Section 2 - Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets

On June 1, 2015, PPL Corporation (PPL) completed the previously announced spinoff of its competitive power generation business, PPL Energy Supply, LLC (Energy Supply), which became a wholly owned subsidiary of Talen Energy Corporation (Talen Energy), an independent, publicly traded company listed on the New York Stock Exchange. Immediately following the spinoff, the competitive power generation business (RJS Power) owned by affiliates of Riverstone Holdings LLC was contributed to Talen Energy. Following the spinoff and contribution, Talen Energy owns and operates the combined competitive power generation businesses of Energy Supply and RJS Power. PPL issued a press release in connection with the completion of the spinoff, which is filed as Exhibit 99.1 hereto.

On June 1, 2015, Frederick M. Bernthal, Philip G. Cox, Louise K. Goeser and Stuart E. Graham resigned from the Board of Directors of PPL, effective immediately.

On May 29, 2015, the board of PPL Services Corporation, the plan sponsor and administrator of the PPL Supplemental Executive Retirement Plan (SERP), in connection with the spinoff described in Item 2.01 to this Report, determined to vest all SERP participants whose employment was transferring from PPL to Talen Energy, regardless of age or years of service, effective May 29, 2015. As a result, Paul A. Farr, president of PPL Energy Supply, LLC prior to the spinoff, (1) became entitled to receive accrued benefits under the SERP, with an estimated value of approximately \$4.27 million as of May 1, 2015, and (2) relinquished the right to receive accrued benefits pursuant to the PPL Supplemental Compensation Pension Plan, with an estimated value of approximately \$2.87 million as of May 1, 2015, in each case assuming a retirement age of 60.

In addition, as determined by PPL's Compensation, Governance and Nominating Committee (the Committee), Mr. Farr will be entitled to receive pro rata cash and equity payments from PPL in respect of his incentive compensation grants for his service as an executive officer of PPL during 2015, which are expected to be settled in January of 2016 when the Committee is expected to meet to review PPL's 2015 performance results.

The foregoing is a summary of the terms of the form of grant letter and is qualified in its entirety by reference to the form of grant letter, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.
