Item 5.03. Amendments to Article of Incorporation or Bylaws; Change in Fiscal Year.

On March 21, 2012, the board of directors of Guided Therapeutics, Inc. (the “Company”) adopted four amendments to the Company’s bylaws.

First, the board amended section 2.3 of the bylaws, to provide that special meetings of the Company’s stockholders may only be called by the chairman of the board, the president, or a majority of the board of directors. Stockholders no longer have the ability to call a special stockholders’ meeting.

Second, the board amended section 2.9 of the bylaws, to bring the bylaws into conformity with the Company’s restated certificate of incorporation, which prohibits cumulative voting for directors.

Third, the board amended section 3.2 of the bylaws, to provide that the board of directors has the power to set the exact size of the board, by resolution adopted by the board from time to time. Stockholders no longer have the ability to change the size of the board.

Finally, the board amended article IX of the bylaws, to provide that shareholders can amend the bylaws only by the affirmative vote of at least two-thirds, as opposed to a majority, of the outstanding voting power of the Company’s capital stock entitled to vote in the election of directors.

The above descriptions of the amendments to the Bylaws are qualified in their entirety by reference to the Company’s Amended and Restated Bylaws, a copy of which is attached as Exhibit 3.2 to this current report and which is incorporated herein by reference.
