Item 5.07 Submission of Matters to a Vote of Security Holders.
Special Meeting of Stockholders

On December 6, 2018, Hercules Capital, Inc. (the Company) held a special meeting of stockholders (the Special Meeting). At the Special Meeting, the Company's stockholders (the Stockholders) considered one proposal as described in detail in the Company's definitive proxy statement as filed with the Securities and Exchange Commission on October 5, 2018. The final result of the voting on the matter submitted to stockholders is set forth below.

Proposal. The Stockholders approved the application of the reduced asset coverage requirements in Section 61(a)(2) of the Investment Company Act of 1940, as amended (the 1940 Act), to the Company, which permits the Company to double the maximum amount of leverage that it is currently permitted to incur by reducing the asset coverage requirements applicable to the Company from 200% to 150% to become effective the day after the Special Meeting (without giving effect to any exemptive relief with respect to Small Business Administration debentures).

Voted For	Voted Against	Abstentions
51,316,616	4,778,164	1,506,261

The text of the press release announcing the vote result is included as an exhibit to this Form 8-K.

8.01 Other Events.

The Company previously announced that its board of directors, including a required majority (as defined in Section 57(o) of the 1940 Act), approved the application to the Company of the 150% minimum asset coverage ratio set forth in Section 61(a)(2) of the 1940 Act, which would have become effective September 4, 2019. However, as a result of the Stockholders' approval at the Special Meeting, effective December 7, 2018, the asset coverage ratio under the 1940 Act applicable to the Company will be decreased from 200% to 150%, permitting the Company to incur additional leverage.
