### **Item 8.01 Other Events.**

On July 19, 2017, we entered into an underwriting agreement (the "Underwriting Agreement") with Leerink Partners LLC, as representative of the several underwriters named therein (collectively, the "Underwriters"), relating to the issuance and sale in a public offering of 44,000,000 shares of our common stock, par value \$0.001 per share. The price to the public in the offering is \$0.91 per share and the Underwriters have agreed to purchase the shares from us pursuant to the Underwriting Agreement at a price of \$0.8554 per share. The net proceeds to us from the offering are expected to be approximately \$37.3 million, after deducting the underwriting discounts and commissions and estimated offering expenses payable by us. The closing of the offering is expected to occur on July 25, 2017, subject to customary closing conditions. In addition, we granted the Underwriters a 30-day option to purchase up to 6,600,000 additional shares of our common stock at the public offering price, less the underwriting discounts and commissions. We intend to use the net proceeds from the offering to fund clinical development of our clinical candidates, RG-012 and RGLS4326, development of our earlier microRNA development candidates and programs, for the identification and validation of additional microRNA targets, and for capital expenditures, working capital and general corporate purposes.

The Underwriting Agreement contains customary representations, warranties and agreements by us, customary conditions to closing, indemnification obligations of us and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by such parties.

The offering is being made pursuant to our registration statement on Form S-3 (Registration Statement No. 333-203292), previously filed with the Securities and Exchange Commission ( "SEC" ) and declared effective by the SEC on May 2, 2016, and a prospectus supplement thereunder. A copy of the Underwriting Agreement is filed as Exhibit 1.1 to this report, and the foregoing description of the terms of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to such exhibit. A copy of the opinion of Cooley LLP relating to the legality of the issuance and sale of the shares in the offering is attached as Exhibit 5.1 hereto.

On July 19, 2017, we issued a press release announcing the commencement of the offering and a press release announcing that we had priced the offering. Copies of these press releases are attached as Exhibits 99.1 and 99.2 hereto, respectively.
