Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On September 1, 2013, BioMed Realty Trust, Inc. (the "Company") amended and restated the Company's bylaws. The following sets forth a summary of the amendments to the bylaws, which does not purport to be complete and is qualified in its entirety by reference to the full text of the Company's Third Amended and Restated Bylaws filed as Exhibit 3.1 to this current report and incorporated herein by reference.

Adoption of Majority Voting Standard in Uncontested Director Elections

The amended bylaws provide for majority voting in uncontested elections of directors. A director nominee may be elected only upon the affirmative vote of a majority of the total votes cast for and against such nominee. The amended bylaws retain plurality voting for contested director elections. Prior to the adoption of the amended bylaws, members of the Company's board of directors were elected by a plurality of the votes cast, whether or not the election was contested.

In connection with the amended bylaws establishing the new majority voting standard for the election of directors, the Company adopted an amendment to its Corporate Governance Guidelines to provide that if an incumbent director fails to receive the required vote for re-election, he or she must submit his or her resignation to the board of directors. The amended Corporate Governance Guidelines provide that the nominating and corporate governance committee of the board will consider such offer and recommend to the board whether to accept the offer to resign. The board will decide whether to accept any such tendered resignation within 90 days after certification of the election results and will publicly disclose its decision. If the resignation is not accepted, the director will continue to serve until the director's successor is duly elected and qualified or until the director's earlier resignation or removal. The amended Corporate Governance Guidelines are available on the Company's website at [www.biomedrealty.com](http://www.biomedrealty.com).

Other Changes

In addition to the adoption of majority voting for director elections, the amended bylaws:

- clarify that notices of stockholders' meetings may be given by electronic notice as permitted by Maryland law and federal proxy rules;

- include requirements relating to information that a stockholder submitting notice of director nominations or other business proposals must provide;

- clarify the procedure for director resignations;

- provide that the Company's stockholders and the board have concurrent power to fill a vacancy on the board which results from the removal of a director;

- provide for procedural flexibility for board meetings and actions in the event of a catastrophe or other similar emergency;

- clarify that the rights to indemnification and advance of expenses for any director or officer are vested immediately upon the election of such director or officer;

- remove certain unnecessary provisions of the bylaws relating to liability for losses which may occur by reason of the failure of a financial institution and provision of surety bonds by directors for the performance of their duties; and

- include certain non-substantive editorial changes.
