Decision of CVM Collegiate in favour of Petrobras on the application of Hedge Accounting

Rio de Janeiro, July 11, 2017 - Petróleo Brasileiro S.A. - Petrobras, pursuant to the material fact published on March 7, 2017, hereby reports that at a meeting held today, the Collegiate of the Securities and Exchange Commission of Brazil ("CVM"), upheld the appeal filed by the company in relation to Letter No. 30/2017/CVM/SEP/GEA-5.

The decision of the Collegiate reverse the determination of CVM's technical area to re-make and re-state the company's annual financial statements for the years 2013, 2014, 2015 and 2016 due to an alleged misuse of hedge accounting practices.

Therefore, the decision of the Collegiate confirmed Petrobras understanding about the use of the Hedge Accounting practice in its financial statements.

FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as "believe," "expect," "estimate," "anticipate," "optimistic," "intend," "plan," "aim," "will," "may," "should," "could," "would," "likely," and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the "Lava Jato Operation"; (iii) the effectiveness of the Company's risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company's Annual Report on Form 20-F for the year ended December 31, 2016, and the Company's other filings with the U.S. Securities and Exchange Commission.
