Director Independence and Financial Experts

The Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee charters require that each member meet: (i) all applicable criteria defining “independence” that may be prescribed from time to time under NASDAQ Listing Rule 5605(a)(2), Rule 10A-(3) under the Securities Exchange Act of 1934 and other related rules and listing standards, (ii) the criteria for a “non-employee director” within the meaning of Rule 16b-3 promulgated by the SEC under the Securities Exchange Act of 1934 and (iii) the criteria for an “outside director” within the meaning of Section 162(m)(4)(C) of the Internal Revenue Code.

The Company’s Board of Directors also annually makes an affirmative determination that all such “independence” standards have been and continue to be met by the independent directors and members of each of the three committees, that each director qualifying as independent is neither an officer nor an employee of Astrotech or any of its subsidiaries nor an individual that has any relationship with Astrotech or any of its subsidiaries, or with management (either directly or as a partner, shareholder or officer of an entity that has such a relationship) which, in the Board of Directors’ opinion, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In addition, a director is presumptively considered not independent if:

¶The director, at any time within the past three years, was employed by Astrotech or any of its subsidiaries;

Explanation of Responses:

The director or a family member received payments from Astrotech or any of its subsidiaries in excess of \$120,000 during any period of twelve consecutive months within the preceding three years (other than for Board or Committee service, from investments in the Company's securities or from certain other qualifying exceptions);

The director is, or has a family member who is, a partner, an executive officer or controlling shareholder of any entity to which Astrotech made to or received from payments for property or services in the current or in any of the prior three years that exceed

13

5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more (other than, with other minor exceptions, payments arising solely from investments in the Company's securities);

The director is, or has a family member who is, employed as an executive officer of Astrotech or any of its subsidiaries any time within the prior three years;

The director is, or has a family member who is, employed as an executive officer of another entity where at any time within the prior three years any of Astrotech's officers served on the compensation committee of the other entity; or

The director is, or has a family member who is, a current partner of Astrotech Corporation's independent auditing firm, or was a partner or employee of that firm who worked on the Company's audit at any time during the prior three years.

The Board of Directors has determined each of the following directors and director nominees to be an "independent director" as such term is defined by Rule 5605(a)(2) of the NASDAQ Listing Rules: Mark Adams, John A. Oliva, William F. Readdy, Sha-Chelle Manning, Daniel T. Russler, Jr., Ronald W. Cantwell and Michael R. Humphrey. The Board of Directors has also determined that each member of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee during the past fiscal year and the proposed nominees for the upcoming fiscal year meets the independence requirements applicable to those Committees prescribed by NASDAQ and SEC rules.

Awards

Explanation of Responses:

In both August and September 2014, the Compensation Committee awarded bonuses to directors, NEOs and employees in recognition of individual performance during fiscal year 2014. During fiscal year 2015, the Compensation Committee awarded bonuses to directors, NEOs and employees in recognition of individual performance. Each NEO's maximum bonus is an amount equal to 50% of his annual base salary, subject to Compensation Committee discretion.

Performance-Based Compensation

We believe that a substantial portion of each NEO's compensation should be in the form of performance-based awards, particularly equity-based awards that align the interests of management with that of the shareholders. Providing long-term compensation such as equity awards allows the Company to attract and incentivize qualified executives with less cash outlay, and to retain the executives over a longer period. During fiscal year 2015, awards were given to the NEOs. 300,000 stock options were granted to Mr. Kibler on December 3, 2014 and are subject to two years of performance-based vesting. On April 7, 2015, the Compensation Committee granted 665,000 shares of stock to Mr. Pickens and 375,000 shares of stock to Mr. Stober. These grants were not subject to vesting. Additionally, Mr. Mellacheruvu received a grant of 65,000 shares of restricted stock and 40,000 stock options; each grant vests in equal annual installments over a three year period subject to his continuous employment with the Company.

Long-Term Equity Compensation Awards

The Compensation Committee has the authority to grant equity compensation awards under our Astrotech 2008 Stock Incentive Plan (the "2008 Stock Incentive Plan") and the 2011 Stock Incentive Plan (the "2011 Stock Incentive Plan").

Summary of the 2008 Stock Incentive Plan

The 2008 Stock Incentive Plan permits the discretionary award of incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, restricted stock units, other stock-based awards and incentive awards. Any employee or consultant of the Company (or its subsidiaries) or a director of the Company who, in the opinion of the Compensation Committee, is in a position to contribute to the growth, development or financial success of the Company, is eligible to participate in the 2008 Stock Incentive Plan. In any calendar year, no covered employee described in Section 162(m) of the Internal Revenue Code may be granted (in the case of stock options and stock appreciation rights), or have vest (in the case of restricted stock or other stock-based awards), awards relating to more than 3,000,000 shares of common stock, and the maximum aggregate cash payout with respect to incentive awards paid in cash to such covered employees may not exceed \$25,000,000.

The maximum number of shares of the Company's common stock, no par value, that may be delivered pursuant to awards granted under the 2008 Stock Incentive Plan is 5,500,000 shares of common stock. Any shares subject to an award under the 2008 Stock Incentive Plan that are forfeited or terminated, expire unexercised, lapse or are otherwise canceled in a manner such that the shares of common stock covered by such award are not issued may again be used for awards under the 2008 Stock Incentive Plan. A maximum of 5,500,000 shares of common stock may be issued upon exercise of incentive stock options. The maximum number of shares deliverable pursuant to awards granted under the 2008 Stock Incentive Plan is subject to adjustment by the Compensation Committee in the event of certain dilutive changes in the number of outstanding shares. Under the 2008 Stock Incentive Plan, the Company may issue authorized but unissued shares, treasury shares, or shares purchased by the Company on the open market or otherwise. In addition, the number of shares of common stock available for future awards is reduced by the net number of shares issued pursuant to an award.

Our Board of Directors last approved the amended and restated 2008 Stock Incentive Plan on April 7, 2015 during a Board of Directors meeting.

In addition, the number of shares of common stock available for future awards is reduced by the net number of shares issued pursuant to an award.

401(k) Savings Plan

We maintain a tax-qualified retirement plan that provides eligible employees, including the NEOs, with an opportunity to save for retirement on a tax advantaged basis. All participants' interests in their deferrals are 100% vested when contributed. Contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participant's directions. Currently, the Company makes a matching contribution equal to 100% of the first 5% of the compensation a participant contributes to the 401(k) plan. The 401(k) plan is intended to qualify under Sections 401(a) and 501(a) of the Internal Revenue Code. As a tax-qualified retirement plan, contributions to the 401(k) plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan, and all contributions, if any, are deductible by the Company when made. The 401(k) plan does not promise any guaranteed minimum returns or above-market returns; the investment returns are dependent upon actual investment results. Accordingly, when determining annual compensation for executive officers, the Company does not consider the individuals' retirement plan balances and payout projections.

Potential Payments Upon Termination or Change in Control

As noted above, the Company has entered into an employment agreement with Mr. Pickens that provides for payments and other benefits in connection with termination of his employment for a qualifying event or circumstance and for enhanced payments in connection with such termination after a Change in Control (as defined below). A description of the terms with respect to each of these types of terminations follows.

Termination other than after a Change in Control

The employment agreement provides for payments of certain benefits upon the termination of the employment of the NEO. The NEO's rights upon termination of his employment depends upon the circumstances of the termination. For purposes of the employment agreement, Mr. Pickens' employment may be terminated at any time by the Company upon any of the following:

• Death of the NEO;

• In the event of physical or mental disability where the NEO is unable to perform his duties;

• For Cause or Material Breach where Cause is defined as conviction of certain crimes and/or felonies, and Material Breach is defined to include certain specified failures of the NEO to perform duties or uphold fiduciary responsibilities; or

• Otherwise at the discretion of the Company and subject to the termination obligations set forth in the employment agreement.

The NEO may terminate his employment at any time upon any of the following:

• Death of the NEO;

• In the event of physical or mental disability where the NEO is unable to perform his duties;

• The Company's material reduction in the NEO's authority, perquisites, position, title or responsibilities or other actions that would give the NEO the right to resign for "Good Reason;" or

• Otherwise at the discretion of the NEO and subject to the termination obligations set forth in the employment agreement.

Termination after a Change in Control

A termination after a Change in Control is similar to the severance provisions described above, except that Mr. Pickens becomes entitled to benefits under these provisions only if his employment is terminated within twelve months following a Change in Control. A Change

20

in Control for this purpose is defined to mean (i) the acquisition by any person or entity of the beneficial ownership of securities representing 50% or more of the outstanding securities of the Company having the right under ordinary circumstances to vote at an election of the Board of Directors of the Company; (ii) the date on which the majority of the members of the Board of Directors of the Company consists of persons other than directors nominated by a majority of the directors on the Board of Directors at the time of their election and (iii) the consummation of certain types of transactions, including mergers and the sale or other disposition of all, or substantially all, of the Company's assets.

As with the severance provisions described above, the rights to which the NEO is entitled under the Change in Control provisions upon a termination of employment are dependent on the circumstances of the termination. The definitions of Cause and other reasons for termination are the same in this termination scenario as in a termination other than after a Change in Control.

Indemnification Agreements

PROPOSAL 2 – APPOINTMENT OF INDEPENDENT AUDITOR

On April 1, 2015, the Astrotech Audit Committee engaged BDO USA, LLP as independent auditor for the fiscal year ended June 30, 2015. With regards to this proposal, the Board of Directors is requesting the shareholders to ratify the appointment of BDO USA, LLP as the Company's independent auditor for the fiscal year ending June 30, 2016. The ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for fiscal year 2016 requires the affirmative vote of a majority of the total number of votes cast at the Annual Meeting by the holders of shares of our common stock.

Ratification Requirements and Governance

There is no requirement that the Company submit the appointment of independent auditors to shareholders for ratification or for the appointed auditors to be terminated if the ratification fails, but Astrotech believes that it is sound corporate governance to submit the matter to shareholder vote. The Sarbanes-Oxley Act of 2002 states the Audit Committee is solely responsible for the appointment, compensation and oversight of the independent auditor. As such, the Audit Committee may consider the appointment of other independent auditors if the shareholders choose not to ratify the appointment of BDO USA, LLP. Additionally, the Audit Committee may terminate the appointment of BDO USA, LLP as the Company's independent auditor without the approval of the shareholders whenever the Audit Committee deems such termination appropriate.

Independence

In making its recommendation to ratify the appointment of BDO USA, LLP as the Company's independent auditor for the fiscal year ending June 30, 2016, the Audit Committee has considered whether the provision of non-audit services by BDO USA, LLP is compatible with maintaining the independence of BDO USA, LLP. Although BDO USA, LLP is engaged to provide tax preparation work, the Audit Committee believes the non-audit services provided do not hinder their independence to Astrotech.

Annual Meeting Representation

Representatives of BDO USA, LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. They are also expected to be available to respond to appropriate questions from the shareholders present.

Audit Committee Pre-Approval Policy

The Audit Committee is responsible for appointing, setting compensation for and overseeing the work of BDO USA, LLP, the Company's independent auditor. The Audit Committee's policy requires the pre-approval of all audit and permissible non-audit services to be provided by independent auditors in order to assure that the provision of such services does not impair the auditor's independence. The policy, as amended, provides for the general pre-approval of specific types of services and gives detailed guidance to management as to the specific audit, audit-related and tax services that are eligible for general pre-approval. For both audit and non-audit pre-approvals, the Audit Committee will consider whether such services are consistent with applicable law and SEC rules and regulations concerning auditor independence.

The policy delegates to the Chairman of the Audit Committee the authority to grant certain specific pre-approvals, provided that the Chairman of the Audit Committee is required to report the granting of any pre-approvals to the Audit Committee at its next regularly scheduled meeting. The policy prohibits the Audit Committee from delegating to management the Audit Committee's responsibility to pre-approve services performed by the independent auditors. Requests for pre-approval of services must be detailed as to the particular services proposed to be provided and are to be submitted by the CFO. Each request generally must include a detailed description of the type and scope of services, a proposed staffing plan, a budget of the proposed fees for such services and a general timetable for the performance of such services.

Audit Fees

Audit fees consist of fees billed for professional services rendered for the audit of the Company's consolidated financial statements, for the review of the interim condensed consolidated financial statements included in quarterly reports, services that are normally provided by BDO USA, LLP in connection with statutory and regulatory filings or engagements and attest services, except those not required by statute or regulation. The aggregate fees billed for the fiscal year 2015 for professional services rendered by BDO USA, LLP was \$142,950. The aggregate fees billed for

the fiscal year 2014 for professional services rendered by BDO USA, LLP was \$0 due to the appointment of BDO USA, LLP as the Company's independent auditor during the fiscal year 2015.

24

Audit-Related Fees

There were no audit-related fees billed by or to be billed by BDO USA, LLP for the fiscal years ended June 30, 2015 and 2014.

Tax Fees

Tax fees consist of tax compliance and preparation and other tax services. Tax compliance and preparation consist of fees billed for professional services related to federal and state tax compliance and assistance with tax return preparation. The aggregate fees billed for the fiscal year 2015 for professional services rendered by BDO USA, LLP was \$12,000. The aggregate fees billed for the fiscal year 2014 for professional services rendered by BDO USA, LLP was \$0 due to the appointment of BDO USA, LLP as the Company's independent auditor during the fiscal year 2015.

All Other Fees

The Company paid no other fees to BDO USA, LLP during the fiscal years 2015 and 2014.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS INDEPENDENT AUDITOR OF THE COMPANY FOR THE FISCAL YEAR ENDING JUNE 30, 2016.

PROPOSAL 3 – SAY-ON-PAY ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

General

Shareholders are being asked to approve on an advisory basis the compensation of our named executive officers required under Section 14A of the Securities Exchange Act of 1934, as amended, including the compensation tables and related material included in this Proxy Statement. This proposal, commonly known as a “Say-on-Pay” proposal, gives you, as a shareholder, the opportunity to express your reviews on our named executive officers’ compensation. Your vote is not intended to address any specific item of our compensation program, but rather to address our overall approach to the compensation of our named executive officers described in this Proxy Statement.

As described under “Executive Compensation,” our executive compensation programs are designed to be competitive with those of other companies that compete for highly skilled technical employees and executives. Our performance-based compensation system is intended to include incentives for innovation and entrepreneurial spirit. The Compensation Committee oversees our executive compensation program, including the compensation of our named executive officers. All members of our Compensation Committee are independent directors within the meaning of NASDAQ listing standards, and the Compensation Committee engages and receives advice from Mr. Mark Rosen of Pearl Meyer and Partners, an independent compensation consultant.

The Compensation Committee strives to achieve our strategic objectives by designing our compensation program to offer competitive base compensation to attract and retain experienced, qualified executives while offering incentives to foster the innovation and entrepreneurial spirit necessary for executing our business strategy and rewards for successful achievement of performance goals. In designing our executive compensation program, we are guided by five principles:

- Establish target compensation levels that are competitive within the industries and the geographic regions in which we compete for executive talent;
- Structure executive compensation so that our executives share in Astrotech’s successes and failures by correlating compensation with target levels based upon business performance;
- Link pay to performance by making a percentage of total executive compensation variable, or “at risk”, through an annual determination of performance-based incentive compensation;
- Align a portion of executive pay with shareholder interests through equity awards; and
- Maintain a company-wide entrepreneurial atmosphere by minimizing special “executive only” benefits or prerequisites.

Our Compensation Committee and our Board believe our overall process effectively implements our compensation philosophy and achieves our goals. Accordingly, we ask you to vote FOR the following resolution at our Annual Meeting:

“RESOLVED, that Astrotech Corporation’s shareholders approve, on an advisory basis, the compensation paid to the named executive officers, as disclosed in this Proxy Statement pursuant Section 14A of the Securities Exchange Act of 1934, as amended, including the compensation tables and related narrative discussion.”

This vote on the named executive officer compensation is advisory, and therefore will not be binding on the Company and will not affect, limit or augment any existing compensation or awards. However, we value our shareholders’ opinions and the Compensation Committee will take into account the outcome of the vote when considering future compensation arrangements.

Directors’ Recommendation

Explanation of Responses:

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE SAY-ON-PAY PROPOSAL. PROXIES SOLICITED BY THE BOARD WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY A CONTRARY CHOICE IN THEIR VOTING INSTRUCTIONS.

REPORT OF THE AUDIT COMMITTEE

The Board of Directors has established an Audit Committee of independent directors which operates under a written charter adopted by the Board of Directors. The charter was amended and restated in May 2004. Astrotech's management is responsible for establishing a system of internal controls and for preparing the Company's consolidated financial statements in accordance with U.S. generally accepted accounting principles. Astrotech's independent auditors are responsible for auditing the Company's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board and issuing their report based on that audit. Under the Audit Committee's charter, the primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities as to (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements and the Company's Code of Business Conduct and Ethics, (iii) the independent auditors' qualifications and independence and (iv) the performance of the independent auditors. The Audit Committee is also directly responsible for selecting and evaluating the independent auditors, reviewing, with the independent auditors, the plans and scope of the audit engagement and reviewing with the independent auditors their objectivity and independence.

Most members of the Audit Committee are not professional accountants or auditors and, in performing their oversight role, rely without independent verification on the information and representations provided to them by management and Astrotech's independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to certify that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with accounting principles generally accepted in the United States or that Astrotech's independent auditors are in fact "independent" for fiscal year 2015. The Board of Directors has determined that for fiscal year 2015, Ronald W. Cantwell, John A. Oliva and Daniel T. Russler, Jr. were audit committee financial experts and such persons are independent as defined under the federal securities laws.

In connection with the preparation of the audited financial statements included in Astrotech's annual report on Form 10-K for the year ended June 30, 2015:

The Audit Committee reviewed and discussed the audited financial statements with the independent auditors and management.

The Audit Committee discussed with the independent auditors the matters required to be discussed by Public Company Accounting Oversight Board ("PCAOB") Auditing Standard No. 16, Communications with Audit Committees. In general, this auditing standard requires the auditors to communicate to the Audit Committee certain matters that are incidental to the audit, such as any initiation of, or changes to, significant accounting policies, management judgments, accounting estimates and audit adjustments, disagreements with management and the auditors' judgment about the quality of the Company's accounting principles.

The Audit Committee received from the independent auditors written disclosures and the letter regarding their independence required by PCAOB Rule 3526, and discussed with the auditors their independence. In general, PCAOB Rule 3526 requires the auditors to disclose to the Audit Committee any relationship between the auditors and its related entities and Astrotech that in the auditors' professional judgment may reasonably be thought to bear on independence. The Audit Committee also considered whether the independent auditors' provision of non-audit services to Astrotech was compatible with maintaining their independence.

Based on the review and discussions noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the year ended June 30, 2015 be included in Astrotech's annual report on Form 10-K filed with the SEC.

This report is submitted by the members of the Audit Committee of the Board of Directors:

Ronald W. Cantwell (Chairman)

John A. Oliva

Daniel T. Russler, Jr.

The foregoing Audit Committee Report shall not be deemed to be incorporated by reference in any previous or future documents filed by the Company with the Securities and Exchange Commission under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates the report by reference in any such document.

ADDITIONAL INFORMATION

Proxy Solicitation Expense

The Company will bear all expenses of the solicitation, including the cost of preparing and mailing the proxy materials. In addition to solicitation by mail, officers and employees of the Company, without receiving any additional compensation, may solicit proxies personally or by telephone or facsimile. For the Annual Meeting, the Company has engaged Morrow & Co., LLC (“Morrow”), 470 West Avenue, Stamford, Connecticut 06902, to assist in soliciting proxies. Morrow has been paid a fee of \$15,000 plus out-of-pocket expenses for this service. In addition, we retained Morrow to request brokerage houses, banks and other custodians or nominees holding stock in their names for others to forward proxy materials to their customers or principals who are the beneficial owners of shares and will reimburse them for their expenses in doing so. The Company does not anticipate that the costs and expenses incurred in connection with this proxy solicitation will exceed those normally expended for a proxy solicitation for those matters to be voted on in the Annual Meeting.

Deadline for Submission of Shareholder Proposals for Next Year’s Annual Meeting

Shareholders who intend to have a proposal considered for inclusion in our proxy materials for presentation at our 2016 Annual Meeting of Shareholders must submit the proposal to us at our corporate headquarters no later than June 20, 2016, which proposal must be made in accordance with the provisions of Rule 14a-8 of the Exchange Act.

Shareholders who intend to present a proposal at our 2016 Annual Meeting of Shareholders without inclusion of the proposal in our proxy materials are required to provide notice of such proposal to our Corporate Secretary so that such notice is received by our Corporate Secretary at our principal executive offices on or after August 6, 2016 but no later than September 5, 2016. We reserve the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Discretionary Voting of Proxies on Other Matters

The Board of Directors for the Company knows of no matters to be presented at the Annual Meeting other than those described in this Proxy Statement. In the event that other business properly comes before the meeting, the persons named as proxies will have discretionary authority to vote the shares represented by the accompanying proxy in accordance with their own judgment.

Householding of Proxy Materials

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one copy of this Proxy Statement may have been sent to multiple shareholders in your household. The Company will promptly deliver a separate copy of either document to you if you call or write us at the following address and telephone number: 401 Congress Avenue, Suite 1650, Austin, Texas, 78701, Attention: Secretary; telephone: (512) 485-9530. If you want to receive separate copies of the Company’s annual report and proxy statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee record holder, or you may contact the Company at the above address or telephone number.

OTHER MATTERS

We do not intend to bring any other matters before the Annual Meeting, nor are we aware of any other matters that are to be properly presented to the Annual Meeting by others. In the event that other matters do properly come before the Annual Meeting or any adjournments thereof, it is the intention of the persons named in the Proxy to vote such Proxy in accordance with their best judgment on such matters.

The Form 10-K, including the Company's audited financial statements for the year ended June 30, 2015, is being distributed to all shareholders of record as of the record date.

By Order of the Board of Directors,

Eric Stober
Chief Financial Officer, Treasurer and Secretary
