Item 1.01 Entry into a Material Definitive Agreement

On May 6, 2016, Voya Financial, Inc. (the Company) amended and restated the terms of the Amended and Restated Revolving Credit Agreement (the Amended Credit Agreement), dated as of February 14, 2014 (and filed as Exhibit 10.1 to the Company's Current Report on Form 8-K (File No. 001-35897) filed on February 21, 2014), by entering into a Second Amended and Restated Revolving Credit Agreement (the Second Amended and Restated Credit Agreement) with a syndicate of banks, a large majority of which participated in the Amended Credit Agreement.

The Second Amended and Restated Credit Agreement modifies several of the terms of the Amended Credit Agreement including extending the term of the agreement to May 6, 2021 and reducing the total borrowing capacity to \$2.25 billion.

Availability

Under the terms of the Second Amended and Restated Credit Agreement, an aggregate amount of up to \$2.25 billion is available for issuances of letters of credit, with up to a \$750 million sublimit of that \$2.25 billion available for direct borrowings.

Repayment

The Second Amended and Restated Credit Agreement matures on May 6, 2021, and any direct borrowing amount still outstanding will be due in full immediately on that date and any letter of credit obligation still outstanding as of that date must be cash collateralized until no such obligations are outstanding. The Second Amended and Restated Credit Agreement may be pre-paid at any time in whole or in part without premium or penalty, subject to breakage fees in the event of a prepayment of a Eurodollar Rate Loan other than at the end of the applicable interest period. In most circumstances, amounts repaid or prepaid (whether voluntary or otherwise) may be re-borrowed, subject to certain conditions precedent to borrowing. The unutilized portion of any commitment under the Second Amended and Restated Credit Agreement may be reduced or terminated by us at any time without penalty.

Interest Rates and Fees

Each Eurodollar Rate Loan under the Second Amended and Restated Credit Agreement bears interest on the outstanding principal amount owing at a rate equal to LIBOR (which cannot be less than zero) plus the applicable rate described below. A Base Rate Loan under the Second Amended and Restated Credit Agreement bears interest at a rate *per annum* equal to the highest of (a) the Federal Funds Rate plus 0.50%, (b) the rate of interest in effect for such day as publicly announced from time to time by Bank of America as its prime rate and (c) the Eurodollar Rate plus 1.00% plus, in each case, the applicable rate described below. The Company pays a fee based on the face value of letters of credit using the applicable rates below.

In addition, the Company pays a commitment fee calculated by multiplying the applicable rate listed in the table below by the unused capacity available under the Second Amended and Restated Credit Agreement.

The applicable rate means a percentage *per annum* to be determined in accordance with the following Debt Rating based pricing grid.
