**Subject:** Lumentum to join forces with Oclaro

Dear Lumentum Team,

Today is a very exciting day for Lumentum.

Earlier this morning, Lumentum and Oclaro announced the signing of a definitive agreement under which Lumentum will acquire all of the outstanding Oclaro shares in a \$1.8B cash and stock transaction. Oclaro will bring a very talented team and strong portfolio of optical communications products and technology to Lumentum.

I believe this transaction will create strong long term value for Lumentum's shareholders and is good for our customers and our employees. The combination accelerates our strategy, strengthens our portfolio and positions us very well for the future needs of our customers. Combined we will be a leader in the Telecom Transmission, Transport and 3D Sensing markets. The combined teams' talent and scale combined with the deep Intellectual Property and experience will increase the pace of innovation and accelerate the development of the new products our customers desire.

The transaction is subject to customary closing conditions, including regulatory approvals and the approval of Oclaro's shareholders. We expect the transaction to close in the second half of calendar 2018.

For now, and until the transaction closes, it will be business as usual for each of our companies as we work individually to support the customers and markets we serve.

In closing, I would like to thank each of you for your hard work and dedication that has put us in a great position in the market.

Sincerely,

**Alan S. Lowe**

President and Chief Executive Officer
