Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On January 13, 2016, Goodrich Petroleum Corporation (the Company) was notified by the New York Stock Exchange (the NYSE) that due to abnormally low trading price levels, pursuant to Section 802.01D of the NYSE's Listed Company Manual, the NYSE has determined to commence proceedings to delist its common stock. Trading in the Company's common stock was suspended after market hours on January 13, 2016.

The Company has a right to a review of this determination. The NYSE will apply to the Securities and Exchange Commission (the SEC) to delist the common stock upon completion of all applicable procedures, including any appeal by the Company of the decision. The Company does not intend to appeal the determination and, therefore, it is expected that the Company's common stock will be delisted.

Effective January 14, 2016, the common stock of the Company commenced trading on the OTC Markets marketplace under the symbol GDPM. The Company can provide no assurance that its common stock will continue to trade on this market, whether broker-dealers will continue to provide public quotes of the Company's common stock on this market, whether the trading volume of the Company's common stock will be sufficient to provide for an efficient trading market or whether quotes for the Company's common stock may be blocked by OTC Markets Group in the future. A copy of the related press release is filed herewith as Exhibit 99.1 and incorporated herein by reference.
