PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Fox Entertainment Group, Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at 10:00 a.m., local time, on November 25, 2003, at the Citigroup Auditorium, 399 Park Avenue, 12th Floor, New York, New York, and any adjournment thereof.

This proxy statement and accompanying proxy card are being mailed commencing on or about October 10, 2003 to stockholders of record of the Company at the close of business on September 29, 2003.

VOTING SECURITIES; PROXIES

The Company has two classes of common stock, Class A common stock ("Class A Common Stock") and Class B common stock ("Class B Common Stock"), and together with the Class A Common Stock, the "Common Stock"). Holders of Class A Common Stock are entitled to one vote per share, and holders of Class B Common Stock are entitled to ten votes per share, on all matters to be voted on by stockholders. A majority of all of the shares of stock entitled to vote at the meeting, present in person or represented by proxy, shall constitute a quorum at the Annual Meeting. A plurality of the votes cast, present in person or represented by proxy at the Annual Meeting, is required for election of the nominees as directors. Holders of shares of Class A Common Stock and Class B Common Stock are not entitled to cumulate their votes in the election of directors. In all matters other than the election of directors, a majority of the votes cast by holders of shares of Class A Common Stock and Class B Common Stock present in person or represented by proxy at the Annual Meeting, and entitled to vote, is required. An inspector of election appointed for the meeting shall determine the number of votes cast by holders of Common Stock for all matters.

The form of proxy solicited by the Board of Directors affords stockholders the choice among approval of, disapproval of, or abstention with respect to each matter to be acted upon at the Annual Meeting. Shares of Class A Common Stock and Class B Common Stock, represented by the proxy, will be voted, except as to matters with respect to which authority to vote is specifically withheld. Where the solicited stockholder indicates a choice on the form of proxy with respect to any matter to be acted upon, the shares will be voted as specified. Abstentions and broker non-votes will not affect the outcome of the election of directors or the ratification of the appointment of the independent public accountants. With respect to all other matters to be voted on by stockholders at the Annual Meeting, abstentions will have the same effect as "no" votes, and broker non-votes will have no effect on the outcome of the vote.

All shares of Class A Common Stock and Class B Common Stock, represented by properly executed proxies which are returned and not revoked, will be voted in accordance with the instructions, if any, given therein. If no instructions are provided in a proxy, the shares of Class A

Edgar Filing: FOX ENTERTAINMENT GROUP INC - Form DEF 14A

Common Stock and Class B Common Stock represented by such proxy will be voted **FOR** the Board's nominees for director, and **FOR** the ratification of the appointment of Ernst & Young LLP and in accordance with the proxy-holder's best judgment as to any other matters raised at the Annual Meeting.

A stockholder who has given a proxy may revoke it at any time prior to its exercise by giving written notice of such revocation to the Secretary of the Company, executing and delivering to the Company a later dated proxy reflecting contrary instructions or appearing at the Annual Meeting and taking appropriate steps to vote in person.

At the close of business on September 29, 2003, 352,436,375 shares of Class A Common Stock and 547,500,000 shares of Class B Common Stock were outstanding and eligible for voting at the meeting. Only stockholders of record at the close of business on September 29, 2003 are entitled to notice of, and to vote at, the meeting.

As of September 29, 2003, FEG Holdings, Inc., an indirect wholly-owned subsidiary of The News Corporation Limited (News Corporation), owned 177,636,375 shares of Class A Common Stock and all 547,500,000 shares of Class B Common Stock of the Company, representing in the aggregate 80.58% of the equity and 97.0% of the voting power of the Company.

FEG Holdings, Inc. has advised the Company that it intends to vote all of its shares of Class A Common Stock and Class B Common Stock in favor of the election of the nominated directors and the ratification of the appointment of the independent public accountants. Such action by FEG Holdings, Inc. will be sufficient to elect such directors and ratify the appointment of the independent public accountants without any action on the part of any other holder of Common Stock.

The Company will bear the cost of solicitation of proxies. In addition to the solicitation of proxies by mail, certain officers and employees of the Company, without additional remuneration, may also solicit proxies personally, by facsimile and by telephone. In addition to mailing copies of this material to stockholders, the Company may request persons, and reimburse them for their expenses in connection therewith, who hold stock in their names or custody or in the names of nominees for others, to forward such material to those persons for whom they hold stock of the Company and to request their authority for execution of the proxies.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

Board Meetings

The Company's Board of Directors held five meetings during the fiscal year ended June 30, 2003. Directors who are employees of the Company or of News Corporation do not receive any compensation for their services as Directors or as members of committees of the Board of Directors. For the fiscal year ended June 30, 2003, Directors who were not employees of the Company or News Corporation were compensated for their services as Directors by an annual retainer of \$45,000, \$1,000 for attendance at each Board meeting and \$2,500 for attendance at each Audit Committee meeting. All Directors are reimbursed for their reasonable expenses incurred in attending meetings of the Board of Directors.

Committees of the Board

The Board of Directors has established an audit and a remuneration committee to assist it in the discharge of its responsibilities. The principal responsibilities of each committee and the members of each committee are described in the succeeding paragraphs. Actions taken by any committee of the Board are reported to the Board of Directors, usually at its next meeting or by written report.

Audit Committee

The Audit Committee of the Board of Directors currently consists of Christos M. Cotsakos, Thomas W. Jones and Peter Powers. The Audit Committee held six meetings during the fiscal year ended June 30, 2003. Dr. Cotsakos and Mr. Jones participated in all six meetings. Mr. Powers participated in all three meetings subsequent to his being appointed to the Audit Committee in February 2003. The Board has determined that each member of the Audit Committee meets all applicable independence and financial literacy requirements under both current and proposed New York Stock Exchange (NYSE) listing standards. Mr. Jones is Chairman and Chief Executive Officer of Citigroup Global Investment Management and Citigroup Asset Management. Although the Company and News Corporation have engaged subsidiaries of Citigroup for various depositary and commercial and investment banking services, Mr. Jones does not have significant responsibilities or duties regarding the services provided by Citigroup to the Company. Management believes that the terms of any banking and depositary fees paid to Citigroup and its subsidiaries are in line with those paid by both the Company and other corporations to other banking institutions for similar services. After determining all relevant facts and

circumstances, the Board has concluded that Mr. Jones' relationship with the Company is not material and that Mr. Jones qualifies as an independent director as defined by the Sarbanes-Oxley Act of 2002, the current rules of the NYSE and the corporate governance reforms recently proposed by the NYSE.

The Audit Committee Charter specifies that the purpose of the Audit Committee is to assist the Board in fulfilling its oversight of (i) the integrity of the Company's financial statements and the Company's financial reporting processes and systems of internal control, (ii) the qualifications, independence and performance of the Company's independent accountants and the performance of the Company's corporate auditors and corporate audit function, and (iii) the Company's compliance with legal and regulatory requirements, and shall provide an open avenue of communication among management, the independent accountants, the corporate auditors, and the Board of Directors. The Audit Committee

Edgar Filing: FOX ENTERTAINMENT GROUP INC - Form DEF 14A

Charter is reviewed annually. The full text of the Audit Committee Charter, which was most recently approved by the Board in September 2003, is attached to this proxy statement as Annex I.

Report of the Audit Committee

In accordance with its written charter, approved by the Board of Directors, the Audit Committee of the Board assists the Board in fulfilling its responsibility for oversight of the integrity of the Company's financial statements and the Company's financial reporting processes. As part of the Audit Committee's meetings, the Audit Committee discussed the interim financial information contained in each quarterly earnings announcement with the Company's Chief Financial Officer and independent accountants prior to the filing of the respective Quarterly Report on Form 10-Q.

In discharging its oversight responsibility as to the audit process, the Audit Committee (i) obtained from the independent accountants a formal written statement describing all relationships between the accountants and the Company that might bear on the accountants' independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, (ii) discussed with the accountants any relationships that may impact their objectivity and independence, and (iii) considered whether the non-audit fees billed to the Company by Ernst & Young LLP are compatible with maintaining the accountants' independence.

The Audit Committee reviewed with both the independent accountants and the corporate auditors their identification of audit risks, audit plans and audit scope. The Audit Committee discussed with management, the independent accountants and the corporate auditors the corporate audit function's organization, responsibilities, budget and staffing.

The Audit Committee also discussed and reviewed with the independent accountants all communications required by generally accepted accounting standards, including those described in Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees. The Audit Committee met with each of the independent accountants and the corporate auditors, both with management present and in private sessions without management present, to discuss and review the results of the independent accountants' audit of the financial statements, including the independent accountants' evaluation of the accounting principles, practices and judgments applied by management, the results of the corporate audit activities and the quality and adequacy of the Company's internal controls.

The Audit Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended June 30, 2003 with management and the independent accountants. Management has the responsibility for the preparation of the Company's financial statements and the independent accountants have the responsibility for the audit of those statements.

At three of the meetings during fiscal 2003 and one of its meetings during fiscal 2004, the Audit Committee met with members of senior management, the independent accountants and the corporate auditors to review the fiscal 2003 quarterly certifications provided by the Chief Executive Officer and the Chief Financial Officer under the Sarbanes-Oxley Act of 2002, the respective rules and regulations of the Securities and Exchange Commission and the overall certification process. At these meetings, Company officers reviewed each of the Sarbanes-Oxley certification requirements concerning internal controls and any fraud, whether or not material, involving management or other employees with a significant role in internal controls.

5

Based on the above-mentioned review and discussions with management, the independent accountants and the corporate auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2003, for filing with the Securities and Exchange Commission. The Audit Committee also recommended the reappointment, subject to shareholder approval, of the independent accountants, and the Board concurred in such recommendation.

The Audit Committee:

Dr. Christos M. Cotsakos (Chairman)
Thomas W. Jones
Peter Powers

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

RELATIONSHIPS BETWEEN THE COMPANY AND NEWS CORPORATION

Business Relationships

News Corporation and its subsidiaries have, in the past, engaged in a broad range of relationships with the Company and its subsidiaries. These relationships have included the purchase by programming platforms owned, in whole or in part, by News Corporation of programming created or owned by the Company; the purchase by the Company of television and movie rights related to books published by HarperCollins Publishers Inc. or other News Corporation publications; the purchase of advertising in free-standing inserts or other publications of News Corporation; and the purchase of certain television broadcasting equipment services from News Corporation. The Company believes that the terms and conditions of all such arrangements are fair and reasonable.

Master Intercompany and Other Agreements

For purposes of governing certain on-going relationships between the Company and News Corporation, the Company and News Corporation have entered into various agreements and relationships, including those described below. The agreements described below were negotiated in the context of a parent-subsidiary relationship and therefore are not the result of arm's-length negotiations between independent parties. There can be no assurance, therefore, that each of such agreements, or the transactions provided for therein, or any amendments thereof will be effected on terms at least as favorable to the Company as could have been obtained from unaffiliated third parties.

The following descriptions summarize all material terms of such agreements.

Master Intercompany Agreement

The Company and News Corporation have entered into a Master Intercompany Agreement which provides, among other things, for certain agreements governing the relationship between the Company and News Corporation. The consideration for each of the services and other arrangements set forth in the Master Intercompany Agreement have been mutually agreed upon between News Corporation and the Company based upon allocated costs, provided that all such consideration and any material arrangements are subject to the approval of the respective Audit Committees of the Company's and News Corporation's Boards of Directors. For the fiscal year ended June 30, 2003, no amount was paid or accrued by the Company to or for the account of News Corporation for services under the Master Intercompany Agreement other than the amounts set forth under Cash Management and Financing.

Cash Management and Financing

Pursuant to the Master Intercompany Agreement, the Company may utilize the worldwide treasury and cash management function, including the use of bank overdraft facilities, of News Corporation and its subsidiaries, subject to certain limitations. In addition, the Company's cash balances are available to News Corporation and its subsidiaries. From November 11, 1998, interest on outstanding intercompany balances (see Intercompany Debt) has been charged at commercial market rates not exceeding News Corporation's average cost of borrowings as set forth in the Master Intercompany Agreement. At June 30, 2003, the intercompany interest rate approximated 8%. The Company and News Corporation further agreed that intercompany cash balances shall be payable on June 30, 2008, or such later date as the Company and News Corporation agree.

Executive Officer Services

The Master Intercompany Agreement provides that News Corporation or its subsidiaries will make available to the Company the services of Messrs. K. Rupert Murdoch, the Company's Chairman and Chief Executive Officer; Peter Chernin, the Company's President and Chief Operating Officer; David F. DeVoe, the Company's Senior Executive Vice President and Chief Financial Officer; and Arthur M. Siskind, the Company's Senior Executive Vice President and General Counsel, and such other employees of News Corporation as the Company and News Corporation may from time to time designate.

10

Although it is contemplated that such executives will spend a considerable portion of their business time in connection with the business of the Company, they will also be engaged in activities for News Corporation not related directly to the business of the Company. In addition, pursuant to the Master Intercompany Agreement, News Corporation may terminate the availability of the services of such executives upon notice to the Company.

Services of Company Employees

The Master Intercompany Agreement provides that News Corporation and its subsidiaries may from time to time request certain employees of the Company to devote time to the business activities of News Corporation, its subsidiaries and affiliated and associated companies.

Facility Arrangements

Certain of the Company's facilities are or may in the future be located on premises owned or leased by News Corporation, or entities in which News Corporation has an interest. Furthermore, certain facilities of News Corporation, or entities in which News Corporation has an interest, are or may in the future be located on premises owned or leased by the Company. The Master Intercompany Agreement provides that News Corporation and its subsidiaries, on the one hand, and the Company, on the other hand, will permit each other to use all or a portion of their respective premises.

Employee Matters

The Master Intercompany Agreement provides that certain employees of the Company may from time to time continue to be eligible to participate in stock option and other employee benefit plans maintained by News Corporation and its subsidiaries. The Company will assume and be solely responsible for all liabilities and obligations whatsoever with respect to current officers and employees of the businesses owned and operated by the Company and former officers and employees of such businesses who, immediately prior to the termination of their employment, were employed in such businesses.

Insurance

The Master Intercompany Agreement provides that News Corporation or its subsidiaries will provide insurance coverage on behalf of the Company against certain risks and in amounts of coverage consistent with current coverages or as otherwise may be agreed between them. The Master Intercompany Agreement further provides that News Corporation will not be obligated to maintain any type or amount of coverage.

Services

The Master Intercompany Agreement provides that News Corporation and its subsidiaries will continue to provide various services to each other, including material procurement, transportation and financial and administrative services.

Trademarks

The Master Intercompany Agreement provides that News Corporation and its subsidiaries and the Company will be granted a royalty-free license to use certain trademarks and service marks of the Company and that the Company will be granted a royalty-free license to use certain trademarks and service marks of News Corporation and its subsidiaries. The Master Intercompany Agreement also provides that the license granted by News Corporation to the Company may be terminated at any time by News Corporation.

Indemnities by the Company

Edgar Filing: FOX ENTERTAINMENT GROUP INC - Form DEF 14A

News Corporation or its subsidiaries have, in the past, given certain guarantees or made commitments relating to the businesses that are conducted by the Company. These include commitments made in connection with film rights agreements and funding and other obligations. The Master Intercompany Agreement provides that the Company will assume all such obligations and commitments, and will indemnify and hold News Corporation and its subsidiaries harmless from and against all liabilities arising from any default thereunder.

11

Indemnities by News Corporation

The Master Intercompany Agreement provides that News Corporation will indemnify and hold the Company and its subsidiaries harmless from and against any and all liabilities arising from any default under the debt instruments or obligations of News Corporation or its subsidiaries (other than the Company) which have been guaranteed by the Company or its subsidiaries or will be guaranteed by the Company in the future.

Tax Sharing Agreement

The Company and certain of its subsidiaries are included in the consolidated group of News Publishing Australia Limited, the principal U.S. subsidiary of News Corporation, for U.S. federal income tax purposes (the Consolidated Group) as well as in certain consolidated, combined or unitary groups which include News Publishing Australia Limited and/or certain of its subsidiaries (the Combined Group) for state and local income tax purposes. The Company and News Publishing Australia Limited have entered into a tax sharing agreement (the Tax Sharing Agreement). Pursuant to the Tax Sharing Agreement, the Company and News Publishing Australia Limited generally will make payments between them in order to allocate the tax liabilities and tax attributes of the Consolidated Group or any Combined Group. Losses and other future tax benefits of the Company and its subsidiaries actually availed of to reduce the tax liabilities of the Consolidated Group or Combined Group and any taxes actually paid by the Company and its subsidiaries included in such Groups will be taken into account for this purpose. The Company and News Publishing Australia Limited will cooperate in preparing any tax return filed with respect to the Consolidated Group or any Combined Group.

News Publishing Australia Limited is primarily responsible for preparing and filing any tax return with respect to the Consolidated Group or any Combined Group, as well as for controlling and contesting any audit or other tax proceeding with respect to the Consolidated Group or any Combined Group. The Company is responsible for preparing and filing any tax returns that include only the Company and its subsidiaries and for any taxes with respect to such tax returns.

In general, the Company and its included subsidiaries will be included in the Consolidated Group for so long as News Publishing Australia Limited beneficially owns at least 80% of the total voting power and value of the outstanding stock of the Company. Each member of a consolidated group for federal income tax purposes is jointly and severally liable for the federal income tax liability of each other member of the consolidated group. Accordingly, although the Tax Sharing Agreement allocates tax liabilities between the Company and News Publishing Australia Limited, during the period in which the Company is included in the Consolidated Group, the Company could be liable in the event that any federal tax liability is incurred, but not discharged, by any other member of the Consolidated Group.

Intercompany Debt

The Company had approximately \$704 million of indebtedness to affiliates of News Corporation as of June 30, 2003 (approximately \$2.8 billion was the largest aggregate amount of such indebtedness in the fiscal year ended June 30, 2003). This intercompany indebtedness constitutes unsecured, general obligations of the Company and matures on June 30, 2008. The intercompany indebtedness bears interest at a rate equal to the average cost of long-term debt of News Corporation (currently 8% per annum), adjusted annually.

Credit Arrangements

News Corporation and certain of its subsidiaries, including the Company, are guarantors of various debt obligations of News Corporation and subsidiaries under various guaranteed debt instruments (the Guaranteed Debt Instruments). Such guarantees, including those of the Company, represent contingent and not current obligations of the Company. The principal amount of indebtedness outstanding under such Guaranteed Debt Instruments at June 30, 2003 was approximately \$10.0 billion. The Guaranteed Debt Instruments mature at various times between 2004 and 2096, with a weighted average maturity of over 20 years, and are generally not redeemable prior to maturity. The indentures governing the Guaranteed Debt Instruments limit the ability of News Corporation and its subsidiaries (including the Company) to subject their properties to liens. Certain Guaranteed Debt Instruments issued prior to March 1993 also may impose limitations on the ability of News Corporation and its subsidiaries, including the Company, to incur indebtedness in certain circumstances. The

12

Guaranteed Debt Instruments also contain customary representations, warranties, covenants and events of default. Under the terms of the Guaranteed Debt Instruments, the holders thereof have the right to require News Corporation to make an offer to repurchase the outstanding debt instruments in the event of a Change of Control Triggering Event. A Change of Control Triggering Event occurs when the Guaranteed Debt Instrument is downgraded below investment grade following a Change of Control of News Corporation or an announcement of an intended Change of Control (or in the event the Guaranteed Debt Instrument is not investment grade at such time, a reduction in the rating by one or more gradations). A Change of Control occurs when a person other than News Corporation, subsidiaries and certain affiliates of News Corporation and the Murdoch Family (as defined in the Guaranteed Debt Instruments) owns (i) 30% or more of the voting power of News Corporation's common shares or (ii) if the Murdoch Family is the beneficial owner of more than 30% of such voting power of News Corporation, a percentage greater than that owned by the Murdoch Family. Certain Guaranteed Debt Instruments require any subsidiary of News Corporation which issues any guarantee for money borrowed in excess of \$50 million to guarantee all outstanding and future senior indebtedness issued by News Corporation or its affiliates pursuant to the indentures governing the Guaranteed Debt Instruments.

The Company, News Corporation and certain of News Corporation's other subsidiaries have also guaranteed the obligations of News Corporation's subsidiary under a Five Year Credit Agreement (the Revolving Credit Agreement). The Revolving Credit Agreement provides for borrowings of up to approximately \$1.75 billion, with a sub-limit of \$600 million available for the issuance of letters of credit and expires on June 30, 2008. As of October 1, 2003, letters of credit representing \$274 million were issued under the Revolving Credit Agreement. The Revolving Credit Agreement contains certain covenants which, among other things, limit the ability of News Corporation and the Company to subject their properties to liens, to incur indebtedness at any time that a default under the Revolving Credit Agreement has occurred and is continuing, and to enter into transactions with affiliates. News Corporation is also required to maintain certain financial covenants, calculated on a consolidated basis, including a leverage ratio and interest coverage ratio. The Revolving Credit Agreement also contains representations, warranties, covenants and events of default customary to senior unsecured credit facilities of similar size and nature.

In addition to the foregoing, the Company and its subsidiaries may from time to time in the future guarantee additional obligations of News Corporation and its subsidiaries.

Pursuant to the Master Intercompany Agreement, News Corporation has agreed to indemnify and hold the Company and its subsidiaries harmless from and against all liabilities arising from any default under the debt instruments or obligations of News Corporation or its subsidiaries (other than the Company), which have been guaranteed by the Company or its subsidiaries.

Proposed Acquisition of Hughes Electronics Corporation and Related Transactions

In April 2003, News Corporation, General Motors Corporation (GM) and Hughes Electronics Corporation (Hughes) reached an agreement in which News Corporation would acquire 34% of Hughes. News Corporation will acquire GM's approximate 19.9% interest in Hughes for not less than \$3.8 billion, of which not less than \$768 million of the consideration may be paid in News Corporation American Depositary Receipts representing preferred limited voting ordinary shares (ADRs). News Corporation will acquire through a merger an additional 14.1% of Hughes for approximately \$2.7 billion that is payable, at News Corporation's option, in cash, News Corporation ADRs or a combination thereof. Simultaneously with the closing of this transaction, News Corporation will transfer its 34% ownership interest in Hughes to the Company in exchange for promissory notes representing \$4.5 billion and approximately 74.2 million shares of the Company's Class A Common Stock, thereby increasing News Corporation's ownership interest in the Company from 80.6% to approximately 82.0%. News Corporation's voting percentage will remain at 97%. The closing of this transaction is subject to a number of conditions, including regulatory approvals.

Ownership of Fox Television Holdings, Inc.

Mr. K. Rupert Murdoch, the Chairman and Chief Executive Officer of the Company and the Chairman and Chief Executive of News Corporation, owns all of the 7,600 outstanding shares of voting preferred stock of Fox Television Holdings, Inc. (FTH), a subsidiary of the Company, representing 76% of the voting power of such company. Through such ownership, Mr. Murdoch has voting control over subsidiaries which hold interests in the Fox Television Stations Group. The voting preferred stock of FTH has a par value of \$760,000 and cumulative dividends at the rate of 12% per annum. The voting preferred stock is subject to redemption by the affirmative vote of the holder or holders of 66-2/3% of the issued and outstanding shares of common stock of FTH. All of the common stock of FTH, representing substantially all of the equity thereof, is owned by the Company.

The Audit Committee annually considers and recommends to the Board of Directors the selection of the Company's independent accountants. The reports of Arthur Andersen LLP on the Company's financial statements for the fiscal years ended June 30, 2000 and June 30, 2001 did not contain an adverse opinion, disclaimer of opinion or qualification or modification as to uncertainty, audit scope or accounting principles. Arthur Andersen LLP's report on the Company's financial statements for the year ended June 30, 2001 referenced the required change in the method of accounting for filmed entertainment costs.

There were no fees billed to the Company by Arthur Andersen LLP during this period for financial information systems design and implementation. The Audit Committee reviewed the non-audit services provided by Arthur Andersen LLP during the fiscal year ended June 30, 2002, and determined that the provision of such non-audit services was compatible with maintaining the accountants' independence.

Simultaneously with the dismissal of Arthur Andersen LLP, the Audit Committee recommended the appointment of Ernst & Young LLP as the Company's independent accountants and this action was approved by the Company's Board of Directors.

During the years ended June 30, 2000 and 2001 and through the date of the Board's decision, the Company did not consult Ernst & Young LLP regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any matter that was either the subject of disagreement on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures or a reportable event as defined in Item 304(a)(1)(v) of Regulation S-K.

ANNEX I

**Fox Entertainment Group, Inc. (the Company)
Audit Committee of the Board of Directors
Charter**

I. AUDIT COMMITTEE PURPOSE AND AUTHORITY

The Board of Directors has established an Audit Committee (the "Audit Committee" or the "Committee") with the authority, responsibility and specific duties as described below.

The Audit Committee shall assist the Board of Directors in its oversight of (i) the integrity of the Company's financial statements and the Company's financial reporting processes and systems of internal control, (ii) the qualifications, independence and performance of the Company's independent accountants and the performance of the Company's corporate auditors and corporate audit function and (iii) the Company's compliance with legal and regulatory requirements, and shall provide an avenue of communication among management, the independent accountants, the corporate auditors and the Board of Directors.

In fulfilling its responsibilities, the Audit Committee shall have full access to all books, records, facilities and personnel of the Company, and shall be authorized (without seeking approval of the Board of Directors) to retain special legal, accounting or other advisors and to request any

Edgar Filing: FOX ENTERTAINMENT GROUP INC - Form DEF 14A

officer or employee of the Company or the Company's outside counsel or independent accountants to meet with any members of, or advisors to, the Audit Committee. The Audit Committee may delegate its authority to subcommittees or the Chairman of the Audit Committee when it deems appropriate and in the best interests of the Company.

Limitations Inherent in the Audit Committee's Role

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This determination is the responsibility of management and the independent accountants. Nor is it the duty of the Audit Committee to assure the compliance with the Company's Code of Conduct. Furthermore, while the Audit Committee is responsible for reviewing the Company's policies and practices with respect to risk assessment and management, it is the responsibility of the Chief Executive Officer and senior management to determine the appropriate level of the Company's exposure to risk.

II. AUDIT COMMITTEE COMPOSITION AND MEETINGS

The Audit Committee shall be comprised of three or more directors as determined by the Board or the Nominating and Corporate Governance Committee, each of whom shall be independent directors, in accordance with the New York Stock Exchange (NYSE) listing standards and who meet the additional independence requirements of the NYSE for audit committee membership.

In addition, as determined by the Board in its business judgment, all members of the Committee shall be financially literate. At least one member shall be an audit committee financial expert in accordance with the rules and regulations of the U.S. Securities and Exchange Commission (SEC), and at least one member (who may also serve as the audit committee financial expert) shall have accounting or financial management expertise in accordance with NYSE listing standards.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or until their successors shall be duly elected and qualified. The members of the Committee may be removed by the Board. Unless a Chairman is elected by the full Board, the members of the Committee may designate a Chairman by majority vote of the full Committee membership.

No Committee member should simultaneously serve on the Audit Committee of more than two other public companies.

A-1

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. The Chairman of the Audit Committee, in consultation with the other Committee members, shall determine the frequency and length of the Committee meetings and shall set meeting agendas consistent with this charter. A majority of the members of the Committee shall constitute a quorum. As part of its job to foster open communication, the Committee should meet at least annually with management, the director of the corporate audit department and the independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee, or at least its Chairman, should hold discussions with the independent accountants and management quarterly regarding the Company's financial statements.

Minutes of each meeting are to be prepared, and, following approval by the Audit Committee sent to the Members of the Board of Directors.

III. RESPONSIBILITIES AND DUTIES

In addition to any other responsibilities which may be assigned from time to time by the Board of Directors, the Audit Committee is responsible for the following matters:

Independent Accountants

1. Seek removal of the independent accountants of the Company; appoint replacement independent accountants to fill vacancies, pending appointment at the Company's next annual general meeting; and implement resolutions passed by the Company in the general meeting for the removal of the independent accountants of the Company (subject to, if applicable, necessary regulatory consents).
2. Evaluate the independent accountant's qualifications, performance and independence, and present its conclusions and recommendations with respect to the independent accountants to the Board of Directors on at least an annual basis. The independent accountants are ultimately accountable to the Board of Directors and the Audit Committee. As part of such evaluation, at least
