Proxy Statement

INTRODUCTION

The Annual Meeting of Stockholders of Adams Diversified Equity Fund, Inc., a Maryland corporation (the Fund), will be held on Thursday, April 14, 2016, at 9:00 a.m., local time, at the Fund's offices at 500 E. Pratt St., Suite 1300, Baltimore, MD 21202, for the purposes set forth in the accompanying Notice of Annual Meeting and also set forth below. This proxy statement is furnished in connection with the solicitation by the Board of Directors of proxies to be used at the meeting and at any and all adjournments or postponements thereof and is first being sent to stockholders on or about February 23, 2016.

At the Annual Meeting, action is to be taken on (1) the election of a Board of Directors; (2) the ratification of the selection of an independent registered public accounting firm; and (3) the transaction of such other business as may properly come before the meeting or any adjournment or postponement thereof.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held On April 14, 2016:

This proxy statement, the notice of annual meeting, a form of the proxy, and the 2015 Annual Report to stockholders are all available on the internet at the following website: <http://www.astproxyportal.com/ast/13579/>.

How You May Vote and Voting By Proxy

You may vote in person at the Annual Meeting or by proxy. To authorize a proxy to cast your votes, please date, execute and mail the enclosed proxy card, or authorize a proxy by using telephone or internet options as instructed in the proxy card. Except for Proposals (1) and (2), referred to above, the proxies confer discretionary authority on the persons named therein or their substitutes with respect to any business that may properly come before the meeting. Stockholders retain the right to revoke executed proxies at any time before they are voted by written notice to the Fund, by executing a later dated proxy, or by appearing and voting at the meeting. All shares represented at the meeting by proxies in the accompanying form will be voted, provided that such proxies are properly executed. In cases where a choice is indicated, the shares represented will be voted in accordance with the specifications so made. In cases where no specifications are made, the shares represented will be voted **FOR** Proposal (1) and **FOR** Proposal (2).

Edgar Filing: ADAMS DIVERSIFIED EQUITY FUND, INC. - Form DEF 14A

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order to vote your shares. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a broker's proxy card and bring it with you to the Annual Meeting in order to vote.

If you have questions regarding how to attend the meeting and vote in person, please contact the Secretary of the Fund by telephone at (800) 638-2479 or by email at contact@adamsfunds.com.

Who May Vote

Only stockholders of record at the close of business on February 5, 2016, may vote at the Annual Meeting. The total number of shares of Common Stock of the Fund outstanding and entitled to be voted on the record date was 97,802,161. Each share is entitled to one vote. The Fund has no other class of security outstanding.

Vote Requirement

For Proposal (1), referred to above, directors shall be elected by a plurality of the votes cast at the meeting. Proposal (2), referred to above, requires the affirmative vote of a majority of the votes cast at the meeting.

Quorum Requirement

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting are present in person or by proxy, a quorum will exist. Proxies received by the Fund that are marked "withhold authority" or abstain, or that constitute a broker non-vote, are counted as present for purposes of establishing a quorum. A broker non-vote occurs when a broker returns a valid proxy but does not vote on a particular matter because the broker does not have the discretionary voting power for that matter and has not received instructions from the beneficial owner. Proxies marked "withhold authority", abstentions and broker non-votes do not count as votes cast with respect to any proposal, and therefore, such proxies would have no effect on the outcome of Proposals (1) and (2), above.

Appraisal Rights

Under Maryland law, there are no appraisal or other dissenter rights with respect to any matter to be voted on at the Annual Meeting that is described herein.

Other Matters

The Fund will pay all costs of soliciting proxies in the accompanying form. See "Other Matters and Annual Report" below. Solicitation will be made by mail, and officers, regular employees, and agents of the Fund may also solicit proxies by telephone or personal interview. The Fund expects to request brokers and nominees who hold stock in their names to furnish this proxy material to their customers and to solicit proxies from them, and will reimburse such brokers and nominees for their out-of-pocket and reasonable clerical expenses in connection therewith.

Fund Complex

Edgar Filing: ADAMS DIVERSIFIED EQUITY FUND, INC. - Form DEF 14A

The Fund is part of a fund complex (the Fund Complex) which is composed of the Fund and Adams Natural Resources Fund, Inc., a closed-end investment company formerly known as Petroleum & Resources Corporation (PEO). Effective March 31, 2015, the Fund and PEO became part of a newly-branded Adams Funds platform.

(1) NOMINEES FOR ELECTION AS DIRECTORS

Unless contrary instructions are given by the stockholder signing a proxy, it is intended that each proxy in the accompanying form will be voted at the Annual Meeting for the election of the following

nominees to the Board of Directors to serve until the annual meeting of stockholders in 2017 and until their successors are duly elected and qualify, all of whom have consented to serve if elected:

As an alternative to proxies being voted for substitute nominees, the size of the Board of Directors may be reduced so that there are no vacancies caused by a nominee above-named becoming unable or unwilling to serve. Board's Oversight of Risk Management for the Fund

The Board's role in risk management of the Fund is that of oversight. The internal staff of portfolio managers, research analysts and administrative personnel is responsible for the day-to-day management of the Fund, including risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board has delegated to the Audit Committee the primary role of overseeing the assessment and management of risks, including major financial risks, by the Fund's management, and the steps that management has taken to monitor and control such risks. The Audit Committee reports to the Board on a periodic basis on its discussions of these items with management. In addition, the Board, acting at its regularly scheduled meetings, receives reports from senior management, including the Fund's portfolio management team, the Chief Compliance Officer and the Chief Financial Officer. Between Board meetings, the Executive Committee, and/or Chair of the Board, and/or the Chairman of the Audit Committee, as appropriate, interacts with the CEO and other senior executives on any matter requiring action by or notice to the Board. The Board also receives periodic presentations from senior management regarding specific operational, compliance or investment areas such as business continuity, personal trading, valuation, investment research and securities lending, and receives reports from the Fund's General Counsel regarding regulatory, compliance and governance matters. The Fund believes that its leadership structure enhances risk oversight. It should be noted that, in its oversight role, the Board is not a guarantor of the Fund's investments or activities.

Any stockholder desiring to communicate with the Board, or with specific individual directors, may do so by writing to the Secretary of the Fund, at Adams Diversified Equity Fund, Inc., 500 East Pratt Street, Suite 1300, Baltimore, MD 21202. The Secretary has been instructed by the Board to promptly forward all such communications to the addressees indicated thereon.

Policy on Board of Directors Attendance at Annual Meetings

The Fund's policy with regard to attendance by the Board of Directors at Annual Meetings is that all directors are expected to attend, absent unusual and extenuating circumstances that prohibit attendance. All of the directors then serving attended the 2015 Annual Meeting.

Based upon a review of filings with the Commission, such forms received by the Fund, and written representations that no other reports are required, the Fund believes that each director, officer, and greater than ten percent beneficial owners filed all requisite reports with the Commission on a timely basis during 2015, except for Mr. Stoeckle, whose Form 4 reporting the payment of the tax liability incident to the vesting of restricted stock by withholding shares was filed one day late.

Overall attendance at the eight meetings of the Board held in 2015 was 100%. Each incumbent director attended at least 75% of the total of all (i) meetings of the Board and (ii) meetings of committees of the Board on which he or she served in 2015.

Audit Committee

Mr. Escherich (Chair), Dr. Arzac, Ms. Bonanno, and Dr. Smith, each of whom is an independent director as such is defined by the rules of the New York Stock Exchange, and none of whom is an interested person as such is defined by the Act, constitute the membership of the Board's standing Audit Committee, which met four times in 2015. The Board has determined Mr. Escherich to be an audit committee financial expert, as that term is defined in federal regulations.

The Board has adopted a written charter under which the Audit Committee operates. A copy of the Audit Committee Charter (Charter) is available on the Fund's website: www.adamsfunds.com. Set forth below is the report of the Audit Committee:

Audit Committee Report

The purposes of the Audit Committee are set forth in the Audit Committee's written Charter. As provided in the Charter, the role of the Audit Committee is to assist the Board of Directors in its oversight on matters relating to accounting, financial reporting, internal control, auditing, risk assessment and risk management, and regulatory compliance activities, and other matters the Board deems appropriate. The Audit Committee also selects the Fund's independent registered public accounting firm in accordance with the provisions set out in the Charter. Management, however, is responsible for the preparation, presentation and integrity of the Fund's financial statements, and for the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews.

In fulfilling its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements contained in the 2015 Annual Report of the Fund with the Fund's management and with PricewaterhouseCoopers LLP (PwC), the independent registered public accounting firm. In addition, the Audit Committee has discussed with PwC the matters required to be discussed pursuant to Statement of Auditing Standards No. 61, as modified or supplemented. The Audit Committee has also received from PwC the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding PwC's communications with the Audit Committee concerning independence, considered whether the provision of nonaudit services by PwC is compatible with maintaining PwC's independence, and discussed with PwC its independence.

In reliance on the reviews and discussions with management and PwC referred to above, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and discussed above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Fund's 2015 Annual Report for filing with the Securities and

Exchange Commission.

Respectfully submitted on February 11, 2016, by the members of the Audit Committee of the Board of Directors:

Frederic A. Escherich, Chair

Enrique R. Arzac

Phyllis O. Bonanno

Craig R. Smith

Compensation Committee

Mr. Dale (Chair), Ms. Bonanno, Mr. Escherich, and Dr. Gale constituted the membership of the Board's standing Compensation Committee in 2015, which met two times. The Compensation Committee reviews and recommends changes in the compensation of directors, officers, and employees, including salaries and the cash and equity incentive compensation plans in which the executive officers, officers, and employees of the Fund are eligible to participate.

Executive Committee

Dr. McGahran (Chair), Dr. Arzac, Mr. Dale, Dr. Gale, Dr. Smith and Mr. Stoeckle constituted the membership of the Board's standing Executive Committee in 2015, which met two times. The Executive Committee has the authority of the Board of Directors between meetings of the Board except as limited by law, the Fund's Bylaws, or Board resolution.

Nominating and Governance Committee

Dr. Smith (Chair), Dr. Arzac, Mr. Dale, and Dr. Gale constituted the membership of the Board's standing Nominating and Governance Committee in 2015, which met two times. The Board has adopted a written charter under which the Nominating and Governance Committee operates, a copy of which is available to stockholders at the Fund's website: www.adamsfunds.com.

Each of the members of the Nominating and Governance Committee is an independent director as such is defined by the rules of the New York Stock Exchange and none is an interested person as such is defined by the Act.

The Nominating and Governance Committee recommends to the full Board nominees for director and leads the search for qualified director candidates.

The Nominating and Governance Committee will consider unsolicited recommendations for director candidates from stockholders of the Fund. Stockholders may recommend candidates for consideration by the Nominating and Governance Committee by writing to the Secretary of the

Edgar Filing: ADAMS DIVERSIFIED EQUITY FUND, INC. - Form DEF 14A

Fund at the office of the Fund, 500 East Pratt Street, Suite 1300, Baltimore, MD 21202, giving the candidate's name, biographical data and qualifications and stating whether the candidate would be an interested person of the Fund. A written statement from the candidate, consenting to be named as a candidate, and if nominated and elected, to serve as a director, should accompany any such recommendation.

The process that the Nominating and Governance Committee uses for identifying and evaluating nominees for director is as follows: When there is a vacancy on the Board, either through the retirement of a director or the Board's determination that the size of the Board should be increased, nominations to fill that vacancy are made by independent directors on the Board. The members of the Nominating and Governance Committee meet with the prospective director nominee. If a majority of the Nominating and Governance Committee members are satisfied that the prospective director

nominee is qualified and will make a positive addition to the Board, as many of the other independent directors meet with him or her as is possible. The Nominating and Governance Committee then nominates the candidate at a meeting of the Board and a vote is taken by the full Board on whether to elect the nominee to the Board and to include the nominee in the Fund's proxy for election at the next annual meeting of stockholders. The Fund anticipates that a similar process will be used for any qualified director candidate properly recommended by a stockholder.

The Board does not have a formal policy regarding the consideration of diversity in identifying Board candidates. When considering a new candidate for the Board, the Nominating and Governance Committee and the full Board may consider the diversity of skills, experience and/or perspective a prospective nominee will bring to the Board as part of their evaluation of the contribution that such prospective director nominee will make to the Board. Such factors will be considered in the context of the Board's existing membership at the time such potential candidate is considered.

Retirement Benefits Committee

Dr. Gale (Chair), and Messrs. Dale and Escherich constituted the membership of the standing Retirement Benefits Committee of the Fund, which administered the Fund's Employee Retirement Plan and Supplemental Retirement Plan. This Committee met two times during 2015. This Committee was disbanded in July 2015 following the termination of the Employees' Retirement Plan and Supplemental Retirement Plan and the distribution of the plan assets to the participants. Previously, this Committee also administered the Fund's Employee Thrift Plan and Executive Nonqualified Supplemental Thrift Plan. Those plans are now administered by a committee comprised of employees of the Fund.

Board of Directors Compensation

During 2015, each director who is not an interested person, except for Dr. McGahran, received an annual retainer fee of \$60,000. Dr. McGahran, the Board Chair, received an annual retainer fee of \$75,000. The Chairperson of each committee received an additional annual retainer fee of \$2,500 for that committee. The total amount of fees paid to the independent directors in 2015 was \$444,375.

Transactions with Adams Natural Resources Fund, Inc.

The Fund shares certain expenses for research, accounting services, other office services (including proportionate salaries and other employee benefits), rent and related expenses, and miscellaneous expenses, such as office supplies, postage, subscriptions and travel, with PEO, of which all of the above-named nominees are also directors. These expenses were paid by the Fund and, on the date the payment was made, PEO simultaneously paid to the Fund its allocated share of such expenses, based on either the proportion of the size of the investment portfolios of the two companies, or, where possible, on an actual usage basis. In 2015, PEO's share of such expenses was \$1,262,189.

Audit Fees

The aggregate fees for professional services rendered by the Fund's independent registered public accounting firm, PricewaterhouseCoopers LLP, for the audit of the Fund's annual financial statements and review of the Fund's semi-annual financial statements for 2015 and 2014 were \$78,138 and \$75,403, respectively.

Audit-Related Fees

There were no audit-related fees in 2015 and 2014.

Tax Fees

The aggregate fees for professional services rendered to the Fund by PricewaterhouseCoopers LLP for the review of the Fund's excise tax calculations and preparations of federal, state and excise tax returns for 2015 and 2014 were \$9,462 and \$9,646, respectively.

All Other Fees

The aggregate fees for services rendered to the Fund by PricewaterhouseCoopers LLP, other than for the services referenced above, for 2015 and 2014 were \$4,315 and \$4,190, respectively, which related to the review of the Fund's procedures for calculating the amounts granted or vested for the Fund's employees in accordance with the Fund's 2005 Equity Incentive Compensation Plan, review of the Fund's calculations related to that plan, and preparation of a related report to the Fund's Compensation Committee.

The Board's Audit Committee has considered the provision by PricewaterhouseCoopers LLP of the services covered in this **All Other Fees** section and found that they are compatible with maintaining PricewaterhouseCoopers LLP's independence.

Audit Committee Pre-Approval Policy

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent accountants. In assessing requests for services by the independent accountants, the Audit Committee considers whether such services are consistent with the auditor's independence; whether the independent accountants are likely to provide the most effective and efficient service based upon their familiarity with the Fund; and whether the service could enhance the Fund's ability to manage or control risk or improve financial statement audit and review quality. The Audit Committee may delegate pre-approval authority to its Chair. Any pre-approvals by the Chair under this delegation are to be reported to the Audit Committee at its next scheduled meeting. All services performed for 2015 were pre-approved by the Audit Committee.
