NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

[June 5], 2017

To the Shareholders of the Fund:

Notice is hereby given that the Annual Meeting of Shareholders (the "Meeting") of the Fund will be held at Clough Capital Partners L.P., One Post Office Square, 39th Floor, Boston, MA 02109, on August 3, 2017 at 10:00 a.m. (Eastern time).

YOUR FUND IS UNDER ATTACK BY AN ACTIVIST HEDGE FUND.

THIS MEETING IS VERY IMPORTANT BECAUSE AN ACTIVIST HEDGE FUND HAS TAKEN A POSITION IN THE FUND AND ANNOUNCED ITS INTENTION TO ELECT THREE NEW NOMINEES TO THE BOARD OF TRUSTEES OF THE FUND (THE "BOARD") AT THE MEETING. THE ACTIVIST HEDGE FUND HAS ALSO SUBMITTED A PROPOSAL TO DECLASSIFY THE BOARD.

During the Meeting, you will be asked to vote on the following proposals for the Fund:

1. Shareholders are being asked to elect three (3) Trustees of the Fund, each to hold office for the term indicated and until their successor shall have been elected and qualifies (Proposal 1);
2. Shareholders of the Fund are being asked to consider and vote upon a shareholder proposal, if properly presented before the Meeting (Proposal 2);
3. The transaction of such other business as may properly come before the Meeting or any adjournments thereof.

This year the Board undertook an extensive search for new independent Trustee candidates to seek fresh expertise and opinions that could assist it in overseeing the Fund. After a robust process, the Board appointed Cliff Weber as a new independent Trustee, with his term set to commence upon the retirement of John Mee at the conclusion of the Annual Meeting of Shareholders and nominated Karen DiGravio as a new independent Trustee with her term set to commence upon election to succeed Richard Rantzow at the Annual Meeting of Shareholders. Ms. DiGravio brings significant expertise in the areas of accounting, finance and compliance. Similarly, Mr. Weber has extensive experience with financial product innovation, closed-end funds, and ETFs. The Board believes that Ms. DiGravio and Mr. Weber will bring their fresh ideas, perspectives and experiences to serve long-term shareholders in the Fund.

These items are discussed in greater detail in the enclosed Proxy Statement.

The close of business on May 4, 2017 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting and any adjournments thereof.

YOUR VOTE IS EXTREMELY IMPORTANT, ESPECIALLY IN LIGHT OF THE ACTIVIST HEDGE FUND'S NOMINEES AND THE SHAREHOLDER PROPOSAL SUBMITTED BY THE ACTIVIST HEDGE FUND, BOTH OF WHICH ARE UNANIMOUSLY OPPOSED BY THE BOARD.

Whether or not you plan to attend the Meeting, and regardless of the number of shares you own, we urge you to vote FOR the Fund's nominees (Proposal 1) and AGAINST the shareholder proposal (Proposal 2) by promptly completing, signing, dating, and returning the enclosed WHITE proxy card in the self-addressed envelope.

PLEASE DO NOT SEND BACK THE GOLD PROXY CARD YOU MAY RECEIVE FROM THE ACTIVIST HEDGE FUND, EVEN TO WITHHOLD VOTES ON THE NOMINEES, AS THIS WILL CANCEL YOUR PRIOR VOTE FOR THE FUND'S NOMINEES. ONLY YOUR LATEST DATED PROXY WILL COUNT AT THE MEETING.

By Order of the Board of Trustees of:
Clough Global Opportunities Fund

The close of business on May 4, 2017, has been fixed as the "Record Date" for the determination of shareholders entitled to notice of and to vote at the Meeting and all adjournments thereof.

This Proxy Statement is first being sent to shareholders on or about [June 5], 2017.

If a quorum is present, the persons named as proxies will vote those proxies that they are entitled to vote "FOR" any proposal in favor of such adjournment and will vote those proxies required to be voted "AGAINST" any proposal against such adjournment.

IMPORTANT INFORMATION ABOUT YOUR VOTE

Who is asking for my vote?

In this proxy statement for the 2017 Annual Meeting of Shareholders for the Clough Global Opportunities Fund (“GLO” or the “Fund”), the Board of Trustees of the Fund (the “Board” or the “Trustees”) is unanimously asking you to vote on the proposals below in the following manner:

Proposal 1. “FOR” the election of Robert Butler, Karen DiGravio and Kevin McNally to serve as Trustees of the Fund.

AND

Proposal 2. “AGAINST” the shareholder proposal submitted by the activist hedge fund for the Fund.

You may also receive a request for a proxy from the activist hedge fund seeking your proxy to elect different nominees and approve its proposal to declassify the Board so that all trustees are elected annually.

In order to vote as recommended by the Board, please vote by promptly completing, signing, dating and returning the enclosed WHITE proxy card.

Who are the Nominees Proposed by the Board?

The Board’s nominees for the Fund’s Board of Trustees are Robert Butler, Karen DiGravio and Kevin McNally.

The Board’s nominees, together with other Trustees on the Board, are (and in the case of Ms. DiGravio, will be) focused on honoring their fiduciary obligations and creating sustainable value for all shareholders by seeking the Fund’s stated investment objective. Under the leadership of the current Board, the Fund has generated competitive performance and has consistently paid a high distribution on a regular basis. The Board has also taken significant steps to ensure that the Fund operates in a responsible manner to protect and advance the interests of all shareholders, and not just a select few whose interests are in direct conflict with the Fund’s long-term objectives and the interests of the Fund’s long-term shareholders. In contrast, the dissident nominees are unfamiliar both with the Fund and seemingly with closed-end funds generally and the Board believes they will seek to advance the short-term goals of the activist hedge fund that nominated them rather than the long-term goals of Fund shareholders.

For these reasons, as further discussed in the Proxy Statement, we urge you to vote FOR the Fund’s nominees, and not the dissident nominees, by promptly completing, signing, dating and returning the enclosed WHITE proxy card.

Why do the Trustees recommend that I vote against the shareholder proposal (Proposal 2)?

After careful and thoughtful consideration, the Board, including the independent Trustees who constitute a majority of the Fund's Board, has unanimously determined that this proposal is not in the best interests of the Fund or its shareholders.

The Board is comprised of highly qualified individuals that are committed to the Fund's long-term ability to achieve its investment objectives. The Board of Trustees believes that the classified board structure continues to provide the Fund and its shareholders with important benefits, including strengthening the independence of the Board and providing stability and continuity of management. Electing trustees to three-year terms enhances the independence of non-management trustees by providing them with a longer term of office. This longer term provides additional independence from management and from special interest groups, such as the dissident shareholder that made the proposal, which may have an agenda contrary to the long-term interests of all shareholders. As a result, independent trustees are able to make decisions that are in the best interest of Fund shareholders. The staggered board prevents a complete turnover of the Board, and a corresponding radical change in direction, in any one year.

Accordingly, and as described more fully in the "Statement of the Board of Trustees in Opposition of the Shareholder Proposal" under Proposal 2, the Trustees unanimously recommend that you vote AGAINST the shareholder proposal for the Fund.

How will my WHITE proxy card be voted?

WHITE proxy cards that are properly signed, dated and received at or prior to the Meeting will be voted as specified. If you specify a vote for the proposals, your proxy will be voted as you indicate. If you simply sign, date and return the WHITE proxy card, but don't specify a vote on the proposals, your shares will be voted FOR the election of the Fund's nominees recommended by the Board (Proposal 1) and AGAINST the shareholder proposal (Proposal 2).

What should I do with other proxy cards I receive?

We urge you to vote your Fund's WHITE proxy card and discard the gold proxy card you may receive from the activist hedge fund. If you have already sent back the gold proxy card, you can still change your vote – by promptly completing, signing, dating and returning the enclosed WHITE proxy card, which will replace the gold proxy card you previously completed. If you have already sent in the enclosed WHITE proxy card, please do not send back the gold proxy card you may receive from the activist hedge fund, even to withhold votes from the activist hedge fund's nominees because doing so will cancel out your prior vote on the enclosed WHITE proxy card.

May I revoke my proxy?

You may revoke your proxy at any time before it is voted by forwarding a written revocation or a later-dated proxy to the Fund, which must be received by the Fund at or prior to the Meeting, or by attending the Meeting and voting in person.

Returning the activist hedge fund's gold proxy card will revoke any WHITE proxy card previously returned to the Fund, even if you withhold votes on the activist hedge fund's nominees and vote against the shareholder proposal on the gold proxy card. Therefore, **PLEASE DISCARD THE GOLD PROXY CARD FROM THE ACTIVIST HEDGE FUND AND ONLY RETURN THE ENCLOSED WHITE PROXY CARD.**

What if my shares are held in a brokerage account?

If your shares are held by your broker, then in order to vote in person at the Meeting, you will need to obtain a "Legal Proxy" from your broker and present it to the Inspector of Election at the Meeting. Also, in order to revoke your proxy, you may need to forward your written revocation or a later-dated proxy card to your broker rather than to the Fund.

What other information should I know in deciding how to vote?

We encourage you to read the entire proxy statement because it contains important information about the Board's nominees to serve as Trustees, information about a shareholder proposal (which the Board recommends you vote AGAINST) and other important information about the Fund, its management and its operations.

You may also receive a proxy statement from an activist hedge fund managed by Saba Capital Management, L.P. ("Saba"), seeking your proxy to elect other nominees to serve as trustees of the Fund and making claims about the Fund's performance and fees. Saba, through its hedge funds, invests in closed-end funds and has a history of attempting to cash in on one-time or short-term gains when the closed-end funds are forced to conduct debilitating tender offers, open-end fund conversions or other liquidity events. Saba supports these actions, which are based on its fiduciary obligations to its own funds, and which the Board believes are harmful to long-term shareholders in the Fund. For example, funds subject to these types of activist actions may be left with less assets and higher fees, and the remaining shareholders in these funds may see their distributions reduced or eliminated altogether.

In contrast to the claims made by Saba, the Board believes you should have the following information.

THE FACTS:

The Fund's year-to-date and 1, 3 and 5 year performance is 10.1%, 11.5%, 4.1% and 31.0% at net asset value ("NAV"), respectively. These returns are within the range of the returns of the Fund's peers and stated benchmark*. On market price, the Fund has returned 23.2%, 25.9%, 16.9%, and 53.2%, year to date and over the past 1, 3, and 5 year time periods, respectively. This outpaces its peers in each time period and beats its benchmark in each of those time periods except for the 3 years time frame (see additional information on returns on page 8 of this proxy).

* A blended index comprised of 75% of MSCI World Index and 25% of the Bloomberg Barclays U.S. Aggregate Bond Index.

In its proxy materials, Saba compares the expenses of the Fund to the entire universe of closed-end funds, without any regard to the appropriateness of this comparison. It is clear to see that this is a very poor and misleading comparison. The majority of closed-end funds constituting the group used by Saba are domestic fixed income funds that do not combine leverage and shorting. By contrast, your Fund is a global equity fund that utilizes leverage and shorting in attempting to enhance investment returns. This type of fund will, by necessity, typically have higher expenses than domestic fixed income funds due to the complex nature of its investment activities. Moreover, the Board has also taken steps to reduce Fund expenses in an effort to enhance shareholder value and make the Fund's shares more attractive to the market. On an annualized basis, for the 6 month period ending on April 30, 2017 as compared to the fiscal year ending October 31, 2015, Fund expenses have been reduced at least 33%. In fact, the Fund's fees are consistent with its peer group. Again, your Fund utilizes both leverage and shorting as investment tools. An independent third party research firm found that, when excluding expenses such as interest on leverage and shorting costs, your Fund's expenses of 1.33% on managed assets was consistent within its peer group of 11 funds (the median expense level of this group was 1.22%). The Fund's total expense ratio (inclusive of leverage and shorting costs) is 2.11%.

The Trustees have taken action on numerous occasions to attempt to make the Fund's shares more attractive with the aim of addressing the market discount. The Trustees have raised the distribution rate, increased the frequency of payments to monthly (from quarterly) and instituted share buy-back programs.

To further its own agenda, Saba has nominated three handpicked dissident candidates for election to your Fund's Board, and has positioned themselves as aligned in this effort with the Fund's investors. This is also abjectly misleading. Saba owes a duty to its private funds that have invested in the Fund, not to the Fund's shareholders. Saba's dissident nominees appear to have no closed-end fund board experience whatsoever. Nonetheless, the Board was willing to consider their candidacy and come to some assessment of their potential value to the Fund and its shareholders. Unfortunately, Saba declined to allow their handpicked nominees to participate in the Board's vetting process for evaluating potential candidates to the Board. During this process, Saba refused to have its dissident nominees even do so much as complete a questionnaire to allow the Board to properly evaluate their candidacy. The Board finds it troubling that Saba would refuse to provide information requested by the Board to exercise its basic oversight responsibilities to make an independent determination of whether a candidate to serve on the Board would be statutorily disqualified and whether particular disclosure about the nominee would be required in public filings. The Board's process in evaluating nominees is a critically important function that is designed to ensure that shareholders are represented by knowledgeable and serious trustees who have all shareholders' best interests in mind, and not just the interests of one shareholder with its own agenda. If Saba's nominees are capable of meeting these standards, it is inexplicable that Saba would seek to prevent the Board from being able to properly make that assessment.

Your Board has nominated three Trustees, who are experienced, well-qualified and familiar with the operations of registered investment companies. The Board has spent significant time reviewing current and prospective members in order to both self-evaluate on a regular basis, as well as to seek fresh expertise and opinions that could assist it in overseeing the Fund. In this regard, the Board nominated The Honorable Vincent W. Versaci to serve as a Trustee of the Fund in 2013. Additionally, this year the Board undertook an extensive search for new independent Trustee candidates. After assessing dozens of strong potential candidates and conducting numerous interviews, this search resulted in the appointment of Cliff Weber as new independent Trustee, with his term set to commence upon the retirement of John Mee, and the nomination of Karen DiGravio as a new independent Trustee with her term set to commence upon election to succeed Richard Rantzow. Mr. Mee is expected to retire from the Board at the conclusion of the Annual Meeting of Shareholders and Mr. Rantzow will not seek reelection as a Trustee at the Annual Meeting of Shareholders. As shown by her biographical information below, Ms. DiGravio brings significant expertise in the areas of accounting, finance and compliance. Similarly, Mr. Weber's biographical information illustrates extensive experience with financial product innovation, closed-end funds, and ETFs.

Further, to fill a recent vacancy on the Board, the Board also recently appointed Kevin McNally as a new Trustee. As shown by his biographical information below, Mr. McNally has extensive experience in the management, establishment and operation of closed-end funds and is considered one of the most experienced closed-end fund experts globally.

Your Board believes that the incumbent Trustees, who have consistently demonstrated their ability to deliver value to Fund shareholders, combined with the new Trustees that will bring their fresh ideas, perspectives and experiences, will be best positioned to serve YOUR INTERESTS as long-term shareholders in the Fund.

Your Board is committed to vigorously defending your Fund against Saba's short term agenda. Your Board will be fighting for ALL shareholders and will not be pressured by Saba into making decisions that benefit Saba's immediate interests at the expense of the Fund and your investment.

In order that your Shares may be represented at the Meeting, you are requested to vote on the following matters using the WHITE proxy card:

PROPOSAL 1:
ELECTION OF NOMINEES
TO THE FUND'S BOARD OF TRUSTEES

The Fund's Board is divided into three classes, each class having a term of three years. Each year the term of office for one class will expire.

The Board's Nominees for the Fund's Board of Trustees

Listed below are the Board's nominees to serve as Trustees on the Board of the Fund. Mr. Butler and Mr. McNally are each currently a Trustee of the Fund. Mr. Butler, Ms. DiGravio and Mr. McNally have each been nominated by the Board for election to a three-year term to expire at the Fund's 2020 Annual Meeting of Shareholders, or if later, until such Trustee's successor is duly elected and qualifies.

| Proposal 1 | Class | Expiration of Term if Elected |
|-----------------------------|----------|-------------------------------|
| Independent Trustee/Nominee | | |
| Robert Butler | Class II | 2020 Annual Meeting |
| Karen DiGravio | Class II | 2020 Annual Meeting |
| Interested Trustee/Nominee | | |
| Kevin McNally | Class II | 2020 Annual Meeting |

Unless authority is withheld, it is the intention of the persons named in the WHITE proxy card to vote the proxy "FOR" the election of each nominee named above. Each nominee has indicated their consent to serve as a Trustee if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

Information about each Trustee's Professional Experience and Qualifications

Messrs. Butler and McNally and Ms. DiGravio each have significant experience with the operations of investment vehicles, such as the Fund. Each of the Fund's nominees also has substantial corporate or other professional experience that makes it appropriate for him or her to serve on the Board.

Under the stewardship of the Trustees, as shown in the tables below, the Fund's performance at market price and NAV has been consistently competitive, both in absolute terms and relative to its benchmark index.

Past performance is not indicative of future results.

The Board is very proactive in monitoring the level of the discount and balancing the Fund’s ability to achieve its investment objective over the long term with the benefits of narrowing the difference between the market price of the Shares and their net asset value. The Fund has maintained a very attractive distribution rate and has paid cumulative distributions totaling \$12.90 per share since inception. The Trustees have taken action on several occasions to attempt to make Fund Shares more attractive with the aim of addressing the market discount. The Trustees have raised the distribution rate, increased the frequency of payments to monthly (from quarterly) and instituted share buy-back programs. Over the last year, the fund’s discount to NAV has been reduced to 7.4% as of the record date.

The Board has spent significant time reviewing current and prospective members in order to both self-evaluate on a regular basis, as well as to seek fresh expertise and opinions that could assist it in overseeing the Fund. In this regard, the Board nominated The Honorable Vincent W. Versaci to serve as a Trustee of the Fund in 2013. Mr. Mee is expected to retire from the Board at the conclusion of the Annual Meeting of Shareholders and Mr. Rantzow will not seek reelection as a Trustee at the Annual Meeting of Shareholders. As shown by her biographical

information below, Ms. DiGravio brings significant expertise in the areas of accounting, finance and compliance. Similarly, Mr. Weber's biographical information illustrates extensive experience with financial product innovation, closed-end funds and ETFs.

Provided below is a brief summary of the specific experience, qualifications, attributes or skills that caused the Board to consider Ms. DiGravio and Mr. Weber as persons to serve on the Board of the Fund, which is an investment company registered under the Investment Company Act of 1940, as amended (the “1940 Act”).

Ms. DiGravio – Ms. DiGravio has over 21 years of industry experience focused on finance, accounting, compliance and risk management in the asset management industry. Most recently, she was a Partner, Chief Financial Officer and Chief Compliance Officer of Westfield Capital Management, a Boston based asset manager with over \$12 Billion in assets under management. She was also a member of the Westfield Advisory Board. While at Westfield, Ms. DiGravio led the finance, accounting and compliance functions and chaired the firm’s Operating and Risk Management Committee. A graduate of Connecticut College, Ms. DiGravio is co-chair of Connecticut College’s 1911 Society and is also a member of the college’s President’s Leadership Council. It is anticipated that Ms. DiGravio will serve as the Fund’s Audit Committee Financial Expert.

Mr. Weber – Mr. Weber has more than 25 years of experience in the financial markets where he has successfully led businesses and created products in exchange-traded funds (ETFs) and listed derivatives. His areas of expertise include trading markets and derivatives regulation. He currently provides consulting services to the financial industry and serves as an independent trustee of certain mutual funds, ETFs and variable annuity trusts. From 2013 to 2015 he was Executive Vice President of Global Index and Exchange Traded Products at the NYSE, and Executive Vice President, Head of Strategy and Product Development at NYSE Liffe from 2008 to 2013. Prior to that, Mr. Weber spent 18 years at the American Stock Exchange (Amex) where he was instrumental in the development of the Amex’s dominant ETF business, running that from 2000-2008, and the Amex’s Closed-End Fund business. He received a B.A. degree in Biochemistry from Dartmouth College, and an M.S.E. degree in Systems, with a concentration in Operations Research, from the University of Pennsylvania. He has been featured in numerous media publications and financial shows, has been published in various financial publications, and is co-author of “Equity Flex Options: The Financial Engineer’s Most Versatile Tool.” He is a named inventor on eighteen issued patents, and on three patent applications currently pending – all in the field of financial innovation.

Further, to fill a recent vacancy on the Board, the Board also recently appointed Kevin McNally as a new Trustee. As shown by his biographical information below, Mr. McNally has extensive experience in the management, establishment and operation of closed-end funds and is considered one of the most experienced closed-end fund experts globally.

Your Board believes that the incumbent Trustees, who have consistently demonstrated their ability to deliver value to Fund shareholders, combined with the new Trustees that will bring their fresh ideas, perspectives and experiences, will be best positioned to serve YOUR INTERESTS as long-term shareholders in the Fund.

In contrast, the dissident nominees are unfamiliar with the Fund and seemingly with closed-end funds generally and may seek to advance the short-term goals of the activist hedge fund that nominated them rather than the long-term goals of Fund shareholders. During this process, the dissident nominees refused to even complete a questionnaire to allow the Board to properly evaluate their candidacy. As a result, the Board intends to vigorously contest the election of the activist hedge fund's nominees. We urge you to vote FOR the Board's nominees by promptly completing, signing, dating and returning the enclosed WHITE proxy card. PLEASE DISCARD THE GOLD PROXY CARD FROM THE ACTIVIST HEDGE FUND.

Provided below is a brief summary of the specific experience, qualifications, attributes or skills for each Trustee that warranted his consideration as a Trustee/Nominee to the Board of the Fund, which is registered as an investment company under the 1940 Act.

Robert L. Butler – Mr. Butler is currently an independent consultant for businesses. Mr. Butler was President of Pioneer Funds Distributor, Inc. from 1989 to 1998. He was Senior Vice-President from 1985 to 1988 and Executive Vice-President and Director from 1988 to 1999 of the Pioneer Group, Inc. While at the Pioneer Group, Inc. until his retirement in 1999, Mr. Butler was a Director or Supervisory Board member of a number of subsidiary and affiliated companies, including: Pioneer First Polish Investment Fund, JSC, Pioneer Czech Investment Company and Pioneer Global Equity Fund PLC. From 1975 to 1984, Mr. Butler was a Vice-President of the National Association of Securities Dealers (currently Financial Industry Regulatory Authority). Mr. Butler has served as Trustee since the Fund's inception and as Chairman of the Board for the Fund since 2006. Mr. Butler has also served as a member of the Audit Committee and Nominating Committee during his tenure as a Trustee for the Fund. In addition, since being elected to the Board, Mr. Butler has further enhanced his experience and skills, in conjunction with the other Trustees, through the Board's oversight of the Fund's officers in dealing with a diverse range of topics, including but not limited to, oversight of portfolio management, legal and regulatory matters, compliance, preparation of financial statements and oversight of the Fund's multiple service providers. Mr. Butler has served as Trustee of each of Clough Global Dividend and Income Fund ("GLV") and Clough Global Equity Fund ("GLQ") since each fund's inception and as Chairman of the respective Board of Trustees of GLV and GLQ since 2006. Mr. Butler has also served as a member of the respective Audit Committee and Nominating Committee of GLV and GLQ during his tenure as a Trustee to such funds. Each of GLV and GLQ are advised by Clough Capital Partners L.P., the Fund's adviser (the "Adviser" or "Clough"). The Board of Trustees, in its judgment of Mr. Butler's professional experience in the financial services industry, including extensive involvement with international investing and as a trustee of closed-end investment companies, believes Mr. Butler contributes a diverse perspective to the Board.

Adam D. Crescenzi – Mr. Crescenzi is currently an Associate Trustee of Dean College and founding partner of Simply Tuscan Imports LLC. He currently serves as a Director of two non-profit organizations and as a member of the Board of Governors for the Naples Botanical Gardens and the Club Pelican Bay. Prior to being involved in multiple corporate start-ups, Mr. Crescenzi retired from CSC Index as Executive Vice-President of Management Consulting Services. During his career, Mr. Crescenzi has also served with various philanthropic organizations such as the Boston College McMullen Museum of Arts. Mr. Crescenzi has served as Trustee since the Fund's inception. Mr. Crescenzi has also served as a member of the Audit Committee and Nominating Committee during his tenure as a Trustee for the Fund. The Audit Committee and Nominating Committee are each chaired by, and composed of, members who are Independent Trustees. The Executive Committee consists of two Interested Trustees and one Independent Trustee.

Oversight of Risk Management

The Fund, by the nature of its business, is confronted with various risks such as investment risk, counter party risk, valuation risk, political risk, risk of operational failures, business continuity risk, regulatory risk, legal risk and other risks not listed here. The Board recognizes that not all risks that may affect the Fund can be known, eliminated or mitigated. In addition, there are some risks that may not be cost effective or an efficient use of the Fund's limited resources to moderate. As a result of these realities, the Board, through its oversight and leadership, has and will continue to deem it necessary for shareholders of the Fund to bear certain and undeniable risks, such as investment risk, in order for the Fund to operate in accordance with its investment strategies.

However, as required under the 1940 Act, the Board has adopted on the Fund's behalf a vigorous risk program that mandates the Fund's various service providers, including the investment adviser, to adopt a variety of processes, procedures and controls to identify various risks, mitigate the likelihood of such adverse events from occurring and/or attempt to limit the effects of such adverse events on the Fund. The Board implements its oversight role by receiving a variety of quarterly written reports prepared by the Fund's Chief Compliance Officer ("CCO") that: (i) evaluate the operation of the Fund's service providers; (ii) make known any material changes to the policies and procedures adopted by the Fund or its service providers since the CCO's last report and; (iii) disclose any material compliance matter that occurred since the date of the last CCO report. In addition, the Chairman and the Independent Trustees meet quarterly in executive sessions without the presence of any Interested Trustees, the investment adviser, the administrator, or any of their affiliates. This configuration permits the Chairman and the Independent Trustees to effectively receive the information and have private discussions necessary to perform its risk oversight role, exercise independent judgment, and allocate areas or responsibility between the full Board, its various committees and certain officers of the Fund. Furthermore the Independent Trustees have engaged independent legal counsel and auditors to assist the Independent Trustees in performing their responsibilities. As discussed above and in consideration of other factors not referenced herein, the function of the Board with respect to its leadership role concerning risk management is one of oversight and not active management or coordination of the Fund's day-to-day risk management activities.

The role of the Fund's Audit Committee is to assist the Board in its oversight of: (i) the quality and integrity of Fund's financial statements, reporting process and the independent registered public accounting firm (the "independent accountant") and reviews thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent accountant's qualifications, independence and performance. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Charter") that was most recently reviewed and approved by the Audit Committee on December 21, 2016. The Charter is available at the Fund's website, www.cloughglobal.com. As set out in the Charter, management is responsible for maintaining appropriate systems for accounting and internal control and the Fund's independent accountant is responsible for planning and carrying out proper audits and reviews. The independent accountant is ultimately accountable to the Fund's Board and Audit Committee, as representatives of the Fund's shareholders. The independent accountant for the Fund reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on December 21, 2016, the Audit Committee reviewed and discussed with management of the Fund and the independent accountant, Cohen Fund Audit Services, Ltd. (“Cohen”), the audited financial statements of the Fund as of and for the fiscal year ended October 31, 2016, and discussed the audit of such financial statements with the independent accountant.

In addition, the Audit Committee discussed with the independent accountant the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountant required by the Public Company Accounting Oversight Board (“PCAOB”) Audit Standard No. 16 Communications with Audit Committees. The Audit Committee also received from the independent accountant the written disclosures and letters required by PCAOB Rule 3526, Communication with Audit Committees Concerning Independence, and discussed the relationship between the independent accountant and the Fund and the impact that any such relationships might have on the objectivity and independence of the independent accountant.

As set out above, and as more fully set out in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund’s financial reporting procedures, internal control systems and the independent audit process.

The members of the Audit Committees are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent verification of the facts presented to it or representation made by management or the Fund’s independent accountant. Accordingly, the Audit Committee’s oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions referred to above do not provide assurance that the audit of the Fund’s financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund’s independent accountant, and subject to the limitations on the responsibilities and role of the Audit Committee set out in the Charter and those discussed above, the Audit Committee recommends that the Fund’s audited financial statements, subject to the modifications discussed at the December 21, 2016 Audit Committee meeting, be included in the Fund’s Annual Report for the fiscal year ended October 31, 2016.

Audit Committee

The Audit Committee met 3 times during the fiscal year ended October 31, 2016. The Audit Committee is composed of six Independent Trustees, namely Messrs. Butler, Crescenzi, Mee, Rantzow, Rutledge and Judge Versaci. None of the members of the Audit Committee are "interested persons" of the Fund. It is expected that Ms. DiGravio and Mr. Weber will join the Audit Committee upon joining the Board.

Based on the findings of the Audit Committee, the Audit Committee has determined that Mr. Richard C. Rantzow is the Fund's "audit committee financial expert," as defined in the rules promulgated by the SEC, and as required by NYSE MKT listing standards. Mr. Rantzow serves as the Chairman of the Audit Committee for the Fund.

Nominating Committee

The Fund's Board has a Nominating Committee composed of six Independent Trustees as the term is defined by the NYSE MKT listing standards, namely Messrs. Butler, Crescenzi, Mee, Rantzow, Rutledge and Judge Versaci. None of the members of the Nominating Committee are "interested persons" of the Fund. It is expected that Ms. DiGravio and Mr. Weber will join the Nominating Committee upon joining the Board. The Nominating Committee operates pursuant to the Nominating Committee Charter (the "Charter") that was most recently reviewed and approved by the Nominating Committee on October 5, 2016. The Charter is available at the Fund's website, www.cloughglobal.com. The Nominating Committee met three times during the fiscal year ended October 31, 2016. The Nominating Committee is responsible for identifying and recommending to the Board individuals believed to be qualified to become Board members and officers of the Fund in the event that a position is vacated or created. Mr. Crescenzi serves as Chairman of the Nominating Committee of the Fund.

When such vacancies or creations occur, the Nominating Committee will consider Trustee candidates recommended by a variety of sources. The Nominating Committee has a diversity policy. In considering Trustee candidates, the Nominating Committee will take into consideration the interest of shareholders, the needs of the Board and the Trustee candidate's qualifications, which include but are not limited to, the diversity of the individual's professional experience, education, individual qualification or skills.

Shareholders may submit for the Committee's consideration recommendations regarding potential independent Board member nominees. The Charter of the Committee (which is available at www.cloughglobal.com) includes criteria that the Committee will assess in determining whether it will consider a shareholder's submission. In addition, the by-laws of the Fund contain detailed requirements regarding information that must be included with any shareholder proposal.

It shall be in the Committee's sole discretion whether to seek corrections of a deficient submission or to exclude a nominee from consideration.

Executive Committee

The Executive Committee meets periodically to take action, as authorized by the Board, if the Board cannot meet. Members of the Executive Committee are currently Messrs. Burke, Butler and McNally. During the fiscal year ended October 31, 2016, the Executive Committee did not meet. Mr. McNally joined the Executive Committee in May 2017.

Compensation Committee

The Fund does not have a compensation committee.

Other Board Related Matters

The Fund does not require Trustees to attend the Annual Meeting of Shareholders. No Trustees attended the Fund's Annual Meeting of Shareholders held in 2016.

PROPOSAL 2

SHAREHOLDER PROPOSAL

A shareholder, Saba Capital Series Leverage Master Fund, Ltd. ("Saba Capital Fund"), through its investment adviser, Saba, has informed the Fund that it intends to submit a proposal at the Meeting and has requested that the Fund include the proposal in this year's proxy material. The Fund will provide the address and number of shares held by Saba Capital Fund promptly upon receiving an oral or written request.

FOR THE REASONS DISCUSSED BELOW, YOUR BOARD OF TRUSTEES STRONGLY SUPPORTS THE FUND'S CLASSIFIED BOARD STRUCTURE AND THEREFORE UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE AGAINST THE SHAREHOLDER'S PROPOSAL.

If properly presented, the following proposal will be voted on at the Meeting by the shareholders of the Fund. Voting on this matter would serve only as an advisory vote. As required by the rules of the Securities and Exchange Commission, the text of the resolution and supporting statement of the shareholder, for which the Fund accepts no responsibility, are included below as submitted by the shareholder. The Board's statement in opposition to this proposal follows immediately after the proposal and supporting statement.

PROPOSAL

“BE IT RESOLVED, that the shareholders of Clough Global Dividend and Income Trust [sic] (the “Trust”) hereby request that the Board of Trustees of the Trust (the “Board”) take all necessary steps in its power to declassify the Board so that all directors are elected on an annual basis starting at the next annual meeting of shareholders. Such declassification shall be completed in a manner that does not affect the unexpired terms of the previously elected trustees.”

SUPPORTING STATEMENT

Corporate Governance

We believe the annual election of all trustees encourages board accountability to its shareholders and when trustees are held accountable for their actions, they perform better. This view is shared by most shareholders and institutional investors, who believe it to be the standard for corporate governance best practices. The vast majority of companies in the S&P 500 and Russell 1000 indexes elect all board members annually.

Currently, the Board is divided into three classes serving staggered three-year terms. It is our belief that the classification of the Board is strong proof that the Board is not acting in the best interests of shareholders. A classified board protects the incumbents, which in turn limits accountability to shareholders.

We are committed to improving the corporate governance of the Trust for the benefit of all shareholders. Declassification of the Board is a positive step which will allow more productive shareholder engagement and will help the Trust achieve its optimal valuation.

Disappointing Performance

The Trust’s long-term performance has been disappointing. Sadly, the Trust has traded at an average discount to Net Asset Value (“NAV”) of more than ~14% over the last three years. The Trust’s discount to NAV is among the largest and most persistent in the entire closed-end Trust industry and it indicates that the market has lost faith in the Board’s ability to significantly increase value for shareholders.

The Board has failed to take proactive steps to address this discount to NAV, and we believe shareholder value would increase if the Board did take such steps. By way of comparison, other Trusts in the Trust’s peer group have liquidated, pursued open-ending, increased dividend distributions and tendered for shares as a means to increase shareholder value. Thus, we believe that the Trust should adopt a governance structure that would allow the Trust to increase shareholder value.

For a greater voice in the Trust’s corporate governance and to increase the accountability of the Board to shareholders, we urge you to vote FOR this proposal.

The proposal is reproduced as submitted by Saba Capital Fund. The “[sic]” designation reflects the fact that the name *of the fund intended to be referenced is Clough Global Opportunities Fund not Clough Global Dividend and Income Fund.

STATEMENT OF THE BOARD OF TRUSTEES IN OPPOSITION OF THE
SHAREHOLDER PROPOSAL

After careful and thoughtful consideration, the Board, including the Independent Trustees who constitute a majority of the Fund's Board, has unanimously determined that this proposal is not in the best interests of the Fund or its shareholders. Accordingly, the Board recommends that you vote to protect the classified board structure that has served shareholders well by voting "No" on Proposal 2.

The Board is comprised of highly qualified individuals that are committed to the Fund's long-term ability to achieve its investment objectives. The Board of Trustees believes that the classified board structure continues to provide the Fund and its shareholders with important benefits, including strengthening the independence of the Board and providing stability and continuity of management.

Staggered Board Enhances Board Independence. Electing trustees to three-year terms enhances the independence of non-management trustees by providing them with a longer term of office. This longer term provides additional independence from management and from special interest groups, such as the dissident shareholder that made the proposal, which may have an agenda contrary to the long-term interests of all shareholders. As a result, independent trustees are able to make decisions that are in the best interest of Fund shareholders. The staggered board prevents a complete turnover of the Board, and a corresponding radical change in direction, in any one year.

Staggered Board Promotes Stability and Continuity in a Complex Fund. The Fund is complicated, using leverage and short selling and other techniques to grow capital and returns. The regulations to which the Fund is subject are also complicated. It takes time to master these complexities. The Board has from inception been divided into three classes that serve staggered three-year terms. The Board is structured this way to provide stability, continuity and independence, while also enhancing long-term planning. It also ensures that there are experienced trustees serving on the Board who are familiar with the Fund, its operations and its investment strategy. A classified Board helps attract and retain trustees who are willing to make long-term commitments of their time and energy. While a classified board structure provides the Board with some protection against abusive tactics and artificial pressures, more importantly for shareholders, it also provides the Board the time and opportunity to engage activist stockholders in good-faith, arm's-length discussions and negotiate the best result for the Fund. Absent the classified Board, an activist stockholder (or group of stockholders) could gain control of the Fund by acquiring or obtaining enough shares to replace the entire Board with its own nominees at a single annual meeting. This could result in radical changes to the way the Fund is operated—even changes to the investment strategies that were the reason shareholders invested.

Staggered Board Promotes Accountability to Shareholders. The proponent’s assertion that the classified board structure minimizes a Trustee’s accountability to the Fund’s shareholders is wrong. Trustees elected to three-year terms are just as accountable to shareholders as trustees elected annually, since all Trustees are required to uphold their fiduciary duties to the Fund and its shareholders regardless of term. The Board has implemented measures to ensure accountability of the Trustees, by providing for annual evaluations of Trustee independence and an annual self-assessment of the Board’s performance. The Board reviews matters relating to the Fund, including performance matters and trading discounts, on an ongoing basis and seeks to balance the interests of all shareholders of the Fund. The Fund’s shareholders already have a variety of tools at their disposal to ensure that Trustees who are elected to the Board are accountable to them. These tools include nominating alternative candidates to the Board, withholding votes from Trustees who are standing for election, publicity campaigns and meeting with trustees to express shareholder concerns. Shareholders have successfully used these accountability tools at many public companies, including closed-end investment companies like the Fund.

Staggered Board was part of Original Fund Structure. The Fund was originally offered to investors with a classified board as an integral part of its structure. So integral was this element that the Fund’s charter provides that only shareholders can change it and to do so requires an affirmative vote of 75% of the outstanding shares.

Staggered Board is Recognized under Investment Company Act. The Investment Company Act, which regulates the Fund’s activities and the composition of its Board of Trustees, explicitly recognizes that classified boards of directors facilitate the purposes of the Act—that investment companies should be managed and invest their assets in the interests of all security holders rather than the self-interested goals of short-term opportunistic investors looking for immediate liquidity even at the expense of shareholders who purchased shares as part of a long term investment strategy.

Board’s Active Oversight of Fund Performance. The Fund’s investment adviser regularly reports to the Board on performance and the Board and the Adviser together have taken steps to achieve shareholders’ performance goals. Those efforts have produced positive results. In the past year, the Fund has posted double digit returns for both the year-to-date and 1-year periods. The Fund’s investment adviser in consultation with the Board has reduced the Fund’s gross exposures, instituted an expense reduction initiative, and focused the Fund’s investment portfolio by taking more significant positions in the adviser’s best ideas. The Board believes these changes have made a significant impact in terms of improved performance as shown in the Fund’s performance below:

Board-Approved Actions to Address the Discount. The dissident shareholder complains that the Fund has not taken action to address the market value discount of the shares relative to their net asset value. This is not correct. In fact, the Board is proactive in monitoring the level of the discount and balancing the Fund’s ability to achieve its investment objective over the long term with the benefits of narrowing the difference between the market price of the shares and their net asset value. The Fund has maintained a very attractive distribution rate since inception. The Trustees have taken action on several occasions to attempt to make Fund shares more attractive with the aim of addressing the market discount. The Trustees have raised the distribution rate, increased the frequency of payments to monthly (from quarterly) and instituted share buy-back programs. The Board has also taken steps to reduce Fund expenses in an effort to enhance shareholder value and make Fund shares more attractive to the market. On an annualized basis, for the 6 months ending 4/30/17 as compared to the fiscal year ending 10/31/2015, expenses have been reduced at least 33%. Market discounts are a closed-end fund industry-wide phenomenon and the Board, despite its best efforts, has been unable to eliminate a problem the whole industry has struggled with for years.

Institutional Proxy Service Guidelines. The Trustees believe that the dynamics of closed-end funds are very different from those of industrial companies in relation to classified boards and need to be taken into account. The Board believes as a result that the institutional proxy service guidelines typically applied to classified board structures should not apply to closed-end funds. If you utilize a proxy advisory firm, please consider carefully whether that firm’s recommendation takes into account the Board’s actions with regard to the Fund and the reasons for the Board’s opposition to this Proposal. Investment advisers who have discretion to vote shares of the Fund held by their clients should independently assess the Board’s specific rationale for opposing this Proposal when determining whether to follow the generic proxy voting guidelines issued by proxy advisory firms.

THE FUND'S BOARD, INCLUDING THE INDEPENDENT TRUSTEES, UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "AGAINST" PROPOSAL 2.

REQUIRED VOTE

Proposal 1

The election of each of the listed nominees for Trustee of the Fund requires the affirmative vote of the holders of a plurality of the Shares of the Fund entitled to vote and represented at the Fund's Meeting, if a quorum is present.

Proposal 2

Pursuant to the authority granted to the Trustees in Section 6.4(b) of the Fund's Agreement and Declaration of Trust, the Board has adopted a resolution requiring the affirmative vote of a majority of the holders of the Shares entitled to vote, if a quorum is present, to adopt Proposal 2.

Broker Non-Votes and Abstentions

Votes will be counted as either "FOR" or "AGAINST." Abstentions or broker non-votes will not be counted as votes cast. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of the Fund's quorum. Accordingly, abstentions or broker non-votes will have no effect on Proposal 1 and will have the effect of a vote against Proposal 2.

Shareholders of the Fund will be informed of the voting results of its Meeting in the Fund's Annual Report dated October 31, 2017.

THE FUND'S BOARD, INCLUDING THE INDEPENDENT TRUSTEES, UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE ELECTION OF THE FUND'S NOMINEES BY USING THE WHITE PROXY CARD.

The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman of the Audit Committee must report to the Fund's Audit Committee at its next regularly scheduled meeting after the Chairman of the Audit Committee's pre-approval of such services, his decision(s). The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the investment adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Adviser, and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent accountant during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or Audit Committee Chairman prior to the completion of the audit. All of the audit and audit-related services and tax services described above for which Cohen billed the Fund fees for the fiscal year ended October 31, 2016, were pre-approved by the Audit Committee.

In addition to the solicitation of proxies by internet or mail, officers of the Fund and officers and regular employees of DST Systems, Inc. ("DST"), the Fund's transfer agent, ALPS Fund Services, Inc. ("ALPS"), the Fund's administrator, and affiliates of DST, ALPS or other representatives of the Fund may also solicit proxies by telephone, internet or in person. The Fund has engaged Okapi Partners LLC, a proxy solicitation firm, to assist in the solicitation of proxies. It is anticipated that Okapi Partners LLC will be paid solicitation fees not to exceed \$[] plus expenses for such solicitation services, which costs are to be borne by the Fund. The expenses incurred in connection with preparing the Proxy Statement and its enclosures will be paid by the Fund. The Fund will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of the Fund's Shares. In addition, the Fund has engaged Computershare Fund Services ("Computershare") to assist in the proxy effort for the Fund. Under the terms of the engagement, Computershare will be providing a website for the dissemination of these proxy materials and tabulation services.

Clough is the investment adviser for the Fund, and its business address is One Post Office Square, 40th Floor, Boston, Massachusetts 02109.

ALPS is the administrator for the Fund, and its business address is 1290 Broadway, Suite 1100, Denver, Colorado 80203.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's officers and Trustees, officers and directors of the investment adviser, affiliated persons of the investment adviser, and persons who beneficially own more than 10% of a registered class of the Fund's Shares (the "Reporting Persons") to file reports of ownership and changes in ownership with the SEC and the NYSE MKT and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on these reports and other information provided to the Fund by the Reporting Persons, the Fund believes that all Reporting Persons timely filed the required reports during fiscal year ended October 31, 2016.

OTHER MATTERS TO COME BEFORE THE MEETING

The Trustees of the Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their judgment.

Shareholder Communications with Board of Trustees

Shareholders may mail written communications to the Fund's Board, to committees of the Board or to specified individual Trustees in care of the Secretary of the Fund, 1290 Broadway, Suite 1100, Denver, Colorado 80203. All shareholder communications received by the Secretary will be forwarded promptly to the Board, the relevant Board's committee or the specified individual Trustees, as applicable, except that the Secretary may, in good faith, determine that a shareholder communication should not be so forwarded if it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in the Fund or is purely ministerial in nature.

SHAREHOLDER PROPOSALS

Any shareholder proposal to be considered for inclusion in the Fund's proxy statement and form of proxy for the annual meeting of shareholders to be held in 2017 should have been received by the Secretary of the Fund no later than February 20, 2017. To submit a shareholder proposal for the Fund's annual meeting, a shareholder is required to give to the Fund notice of, and specified information with respect to any proposals pursuant to Rule 14a-8 under the 1934 Act by April 5, 2018. In addition, pursuant to the Fund's By-Laws, a shareholder is required to give to the Fund notice of, and specified information with respect to, any proposals that such shareholder intends to present at the 2017 annual meeting not later than the close of business on the one hundred twentieth (120th) day, nor earlier than one hundred fiftieth (150th) day, prior to the first anniversary of the preceding year's annual meeting. Under the circumstances described in, and upon compliance with, Rule 14a-4(c) under the 1934 Act, the Fund may solicit proxies in connection with the 2018 annual meeting which confer discretionary authority to vote on any shareholder proposals of which the Secretary of the Fund does not receive notice in accordance with the aforementioned date. Timely submission of a proposal does not guarantee that such proposal will be included.

HOUSEHOLDING OF PROXY MATERIALS

Shareholders who share the same address and last name may receive only one copy of the proxy materials unless Computershare, in the case of shareholders of record, or such shareholder's broker, bank or nominee, in the case of shareholders whose shares are held in street name, has received contrary instructions. This practice, known as "householding," is designed to reduce printing and mailing costs. Shareholders desiring to discontinue householding and receive a separate copy of the proxy materials, may (1) if their shares are held in street name, notify their broker, bank or nominee or (2) if they are shareholders of record, direct a written request to Computershare.

IF VOTING BY PAPER PROXIES, IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND A MEETING ARE THEREFORE URGED TO COMPLETE, SIGN, DATE, AND RETURN THE WHITE PROXY CARD AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID ENVELOPE.
