The SARs awarded to Mr. Smirnov were granted pursuant to the EDN Sovintel 2005 Stock Appreciation Rights Bonus Plan and the SARs awarded to Mr. Wilson were granted pursuant to the Golden Telecom, Inc. 2005 Stock Appreciation Rights Plan at a share price which shall be the lower of: (i) the average between the high and low sales price per share of GTI common stock on the grant date, or in case no such sale takes place on grant date, the last date on which a sale occurred, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed or admitted to trading on a national securities exchange or included for quotation on the NASDAQ National Market; or (ii) the average closing sales price per share of GTI common stock for the fourteen trading days immediately preceding such date, as reported in the principal consolidated transaction reporting system with respect to securities listed or admitted to trading on a national securities exchange or included for quotation on the NASDAQ National Market, which was \$23.67 ("Granting Share Price"). Seventy-five percent of the SAR grant shall be subject to time vesting, one-third of which shall be and become vested and nonforfeitable on each of the first three anniversary dates from July 26, 2006, provided Mr. Smirnov and Mr. Wilson remain continuously employed by GTI or one of its subsidiaries or business units until each such relevant date. The Granting Share Price shall increase by five percent on each anniversary date after July 26, 2006 in association with the SARs that shall be and become vested and nonforfeitable on each such anniversary date. Twenty-five percent of the SARs granted are subject to performance vesting upon the Company's common stock achieving a closing trading price of at least \$50.00 per share for thirty consecutive days as determined in the sole discretion of the Company. If the Company's Common Stock does not achieve a closing trading price of at least \$50.00 per share for thirty consecutive days within three years of the date of grant, such portion of the SARs shall expire by its terms and shall not be exercisable.
