Item 2.02 Results of Operations and Financial Condition

On April 20, 2009, Park National Corporation (Park) issued a news release (the Operating Results News Release) announcing operating results for the three months ended March 31, 2009. A copy of this Operating Results News Release is included as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

Park s management uses certain non-GAAP (generally accepted accounting principles) financial measures to evaluate Park s performance. Specifically, management reviews return on average tangible realized common equity and return on average tangible assets. Management has included in the Operating Results News Release information relating to the return on average tangible realized common equity and return on average tangible assets for the three-month periods ended March 31, 2009 and 2008. For purpose of calculating the return on average tangible realized common equity, a non-GAAP financial measure, net income available to common shareholders for each period is divided by average tangible realized common equity during the period. Average tangible realized common equity equals average stockholders equity during the applicable period less (i) average goodwill and other intangible assets during the period, (ii) average accumulated other comprehensive income (loss), net of taxes, during the period, and (iii) average preferred stock. For the purpose of calculating the return on average tangible assets, a non-GAAP financial measure, net income available to common shareholders for each period is divided by average tangible assets during the period. Average tangible assets equals average assets during the applicable period less average goodwill and other intangible assets during the applicable period. Management believes that return on average tangible realized common equity presents additional information to the reader of the consolidated financial statements, which, when read in conjunction with the consolidated financial statements prepared in accordance with GAAP, assist in analyzing Park s operating performance and ensures comparability of operating performance from period to period while eliminating certain non-operational effects of acquisitions and unrealized gains and losses arising from mark-to-market accounting for the fair market value of investment securities. In the Operating Results News Release, Park has provided a reconciliation of average tangible realized common equity to average stockholders equity, as well as average tangible assets to average assets solely for the purpose of complying with SEC Regulation G and not as an indication that return on average tangible realized common equity or return on average tangible assets are a substitute for return on average equity or return on average assets as determined by GAAP.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On April 20, 2009, Park issued a second news release (the Changes in Directors News Release) announcing the retirement of J. Gilbert Reese from the Boards of Directors of Park and The Park National Bank (a wholly-owned subsidiary of Park), effective that day. Mr. Reese has served on the Park Board of Directors since 1987, when the corporation was founded. Mr. Reese served in the class of directors whose terms will expire in 2010. Further, he has served on the Board of Directors of The Park National Bank for 44 years. The Board of Directors of The Park National Bank also named Mr. Reese as a Director Emeritus of the Bank, effective April 20, 2009. A copy of the Changes in Directors News Release is included as Exhibit 99.2 to this Form 8-K and incorporated by reference herein.

On April 20, 2009, the Park Board of Directors, upon the recommendation of the Nominating Committee, elected Sarah Reese Wallace to fill the vacancy in the class of directors whose terms will expire in 2010, created by the retirement of her father J. Gilbert Reese, effective that day. Ms. Wallace has served as a director of The Park National Bank since 2008 and also serves as chairman and a director of First Federal Savings and Loan Association, based in Newark, Ohio, where she served as president from 1982 to 1999.

The Park Board of Directors has determined that Ms. Wallace and her immediate family members (i) have and have had no relationship with Park or any of Park's subsidiaries, either directly or indirectly, including, without limitation, any commercial, industrial, banking, consulting, legal, accounting, charitable or family relationship, and (ii) have had no transactions (and presently do not expect to have any transactions) with Park or any of Park's subsidiaries, either directly or indirectly, that would be inconsistent with a determination that Ms. Wallace satisfies the independence standards specified in the applicable sections of the NYSE Amex Company Guide and the applicable rules and regulations of the Securities and Exchange Commission (the "SEC").

During Park's fiscal year ended December 31, 2008, Ms. Wallace, members of her immediate family and firms, corporations or other entities with which they are affiliated, were customers of and had banking transactions with one or more of Park's subsidiary banks and/or their respective divisions in the ordinary course of business and in compliance with applicable federal and state laws and regulations. It is expected that similar banking transactions will be entered into in the future.

The Changes in Directors News Release, included as Exhibit 99.2 to this Current Report on Form 8-K, also announces the election of Sarah Reese Wallace to the Park Board of Directors.
