- (6) These PBUs vest in their entirety at the end of a three-year performance period as previously reported.

- These restricted stock units were granted in place of restricted common stock. - These performance based rights units were granted in place of performance based units. At an undetermined date in the future, these performance based rights units, at the approval of the shareholders of additional shares to the Long-Term Incentive Plan, will be converted to performance based units that will vest in their entirety at the end of a three-year performance period with settlement in common stock between 0% and 200% (subject to limitations discussed below) of the target award based on Gastar's share price appreciation over a three-year performance period relative to a peer index. Share price appreciation is measured generally as the change in market value of common stock during the performance period. The performance based rights units have no voting rights. Should shareholder approval not occur, the Company will be obligated to settle the performance based rights units in cash at an amount equal to the fair value of a common share at vesting.

As such, the number of shares that may be issued upon vesting ranges from 0 shares to 745,482 shares. **As discussed above, at the end of the performance period, the participant may earn up to 200% of the target award, subject to a maximum award limitation of one million (1,000,000) shares that may be issued to any individual in a calendar year under the Gastar Exploration Inc. Long-Term Incentive Plan.
