Voluntary Separation Incentive Plan - PIDV

Rio de Janeiro, January 17, 2014 – Petróleo Brasileiro S.A. – Petrobras announces that its Executive Board approved yesterday a Voluntary Separation Incentive Plan - PIDV.

This Plan is part of the implementation of the Productivity Optimization Program – POP, which is designed to positively influence Petrobras’ productivity aiming to contribute to the achievement of performance targets under the Business and Management Plan - PNG.

The PIDV proposal was developed so as to plan and systemize the separation of the employees that enroll in the program meeting the following objectives: adjust company personnel to its Business and Management Plan; achieve company interests in line w’ith employees’ expectations and preserve existing knowledge in the company.

PIDV development considered voluntary enrollments and covers all separable employees aged 55 or higher.

Petrobras will keep its shareholders and other interested parties informed as to the development of the Program.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
