Asset Sale in Peru

Rio de Janeiro, November 13, 2013 – Petróleo Brasileiro S.A. – Petrobras announces that, after duly authorized by its Board of Directors, signed today the sale of 100% of shares issued by its subsidiary Petrobras Energia Peru (PEP) to China National Petroleum Corporation - CNPC for US\$ 2.6 billion.

The assets that comprise the transaction are: 100% stake in Block X, which is a mature field in operation since 1912, with production in 2012 of 16,000 boed; 46.16% interest in Block 57, pre-operational natural gas and condensate field; and 100% interest in Block 58, exploratory block neighbor to Block 57 where recent significant discoveries of natural gas and condensate have been made.

The conclusion of the transaction is subject to certain precedent conditions, including approval by the Chinese and Peruvian governments, as well as compliance with the procedures outlined in the respective Joint Operating Agreement (JOA), when applicable.

This transaction represents another important step in Petrobras' Divestment Program (Prodesin) outlined in the 2013-2017 Business and Management Plan.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
