**PROXY STATEMENT
FOR ANNUAL MEETING TO BE HELD ON MAY 20, 2003**

Edgar Filing: FIRST MIDWEST BANCORP INC - Form DEF 14A

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of First Midwest Bancorp, Inc. (the Company) of proxies for use at the Annual Meeting of Shareholders (the Annual Meeting) to be held May 20, 2003 at 9:30 a.m. at the Sheraton Suites Hotel, 121 Northwest Point Boulevard, Elk Grove Village, Illinois and at any adjournments or postponements of that meeting. This Proxy Statement, the Form of Proxy and the Company's 2002 Annual Report were first mailed on April 15, 2003.

Record Date and Share Ownership

The Board of Directors has fixed the close of business on April 7, 2003 as the record date for determining shareholders entitled to notice of, and to vote at, the Annual Meeting. On the record date, the Company had outstanding 46,608,986 shares of common stock, par value of \$0.01 per share par value (Common Stock). Each outstanding share of Common Stock entitles the holder to one vote.

Proxies and Voting Procedures

YOUR VOTE IS IMPORTANT. Because many shareholders cannot personally attend the Annual Meeting, it is necessary that a large number of shareholders be represented by proxy. Registered shareholders voting by proxy may use one of the following three options:

- Filling out the enclosed *proxy* card, signing it, and mailing it in the enclosed postage-paid envelope;
- Voting by *telephone* (instructions are on the proxy card); or
- Voting by *Internet* (instructions are on the proxy card).

Shareholders whose shares are held in the name of a bank, broker, or other nominee may or may not be able to use Internet or telephone voting. For information, please refer to the voting materials you receive or contact your bank, broker or nominee.

The instructions for Internet and telephone voting are provided on the proxy card. The Internet and telephone voting instructions are designed to verify shareholders' identities, allow shareholders to give voting instructions and confirm that their instructions have been properly recorded. Shareholders who vote over the Internet should be aware that they may incur costs to access the Internet, such as usage charges from telephone companies or Internet service providers, and that these costs must be borne by the shareholder. The Internet and telephone voting facilities for shareholders of record will close at 11:59 p.m. E.D.T. on May 19, 2003. ***Shareholders who vote through the Internet or by telephone need not return a proxy card by mail.***

Shares of Common Stock represented by properly executed proxies received by the Company will be voted at the Annual Meeting in accordance with the instructions thereon. If there are no such instructions, the shares will be voted: (i) in favor of the election of the nominees for director; and (ii) in the discretion of the named proxies on any other matters which may properly come before the Annual Meeting.

1

A shareholder may revoke a proxy by: executing a later-dated proxy by Internet, telephone or mail; giving written notice of such revocation to the Corporate Secretary of the Company; or voting in person at the Annual Meeting. Attendance at the Annual Meeting will not by itself constitute the revocation of a proxy.

The Inspector of Election appointed by the Board of Directors for the Annual Meeting will tabulate votes cast by proxy or in person at the Annual Meeting and will determine whether or not a quorum is present. The Inspector of Election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the shareholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

A vote to abstain on the election of directors will have no effect on the outcome. If you vote abstain, your shares will be counted as present for purposes of determining whether enough votes are present to hold the Annual Meeting.

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent) and you do not vote your shares, your shares will not be voted.

Voting of Shares in the First Midwest Bancorp, Inc. Dividend Reinvestment Plan

Edgar Filing: FIRST MIDWEST BANCORP INC - Form DEF 14A

The Company's Stock Transfer Agent, Mellon Investor Services, is the record owner of all shares of Common Stock held for participants in the Dividend Reinvestment & Stock Purchase Plan (DR Plan). Each DR Plan participant will receive a single proxy card covering both the shares of Common Stock credited to the participant's DR Plan account and the shares owned by such participant outside the DR Plan.

Voting by Participants in Employee Plans

If an employee participates in the First Midwest Bancorp Stock Option Gain Deferral Plan, the First Midwest Common Stock Fund under the First Midwest Bancorp Savings and Profit Sharing Plan or the First Midwest Bancorp Nonqualified Retirement Plan (the Employee Plans) or the DR Plan, the employee will receive one proxy for all accounts registered in the same name. If all of the accounts are not registered in the same name, the employee will receive a separate proxy for each account that is registered in a different name.

The Trustees under the Employee Plans are the record owners of all shares of Common Stock held for participants in the Employee Plans. The Trustees will vote the shares held for the account of each participant in an Employee Plan in accordance with the directions received from participants. In order to obtain such voting directions, the Trustees will forward this Proxy Statement and a direction card to each Employee Plan participant. Participants may provide their voting directions to the Trustees through the Internet or by telephone as described on the direction card, or by executing and returning the direction card in the accompanying envelope. Voting directions must be given if the shares held pursuant to the Employee Plans are to be voted. Shares held in the Employee Plans for which no directions are received will be voted by the Trustees proportionally in the same manner as it votes shares for which directions were received. All direction cards returned will be kept confidential by the Trustees or its tabulating agent and will not be disclosed to the Company or any of its employees. Because Employee Plan participants are not the record owners of the related shares, such shares may not be voted in person by Employee Plan participants at the Annual Meeting.

Electronic Access to Proxy Materials and Annual Report

First Midwest is pleased to offer its shareholders the opportunity to receive future proxy statements and annual reports electronically over the Internet. By signing up for electronic delivery, shareholders can receive these communications as soon as they become available and help the Company reduce printing and postage costs. Shareholders can access the proxy statement and the 2002 Annual Report electronically by going to the Investor Relations section of the Company's Internet website located <http://www.firstmidwest.com/fmbi.asp>.

2

If you are a shareholder of record at the close of business on April 7, 2003, you can choose this option by following the instructions provided at the Internet voting website at www.proxyvote.com. Most shareholders who vote their shares for the Annual Meeting over the Internet will be given the opportunity to consent to future delivery of First Midwest documents over the Internet.

Shareholders can also register for this option by following the instructions provided on the following Internet website: <http://www.icsdelivery.com/fmbi> or by calling Steven H. Shapiro, Corporate Secretary at (630) 875-7345 or by writing to First Midwest: First Midwest Bancorp, Inc., 300 Park Boulevard, Suite 400, Itasca, Illinois 60143: Attention: Corporate Secretary.

If you choose to receive future proxy statements and annual reports electronically, then prior to next year's Annual Meeting you will receive e-mail notification when the proxy materials and annual report are available for your on-line review over the Internet. The e-mail will also include instructions for voting over the Internet. Your enrollment will be effective until you cancel it. You will not have to elect Internet access each year.

If you hold your shares through a bank, broker, or other nominee, please refer to the information provided by that entity for instructions on how to elect to view future proxy statements and annual reports over the Internet.

Shareholders who hold their shares through a bank, broker, or other nominee and who elect electronic access will receive information next year containing the Internet address for use in accessing First Midwest's proxy statement and annual report.

Cost of Solicitation

The cost of soliciting proxies, including expenses in connection with preparing and mailing this proxy Statement, will be borne by the Company. In addition to the solicitation of proxies by mail, the Company's directors, officers, employees and agents thereof may, without additional compensation, solicit proxies by telephone, facsimile, electronic communication and personal interviews.

Edgar Filing: FIRST MIDWEST BANCORP INC - Form DEF 14A

Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward soliciting material to the beneficial owners of shares of record held by them and will be reimbursed for their reasonable expenses.

ELECTION OF DIRECTORS

The Company has three classes of directors of as nearly as equal size as possible. Each year the shareholders elect the members of a class of directors to serve for a term of three years. This year the nominees are Bruce S. Chelberg, Joseph W. England, Patrick J. McDonnell and Robert P. O Meara.

Mr. William J. Cowlin, who has been a director since 1997, will retire from the Board at the Annual Meeting. Thereafter, Mr. Cowlin will serve as an Emeritus Director of the Company. Emeritus Directors are invited to Board meetings but do not have any voting rights.

The nominees for director have been nominated for election for a term to end at the 2006 Annual Meeting of Shareholders. The Board expects that the nominees will be available for election. If any nominee is not available for election, the proxies may be voted for another person to fill the vacancy or the size of the Board of Directors may be reduced.

The Board of Directors recommends a vote FOR the election of Bruce S. Chelberg, Joseph W. England, Patrick J. McDonnell and Robert P. O Meara.

Notes:

- (1) Nonqualified Stock Option (NQSO), Nonqualified Reload Stock Option (NQSO-R) (see Note 3) or Nonqualified Stock Option Supplemental grant (NQSO-S).
- (2) The options listed in the first line opposite each executive officer's name are 2002 original options granted under the Company Omnibus Stock and Incentive Plan (the Omnibus Plan), which vest over a period of three years (subject to accelerated vesting in connection with death, disability or a change in control), include reload features (see Note 3) and are nontransferable except to family members or family trusts or partnerships; all other options in 2002 are reload stock options which vest in six months (see Note 3).

9

- (3) Optionees may tender previously acquired shares of the Company's Common Stock in payment of the exercise price of a stock option and may tender previously acquired shares or request the Company to withhold sufficient shares to pay the taxes arising from the exercise. The options described above as reload stock options are nonqualified stock options granted to replace the number of shares thus tendered and/or withheld. The reload stock option will have an exercise price equal to the fair market value of the Common Stock on the exercise date of the underlying exercised option, will be first exercisable six months from such date and will expire on the scheduled expiration date of the underlying exercised option. All reload stock options become fully exercisable in connection with a change in control of the Company (as defined in the Omnibus Plan). The reload stock options are nontransferable except to family members or family trusts or partnerships.
- (4) The Grant Date Present Value above was determined using the Black-Scholes option-pricing model, a theoretical method for estimating the present value of stock options based on complex assumptions about the stock's price volatility and dividend rate as well as interest rates. Because of the unpredictability of the assumptions required, the Black-Scholes model, or any other valuation model, is incapable of accurately predicting the stock price of the Common Stock or of placing an accurate present value on options to purchase stock. In performing the calculations it was assumed that: (i) the volatility of the stock price was equal to 22.4%; (ii) an expected dividend yield of 2.7%; (iii) a risk-free interest rate ranging from 1.17% to 5.56% based on the ten-year U.S. Treasury Note effective on the date of grant, to correspond to the term of the options; (iv) an expected option life of nine years for non-reload options and to the end of their terms for reload options at the time of exercise; and (v) no adjustments were made for risk of forfeiture. The ultimate value of the options will depend on the future stock price of the Common Stock, which cannot be forecast with reasonable accuracy. The actual value, if any, an executive may realize upon the exercise of an option will depend on the excess of the stock price of the Common Stock, on the date the option is exercised, over the exercise price of the option.

The table above illustrates the amount of annual retirement income, computed on an actuarial basis using the straight-life annuity method provided by the Company's consolidated defined benefit pension plan at normal retirement age (65) in specified average earnings and service classifications. (Benefits are payable for life, or if spousal benefits are elected, a reduced amount is payable for the life of the employee and of the surviving spouse.)

Average Final Earnings are determined substantially on the basis of the annual compensation included in the Summary Compensation Table, subject to the provisions of the Internal Revenue Code limiting the amount of annual compensation, which may be taken into account. (The limitation for 2002 was \$200,000. For the five years prior to 2002, the limitations were as follows: 2001 and 2000 - \$170,000; and 1999, 1998 and 1997 - \$160,000. The amounts shown in the pension table above are not offset by any available Social Security benefits. At December 31, 2002, the years of credited service for the Company's consolidated defined benefit pension plan for the executives included in the Summary Compensation Table were as follows: Robert P. O Meara, John M. O Meara, Thomas J. Schwartz and Mark M. Dietrich - twenty-three; and Michael L. Scudder - sixteen.

Nonqualified Retirement Plan - Pension Component

Because benefits from the Company's consolidated defined benefit pension plan are subject to limitations under the Internal Revenue Code (the Code), during 1989 the Company's Board of Directors authorized the establishment of a nonqualified pension component (nonqualified pension) to the Company's Nonqualified Retirement Plan. The nonqualified pension provides for additional pension payments from the general assets of the Company for amounts which would have been paid to participants under the actuarially-based pension formula of the Company's

consolidated defined benefit pension plan absent the compensation limitations of the Code. In order to reduce the administrative burden associated with the maintenance of a nonqualified pension, the Board of Directors approved the crediting as deferred compensation of the present value of the nonqualified vested pension benefits accrued during the year for each executive affected by the compensation limits of the Code. Amounts credited in 2002 as deferred compensation for 2001 service to the executives listed in the Summary Compensation Table were as follows: Robert P. O Meara - \$337,613; John M. O Meara - \$178,080; Michael L. Scudder - \$6,666; Thomas J. Schwartz - \$60,333; and Mark M. Dietrich - \$24,934.

Executive Employment Agreements

In order to advance the interests of the Company by enabling the Company to attract and retain the services of key executives upon which the successful operations of the Company are largely dependent, the Board of Directors has authorized the Compensation Committee (the Committee) to tender Employment/Change in Control Agreements to these key executives (the Agreements). The Committee has determined that the following current executives are eligible for the Agreements: Class I Agreement - John M. O Meara; Class II Agreements - Michael L. Scudder, Thomas J. Schwartz and Mark M. Dietrich and nine other senior executives of the Company and the Bank; and Class III Agreements - ninety senior executives of the Company and the Bank.

The Agreements have an initial term of two years for Classes I and II and one year for Class III Agreements and automatically renew, unless ninety days notice of non-renewal is provided to the other party. If an executive's employment is terminated prior to the expiration of the Agreement or by the providing of notice of non-renewal, or if the executive is constructively discharged (for example, as a result of a material reduction in responsibilities or compensation, or other material breach of the Agreement by the Company), the executive is entitled to a severance benefit of: twelve months base pay for Class I executives and six months base pay for Class II and III executives; a pro rata short-term bonus award; and a limited amount of health care benefits and outplacement counseling benefits. If the executive remains unemployed at the end of such time periods, an additional amount of limited severance pay and benefits may be provided at the discretion of the Company.

Upon a change in control, as defined in the Agreements, the term of each of Agreement is extended three, two and one year(s) for Class I, II and III executives, respectively, from the date of the change in control. An executive who is terminated or constructively discharged after a change in control is entitled to a lump sum payment of the aggregate value (three, two and one time(s) such value for Classes I, II and III, respectively) of the sum of the following benefits: severance pay (base salary and short-term bonus awards); prerequisites to which the executive was entitled on the date of the change in control; a limited amount of group health care benefits; and contributions for benefits expected to be made to the Company's tax-qualified and nonqualified retirement plans. Executives under Agreement are also entitled to a limited amount of outplacement counseling.

Supplemental compensation will also be provided to mitigate the effects of any excise taxes applicable to payments under the Agreements after a change in control. Each executive under Agreement is subject to a confidentiality provision. If the executive voluntarily terminates employment prior to a change in control, the executive will be subject to noncompetition and nonsolicitation provisions.

Retirement and Consulting Agreement

The Company entered into a Retirement and Consulting Agreement with Robert P. O Meara, Chairman of the Board, in connection with Mr. O Meara's retirement from the position of Chief Executive Officer, effective December 31, 2002, and his subsequent retirement from employment effective April 30, 2003. The agreement provides for his nomination for election as a director at the Annual Meeting, for consideration for nomination for re-election in 2006 and for appointment to the Board of Directors of the Bank so long as he serves as a director of the Company. After his retirement on April 30, 2003, Mr. O Meara will be compensated for his service as a Non-employee director of the Company and of the Bank. That agreement provides for adjustment of Mr. O Meara's annual salary to \$150,000, effective January 1, 2003. Mr. O Meara will not be entitled to receive any incentive compensation with respect to his service in 2003, but he will continue to participate in benefit plans during such period. Pursuant to the Agreement, Mr. O Meara has agreed to provide consulting services to the Company through December 31, 2005, subject to earlier termination, and to noncompetition and nonsolicitation covenants through April 30, 2006. Mr. O Meara will be paid an annual consulting fee of \$150,000. In recognition of Mr. O Meara's long service to the Company, the agreement also provides for continuation of medical benefits for Mr. O Meara and his spouse after retirement, the extension of a continuing participation agreement under the Omnibus Plan, financial and tax planning assistance for 2003, and office and support services while serving as a director or consultant to the Company.

The Committee believes that the Company's compensation strategy reflects the following: compensation should focus executives on achieving performance objectives that enhance shareholder value; compensation should motivate executives, both individually and collectively, to take actions that support the attainment of the Company's mission and long and short-term objectives; and, compensation should enable the Company to attract and retain individuals who are in a position to contribute materially to the Company's growth, development and financial success.

Executive compensation consists of three primary, variable elements: a base salary; a potential cash bonus award under the Company's Short-Term Incentive Plan; and a potential stock option or other award under the Omnibus Plan. In determining the appropriate mix among these elements, the Committee considers the results of compensation comparisons performed by the Company itself, the Company's independent compensation consultant, and various industry associations. Additionally, the specific factors considered by the Committee in establishing executive compensation under each of these elements are discussed below.

Base Salary

Executive base salaries are reviewed annually by the Committee and presented to the full Board for approval; executives who are members of the Board of Directors do not participate in the approval process. Executive base salaries are typically targeted at the competitive median for services performed in similar capacities in similarly-sized financial institutions, adjusted primarily for individual performance and also for other factors such as experience, responsibility and internal equity. Based upon the foregoing, the annual base salaries of Robert P. O'Meara, John M. O'Meara and Michael L. Scudder were fixed for 2002 as disclosed in the Summary Compensation Table.

First Midwest Bancorp, Inc. Short-Term Incentive Plan

The First Midwest Bancorp, Inc. Short-Term Incentive Plan (the Incentive Plan), established in 1989, is an integral element of the compensation mix because the Incentive Plan specifically aligns the short-term performance goals of the Company and the Bank with the goals of the individual employees responsible for achieving such goals. There were 409 employees designated as Incentive Plan participants during 2002. Such employees are placed into one of eight participant categories based upon salary grade. Target awards are expressed as a percentage of base salary and ranged from 5% to 60% for 2002, depending upon participant category. (The 2002 target award was 60% for Robert P. O'Meara and John M. O'Meara and 40% for Michael L. Scudder, Thomas J. Schwartz and Mark M. Dietrich). Based upon the level of attainment of predetermined annual corporate performance goals as well as predetermined individual performance goals, an award ranging between 0% to 150% of the target can be earned. Based upon these criteria, the Summary Compensation Table lists the Incentive Plan cash bonus awards for 2002 for each executive listed.

13

First Midwest Bancorp, Inc. Omnibus Stock and Incentive Plan

The First Midwest Bancorp, Inc. Omnibus Stock and Incentive Plan (the Omnibus Plan) allows the granting of incentive and nonqualified stock options, stock appreciation rights, restricted stock, performance units and performance shares. To date, the Company has awarded only nonqualified stock options. The Omnibus Plan is administered by the Committee, and participants in the Omnibus Plan are selected from those employees who are in a position to contribute materially to the Company's long-term growth, development and financial success. There are 104 employees currently participating in the Omnibus Plan. The exercise price of each stock option reflects the fair market value of a share of the Company's Common Stock on the date of grant. Through the vesting schedule, the Committee seeks to motivate participants in the Omnibus Plan to enhance the long-term performance of First Midwest.

Options granted to employees under the Omnibus Plan are generally awarded in February of each year. The Committee uses the Black-Scholes pricing model to determine a market-based number of options to be granted annually. Based upon the foregoing criteria, the Summary Compensation Table lists the annual stock option awards, together with reload stock options granted upon qualifying stock option exercises under the Omnibus Plan identified as NQSO under the Stock Option Grants in the 2002 table.

Chief Executive Officer Compensation

Each element of Robert P. O'Meara's Compensation for 2002 was determined without regard to his retirement as Chief Executive Officer as of the end of the year. Accordingly, his base salary was fixed for 2002 as disclosed in the Summary Compensation Table; his Incentive Plan cash bonus award for 2002 reflected the Company's attainment of the predetermined annual performance goals previously described; and his 2002 stock option award under the Omnibus Plan reflected utilization of the Black-Scholes pricing model with no reduction based upon his performance.

Deductibility of Executive Compensation

Edgar Filing: FIRST MIDWEST BANCORP INC - Form DEF 14A

Internal Revenue Code Section 162(m) generally limits the corporate tax deduction for compensation paid to certain executive officers to \$1 million, unless certain conditions are met. The Committee's objective is to structure First Midwest's executive compensation programs to maximize the deductibility of executive compensation under the Code. In the event that the limitation on deductibility is exceeded, that amount of compensation in excess of the limitation will be automatically deferred pursuant to the terms of the First Midwest Nonqualified Retirement Plan.

The Audit Committee is responsible for assisting the Board of Directors in fulfilling its oversight of the integrity of the Company's financial statements; the Company's compliance with legal and regulatory requirements; the external auditors' qualifications and independence; and performance of the external auditors and the Company's internal audit function. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are independent as required by applicable listing standards of the National Association of Securities Dealers, Inc. As set forth in the Audit Committee Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements and for maintaining appropriate accounting principles, financial reporting policies, internal financial controls and audit procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles accepted in the United States.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles accepted in the United States or that the Company's auditors are in fact independent.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in its Charter, the Audit Committee has recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 filed with the Securities and Exchange Commission.

The Audit Committee has also considered whether the provision by Ernst & Young LLP of services not related to the audit of the financial statements included in the Company's Form 10-K and the reviews of the interim financial statements included in the Company's Forms 10-Q for such year is compatible with maintaining their independence.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and other persons who own more than ten percent of the outstanding First Midwest Common Stock, to file reports of their stock ownership and changes in their ownership with the Securities and Exchange Commission and the NASD. These same people must also furnish First Midwest with copies of these reports.

We helped our executive officers and directors to prepare and file the required reports. We established procedures where the executive officers and directors provide us with the relevant information regarding their transaction in First Midwest shares. Based on this information, we prepare and file the required ownership reports on behalf of the executive officers and directors. In addition, our executive officers and directors have made written statements to us regarding their First Midwest stock ownership. Based on a review of these reports and statements, we believe that our executive officers and directors have fully complied with the reporting requirements of Section 16(a).
