PROXY STATEMENT

QCR Holdings, Inc., a Delaware corporation, is the holding company for Quad City Bank and Trust Company, Cedar Rapids Bank and Trust Company, and Rockford Bank and Trust Company. Quad City Bank & Trust is an Iowa banking association located in Bettendorf, Iowa, with banking locations in Bettendorf and Davenport, Iowa and in Moline, Illinois. Quad City Bank & Trust owns 80% of the equity interests of m2 Lease Funds, LLC, a Wisconsin limited liability company based in Milwaukee that is engaged in the business of leasing machinery and equipment to businesses under direct financing lease contracts. Cedar Rapids Bank & Trust is also an Iowa banking association located in Cedar Rapids, Iowa. Rockford Bank & Trust is an Illinois state bank located in Rockford, Illinois. On December 31, 2008, QCR Holdings sold its Wisconsin-chartered bank, First Wisconsin Bank and Trust Company. Quad City Bancard, Inc., a wholly owned subsidiary of QCR Holdings, provides credit card issuing services. QCR Holdings also owns all of the common stock of five business trust subsidiaries that were created to issue trust preferred securities. When we refer to our banking subsidiaries in this proxy statement, we are collectively referring to Quad City Bank & Trust, Cedar Rapids Bank & Trust, and Rockford Bank & Trust. When we refer to our subsidiaries in this proxy statement, we are collectively referring to our banking subsidiaries, as well as Quad City Bancard and the business trusts.

This proxy statement is furnished in connection with the solicitation by the board of directors of QCR Holdings of proxies to be voted at the annual meeting of stockholders to be held at the i wireless Center, 1201 River Drive, Moline, Illinois, on May 6, 2009, at 10:00 a.m., local time, and at any adjournments or postponements of the meeting. We have enclosed our 2008 annual report, which includes consolidated financial statements of QCR Holdings and our subsidiaries. This proxy statement and related materials are first being mailed to stockholders of QCR Holdings on or about March 25, 2009.

The following is information regarding the meeting and the voting process, and is presented in a question and answer format.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because on March 11, 2009, the record date for the annual meeting, you owned shares of QCR Holdings common stock. This proxy statement describes the matters that will be presented for consideration by the stockholders at the annual meeting. It also gives you information concerning those matters to assist you in making an informed decision.

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the card, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

What matters will be voted on at the meeting?

You are being asked to vote on the election of four Class I directors for a term expiring in 2012 and on a non-binding, advisory proposal on the compensation of certain executive officers. These matters are more fully described in this proxy statement.

If I am the record holder of my shares, how do I vote?

You may vote by mail, by telephone, by internet or in person at the meeting. To vote by mail, complete and sign the enclosed proxy card and mail it in the enclosed pre-addressed envelope. No postage is required if mailed in the United States. If you mark your proxy card to indicate how you want your shares voted, your shares will be voted as you instruct.

If you sign and return your proxy card but do not mark the card to provide voting instructions, the shares represented by your proxy card will be voted for all nominees named in this proxy statement and for the non-binding, advisory proposal on compensation of certain executive officers.

Although you may vote by mail, we ask that you vote instead by internet or telephone, which saves us postage and processing costs. You may vote by telephone by calling the toll-free number specified on your proxy card or by accessing the internet website specified on your proxy card and by following the preprinted instructions on the proxy card. If you submit your vote by internet, you may incur costs, such as cable, telephone and internet access charges. Votes submitted by telephone or internet must be received by midnight CDT on Monday, May 4, 2009. The giving of a proxy by either of these means will not affect your right to vote in person if you decide to attend the meeting.

If you want to vote in person, please come to the meeting. We will distribute written ballots to anyone who wants to vote at the meeting. Please note, however, that if your shares are held in the name of a broker or other fiduciary (or in what is usually referred to as street name), you will need to arrange to obtain a legal proxy from that person or entity in order to vote in person at the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If I hold shares in the name of a broker or fiduciary, who votes my shares?

If you received this proxy statement from your broker or other fiduciary, your broker or fiduciary should have given you instructions for directing how that person or entity should vote your shares. It will then be your broker or fiduciary's responsibility to vote your shares for you in the manner you direct. Please complete, execute and return the proxy card in the envelope provided by your broker.

Under the rules of various national and regional securities exchanges, brokers generally may vote on routine matters, such as the election of directors, but may not vote on non-routine matters, such as an amendment to the certificate of incorporation or the adoption or amendment of a stock incentive plan, unless they have received voting instructions from the person for whom they are holding shares. If there is a non-routine matter presented to stockholders at a meeting and your broker or fiduciary does not receive instructions from you on how to vote on that matter, your broker or fiduciary will return the proxy card to us, indicating that he or she does not have the authority to vote on that matter. This is generally referred to as a broker non-vote and may affect the outcome of the voting on those matters. The election of directors should be within your broker's discretion to vote in the absence of instructions from you. However, we encourage you to provide directions to your broker as to how you want your shares voted on all matters to be brought before the 2009 annual meeting. You should do this by carefully following the instructions your broker gives you concerning its procedures. This ensures that your shares will be voted at the meeting.

A number of banks and brokerage firms participate in a program that also permits stockholders to direct their vote by telephone or internet. If your shares are held in an account at such a bank or brokerage firm, you may vote your shares by telephone or internet by following the instructions on their enclosed voting form. If you submit your vote by internet, you may incur costs, such as cable, telephone and internet access charges. Voting your shares in this manner will not affect your right to vote in person if you decide to attend the meeting, however, you must first request a legal proxy either on the internet or the enclosed proxy card. Requesting a legal proxy prior to the deadline stated above will automatically cancel any voting directions you have previously given by internet or by telephone with respect to your shares.

What does it mean if I receive more than one proxy card?

It means that you have multiple holdings reflected in our stock transfer records and/or in accounts with brokers. Please sign and return ALL proxy forms to ensure that all your shares are voted. If you received more than one proxy card but only one copy of the proxy statement and annual and transitional reports, you may request additional copies from us at any time.

What if I change my mind after I return my proxy?

If you hold your shares in your own name, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

- signing another proxy with a later date and returning that proxy to us;
- timely submitting another proxy via the telephone or internet;
- sending notice to us that you are revoking your proxy; or
- voting in person at the meeting.

If you hold your shares in the name of your broker or through a fiduciary and desire to revoke your proxy, you will need to contact that person or entity to revoke your proxy.

How many votes do we need to hold the annual meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the meeting in order to hold the meeting and conduct business.

Shares are counted as present at the meeting if the stockholder either:

- is present in person at the meeting; or
- has properly submitted a signed proxy card or other proxy.

On March 11, 2009, the record date, there were 4,531,366 shares of common stock outstanding. Therefore, at least 2,265,684 shares need to be present in person or by proxy at the annual meeting in order to hold the meeting and conduct business.

What happens if a nominee is unable to stand for election?

The board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. Proxies cannot be voted for more than the number of nominees presented for election at the meeting. The board has no reason to believe any nominee will be unable to stand for election.

What options do I have in voting on each of the proposals?

You may vote for or withhold authority to vote for each nominee for director. You may vote for, against or abstain on the non-binding, advisory proposal on compensation and on any other proposal that may properly be brought before the meeting.

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date. The proxy card included with this proxy statement indicates the number of shares owned by an account attributable to you.

How many votes are needed for each proposal?

Our directors are elected by a plurality and the four individuals receiving the highest number of votes cast for their election will be elected as Class I directors of QCR Holdings. Broker non-votes and abstentions will not be counted in tabulating the vote on the election of directors, but will count for purposes of determining whether or not a quorum is present on the matter.

Approval of the executive compensation and the approval of all other proposals must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote. Broker non-votes and abstentions will not be counted in tabulating the vote on such proposals, but will count for purposes of determining whether or not a quorum is present on the matter.

Because the vote on the resolution regarding executive compensation is advisory, it will not be binding upon the Board of Directors

Where do I find the voting results of the meeting?

If available, we will announce voting results at the meeting. The voting results will also be disclosed in our Form 10-Q for the quarter ending June 30, 2009.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies. In addition to solicitations by mail, officers, directors or employees of QCR Holdings or of our subsidiaries may solicit proxies in person or by telephone. These persons will not receive any special or additional compensation for soliciting proxies. We may reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

ELECTION OF DIRECTORS

Our directors are divided into three classes having staggered terms of three years. Stockholders will be entitled to elect four Class I directors for a term expiring in 2012. Michael A. Bauer, a director since 1993, previously announced that due to his retirement as Vice Chairman of QCR Holdings and Quad City Bank & Trust, he would not seek reelection for an additional term as a director of QCR Holdings. As a result, his directorship will end at the 2009 annual meeting of stockholders. The board expresses its thanks to Mr. Bauer for his many years of dedicated service. The board has considered and nominated two new individuals to the board, Donna J. Sorensen, a current director of Cedar Rapids Bank & Trust, and Todd A. Gipple to serve as new Class I directors of QCR Holdings. The board has also nominated current directors James J. Brownson and John A. Rife to serve as Class I directors.

We have no knowledge that any of the nominees will refuse or be unable to serve, but if any of the nominees becomes unavailable for election, the holders of the proxies reserve the right to substitute another person of their choice as a nominee when voting at the meeting. Set forth below is information concerning the nominees for election and for each of the other persons whose terms of office will continue after the meeting, including age, year first elected a director and business experience during the previous five years.

Directors are elected by a plurality and the four individuals receiving the highest number of votes cast for their election will be elected as Class I directors. **Our board of directors unanimously recommends that stockholders vote FOR all of the nominees for directors.**

General. Generally, the board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the board does not involve itself in the day-to-day operations of QCR Holdings, which is monitored by our executive officers and management. Our directors fulfill their duties and responsibilities by attending regular meetings of the full board, which are held no less frequently than quarterly. Additionally, the Executive Committee, which is comprised of directors who are deemed to be independent pursuant to the listing requirements of the Nasdaq Stock Market, LLC, also meets at least quarterly and has the authority to carry out many of the oversight functions of the full board. Our directors also discuss business and other matters with Mr. Hultquist, our Chief Executive Officer, other key executives and our principal external advisers (legal counsel, auditors and other consultants). In 2008, the board was comprised of eleven directors. With the retirement of Mr. Bauer, the Executive Committee evaluated potential nominees as Class I directors, and on the basis of such evaluation, determined that it was appropriate to nominate Ms. Sorensen and Mr. Gipple to the board. Therefore the size of the board will be increased from eleven to twelve members immediately prior to the annual meeting.

Incumbent directors Brownson, Kilmer, Lawson, Peters, Peterson, Rife, Whitcher and Ziegler are deemed to be independent as that term is defined by Nasdaq. Additionally, Ms. Sorensen, who has been nominated by the board to serve as a Class I director, will also satisfy the independence standards of Nasdaq. Retiring director Bauer, continuing directors Helling and Hultquist and nominee Gipple are not considered to be independent because they also serve as executive officers of either QCR Holdings or one of our subsidiaries. In 2008, the board of directors had an Audit Committee, an Executive Committee, a Compensation and Benefits Committee and a Technology Committee. The Executive Committee has served as the primary committee of independent directors and carried out the nominating and corporate governance functions, as well as establishing the compensation programs for our executive officers. Following the annual meeting, the board is expected to create a separate Nominating and Corporate Governance Committee, as well as updating the responsibilities of the Compensation and Benefits Committee to assume many of these roles from the Executive Committee. The current charters of the Audit and the Executive Committee are available on our website at www.qcrh.com, as well as on our banking subsidiaries' websites at www.qcibt.com, www.crbt.com and www.rkfdbank.com. Also posted on the websites is general information regarding QCR Holdings and our common stock, many of our corporate policies, and links to our filings with the Securities and Exchange Commission.

A total of seven regularly scheduled and special meetings were held by the board of directors of QCR Holdings in 2008. In 2008, all directors attended at least 75 percent of the meetings of the board and the committees on which they served during the period they served on the board. Although we do not have a formal policy regarding director attendance at the annual meeting, we encourage our directors to attend. Last year, all but two of the directors were present at the annual meeting.

Audit Committee. The Audit Committee consists of directors Brownson, Kilmer, Lawson and Ziegler. Each of the members is considered independent according to the Nasdaq listing requirements and the regulations of the Securities and Exchange Commission. The board of directors has determined that Ms. Ziegler qualifies as an Audit Committee Financial Expert as that term is defined by the regulations of the Securities and Exchange Commission. The board based this decision on Ms. Ziegler's educational and professional experience, including her current service as Vice President, Investor Relations of Deere & Company.

The functions performed by the Audit Committee include, but are not limited to, the following:

- selecting our independent auditors and pre-approving all engagements and fee arrangements;

- reviewing the independence of the independent auditors;

- reviewing actions by management on recommendations of the independent auditors and internal auditors;

- meeting with management, the internal auditors and the independent auditors to review the effectiveness of our system of internal control and internal audit procedures;

- reviewing our earnings releases and reports filed with the Securities and Exchange Commission; and

- reviewing reports of bank regulatory agencies and monitoring management's compliance with recommendations contained in those reports.

To promote independence of the audit function, the Audit Committee consults separately and jointly with the independent auditors, the internal auditors and management. The Audit Committee has adopted a written charter, which sets forth the committee's duties and responsibilities. Our current charter is available on our website at www.qcrh.com, as well as on our banking subsidiaries' websites at www.qcibt.com, www.cribt.com and www.rkfdbank.com. The Audit Committee met four times in 2008.

Executive Committee. The Executive Committee consists of directors Brownson, Kilmer, Lawson, Peters, Peterson, Rife, Witcher and Ziegler. Each of these directors is considered to be: independent according to the Nasdaq listing requirements, outside as discussed under Section 162(m) of the Internal Revenue Code of 1986, and a non-employee pursuant to Section 16 of the Securities Exchange Act of 1934. Mr. Brownson serves as Chairman of the Executive Committee. The committee is charged with overseeing our corporate governance programs, board policies, committee structure and membership, reviewing and recommending the nominees for election to the board of directors, and reviewing and establishing the salaries and compensation of our executive officers. In carrying out the nominating function, the committee is charged with identifying and nominating individuals to be presented to our stockholders for election or re-election to the board of directors. The committee is further charged with the responsibility of working with management to maintain a company-wide succession plan to ensure the success of leadership succession at QCR Holdings and our subsidiaries. The committee also reviews and monitors our policies, procedures and structure as they relate to corporate governance. The committee's responsibilities and functions are further described in its charter, which is available on our website at www.qcrh.com, as well as our banking subsidiaries' websites at www.qcibt.com, www.cribt.com and www.rkfdbank.com. The Executive Committee met five times during 2008.

As previously described, it is expected that following the annual meeting the Board will establish a Nominating and Corporate Governance Committee. Additionally, the existing Compensation and Benefits Committee and the new Nominating and Corporate Governance Committee will assume many of the Executive Committee's current roles.

Director Nominations and Qualifications. In carrying out its nominating function, the Executive Committee historically has evaluated all potential nominees for election, including incumbent directors, board nominees and those stockholder nominees included in the proxy statement, in the same manner. Generally, the committee believes that directors should possess certain qualities, including the highest personal and professional ethics and integrity, a sufficient educational and professional background, demonstrated leadership skills, sound judgment, a strong sense of service to the communities which we serve and an ability to meet the standards and duties set forth in our code of business conduct and ethics. The committee also evaluates potential nominees to determine if they have any conflicts of interest that may interfere with their ability to serve as effective board members, to determine if they meet QCR Holdings' age eligibility requirements (a person who has reached age 72 before the date of the annual meeting is not eligible for election to the board) and to determine whether they are independent in accordance with Nasdaq requirements (to ensure that at least a majority of the directors will, at all times, be independent). The committee has not, in the past, retained any third party to assist it in identifying candidates, but it has the authority to retain a third party firm or professional for the purpose of identifying candidates.

The committee determined that the number of directors should be expanded in 2009, due to the continued significant growth of QCR Holdings and the resultant need for additional board and board committee resources. As a result, the committee, in its role of recommending nominees for board membership, considered several candidates to serve as Class I directors. The committee considered candidates from the existing boards of directors of QCR Holdings subsidiaries, as well as individuals from outside of QCR Holdings. The recommendations were made by the directors based on their professional and personal associations with such candidates. Utilizing the qualification criteria described above, and considering the experience, credentials and skills of the list of potential candidates, the committee determined that Ms. Donna Sorensen, a current director of Cedar Rapids Bank & Trust and Mr. Todd Gipple, a current director of each of QCR Holdings' subsidiaries should be nominated as Class I directors, along with Messrs. Brownson and Rife, incumbent directors. The Board did not receive any stockholder nominations for directors for the 2009 annual meeting.

Independent Director Sessions. Consistent with the Nasdaq listing requirements, the independent directors regularly have the opportunity to meet without Messrs. Bauer, Helling or Hultquist in attendance. Mr. Brownson, the Chairman of the Board, who is independent, presides over these sessions.

Compensation and Benefits Committee. The Compensation and Benefits Committee consists of directors Bauer, Helling, Hultquist, Lawson and Whitcher, as well as Todd A. Gipple, Executive Vice President, Chief Operating Officer & Chief Financial Officer of QCR Holdings, James A. Tinker, director of Cedar Rapids Bank & Trust and John H. Harris, director of Quad City Bank & Trust. The Compensation and Benefits Committee has authority to perform policy reviews and to oversee and direct the compensation and personnel functions of the employees, with the exception of our executive officers, which has been performed by the Executive Committee in 2008 and prior years. As previously discussed, beginning after the annual meeting, the Compensation and Benefits Committee will oversee and direct the compensation and personnel functions of all employees. Mr. Lawson served as Chairman of the committee until May 2008 when Mr. Whitcher became Chairman of the committee. The Committee met three times during 2008.

Technology Committee. In 2008, the Technology Committee consisted of directors Bauer, Helling, Hultquist and Peters as well as Todd A. Gipple, Executive Vice President, Chief Operating Officer & Chief Financial Officer of QCR Holdings, Monica B. Glenny, director of Rockford Bank & Trust, Ann M. Lipsky, director of Cedar Rapids Bank & Trust and John H. Harris director of Quad City Bank & Trust. The Technology Committee reviews the technology needs and strategic plans of QCR Holdings and our subsidiaries. Mr. Harris serves as Chairman of the committee, which met three times during 2008. Beginning after the annual meeting, the Technology Committee will be restructured into the Strategic Direction Committee. It is expected the new committee will consist of directors Brownson, Helling, Hultquist, Kilmer, Lawson, and Witcher, as well as Nominees Todd A. Gipple and Donna J. Sorensen and John H. Harris, director of Quad City Bank & Trust. Mr. Lawson will serve as Chairman of the Committee. The Strategic Direction Committee will have the authority to perform policy reviews and to oversee and direct the strategic planning process, including QCR Holdings' Information Technology strategy.

Code of Business Conduct and Ethics. We have a code of business conduct and ethics in place that applies to all of our directors and employees. The code sets forth the standard of ethics that we expect all of our directors and employees to follow, including our Chief Executive Officer and Chief Financial Officer. The code is posted on our website at www.qcrh.com, as well as on our banking subsidiaries' websites at www.qcvt.com, www.crvt.com and www.rkfdbank.com. We have satisfied and intend to continue to satisfy the disclosure requirements under Item 5.05 of Form 8-K regarding any amendment to or waiver of the code with respect to our Chief Executive Officer and Chief Financial Officer, and persons performing similar functions, by posting such information on our websites.

EXECUTIVE COMPENSATION

QCR Holdings maintains a comprehensive compensation program. The compensation program is designed to attract and retain key employees, motivate the key employees to achieve and to reward key employees for superior performance. The overall design of the compensation programs strives to balance short and long-term performance goals, with the ultimate goal being the increase of stockholder value over the long term. With respect to the individuals named in the Summary Compensation Table, the compensation program includes: salary, annual cash incentive bonus, long-term incentive compensation (which is delivered primarily through equity awards) and other benefits and perquisites. The compensation program has been administered by the Executive Committee of QCR Holdings' board of directors.

On February 13, 2009, QCR Holdings accepted capital from the U.S. Department of the Treasury and became a participant in the Treasury Capital Purchase Program implemented as a component of the Troubled Asset Relief Program. As a participant, QCR Holdings is subject to certain executive compensation restrictions established under the American Recovery and Reinvestment Act of 2009 (the Stimulus Bill), which was enacted on February 17, 2009. The rules and procedures for applying, and complying with, the executive compensation restrictions are being developed by the Treasury, U.S. Securities and Exchange Commission and other regulators and have not yet been fully announced to the public. Therefore, while such executive compensation restrictions will impact QCR Holdings' compensation program moving forward, the precise impact the restrictions will have on the compensation program is not yet clear. However, it is likely that the compensation program in place with respect to individuals named in the Summary Compensation Table will be significantly different in those years during which the Treasury continues to hold an equity interest in QCR Holdings. QCR Holdings intends to comply to the extent required with the Stimulus Bill's executive compensation restrictions and, to that end, is working with legal counsel and other advisors to determine the extent to which those restrictions will impact its compensation program.

The following table sets forth the following information for the years ended December 31, 2006, 2007 and 2008: (i) the dollar value of base salary and bonus earned; (ii) the aggregate grant date fair value of stock and option awards granted at any time and expensed computed in accordance with FAS 123(R); (iii) the dollar value of earnings for services pursuant to awards granted under non-equity incentive plans; (iv) the change in pension value and non-qualified deferred compensation earnings; (v) all other compensation; and, finally, (vi) the dollar value of total compensation.

He also received a payment in the amount of \$20,250 in connection with the exercise of 1,800 stock appreciation rights which were set to expire on April 10, 2011. In addition, pursuant to the deferred compensation arrangement, QCR Holdings made a contribution for his benefit in the amount of \$12,000. This does not include the incremental benefit recognized by QCR Holdings during 2006 with respect to the 1,800 cash settled stock appreciation rights he had outstanding at December 31, 2006.

The following table sets forth certain information with respect to potential payment levels under the annual cash incentive (bonus) program and the options granted during 2008 to the individuals named in the Summary Compensation Table. It should be noted that, except in certain limited situations, payment or accrual of any bonus, retention award and/or incentive compensation will likely be limited or prohibited by the Stimulus Bill's executive compensation restriction. Therefore, there can be no assurance that the future payouts described below will ever be realized.

Succession Plan

In March 2006, Mr. Bauer indicated to our Executive Committee that he intends to retire in 2009 at age 60. The Executive Committee, Mr. Bauer and Mr. Hultquist worked together during the following months to design a succession plan. The Committee believes that the succession plan will further our interests by ensuring a smooth management transition, promoting the continued success and financial performance of QCR Holdings and outlining the continuing relationship with Mr. Bauer. In May 2007, John H. Anderson assumed the title of President and Chief Executive Officer of Quad City Bank & Trust and Mr. Bauer assumed the role of Vice Chairman of both QCR Holdings and Quad City Bank & Trust. Mr. Bauer continues to serve on the boards of both in addition to a number of our other affiliated bank boards until his retirement in May of 2009.

As part of the succession plan, Mr. Bauer entered into amended agreements that reflect his employment relationship with us, as more fully described below. As part of our desire to recognize Mr. Bauer's long-standing contribution and to reward his continued contribution during the transition period, the board of directors approved certain amendments to Mr. Bauer's compensation arrangements to provide additional retirement benefits and additional performance-based bonus incentives based on the success of the overall transition.

Future arrangements contemplated under the succession plan include our plan to enter into a separate consulting agreement with Mr. Bauer that would take effect upon his retirement from the board of directors in May of 2009. The consulting agreement will provide for fees of up to \$3,500 per month.

Terms of Mr. Douglas M. Hultquist's Employment Agreement

On January 1, 2004, we entered into an employment agreement with Mr. Hultquist. In 2008, certain provisions of the employment agreement were amended in order to bring such provisions into compliance with to comply with the applicable provisions of Section 409A of the Internal Revenue Code of 1986, as amended (and guidance issued thereunder). The agreement has a three-year term and in the absence of notice from either party to the contrary, the employment term extends for an additional one year on the anniversary of the agreement. Pursuant to the agreement, Mr. Hultquist will receive a minimum salary of \$175,000. The agreement includes provisions for the increase of compensation on an annual basis, performance bonuses, membership in various local clubs, an automobile allowance and participation in our benefit plans. The agreement also provides term life insurance coverage of two times Mr. Hultquist's base salary and average annual bonus as of the date of the agreement, which may be provided through a group term carve-out plan. The agreement further provides for severance compensation equal to one year of salary plus average annual bonus in the event Mr. Hultquist is terminated without cause and three times the sum of salary and average annual bonus if he is terminated within one year following a change in control or if he voluntarily terminates employment within six months of a change in control. It should be noted that the Stimulus Bill's executive compensation restrictions will likely prohibit QCR Holdings from making any payment to Mr. Hultquist for departure from QCR Holdings for any reason, except for payments for services performed or benefits accrued. This restriction will apply during all periods during which Treasury holds an equity interest in QCR Holdings.

Terms of Mr. Michael A. Bauer's Employment Agreement

On March 21, 2006 and again on December 14, 2006, QCR Holdings entered into an amended and restated employment agreement with Mr. Bauer as part of our succession plan, as described above. Both agreements have a term ending on May 6, 2009. On May 2, 2007, Mr. Bauer became Vice Chairman of the board of directors of Quad City Bank & Trust and QCR Holdings. Pursuant to the agreement, Mr. Bauer will receive a salary of \$220,500 through his retirement in May 2009. The agreement includes provisions for the possible increase of compensation on an annual basis, performance bonuses, membership in various local clubs, an automobile allowance and participation in our benefit plans. With respect to performance bonuses, the agreement specifically provides for an additional transition incentive bonus arrangement with an opportunity to earn up to \$80,000 annually based on overall assistance with the transition contemplated by the succession plan. The payment of the transitional incentive bonus may be credited to Mr. Bauer's deferred income account, with such election to defer made in accordance with applicable laws. The agreement also provides term life insurance coverage of two times Mr. Bauer's base salary and average annual bonus as of the date of the agreement, which may be provided through a group term carve-out plan. The agreement further provides for severance compensation equal to one year of salary plus average annual bonus in the event Mr. Bauer is terminated without cause and a pro-rata share, as if his employment was not terminated, equal to three times the sum of salary plus average annual bonus if he is terminated within one year following a change in control or if he voluntarily terminates employment within six months of a change in control. It should be noted that the Stimulus Bill's executive compensation restrictions will likely prohibit QCR Holdings from making any payment to Mr. Bauer for departure from QCR Holdings for any reason, except for payments for services performed or benefits accrued. This restriction will apply during all periods during which Treasury holds an equity interest in QCR Holdings.

Terms of Mr. Todd A. Gipple's Employment Agreement

On January 1, 2004, we entered into an employment agreement with Mr. Gipple. In 2008, certain provisions of the employment agreement were amended in order to bring such provisions into compliance with to comply with the applicable provisions of Section 409A of the Internal Revenue Code of 1986, as amended (and guidance issued thereunder). Mr. Gipple's employment agreement provides that Mr. Gipple is to receive a minimum salary of \$140,500. The agreement includes a provision for the increase in compensation on an annual basis, performance bonuses, membership in a country club, a monthly automobile allowance and participation in our benefit plans. Mr. Gipple's agreement also provides term life insurance coverage of two times the sum of his base salary and average annual bonus as of the date of the agreement, which may be provided through a group term carve-out plan. The agreement further provides that he is entitled to a payment equal to the sum of one-half of his then-current annual salary plus one-half of his average annual bonus if he is terminated without cause and two times the sum of his annual salary and average annual bonus if he is terminated within one year following a change in control or if he voluntarily terminates employment within six months of a change in control. It should be noted that the Stimulus Bill's executive compensation restrictions will likely prohibit QCR Holdings from making any payment to Mr. Gipple for departure from QCR Holdings for any reason, except for payments for services performed or benefits accrued. This restriction will apply during all periods during which Treasury holds an equity interest in QCR Holdings.

Terms of Mr. Larry J. Helling's Employment Agreement

On January 1, 2004, we entered into an employment agreement with Mr. Helling. In 2008, certain provisions of the employment agreement were amended in order to bring such provisions into compliance with to comply with the applicable provisions of Section 409A of the Internal Revenue Code of 1986, as amended (and guidance issued thereunder). Mr. Helling's employment agreement provides that Mr. Helling is to receive a minimum salary of \$167,000. The agreement includes a provision for the increase in compensation on an annual basis, performance bonuses, a monthly automobile allowance, membership in various country clubs and participation in our benefit plans. Mr. Helling's agreement also provides term life insurance coverage of two times the sum of his base salary and average annual bonus as of the date of the agreement, which may be provided through a group term carve-out plan. The agreement further provides for a severance payment equal to six months of his salary in the event of a termination without cause and two times his annual salary in the event he is terminated within one year following a change in control or if he voluntarily terminates employment within six months of a change in control. Additionally, Mr. Helling's agreement allows him to participate in the Cedar Rapids Long-term Deferred Incentive Compensation Program (as described under the heading "Long-Term Deferred Incentive Compensation Program"). Under the agreement, Mr. Helling will be allocated a total of 40% of amounts paid pursuant to the incentive program. It should be noted that the Stimulus Bill's executive compensation restrictions will likely prohibit QCR Holdings from making any payment to Mr. Helling for departure from QCR Holdings for any reason, except for payments for services performed or benefits accrued. This restriction will apply during all periods during which Treasury holds an equity interest in QCR Holdings.

Beginning in 2009, QCR Holdings will no longer reimburse Messrs. Hultquist, Gipple, and Helling for country club memberships.

Long-Term Incentive Plans

2004 Stock Incentive Plan. In 2004, we adopted the QCR Holdings Stock Incentive Plan for the benefit of our directors, officers and employees. The plan was approved by stockholders and authorized 225,000 shares for issuance under the plan. This plan provides for the issuance of incentive stock options, nonqualified stock options, restricted stock, tax benefit rights and stock appreciation rights. As of the approval of the 2008 Stock Incentive Plan, all remaining available for grant transferred to the 2008 Stock Incentive Plan.

2008 Stock Incentive Plan. In 2008, we adopted the QCR Holdings Stock Incentive Plan for the benefit of our directors, officers and employees. The plan was approved by stockholders and authorized 250,000 shares for issuance under the plan. This plan provides for the issuance of incentive stock options, nonqualified stock options, restricted stock, tax benefit rights and stock appreciation rights. As of December 31, 2008, there are 203,046 remaining shares available for grant under this plan.

2002 Stock Purchase Plan. QCR Holdings adopted and stockholders approved the QCR Holdings Employee Stock Purchase Plan in 2002. The plan is intended to qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code. The plan allows employees of QCR Holdings and our subsidiaries to purchase shares of common stock available under the plan. The purchase price is currently 90% of the lesser of the fair market value at the date of the grant or the investment date. The investment date is the date common stock is purchased after the end of each calendar quarter during an offering period. Beginning January 1, 2007, the maximum percentage that any one participant can elect to contribute is 8% of his or her compensation. Messrs. Hultquist, Bauer, Gipple and Helling have a further limitation on their contribution to \$100 per pay period, or \$2,600 for the year. During 2008, 22,767 shares were purchased under the plan.

401(k) Retirement Savings Plan. QCR Holdings sponsors a qualified, tax-exempt profit sharing plan qualifying under Section 401(k) of the Internal Revenue Code. All employees are eligible to participate in the plan. Pursuant to the plan, QCR Holdings matches 100% of the first 3% of employee contributions and 50% of the next 3% of employee contributions, up to a maximum of 4.5% of an employee's compensation. Additionally, at its discretion, QCR Holdings may make additional contributions to the plan, which are allocated to the accounts of participants based on relative compensation. The total contributions under the 401(k) plan for the benefit of our NEOs are reflected in the Summary Compensation Table on page 14 of this proxy statement.

Non-qualified Supplemental Executive Retirement Program (SERP). QCR Holdings provides SERP benefits to its key executives, which will provide supplemental retirement income to the NEOs. The SERP arrangements are an important, common component of competitive compensation packages and they include retention and non-competition provisions that protect QCR Holdings and help support the objective of maintaining a stable, committed, and qualified team of key executives.

QCR Holdings currently has SERP arrangements in place for Messrs. Hultquist, Bauer, Gipple, and Helling. The SERP arrangements were approved by QCR Holdings in April 2004, and have an effective date of May 2004. Under the agreements, the executives will receive a supplemental retirement benefit in an annual pre-tax amount equal to 2.5% for each year of full-time service until the executive reaches age 65 (not to exceed 40 years), multiplied by the executive's average annual base salary plus cash bonus for the three most recently completed plan years, subject to a maximum of 70%.

The supplemental retirement benefit will be reduced by any contributions plus earnings thereon made by QCR Holdings to the credit of the executive pursuant to the QCR Holdings 401(k)/Profit Sharing Plan or other deferred compensation plans. The supplemental retirement benefit payable under the plans will generally be made in monthly installments for a period of 180 months. If an executive retires after reaching age 55 (but before reaching age 65) and has at least 10 years of service, QCR Holdings will pay a supplemental early retirement benefit made in monthly installments for a period of 180 months to the executive. The SERP arrangements also provide for the payment of a survivor's benefit payable to a participating executive's beneficiary upon the executive's death.

Pursuant to the existing SERP arrangements, assuming the participating executives retire on or after reaching age 65 and based on the participants' salary and cash bonus paid for 2008, we will owe the following projected annual amounts at age 65: Mr. Hultquist \$135,891; Mr. Gipple \$147,481; Mr. Helling \$96,217. Mr. Bauer's SERP arrangement was amended on March 21, 2006 with respect to his upcoming retirement, to provide a fixed benefit of \$117,000 per year commencing upon attainment of age 60.

Deferred Compensation Plan Agreements. QCR Holdings has entered into deferred compensation plan agreements with the executive officers to allow them to defer a portion of their salary or annual bonus. These plans are voluntary, non-tax qualified, deferred compensation plans that enable the executives to save for retirement by deferring a portion of their current cash compensation. QCR Holdings matches these deferrals up to certain maximums and interest is earned at the prime rate subject to certain floor and cap rates, as follows:

Executive	Deferred Compensation Plan Agreements 2008			
	Match Maximum	2009 Match Maximum	Interest Rate Floor and Cap	
Douglas M. Hultquist	\$ 20,000	\$ 20,000	8.00%	10.00%
Michael A. Bauer	\$ 20,000	\$ 20,000	8.00%	10.00%
Todd A. Gipple	\$ 15,000	\$ 15,000	6.00%	12.00%
Larry J. Helling	\$ 15,000	\$ 15,000	8.00%	12.00%

Long-Term Deferred Incentive Compensation Program. QCR Holdings has entered into a Long-Term Deferred Incentive Compensation Program with certain key senior management members at Cedar Rapids Bank & Trust, and Rockford Bank & Trust. Mr. Helling is a participant in this program. The program is administered by the Committee and results in deferred incentive compensation contributions being made into the plan, for the benefit of the participants, if certain growth and earnings objectives are met. Mr. Helling is a participant in the plan for the years 2006 through 2011, and can earn between \$16,000 and \$120,000 annually based on the performance of Cedar Rapids Bank & Trust. Mr. Helling did not earn any long-term deferred incentive compensation in 2008 as the minimum Return on Equity measure under the plan of 13.00% was not reached.

Deferred Income Plans. QCR Holdings adopted and stockholders approved the 1997 Deferred Income Plan and 2005 Deferred Income Plan to enable directors and selected key officers of QCR Holdings and its related companies, to elect to defer all or a portion of the fees and cash compensation payable to them for their service as directors or employees. The NEOs participated in the 1997 Deferred Income Plan in 2004 and prior years by deferring 100% of the director fees that they had earned from their service as directors. None of the NEOs have participated in the 1997 or 2005 Deferred Income plans since December 31, 2004 when QCR Holdings terminated board fees for employee-directors.

Compensation Committee Interlocks and Insider Participation

During 2008, the Executive Committee, which sets the salaries and compensation for our executive officers, was comprised solely of independent directors: Messrs. Brownson, Kilmer, Lawson, Peters, Peterson, Rife, Whitcher and Ziegler. The Compensation and Benefits Committee, which sets the salaries and compensation of all employees who are not executive officers, consisted of Messrs. Bauer, Gipple, Helling, Hultquist, Lawson, and Tinker, and Whitcher. Messrs. Bauer, Gipple, Helling and Hultquist are executives officers and do not participate in any decisions involving their own compensation.

DIRECTOR COMPENSATION

QCR Holdings uses a combination of cash and stock-based compensation to attract and retain qualified candidates to serve on the Board. In setting director compensation, we consider the significant amount of time that Directors expend in fulfilling their duties as well as the skill level required of members of the Board.

Cash Compensation Paid to Board Members

Members of the board who are not employees of QCR Holdings are entitled to receive an annual cash retainer and an attendance fee of scheduled Board and Committee meetings. Pursuant to the QCR Holdings, Inc. 1997 Deferred Income Plan, a director may elect to defer the fees and cash compensation payable by us for the director's service until either the termination of such director's service on the board or the age specified in the director's deferral election. During 2008, all but four directors (at the subsidiary banks) deferred 100% of his or her director fees pursuant to the plan, and the total expense for the deferred fees with respect to all participating directors was \$352,553 for 2008. Directors who are employees of QCR Holdings receive no compensation for their service as directors. The following table shows the director fees approved for 2009 and the fees paid for 2008 for QCR Holdings and our other affiliated boards.

In January 2008, each current non-employee QCR Holdings director received a grant of 500 options and each current non-employee subsidiary director received a grant of 300 options at the fair market price of QCR Holdings stock on the date of the grant, or \$15.62. Until an option is exercised, shares subject to options cannot be voted nor are they eligible to receive dividends. The options have a 10-year life and will vest in three equal annual portions beginning one year from the date of grant.

The following table discloses the cash, equity awards and other compensation earned, paid or awarded, as the case may be, to each of our directors during the fiscal year ended 2008.
