Except as any applicable prospectus supplement may indicate otherwise, we intend to use the net proceeds from the sale of debt securities offered by this prospectus for general corporate purposes.

Table of Contents

Description of the Debt Securities

We will issue debt securities on a senior unsecured basis under an indenture, dated as of January 26, 2016, by and among Berkshire, Berkshire Hathaway Finance Corporation (BHFC) and The Bank of New York Mellon Trust Company, N.A. (the trustee). BHFC may also issue debt securities under this indenture; however, the debt securities described in this prospectus are solely issued by Berkshire Hathaway Inc.

We have summarized material provisions of the indenture and the debt securities below. This summary is not complete, and is subject, and qualified in its entirety by reference, to all the provisions of the indenture, including the definition of certain terms. We have filed the indenture with the SEC as an exhibit to the registration statement of which this prospectus forms a part, and you should read the indenture for provisions that may be important to you. The following sets forth certain general terms and provisions of our debt securities offered by this prospectus. The particular terms of any debt securities being offered will be described in the prospectus supplement relating to those offered debt securities.

Provisions Applicable to Indenture

General

The indenture does not limit the amount of debt securities that may be issued under that indenture, nor does it limit the amount of other unsecured debt or securities that we may issue. We may issue debt securities under the indenture from time to time in one or more series, each in an amount authorized prior to issuance.

Terms

The prospectus supplement relating to any series of debt securities being offered will include specific terms relating to the offering. These terms will include some or all of the following:

the title of the debt securities;

the total principal amount of the debt securities;

whether the debt securities will be issued in individual certificates to each holder or in the form of temporary or permanent global securities held by a depositary on behalf of holders;

the date or dates on which the principal of and any premium on the debt securities will be payable;

any interest rate, the date from which interest will accrue, interest payment dates and record dates for interest payments;

any right to extend or defer the interest payment periods and the duration of the extension;

whether and under what circumstances any additional amounts with respect to the debt securities will be payable;

any sinking fund or analogous provision;

the place or places where payments on the debt securities will be payable;

any provisions for optional redemption or early repayment;

any provisions that would require the redemption, purchase or repayment of debt securities;

the denominations in which the debt securities will be issued;

whether payments on the debt securities will be payable in foreign currency or currency units or another form and whether payments will be payable by reference to any index or formula;

the portion (or the method of calculation of the portion) of the principal amount of debt securities that will be payable if the maturity is accelerated, if other than the entire principal amount;

Table of Contents

any additional means of defeasance of the debt securities, any additional conditions or limitations to defeasance of the debt securities or any changes to those conditions or limitations;

any changes or additions to the events of default or covenants described in this prospectus;

any changes, additions to or deletion from the covenants described in this prospectus;

if other than the trustee, the security registrar and paying agent for the debt securities; and

any other terms of the debt securities not inconsistent with the indenture.

Ranking

The debt securities will be our senior unsecured obligations and will rank pari passu in right of payment with all of our unsubordinated, unsecured indebtedness and will be senior in right of payment to all of our subordinated indebtedness, and will be effectively subordinated to all of our existing and future secured indebtedness to the extent of the assets securing such indebtedness and structurally subordinated to all existing and future indebtedness of our subsidiaries (secured or unsecured).

Consolidation, Merger and Sale of Assets

Except as otherwise provided in the indenture or the debt securities, we may not merge into or consolidate with any other entity, or convey, transfer or lease our respective properties and assets substantially as an entirety to any individual, corporation, partnership or other entity, unless:

the successor or transferee corporation (or other entity) shall (i) be a corporation, partnership, limited liability company, trust or similar entity organized under the laws of the United States of America, any State of the United States or the District of Columbia, and (ii) expressly assume by supplemental indenture the due and punctual payment of the principal of and any interest on the debt securities and the performance of our obligations under the indenture; and

immediately after giving effect to the transaction, no event of default, and no event which, after notice of lapse of time or both, would become an event of default will have occurred or be continuing.

Events of Default

Unless we inform you otherwise in the applicable prospectus supplement, the following are events of default with respect to a series of debt securities:

a default in the payment of any interest on such series of debt securities when due and payable, and the continuance of such default for a period of 30 days;

a default in the payment of principal of such series of debt securities when due and payable;

a default in the performance, or breach, in any material respect, of other covenants of ours in the indenture applicable to such series of debt securities that continues for 90 consecutive days after we receive notice of the default or breach;

a default in the deposit of any sinking fund payment, if applicable, and the continuance of such default for a period of 30 days; and

certain events of bankruptcy, insolvency or liquidation involving us.

If an event of bankruptcy, insolvency or liquidation of us has occurred, the principal of the then-outstanding debt securities and any other amounts payable under the indenture will become immediately due and payable. If any other event of default shall occur and be continuing, either the trustee or the holders of not less than 25% in aggregate principal amount of the outstanding debt securities of all series (or, if such default is not applicable to

Table of Contents

all series of the debt securities, the holders of at least 25% in aggregate principal amount of the outstanding debt securities of all series to which such default is applicable) (in each case, voting as a single class) may declare the principal amount payable under the indenture on those then outstanding debt securities of the series affected by the default due and payable.

Defeasance

Our obligations with respect to the payment of the principal and interest on the debt securities will terminate if we irrevocably deposit or cause to be deposited with the trustee as trust funds specifically held in trust for, and dedicated solely to, the benefit of the holders of the debt securities:

cash,

U.S. government obligations, which through the scheduled payment of interest and principal in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, cash, or

a combination of the foregoing,
in each case sufficient to pay and discharge each installment of principal and interest on the debt securities.

The discharge of the debt securities is subject to certain other conditions, including, without limitation,

no event of default or event (including such deposit) which with notice or lapse of time would become an event of default shall have occurred and be continuing on the date of such deposit (or, with respect to an event of bankruptcy, insolvency or liquidation of us, at any time on or prior to the 90th day after the date of such deposit),

we shall have delivered to the trustee an opinion of independent tax counsel to the effect that beneficial owners of the debt securities will not recognize gain or loss for United States federal income tax purposes as a result of such deposit and defeasance,

the debt securities, if they are then listed on any securities exchange, will not be delisted as a result of such deposit, and

such deposit shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which we are a party or otherwise bound.

Modification and Waiver

Modification of Indenture

The indenture provides that we and the trustee may, without the consent of any holders of debt securities, enter into supplemental indentures for the purposes, among other things, of adding to our covenants, adding additional events of default and curing ambiguities or inconsistencies in the indenture. We and the trustee may, without the consent of any holders of debt securities, also make other changes to the indenture that do not have a material adverse effect on the interests of the holders of any series of debt securities.

In addition, modifications and amendments of the indenture may be made by us and the trustee by entering into a supplemental indenture with the consent of the holders of not less than a majority of the aggregate principal amount of the debt securities of each series affected by such modification or amendment, acting as one class, provided, however, that no such modification or amendment may, without the consent of each holder of debt securities outstanding that is affected thereby,

change the stated maturity of the principal of, or any installment of principal of or interest on, any outstanding debt securities,

reduce the principal of or interest rate on any outstanding debt securities,

Table of Contents

change the place of payment where, or the currency in which, the principal of, any premium or interest on any outstanding debt securities is payable,

impair the right to institute suit for the enforcement of any payment on or with respect to any outstanding debt securities on or after the stated maturity thereof,

reduce the percentage in principal amount of the debt securities then outstanding required for modification or amendment of the indenture or for any waiver of compliance with certain provisions of the indenture or for waiver of certain defaults, or

modify any of the above provisions.

Waiver of Default

The holders of not less than a majority of aggregate principal amount of the outstanding debt securities of any series may, on behalf of the holders of all such series of debt securities, waive any past default under the indenture with respect to such series of debt securities, except a default:

in the payment of principal of or any premium or any interest on such debt securities, or

in respect of a covenant or provision of the indenture that cannot be modified or amended without the consent of each holder of the outstanding debt securities of each series affected by the default.

Payment and Paying Agents

Unless we inform you otherwise, payments on the debt securities will be made in U.S. dollars at the office or agency maintained by us in New York, New York (or, if we fail to maintain such office or agency, at the corporate trust office of the trustee in New York, New York or if the trustee does not maintain an office in New York, at the office of a paying agent in New York). At our option, however, we may make payments by check mailed to the holder's registered address or, with respect to global notes, by wire transfer. We will make any required interest payments to the person in whose name a debt security is registered at the close of business on the record date for the interest payment.

Unless we inform you otherwise, the trustee will be designated as our paying agent for payments on the debt securities. We may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts.

Subject to the requirements of any applicable abandoned property laws, the trustee and paying agent shall pay to us upon written request any money held by them for payments on the debt securities that remain unclaimed for one year after the date upon which that payment has become due. After payment to us, holders entitled to the money must look to us for payment. In that case, all liability of the trustee or paying agent with respect to that money will cease.

Notices

Except as otherwise described herein, notice to registered holders of the debt securities will be given by mail to the addresses as they appear in the security register. Notices will be deemed to have been given on the date of such mailing.

Governing Law

The indenture and the debt securities will be governed by and construed in accordance with the laws of the State of New York.

Plan of Distribution

We may sell debt securities securities from time to time in one or more transactions separately or in combination. The debt securities may be sold in any one or more of the following ways:

directly to purchasers or a single purchaser;

through agents;

through dealers; or

through one or more underwriters acting alone or through underwriting syndicates led by one or more managing underwriters;

each as may be identified in a prospectus supplement relating to an issuance of debt securities.

If the debt securities described in a prospectus supplement are underwritten, the prospectus supplement will name each underwriter of the debt securities. Only underwriters named in a prospectus supplement will be deemed to be underwriters of the debt securities offered by that prospectus supplement. Underwriters may sell debt securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions (which may be changed from time to time) from the purchasers for whom they may act as agent.

Prospectus supplements relating to underwritten offerings of securities will also describe:

the discounts, commissions or agents fees to be allowed or paid to the underwriters or agents, as the case may be;

all other items constituting underwriting compensation;

the discounts and commissions to be allowed or paid to dealers, if any; and

the exchanges, if any, on which the securities will be listed.

Debt securities may be sold directly by us through agents designated by us from time to time. Any agent involved in the offer or sale of securities, and any commission or agents fees payable by us to such agent, will be set forth in the prospectus supplement. Unless otherwise indicated in the prospectus supplement, any agent involved in the offer or sale of securities will be acting on a best efforts basis for the period of its appointment.

If we utilize a dealer in the sale of the debt securities being offered pursuant to this prospectus, we will sell the debt securities to the dealer, as principal. The dealer may then resell the debt securities to the public at varying prices to be determined by the dealer at the time of resale.

If indicated in a prospectus supplement, the obligations of the underwriters will be subject to conditions precedent. With respect to a sale of securities, the underwriters will be obligated to purchase all securities offered if any are purchased.

We may have agreements with underwriters, dealers and agents to indemnify them against certain civil liabilities, including liabilities under the Securities Act, and to reimburse them for certain expenses. Underwriters and agents may engage in transactions with or perform services for us, our subsidiaries and affiliated companies in the ordinary course of business.

Description of the Debt Securities

BHFC will issue debt securities on a senior unsecured basis under an indenture, dated as of January 26, 2016, by and among Berkshire, BHFC and The Bank of New York Mellon Trust Company, N.A. (the trustee).

We have summarized material provisions of the indenture and the debt securities, including the guarantee, below. This summary is not complete, and is subject, and qualified in its entirety by reference, to all the provisions of the indenture, including the definition of certain terms. We have filed the indenture with the SEC as an exhibit to the registration statement of which this prospectus forms a part, and you should read the indenture for provisions that may be important to you. The following sets forth certain general terms and provisions of BHFC's debt securities offered by this prospectus. The particular terms of any debt securities being offered will be described in the prospectus supplement relating to those offered debt securities.

Provisions Applicable to Indenture

General

The indenture does not limit the amount of debt securities that may be issued under that indenture, nor does it limit the amount of other unsecured debt or securities that BHFC may issue. BHFC may issue debt securities under the indenture from time to time in one or more series, each in an amount authorized prior to issuance.

Terms

The prospectus supplement relating to any series of debt securities being offered will include specific terms relating to the offering. These terms will include some or all of the following:

the title of the debt securities;

the total principal amount of the debt securities;

whether the debt securities will be issued in individual certificates to each holder or in the form of temporary or permanent global securities held by a depositary on behalf of holders;

the date or dates on which the principal of and any premium on the debt securities will be payable;

any interest rate, the date from which interest will accrue, interest payment dates and record dates for interest payments;

any right to extend or defer the interest payment periods and the duration of the extension;

whether and under what circumstances any additional amounts with respect to the debt securities will be payable;

any sinking fund or analogous provision;

the place or places where payments on the debt securities will be payable;

any provisions for optional redemption or early repayment;

any provisions that would require the redemption, purchase or repayment of debt securities;

the denominations in which the debt securities will be issued;

whether payments on the debt securities will be payable in foreign currency or currency units or another form and whether payments will be payable by reference to any index or formula;

the portion (or the method of calculation of the portion) of the principal amount of debt securities that will be payable if the maturity is accelerated, if other than the entire principal amount;

Table of Contents

any additional means of defeasance of the debt securities, any additional conditions or limitations to defeasance of the debt securities or any changes to those conditions or limitations;

any changes or additions to the events of default or covenants described in this prospectus;

any changes, additions to or deletion from the covenants described in this prospectus;

if other than the trustee, the security registrar and paying agent for the debt securities; and

any other terms of the debt securities not inconsistent with the indenture.

Guarantee of Debt Securities

Berkshire will unconditionally and irrevocably guarantee the payment of all of BHFC's obligations under the debt securities offered hereby pursuant to a guarantee to be endorsed on the debt securities offered hereby, the form of which is filed as an exhibit to the registration statement of which this prospectus forms a part. If BHFC defaults in the payment of the principal of, or interest on, such debt securities when and as the same shall become due, whether upon maturity, acceleration, or otherwise, without the necessity of action by the trustee or any holder of such debt securities, Berkshire shall be required promptly and fully to make such payment.

Ranking

The debt securities will be BHFC's senior unsecured obligations and will rank pari passu in right of payment with all of BHFC's unsubordinated, unsecured indebtedness and will be senior in right of payment to all of BHFC's subordinated indebtedness.

The guarantee will be a senior unsecured obligation of Berkshire, will rank pari passu with all of Berkshire's unsubordinated, unsecured indebtedness and senior to all of Berkshire's subordinated indebtedness, and will be effectively subordinated to all of Berkshire's existing and future secured indebtedness to the extent of the assets securing such indebtedness and structurally subordinated to all existing and future indebtedness of Berkshire's subsidiaries (secured or unsecured).

Consolidation, Merger and Sale of Assets

Except as otherwise provided in the indenture or the debt securities, neither BHFC nor Berkshire may merge into or consolidate with any other entity, or convey, transfer or lease our respective properties and assets substantially as an entirety to any individual, corporation, partnership or other entity, unless:

the successor or transferee corporation (or other entity) shall (i) be a corporation, partnership, limited liability company, trust or similar entity organized under the laws of the United States of America, any State of the United States or the District of Columbia, and (ii) expressly assume by supplemental indenture, as applicable, (a) the due and punctual payment of the principal of and any interest on the debt securities and the performance of BHFC's obligations under the indenture or (b) the due and punctual performance of the

guarantee and Berkshire's obligations under the indenture; and

immediately after giving effect to the transaction, no event of default, and no event which, after notice of lapse of time or both, would become an event of default will have occurred or be continuing.

Events of Default

Unless we inform you otherwise in the applicable prospectus supplement, the following are events of default with respect to a series of debt securities:

a default in the payment of any interest on such series of debt securities when due and payable, and the continuance of such default for a period of 30 days;

a default in the payment of principal of such series of debt securities when due and payable;

Table of Contents

a default in the performance, or breach, in any material respect, of other covenants of BHFC or Berkshire in the indenture or of Berkshire in the guarantee applicable to such series of debt securities that continues for 90 consecutive days after BHFC or Berkshire, as the case may be, receives notice of the default or breach;

a default in the deposit of any sinking fund payment, if applicable, and the continuance of such default for a period of 30 days; and

certain events of bankruptcy, insolvency or liquidation involving BHFC or Berkshire.

If an event of bankruptcy, insolvency or liquidation of us has occurred, the principal of the then-outstanding debt securities and any other amounts payable under the indenture will become immediately due and payable. If any other event of default shall occur and be continuing, either the trustee or the holders of not less than 25% in aggregate principal amount of the outstanding debt securities of all series (or, if such default is not applicable to all series of the debt securities, the holders of at least 25% in aggregate principal amount of the outstanding debt securities of all series to which such default is applicable) (in each case, voting as a single class) may declare the principal amount payable under the indenture on those then outstanding debt securities of the series affected by the default due and payable.

Defeasance

BHFC's obligations with respect to the payment of the principal and interest on the debt securities, and Berkshire's obligations with respect to such debt securities under the indenture and the guarantee, will terminate if BHFC irrevocably deposits or causes to be deposited with the trustee as trust funds specifically held in trust for, and dedicated solely to, the benefit of the holders of the debt securities:

cash,

U.S. government obligations, which through the scheduled payment of interest and principal in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, cash, or

a combination of the foregoing,

in each case sufficient to pay and discharge each installment of principal and interest on the debt securities.

The discharge of the debt securities is subject to certain other conditions, including, without limitation,

no event of default or event (including such deposit) which with notice or lapse of time would become an event of default shall have occurred and be continuing on the date of such deposit (or, with respect to an event of bankruptcy, insolvency or liquidation of BHFC or Berkshire, at any time on or prior to the 90th day after the date of such deposit),

BHFC shall have delivered to the trustee an opinion of independent tax counsel to the effect that beneficial owners of the debt securities will not recognize gain or loss for United States federal income tax purposes as a result of such deposit and defeasance,

the debt securities, if they are then listed on any securities exchange, will not be delisted as a result of such deposit, and

such deposit shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which BHFC or Berkshire are a party or otherwise bound.

Table of Contents

Modification and Waiver

Modification of Indenture

The indenture provides that BHFC, Berkshire and the trustee may, without the consent of any holders of debt securities, enter into supplemental indentures for the purposes, among other things, of adding to BHFC's or Berkshire's covenants, adding additional events of default and curing ambiguities or inconsistencies in the indenture. BHFC, Berkshire and the trustee may, without the consent of any holders of debt securities, also make other changes to the indenture that do not have a material adverse effect on the interests of the holders of any series of debt securities.

In addition, modifications and amendments of the indenture may be made by BHFC, Berkshire and the trustee by entering into a supplemental indenture with the consent of the holders of not less than a majority of the aggregate principal amount of the debt securities of each series affected by such modification or amendment, acting as one class, provided, however, that no such modification or amendment may, without the consent of each holder of debt securities outstanding that is affected thereby,

change the stated maturity of the principal of, or any installment of principal of or interest on, any outstanding debt securities,

reduce the principal of or interest rate on any outstanding debt securities,

change the place of payment where, or the currency in which, the principal of any premium or interest on any outstanding debt securities is payable,

impair the right to institute suit for the enforcement of any payment on or with respect to any outstanding debt securities on or after the stated maturity thereof or on the guarantee,

reduce the percentage in principal amount of the debt securities then outstanding required for modification or amendment of the indenture or for any waiver of compliance with certain provisions of the indenture or for waiver of certain defaults, or

modify any of the above provisions.

Waiver of Default

The holders of not less than a majority of aggregate principal amount of the outstanding debt securities of any series may, on behalf of the holders of all such series of debt securities, waive any past default under the indenture with respect to such series of debt securities, except a default:

in the payment of principal of or any premium or any interest on such debt securities, or

in respect of a covenant or provision of the indenture that cannot be modified or amended without the consent of each holder of the outstanding debt securities of each series affected by the default.

Assumption by Berkshire

The indenture provides that Berkshire may, without the consent of the trustee or the holders of the debt securities, assume all of BHFC's rights and obligations under the indenture and the debt securities if, after giving effect to such assumption, no event of default or event which with notice or lapse of time would become an event of default will have occurred and be continuing. In addition, Berkshire will assume all of BHFC's rights and obligations under the indenture and a series of debt securities if, upon a default by BHFC in the due and punctual payment of the principal of, sinking fund payment, if any, premium, if any, or interest on such debt securities, Berkshire is prevented by any court order or judicial proceeding from fulfilling its obligations under the guarantee. Such assumption shall result in such debt securities becoming the direct obligations of Berkshire and shall be effected without the consent of the trustee or the holders of any debt securities. Upon any such assumption, Berkshire will execute a supplemental indenture evidencing its assumption of all such rights and obligations and BHFC will be released from its liabilities under the indenture and such debt securities as obligor on such debt securities.

Table of Contents

Payment and Paying Agents

Unless BHFC informs you otherwise, payments on the debt securities will be made in U.S. dollars at the office or agency maintained by BHFC in New York, New York (or, if BHFC fails to maintain such office or agency, at the corporate trust office of the trustee in New York, New York or if the trustee does not maintain an office in New York, at the office of a paying agent in New York). At BHFC's option, however, it may make payments by check mailed to the holder's registered address or, with respect to global notes, by wire transfer. BHFC will make any required interest payments to the person in whose name a debt security is registered at the close of business on the record date for the interest payment.

Unless BHFC informs you otherwise, the trustee will be designated as BHFC's paying agent for payments on the debt securities. BHFC may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts.

Subject to the requirements of any applicable abandoned property laws, the trustee and paying agent shall pay to BHFC or Berkshire upon written request any money held by them for payments on the debt securities that remain unclaimed for one year after the date upon which that payment has become due. After payment to BHFC or Berkshire, holders entitled to the money must look to BHFC or Berkshire for payment. In that case, all liability of the trustee or paying agent with respect to that money will cease.

Notices

Except as otherwise described herein, notice to registered holders of the debt securities will be given by mail to the addresses as they appear in the security register. Notices will be deemed to have been given on the date of such mailing.

Governing Law

The indenture, the debt securities and the guarantee will be governed by and construed in accordance with the laws of the State of New York.

Item 15. Indemnification of Directors and Officers.

Each registrant's bylaws provide that each director or officer of such registrant who was or is a party or is threatened to be made a party to or is involved in any proceeding by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of such registrant or is or was serving at the request of such registrant as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, shall be indemnified and held harmless by such registrant to the fullest extent permitted by the laws of the State of Delaware, as they exist or may be amended (but, in the case of any such amendment, only to the extent such amendment permits such registrant to provide broader indemnification rights), against all costs, charges, expenses, liabilities and losses reasonably incurred or suffered by such person in connection therewith, and such indemnification shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of his or her heir, executives and administrators. This indemnification shall not apply to any proceeding (or part thereof) initiated by the person seeking indemnification unless it is seeking to enforce or obtain payment under any right to indemnification by such registrant or such registrant has joined in or consented to (in the case of Berkshire) or authorized (in the case of BHFC) the initiation of such proceeding (or part thereof).

Under Section 145 of the Delaware General Corporation Law (the "DGCL"), a corporation may indemnify a director, officer, employee or agent of the corporation (or a person who is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise) against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. In the case of an action brought by or in the right of a corporation, the corporation may indemnify a director, officer, employee or agent of the corporation (or a person who is or was serving at the request of

the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise) against expenses (including attorneys' fees) actually and reasonably incurred by him if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent a court finds that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

Each registrant's bylaws provide that such registrant may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of such registrant or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not such registrant has the power to indemnify such person against such expense, liability or loss under the DGCL.

Section 102(b)(7) of the DGCL enables a Delaware corporation to provide in its certificate of incorporation for the elimination or limitation of the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. However, no provision can eliminate or limit a director's liability:

for any breach of the director's duty of loyalty to the corporation or its stockholders;

for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

under Section 174 of the DGCL, which imposes liability on directors for unlawful payment of dividends or unlawful stock purchase or redemption; or

for any transaction from which the director derived an improper personal benefit.

Each registrant's Certificate of Incorporation provides that a director of such registrant shall not be liable to such registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL.

The foregoing summaries are necessarily subject to the complete text of the statute, each registrant's Certificate of Incorporation and Bylaws, and the arrangements referred to above and are qualified in their entirety by reference thereto.

Item 17. Undertakings

The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental

change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by Berkshire pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are

incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed a part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated by reference or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, each of the undersigned registrants undertakes that in a primary offering of securities of an undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of an undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of an undersigned registrant or used or referred to by an undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned registrant or its securities provided by or on behalf of an undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of Berkshire's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that

is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.

(8) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the provisions described under Item 15 above, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
