WHY INVEST IN PROSPECT CAPITAL?

Prospect Capital ("PSEC") is one of the largest business development companies ("BDCs") with over \$7 billion of available capital.⁽³⁾ A BDC is an investment company that typically focuses on debt investments to middle market companies. PSEC provides flexible private debt and equity capital to middle market companies in the United States and Canada. PSEC has historically used income from these debt and equity investments to pay attractive dividends with yields that have often been higher than other income-oriented investments such as master limited partnerships ("MLPs"), real estate investment trusts ("REITs"), and high yield bonds.⁽⁴⁾ PSEC is an investment grade debt issuer.⁽⁴⁾ All information is as of January 13, 2016 unless otherwise noted.

ü ATTRACTIVE DIVIDEND YIELD

Current monthly dividend of \$0.083 per share, implying an annualized dividend yield of ~16%.⁽¹⁾

ü DISCOUNT TO NET ASSET VALUE ("NAV")

PSEC is trading at a discount of ~40%.⁽¹⁾

ü EXCELLENT OPERATING RETURNS

PSEC has generated superior operating returns compared to the publicly-traded BDC median during the 1 year, 5 year, and 10 year periods ended September 30, 2015, based on dividends plus change in NAV per share.⁽⁵⁾

ü MANAGEMENT INVESTMENT

Senior management are the largest shareholders of PSEC with more than \$100 million of common stock, including \$50 million purchased in December 2015, and has never sold a share.⁽⁶⁾

ü POSITIONED TO BENEFIT FROM RISING RATES

PSEC has positioned itself to benefit from a rising rate environment by investing in floating rate assets and borrowing at fixed rates.⁽²⁾

ü SENIOR SECURED INVESTMENT FOCUS

First-lien and second-lien secured loans comprise 72% of PSEC's portfolio, the majority of which is first lien.⁽²⁾
