Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

(a) On December 6, 2007, the Board of Directors of American Ecology Corporation (the “Company”) approved amendments to Article V of the Company’s Amended and Restated Bylaws (the “Bylaws”) to permit the issuance and transfer of uncertificated shares of the Company’s common stock.

The ability to issue uncertificated shares allows the Company to participate in the Direct Registration System, which is currently administered by the Depository Trust Company. The Direct Registration System allows investors to have securities registered in their names without the issuance of physical certificates and allows investors to electronically transfer securities to broker dealers in order to effect transactions without the risk and delays associated with transferring physical certificates. The Bylaws continue to provide, however, that each registered stockholder shall be entitled to receive a stock certificate upon written request.

The full text of the Bylaws, as amended, is filed as Exhibit 3.1 to this Report, and amended Sections 1 and 4 of Article V of the Bylaws are incorporated herein by reference.
