We are pleased to take advantage of rules and regulations adopted by the Securities and Exchange Commission allowing companies to furnish proxy materials to their stockholders over the Internet. We believe that the e-proxy process expedites stockholders' receipt of proxy materials and reduce the costs and environmental impact of our Annual Meeting of Stockholders. On April 5, 2019, we began mailing a Notice of Internet Availability of Proxy Materials to our stockholders containing instructions on how to access our Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2018, as well as instructions regarding how to receive paper copies of these documents if you prefer.

Your vote on the matters to be considered at the annual meeting is important, regardless of the size of your holdings. Whether or not you plan to attend the meeting, we urge you to vote your shares as soon as possible via the Internet or by telephone. If you received a paper copy of the proxy card by mail, you may sign and return the proxy card in the envelope provided, or may request a proxy card to complete, sign, and date and return by mail. Proposal 2 Advisory Vote to Approve Compensation of Named Executive Officers

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “**FOR**” APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Compensation Program Highlights

Zebra is seeking your advisory vote to approve the compensation of our named executive officers as disclosed in this proxy statement. For 2018, our Compensation Committee did not make any changes in Zebra’s executive compensation practices. At the 2018 annual meeting, Zebra’s say-on-pay vote received approval by 96.79% of the votes cast for Zebra’s say-on-pay vote at that meeting. For more information... CD&A on page 22.

2018 Elements of Compensation

Our executive officers are responsible for achieving long-term strategic goals, and their compensation is weighted toward rewarding long-term value creation for stockholders.

Our emphasis on creating long-term stockholder value is best illustrated in the following charts, which show that long-term incentive compensation accounts for the largest percentage of the Named Executive Officers’ overall target compensation for 2018. In addition, a majority of the Named Executive Officers’ compensation — consisting of target long-term and target short-term incentive compensation combined — is performance-based or “at risk.”

Proposal 3 Ratification of Appointment of Independent Auditors

THE BOARD OF DIRECTORS AND THE AUDIT COMMITTEE RECOMMEND A VOTE “**FOR**” THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2019.

Zebra is seeking your advisory vote to ratify Ernst & Young LLP as Zebra’s Independent auditors, more information on page 48.

Corporate Governance

Corporate Governance Policies

Zebra believes that strong corporate governance practices help create long-term value for our stockholders. Our key governance policies, listed below, provide the framework for our corporate governance and assist the Board in fulfilling its duty to stockholders. Our commitment to these policies is vital to ensuring Zebra is managed and monitored in a responsible and value-driven manner.

The **Corporate Governance Guidelines** address matters relating to the composition and operations of the Board of Directors

The **Code of Business Conduct** applies to directors, officers, and employees, and addresses matters such as conflicts of interest, confidentiality, and fair dealing

The **Code of Ethics for Senior Financial Officers** applies to our CEO, Chief Financial Officer, and Chief Accounting Officer, and addresses matters such as compliance with laws and regulations

The Board reviews (and if necessary, modifies) these policies periodically to ensure they reflect sound corporate governance policies and practices. The Corporate Governance Guidelines were amended in February 2019.

All of these documents are available on Zebra's website at <http://www.zebra.com> under "About Zebra-Investor Relations-Governance-Governance Documents."

Selecting Nominees for the Board

HOW WE FIND POTENTIAL DIRECTORS

The Nominating and Governance Committee of our Board of Directors is responsible for identifying individuals who are qualified to serve as directors and for recommending candidates. The Nominating and Governance Committee relies on several sources to identify potential directors, including referrals from current Board members and management, suggestions from stockholders, and individual self-nominations. From time to time, the Nominating and Governance Committee engages a search firm to identify prospective candidates for director.

Consideration of potential Board members typically involves a series of internal discussions, review of the candidates' qualifications, and interviews with promising candidates. Candidates from all sources are evaluated in the same way and are subject to the same standards.

WHAT WE LOOK FOR IN POTENTIAL DIRECTORS

We believe that Board candidates must exhibit certain minimum characteristics: sound judgment and an even temperament, high ethical standards, and a healthy view of the relative responsibilities of board members and management. In addition, our Board members should be independent thinkers, articulate and intelligent, and be able to commit time and attention to Zebra's business. The Nominating and Governance Committee's charter sets forth other important criteria, including experience as a board member of another publicly-traded company; experience in industries, global businesses or with technologies relevant to Zebra; accounting or financial reporting experience; independence; and diversity of race, gender, nationality and ethnicity.

Each year the Nominating and Governance Committee reviews the performance of current directors whose terms will expire at the upcoming annual meeting of stockholders. When deciding whether to nominate an existing director for re-election, the Nominating and Governance Committee will confirm that the director meets the criteria described above, but also will consider matters such as whether the director:

- represents stockholder interests in Board deliberations,
- demonstrates loyalty to Zebra,
- attends meetings regularly,
- keeps abreast of corporate and industry changes,
- prepares effectively for meetings with Board members and senior management,
- communicates effectively at Board and committee meetings and with senior management,
- supports the deliberative process as a team member (e.g., is courteous, respectful, and constructive),
- challenges the Board and senior management to set and achieve goals, and
- possesses special characteristics that contribute to effectiveness as a Board member.

Although the Board does not have a specific diversity policy, it considers diversity of race, ethnicity, gender, nationality, age, cultural background and professional experience in evaluating Board candidates and in nominating existing directors for re-election. The Board views diversity as an important factor because the Board believes that a variety of points of view contributes to a more effective decision-making process. When recommending Board candidates for election or re-election by stockholders, the Board and Nominating and Governance Committee focus on how

[Back to Contents](#)

the experience and skillset of each Board candidate complements those of fellow candidates and members of the Board to create a balanced Board with diverse viewpoints and deep expertise.

The Board does not endorse a mandatory retirement age, term limits, or automatic re-nomination to serve as a director. The Board believes that Board and committee self-evaluation processes are the most effective means of assisting it in determining whether a director should continue to serve in that capacity. The Board assesses its contribution as a whole and identifies areas in which improvements may be made.

Director Independence

Under our Corporate Governance Guidelines and NASDAQ listing rules, a majority of our directors must be independent. Under NASDAQ listing rules, a director does not qualify as independent unless the Board affirmatively determines that the director has no relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In February 2019, the Nominating and Governance Committee reviewed the independence of all Zebra directors and determined, and the Board formally approved, that each director, except Anders Gustafsson, our Chief Executive Officer, is independent under NASDAQ listing rules, and that no director other than Mr. Gustafsson has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Board Leadership Structure

Under our Corporate Governance Guidelines, the Board may be led by an independent Chairman or the roles of Chairman and Chief Executive Officer may be combined. When the CEO also serves as Chairman, the Corporate Governance Guidelines provide that the independent directors must appoint an independent lead director.

Michael Smith has served as an independent director since 1991, and as our independent Chairman since 2007. In that capacity, Mr. Smith presides at all meetings of stockholders and of the Board, including executive sessions of the whole Board and of the independent directors. Mr. Smith's other duties include advising the CEO of matters discussed in executive sessions when appropriate, and approving Board agenda items. We believe that separating the positions of Chairman and CEO allows our CEO to focus on the strategic, operational, and financial matters necessary to operate Zebra's business. Mr. Smith provides independent leadership that reflects his experience with Zebra and the operation and history of the Board.

Executive Sessions

The Board and its committees regularly meet in executive session with and without the CEO.

Limitation on Service on Other Boards

The Corporate Governance Guidelines limit to four the number of other publicly traded for-profit boards on which a non-employee director may serve. Employee directors and executive officers, other than the CEO, may serve on the board of one for-profit entity other than Zebra, as approved by the Chairman. The CEO may serve on the board of two publicly traded for-profit entities in addition to the Zebra board, as approved by the Nominating and Governance Committee.

Director Development

Directors are provided with continuing education, including business-specific learning opportunities through site visits and briefing sessions on topics that are relevant to Zebra. Directors are also encouraged to attend additional continuing education programs designed to enhance the performance of individual directors and the Board as a whole. Zebra reimburses the costs of continuing director education programs. For new directors, Zebra provides an orientation and on-boarding to familiarize them with the company, Zebra's corporate governance practices, and the role and responsibility of a director and of the board of directors generally.

Stock Ownership Guidelines

Zebra's Stock Ownership Guidelines for executive officers and non-employee directors impose the following "multiple of pay" stock ownership requirements:

| Covered Participant | Must hold the lesser of: | |
|--------------------------|-------------------------------|------------------|
| | Multiple of Pay | Number of Shares |
| Chief Executive Officer | 5x annual base salary | or 100,000 |
| Executive Vice President | 4x annual base salary | or 30,000 |
| Senior Vice President | 3x annual base salary | or 20,000 |
| Vice President | 1x annual base salary | or 10,000 |
| Non-Employee Directors | 5x annual board cash retainer | or 10,000 |

Directors and covered executives have five years after becoming subject to the Stock Ownership Guidelines to satisfy the applicable threshold ownership level. Until that ownership requirement is attained, directors and covered executives must retain 50% of their after-tax shares acquired upon exercise or vesting of an equity award. The Stock Ownership Guidelines are available on our website at <http://www.zebra.com> under "About Zebra-Investor Relations-Governance-Governance Documents."

In February 2019, the Compensation Committee reviewed compliance with the Stock Ownership Guidelines as of December 31, 2018, for all incumbent directors and executive officers. All of our non-employee directors satisfied the applicable stock ownership level. Except for Ms. Kogl, who was promoted to General Counsel in September 2018, and Mr. Williams, who joined Zebra as our Chief Supply Chain Officer in December 2018, each of Zebra's executive officers satisfied the applicable stock ownership level.

Oversight of Risk Management

The goal of our risk-management program is to provide reasonable assurance that a controllable risk will not have a material or significant adverse effect on Zebra. As set forth in our Corporate Governance Guidelines, the Board is responsible for the oversight of risk management. This responsibility is discharged primarily through the Audit Committee.

The Audit Committee receives regular reports from internal audit and from a risk committee made up of management employees regarding the identification and management of risk in our businesses. The Audit Committee is also responsible for the oversight of risk specifically related to information technology. The Compensation Committee is responsible for the oversight of risk related to our compensation policies and practices.

The Audit Committee and the Compensation Committee report regularly to the Board regarding their oversight roles, and the Board regularly discusses significant risks facing Zebra. Management categorizes identified risks for more efficient analysis as follows:

market risks include economic environment, competitive landscape, and currency/foreign exchange rates;
strategic risks include succession planning, corporate governance, and strategic vision;
operational risks include distribution, logistics, sales, and information technology (e.g., cybersecurity and business continuity);
financial risks include tax, accounting, information technology, and liquidity; and
legal and compliance risks include international trade, anti-bribery, product compliance, international laws and regulations, and litigation.

Management assesses identified risks that may be controlled by looking at the potential impact on Zebra, the likelihood of occurrence, and Zebra's level of risk exposure. Management cannot control market risks like general economic conditions, but these risks are evaluated against Zebra's activities to manage our exposure.

Risks arising out of Zebra's compensation policies and practices may, depending on the actions or behavior encouraged, be categorized as strategic, operational, financial, or legal and compliance risks. Management conducts an annual assessment of the risks arising out of Zebra's compensation policies and practices. Management reviewed each significant element of compensation for the purpose of determining whether that element—including any related performance goals and targets—encourages identifiable risk-taking behavior and whether any identified risks could have a material adverse effect on Zebra. As part of this review, management considers whether our compensation plan is designed to mitigate or cap risk, including features such as compensation caps under the Zebra Incentive Plan. In February 2018, management reviewed base salaries, the 2018 Zebra Incentive Plan, and equity awards granted under the 2015 Long-Term Incentive Plan. Based on this review, management prepared a report and discussed with the Compensation Committee its determination that our policies and practices are not reasonably likely to have a material adverse effect on Zebra.

Related-Party Transactions

Zebra's Related Party Transactions Policy applies to any transaction, arrangement or relationship in which Zebra and any related person are parties. For this purpose, a "related person" is a director or executive officer, their immediate family members, entities in which a director, executive officer or immediate family member is a partner or has a 10% or greater beneficial interest, and beneficial owners of more than 5% of our common stock and their immediate family members.

Our General Counsel and Audit Committee administer the Related Party Transactions Policy. If the General Counsel determines that a proposed transaction is a related-party transaction and thus is subject to the policy, then the Chairman of the Audit Committee or the full Audit Committee will review the proposed transaction to determine if it should be approved. The Related Party Transactions Policy provides that all relevant available facts and circumstances should be considered, including: (i) the benefits to Zebra; (ii) the impact on a director's independence in cases where the related person is a director, an immediate family member of a director, or an entity in which a director is a partner, stockholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the related person's interest in the transaction; (v) the terms of the transaction; and (vi) the terms available to unrelated third parties or to employees generally.

At the end of each fiscal quarter, we conduct a related party survey that requires each director and executive officer to identify (a) all related parties, which includes family members and entities in which such director, executive officer or any family member has an ownership interest or for which such director, executive officer, or any family member serves as a director or officer, and (b) any transactions between Zebra and such related parties.

Compliance Reporting

Zebra maintains a compliance hotline and website to provide a confidential means for employees or other interested individuals to communicate concerns to management or the Board, including concerns regarding accounting, internal controls or audit matters, and compliance with laws, regulations, policies or the Code of Business Conduct. Our Chief Compliance Officer reports regularly to the Audit Committee on our Compliance and Ethics Program, including information about the communications received via the compliance hotline and website.

Communications with the Board

Any stockholder who would like to contact our Board may do so by writing to our Corporate Secretary at Three Overlook Point, Lincolnshire, Illinois 60069. Communications received in writing will be distributed to the appropriate members of the Board, depending on the content of the communication received.

Proposal 1 Election of Directors

The Board of Directors currently consists of eight directors. Seven of our directors are independent under NASDAQ listing requirements; the eighth director is Zebra's CEO. Each of the nominees currently serves as a director of Zebra.

Our Board of Directors is divided into three classes with staggered three-year terms. Every year we elect one class. We are asking stockholders to re-elect our two Class II directors, whose terms expire this year. If elected, Frank B. Modruson and Michael A. Smith will serve for a three-year term expiring at the 2022 annual meeting and until their successors are elected and qualified.

Both nominees have consented to stand for election and to serve if elected. However, if at the time of the annual meeting any nominee is unable or declines to serve, the individuals named in the proxy will, at the direction of the Board of Directors, either vote for the substitute nominee or nominees recommended by the Board or vote to allow the vacancy to remain open until filled by the Board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “**FOR**” THE ELECTION OF FRANK B. MODRUSON AND MICHAEL A. SMITH TO SERVE AS CLASS II DIRECTORS OF ZEBRA.

Committees of the Board

Our business is managed under the direction of our Board, which is kept advised of Zebra’s business through regular and special meetings of the Board and its committees, written reports and analyses, and discussions with the CEO and other officers.

During 2018, our Board met seven times. All directors attended 75 percent or more of the meetings of our Board and the standing committees on which they served in 2018. Barring unforeseen circumstances, Zebra expects all directors to attend the annual meeting of our stockholders. The full Board attended the 2018 Annual Meeting.

Our Board has three standing committees — the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee — each of which is composed entirely of independent directors. Each of the standing committees operates pursuant to a written charter, which sets forth the committee’s authority, duties, and responsibilities. The committees periodically review the adequacy of their respective charters, all of which are available on Zebra’s website at <http://www.zebra.com> under “About Zebra-Investor Relations-Governance-Governance Documents.”

Audit Committee The Audit Committee assists the Board in fulfilling its oversight functions with respect to matters involving financial reporting, independent and internal audit processes, disclosure controls and procedures, internal control over financial reporting, related-party transactions, and risk management. In particular, the Audit Committee is responsible for:

Members:

Michael A.
Smith (chair)

Ross W. Manire appointing, retaining, compensating, evaluating, and terminating, when appropriate, our independent auditor;

Frank B.
Modruson

Andrew K. Ludwick reviewing and discussing with management and the independent auditor Zebra’s annual and quarterly financial statements;

Meetings in 2018: 6

reviewing and evaluating Zebra’s cybersecurity, disaster recovery and business continuity programs; and

discussing policies with respect to risk assessment and risk management.

The Audit Committee has the authority to engage and determine funding for outside legal, accounting or other advisors.

Our Board has determined that each member of the Audit Committee meets the independence requirements under NASDAQ listing rules and rules of the Securities and Exchange Commission, and that Mr. Manire is an “audit committee financial expert” as defined under SEC regulations. In addition, as required by NASDAQ listing rules, no member of the Audit Committee has participated in the preparation of financial statements of Zebra or any current subsidiary of Zebra within the past three years, and Mr. Manire has attained “financial sophistication” due to his background as a CEO and as a CFO.

Director Compensation

Market Comparison

In November 2017, the Compensation Committee reviewed market data on both non-employee director compensation and the financial performance of the peer group, as well as general industry data for companies similar to Zebra. (For more information on the peer group, see “Compensation Discussion and Analysis — Overview of Our Executive Compensation Program.”) Using this data, the Compensation Committee confirmed that the 2018 total mix of compensation for the non-employee directors are below the level compared to the market, as shown below.

The Compensation Committee also reviewed the data on the cash compensation awarded to the chairs and members of the Board’s standing committees. Based on this data, shown below, the Board decided not to adjust our non-employee director compensation for 2018.

Compensation Governance Practices

On an on-going basis, our Compensation Committee reviews whether the Company's compensation governance practices support the Company's executive compensation philosophies and objectives, as shown in the table below, and are aligned with stockholder interests. The Compensation Committee determined that the Company's executive compensation philosophies, objectives and elements continued to be appropriate. As part of this review, the Compensation Committee considers the results of our annual say-on-pay vote that received approval by 96.79% of the votes cast for Zebra's say-on-pay vote at our 2018 annual meeting. The Compensation Committee did not make any changes in the Company's executive compensation program.

WHAT WE DO

A significant portion of targeted executive pay is at-risk because it is based on performance and ultimately may not be earned and paid out

We align compensation with stockholder interests by linking incentive compensation to Zebra's overall performance

We target executive compensation at the median of our benchmarks, including our peer group, and compensate based on executive's performance

We have robust stock ownership guidelines for our Named Executive Officers and directors

We require Named Executive Officers and directors to retain 50% of vested equity awards or exercised stock appreciation rights until share ownership guidelines are met

We consider, and attempt to mitigate, risk in our compensation program

We use an independent compensation consultant

We have "double-trigger" accelerated vesting of equity awards, which requires both a change in control and an involuntary termination

We conduct an annual talent management review, including succession planning

WHAT WE DON'T DO

We expressly forbid option and SAR repricing without stockholder approval

We expressly forbid exchanges of underwater options or SARs for cash

We do not provide perquisites

Overview of Our Executive Compensation Program

Compensation Components

Our executive compensation program includes four components: base salary, annual incentive, long-term equity incentive, and employee benefits. Each component serves a particular purpose, so each is considered independently, but the four components combined provide a holistic total executive compensation approach. The Compensation Committee does not follow a pre-established formula to allocate total compensation among the various pay components.

For 2018, the Compensation Committee determined each Named Executive Officer's compensation level by reviewing market data for each individual compensation component. Base salary, annual incentive and long-term equity incentive compensation for our Named Executive Officers are targeted at market median when target performance goals are achieved. (For more information on market comparisons, see "Our Compensation Approach" below.) Actual compensation awarded varies based upon the attainment of financial and individual performance goals, as well as each executive's position, responsibilities and overall experience. (For more information on individual performance goals, see "Performance Management Process and Individual Adjustments" below.) We award superior pay when Zebra surpasses target performance goals or an executive's individual performance exceeds expectations.

[Back to Contents](#)

The following table describes the purpose of each compensation component and how that component is related to our pay-for-performance approach and budget.

| Compensation Component | Purpose of Compensation Component | Compensation Component in Relation to Performance |
|-------------------------------------|---|---|
| Base salary | To attract and retain executives by compensating them for the primary functions and responsibilities of the position. | Aligned to peer group benchmarking; any base salary increase that an executive receives depends upon the individual performance, and the executive's displayed skills and competencies. |
| Annual cash incentive awards | To attract, retain, motivate and reward executives for achieving or surpassing key target performance goals at the company, business unit and individual level. | Financial and individual performance determines the actual amount of the executive's annual cash incentive award. |
| Long-term equity awards | To attract, retain, motivate and reward top talent to increase stockholder value. | Aligned to peer group benchmarking; an executive's past performance and future potential determine the amount of equity granted. |
| Employee benefits | To attract and retain executives by providing competitive health, welfare and retirement benefits packages in order to maintain their overall health. | Established within the overall employee benefit budget. |

The objectives of Zebra's executive compensation approach include:

Increasing stockholder value through long-term stock price growth;
 Maximizing Zebra's financial performance;
 Facilitating the delivery of the highest quality goods and services to our customers;
 Encouraging our employees to take actions that balance short-term achievements with long-term success without excessive risk;
 Motivating behavior to attain Zebra's objectives; and
 Attracting, retaining and rewarding the highest performing employees who contribute to our success.

Pay-for-Performance and At-Risk Compensation

Our executive officers are responsible for achieving long-term strategic goals, and their compensation is weighted toward rewarding long-term value creation for stockholders.

Our emphasis on creating long-term stockholder value is best illustrated in the following charts, which show that target long-term equity compensation accounts for the largest percentage of the Named Executive Officers' overall compensation for 2018. In addition, a majority of the Named Executive Officers' compensation — consisting of long-term equity and short-term incentive compensation combined — is performance-based or "at risk."

[Back to Contents](#)

Role of Our Compensation Committee

The Compensation Committee consists entirely of independent directors, none of whom have ever been employed by Zebra. As further described above under “Committees of the Board,” the Compensation Committee assists the Board by overseeing Zebra’s compensation and benefit programs, particularly as those programs apply to our Named Executive Officers and non-employee directors. With input from the CEO, the Compensation Committee makes final decisions regarding all aspects of compensation for our Named Executive Officers other than the CEO. The Compensation Committee recommends a compensation package and the related performance targets for the CEO for final approval by all of the independent directors.

Role of the Independent Compensation Consultant

The Compensation Committee engaged Willis Towers Watson (WTW) as its independent executive compensation consultant for 2018. In that capacity, WTW provided competitive peer group and executive compensation data, analysis and guidance to help the Compensation Committee:

- establish a peer group;
- use benchmark compensation surveys;
- develop the design of our executive compensation program;
- set executive officer and non-employee director compensation; and
- review performance and determine payouts with respect to performance-based awards.

The Compensation Committee annually assesses WTW’s independence pursuant to relevant SEC and NASDAQ rules. To that end, the Compensation Committee received a letter from WTW addressing the firm’s independence, and concluded that no conflict of interest exists that would prevent WTW from providing independent advice.

Our Compensation Approach

In designing and implementing our total compensation program for 2018, we were guided primarily by market compensation data of a peer group of comparable publicly-traded companies and from broad-based surveys.

How We Establish the Peer Group

In August 2017, the Compensation Committee asked WTW, the committee's independent compensation consultant, to review Zebra's peer group and to make recommendations regarding changes. In response, WTW compiled data on the financial performance of eighteen publicly-traded companies viewed as comparable to Zebra, including all of the companies in the peer group used for 2017 executive compensation. In compiling the recommended peer group, WTW used the following methodology:

Zebra's 2017 ISS Peer Group – review of the 2017 Zebra peer group for overall reasonableness and relevance;
Industry Classification Research – review of all U.S.-based publicly-listed companies within the Global Industry Classification Standards (GICS) for the Technology Hardware and Equipment, Software and Services and Healthcare Equipment and Services; and
Peers-of-Peers Analysis – review of companies that are disclosed as peers to companies in Zebra's peer group.

The Compensation Committee then reviewed the following company-specific information provided by WTW for the proposed peer group:

complexity and business model, including industry, cost structure, and geographic reach;
size, primarily in terms of revenue (all 18 companies had 2016 revenue of between 50% and 200% of Zebra's 2016 revenue of \$3.65 billion);
whether the proposed peer group member competes with Zebra for executive talent;
investor profile (i.e., whether the proposed peer group member is considered a reasonable investment alternative and attracts investors with similar risk/return expectations);
market capitalization; and
whether the proposed peer group member creates products of a technical nature.

In addition to reviewing this data, the Compensation Committee also considered whether potential peer companies regard Zebra as a peer.

For 2018, WTW recommended removing one company and adding two companies to the peer group used in 2017. The Compensation Committee agreed to remove one company (Lexmark International, Inc.) and include one of those additions (Itron, Inc.), and approved the companies shown below as the peer group for purposes of evaluating and determining 2018 executive compensation.

Key Executive Compensation Decisions in 2018

To establish the compensation of the Named Executive Officers for 2018, the Compensation Committee and Mr. Gustafsson (who made recommendations regarding Named Executive Officers other than himself) reviewed competitive compensation data for the peer group, market compensation data from broad-based surveys, and each Named Executive Officer's historical compensation. The 2018 compensation packages for the Named Executive Officers are described below.

2018 Base Salaries

For 2018, Mr. Gustafsson recommended increases in the base salaries of the four Named Executive Officers (other than himself) effective as of March 18, 2018. The Compensation Committee discussed Mr. Gustafsson's recommendations and approved the recommended base salary adjustments for 2018. The Compensation Committee also recommended to the Board, and the Board approved, an increase in Mr. Gustafsson's 2018 base salary.

Our Named Executive Officers' annual base salaries appear in the following table:

| Named Executive Officer | 2017 Salary | 2018 Salary | Percentage Increase |
|-------------------------|----------------|----------------|------------------------|
| Anders Gustafsson | \$950,000 | \$1,000,000 | 5.3% |
| William Burns | \$463,500 | \$477,405 | 3.0% |
| Joachim Heel | \$463,500 | \$475,088 | 2.5% |
| Olivier Leonetti | \$525,000 | \$546,000 | 4.0% |
| Michael Terzich | \$— | \$421,824 | N/A |

2018 Annual Cash Incentive Awards**Target Awards**

The 2018 Zebra Incentive Plan (“ZIP”) provided for an annual cash incentive award based on the achievement of pre-determined financial performance goals. All five Named Executive Officers participated in the ZIP.

For each Named Executive Officer, the Compensation Committee (or, in the case of Mr. Gustafsson, the Board) establishes a target annual cash incentive award, which is set as a percentage of base salary. The Compensation Committee discussed each executive’s performance with Mr. Gustafsson, and compared each executive’s target annual incentive — both the percentage of base salary and the absolute dollar amount — to the market. Mr. Gustafsson recommended that the Compensation Committee approve annual increases in the target annual cash incentive awards of two of the other Named Executive Officers. After considering Mr. Gustafsson’s recommendations, the Compensation Committee approved increases in the target annual cash incentive award for the two Named Executive Officers.

The 2018 target annual and maximum incentive percentages for Named Executive Officers were established as follows:

| | 2017 Target Annual | 2017 Maximum Annual | 2018 Target Annual | 2018 Maximum Annual |
|-------------------------|--------------------|---------------------|--------------------|---------------------|
| Named Executive Officer | Cash Incentive* | Cash Incentive* | Cash Incentive* | Cash Incentive* |
| Anders Gustafsson | 125% | 250% | 125% | 250% |

| Joachim Heel | 75% | 150% | 75% | 150% |
| Olivier Leonetti | 90% | 180% | 95% | 190% |
| Michael Terzich | — | — | 70% | 140% |

** expressed as a percentage of the officer's base salary earned during the calendar year.*

Annual Cash Incentive Plan Performance Metrics

For the 2018 ZIP, the Compensation Committee selected two financial performance metrics:

1. 2018 consolidated net sales

2018 "Adjusted EBITDA," defined as earnings before interest income and expense, taxes, depreciation, amortization and Other Income/Expense, adjusted to remove equity-based compensation expense, adjustments for purchase accounting, and certain non-recurring charges

The consolidated net sales and adjusted EBITDA metrics were selected to encourage executives to focus on profitable sales growth for Zebra's business.

The Compensation Committee fixed the following threshold, target, and maximum performance goals for each metric based on the 2018 business plan.

| Performance Goal | Performance Threshold | Performance Target | Performance Maximum |
|------------------|---------------------------|----------------------------|------------------------------------|
| Net Sales | 92.5% of net sales target | 100.0% of net sales target | 105.0% or more of net sales target |

Edgar Filing: ZEBRA TECHNOLOGIES CORP - Form DEF 14A

| | | | |
|-----------------|---------------------------------|----------------------------------|--|
| Adjusted EBITDA | 80.0% of Adjusted EBITDA target | 100.0% of Adjusted EBITDA target | 112.5% or more of Adjusted EBITDA target |
|-----------------|---------------------------------|----------------------------------|--|

The net sales and Adjusted EBITDA performance goals were measured on an annual basis. These performance goals correspond to threshold, target, and maximum payouts, as shown below.

| Performance Metric | Weighting | Threshold payout** | Target payout# | Maximum payout# |
|------------------------------|-----------|--------------------|----------------|-----------------|
| Net sales | | 50% | 100% | 200% |
| Adjusted EBITDA ¹ | | 50% | 100% | 200% |

*Achievement below the threshold results in a 0% payout percentage.

#The payout for performance between threshold and target and between target and maximum is interpolated on a straight-line basis.

2018 Financial Performance Results and Payout Percentage

The table below shows Zebra's performance for the two ZIP metrics, and the corresponding funding for the Named Executive Officers.

Performance Goal

| | | |
|-----------------|--------------------|--|
| Net Sales | Actual Performance | |
| | Achievement | \$4,196.6 million, or 106.4% of net sales performance target |
| | Payout Percentage | 200.0% of target incentive |
| Adjusted EBITDA | Actual Performance | \$876.8 million, or 112.5% of Adjusted EBITDA performance target |
| | Achievement | target |
| | Payout Percentage | 200.0% of target incentive |

[Back to Contents](#)

The payouts on these individual metrics are converted to a ZIP payout percentage as follows:

Applying this formula to Zebra's actual performance results leads to a ZIP payout for 2018 of 200%, as shown below:

Performance Management Process and Individual Adjustments

The amounts the Named Executive Officers would earn based on payout percentage shown above can be modified by the Board (for Mr. Gustafsson) or the Compensation Committee (for the other Named Executive Officers) due to performance against individual goals. When establishing those goals and determining compensation levels for the Named Executive Officers, the Compensation Committee looks to our annual performance management process and the results of our annual talent management review.

Each year, Mr. Gustafsson presents an overall talent management review to the Board, discussing the past performance and future potential of each executive officer and certain of their direct reports. This review includes a discussion of key skills, competencies, developmental opportunities and succession plans.

In determining the 2018 individual performance goals, the Compensation Committee considered each Named Executive Officer's prior performance and Zebra's expectations for the business initiatives under each executive's purview. Performance evaluations also may take into account factors such as satisfaction of daily responsibilities, particular or general contributions to Zebra's overall management, and whether the executive exhibits Zebra's corporate values.

A Named Executive Officer's annual incentive payout will not be adjusted if the executive meets expectations for the individual goals. These payouts may be reduced if an executive fails to meet expectations, or increased—though not above a maximum 200% of target award payout—if the executive exceeds expectations. The Compensation Committee conducted final evaluations for 2018 in early 2019, and determined no adjustments were necessary.

2018 Annual Incentive Payouts

Based on the performance and payout calculations shown above, the Named Executive Officers received the following annual cash incentive payments for 2018:

2018 ANNUAL CASH INCENTIVE AWARDS FOR THE NAMED EXECUTIVE OFFICERS

| Named Executive Officer | Actual Award As a Percent of Eligible Compensation | Actual Award |
|-------------------------|---|--------------|
| Anders Gustafsson | 250% | \$ 2,473,973 |
| William Burns | 170% | \$ 806,666 |
| Joachim Heel | 150% | \$ 709,012 |
| Olivier Leonetti | 190% | \$ 1,029,092 |
| Michael Terzich | 140% | \$ 585,824 |

2018 Long-Term Equity Incentive Awards

Form of Awards

The Compensation Committee believes it is important that all of our executive officers are motivated to create stockholder value over a long-term investment horizon. To that end, Zebra granted three forms of long-term equity to the Named Executive Officers:

1. time-vested stock appreciation rights (“SARs”), which vest ratably over four years;
2. time-vested restricted stock, which vests ratably over three years; and
3. performance-vested restricted stock, which is earned (or not) based on Zebra’s results on two financial measures during and over a three-year performance period and cliff vests three years after grant.

These equity awards, which are described in more detail below, were divided as follows (based on the value of the equity award grant) for 2018:

Each year the Compensation Committee reviews the allocation of awards among the equity vehicles to ensure alignment with Zebra’s stockholders and to better reflect current compensation practices.

Target Awards

Each year the Compensation Committee sets long-term equity awards with a target value at the grant date for the Named Executive Officers other than the CEO. In March 2018, utilizing the market median data information for executive officers as a guide, Mr. Gustafsson made recommendations for these awards, which the Compensation Committee considered.

The Board establishes Mr. Gustafsson’s target annual long-term equity award after hearing the recommendation of the Compensation Committee. To formulate that recommendation for 2018, the Compensation Committee consulted with WTW and considered factors similar to those considered when determining target equity awards for the other Named Executive Officers. The Compensation Committee recommended to the Board, and the Board approved, a 2018 equity award to Mr. Gustafsson having a total value at grant date equal to \$6,000,000. This represented a grant date value

that was 10% above the consensus median target long-term incentive award for individuals in the CEO position, and was an increase from Mr. Gustafsson's 2017 grant date value of \$5,000,000, which was below the consensus median.

The 2018 long-term incentive awards to the Named Executive Officers were granted effective May 10, 2018. When calculating the number of shares of performance-vested restricted stock and time-vested restricted stock, the actual number of shares was set by dividing the value of the equity award grant by \$149.57, the closing price of our common stock on the day prior to the grant date, without a reduction for the restricted nature of the shares. For time-vested SARs, the actual number of SARs is set by dividing the value of the equity award grant by the binomial value of a SAR.

The following table shows target grant date fair value of long-term equity awarded to each Named Executive Officer in 2018, and how that award was divided among the three types of equity.

| Named Executive Officer | Total Value of the Equity Award Grant | Target Shares of Performance- Vested Restricted Stock | Shares of Time-Vested Restricted Stock | Time-Vested SARs |

Performance-Vested Restricted Stock

The performance-vested restricted stock awards granted in 2018 will vest on May 10, 2021. These equity awards have a three-year performance period ending on December 31, 2020, and a payout based on two performance metrics:

compound average growth (“CAGR”) in net sales (weighted 60%), and
adjusted earnings before interest, taxes, depreciation and amortization (“EBITDA”) margin (weighted 40%).

The adjusted EBITDA margin performance goal encourages executives to focus on long-term profitable sales growth for Zebra’s business while meeting or exceeding a target adjusted EBITDA margin percentage that we believe will create value for our stockholders. The net sales CAGR metric was included to grow Zebra’s revenue consistently over a three-year period.

For each of these metrics, the Compensation Committee set three annual goals (for 2018, 2019, and 2020) and a cumulative three-year goal. The Named Executive Officers may earn shares based on Zebra’s results for each of the three years in the performance period, or based on Zebra’s results as of the end of the performance period, whichever is greater.

HOW PERFORMANCE-VESTED RESTRICTED STOCK ACCRUES

Three annual performance targets

20% of the target number of shares will be “banked” each year if Zebra achieves the applicable annual performance target for net sales CAGR, for a possible total of 60%

13.3% of the target number of shares will be “banked” each year if Zebra achieves the applicable annual adjusted EBITDA margin performance target, for a possible total of 40%

Cumulative three-year performance target*

OR 60% of the target number of shares will vest if Zebra achieves the performance target for 2020 net sales CAGR over 2017 net sales

30% target shares vest for threshold performance

108% target shares vest for maximum performance or better

No shares vest for performance below threshold
40% of the target number of shares will vest if Zebra achieves the 2020 adjusted EBITDA margin performance target

20% target shares vest for threshold performance

72% target shares vest for maximum performance or better

No shares vest for performance below threshold

* *Performance in 2020 in between the stated performance levels will be interpolated on a straight-line basis.*

The performance targets for 2018, 2019 and 2020 were set based upon management's net sales CAGR and adjusted EBITDA margin forecasts when preparing the 2018 annual plan. The 2020 cumulative net sales CAGR performance threshold is 1.5% below the 2020 net sales CAGR performance target, and the 2020 cumulative net sales CAGR performance maximum is 1.5% above the performance target. The 2020 adjusted EBITDA margin performance threshold is 1.0% below the 2020 adjusted EBITDA margin performance target, and the 2020 adjusted EBITDA margin performance maximum is 1.0% above the performance target.

The number of shares of performance-vested restricted stock that could vest for each of the Named Executive Officers is shown below.

RANGE OF POTENTIAL VESTING OF 2018 PERFORMANCE-VESTED RESTRICTED STOCK

| | CAGR and Adjusted | Adjusted EBITDA | CAGR and Adjusted | CAGR and Adjusted |

Time-Vested Restricted Stock

To provide a significant long-term perspective and retention incentive, the Compensation Committee determined that the time-vested restricted stock awards granted in 2018 to all of the Named Executive Officers will vest one-third on each of the first three anniversaries of the grant date.

Time-Vested Stock Appreciation Rights

Consistent with recent annual equity grant award terms, the Compensation Committee determined that the 2018 SAR awards for all of the Named Executive Officers will vest 25% on each of the first four anniversaries of the grant date. The base price of the 2018 SARs is \$149.57, the closing price of our common stock

on the day prior to the grant date. Once SARs vest, the holder can choose when to exercise them by converting them to cash. Each vested SAR is worth the closing price of Zebra's stock on the exercise date, minus the base price. When the SARs granted in 2018 vest, the Named Executive Officers may exercise them any time before they expire on May 10, 2025.

How 2018 Compensation for the Named Executive Officers Compares to the Peer Group

For 2018 compensation purposes, WTW presented the Compensation Committee with data regarding compensation for ten executive officer positions. WTW drew this information from 2017 compensation data from our peer group, a general industry survey (conducted by WTW for other purposes) of 507 companies, a high-technology industry survey (conducted by Radford for other purposes) of 158 high-technology companies with annual revenues between \$1.8 billion and \$7.2 billion, and the WTW Executive Survey (reflecting data from 116 high-technology companies).

WTW compiled compensation data at the 25th percentile, median and 75th percentile levels from each of these data sources, as well as consensus (i.e., average) compensation data, for base salaries, target annual cash incentive awards, target long-term equity awards, and total target direct compensation for individual executive officer positions. Using this data, the Compensation Committee confirmed that the 2018 compensation packages for the Named Executive Officers are at an appropriate level in comparison to the market, as shown below, and based on an executive's performance.

Restricted Stock that Vested in 2018

Performance-Vested Restricted Stock

On May 15, 2015, Zebra granted the then Named Executive Officers performance-vested restricted stock with a three-year performance period ending December 31, 2017. The 2015 performance vested restricted stock awards vested on May 15, 2018 at 108.11% of target. Although share price was not a performance goal under the grants, during the three-year period from the May 15, 2015 grant date until the vesting date on May 15, 2018, the stock price rose from \$109.49 per share to \$154.45 per share. The threshold performance targets and actual performance targets are set forth below:

| | Threshold | Target | Maximum | Actual |

Stockholders Approve Compensation of Zebra's Named Executive Officers (Say on Pay)

Zebra holds an annual stockholder advisory vote on the compensation of our Named Executive Officers. At our 2018 Annual Meeting, the say-on-pay proposal regarding 2017 compensation was approved by 96.79% of the votes cast. After considering a number of factors, including the approval of the say-on-pay vote, the Compensation Committee determined that no changes to compensation philosophy or strategy were immediately required. Nevertheless, our Board, Compensation Committee, and executive officers regularly consider changes to our total rewards program to ensure it remains aligned with Zebra's business strategy and stockholder expectations.

Employee Benefits

Zebra's employee benefits are designed to align generally with the market median for such programs.

Our Named Executive Officers are eligible to participate in various benefit programs offered generally to Zebra's U.S. salaried employees, such as our health plans and group disability and life insurance plans. We provide a 401(k) plan to eligible employees with a company match, as well as a non-qualified deferred compensation plan for highly compensated employees with no company contributions. We do not provide other long-term compensation plans, supplemental executive retirement plans, or a defined benefit pension plan. We do not provide any perquisites.

Zebra provides a supplemental executive disability policy to replace the difference between what the group disability policy provides and the 60% earnings replacement cap under the group policy. Zebra pays for this coverage, and reimburses covered executives to the extent they are taxed on this benefit.

Our Executive Officer Employment Agreements

Each executive officer has an employment agreement that addresses matters such as compensation and termination of employment and includes non-competition and non-solicitation provisions. These agreements are discussed in more detail under “Executive Compensation – Employment Agreements.” We believe that having employment agreements helps us attract effective and high-potential executive officers by providing them a minimum level of total compensation.

The employment agreements provide appropriate assurance for executives concerned about a potential termination of employment in connection with a change in control. Specifically, we believe the severance amounts reflected under “Executive Compensation – Potential Payments upon Termination of Employment or Change in Control” are fair and reasonable in order to allow the Named Executive Officers to transition from Zebra with minimal disruption to our overall business. Moreover, we believe that, in the event of a change in control, these severance payments will help secure the continued employment and dedication of our executive officers, notwithstanding any concern they may have regarding their own employment.

The components of total compensation reflected in the employment agreements are reviewed annually by the Compensation Committee as described in this Compensation Discussion and Analysis. All other provisions of the employment agreements are established when an employee is appointed as an executive officer, and are reviewed and updated on an as-needed basis.

We believe the non-compete or non-solicitation provisions, where applicable, align with our desire to protect Zebra and our stockholders from negative actions that could be caused by an executive officer who joins a competitor or otherwise engages in activities that could result in competitive harm to Zebra or our customers. Zebra’s equity agreements with its Executive Officers contain restrictive covenant provisions that also contain clawback provisions for violation of such covenants.

[Back to Contents](#)**Non-Qualified Deferred Compensation**

Pursuant to Zebra's non-qualified deferred compensation plan, a named executive officer may defer, on a pre-tax basis, up to 50% of his base salary and annual incentive award. Deferred compensation balances are credited with gains or losses which mirror the performance of benchmark investment funds selected by the participant under the plan. All credited amounts are unfunded general obligations of Zebra, and participants have no greater rights to payment than any unsecured general creditor of Zebra.

The value of a participant's account changes based upon the performance of a participant's selected benchmark investment funds. Account balances are paid either in a lump sum or in annual installments. The plan permits payment upon, among other things, a termination of employment or a change in control of Zebra. Zebra does not make contributions to the plan, but pays the costs of administration.

Employment Agreements

Zebra has employment agreements with each of the named executive officers. Mr. Gustafsson's employment agreement is substantially the same as the agreements of Messrs. Burns, Heel, Leonetti, and Terzich, except as described below.

Messrs. Burns, Heel, Leonetti, and Terzich

Messrs. Burns, Heel, Leonetti, and Terzich are entitled to annual base salaries and are eligible to earn targeted annual incentive awards under Zebra's annual incentive plan. Eligibility to receive equity-based compensation is determined in the sole discretion of the Compensation Committee.

If the officer terminates his employment for good reason or Zebra terminates his employment without cause and under circumstances other than death or disability, the officer will be entitled to (i) a severance payment equal to one-year continuation of base salary; (ii) a pro rata portion of his annual incentive for the year in which his employment terminates, if the incentive otherwise would have been earned; (iii) any unpaid previously earned annual incentive; (iv) a severance payment equal to 100% of the officer's target annual incentive for the year in which employment terminates; (v) outplacement services not to exceed \$32,000; and (vi) the continuation of coverage under Zebra's medical and dental insurance plans, with Zebra contributing to the cost of such coverage at the same rate Zebra pays for health insurance coverage for its active employees under its group health plan, until the earlier of (a) one year after

the date of termination, or (b) the officer becoming eligible for coverage under another group health plan that does not impose preexisting condition limitations. “Cause” includes the commission, indictment or conviction of a felony or misdemeanor involving fraud or dishonesty; a material breach of the employment agreement; willful or intentional misconduct, gross negligence, or dishonest, fraudulent or unethical behavior; failure to materially comply with a direction of the Board; or breach of fiduciary duty to Zebra.

If the officer terminates employment for good reason or Zebra terminates the officer’s employment without cause, and the termination occurs within 120 days immediately preceding or one year following a “change in control,” then the officer will be entitled to all compensation and benefits set forth in the immediately preceding paragraph, except that the officer will receive a payment equal to two times base salary in lieu of one-year salary continuation, plus two times target annual incentive in lieu of one times, which payment would be payable within 60 days following the later of the change in control or termination of employment. A “change in control” includes (1) an acquisition by a person or group of 35% or more of Zebra’s common stock; (2) a change in a majority of the Board within a 24-month period; (3) the approval by our stockholders of a complete liquidation or dissolution of Zebra; or (4) the consummation of a reorganization, merger or consolidation of Zebra or sale or other disposition of all or substantially all of the assets of Zebra. “Good reason” includes a demotion to a lesser position or assignment of duties materially inconsistent with the officer’s position, status or responsibilities; a material breach by Zebra of the employment agreement; or a decrease in base salary (unless applied proportionally).

If payments or benefits exceed the threshold under Section 4999 of the Internal Revenue Code and an excise tax becomes due, the officer would be entitled to a gross-up payment such that, after payment by him of all applicable taxes and excise taxes, he retains an amount equal to the amount he would have retained had no excise tax been imposed; provided, that if the threshold under Section 4999 is exceeded by 10% or less, the total payments he would be entitled to would be reduced so that no excise tax would be due. Messrs. Burns, Heel and Leonetti are not entitled to a gross-up payment if payments exceed the 3X parachute payment threshold under the Internal Revenue Code. If the parachute payments would exceed the 3X threshold, then the payments will be cut back to an amount that is one dollar less than the threshold. However, this cut back would not be made if Messrs. Burns, Heel or Leonetti, as applicable, would have more “after excise tax” dollars if he paid the excise tax.

Each officer is bound by non-competition and non-solicitation provisions until two years following termination. Each officer has agreed to confidentiality covenants during and after employment.

Mr. Gustafsson

Mr. Gustafsson's employment agreement provides for a minimum base salary of \$700,000, a target annual incentive equal to 100% of salary and a maximum annual incentive equal to 200% of salary. Mr. Gustafsson's agreement also provides (i) that any decrease in Mr. Gustafsson's starting date salary permits him to terminate his employment for good reason and (ii) if Mr. Gustafsson terminates employment for good reason or Zebra terminates his employment without cause and under circumstances other than death or disability, he will not receive outplacement services, the unvested portion of non-performance-based equity awards will vest immediately (unless otherwise expressly set forth in an award agreement, such as Mr. Gustafsson's time-vested SAR and restricted stock award agreements), the continuation of his salary will be for a period of two years, and, unless it is otherwise terminated, the continuation of healthcare coverage will be for a period of two years.

Potential Payments upon Termination of Employment or Change in Control

Described below are the potential payments and benefits to which the named executive officers would be entitled from Zebra under their employment agreements, their equity award agreements, and Zebra's compensation and benefit plans upon termination of employment, if such termination had occurred as of December 31, 2018. Amounts actually received would vary based on factors such as the date on which a named executive officer's employment terminates and the price of our common stock on such date. The tables exclude payments and benefits that are provided on a non-discriminatory basis to full-time salaried employees, such as accrued salary and vacation pay.

The named executive officers are not entitled to any payments or benefits as a result of a termination of employment for cause.

Under the 2018 Zebra Incentive Plan, a participant may be paid any earned incentive award amount in the event (1) of termination by reason of retirement, but not voluntary resignation. None of the named executive officers was eligible for retirement under the 2018 Zebra Incentive Plan.

Although none of the named executive officers was age 65 as of December 31, 2018, the time-vested restricted stock awards and performance-vested restricted stock awards granted in 2016, 2017 and 2018 provide for pro rata (2) vesting for a termination of employment by reason of retirement on or after age 65 or prior to age 65 with the approval of the officer responsible for human resources. The performance-vested restricted stock awards would vest pro rata in accordance with the performance goals.

Excludes the amount of previously earned and fully vested deferred compensation under Zebra's deferred (3) compensation plans that would become immediately payable. See "Non-Qualified Deferred Compensation" above for additional information.

Under the 2018 Zebra Incentive Plan, participants are entitled to any earned incentive award amount in the event (1) of termination of employment by reason of death or disability. The amount assumes termination of employment at year end and is based on actual performance.

Time-vested SARs accelerate vesting in full, except that Mr. Gustafsson's 2018, 2017, 2016, and 2015 time-vested SAR awards vest pro rata based on the number of days from the grant date through and including the date of (2) termination of employment. The amounts reflect the difference between the exercise price of each SAR and the \$159.23 closing price of our common stock on The NASDAQ Stock Market on December 31, 2018 for the following number of in-the-money SARs: Mr. Gustafsson – 40,640; Mr. Burns – 18,081; Mr. Heel – 14,288; Mr. Leonetti – 16,135; and Mr. Terzich – 11,404.

Time-vested restricted stock awards accelerate vesting in full, except that Mr. Gustafsson's 2018, 2017, and 2016 (3) time-vested restricted stock awards vest pro rata based on the number of days from the grant date through and including the date of termination of employment. For performance-vested restricted stock awards, the target number of shares accelerates, except that Mr. Gustafsson's performance-vested restricted stock awards vest at target in a pro rata amount based on the number of days from the grant date through and including the date of termination of employment. The amounts reflect the \$159.23 closing price of our common stock on The NASDAQ Stock Market on December 31, 2018, for the following number of shares of restricted stock: Mr. Gustafsson – 143,507; Mr. Burns – 43,942; Mr. Heel – 34,716; Mr. Leonetti – 37,542; and Mr. Terzich – 28,073.

Excludes the amount of previously earned and fully vested deferred compensation under Zebra's deferred (4) compensation plans that would become immediately payable. See "Non-Qualified Deferred Compensation" above for additional information.

(1)

The named executive officers are entitled to severance equal to salary for one year and one times target incentive, except Mr. Gustafsson, who is entitled to salary for two years and one times target incentive.

- (2) *Under the 2018 Zebra Incentive Plan, and in accordance with the named executive officers' employment agreements, the named executive officer may be paid an earned incentive award amount in the event of termination by Zebra without cause or termination by the named executive officer for good reason. The amount assumes termination of employment at year end and is based on actual performance.*

- (3) *The time-vested SAR awards granted in 2018 to all executives, and Mr. Gustafsson's 2018, 2016, and 2015 time-vested SAR awards, vest pro rata based on the number of days from the grant date through and including the date of termination of employment. The amounts reflect the difference between the exercise price of each SAR and the \$159.23 closing price of our common stock on The NASDAQ Stock Market on December 31, 2018 for the following number of in-the-money SARs: Mr. Gustafsson – 19,480; Mr. Burns – 879; Mr. Heel – 676; Mr. Leonetti – 1,014; and Mr. Terzich – 514.*

Time-vested restricted stock awards granted in 2018, 2017, and 2016 to all executives vest pro rata based on the number of days from the grant date through and including the date of termination of employment.

- (4) *Performance-vested restricted stock awards granted in 2017 and 2016 to executives accelerate vesting in accordance with the performance-based vesting goals on a pro rata basis. Because no portion of the performance periods ending December 31, 2019 or December 31, 2020 has been completed as of December 31, 2018, the 2018 performance-vested restricted stock awards granted to executives are reflected in the table on a pro-rata basis at target performance. The performance-vested restricted stock awards vest pro rata based on the number of days from the grant date through and including the date of termination of employment. The amounts reflect the \$159.23 closing price of our common stock on The NASDAQ Stock Market on December 31, 2018 for the following number of shares of restricted stock: Mr. Gustafsson – 118,295; Mr. Burns – 29,683; Mr. Heel – 23,578; Mr. Leonetti – 20,475; and Mr. Terzich – 19,250.*

- (5) *The named executive officers are entitled to healthcare and dental coverage for up to one year and outplacement services with a value up to \$32,000, except Mr. Gustafsson, who is entitled to healthcare and dental coverage for up to two years, but no outplacement services.*

- (6) *Excludes the amount of previously earned and fully vested deferred compensation under Zebra's deferred compensation plans that would become immediately payable. See "Non-Qualified Deferred Compensation" above for additional information.*

The named executive officers are entitled to the severance amounts and earned incentive award, if any, if Zebra terminates the named executive officer's employment without cause or the named executive officers terminate (1) employment for good reason within 120 days before or one year after a change in control, commonly referred to as a "double trigger." The meanings of change in control, good reason and cause are set forth under "Employment Agreements" above.

(2) The named executive officers, including Mr. Gustafsson, are entitled to severance equal to two times salary and target incentive.

(3) Under the 2018 Zebra Incentive Plan, participants are entitled to any earned incentive award amount in the event of termination by Zebra without cause or, in accordance with the named executive officers' employment agreements, termination by the named executive officer for good reason in the event of a change in control. The amount assumes termination of employment at year end and is based on actual performance.

(4) Under the 2011 Long-Term Incentive Plan and the 2015 Long-Term Incentive Plan (collectively the "LTIPs"), if pursuant to a change in control of Zebra effective December 31, 2018 stockholders receive consideration consisting solely of publicly traded common stock and outstanding equity awards are assumed or provision is made for the continuation of these awards after the change in control, then such awards will continue in accordance with their terms. These awards, however, also provide that if the participant's employment is terminated by the participant for good reason or by Zebra without cause after the change in control, then vesting of the awards will accelerate. Because Securities and Exchange Commission rules require that we assume a termination of employment occurs concurrently with a change in control, the amounts set forth in the table includes equity awards that under the LTIPs contain "double trigger" acceleration provisions.

(5) The following number of unvested in-the-money SARs held by the named executive officers would be accelerated as a result of a change in control and concurrent termination of employment on December 31, 2018: Mr. Gustafsson – 76,776; Mr. Burns – 18,081; Mr. Heel – 14,288; Mr. Leonetti – 16,135; and Mr. Terzich – 11,404. The amounts reflect the difference between the \$159.23 closing of our common stock on The NASDAQ Stock Market on December 31, 2018 and the base price of each SAR.

(6) The following total number of unvested shares of restricted stock held by the named executive officers would be accelerated as a result of a change in control and concurrent termination of employment on December 31, 2018: Mr. Gustafsson – 137,896; Mr. Burns – 43,942; Mr. Heel – 34,716; Mr. Leonetti – 37,542; and Mr. Terzich – 28,073. Performance-vested restricted stock awards granted in 2017, 2016, and 2015 vest at the target number of shares. The amounts reflect the \$159.23 closing price of our common stock on The NASDAQ Stock Market on December

31, 2018.

The named executive officers are entitled to healthcare and dental coverage for up to one year and outplacement services with a value up to \$32,000, except Mr. Gustafsson, who is entitled to healthcare and dental coverage for up to two years, but no outplacement services.

(8) Represents estimated tax gross ups on severance, accelerated options, SARs and restricted stock, and healthcare and dental benefits.

Excludes the amount of previously earned and fully vested deferred compensation under Zebra's deferred compensation plans that would become immediately payable. See "Non-Qualified Deferred Compensation" above for additional information.

[Back to Contents](#)**CEO Pay Ratio****Identification of Median Employee**

To identify the median employee, we used a valid statistical sampling method. We selected a median pool of employees from the overall population, including the identified median employee.

We compiled a list of all full-time, part-time, temporary, and seasonal employees who were employed on November 1, 2017, including employees working inside and outside the United States, but excluding Mr. Gustafsson who served as CEO for all of 2017. As permitted according to SEC guidance, we determined the median pool of employees based on a consistently applied compensation measure, which was target total cash compensation. We define target total cash compensation as base wages and annual incentives at target payable in cash during 2017.

On November 1, 2017 Zebra had 7,161 employees worldwide. Under the five percent de minimis exception established by the SEC, the countries and applicable number of employees that were excluded are as follows:

| Country Name | Headcount | Country Name | Headcount |
|---------------------|------------------|----------------------|------------------|
| Argentina | 14 | Kazakhstan | 2 |
| Austria | 12 | Kenya | 1 |
| Belgium | 10 | Morocco | 1 |
| Denmark | 8 | New Zealand | 3 |
| Egypt | 2 | Norway | 4 |
| Finland | 2 | Portugal | 4 |
| France | 86 | Romania | 4 |
| Germany | 74 | Saudi Arabia | 5 |
| Greece | 2 | Serbia | 4 |
| Hong Kong | 5 | Spain | 31 |
| Hungary | 4 | Switzerland | 3 |
| Indonesia | 4 | Thailand | 9 |
| Israel | 6 | Ukraine | 1 |
| Italy | 32 | United Arab Emirates | 14 |

From the remaining 6,813 employees, we determined the median individual based on estimated target total cash compensation, and selected a medianable pool of 451 employees (more than six percent (6%) of our total employee population). We reviewed the pool of medianable employees to determine if it over-represented or under-represented any countries and determined that the pool included a representative mix of employees.

We then obtained actual total cash compensation recorded during 2017 via payroll data for the pool of medianable employees. We identified the median employee by referencing the actual payroll data and calculated such employee's annual total compensation using the same methodology that we use to determine the annual total compensation, as reported above in the Summary Compensation Table.

We believe there have been no changes in our employee population or our compensation arrangements in 2018 that would result in a material change in our pay ratio disclosure or our median employee. To calculate the below ratio, because our originally identified median employee was no longer employed by Zebra at December 31, 2018, as permitted by Item 402, we selected another employee whose total compensation is substantially similar to the original median employee's total compensation.

CEO Pay Ratio Calculation

For 2018,

the total annual compensation of the employee identified at the median of all of our employees, other than Mr. Gustafsson, our CEO, was \$68,162; and Mr. Gustafsson's annual total compensation, as reported in the Summary Compensation Table, was \$9,496,092. Based on this information, the ratio of the annual total compensation of Mr. Gustafsson to the median of the annual total compensation of all employees was estimated to be 139.32 to 1.

Our methodology may differ materially from the methodology used by other companies to prepare their CEO pay ratio, which may contribute to a lack of comparability between our pay ratio and the pay ratio reported by other companies, including those within our industry or peer group.

Proposal 2 Advisory Vote to Approve Compensation of Named Executive Officers

Zebra is seeking your advisory vote to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with Section 14A of the Securities Exchange Act of 1934 and the rules of the Securities and Exchange Commission. This is known as a “say-on-pay” proposal. At Zebra’s 2018 Annual Meeting of stockholders, the proposal was approved by 96.79% of the votes cast for or against the proposal. At Zebra’s 2017 Annual Meeting, our stockholders indicated a preference of holding an annual say on pay vote.

We ask our stockholders to approve the following resolution:

“Resolved, that the compensation of the named executive officers of Zebra Technologies Corporation, as disclosed pursuant to Item 402 of Regulation S-K, as described in and including the Executive Summary-Compensation Discussion and Analysis, Compensation Discussion and Analysis, compensation tables and narrative discussion contained in this proxy statement, is approved by the stockholders of Zebra.”

As described in detail under “*Executive Summary — Compensation Discussion and Analysis*” and “*Compensation Discussion and Analysis*,” our total rewards and executive compensation programs are designed to attract, retain, motivate, develop and reward our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term and strategic goals, corporate and individual goals, and the realization of increased stockholder value.

Our Compensation Committee regularly reviews the compensation programs for our named executive officers to ensure they achieve the desired goals of aligning our executive compensation structure with our stockholders’ interests and current market practices. Our Compensation Committee also regularly reviews its own processes to ensure alignment with its charter and regulatory requirements. This review includes such topics as peer group and survey compensation review analysis, total rewards philosophy, Compensation Committee charter review and a compensation risk assessment.

We are asking our stockholders to approve our named executive officer compensation as described in this proxy statement. This proposal gives you the opportunity to express your view on the compensation of our named executive officers. This stockholder vote is not intended to address any specific element of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. We ask you to vote “FOR” the approval of the resolution included above.

This vote is advisory, and therefore not binding on Zebra, our Compensation Committee, or our Board of Directors. Our Board of Directors and Compensation Committee value the opinions of our stockholders and will consider the results of the vote, as appropriate, in making future decisions regarding the compensation of our named executive

officers.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “**FOR**” APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Proposal 3 Ratification of Appointment of Independent Auditors

The Audit Committee appointed Ernst & Young LLP, independent certified public accountants, as auditors of Zebra's financial statements for the year ending December 31, 2019. Ernst & Young LLP has served as Zebra's independent certified public accountants since 2005.

The Board gives stockholders the opportunity to express their opinions on the matter of auditors for Zebra, and, accordingly, is submitting a proposal to ratify the Audit Committee's appointment of Ernst & Young. If this proposal does not receive the affirmative vote of a majority of the votes cast at the annual meeting, the Audit Committee may appoint another independent registered public accounting firm or may decide to maintain the appointment of Ernst & Young.

Zebra expects that representatives of Ernst & Young will be present at the meeting and available to respond to questions. These representatives will be given an opportunity to make a statement if they would like to do so.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and greater than ten percent stockholders to file reports of holdings and transactions in our common stock with the Securities and Exchange Commission. To our knowledge, all required reports were filed in a timely manner with the following exception. A Form 4 reporting, on behalf of Joachim Heel, our Senior Vice President, Global Sales, the disposition of 1,933 shares of common stock to cover tax liability on the vesting of time-vested restricted stock on September 15, 2017 was filed late due to an administrative error.

Stockholder Proposals and Other Business

We expect the 2020 Annual Meeting of Stockholders to be held on or about May 14, 2020. To be considered for inclusion in our proxy materials for the 2020 Annual Meeting, a stockholder proposal must be received at our principal executive offices at Three Overlook Point, Lincolnshire, Illinois 60069 by December 5, 2019. In addition, our Amended and Restated By-Laws establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of stockholders, including proposed nominations of persons for election to the Board. A stockholder proposal or nomination intended to be brought before the 2020 annual meeting must be delivered to the Corporate Secretary no earlier than January 4, 2020, and no later than February 3, 2020. All proposals and nominations should be directed to our Corporate Secretary, Zebra Technologies Corporation, Three Overlook Point, Lincolnshire, Illinois 60069.

The Board and our management have not received notice of and are not aware of any business to come before the 2019 annual meeting other than the proposals we refer to in this proxy statement. If any other matter comes before the annual meeting, the proxies will use their judgment in voting the proxies.

We have made our 2018 Annual Report to Stockholders available in connection with this proxy solicitation, which includes our Annual Report on Form 10-K. If you would like another copy of our 10-K, excluding certain exhibits, please contact the Chief Financial Officer at the following address: Zebra Technologies Corporation, Three Overlook Point, Lincolnshire, Illinois 60069.

WILL THERE BE ANY OTHER ITEMS OF BUSINESS ON THE AGENDA?

If any other items of business or other matters are properly brought before the annual meeting, your proxy gives discretionary authority to the persons named on the proxy card with respect to those items of business or other matters. The persons named on the proxy card intend to vote the proxy in accordance with their judgment. Because the deadlines for stockholder proposals and nominations have passed, we do not expect any items of business to be brought before the annual meeting other than the items described in this proxy statement.

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

Holders of our Class A common stock at the close of business on March 22, 2019, the record date, may vote at the meeting. We refer to the holders of our Class A common stock as “stockholders” throughout this proxy statement. Each stockholder is entitled to one vote for each share of Class A common stock held as of the record date.

WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A STOCKHOLDER OF RECORD AND AS A BENEFICIAL OWNER?

You may own shares directly in your name as a stockholder of record, which includes shares for which you have certificates. If your shares are registered directly in your name, you are the **holder of record** of those shares and you have the right to give your voting proxy directly to us or to vote in person at the meeting.

You may also own shares indirectly through a broker, bank or other holder of record. If you hold your shares indirectly, you hold the shares in “street name” and are a **beneficial holder**. As a beneficial holder, you have the right to direct your broker, bank or other holder of record how to vote by completing a voting instruction form.

DO I HAVE TO DO ANYTHING IN ADVANCE IF I PLAN TO ATTEND THE ANNUAL MEETING IN PERSON?

An individual who is a beneficial owner of Class A common stock must bring to the meeting a legal proxy from the organization that holds the shares or a brokerage statement showing ownership of shares as of the close of business on the record date. Representatives of institutional stockholders must bring a legal proxy or other proof that they are representatives of a firm that held shares as of the close of business on the record date and are authorized to vote on behalf of the institution.

DO I HAVE ELECTRONIC ACCESS TO THE PROXY MATERIALS AND ANNUAL REPORT?

For **holders of record**, we are pleased to offer the opportunity to receive stockholder communications electronically. By signing up for electronic delivery of documents such as our annual report and the proxy statement, you can access stockholder communications as soon as they are available without waiting for them to arrive in the mail. Holders of record can also reduce the number of documents in their personal files, eliminate duplicate mailings, conserve natural resources, and help reduce our printing and mailing costs. If you are a holder of record and would like to receive stockholder communications electronically in the future, please contact Computershare at 800-522-6645 or 201-680-6578. Enrollment is effective until cancelled.

Beneficial holders should refer to the information provided by the broker, bank or other institution that is the holder of record for instructions on how to elect to receive proxy statements and annual reports via the Internet. Most stockholders who hold their stock through a broker, bank or other holder of record and who have electronic access will receive an e-mail message containing the Internet address to use to access our proxy statement and annual report.

WHY DID I RECEIVE A ONE-PAGE NOTICE OF INTERNET AVAILABILITY OF PROXY MATERIALS IN THE MAIL REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS INSTEAD OF A FULL SET OF PRINTED MATERIALS?

Pursuant to rules adopted by the SEC, we have made these proxy materials available via the Internet and have elected to use the SEC's notice and access rules for soliciting proxies. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to all stockholders as of the record date. You may access these proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials. You may also request to receive a printed set of these proxy materials. Instructions on how to access these proxy materials via the Internet and how to request a printed copy can be found in the Notice of Internet Availability of Proxy Materials. Additionally, by following the instructions in the Notice of Internet Availability of Proxy Materials, you may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. As noted above, choosing to receive your future proxy materials by e-mail will save Zebra the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment.

WHY DID MY HOUSEHOLD RECEIVE ONLY ONE COPY OF THE NOTICE OF INTERNET AVAILABILITY OF PROXY MATERIALS OR PROXY MATERIALS?

In addition to furnishing proxy materials electronically, we take advantage of the SEC's "householding" rules to reduce the delivery cost of materials. Under such rules, only one Notice of Internet Availability of Proxy Materials or, if you have requested paper copies, only one set of proxy materials is delivered to multiple stockholders sharing an address unless we have received contrary instructions from one or more of the stockholders. If you are a stockholder sharing

an address and wish to receive a separate Notice of Internet Availability of Proxy

Materials by contacting Broadridge Financial Solutions by phone at 1-866-540-7095 or by mail at Broadridge Householding Department, 51 Mercedes Way, Edgewood, NJ, 11717. A separate copy will be promptly provided following receipt of your request, and you will receive separate materials in the future. If you currently share an address with another stockholder but are nonetheless receiving separate copies of the materials, you may request delivery of a single copy in the future by contacting Broadridge at the number or address shown above.

HOW DO I VOTE MY SHARES?

Your vote is important. We encourage you to vote promptly, which may save us the expense of a second mailing.

If you are a **holder of record**, you may vote your shares in any of the following ways:

by telephone – You may vote your shares by calling the toll-free telephone number on the Notice of Internet Availability of Proxy Materials or your proxy card. You may vote by telephone 24 hours a day through 11:59 p.m., Eastern Time, on May 15, 2019. The telephone voting system has easy-to-follow instructions and allows you to confirm that the system has properly recorded your vote. If you vote by telephone, you do not need mail a proxy card.

via the Internet – You may vote your shares via the website <http://www.proxyvote.com>. You may vote via the Internet 24 hours a day through 11:59 p.m., Eastern Time, May 15, 2019. As with telephone voting, you may confirm that the system has properly recorded your vote. If you vote via the Internet, you do not need to mail a proxy card. You may incur costs such as telephone and Internet access charges if you vote via the Internet.

by mail – If you received your proxy materials by mail, you may vote your shares by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope.

in person at the annual meeting – If you choose not to vote by telephone, via the Internet or by mail, you may still attend the meeting and vote in person. If you vote prior to the meeting, you may still attend the meeting and vote in person.

If you are a **beneficial holder**, the instructions that accompany your proxy materials will indicate whether you may vote by telephone, via the Internet or by mail. If you wish to attend the meeting and vote in person, you must bring a legal proxy from the organization that holds the shares or a brokerage statement showing ownership of shares as of the close of business on the record date.

CAN I REVOKE OR CHANGE MY VOTE AFTER I SUBMIT MY PROXY?

If you are the **holder of record**, you may revoke your proxy at any time before your shares are voted if you (1) submit a written revocation to our Corporate Secretary, (2) submit a later-dated proxy to our Corporate Secretary, (3) provide subsequent telephone or Internet voting instructions, or (4) vote in person at the meeting. If you are a **beneficial owner** of shares, you must contact the broker or other nominee holding your shares and follow their instructions for

changing your vote.

WHAT IF I DO NOT SPECIFY HOW MY SHARES ARE TO BE VOTED?

Our Board has appointed Michael A. Steele and Cristen Kogl to serve as the proxies for the meeting. Mr. Steele is Vice President, Investor Relations, of Zebra. Ms. Kogl is Senior Vice President, General Counsel and Corporate Secretary, of Zebra. By giving us your proxy, you are authorizing the proxies to vote, jointly or individually, your shares in the manner you indicate.

If you are a **holder of record** and you submit a proxy, but you do not provide voting instructions, your shares will be voted:

FOR the election of two directors nominated by our Board and named in this proxy statement as Class II directors with terms to expire in 2022 (Proposal 1);

FOR the approval, on an advisory basis, of the compensation of our named executive officers (Proposal 2);

FOR ratification of the appointment by our Audit Committee of Ernst & Young LLP as our independent auditors for 2019 (Proposal 3); and

In the discretion of the named proxies regarding any other matters properly presented for a vote at the annual meeting.

If you are a **beneficial owner** and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if he or she has the discretionary authority to vote on the particular matter. Under the NYSE's rules, brokers and other nominees have the discretion to vote on routine matters such as Proposal 3, but do not have discretion to vote on non-routine matters such as Proposals 1 and 2. If you do not provide voting instructions to your broker or other nominee, your broker or other nominee may only vote your shares on Proposal 3 and any other routine matters properly presented for a vote at the meeting.

WHAT CONSTITUTES A QUORUM, AND WHY IS A QUORUM REQUIRED?

A quorum is necessary to hold a valid meeting of stockholders. If stockholders holding a majority of the voting power of the stock issued and outstanding and entitled to vote at the meeting are present in person or by proxy, a quorum will exist. Shares owned by Zebra are not voted and do not count for quorum purposes. On March 22, 2019, we had 53,947,751 shares of Class A common stock outstanding, meaning that 26,973,876 shares of Class A common stock must be represented in person or by proxy to have a quorum. Your shares will be counted towards the quorum if you submit a proxy or vote at the meeting. Abstentions and broker non-votes will also count towards the quorum requirement. If there is not a quorum, a majority of the shares present at the meeting may adjourn the meeting to a later date.

To assure the presence of a quorum at the meeting, and even if you plan to attend the meeting, please vote your shares by toll-free telephone or via the Internet or, if you received your proxy materials by mail, complete, sign and date your proxy card and return it promptly in the enclosed postage-paid envelope.

WHAT IS THE EFFECT OF A BROKER NON-VOTE?

Brokers or other nominees who hold shares of our Class A common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the meeting. A broker non-vote occurs when a broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the meeting. Thus, a broker non-vote will not affect our ability to obtain a quorum. Broker non-votes will not have any effect on the outcome of any proposal to be voted on at the meeting.

WHAT IS THE VOTE REQUIRED FOR EACH PROPOSAL?

Nominees for director are elected by a plurality of the votes cast; however, each nominee who is elected by a plurality vote who does not receive a majority vote will have his or her resignation from the Board considered in accordance with Zebra's Corporate Governance Guidelines. A "majority vote" means that the number of votes cast in favor of a nominee must exceed the number of votes withheld with respect to that nominee. Zebra has a resignation process with respect to uncontested elections of directors if a nominee does not receive a majority vote for election to the Board. Prior to making these proxy materials available, each nominee for director submits a binding but contingent letter of resignation. If a nominee is then elected by a plurality vote but does not receive a majority vote, the nominee will have his or her resignation considered by the Nominating and Governance Committee in light of the best interests of Zebra and its stockholders. The Nominating and Governance Committee will make a recommendation to the Board concerning the acceptance or rejection of the resignation(s).

In any contested election, nominees for director will continue to be elected by a plurality of the votes cast without a contingent resignation to be considered by the Board conditioned on receipt of a majority vote. A "contested election" means an election of directors (i) for which the Corporate Secretary of Zebra has received a notice that a stockholder has nominated a person for election to the Board in compliance with Zebra's Amended and Restated By-Laws and (ii) such nomination has not been withdrawn at least five days prior to the date Zebra first makes these proxy materials available to stockholders. Neither abstentions nor broker non-votes count as votes cast.

| Proposal | Vote Required | Broker Discretionary Voting Allowed |
|---|--|-------------------------------------|
| Proposal 1 – Election of two Class II directors with terms expiring in 2022 | Plurality of votes cast with resignation process if majority vote not achieved | No |
| Proposal 2 – Advisory vote to approve named executive officer compensation | Majority of the votes cast for or against | No |
| Proposal 3 – Ratify the appointment of Ernst & Young LLP as our independent auditors for 2019 | Majority of the votes cast for or against | Yes |

With respect to Proposal 1, you may vote FOR all nominees, WITHHOLD your vote as to all nominees, or vote FOR all nominees except those specific nominees from whom you WITHHOLD your vote. The two nominees receiving the most FOR votes will be elected. A properly executed proxy that is marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Proxies may not be voted for more than three nominees for director and stockholders may not cumulate votes in the election of directors.

With respect to Proposals 2 and 3, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on any of these proposals, your abstention will not affect the vote on the proposal since the proposal requires approval of a majority of the votes cast for or against.

WHAT HAPPENS IF THE ANNUAL MEETING IS ADJOURNED OR POSTPONED?

Your proxy will still be effective and will be voted at the rescheduled annual meeting. You will still be able to change or revoke your proxy until it is voted.

WHO IS PAYING FOR THE COSTS OF THIS PROXY SOLICITATION?

We will bear the expense of soliciting proxies. We have retained Alliance Advisors LLC to solicit proxies for a fee of \$16,500 plus a reasonable amount to cover expenses. Proxies may also be solicited in person, by telephone or electronically by Zebra personnel who will not receive additional compensation for such solicitation. Copies of proxy materials and the Annual Report will be supplied to brokers and other nominees for the purpose of soliciting proxies from beneficial owners, and we will reimburse such brokers or other nominees for their reasonable expenses.

HOW CAN I FIND THE RESULTS OF THE ANNUAL MEETING?

Preliminary results will be announced at the meeting. Results also will be published in a current report on Form 8-K to be filed with the SEC within four business days after the meeting. If the official results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.
