**Item 1.01 Entry into a Material Definitive Agreement.**

On September 22, 2017 Genuine Parts Company (NYSE: GPC) entered into a definitive agreement to acquire Alliance Automotive Group ("AAG") from funds managed by Blackstone Group LLP and from AAG's co-founders. The acquisition is valued at a total purchase price of approximately €1.701 billion (\$2.0 billion U.S.), including the repayment of AAG's outstanding debt upon closing. The transaction has been approved by the Board of Directors of Genuine Parts and is expected to close in the fourth quarter of 2017, subject to the satisfaction of customary closing conditions and applicable regulatory approvals.

AAG, a leading European distributor of vehicle parts, tools and workshop equipment is the second largest parts distribution platform in Europe, with a focus on light vehicle and commercial vehicle replacement parts. Headquartered in London, AAG has 7,500 employees and over 1,800 company-owned stores and affiliated outlets across France, the U.K. and Germany. AAG has a consistent track record of organic revenue and earnings growth supported by strategic investments based on a proven M&A strategy to gain scale, efficiencies and geographic coverage. AAG is expected to generate gross annual billings of approximately \$2.3 billion including supplier direct billings, or \$1.7 billion of revenue on a U.S. GAAP basis in 2017.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

Genuine Parts intends to finance the AAG acquisition through a combination of new term loans and new senior unsecured notes. Completion of the acquisition is not subject to a financing condition. On September 22, 2017, Genuine Parts also entered into a \$2.0 billion U.S. 364-Day Bridge Credit Agreement with JPMorgan Chase Bank, N.A. and other lenders that is available, subject to certain conditions, to finance the acquisition and pay related fees and expenses to the extent that the acquisition is not otherwise funded by new term loans or senior unsecured notes.

**Item 8.01 Other Events.**

A copy of the press release of Genuine Parts, dated September 25, 2017, announcing the AAG acquisition is furnished with this Current Report on Form 8-K as Exhibit 99.1. The press release includes a non-GAAP measure – incremental adjusted earnings per share, which excludes the amortization of acquisition-related intangibles. We believe that excluding this expense is useful to investors, because the amortization of intangible assets can be inconsistent in amount and frequency and is significantly impacted by the timing and size of our acquisition transactions. Accordingly, in analyzing our performance we also consider it without regard to amortization of intangible expense.
