1. INTRODUCTION

The boards of directors of Unicom and Netcom refer to (1) the Announcement on Deepening the Reform of the Structure of the Telecommunications Sector dated 24 May 2008 jointly issued by the Ministry of Industry and Information, the National Development and Reform Commission and the Ministry of Finance of the PRC which states, among other things, that the PRC government will deepen the reform of the structure of the telecommunications sector, and encourage the formation of three market competitors where each has nationwide network resources, relatively comparable strength and scale, as well as full service operation capabilities, that the allocation of telecommunications resources will be further optimized and the competition structure will be improved, and that three 3G licences will be granted once the contemplated restructuring is completed, and (2) the announcements issued by Unicom and Netcom on 25 May 2008.

The boards of directors of Unicom and Netcom jointly announce that on 2 June 2008, Unicom formally presented the Proposals (as described in the paragraphs headed “1. The Proposals”, “2. Conditions of the Proposals and the Scheme” and “3. Further Terms of the Proposals” in the text of this Announcement) to the board of directors of Netcom and requested the board to put forward the Proposals to the Netcom Shareholders to consider the merger of Unicom and Netcom by way of a scheme of arrangement by Netcom under Section 166 of the Hong Kong Companies Ordinance.

TERMS OF THE PROPOSAL

2. Pursuant to the Share Proposal, the Scheme Shares (including the Scheme Shares unconditionally issued or to be issued pursuant to the valid exercise of the outstanding Netcom Options prior to the Scheme Record Time) will be cancelled and, in consideration thereof, each Scheme Shareholder will be entitled to receive:

For every Scheme Share cancelled 1.508 new Unicom Shares

Pursuant to the ADS Proposal, the Scheme Shares underlying the Netcom ADSs will be cancelled and, in consideration thereof, each holder of Netcom ADSs will be entitled to receive:

For every Netcom ADS 3.016 new Unicom ADSs

Each Netcom ADS represents 20 Netcom Shares while each Unicom ADS represents 10 Unicom Shares. The consideration for the ADS Proposal is equivalent to the consideration for the Share Proposal and is calculated using the Share Exchange Ratio and taking into account the number of Netcom Shares which each Netcom ADS represents and the number of Unicom Shares which each Unicom ADS represents.

Pursuant to the Option Proposal, Unicom will offer holders of Netcom Options new Special Unicom Options in exchange for the outstanding Netcom Options held by them at the Scheme Record Time (whether vested or not). The number of new Special Unicom Options which will be granted to each holder of Netcom Options and the exercise price of such new Special Unicom Options will be determined in accordance with a formula which ensures that the value of the new Special Unicom Options received by a holder of Netcom Options is equivalent to the “see-through” price of that holder’s outstanding Netcom Options (that is, the value determined by deducting the exercise price of the relevant Netcom Option from the value of HK\$27.87, being the closing price of each Netcom Share of HK\$27.05 on the Hong Kong Stock Exchange on the Last Trading Date and a 3% premium, for each Scheme Share pursuant to the Share Proposal). The new Special Unicom Options will be granted by Unicom pursuant to the Special Purpose Unicom Share Option Scheme which is proposed to be adopted by Unicom at the Unicom EGM.

Implementation of the Proposals will be carried out in accordance with Hong Kong laws, the Takeovers Code, US federal securities laws and the requirements of the Hong Kong Stock Exchange and the New York Stock Exchange.

The directors of Unicom believe that the terms of the Proposals are fair and reasonable and in the interests of the Unicom Shareholders as a whole.

The board of directors of Netcom has established the Netcom IBC, comprising all of the independent non-executive directors of Netcom, being Mr. Timpson Chung Shui Ming, Mr. John Lawson Thornton, Dr. Qian Yingyi and Mr. Hou Ziqiang, to advise the Disinterested Netcom Shareholders and the holders of Netcom ADSs and Netcom Options as to (a) whether the Proposals are, or are not, fair and reasonable and (b) whether to vote in favour of the Scheme at the Court Meeting and the Netcom EGM. The Netcom IBC has appointed Rothschild as the independent financial adviser to the Netcom IBC in respect of the Proposals. The Netcom IBC is evaluating the Proposals and the views and recommendations of the Netcom IBC in respect of the Proposals will be set out in the Scheme Document to be despatched to the Netcom Shareholders and the holders of Netcom ADSs and Netcom Options.

Holders of Unicom Shares, Unicom ADSs, Unicom Options, Netcom Shares, Netcom ADSs and Netcom Options and potential investors in Unicom and Netcom should be aware that the implementation of the Proposals (including the Scheme) is subject to the conditions set out in this Announcement being satisfied or waived, as applicable, and thus the Proposals (including the Scheme) may or may not become effective. Holders of Unicom Shares, Unicom ADSs, Unicom Options, Netcom Shares, Netcom ADSs and Netcom Options and potential investors of Unicom and Netcom should therefore exercise caution when dealing in Unicom Shares, Unicom ADSs, Unicom Options, Netcom Shares, Netcom ADSs or Netcom Options or other securities of Unicom or Netcom. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.

3. CONDITIONS OF THE PROPOSALS AND THE SCHEME

The Share Proposal is subject to, and the Scheme will become effective and binding on Netcom and all Scheme Shareholders subject to, the satisfaction or waiver (as applicable) of the following conditions:

- (a) the approval of the Unicom Shareholders in general meeting having been obtained for (i) the Proposals, (ii) the allotment and issue by Unicom of new Unicom Shares pursuant to the Share Proposal and the ADS Proposal and (iii) the adoption of the Special Purpose Unicom Share Option Scheme, in accordance with the Listing Rules and the NYSE Rules;
- (b) the approval of the Scheme (by way of poll) by a majority in number representing not less than three-fourths in value of the Disinterested Netcom Shareholders, present and voting either in person or by proxy at the Court Meeting, provided that:
 - (i) the Scheme is approved (by way of poll) by at least 75% of the votes attaching to the Netcom Shares held by the Disinterested Netcom Shareholders that are cast either in person or by proxy at the Court Meeting; and
 - (ii) the number of votes cast (by way of poll) against the resolution to approve the Scheme at the Court Meeting is not more than 10% of the votes attaching to all the Netcom Shares held by the Disinterested Netcom Shareholders;
- (c) the passing of a special resolution by a majority of not less than three-fourths of the votes cast by the Netcom Shareholders present and voting in person or by proxy at the Netcom EGM to (i) approve and give effect to the reduction of the issued share capital of Netcom by cancelling and extinguishing the Scheme Shares and (ii) approve the issue of the new Netcom Shares to Unicom;
- (d) the sanction of the Scheme (with or without modifications) and the confirmation of the reduction of the share capital of Netcom by the High Court, under Sections 166 and 60, respectively, of the Hong Kong Companies Ordinance (with Netcom having timely advised the High Court that the new Unicom Shares will be issued by Unicom in reliance on the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof and applicable exemptions under US state securities laws);
- (e) a copy of the order of the High Court sanctioning the Scheme and confirming the reduction of the share capital of Netcom, together with a minute approved by the High Court containing the particulars required by Section 61 of the Hong Kong Companies Ordinance, being delivered to and registered by the Registrar;

- (f) the Hong Kong Stock Exchange having granted its approval for the listing of, and permission to deal in, the new Unicom Shares to be issued pursuant to the Share Proposal and the ADS Proposal and the new Unicom Shares to be issued upon the exercise of the Special Unicom Options;
- (g) the New York Stock Exchange having granted its approval for the listing of the new Unicom ADSs representing the new Unicom Shares to be issued pursuant to the ADS Proposal;
- (h) all applicable filings, notices and waivers required in connection with the Proposals (including its implementation) from or with any governmental or regulatory body having been made and, if applicable, any waiting periods under any applicable antitrust or similar laws and regulations having expired or terminated;
- (i) all necessary authorisations, consents and approvals (including approval in-principle) of any governmental or regulatory body in relation to the Proposals (including their implementation) having been obtained and remaining in full force and effect pursuant to the provisions of any laws or regulations in Hong Kong, the PRC, the United States and any other relevant jurisdictions;
- (j) all necessary third party consents in relation to the Proposals required pursuant to any agreement to which any member of the Netcom Group is a party (where any failure to obtain a consent would have a material adverse effect on the business of the Netcom Group taken as a whole) having been obtained or waived by the relevant party(ies);
- (k) no relevant government, governmental, quasi-governmental, statutory or regulatory body, court or agency having granted any order or made any decision that would make the Proposals void, unenforceable or illegal, or restrict or prohibit the implementation of, or impose any additional material conditions or obligations with respect to, the Proposals (other than such orders or decisions as would not have a material adverse effect on the legal ability of Unicom to proceed with or consummate the Proposals);
- (l) confirmation from OFTA that the Proposals will not have, or be likely to have, the effect of substantially lessening competition in a telecommunications market in Hong Kong as referred to in Section 7P of the Telecommunications Ordinance, to the extent that such confirmation is considered necessary by Unicom and Netcom, acting reasonably;
- (m) subject to Note 2 to Rule 30.1 of the Takeovers Code, no event having occurred which would make the Proposals or the cancellation of the Scheme Shares or any of the Netcom Options void, unenforceable or illegal or which would prohibit the implementation of the Proposals or impose any additional material conditions or obligations with respect to the Proposals or any part thereof or on the cancellation of the Scheme Shares or any of the Netcom Options;

- (n) subject to Note 2 to Rule 30.1 of the Takeovers Code, since the date of this Announcement, there having been no material adverse change in the business, financial or trading position of the Unicom Group or the Netcom Group, each taken as a whole;
- (o) save in connection with the implementation of the Proposals, the listing of the Unicom Shares and the Netcom Shares on the Hong Kong Stock Exchange and the listing of the Unicom ADSs and the Netcom ADSs on the New York Stock Exchange not having been withdrawn, and no indication being received from the SFC and/or the Hong Kong Stock Exchange and/or the SEC and/or the New York Stock Exchange, to the effect that the listing of the Unicom Shares or the Netcom Shares on the Hong Kong Stock Exchange or the listing of the Unicom ADSs or the Netcom ADSs on the New York Stock Exchange is or is likely to be withdrawn; and
- (p) save for the payment of a final dividend of HK\$0.592 for each Netcom Share as approved by the Netcom Shareholders at the annual general meeting of Netcom held on 22 May 2008, since the date of this Announcement and up to the Effective Date, Netcom not having declared, made or paid any dividend or distribution of any kind, and not agreeing or proposing to declare, make or pay any dividend or distribution of any kind.

Unicom reserves the right to waive all or any of the conditions (except for the conditions referred to in paragraphs (a) to (m) and paragraph (o) above) in whole or in part. Netcom does not have the right to waive any of the conditions. All of the above conditions will have to be satisfied or waived, as applicable, on or before 30 September 2008 (or such other date as Unicom and Netcom may agree and the High Court may allow), otherwise the Share Proposal and the Scheme will lapse.

Assuming that the above conditions are satisfied or waived, as applicable, it is expected that the Scheme will become effective on or before 31 October 2008.

Each of the ADS Proposal and the Option Proposal will be conditional upon the Scheme becoming effective.

4. WITHDRAWAL OF LISTING OF THE NETCOM SHARES AND THE NETCOM ADSs

Upon the Scheme becoming effective, all the Scheme Shares (including the Scheme Shares underlying the Netcom ADSs) will be cancelled. The share certificates for the Scheme Shares will thereafter cease to have effect as documents or evidence of title. An application will be made by Netcom to the Hong Kong Stock Exchange for the voluntary withdrawal of the listing of the Netcom Shares from the Hong Kong Stock Exchange pursuant to Rule 6.15 of the Listing Rules immediately following the Effective Date, which is subject to the approval of the Listing Committee of the Hong Kong Stock Exchange.

Upon the Scheme becoming effective, Unicom intends to cause Netcom to apply for delisting of the Netcom ADSs from the New York Stock Exchange. Unicom may also seek to cause Netcom to terminate the Netcom ADS Deposit Agreement. If the Scheme becomes effective, Unicom intends to cause Netcom to file a Form 15 with the SEC to request that Netcom's reporting obligations under the US Securities Exchange Act be terminated or suspended, because the effectiveness of the Scheme will cause the number of holders of Netcom Shares in the United States to fall below 300.

The listing of the Netcom Shares on the Hong Kong Stock Exchange and the Netcom ADSs on the New York Stock Exchange will not be withdrawn if the Proposals are not approved, lapse or do not become unconditional for any reason.

5. UNDERTAKINGS

Netcom BVI has given an irrevocable undertaking to Unicom to vote in favour of all resolutions to approve the Scheme and any related matters necessary to implement the Scheme proposed at the Court Meeting and the Netcom EGM in respect of its legal and beneficial shareholding in Netcom of 4,647,449,014 Netcom Shares (representing approximately 69.37% of the issued share capital of Netcom as at the Last Trading Date). Under the irrevocable undertaking, Netcom Parent has undertaken to use its best endeavours to procure the performance by Netcom BVI of its obligations under the irrevocable undertaking.

Netcom BVI has also received an irrevocable instruction to vote in favour of all resolutions to approve the Scheme and any related matters necessary to implement the Scheme proposed at the Court Meeting and the Netcom EGM in respect of the 149,683,549 Netcom Shares (representing approximately 2.23% of the issued share capital of Netcom as at the Last Trading Date), which Netcom BVI holds as trustee on behalf of a state-owned entity.

In addition, Telefonica has given an irrevocable undertaking to Unicom to vote in favour of all resolutions to approve the Scheme and any related matters necessary to implement the Scheme proposed at the Court Meeting and the Netcom EGM in respect of its shareholding in Netcom of 333,971,305 Netcom Shares (representing approximately 4.99% of the issued share capital of Netcom as at the Last Trading Date).

Under the terms of the irrevocable undertakings given by Netcom BVI and Telefonica and the irrevocable instruction received by Netcom BVI, the undertakings and the instruction will lapse (a) if this Announcement has not been released by 30 June 2008, (b) if Unicom announces, with the consent of the Executive and before the Scheme Document is posted, that it does not intend to proceed with the Scheme, (c) if the Scheme lapses or is withdrawn in accordance with its terms or (d) in the event of a higher competing offer for Netcom made by a third party.

In addition to conditions (a) to (d) above, the undertaking given by Netcom BVI and the irrevocable instruction received by Netcom BVI will lapse if the Scheme is not approved at the Court Meeting or the Netcom EGM.

In addition to conditions (a) to (d) above, the undertaking given by Telefonica will lapse (e) if the Scheme is not approved at the Court Meeting or the Netcom EGM by 30 November 2008, (f) if since the date of the giving of the undertaking, there has been a material adverse change in the business, financial or trading position of Unicom or (g) in the event that the Netcom IFA appointed by the Netcom IBC does not render an opinion that the Proposals are fair and reasonable.

6. POSSIBLE CONCERT PARTY AGREEMENT

Each of Unicom and Netcom has been informed by Unicom BVI and Netcom BVI, respectively, that they are not and have never been parties acting in concert with each other or with or in respect of either Unicom or Netcom. Each of Unicom and Netcom has further been informed that Unicom BVI and Netcom BVI intend to enter into the Concert Party Agreement upon or shortly after the last to occur of (i) the Proposals and the issue of new Unicom Shares being duly approved by the requisite majority of the Unicom Shareholders at the Unicom EGM, (ii) the Scheme being duly approved by the requisite majority of the Disinterested Netcom Shareholders at the Court Meeting and (iii) the special resolutions being duly passed with the requisite majority of the Netcom Shareholders at the Netcom EGM. Pursuant to the Concert Party Agreement, Unicom BVI and Netcom BVI will agree to cooperate actively to obtain or consolidate control of Unicom following the completion of the Scheme. Thus, Unicom BVI and Netcom BVI will become parties acting in concert in respect of Unicom following the completion of the Scheme. In addition, following the completion of the Scheme, Unicom BVI and Netcom BVI will also be presumed to be acting in concert with each other in respect of Unicom pursuant to class (1) of the definition of “acting in concert” in the Takeovers Code.

On 26 May 2008, the State-owned Assets Supervision and Administration Commission notified each of Unicom Parent and Netcom Parent, the respective ultimate parent companies of Unicom and Netcom, that, among other things, it may, depending on the outcome of any proposed merger of Unicom and Netcom, consider a merger of Unicom Parent and Netcom Parent. Each of Unicom Parent and Netcom Parent has confirmed to Unicom and Netcom, respectively, that it has not received any notice or other indication and that it is not otherwise aware of the timing or any term of or condition to such merger. On this basis, any merger of Unicom Parent and Netcom Parent will not result in any change of control of Unicom or Netcom and will not give rise to any implication under Rule 26 of the Takeovers Code.

7. POSSIBLE VERY SUBSTANTIAL ACQUISITION, ALLOTMENT AND ISSUE OF NEW UNICOM SHARES AND ADOPTION OF SPECIAL PURPOSE UNICOM SHARE OPTION SCHEME

The implementation of the Proposals will result in Netcom becoming a wholly-owned subsidiary of Unicom and as the highest of the percentage ratios set out in Rule 14.07 of the Listing Rules in respect of the implementation of the Proposals is more than 100%, the Proposals will constitute a possible very substantial acquisition for Unicom under the Listing Rules. The Proposals are therefore conditional upon the approval of the Unicom Shareholders in general meeting.

The allotment and issue of new Unicom Shares to the Scheme Shareholders pursuant to the Share Proposal and to the Unicom Depositary pursuant to the ADS Proposal is subject to the approval of the Unicom Shareholders in general meeting pursuant to Rule 13.36(1)(a) of the Listing Rules.

The adoption of the Special Purpose Unicom Share Option Scheme by Unicom is subject to the approval of the Unicom Shareholders in general meeting pursuant to Rule 17.02(1)(a) of the Listing Rules.

None of the Unicom Shareholders have a material interest in the Very Substantial Acquisition, the allotment and issue of new Unicom Shares to the Scheme Shareholders and the adoption of the Special Purpose Unicom Share Option Scheme by Unicom. Accordingly, none of the Unicom Shareholders are required to abstain from voting at the Unicom EGM. However, notwithstanding the foregoing, an independent non-executive director of Netcom who holds 6,000 Unicom Shares has undertaken to Netcom that he will abstain from voting at the Unicom EGM.

The resolutions relating to the Very Substantial Acquisition, the allotment and issue of new Unicom Shares to the Scheme Shareholders and the adoption of the Special Purpose Unicom Share Option Scheme will be approved by way of a poll at the Unicom EGM.

8. DISPOSAL OF THE CDMA BUSINESS BY UNICOM

On 2 June 2008, Unicom entered into a framework agreement with CUCL, a wholly-owned subsidiary of Unicom, and China Telecom which sets out the terms and conditions on which CUCL will dispose of its CDMA business together with relevant assets and liabilities to China Telecom. Such disposal will constitute a major transaction for Unicom and is subject to the approval of the Unicom Shareholders. Details of the disposal and the relevant transactions which are proposed to be entered into in connection with the disposal are set out in a separate announcement issued by Unicom dated 2 June 2008. Unicom expects that the disposal of the CDMA business by Unicom will be completed before the Effective Date. The disposal of the CDMA business by Unicom is a separate and independent transaction from the Proposals.

9. RESUMPTION OF TRADING

At the request of Unicom, trading in the Unicom Shares on the Hong Kong Stock Exchange was suspended from 12:26 p.m. on 23 May 2008 (Hong Kong time) and trading in the Unicom ADSs on the New York Stock Exchange was suspended from 9:30 a.m. on 23 May 2008 (New York time). An application has been made by Unicom to the Hong Kong Stock Exchange for the resumption of trading in the Unicom Shares from 9:30 a.m. on 3 June 2008 (Hong Kong time). It is expected that trading in the Unicom ADSs on the New York Stock Exchange will resume on either 2 June 2008, or 3 June 2008.

At the request of Netcom, trading in the Netcom Shares on the Hong Kong Stock Exchange was suspended from 12:26 p.m. on 23 May 2008 (Hong Kong time) and trading in the Netcom ADSs on the New York Stock Exchange was suspended from 9:30 a.m. on 23 May 2008 (New York time). An application has been made by Netcom to the Hong Kong Stock Exchange for the resumption of trading in the Netcom Shares from 9:30 a.m. on 3 June 2008 (Hong Kong time). It is expected that trading in the Netcom ADSs on the New York Stock Exchange will resume on either 2 June 2008 or 3 June 2008.

1. THE PROPOSALS

Introduction

The boards of directors of Unicom and Netcom refer to (1) the Announcement on Deepening the Reform of the Structure of the Telecommunications Sector dated 24 May 2008 jointly issued by the Ministry of Industry and Information, the National Development and Reform Commission and the Ministry of Finance of the PRC which states, among other things, that the PRC government will deepen the reform of the structure of the telecommunications sector, and encourage the formation of three market competitors where each has nationwide network resources, relatively comparable strength and scale, as well as full service operation capabilities, that the allocation of telecommunications resources will be further optimized and the competition structure will be improved, and that three 3G licences will be granted once the contemplated restructuring is completed, and (2) the announcements issued by Unicom and Netcom on 25 May 2008.

The boards of directors of Unicom and Netcom jointly announce that on 2 June 2008, Unicom formally presented the Proposals (as described in the paragraphs headed “1. The Proposals”, “2. Conditions of the Proposals and the Scheme” and “3. Further Terms of the Proposals” in the text of this Announcement) to the board of directors of Netcom and requested the board to put forward the Proposals to the Netcom Shareholders to consider the merger of Unicom and Netcom by way of a scheme of arrangement by Netcom under Section 166 of the Hong Kong Companies Ordinance.

The Proposals involve the cancellation of all Scheme Shares (including (1) the Scheme Shares unconditionally issued or to be issued pursuant to the valid exercise of the outstanding Netcom Options prior to the Scheme Record Time and (2) the Scheme Shares underlying the Netcom ADSs) and all Netcom Options outstanding at the Scheme Record Time.

If approved, the Scheme will be binding on all Netcom Shareholders irrespective of whether they attended or voted at the Court Meeting or the Netcom EGM.

Implementation of the Proposals will be carried out in accordance with Hong Kong laws, the Takeovers Code, US federal securities laws and the requirements of the Hong Kong Stock Exchange and the New York Stock Exchange.

The Share Proposal

Pursuant to the Share Proposal, the Scheme Shares (including the Scheme Shares unconditionally issued or to be issued pursuant to the valid exercise of the outstanding Netcom Options prior to the Scheme Record Time) will be cancelled and, in consideration thereof, each Scheme Shareholder will be entitled to receive:

For every Scheme Share cancelled1.508 new Unicom Shares

Under the Share Proposal, the share capital of Netcom will, on the Effective Date, be reduced by cancelling and extinguishing the Scheme Shares and immediately thereafter, the issued share capital of Netcom will be increased to the amount prior to the cancellation of the Scheme Shares and the reserve created as a result of such cancellation of the Scheme Shares will be applied to pay up in full the issue of the New Netcom Shares to Unicom at par, credited as fully paid.

The exchange ratio of 1.508 Unicom Shares for every Scheme Share cancelled (the “Share Exchange Ratio”) was determined by Unicom on the basis of the closing price of each Netcom Share of HK\$27.05 on the Hong Kong Stock Exchange on the Last Trading Date and a 3% premium, and the closing price of each Unicom Share of HK\$18.48 on the Hong Kong Stock Exchange on the Last Trading Date.

Based on the Share Exchange Ratio and 6,699,197,200 Netcom Shares in issue as at the Last Trading Date (assuming that none of the outstanding Netcom Options are exercised), the maximum number of new Unicom Shares that Unicom will issue is 10,102,389,378. This represents approximately 73.94% of the existing issued share capital of Unicom of 13,662,075,945 Unicom Shares as at the Last Trading Date, and approximately 42.51% of the enlarged issued share capital of Unicom of 23,764,465,323 Unicom Shares immediately following the issue of the new Unicom Shares (assuming that none of the outstanding Unicom Options are exercised) and approximately 42.11% of the enlarged issued share capital of Unicom of 23,993,094,923 Unicom Shares immediately following the issue of the new Unicom Shares (assuming that all of the outstanding Unicom Options are exercised).

Based on the Share Exchange Ratio and 6,825,034,460 Netcom Shares in issue as at the Last Trading Date (assuming that all of the outstanding Netcom Options are exercised), the maximum number of new Unicom Shares that Unicom will issue is 10,292,151,966. This represents approximately 75.33% of the existing issued share capital of Unicom of 13,662,075,945 Unicom Shares as at the Last Trading Date, and approximately 42.97% of the enlarged issued share capital of Unicom of 23,954,227,911 Unicom Shares immediately following the issue of the new Unicom Shares (assuming that none of the outstanding Unicom Options are exercised) and approximately 42.56% of the enlarged issued share capital of Unicom of 24,182,857,511 Unicom Shares immediately following the issue of the new Unicom Shares (assuming that all of the outstanding Unicom Options are exercised).

The ADS Proposal

As the Netcom ADSs are governed by the Netcom ADS Deposit Agreement and not Hong Kong law, implementation of the ADS Proposal will not result in and of itself in the cancellation of the Netcom ADSs. Instead, pursuant to the ADS Proposal, the Scheme Shares underlying the Netcom ADSs will be cancelled along with all other Scheme Shares and, in consideration thereof, each holder of Netcom ADSs will be entitled to receive:

For every Netcom ADS 3.016 new Unicom ADSs

As at the Last ADS Trading Date, there were 7,218,677 Netcom ADSs outstanding. Each Netcom ADS represents 20 Netcom Shares while each Unicom ADS represents 10 Unicom Shares.

The consideration for the ADS Proposal is equivalent to the consideration for the Share Proposal and is calculated using the Share Exchange Ratio and taking into account the number of Netcom Shares which each Netcom ADS represents and the number of Unicom Shares which each Unicom ADS represents.

The Option Proposal

As at the Last Trading Date, there were 125,837,260 Netcom Options outstanding. In the event that any Netcom Option is validly exercised after the date of this Announcement but prior to the Scheme Record Time and new Netcom Shares are issued pursuant to such exercise, such Netcom Shares as at the Scheme Record Time shall constitute Scheme Shares and their holders shall be eligible to receive the consideration under the Share Proposal and their Scheme Shares will be cancelled under the Scheme.

Pursuant to the Option Proposal, Unicom will offer holders of Netcom Options new Special Unicom Options in exchange for the outstanding Netcom Options held by them at the Scheme Record Time (whether vested or not).

The number of new Special Unicom Options which will be granted to each holder of Netcom Options and the exercise price of such new Special Unicom Options will be determined in the manner set out below.

$$\text{Number of new Special Unicom Options} = A \times B$$

$$\text{Exercise price of each new Special Unicom Option} = C/A$$

where:

A is the Share Exchange Ratio;

B is the number of outstanding Netcom Options held by the relevant holder of Netcom Options at the Scheme Record Time; and

C is the exercise price of the outstanding Netcom Options held by the relevant holder of Netcom Options at the Scheme Record Time.

The above formula ensures that the value of the new Special Unicom Options received by a holder of Netcom Options is equivalent to the “see-through” price of that holder’s outstanding Netcom Options (that is, the value determined by deducting the exercise price of the relevant Netcom Option from the value of HK\$27.87, being the closing price of each Netcom Share of HK\$27.05 on the Hong Kong Stock Exchange on the Last Trading Date and a 3% premium, for each Scheme Share pursuant to the Share Proposal) (the “See-Through Price”).

The new Special Unicom Options will be granted by Unicom pursuant to the Special Purpose Unicom Share Option Scheme which is proposed to be adopted by Unicom at the Unicom EGM. The terms of the Special Purpose Unicom Share Option Scheme will be identical to the Netcom Share Option Scheme, except that:

- (a) the exercise price of the new Special Unicom Options granted will be such price which will result in the value of the new Special Unicom Options received by the holders of the outstanding Netcom Options being equivalent to the See-Through Price; and
- (b) other than the new Special Unicom Options to be granted pursuant to the Option Proposal, no further new Special Unicom Options will be granted under the Special Purpose Unicom Share Option Scheme.

Unicom has applied to the Hong Kong Stock Exchange for a waiver from strict compliance with the requirement of Rule 17.03(9) of the Listing Rules so that the exercise price of the new Special Unicom Options granted under the Special Purpose Unicom Share Option Scheme is such price as described above instead of a price determined by reference to the closing price or the five day average closing price of the Unicom Shares prior to the date of grant of the new Special Unicom Options as required by Rule 17.03(9) of the Listing Rules. The reasons for the waiver application are that the Option Proposal would ensure that the holders of Netcom Options will receive a consideration for their outstanding Netcom Options which is comparable to the consideration which the Scheme Shareholders will receive for the Scheme Shares, the Option Proposal is a unique case and strict compliance with the requirement of Rule 17.03(9) of the Listing Rules would be unfair and impractical and the Option Proposal would also ensure that the holders of Netcom Options are incentivised to remain in the employment of the enlarged group following the completion of the Scheme.

Save for the waiver from strict compliance with the requirement of Rule 17.03(9) of the Listing Rules, the Special Purpose Unicom Share Option Scheme will be in compliance with the requirements of Chapter 17 of the Listing Rules. Further details of the Special Purpose Unicom Share Option Scheme will be included in the circular to be despatched to the Unicom Shareholders.

Other than the Netcom Shares, the Netcom ADSs and the Netcom Options, there are no other options, derivatives, warrants or other securities convertible or exchangeable into Netcom Shares.

Unicom may also seek to cause Netcom to terminate the Netcom ADS Deposit Agreement. If the Scheme becomes effective, Unicom intends to cause Netcom to file a Form 15 with the SEC to request that Netcom’s reporting obligations under the US Securities Exchange Act be terminated or suspended, because the effectiveness of the Scheme will cause the number of holders of Netcom Shares in the United States to fall below 300.

The Netcom Shareholders and the holders of the Netcom ADSs will be notified by way of a press announcement of the proposed withdrawal of listing and the exact dates of the last day for dealing in the Netcom Shares and the Netcom ADSs and on which dates the Scheme and the withdrawal of the listing of the Netcom Shares on the Hong Kong Stock Exchange and the delisting of the Netcom ADSs from the New York Stock Exchange will become effective.

6. POSSIBLE CONCERT PARTY AGREEMENT

Each of Unicom and Netcom has been informed by Unicom BVI and Netcom BVI, respectively, that they are not and have never been parties acting in concert with each other or with or in respect of either Unicom or Netcom. Each of Unicom and Netcom has further been informed that Unicom BVI and Netcom BVI intend to enter into the Concert Party Agreement upon or shortly after the last to occur of (i) the Proposals and the issue of new Unicom Shares being duly approved by the requisite majority of the Unicom Shareholders at the EGM, (ii) the Scheme being duly approved by the requisite majority of the Disinterested Netcom Shareholders at the Court Meeting and (iii) the special resolutions being duly passed with the requisite majority of the Netcom Shareholders at the Netcom EGM. Pursuant to the Concert Party Agreement, Unicom BVI and Netcom BVI will agree to cooperate actively to obtain or consolidate control of Unicom following the completion of the Scheme. Thus, Unicom BVI and Netcom BVI will become parties acting in concert in respect of Unicom following the completion of the Scheme. In addition, following the completion of the Scheme, Unicom BVI and Netcom BVI will also be presumed to be acting in concert with each other in respect of Unicom pursuant to class (1) of the definition of “acting in concert” in the Takeovers Code.

On 26 May 2008, the State-owned Assets Supervision and Administration Commission notified each of Unicom Parent and Netcom Parent, the respective ultimate parent companies of Unicom and Netcom, that, among other things, it may, depending on the outcome of any proposed merger of Unicom and Netcom, consider a merger of Unicom Parent and Netcom Parent. Each of Unicom Parent and Netcom Parent has confirmed to Unicom and Netcom, respectively, that it has not received any notice or other indication and that it is not otherwise aware of the timing or any term of or condition to such merger. On this basis, any merger of Unicom Parent and Netcom Parent will not result in any change of control of Unicom or Netcom and will not give rise to any implication under Rule 26 of the Takeovers Code.

7. REASONS FOR AND BENEFITS OF THE PROPOSALS

The management teams of Unicom and Netcom believe that the proposed merger represents an important transaction for both companies, following the industry trend of convergence between fixed lines and wireless businesses within China, allowing the two companies to leverage on increased economies of scale, reinforce their market position of the enlarged group, improve their overall competitiveness and lay the foundation for sustainable long-term growth. It is anticipated that through effective integration, synergies will occur in six key areas.

- (1) Clear strategic positioning

The proposed merger, the potential disposal of the CDMA business, and the expected issuance of 3G licences to be issued by the PRC government is expected to optimise the enlarged group’s business structure, allowing it to provide a full spectrum and multi-tiered suite of wireless, fixed, broadband and data value adding services to its subscribers. In the wireless sector, the

enlarged group intends to focus on GSM businesses and promptly establish a leading edge over competitors based on 3G technologies. Furthermore, the enlarged group intend to build up a market leading professional service system, laying the foundation for its long-term growth potential.

(2) Improved market position

The proposed merger is expected to result in the creation of a significantly larger business in terms of total assets, revenue and subscriber base, with enhanced scope for future financial strength and profitability. The anticipated overall strengthening of the enlarged group should help to consolidate and elevate the competitive position and market influence of the enlarged group in the Chinese telecommunications market.

(3) Combining resources and strengths to achieve economies of scale and larger scope

Sales channels: By integrating the leading sales channels of Unicom and Netcom in their respective sectors, the enlarged group plans to establish a single national network of sales, distribution and service, particularly in China's ten Northern provinces. The management plans to further rationalise the network structure and enhance operation efficiency going forward.

Subscriber base: The combination of Netcom's strength in fixed line and broadband services with Unicom's strength in wireless business is expected to result in a wider customer base through sharing customer resources and focusing on customer retention. In particular, Netcom's strength among corporate and business customers can be leveraged to offer integrated full- service products.

Network coverage: The combination of the networks of both companies is expected to improve network capacity and transmission quality and to result in improved utilisation of current network and hardware resources.

Marketing: The enlarged group is expected to be better able to tailor its marketing programs and to cross-sell and bundle its services and products to different subscribers, improving customer loyalty. Meanwhile, the economies of scale offered by the integrated sales and marketing capacity should allow the enlarged group to reduce churn and enhance efficiency.

(4) Technological and product innovation to suit the ever-changing market trends

By leveraging the technological expertise of Unicom and Netcom in their respective sectors, their combined business is expected to operate on a single research and development platform which allows for development of telecommunication services and products integrating the wireless, fixed lines, broadband and internet technologies. This should enable the enlarged group to focus its resources on its key business development areas and thus enhance the overall group's competency.

Fixed mobile convergence (FMC): The proposed merger is expected to facilitate integration of fixed line telecommunications products, mobile telecommunications products, terminals, network and technologies.

Effective coverage services: It is expected that the enlarged group will be able to provide effective coverage services by leveraging a combination of indoor WiFi/broadband capabilities alongside existing and anticipated outdoor coverage services (GSM/GPRS/3G), thereby enhancing the development of fixed lines and mobile broadband business.

Bundled “all-in-one” services: The enlarged group is expected to be better able to offer one- stop services for corporate and business customers, as well as broadband and multimedia communication services for family and personal customers.

Value-added services: The enlarged group is expected to be better able to broaden the scope of value-added services and realise resource sharing among different channels and terminals. It is anticipated that the overall value-added services business will be strengthened through better utilisation of the network resources and development of the business potential.

(5) Enhanced human capital and organisational structure

The combined professional experience of both companies in mobile telecommunications and fixed line telecommunications is expected to create a pool of experienced and highly skilled professionals covering the full range of business lines. Moreover, integration of the various businesses and sharing of management expertise is expected to improve operating efficiency.

(6) Optimising capital structure and enhanced financial capabilities

The proposed merger of the two companies and the sale of the CDMA business is expected to enhance the enlarged group’s ability to optimise its capital structure through adjusting leverage. Furthermore, it is anticipated that the sharing of resources will contribute to reduce overall capital expenditures and operating expenditures, which is expected to increase financial resources and financing abilities available for the further development of the core businesses.

The directors of Unicom believe that the terms of the Proposals are fair and reasonable and in the interests of the Unicom Shareholders as a whole.

The Netcom IBC, which comprises all the independent non-executive directors of Netcom, has been appointed to advise the Disinterested Netcom Shareholders and the holders of Netcom ADSs and Netcom Options in respect of the Proposals. The Netcom IBC is yet to opine on the Proposals. The views and recommendations of the Netcom IBC in respect of the Proposals will be set out in the Scheme Document to be despatched to the Netcom Shareholders and the holders of Netcom ADSs and Netcom Options.

10. POSSIBLE VERY SUBSTANTIAL ACQUISITION, ALLOTMENT OF NEW UNICOM SHARES AND ADOPTION OF SPECIAL PURPOSE UNICOM SHARE OPTION SCHEME

The implementation of the Proposals will result in Netcom becoming a wholly-owned subsidiary of Unicom and as the highest of the percentage ratios set out in Rule 14.07 of the Listing Rules in respect of the implementation of the Proposals is more than 100%, the Proposals will constitute a possible very substantial acquisition for Unicom under the Listing Rules. The Proposals are therefore conditional upon the approval of the Unicom Shareholders in general meeting.

The allotment and issue of new Unicom Shares to the Scheme Shareholders pursuant to the Share Proposal and to the Unicom Depositary pursuant to the ADS Proposal is subject to the approval of the Unicom Shareholders in general meeting pursuant to Rule 13.36(1)(a) of the Listing Rules.

The adoption of the Special Purpose Unicom Share Option Scheme by Unicom is subject to the approval of the Unicom Shareholders in general meeting pursuant to Rule 17.02(1)(a) of the Listing Rules.

None of the Unicom Shareholders have a material interest in the Very Substantial Acquisition, the allotment and issue of new Unicom Shares to the Scheme Shareholders and the adoption of the Special Purpose Unicom Share Option Scheme by Unicom. Accordingly, none of the Unicom Shareholders are required to abstain from voting at the Unicom EGM. However, notwithstanding the foregoing, an independent non-executive director of Netcom who holds 6,000 Unicom Shares has undertaken to Netcom that he will abstain from voting at the Unicom EGM.

The resolutions relating to the Very Substantial Acquisition, the allotment and issue of new Unicom Shares to the Scheme Shareholders and the adoption of the Special Purpose Unicom Share Option Scheme will be approved by way of a poll at the Unicom EGM.

To the best of the knowledge, information and belief of the directors of Unicom, having made all reasonable enquiries, Netcom and its substantial shareholders are third parties independent of Unicom and its connected persons.

To the best of the knowledge, information and belief of the directors of Unicom, having made reasonable enquiries, none of the Netcom Shareholders are connected persons of Unicom and accordingly, the Proposals do not constitute a connected transaction for Unicom.

11. NETCOM IBC AND NETCOM IFA

The board of directors of Netcom has established the Netcom IBC, comprising all of the independent non-executive directors of Netcom, being Mr. Timpson Chung Shui Ming, Mr. John Lawson Thornton, Dr. Qian Yingyi and Mr. Hou Ziqiang, to advise the Disinterested Netcom Shareholders and the holders of Netcom ADSs and Netcom Options as to (a) whether the Proposals are, or are not, fair and reasonable and (b) whether to vote in favour of the Scheme at the Court Meeting and the Netcom EGM.

An independent non-executive director of Netcom holds 6,000 Unicom Shares and he has undertaken to Netcom that he will abstain from voting at the Unicom EGM. As such interest is de minimis, such independent non-executive director of Netcom is not considered to have an interest in the Proposals. None of the members of the Netcom IBC has any direct or indirect interest in the Proposals.

The Netcom IBC has appointed Rothschild as the independent financial adviser to the Netcom IBC in respect of the Proposals. The Netcom IBC is evaluating the Proposals and the views and recommendations of the Netcom IBC in respect of the Proposals will be set out in the Scheme Document to be despatched to the Netcom Shareholders and holders of Netcom ADSs and Netcom Options.

12. SCHEME DOCUMENT

The Scheme Document containing, among other things, details of the Proposals and the Scheme, the expected timetable, an explanatory statement, the recommendations of the Netcom IBC in respect of the Proposals, the letter of advice from the Netcom IFA to the Netcom IBC and notices of the Court Meeting and the Netcom EGM and proxy forms will be despatched to the Netcom Shareholders and holders of Netcom ADSs and Netcom Options as soon as practicable and in compliance with the requirements of the Takeovers Code.

13. INFORMATION FOR HOLDERS OF NETCOM ADS

As holders of Netcom ADSs are not holders of record of Scheme Shares, they do not have the right to vote at the Court Meeting or the Netcom EGM, but may instruct the Netcom Depositary to vote the Scheme Shares underlying their Netcom ADSs in accordance with the terms of the Netcom ADS Deposit Agreement. Holders of Netcom ADSs who wish to participate at the Court Meeting or the Netcom EGM, or to participate at the hearing of the High Court, would need to surrender their Netcom ADSs to the Netcom Depositary for withdrawal of Scheme Shares underlying such Netcom ADSs in accordance with the terms of the Netcom ADS Deposit Agreement prior to the relevant dates that will be set forth in the Scheme Document. Netcom will make arrangements with the Netcom Depositary to ensure that the Netcom Depositary will provide holders of Netcom ADSs with the Scheme Document and other relevant materials. Pursuant to the ADS Proposal, all holders of Netcom ADSs will receive new Unicom ADSs rather than new Unicom Shares. As will be described in detail in the Scheme Document, any holder of Netcom ADSs who would prefer to receive new Unicom Shares rather than new Unicom ADSs, would need to surrender their Netcom ADSs to the Netcom Depositary for withdrawal of Scheme Shares underlying such Netcom ADSs in accordance with the terms of the Netcom ADS Deposit Agreement such as to become holders of Scheme Shares not later than the Scheme Record Time. Holders of Netcom ADSs seeking to become holders of Scheme Shares are likely to incur cancellation fees and may incur taxes and other charges in connection with the surrender and withdrawal of Netcom ADSs. Holders of Netcom ADSs should refer to the Netcom ADS Deposit Agreement for a complete description of their rights. Moreover, the Scheme Document will contain important information for Netcom ADS holders.

In accordance with Rule 3.8 of the Takeovers Code, reproduced below is the full text of Note 11 to Rule 22 of the Takeovers Code:

“Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates and other persons under Rule 22 and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant Rules. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7 day period is less than HK\$1 million. This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved. Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”
