State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

In May 2016, StemCells, Inc. (the Company) decided to terminate its Phase II Pathway Study in spinal cord injury following an in-depth review of data from the study and after obtaining the concurrence of the study's Interim Analysis Data Monitoring Committee. Following this, in May 2016, the Company's Board of Directors approved a plan to wind down the Company's current operations. As part of the wind down of the Company's operations, it conducted a reduction of work force impacting all of its remaining full-time employees, consisting of approximately 50 employees, as of August 1, 2016.

In light of these recent events, including the Company's reduction in staffing levels, the Company could not finalize certain disclosures necessary for the completion of its Form 10-Q in time to allow completion of the report within the prescribed period without undue hardship and expense. The Company expects to file its Form 10-Q within the 5-day extension period afforded by Rule 12b-25.
