(b) On April 7, 2016, Pamela Contag, Ph.D. and Elin Miller, currently Class III directors of Marrone Bio Innovations, Inc. (the Company), notified the Company that they have decided not to stand for re-election to the Company's board of directors (the Board) at the Company's 2016 annual meeting of stockholders (the Annual Meeting), scheduled to be held on May 25, 2016. Dr. Contag and Ms. Miller expect to continue to serve as members of the Board until the Annual Meeting, including their service on the Compensation Committee and the Nominating and Corporate Governance Committee (the Committees). Dr. Contag's and Ms. Miller's respective decisions not to stand for re-election were for personal reasons and time considerations and did not involve any disagreement on any matter relating to the Company's operations, policies or practices.

The Board has determined to include a new director nominee for election at the Annual Meeting in the Company's forthcoming proxy statement, and that effective upon the commencement of the Annual Meeting, the size of the Board will be reduced to seven and the number of Class III directors will be reduced to two.
