Item 1.01 Entry into a Material Definitive Agreement.

On June 30, 2005, Harris Corporation ("Harris") entered into Amendment Number Eleven (the "Amendment") to the Harris Corporation Retirement Plan (the "Plan") that changed the profit sharing contribution formula under the Plan. The Amendment replaces the current profit sharing contribution formula based on Harris' adjusted consolidated net income with a new formula based on Harris' earnings per share.

The new profit sharing contribution formula provides that each Plan year, commencing with Harris' 2006 fiscal year, a profit sharing contribution will be made with respect to each eligible participant in an amount equal to a specified percentage of such participant's eligible compensation (not to exceed 6%), with the applicable percentage determined based on Harris' earnings per share for such Plan year as compared to an earnings per share plan target and maximum and minimum earnings per share targets established by the Board of Directors of Harris (the "Board") or the Management Development and Compensation Committee for such Plan year. Additionally, the calculation of earnings per share, the applicable percentages and the profit sharing contribution are subject to certain limitations relating to Harris' net profits and to certain potential adjustments by the Board or the Management Development and Compensation Committee for unusual or nonrecurring events affecting Harris or its financial statements or changes in applicable laws, regulations or accounting principles.

The foregoing summary description of the Amendment is not complete and is qualified in its entirety by, and should be read in conjunction with, the complete text of Amendment Number Eleven to the Harris Corporation Retirement Plan, which is filed as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference. The Amendment follows Amendment Number Ten to the Harris Corporation Retirement Plan, a non-material amendment to the definition of "compensation" under the Plan entered into by Harris on June 8, 2005, pursuant to approval of Harris' Employee Benefits Committee in accordance with the terms of the Plan, which Amendment Number Ten is filed for purposes of completeness as Exhibit 10.1 to this Current Report on Form 8-K.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On June 29, 2005, Joseph L. Dionne, having reached the mandatory retirement age of 72 as specified in Harris' Corporate Governance Principles, submitted his resignation as a director of Harris Corporation, effective June 30, 2005. Effective upon Mr. Dionne's resignation, the Board decreased the authorized number of directors constituting the Board from eleven to ten.

Item 9.01 Financial Statements and Exhibits.

The following exhibits are filed with this Current Report on Form 8-K:

10.1 Amendment Number Ten to the Harris Corporation Retirement Plan, dated as of June 8, 2005.
