Item 1.01. Entry into a Material Definitive Agreement.

Purchase Agreement

On August 9, 2015, Mallinckrodt plc (the Company or Mallinckrodt) entered into a Stock Purchase Agreement (the Purchase Agreement) with TGG Medical Holdings, LLC (Seller), TGG Medical Solutions, Inc. (Therakos), the sole stockholder of Therakos, Inc., and Mallinckrodt Enterprises LLC (Purchaser), an indirect wholly owned subsidiary of the Company. Pursuant to the Purchase Agreement and subject to the terms and conditions set forth therein, Purchaser will acquire Therakos from Seller (the Stock Purchase) for cash consideration of approximately \$1.325 billion, which amount will be increased by cash held by Therakos at closing, decreased by indebtedness of Therakos at closing, decreased by certain transaction expenses of Therakos, and increased or decreased based on Therakos' s net working capital at closing relative to agreed working capital targets.

Following the Stock Purchase, Therakos will be an indirect wholly owned subsidiary of Mallinckrodt.

The Stock Purchase is subject to satisfaction or waiver of customary closing conditions, including receipt of required regulatory approvals, accuracy of representations and warranties of the parties (subject to customary materiality and material adverse effect qualifiers), compliance with covenants in all material respects and no material adverse effect having occurred at Therakos. The Purchase Agreement also provides for indemnification with respect to certain matters following the closing.

Subject to satisfaction or waiver of the closing conditions, Mallinckrodt expects the transaction to be completed in the third calendar quarter of 2015, the Company' s fourth fiscal quarter.

The Purchase Agreement contains customary termination rights for both Purchaser and Seller, including, among others, for failure to consummate the Stock Purchase on or before February 9, 2016.

Financing

The payment of the purchase price and the refinancing of Therakos' s existing indebtedness are expected to be financed with a combination of new debt and cash on the Company' s and its subsidiaries' balance sheets. A subsidiary of Mallinckrodt has entered into a commitment letter, dated August 9, 2015, with Barclays Bank PLC, which provides a commitment, subject to satisfaction of customary conditions, for a \$1.1 billion unsecured bridge loan facility.

The foregoing summary of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Purchase Agreement filed herewith as Exhibit 2.1, which is incorporated herein by reference.

The Purchase Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Mallinckrodt, Purchaser, Seller or Therakos or any of their affiliates, their respective businesses, or the actual conduct of their respective businesses during the period prior to the consummation of the Stock Purchase. The Purchase Agreement contains representations and warranties that are the product of negotiations among the parties thereto and that the parties made to, and solely for the benefit of, each other as of specified dates. The assertions embodied in those representations and warranties are subject to qualifications and limitations agreed to by the respective parties and are also qualified in important part by a confidential disclosure schedule delivered by Therakos in connection with the Purchase Agreement. The representations and warranties may have been made for the purpose of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors.

Item 7.01. Regulation FD Disclosure.

On August 10, 2015, Mallinckrodt issued a press release announcing the execution of the Purchase Agreement described above. A copy of the press release is furnished as Exhibit 99.1 hereto.
