**Item 1.01 Entry into a Material Definitive Agreement**

On February 13, 2007, the Board of Directors of SonoSite, Inc. ("Registrant") approved the Variable Incentive Bonus Plan (the "Plan"), an incentive compensation program for fiscal year 2007, which is designed to motivate, retain and reward the Company's executive officers based on the achievement of specified corporate revenue and operating profits objectives. The Plan's terms are substantially similar to the FY2006 Variable Incentive Bonus Plan that was filed on Form 8-K on December 14, 2005 except for the specified revenue and operating profits objectives, which are specific to FY2007. The revenue and operating profits objectives are calculated with the operating profits objective weighed slightly more heavily than revenue in calculating bonus payments at 100% and greater achievement of the Plan targets. For payouts of Plan bonuses at less than 100% achievement of Plan targets, the revenue objective is more heavily weighted than the operating profits objective. For Messrs. Dugan and Cox, 25% of their total FY2007 bonus payments are based on the corporate objectives set forth in the Plan, while the remaining 75% is based on the achievement of specified revenue and margin targets for the U.S. and international markets, respectively.

Participants eligible under the Plan are certain executive level employees designated by the Compensation Committee, including the following executive officers: Graham Cox, Tom Dugan, Kevin Goodwin, Mike Schuh and Kathy Surace-Smith. Bonuses are calculated as a percentage of the participant's base salary and in any event cannot exceed for any one individual \$2 million during fiscal year 2007. The Company has the discretion to pay less than the full amount of any bonus otherwise earned under the Plan. The attached Exhibit 10.1, incorporated herein by reference, is the form of Plan so approved.
