Section 1 — Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On December 19, 2014, Brookdale Senior Living Inc. (the "Company") entered into a Fourth Amended and Restated Credit Agreement with General Electric Capital Corporation, as administrative agent, lender and swingline lender and the other lenders from time to time parties thereto (the "Amended Agreement"). The Amended Agreement amends and restates in its entirety the Company's existing Third Amended and Restated Credit Agreement dated as of September 20, 2013 (the "Original Agreement").

The Amended Agreement provides for a total commitment amount of \$500 million, comprised of a \$100 million term loan drawn at closing and a \$400 million revolving credit facility (with a \$50 million sublimit for letters of credit and a \$50 million swingline feature). The Amended Agreement also provides an option to increase the revolving credit facility by an additional \$250 million, subject to obtaining commitments for the amount of such increase from acceptable lenders. The term loan is subject to a prepayment premium of 2% if prepaid during the first loan year and 1% if prepaid during the second loan year. The Amended Agreement grants the Company a one-time right to reduce the amount of the revolving credit commitment, and the Company may terminate the revolving credit facility at any time, in each case, without payment of a premium or penalty.

The Amended Agreement extends the maturity date from March 31, 2018 to January 3, 2020 and decreases the interest rate payable on drawn amounts and the fee payable on the unused portion of the facility. Amounts drawn under the facility will continue to bear interest at 90-day LIBOR plus an applicable margin; however, the Amended Agreement reduces the applicable margin from a range of 3.25% to 4.25% to a range of 2.50% to 3.50%. The applicable margin varies based on the percentage of the total commitment drawn, with a 2.50% margin at utilization equal to or lower than 35%, a 3.25% margin at utilization greater than 35% but less than or equal to 50%, and a 3.50% margin at utilization greater than 50%. The Amended Agreement also eliminates the minimum 0.5% LIBOR rate included in the Original Agreement. The Amended Agreement reduces the quarterly commitment fee on the unused portion of the facility from 0.50% per annum to 0.25% per annum when the outstanding amount of obligations (including revolving credit, swingline and term loans and letter of credit obligations) is greater than or equal to 50% of the total commitment amount or 0.35% per annum when such outstanding amount is less than 50% of the total commitment amount.

Availability under the facility will vary from time to time based on borrowing base calculations related to the appraised value and performance of the communities securing the credit facility. The credit facility will continue to be secured by first priority mortgages on certain of the Company's communities. In addition, the Amended Agreement permits the Company to pledge the equity interests in subsidiaries that own other communities (rather than mortgaging such communities), provided that loan availability from pledged assets cannot exceed 10% of loan availability from mortgaged assets.

Amounts drawn on the facility may be used to finance acquisitions, to fund working capital and capital expenditures, and for other general corporate purposes.

The Amended Agreement contains typical affirmative and negative covenants, including financial covenants with respect to minimum consolidated fixed charge coverage and minimum consolidated tangible net worth. A violation of any of these covenants could result in a default under the Amended Agreement, which would result in termination of all commitments under the Amended Agreement and all amounts owing under the Amended Agreement and certain other loan agreements becoming immediately due and payable.

The foregoing summary of certain provisions of the Amended Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Amended Agreement filed as Exhibit 10.1 hereto, which is incorporated herein by reference.
