**Item 1.01 Entry into a Material Definitive Agreement.**

On May 31, 2007, Kansas City Southern and its wholly owned subsidiary, The Kansas City Southern Railway Company ("KCSR"), entered into Amendment No. 1 ("Amendment No. 1") to KCSR's Amended and Restated Credit Agreement dated April 28, 2006 (the "Credit Agreement") with The Bank of Nova Scotia, as administrative agent and collateral agent for the lender parties thereto, Morgan Stanley Senior Funding, Inc, and Harris N.A., as co-syndication agents, LaSalle Bank National Association and Bank of Tokyo-Mitsubishi UFJ Trust Company, as co-documentation agents, and Scotia Capital as lead arranger and bookrunner.

Amendment No. 1, among other things, provides for a new \$75 million term loan facility (the "Term C Facility") to KCSR, on substantially the same terms as the Term B facility under the Credit Agreement. Advances under the Term C Facility bear interest at a rate equal to either, at KCSR's option and subject to certain conditions, (i) 0.50% per annum in excess of the Base Rate set forth in the Credit Agreement, or (ii) 1.50% per annum in excess of the Eurodollar Rate set forth in the Credit Agreement. The final maturity of the Term C Facility is April 28, 2013. Proceeds from advances under the Term C Facility were used to reduce the outstanding balance of KCSR's revolving credit facility under the Credit Agreement.

Except as amended and supplemented by the Amendment No. 1, all terms of the Credit Agreement remain in full force and effect.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information required by this item is included in Item 1.01 above and is incorporated herein by reference.
