificates. DTC Participants include both U.S. and

Table of Contents

non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (**DTCC**). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities, brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (**Indirect Participants**).

- (d) **Beneficial Owners**. As provided in the Depository Agreement, upon the settlement date of any creation, transfer or redemption of Limited Units of a Fund, the Depository will credit or debit, on its book-entry registration and transfer system, the number of Limited Units so created, transferred or redeemed to the accounts of the appropriate DTC Participants. The accounts to be credited and charged shall be designated by the Managing Owner on behalf of each Fund and each Participant, in the case of a creation or redemption of Baskets. Ownership of beneficial interest in Limited Units will be limited to DTC Participants, Indirect Participants and persons holding interests through DTC Participants and Indirect Participants. Owners of beneficial interests in Limited Units (**Beneficial Owners**) will be shown on, and the transfer of beneficial ownership by Beneficial Owners will be effected only through, in the case of DTC Participants, records maintained by the Depository and, in the case of Indirect Participants and Beneficial Owners holding through a DTC Participant or an Indirect Participant, through those records or the records of the relevant DTC Participants. Beneficial Owners are expected to receive from or through the broker or bank that maintains the account through which the Beneficial Owner has purchased or sold Limited Units a written confirmation relating to their purchase or sale of Limited Units.
- (e) **Reliance on Procedures**. So long as Cede & Co., as nominee of the Depository, is the registered owner of Limited Units, references herein to the registered or record owners of Limited Units shall mean Cede & Co. and shall not mean the Beneficial Owners of Limited Units. Beneficial Owners of Limited Units will not be entitled to have Limited Units registered in their names, will not receive or be entitled to

Table of Contents

receive physical delivery of certificates in definitive form and will not be considered the record or registered holder of Limited Units under this Trust Agreement. Accordingly, to exercise any rights of a holder of Limited Units under this Trust Agreement, a Beneficial Owner must rely on the procedures of the Depository and, if such Beneficial Owner is not a DTC Participant, on the procedures of each DTC Participant or Indirect Participant through which such Beneficial Owner holds its interests. The Trust and the Managing Owner understand that under existing industry practice, if the Trust or any Fund requests any action of a Beneficial Owner, or a Beneficial Owner desires to take any action that the Depository, as the record owner of all outstanding Limited Units of such Fund, is entitled to take, in the case of a Trustee request, the Depository will notify the DTC Participants regarding such request, such DTC Participants will in turn notify each Indirect Participant holding Limited Units through it, with each successive Indirect Participant continuing to notify each person holding Limited Units through it until the request has reached the Beneficial Owner, and in the case of a request or authorization to act being sought or given by a Beneficial Owner, such request or authorization is given by the Beneficial Owner and relayed back to the Trust or such Fund through each Indirect Participant and DTC Participant through which the Beneficial Owner's interest in the Limited Units is held.

- (f) **Communication between the Trust and the Beneficial Owners.** As described above, the Trust and the Funds will recognize the Depository or its nominee as the owner of all Limited Units for all purposes except as expressly set forth in this Trust Agreement. Conveyance of all notices, statements and other communications to Beneficial Owners will be effected as follows. Pursuant to the Depository Agreement, the Depository is required to make available to the Funds upon request and for a fee to be charged to the Funds a listing of the Limited Unit holdings of each DTC Participant. The Trust or the Funds shall inquire of each such DTC Participant as to the number of Beneficial Owners holding Limited Units, directly or indirectly, through such DTC Participant. The Trust or the Funds shall provide each such DTC Participant with sufficient copies of such notice, statement or other communication, in such form, number and at such place as such DTC Participant may reasonably request, in order that such notice, statement or

Table of Contents

communication may be transmitted by such DTC Participant, directly or indirectly, to such Beneficial Owners. In addition, the Funds shall pay to each such DTC Participant an amount as reimbursement for the expenses attendant to such transmittal, all subject to applicable statutory and regulatory requirements.

- (g) Distributions. Distributions on Limited Units pursuant to Section 3.8 shall be made to the Depository or its nominee, Cede & Co., as the registered owner of all Limited Units. The Trust and the Managing Owner expect that the Depository or its nominee, upon receipt of any payment of distributions in respect of Limited Units, shall credit immediately DTC Participants' accounts with payments in amounts proportionate to their respective beneficial interests in Limited Units as shown on the records of the Depository or its nominee. The Trust and the Managing Owner also expect that payments by DTC Participants to Indirect Participants and Beneficial Owners held through such DTC Participants and Indirect Participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in a street name, and will be the responsibility of such DTC Participants and Indirect Participants. None of the Trust, the Funds, the Trustee or the Managing Owner will have any responsibility or liability for any aspects of the records relating to or notices to Beneficial Owners, or payments made on account of beneficial ownership interests in Limited Units, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests or for any other aspect of the relationship between the Depository and the DTC Participants or the relationship between such DTC Participants and the Indirect Participants and Beneficial Owners owning through such DTC Participants or Indirect Participants or between or among the Depository, any Beneficial Owner and any person by or through which such Beneficial Owner is considered to own Limited Units.
- (h) Limitation of Liability. Each Global Security to be issued hereunder is executed and delivered solely on behalf of the applicable Fund by the Managing Owner, as Managing Owner, in the exercise of the powers and authority conferred and vested in it by this Trust Agreement. The representations, undertakings and agreements made on the part of the Fund in each Global Security are made and intended not as personal representations, undertakings and agreements by the

Table of Contents

Managing Owner or the Trustee, but are made and intended for the purpose of binding only the Fund. Nothing in the Global Security shall be construed as creating any liability on the Managing Owner or the Trustee, individually or personally, to fulfill any representation, undertaking or agreement other than as provided in this Trust Agreement.

- (i) Successor Depository. If a successor to The Depository Trust Company shall be employed as Depository hereunder, the Trust and the Managing Owner shall establish procedures acceptable to such successor with respect to the matters addressed in this Section 3.5.

SECTION 3.6 *Assets*. All consideration received by a Fund for the issue or sale of Units together with all of the applicable Trust Estate in which such consideration is invested or reinvested, all income, earnings, profits, and proceeds thereof, including any proceeds derived from the sale, exchange or liquidation of such assets and any funds or payments derived from any reinvestment of such proceeds in whatever form the same may be, shall irrevocably belong to that Fund for all purposes, subject only to the rights of creditors of such Fund and except as may otherwise be required by applicable tax laws, and shall be so recorded upon the books of account of the Trust. Separate and distinct records shall be maintained for each Fund and the assets associated with a Fund shall be held and accounted for in such separate and distinct records (directly or indirectly, including through a nominee or otherwise) separately from the other assets of the Trust, or any other Fund. In the event that there is any Trust Estate, or any income, earnings, profits, and proceeds thereof, funds, or payments which are not readily identifiable as belonging to any particular Fund, the Managing Owner shall allocate them among any one or more of the Funds established and designated from time to time in such manner and on such basis as the Managing Owner, in its sole discretion, deems fair and equitable. Each such allocation by the Managing Owner shall be conclusive and binding upon all Unitholders for all purposes.

SECTION 3.7 *Liabilities of Funds*.

- (a) The Trust Estate belonging to each particular Fund shall be charged with the liabilities of the Trust in respect of that series and only that series; and all expenses, costs, charges, indemnities and reserves attributable to that Fund, and any general liabilities, expenses, costs, charges, indemnities or reserves of the Trust which are not readily identifiable as belonging to any particular Fund, shall be allocated and charged by the Managing Owner to and among any one or more of the series established and designated from time to time in such manner and on such basis as the Managing

Owner in its sole discretion deems fair and equitable. Each allocation of liabilities, expenses, costs, charges and reserves by the Managing Owner shall be conclusive and binding upon all Unitholders for all purposes. The Managing Owner shall have full discretion, to the extent not inconsistent with applicable law, to determine which items shall be treated as income and which items as capital, and each such determination and allocation shall be conclusive and binding upon the Unitholders. Every written agreement, instrument or other undertaking made or issued by or on behalf of a particular series shall include a recitation limiting the obligation or claim represented thereby to that series and its assets.

- (b) Without limitation of the foregoing provisions of this Section, but subject to the right of the Managing Owner in its discretion to allocate general liabilities, expenses, costs, charges or reserves as herein provided, the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to a particular series shall be enforceable against the assets of such series only ~~and against the Managing Owner~~, and not against the assets of the Trust generally or of any other series. Notice of this limitation on interseries liabilities shall be set forth in the Certificate of Trust of the Trust (whether originally or by amendment) as filed or to be filed in the Office of the Secretary of State of the State of Delaware pursuant to the Delaware Trust Statute, and upon the giving of such notice in the Certificate of Trust, the statutory provisions of Section 3804 of the Delaware Trust Statute relating to limitations on interseries liabilities (and the statutory effect under Section 3804 of setting forth such notice in the Certificate of Trust) shall become applicable to the Trust and each Fund. Every Unit, note, bond, contract, instrument, certificate or other undertaking made or issued by or on behalf of a particular series shall include a recitation limiting the obligation on Units represented thereby to that series and its assets.

- (i) ~~Except as set forth below, any debts, liabilities, obligations, indebtedness, expenses, interests and claims of any nature and all kinds and descriptions, if any, of the Managing Owner and the Trustee (the **Subordinated Claims**) incurred, contracted for or otherwise existing, arising from, related to or in connection with all series, any combination of series or one particular series and their respective assets (the **Applicable Series**) and the assets of the Trust shall be expressly subordinate and~~

~~junior in right of payment to any and all other Claims against the Trust and any series thereof, and any of their respective assets, which may arise as a matter of law or pursuant to any contract, provided, however, that the Claims of each of the Managing Owner and the Trustee (if any) against the Applicable Series shall not be considered Subordinated Claims with respect to enforcement against and distribution and repayment from the Applicable Series, the Applicable Series—assets and the Managing Owner and its assets; and provided further that the valid Claims of either the Managing Owner or the Trustee, if any, against the Applicable Series shall be pari passu and equal in right of repayment and distribution with all other valid Claims against the Applicable Series;~~

- ~~(ii) the Managing Owner and the Trustee will not take, demand or receive from any Fund or the Trust or any of their respective assets (other than the Applicable Series, the Applicable Series—assets and the Managing Owner and its assets) any payment for the Subordinated Claims;~~
- ~~(iii) The Claims of each of the Managing Owner and the Trustee with respect to the Applicable Series shall only be asserted and enforceable against the Applicable Series, the Applicable Series—assets and the Managing Owner and its assets; and such Claims shall not be asserted or enforceable for any reason whatsoever against any other series, the Trust generally, or any of their respective assets;~~
- ~~(iv) If the Claims of the Managing Owner or the Trustee against the Applicable Series or the Trust are secured in whole or in part, each of the Managing Owner and the Trustee hereby waives (under section 1111(b) of the Bankruptcy Code (11 U.S.C. § 1111(b)) any right to have any deficiency Claims (which deficiency Claims may arise in the event such security is inadequate to satisfy such Claims) treated as unsecured Claims against the Trust or any series (other than the Applicable Series), as the case may be;~~
- ~~(v) In furtherance of the foregoing, if and to the extent that the Managing Owner and the Trustee receive monies in connection with the Subordinated Claims from a Fund or the Trust (or their respective assets), other than the Applicable Series, the Applicable Series—assets and the Managing Owner and its assets, the Managing Owner and the Trustee shall be deemed to hold such monies in~~

~~trust and shall promptly remit such monies to the Fund or the Trust that paid such amounts for distribution by the Fund or the Trust in accordance with the terms hereof; and~~

~~(vi) The foregoing Consent shall apply at all times notwithstanding that the Claims are satisfied, and notwithstanding that the agreements in respect of such Claims are terminated, rescinded or canceled.~~

- (c) Any agreement entered into by the Trust, any Fund, or the Managing Owner, on behalf of the Trust generally or any Fund, including, without limitation, the Purchase Order Subscription Agreement entered into with each Limited Owner, will include language substantially similar to the language set forth in Section 3.7(b).

SECTION 3.8 *Distributions.*

- (a) Distributions on Units may be paid with such frequency as the Managing Owner may determine, which may be daily or otherwise, to the Unitholders, from such of the income and capital gains, accrued or realized, from each Trust Estate, after providing for actual and accrued liabilities. All distributions on Units thereof shall be distributed pro rata to the Unitholders in proportion to the total outstanding Units held by such Unitholders at the date and time of record established for the payment of such distribution and in accordance with Section 3.5(g). Such distributions may be made in cash or Units as determined by the Managing Owner or pursuant to any program that the Managing Owner may have in effect at the time for the election by each Unitholder of the mode of the making of such distribution to that Unitholder.

- (b) The Units shall represent units of beneficial interest in each applicable Trust Estate. Each Unitholder shall be entitled to receive its pro rata share of distributions of income and capital gains in accordance with Section 3.8(a).

SECTION 3.9 *Voting Rights.* Notwithstanding any other provision hereof, on each matter submitted to a vote of the Unitholders, each Unitholder shall be entitled to a proportionate vote based upon the product of the Net Asset Value per Unit of a Fund multiplied by the number of Units, or fraction thereof, standing in its name on the books of such Fund in accordance with Section 3.5(g).

SECTION 3.10 *Equality.* Except as provided herein, all Units of a Fund shall represent an equal proportionate beneficial interest in the

Table of Contents

assets of the Fund subject to the liabilities of the Fund, and each Unit shall be equal to each other Unit. The Managing Owner may from time to time divide or combine the Units into a greater or lesser number of Units without thereby changing the proportionate beneficial interest in the assets of the Funds or in any way affecting the rights of Unitholders.

ARTICLE IV

SECTION 6.1 *Capital Accounts.* The Trust shall maintain for each Unitholder (which includes beneficial owners of Units where information regarding the identity of such owner has been furnished to the Fund in accordance with section 6031(c) of the Code or any other method acceptable to the Managing Owner in its sole discretion) owning a Unit a separate Capital Account with respect to such Unit in accordance with the rules of Treasury Regulation section 1.704-1(b)(2)(iv). The initial balance of each Unitholder's book capital account shall be the amount of its initial Capital Contribution. Such Capital Account shall be (i) increased by the amount of all Capital Contributions made with respect to the respective Unit and all items of income and gain with respect to each Fund computed and allocated to the Unitholder's Units in accordance with this Trust Agreement and (ii) decreased by the amount of cash distributions made with respect to such Unit and all items of deduction and loss with respect to each Fund computed and allocated in accordance with this Trust Agreement.

- (a) Consistent with the provisions of Treasury Regulation section 1.704-1(b)(2)(iv)(f), upon an issuance of additional Units with respect to a Fund for cash, the Capital Accounts of all Unitholders with respect to such Fund shall, immediately prior to such issuances, be adjusted (consistent with the provisions hereof) upwards or downwards to reflect any Unrealized Gain or Unrealized Loss attributable to each Fund property, as if such Unrealized Gain or Unrealized Loss had been recognized upon an actual sale of each such property, immediately prior to such issuance, and had been allocated to its Unitholders at such time pursuant to Section 6.3.

- (b) In accordance with Treasury Regulation section 1.704-1(b)(2)(iv)(f), immediately prior to the distribution of cash in redemption of all or a portion of a Unitholder's Units, the capital accounts of all Unitholders with respect to a Fund shall, immediately prior to any such distribution, be adjusted (consistent with the provisions hereof) upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to each Fund property, as if such Unrealized Gain or Unrealized Loss had been recognized upon an actual sale of

each property, immediately prior to such distribution, and had been allocated to the Unitholders at such time pursuant to Section 6.3.

SECTION 6.2 *Periodic Closing of Books.* Within forty-five (45) days after the end of each calendar month (or such other period as the Managing Owner may determine in its sole discretion) or such shorter period as required for the final closing of the books for the taxable year, each Fund shall conduct an interim closing of the books of the Fund as of the end of the last day of that calendar month (or such other period as the Managing Owner may determine in its sole discretion). On the basis of the closing of the books for each calendar month (or such other period as the Managing Owner may determine in its sole discretions), each Fund shall determine the amount of Profit and Loss of the Fund attributable to that calendar month (or such other period as the Managing Owner may determine in its sole discretion). Fund Profits and Losses shall be determined in accordance with the accounting methods followed by the Fund for U.S. federal income tax purposes.

- (a) For purposes of maintaining each Fund's Capital Accounts and in determining the rights of the Unitholders among themselves, except as otherwise provided in this Article VI, each item of income, gain, loss and deduction shall be allocated among Unitholders in accordance with their respective Percentage Interests.

- ~~(b) Any item of loss or deduction otherwise allocated to the Managing Owner pursuant to Section 6.3 which is in excess of such Managing Owner's positive Adjusted Capital Account balance (following adjustment to reflect the allocation of all other items for such period) shall instead be allocated to the other Unitholders in accordance with their respective Percentage Interests to the extent such item of loss or deduction exceeds such Managing Owner's Adjusted Capital Account balance; provided that the allocation of any such item to such other Unitholders shall only be made hereunder to the extent the allocation would not result in or increase a negative balance in the Adjusted Capital Account of such other Unitholders. If such an allocation occurs, items~~

Table of Contents

~~of income or gain that would otherwise be allocated to the Managing Owner equal to the amount of such allocated loss or deduction will be allocated to the other Unitholders in accordance with their Percentage Interests as quickly as possible.~~

(b) ~~(e)~~ If any Unitholder unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Fund income and gain shall be specially allocated to such Unitholder in an amount and manner sufficient to eliminate a deficit in its Adjusted Capital Account created by such adjustments, allocations or distributions as quickly as possible. This Section 6.3(c) is intended to constitute a qualified income offset within the meaning of Treasury Regulation section 1.704-1(b)(2)(ii)(d).

(c) ~~(d)~~ Notwithstanding any other provision of this Trust Agreement, upon or prior to the issuance of additional Units, the Managing Owner shall have the sole and complete discretion, without the approval of any other Unitholder, to amend any provision of this Article VI in any manner, as is necessary, appropriate or advisable to comply with any current or future provisions of the Code or the Treasury Regulations or to implement the terms and conditions of any Units.

SECTION 6.4 *Code Section 754 Adjustments.* To the extent an adjustment to the tax basis of any Fund asset pursuant to Section 743(b) or 743(c) of the Code is required, pursuant to Treasury Regulation section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such item of gain or loss shall be specially allocated to the Unitholders in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such regulation. For purposes of computing the adjustments under section 743(b) of the Code, a Fund is authorized (but not required), in the Managing Owner's sole and complete discretion, to adopt a convention whereby the price paid by a transferee of Units will be deemed to be the weighted average closing price of the Units of the particular Fund on the Exchange during the calendar month in which such transfer is deemed to occur pursuant to Section 5.3 without regard to the actual price paid by the transferee (or any other convention as the Managing Owner may determine in its sole and complete discretion).

SECTION 6.5 *Allocation of Profit and Loss for U.S. Federal Income Tax Purposes.*

- (a) Except as otherwise provided, each item of income, gain, loss, deduction and credit of each Fund shall be allocated among the Unitholders in accordance with their respective Percentage Interests.

- (b) In an attempt to eliminate Book-Tax Disparities attributable to Adjusted Property, items of income, gain, and loss will be allocated for federal income tax purposes among the Unitholders of each Fund as follows:
 - (i) Items attributable to an Adjusted Property will be allocated among the Unitholders of each Fund in a manner consistent with the principles of section 704(c) of the Code to take into account the Unrealized Gain or Loss attributable to the property and the allocations thereof pursuant to Sections 6.3(a) and (b).

 - (ii) Any items of income, gain, loss or deduction otherwise allocable under this Section 6.5 shall be subject to allocation by the Managing Owner in a manner designed to eliminate, to the maximum extent possible, Book-Tax Disparities in an Adjusted Property otherwise resulting from the application of the ceiling limitation under section 704(c) principles to the allocations provided under this Section.

 - (iii) Subject to this Section 6.5(b), any items of income, gain, loss or deduction otherwise allocable to the Managing Owner pursuant to Section 6.3(a) that constitutes the tax corollary of an item of book income, gain, loss or deduction that has been allocated to the other Unitholders of a Fund pursuant to Section 6.3(b) shall be allocated to such other Unitholders in the same manner and to the same extent provided in this Section 6.5(b).

 - (iv) If any Unitholder unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation section 1.704-1(b)(2)(ii)(d), items of income and gain shall be specially allocated to such Unitholder in an amount and manner consistent with the allocations of income and gain pursuant to Section 6.3(c).

- (c) The allocation of income and loss (and items thereof) for U.S. federal income tax purposes set forth in this Section 6.5 is intended to allocate taxable income and loss among Unitholders generally in the ratio and to the extent that net profit and net loss shall be allocated to such Unitholders

under Section 6.3 so as to eliminate, to the extent possible, any disparity between a Unitholder's book capital account and his tax capital account, consistent with the principles set forth in Sections 704(b) and (c)(2) of the Code.

- (d) Notwithstanding this Section 6.5, if after taking into account any distributions to be made with respect to such Unit for the relevant period pursuant to Section ~~6.76.8~~ herein, any allocation would produce a deficit in the book capital account of a Unit, the portion of such allocation that would create such a deficit shall instead be allocated pro rata to the book capital accounts of all the remaining Unitholders in such Fund (subject to the same limitation).

SECTION 6.6 *Effect of Section 754 Election.* All items of income, gain, loss, deduction and credit recognized by a Fund for U.S. federal income tax purposes and allocated to Unitholders in such Fund in accordance with the provisions of this Trust Agreement shall be determined without regard to any election under section 754 of the Code which may be made by such Fund; provided, however, that such allocations, once made, shall be adjusted as necessary or appropriate to take into account those adjustments permitted or required by sections 734 or 743 of the Code.

SECTION 6.7 *Admissions of Unitholders; Transfers.* For purposes of this Article VI, items of each Fund's income, gain, loss, deduction and credit attributable to a transferred Unit shall, for U.S. federal income tax purposes, be determined on an annual basis and prorated on a monthly basis (or other basis, as required or permitted by section 706 of the Code) and shall be allocated to such Unitholders who own the Units as of the close of the Exchange on the last day of the month in which the transfer is recognized by the Trust; provided that, gain or loss on the sale or other disposition of all or a substantial portion of the assets of the Trust shall be allocated to the Unitholders who own Units as of the close of the Exchange on the last day of the month in which such gain or loss is recognized for federal income tax purposes. The Managing Owner may revise, alter or otherwise modify such methods of determination and allocation as it determines necessary, to the extent permitted by section 706 of the Code and the regulations or rulings promulgated thereunder.

SECTION 6.8 *Allocation of Distributions.* Initially, distributions shall be made by the Managing Owner, and the Managing Owner shall have sole discretion in determining the amount and frequency of distributions, other than redemptions, with respect to the Units; provided, however, that no distribution shall be made that violates the Delaware Trust Statute. The aggregate distributions made in a Fiscal

Year (other than distributions on termination, which shall be allocated in the manner described in Article XIII) shall be allocated among the holders of record of Units in the ratio in which the number of Units held of record by each of them bears to the number of Units held of record by all of the Unitholders of such Fund as of the record date of such distribution; provided, further, however, that any distribution made in respect of a Unit shall not exceed the book capital account for such Unit.

SECTION 6.9 *Liability for State and Local and Other Taxes.* In the event that the Trust or a Fund shall be separately subject to taxation by any state or local or by any foreign taxing authority, the Trust or such Fund shall be obligated to pay such taxes to such jurisdiction. In the event that the Trust or any Fund shall be required to make payments to any Federal, state or local or any foreign taxing authority in respect of any Unitholder's allocable share of income, the amount of such taxes shall be considered a loan by the Trust or such Fund to such Unitholder, and such Unitholder shall be liable for, and shall pay to the Trust or such Fund, any taxes so required to be withheld and paid over by the Trust or such Fund within ten (10) days after the Managing Owner's request therefor. Such Unitholder shall also be liable for (and the Managing Owner shall be entitled to redeem additional Units of the foreign Unitholder as necessary to satisfy) interest on the amount of taxes paid over by the Trust or the Fund to the IRS or other taxing authority, from the date of the Managing Owner's request for payment to the date of payment or the redemption, as the case may be, at the rate of two percent (2%) over the prime rate charged from time to time by Citibank, N.A. The amount, if any, payable by the Trust or a Fund to the Unitholder in respect of its Units so redeemed, or in respect of any other actual distribution by the Trust or any Fund to such Unitholder, shall be reduced by any obligations owed to the Trust or any Fund by the Unitholder, including, without limitation, the amount of any taxes required to be paid over by the Trust or any Fund to the IRS or other taxing authority and interest thereon as aforesaid. Amounts, if any, deducted by the Trust or any Fund from any actual distribution or redemption payment to such Unitholder shall be treated as an actual distribution to such Unitholder for all purposes of this Trust Agreement.

SECTION 6.10 *Consent to Methods.* The methods set forth in this Article VI by which Distributions are made and items of Profit and Loss are allocated are hereby expressly consented to by each Unitholder as an express condition to becoming a Unitholder.

REDEMPTIONS

SECTION 7.1 *Redemption of Redemption Baskets.* The following procedures, as supplemented by the more detailed procedures specified in the attachment to the applicable Participant Agreement, which may be amended from time to time in accordance with the provisions of such Participant Agreement (and any such amendment will not constitute an amendment of this Trust Agreement), will govern the Trust and the Funds with respect to the redemption of Redemption Baskets.

- (a) On any Business Day, a Participant with respect to which a Participant Agreement is in full force and effect (as reflected on the list maintained by the Managing Owner pursuant to Section 3.4(a)(i)) may redeem one or more Redemption Baskets standing to the credit of the Participant on the records of the Depository by delivering a request for redemption to the Managing Owner (such request, a **Redemption Order**) in the manner specified in the procedures specified in the attachment to the Participant Agreement, as amended from time to time in accordance with the provisions of the Participant Agreement (and any such amendment will not constitute an amendment of this Trust Agreement).
- (b) To be effective, a Redemption Order must be submitted on a Business Day by the Order Cut-Off Time in form satisfactory to the Managing Owner (the Business Day on which the Redemption Order is so submitted, the **Redemption Order Date**). The Managing Owner shall reject any Redemption Order the fulfillment of which its counsel advises may be illegal under applicable laws and regulations, and the Managing Owner shall have no liability to any person for rejecting a Redemption Order in such circumstances.
- (c) Subject to deduction of any tax or other governmental charges due thereon, the redemption distribution (**Redemption Distribution**) shall consist of cash in an amount equal to the product obtained by multiplying (i) the number of Redemption Baskets set forth in the relevant Redemption Order by (ii) the Net Asset Value Per Basket of a Fund as of the closing time of the Exchange or the last to close of the exchanges on which any of the Index Commodities is traded, whichever is later, on the Redemption Order Date.

Table of Contents

- (d) Within three Business Days immediately following the Redemption Order Date (the **Redemption Settlement Time**), if the Managing Owner's account at the Depository has by such time as provided in the Participant Agreement, on such day been credited with the Redemption Baskets being tendered for redemption and the Managing Owner has by such time received the Transaction Fee, the Managing Owner shall deliver the Redemption Distribution through the Depository to the account of the Participant as recorded on the book entry system of the Depository. If by such Redemption Settlement Time the Managing Owner has not received from a redeeming Participant all Redemption Baskets comprising the Redemption Order, the Managing Owner will (i) settle the Redemption Order to the extent of whole Redemption Baskets received from the Participant and (ii) keep the redeeming Participant's Redemption Order open until such time as provided in the Participant Agreement, on the first Business Day following the Redemption Settlement Date as to the balance of the Redemption Order (such balance, the **Suspended Redemption Order**). If the Redemption Basket(s) comprising the Suspended Redemption Order are credited to the Managing Owner's account at the Depository by such time as provided in the Participant Agreement, on such following Business Day, the Redemption Distribution with respect to the Suspended Redemption Order shall be paid in the manner provided in the second preceding sentence. If by such Redemption Settlement Time the Managing Owner has not received from the redeeming Participant all Redemption Baskets comprising the Suspended Redemption Order, the Managing Owner will settle the Suspended Redemption Order to the extent of whole Redemption Baskets then received and any balance of the Suspended Redemption will be cancelled. Notwithstanding the foregoing, when and under such conditions as the Managing Owner may from time to time determine, the Managing Owner shall be authorized to deliver the Redemption Distribution notwithstanding that a Redemption Basket has not been credited to the Trust's or the applicable Fund's account at the Depository if the Participant has collateralized its obligation to deliver the Redemption Basket on such terms as the Managing Owner may, in its sole discretion, from time to time agree.
- (e) The Managing Owner may, in its discretion, suspend the right of redemption, or postpone the Redemption Settlement Date, (i) for any period during which the Exchange or any

Table of Contents

other applicable exchange is closed other than customary weekend or holiday closings, or trading is suspended or restricted; (ii) for any period during which an emergency exists as a result of which delivery, disposal or evaluation of a Fund's assets is not reasonably practicable; or (iii) for such other period as the Managing Owner determines to be necessary for the protection of Beneficial Owners. The Managing Owner is not liable to any person or in any way for any loss or damages that may result from any such suspension or postponement.

- (f) Redemption Baskets effectively redeemed pursuant to the provisions of this Section 7.1 shall be cancelled by the Trust or the applicable Fund in accordance with the Depository's procedures.

SECTION 7.2 *Other Redemption Procedures.* The Managing Owner from time to time may, but shall have no obligation to, establish procedures with respect to redemption of Limited Units in lot sizes smaller than the Redemption Basket and permitting the Redemption Distribution to be in a form, and delivered in a manner, other than that specified in Section 7.1.

ARTICLE VIII

THE LIMITED OWNERS

SECTION 8.1 *No Management or Control; Limited Liability; Exercise of Rights through DTC.* The Limited Owners shall not participate in the management or control of the Trusts or the applicable Fund's business nor shall they transact any business for the Trust or any Fund or have the power to sign for or bind the Trust or any Fund, said power being vested solely and exclusively in the Managing Owner. Except as provided in Section 8.3 hereof, no Limited Owner shall be bound by, or be personally liable for, the expenses, liabilities or obligations of the Trust or any Fund in excess of its Capital Contribution plus its share of any Fund Trust Estate in which such Limited Owner owns a Limited Unit and profits remaining, if any. Except as provided in Section 8.3 hereof, each Limited Unit owned by a Limited Owner shall be fully paid and no assessment shall be made against any Limited Owner. No salary shall be paid to any Limited Owner in its capacity as a Limited Owner, nor shall any Limited Owner have a drawing account or earn interest on its Capital Contribution. By the purchase and acceptance or other lawful delivery and acceptance of Limited Units, each Beneficial Owner shall be deemed to be a Limited Owner and beneficiary of the applicable Fund and vested with beneficial undivided interest in such Fund to the extent of the Limited

The rights of Beneficial Owners under this Trust Agreement must be exercised by DTC Participants, or Indirect Participants, as applicable, acting on their behalf in accordance with the rules and procedures of the Depository, as provided in Section 3.5.

SECTION 8.2 *Rights and Duties.* The Limited Owners shall have the following rights, powers, privileges, duties and liabilities:

- (a) The Limited Owners shall have the right to obtain from the Managing Owner information on all things affecting the Trust or the applicable Fund, provided that such is for a purpose reasonably related to the Limited Owner's interest as a beneficial owner of the Trust or the applicable Fund, including, without limitation, such reports as are set forth in Article IX and the list of Participants contemplated by Section 3.4(a)(i). In the event that the Managing Owner neglects or refuses to produce or mail to a Limited Owner a copy of the list of Participants contemplated by Section 3.4(a)(i), the Managing Owner shall be liable to such Limited Owner for the costs, including reasonable attorney's fees, incurred by such Limited Owner to compel the production of such information, and for any actual damages suffered by such Limited Owner as a result of such refusal or neglect; provided, however, it shall be a defense of the Managing Owner that the actual purpose of the Limited Owner's request for such information was not reasonably related to the Limited Owner's interest as a beneficial owner in a Fund (e.g., to secure such information in order to sell it, or to use the same for a commercial purpose unrelated to the participation of such Limited Owner in the Fund). The foregoing rights are in addition to, and do not limit, other remedies available to Limited Owners under U.S. federal or state law.

- (b) The Limited Owners shall receive the share of the distributions provided for in this Trust Agreement in the manner and at the times provided for in this Trust Agreement.

- (c) Except for the Limited Owners' redemption rights set forth in Article VII hereof, the Limited Owners shall have the right to demand the return of their Capital Account only upon the dissolution and winding up of the applicable Fund or the Trust and only to the extent of funds available therefor. In no event shall a Limited Owner be entitled to demand or receive property other than cash. Except with respect to class

differences, no Limited Owner shall have priority over any other Limited Owner either as to the return of capital or as to profits, losses or distributions. The Limited Owner shall not have any right to bring an action for partition against the Trust or a Fund.

- (d) Limited Owners holding Units representing at least a majority (over 50%) in Net Asset Value of each affected Fund (not including Units held by the Managing Owner and its Affiliates), voting separately as a class, may vote to (i) continue the Trust as provided in Section 13.1(a), (ii) remove the Managing Owner on prior written notice to the Managing Owner, (iii) elect and appoint one or more additional Managing Owners, ~~or consent to such matters as are set forth in Section 5.2(b)~~, (iv) approve a material change in the trading policies, as set forth in the Prospectus, which change shall not be effective without the prior written approval of such majority, (v) approve the termination of any agreement entered into between the Trust and the Managing Owner or any Affiliate of the Managing Owner for any reason, without penalty, on prior written notice to the Managing Owner, (vi) approve amendments to this Trust Agreement as set forth in Section 11.1 hereof, and (vii) terminate the Trust as provided in Section 13.1(e), and in the case of (ii), (iii), (iv) and (v) in each instance on 10 days prior written notice.

- (e) Certain K-1 Unitholders representing at least a majority (over 50%) in Net Asset Value (not including Units held by the Managing Owner and its Affiliates) may vote to (i) remove the Tax Agent on prior written notice to the Managing Owner, and (ii) designate a replacement Tax Agent on prior written notice to the Managing Owner, in each instance on 10 days prior written notice.

Except as set forth above, the Limited Owners shall have no voting or other rights with respect to the Trust or any Fund.

SECTION 8.3 *Limitation on Liability.*

- (a) Except as provided in Sections 4.7(f), and ~~6.26.9~~ hereof, and as otherwise provided under Delaware law, the Limited Owners shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the general corporation law of Delaware and no Limited Owner shall be liable for claims against, or debts of the Trust or the applicable Fund in excess of its Capital Contribution and his share of the applicable

Fund Trust Estate and undistributed profits, except in the event that the liability is founded upon misstatements or omissions contained in such Limited Owner's Participant Agreement delivered in connection with his purchase of Units. In addition, and subject to the exceptions set forth in the immediately preceding sentence, the Trust or the applicable Fund shall not make a claim against a Limited Owner with respect to amounts distributed to such Limited Owner or amounts received by such Limited Owner upon redemption unless, under Delaware law, such Limited Owner is liable to repay such amount.

- (b) The Trust or the applicable Fund shall indemnify to the full extent permitted by law and the other provisions of this Trust Agreement, and to the extent of the applicable Fund Trust Estate, each Limited Owner ~~(excluding the Managing Owner to the extent of its ownership of any Limited Units)~~ against any claims of liability asserted against such Limited Owner solely because he is a beneficial owner of one or more Units as a Limited Owner (other than for taxes for which such Limited Owner is liable under Section 6.2 hereof).
- (c) Every written note, bond, contract, instrument, certificate or undertaking made or issued by the Managing Owner shall give notice to the effect that the same was executed or made by or on behalf of the Trust or the applicable Fund and that the obligations of such instrument are not binding upon the Limited Owners individually but are binding only upon the assets and property of the applicable Fund, and no resort shall be had to the Limited Owners' personal property for satisfaction of any obligation or claim thereunder, and appropriate references may be made to this Trust Agreement and may contain any further recital which the Managing Owner deems appropriate, but the omission thereof shall not operate to bind the Limited Owners individually or otherwise invalidate any such note, bond, contract, instrument, certificate or undertaking. Nothing contained in this Section 8.3 shall diminish the limitation on the liability of the Trust to the extent set forth in Sections 3.6 and 3.7 hereof.

AMENDMENT OF TRUST AGREEMENT; MEETINGS

SECTION 11.1 *Amendments to this Trust Agreement.*

- (a) Amendments to this Trust Agreement may be proposed by the Managing Owner or by Limited Owners holding Units equal to at least 10% of the Net Asset Value of each Fund, unless the proposed amendment affects only certain series, in which case such amendment may be proposed by Limited Owners holding Units equal to at least ten percent (10%) of Net Asset Value of each affected series. Following such proposal, the Managing Owner shall submit to the Limited Owners of each affected series a verbatim statement of any proposed amendment, and statements concerning the legality of such amendment and the effect of such amendment on the limited liability of the Limited Owners. The Managing Owner shall include in any such submission its recommendations as to the proposed amendment. The amendment shall become effective only upon the written approval or affirmative vote of Limited Owners holding Units (excluding Units held by the Managing Owner and its Affiliates) equal to at least a majority (over 50%) of the Net Asset Value of all Funds (excluding Units held by the Managing Owner and its Affiliates) or, if the proposed amendment affects only certain series, of each affected series, or such higher percentage as may be required by applicable law, ~~and upon receipt of an opinion of independent legal counsel to the effect that the amendment is legal, valid and binding and will not adversely affect the limitations on liability of the Limited Owners as described in Section 8.3 of this Trust Agreement.~~ Notwithstanding the foregoing, where any action taken or authorized pursuant to any provision of this Trust Agreement requires the approval or affirmative vote of Limited Owners holding a greater interest in Limited Units than is required to amend this Trust Agreement under this Section 11.1, and/or the approval or affirmative vote of the Managing Owner, an amendment to such provision(s) shall be effective only upon the written approval or affirmative vote of the minimum number of Unitholders which would be required to take or authorize such action, or as may otherwise be required by applicable law, ~~and upon receipt of an opinion of independent legal counsel as set forth above in this Section 11.1.~~ In addition, except as otherwise provided below, reduction of the capital account of any assignee or modification of the percentage of Profits, Losses

or distributions to which an assignee is entitled hereunder shall not be affected by amendment to this Trust Agreement without such assignee's approval.

- (b) Notwithstanding any provision to the contrary contained in Section 11.1(a) hereof, the Managing Owner may, without the approval of the Limited Owners, make such amendments to this Trust Agreement which (i) are necessary to add to the representations, duties or obligations of the Managing Owner or surrender any right or power granted to the Managing Owner herein, for the benefit of the Limited Owners, (ii) are necessary to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or in the Prospectus, or to make any other provisions with respect to matters or questions arising under this Trust Agreement or the Prospectus which will not be inconsistent with the provisions of the Trust Agreement or the Prospectus, or (iii) the Managing Owner deems advisable, provided, however, that no amendment shall be adopted pursuant to this clause (iii) unless the adoption thereof (A) is not adverse to the interests of the Limited Owners; (B) is consistent with Section 4.1 hereof; (C) except as otherwise provided in Section 11.1(c) below, does not affect the allocation of Profits and Losses among the Limited Owners or between the Limited Owners and the Managing Owner; and (D) does not adversely affect the limitations on liability of the Limited Owners, as described in Article VIII hereof or the status of any Fund as a partnership for U.S. federal income tax purposes. Amendments to this ~~document which adversely affect (i)~~ Trust Agreement that (i) adversely affect the rights of Limited Owners, (ii) ~~the appointment of a new Managing Owner pursuant to Section 4.2(e) above, (iii)~~ relate to the dissolution of the Trust pursuant to Section 13.1(f) below ~~and, or (iv)~~ relate to any material changes in the Trust's or a Fund's basic investment policies or structure shall occur only upon the written approval or affirmative vote of Limited Owners holding Units equal to at least a majority (over 50%) of the Net Asset Value of each Fund or, if not all Funds are affected, of the affected Fund or Funds (excluding Units held by the Managing Owner and its Affiliates) pursuant to Section 11.1(a) above.
- (c) Notwithstanding any provision to the contrary contained in Sections 11.1(a) and (b) hereof, the Managing Owner may, without the approval of the Limited Owners, amend the provisions of this Trust Agreement if the Trust is advised at

any time by the Trust's accountants or legal counsel that the amendments made are necessary to ensure that the Funds' status as partnerships will be respected for U.S. federal income tax purposes.

- (d) Upon amendment of this Trust Agreement, the Certificate of Trust shall also be amended, if required by the Delaware Trust Statute, to reflect such change.

- (e) No amendment shall be made to this Trust Agreement without the consent of the Trustee if it reasonably believes that such amendment adversely affects any of the rights, duties or liabilities of the Trustee; provided, however, that the Trustee may not withhold its consent for any action which the Limited Owners are permitted to take under Section 8.2(d) above. At the expense of the Managing Owner, the Trustee shall execute and file any amendment to the Certificate of Trust if so directed by the Managing Owner or if such amendment is required in the opinion of the Trustee.

- (f) The Trustee shall be under no obligation to execute any amendment to the Trust Agreement or to any agreement to which the Trust is a party until it has received an instruction letter from the Managing Owner, in form and substance reasonably satisfactory to the Trustee (i) directing the Trustee to execute such amendment, (ii) representing and warranting to the Trustee that such execution is authorized and permitted by the terms of the Trust Agreement and (if applicable) such other agreement to which the Trust is a party and does not conflict with or violate any other agreement to which the Trust is a party and (iii) confirming that such execution and acts related thereto are covered by the indemnity provisions of the Trust Agreement in favor of the Trustee and do not adversely affect the Trustee.

- (g) To the fullest extent permitted by law, no provision of this Trust Agreement may be amended, waived or otherwise modified orally but only by a written instrument adopted in accordance with this Section.

SECTION 11.2 *Meetings of the Trust or the Funds.* Meetings of the Unitholders may be called by the Managing Owner and will be called by it upon the written request of Limited Owners holding Units equal to at least 10% of the Net Asset Value of all Funds or any Fund, as applicable. Such call for a meeting shall be deemed to have been made upon the receipt by the Managing Owner of a written request from the requisite percentage of Limited Owners. The Managing Owner shall deposit in the United States mails within fifteen (15) days after receipt of said request, written notice to all Unitholders of the applicable Fund

Table of Contents

of the meeting and the purpose of the meeting, which shall be held on a date, not less than thirty (30) nor more than sixty (60) days after the date of mailing of said notice, at a reasonable time and place. Any notice of meeting shall be accompanied by a description of the action to be taken at the meeting and an opinion of independent counsel as to the effect of such proposed action on the liability of Limited Owners for the debts of the applicable Fund. Unitholders may vote in person or by proxy at any such meeting.

SECTION 11.3 *Action Without a Meeting.* Any action required or permitted to be taken by Unitholders by vote may be taken without a meeting by written consent setting forth the actions so taken. Such written consents shall be treated for all purposes as votes at a meeting. If the vote or consent of any Unitholder to any action of the Trust, any Fund or any Unitholder, as contemplated by this Trust Agreement, is solicited by the Managing Owner, the solicitation shall be effected by notice to each Unitholder given in the manner provided in Section 15.4. The vote or consent of each Unitholder so solicited shall be deemed conclusively to have been cast or granted as requested in the notice of solicitation, whether or not the notice of solicitation is actually received by that Unitholder, unless the Unitholder expresses written objection to the vote or consent by notice given in the manner provided in Section 15.4 below and actually received by the Trust within twenty (20) days after the notice of solicitation is effected. The Managing Owner and all persons dealing with the Trust shall be entitled to act in reliance on any vote or consent which is deemed cast or granted pursuant to this Section and shall be fully indemnified by the Trust in so doing. Any action taken or omitted in reliance on any such deemed vote or consent of one or more Unitholders shall not be void or voidable by reason of timely communication made by or on behalf of all or any of such Unitholders in any manner other than as expressly provided in Section 15.4.

ARTICLE XII

ARTICLE XIII

TERMINATION

SECTION 13.1 *Events Requiring Dissolution of the Trust or any Fund.* The Trust or, as the case may be, any Fund shall dissolve at any time upon the happening of any of the following events:

- (a) The filing of a certificate of dissolution or revocation of the Managing Owner's charter (and the expiration of ninety (90) days after the date of notice to the Managing Owner of revocation without a reinstatement of its charter) or upon the withdrawal, removal, adjudication or admission of bankruptcy or insolvency of the Managing Owner (each of the foregoing events an **Event of Withdrawal**) unless (i) at the time there is at least one remaining Managing Owner and that remaining Managing Owner carries on the business of the Trust or (ii) within ninety (90) days of such Event of Withdrawal all the remaining Unitholders agree in writing to continue the business of the Trust and to select, effective as of the date of such event, one or more successor Managing Owners. If the Trust is terminated as the result of an Event of Withdrawal and a failure of all remaining Unitholders to continue the business of the Trust and to appoint a successor Managing Owner as provided in clause (a)(ii) above, within one hundred and twenty (120) days of such Event of Withdrawal, Limited Owners holding Units representing at least a majority (over 50%) of the Net Asset Value of each Fund (not including Units held by the Managing Owner and its Affiliates) may elect to continue the business of the Trust by forming a new statutory trust (the **Reconstituted Trust**) on the same terms and provisions as set forth in this Trust Agreement (whereupon the parties hereto shall execute and deliver any documents or instruments as may be necessary to reform the Trust). Any such election must also provide for the election of a Managing Owner to the Reconstituted Trust. If such an election is made, all Limited Owners of the Trust shall be bound thereby and continue as Limited Owners of the Reconstituted Trust.

- (b) The occurrence of any event which would make unlawful the continued existence of the Trust or any Fund, as the case may be.

- (c) In the event of the suspension, revocation or termination of the Managing Owner's registration as a commodity pool operator or commodity trading advisor under the CE Act, or membership as a commodity pool operator or commodity trading advisor with the NFA (if, in either case, such

registration is required under the CE Act or the rules promulgated thereunder) unless at the time there is at least one remaining Managing Owner whose registration or membership has not been suspended, revoked or terminated.

- (d) The Trust or any Fund, as the case may be, becomes insolvent or bankrupt.
- (e) The Limited Owners holding Units representing at least a majority (over 50%) of the Net Asset Value of all Funds (which excludes the Units of the Managing Owner) vote to dissolve the Trust, notice of which is sent to the Managing Owner not less than ninety (90) Business Days prior to the effective date of termination.
- (f) The determination of the Managing Owner that a Fund's aggregate net assets in relation to the operating expenses of such Fund make it unreasonable or imprudent to continue the business of such Fund, or, in the exercise of its reasonable discretion, the determination by the Managing Owner to dissolve the Trust because the aggregate Net Asset Value of the Trust or any Fund as of the close of business on any Business Day declines below \$10 million.
- (g) The Trust is required to be registered as an investment company under the Investment Company Act of 1940.

(h) DTC is unable or unwilling to continue to perform its functions, and a comparable replacement is unavailable.

The death, legal disability, bankruptcy, insolvency, dissolution, or withdrawal of any Limited Owner (as long as such Limited Owner is not the sole Limited Owner of the Trust) shall not result in the termination of the Trust or any Fund, and such Limited Owner, his estate, custodian or personal representative shall have no right to withdraw or value such Limited Owner's Units. Each Limited Owner (and any assignee thereof) expressly agrees that in the event of his death, he waives on behalf of himself and his estate, and he directs the legal representative of his estate and any person interested therein to waive the furnishing of any inventory, accounting or appraisal of the assets of the applicable Fund and any right to an audit or examination of the books of the applicable Fund, except for such rights as are set forth in Article IX hereof relating to the books of account and reports of the applicable Fund.

SECTION 13.2 *Distributions on Dissolution.* Upon the dissolution of the Trust or any Fund, the Managing Owner (or in the event there is no Managing Owner, such person (the **Liquidating Trustee**) as the majority in interest of the Limited Owners may propose and approve) shall take full charge of the applicable Trust Estate. Any Liquidating

Trustee so appointed shall have and may exercise, without further authorization or approval of any of the parties hereto, all of the powers conferred upon the Managing Owner under the terms of this Trust Agreement, subject to all of the applicable limitations, contractual and otherwise, upon the exercise of such powers, and provided that the Liquidating Trustee shall not have general liability for the acts, omissions, obligations and expenses of the Trust or the Funds. Thereafter, in accordance with Section 3808(e) of the Delaware Trust Statute, the business and affairs of the Trust or any Fund shall be wound up and all assets shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom shall be applied and distributed in the following order of priority: (a) to the expenses of liquidation and termination and to creditors, including Unitholders who are creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the Trust or the Funds (whether by payment or the making of reasonable provision for payment thereof) other than liabilities for distributions to Unitholders, and (b) to the Managing Owner and each Limited Owner pro rata in accordance with his positive book capital account balance, less any amount owing by such Unitholder, after giving effect to all adjustments made pursuant to Article VI and all distributions theretofore made to the Unitholders pursuant to Article VI. ~~After the distribution of all remaining assets of the Trust or any Fund, the Managing Owner will contribute to the Trust or the Fund an amount equal to the lesser of (i) the deficit balance, if any, in its book capital account, and (ii) the total Capital Contributions of the Limited Owners. Any Capital Contributions made by the Managing Owner pursuant to this Section shall be applied first to satisfy any amounts then owed by the Trust or the Fund to its creditors, and the balance, if any, shall be distributed to those Unitholders whose book capital account balances (immediately following the distribution of any liquidation proceeds) were positive, in proportion to their respective positive book capital account balances.~~

SECTION 13.3 *Termination; Certificate of Cancellation.* Following the dissolution and distribution of the assets of all Funds, the Trust shall terminate and the Managing Owner or Liquidating Trustee, as the case may be, shall instruct the Trustee to execute and cause ~~such~~ a certificate of cancellation of the Certificate of Trust to be filed in accordance with the Delaware Trust Statute. POWER OF ATTORNEY

SECTION 14.1 *Power of Attorney Executed Concurrently.* Concurrently with the written acceptance and adoption of the provisions of this Trust Agreement, each Limited Owner shall execute and deliver to the Managing Owner a Power of Attorney as part of its applicable Purchase Order Subscription Agreement, or in such other form as may be prescribed by the Managing Owner. Each Limited Owner, by its execution and delivery hereof, irrevocably constitutes and appoints the Managing Owner and its officers and directors, with full power of substitution, as the true and lawful attorney-in-fact and agent for such Limited Owner with full power and authority to act in his name and on his behalf in the execution, acknowledgment, filing and publishing of Trust documents, including, but not limited to, the following:

- (a) Any certificates and other instruments, including but not limited to, any applications for authority to do business and amendments thereto, which the Managing Owner deems appropriate to qualify or continue the Trust as a business or statutory trust in the jurisdictions in which the Trust may conduct business, so long as such qualifications and continuations are in accordance with the terms of this Trust Agreement or any amendment hereto, or which may be required to be filed by the Trust or the Unitholders under the laws of any jurisdiction;
- (b) Any instrument which may be required to be filed by the Trust under the laws of any state or by any governmental agency, or which the Managing Owner deems advisable to file; and

SECTION 14.2 *Effect of Executing and Submitting the Purchase Order Subscription Agreement.* By executing and submitting the Purchase Order Subscription Agreement, each Limited Owner has agreed to concurrently grant the following power of attorney to the Managing Owner (the **Power of Attorney**) which:

- (a) Is a special, irrevocable Power of Attorney coupled with an interest, and shall survive and not be affected by the death, disability, dissolution, liquidation, termination or incapacity of the Limited Owner;
- (b) May be exercised by the Managing Owner for each Limited Owner by a facsimile signature of one of its officers or by a single signature of one of its officers acting as attorney-in-fact for all of them; and
- (c) Shall survive the delivery of an assignment by a Limited Owner of the whole or any portion of his Limited Units; except that where the assignee thereof has been approved by the Managing Owner for admission to the Trust as a substituted Limited Owner, the Power of Attorney of the assignor shall survive the delivery of such assignment for the sole purpose of enabling the Managing Owner to execute, acknowledge and file any instrument necessary to effect such substitution.

SECTION 14.3 *Limitation on Power of Attorney.* The Power of Attorney concurrently granted by each Limited Owner to the Managing Owner shall not authorize the Managing Owner to act on behalf of Limited Owners in any situation in which this Trust Agreement requires the approval of Limited Owners unless such approval has been obtained as required by this Trust Agreement. In the event of any conflict between this Trust Agreement and any instruments filed by the Managing Owner or any new Managing Owner pursuant to this Power of Attorney, this Trust Agreement shall control.

according to the laws of the State of Delaware without regard to the conflict of laws provisions thereof; provided, however, that causes of action for violations of U.S. federal or state securities laws shall not be governed by this Section, and provided, further, that the parties hereto intend that the provisions hereof shall control over any contrary or limiting statutory or common law of the State of Delaware (other than the Delaware Trust Statute) and that, to the maximum extent permitted by applicable law, there shall not be applicable to the Trust, the Funds, the Trustee, the Managing Owner, the Unitholders or this Trust Agreement any provision of the laws (statutory or common) of the State of Delaware (other than the Delaware Trust Statute) pertaining to trusts which relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of trustee accounts or schedules of trustee fees and charges, (b) affirmative requirements to post bonds for trustees, officers, agents, or employees of a trust, (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding or disposition of real or personal property, (d) fees or other sums payable to trustees, officers, agents or employees of a trust, (e) the allocation of receipts and expenditures to income or principal, (f) restrictions or limitations on the permissible nature, amount or concentration of trust investments or requirements relating to the titling, storage or other manner of holding of trust assets, or (g) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of trustees or managers that are inconsistent with the limitations on liability or authorities and powers of the Trustee or the Managing Owner set forth or referenced in this Trust Agreement. The Trust specifically reserves the right to exercise any of the powers or privileges afforded to statutory trusts and the absence of a specific reference herein to any such power, privilege or action shall not imply that the Trust may not exercise such power or privilege or take such actions.

SECTION 15.2 *Provisions In Conflict With Law or Regulations.*

- (a) The provisions of this Trust Agreement are severable, and if the Managing Owner shall determine, with the advice of counsel, that any one or more of such provisions (the **Conflicting Provisions**) are in conflict with the Code, the Delaware Trust Statute or other applicable U.S. federal or state laws, the Conflicting Provisions shall be deemed never to have constituted a part of this Trust Agreement, even without any amendment of this Trust Agreement pursuant to

this Trust Agreement; provided, however, that such determination by the Managing Owner shall not affect or impair any of the remaining provisions of this Trust Agreement or render invalid or improper any action taken or omitted prior to such determination. No Managing Owner or Trustee shall be liable for making or failing to make such a determination.

- (b) If any provision of this Trust Agreement shall be held invalid or unenforceable in any jurisdiction, such holding shall not in any manner affect or render invalid or unenforceable such provision in any other jurisdiction or any other provision of this Trust Agreement in any jurisdiction.

SECTION 15.3 *Construction.* In this Trust Agreement, unless the context otherwise requires, words used in the singular or in the plural include both the plural and singular and words denoting any gender include all genders. The title and headings of different parts are inserted for convenience and shall not affect the meaning, construction or effect of this Trust Agreement.

The Trust Agreement permits, with certain exceptions as therein provided, the amendment thereof, by the Managing Owner with the consent of the Beneficial Owners holding Units (excluding Units held by the Managing Owner and its Affiliates) equal to at least a majority (over 50%) of the net asset value of the Fund and other funds established as series of the Trust or such higher percentage as may be required by applicable law; ~~and upon receipt of an opinion of independent legal counsel to the effect that the amendment is legal, valid and binding and will not adversely affect the limitations on liability of the Beneficial Owners; provided, however~~ that the Managing Owner may, without the approval of the Beneficial Owners, make such amendments to the Trust Agreement which (i) are necessary to add to the representations, duties or obligations of the Managing Owner or surrender any right or power granted to the Managing Owner in the Trust Agreement, for the benefit of the Beneficial Owners, (ii) are necessary to cure any ambiguity, to correct or supplement any provision in the Trust Agreement which may be inconsistent with any other provision in the Trust Agreement or in the Prospectus, or to make any other provisions with respect to matters or questions arising under the Trust Agreement or the Prospectus which will not be inconsistent with the provisions of the Trust Agreement or the Prospectus, or (iii) the Managing Owner deems advisable, ~~provided, however~~, that no amendment shall be adopted pursuant to clause (iii) unless the adoption thereof (A) is not adverse to the interests of the Beneficial Owners; (B) is consistent with Managing Owner's control of and power to conduct the business of the Trust; (C) with certain exceptions, does not affect the allocation of profits and losses among the Beneficial Owners or between the Beneficial Owners and the Managing Owner; and (D) does not adversely affect the limitations on liability of the Beneficial Owners or the status of the Fund as a partnership for U.S. federal income tax purposes.
