UNITED INSURANCE HOLDINGS CORP.
PROXY STATEMENT FOR 2011 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON WEDNESDAY, JUNE 15, 2011
GENERAL INFORMATION

General

The accompanying proxy is solicited by the Board of Directors of United Insurance Holdings Corp. (hereinafter referred to as United, we, our, and us) for our 2011 Annual Meeting of Stockholders (the Annual Meeting) to be held at our office located at 360 Central Ave, Suite 900, St. Petersburg, Florida 33701 on Wednesday, June 15, 2011 at 11:00 a.m. Eastern Daylight Time. The matters to be considered and acted upon at the meeting are set forth in our attached Notice of Annual Meeting of Stockholders. This Proxy Statement for our 2011 Annual Meeting (this Proxy Statement), our Notice of Annual Meeting of Stockholders, the enclosed proxy, our 2010 Annual Report, and our Notice of Internet Availability of Proxy Materials will be sent to our stockholders on or about May 13, 2011. Included in our 2010 Annual Report is our annual report on Form 10-K for the fiscal year ended December 31, 2010, as filed with the Securities and Exchange Commission (the SEC), which can be found on the SEC's website at www.sec.gov. Copies of the exhibits filed with our Form 10-K may be obtained by providing a written request to our Secretary, c/o United Insurance Holdings Corp., 360 Central Avenue, Suite 900, St. Petersburg, Florida 33701.

Our Board of Directors (our Board) does not know of any other matters that are likely to be brought before the Annual Meeting other than those specified in the notice thereof. If any other matters properly come before the Annual Meeting; however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Annual Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned prior to voting at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. Except as set forth below, in the absence of instructions, executed proxies will be voted "FOR" the two nominees for the Board and "FOR" the ratification of the appointment by the Audit Committee of our Board of McGladrey & Pullen, LLP as our independent registered public accounting firm for 2011. Please note that, under New York Stock Exchange rules, your broker will NOT be able to vote your shares with respect to the election of directors if you have not provided instructions to your broker. We therefore strongly encourage you to submit your proxy and exercise your right to vote as a stockholder.

Outstanding Securities and Voting Rights

Our Board has fixed the record date for the determination of stockholders entitled to notice of and to vote at our Annual Meeting as the close of business on April 25, 2011 (the Record Date). As of that date, there were 10,573,932 shares of our Common Stock (Common Stock) outstanding and entitled to vote. Each share of our Common Stock is entitled to one vote on each of the matters listed in our Notice of Annual Meeting.

Voting Information

The presence of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting, in person or represented by proxy, is necessary to constitute a quorum. Abstentions and "broker non-votes" are counted as present and entitled to vote for the purpose of determining whether a quorum is present. A "broker non-vote" occurs when a bank, broker or other holder of record, holding shares for a beneficial owner, does not vote on a particular proposal because that holder does not have discretionary voting power under the rules of the New York Stock Exchange (NYSE) for that particular item and has not received instructions from the beneficial owner. The Company believes that Proposal Two (the ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accounting firm for 2011) is a routine matter on which brokers will be permitted to vote your shares even if you have not provided instructions to your broker.

The election of directors (Proposal One) is no longer considered a routine matter under the rules of the NYSE and brokers may not vote on behalf of their clients if no voting instructions have been furnished. Please vote your shares on the election of directors.

Directors will be elected by a plurality of the votes cast by shares entitled to vote at the Annual Meeting. Therefore, the two nominees for director receiving the greatest number of votes will be elected. Abstentions and broker non-votes will not affect the outcome of the vote on the election of directors.

Stockholder ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accounting firm is not required by our Certificate of Incorporation, our By-Laws or any other applicable legal requirement. Our Certificate of Incorporation (as amended and restated) provides that our directors may submit any act for approval or ratification at any annual meeting of our stockholders and that the approval or ratification of such act will require the vote of the holders of a majority of our stock represented in person or by proxy and entitled to vote at the meeting (provided that a quorum of stockholders is represented in person or by proxy). Accordingly, the appointment of McGladrey & Pullen, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011 will be ratified upon the receipt of the affirmative vote of the holders of a majority of our stock represented in person or by proxy and entitled to vote at the Annual Meeting, provided that a quorum is represented. Abstentions will be included in the calculation of the number of shares represented and entitled to vote at the Annual Meeting and will therefore count as votes against the ratification of the appointment of McGladrey & Pullen, LLP.

We have appointed an Inspector of Elections for our Annual Meeting who will tabulate all of the votes at our Annual Meeting. We will make available for examination by any stockholder at our office at 360 Central Avenue, Suite 900, St. Petersburg, Florida 33701, for a period of ten (10) days prior to the Annual Meeting, a list of our stockholders entitled to vote at our Annual Meeting.

Attendance

All stockholders as of the close of business on the Record Date, or their duly appointed proxy holders, may attend our Annual Meeting. Registration will begin at 10:30 a.m., and ample time should be allowed for check-in procedures. If you attend, please note that you may be asked to present valid photo identification, such as a driver's license or passport. If you are a stockholder of record, we will verify your name against the list of our stockholders as of the Record Date, prior to admittance to our Annual Meeting. Please also note that if you are a beneficial holder and hold your shares through a broker, bank or other holder of record (i.e. in "street name"), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date before you can be admitted to our Annual Meeting.

You may attend our Annual Meeting and vote in person, regardless of whether you have previously voted by proxy card or by Internet. If you are a beneficial owner of our Common Stock and if you obtain a legal proxy from your broker, bank or other holder of record and present it to the Inspector of Elections along with your ballot, you may vote in person at our Annual Meeting. We encourage you to vote your shares in advance of our Annual Meeting, even if you plan on attending. If you have already voted, you may nevertheless revoke your vote in the manner described below and vote in person at our Annual Meeting.

Directions

To obtain directions to attend our Annual Meeting and vote in person, please contact John Rohloff, SEC Reporting Manager, at 727-895-7737.

Revocation

You may revoke your proxy at any time before the vote at our Annual Meeting by written notice mailed or delivered to our Secretary, by delivering a proxy bearing a later date or by attending the meeting and voting in person. If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other holder of record. You may also vote in person at our Annual Meeting if you obtain a legal proxy, as described in the section above entitled "Attendance."

Expense and Manner of Solicitation

Our Board is soliciting the proxy accompanying this Proxy Statement. We will bear the entire cost of this solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy, and any additional information furnished to our stockholders. We may solicit proxies through the mail, or proxies may be solicited by our directors, executive officers, and other employees, in person or by telephone. No additional compensation will be paid to our directors, executive officers, or other employees for their services. We will also request banks, brokers, and other stockholders of record to forward proxy materials, at our expense, to the beneficial owners of our shares.

Delivery of Documents to Security Holders Sharing an Address

Some banks, brokers and other nominee record holders may be employing procedures approved by the SEC called "householding." This means that only one copy of our Proxy Statement and Annual Report will be sent to stockholders who share the same address. Householding is designed to reduce duplicate mailings and save significant printing and postage costs. Stockholders who participate in householding will continue to receive separate proxy cards.

If you receive a household mailing this year and would like to receive additional copies of our Annual Report and Proxy Statement, please submit your request in writing to: United Insurance Holdings Corp., 360 Central Avenue, Suite 900, St. Petersburg, Florida 33701, Attention: Secretary or by calling us at 727-895-7737, and we will mail the requested copies to you promptly. Any holder who wants to receive separate copies of the Proxy Statement and Annual Report in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact his or her bank, broker, or other nominee record holder.

Deadline for the Submission of Stockholders' Proposals for the 2012 Annual Stockholders' Meeting

We are required by SEC regulations to disclose in this Proxy Statement the date by which stockholder proposals must be received by us in order to be included in our proxy materials for our next annual meeting. In accordance with these regulations, stockholders are hereby notified that if, pursuant to Rule 14a-8, they wish a proposal to be included in our proxy statement and form of proxy relating to our 2012 annual meeting, a written copy of their proposal must be received at the address listed on page one of this Proxy Statement no later than January 14, 2012. Proposals must comply with the SEC proxy rules relating to stockholder proposals in order to be included in our proxy materials. Notice of a stockholder proposal submitted outside the processes of Rule 14a-8 will be considered untimely if the proposal is received by us after March 29, 2012. The proxy solicited by our Board for the 2012 annual meeting will confer discretionary authority on the persons named in such proxy to vote on any stockholder proposal presented at that meeting that was not timely submitted to us.

All proposals or nominations a stockholder wishes to submit at the meeting should be directed to Melvin A. Russell, Corporate Secretary, United Insurance Holdings Corp., 360 Central Avenue, Suite 900, St. Petersburg, Florida 33701.

PROPOSAL ONE – ELECTION OF DIRECTORS

Our Board is currently divided into two classes, each of which generally serves for a term of two years, typically with only one class of directors being elected in each year.

The term of office for our Class A Directors, consisting of James R. Zuhlke, and Larry G. Swets, Jr., will expire at this Annual Meeting. Messrs. Zuhlke and Swets have been nominated for re-election at our Annual Meeting. Each director elected at our Annual Meeting will serve until their successors are elected and qualified at our 2013 annual meeting of stockholders. Biographical information is provided for each director beginning on page five below.

The term of office for our Class B Directors, consisting of Gregory C. Branch, Gordon G. Pratt, Donald J. Cronin, Alec L. Poitevint II, and Kent G. Whittemore, will expire at our 2012 annual meeting of stockholders.

Each nominee elected as director will continue in office until his or her successor has been elected and qualified, or until his earlier death, resignation or retirement. All of the nominees have agreed to serve if elected and have consented to being named in this Proxy Statement. If a nominee is unable or unwilling to serve at the time of the election, proxies will be voted in favor of the remainder of those nominated, and may be voted for substitute nominees unless the Board chooses to reduce the number of directors serving on the Board. Proxies received by us will be voted FOR the election of these two directors, unless marked to the contrary. A stockholder who desires to withhold voting of the proxy for all, or any individual nominee(s) may so indicate on the proxy.

Recommendation of the Board

Our Board unanimously recommends that you vote “FOR” the election of Messrs. Zuhlke and Swets as Class A Directors for two-year terms.

In 1976, Mr. Zuhlke started his first insurance business, Washington International Insurance Company, and served as its President and Chief Executive Officer. In 1980, he co-founded insurance underwriting operations which in 1986 became Intercargo Corporation. At Intercargo, he was President and Chairman of the board of directors. Mr. Zuhlke holds a bachelor's degree (1968) and a Juris Doctor's degree (1971) from the University of Wisconsin. He is a member of the Wisconsin, Illinois and American Bar Associations.

Our Board selected Mr. Zuhlke to serve on our Board based upon his executive experience in the insurance industry including his risk oversight and risk management experience.

On September 30, 2008, a wholly-owned subsidiary of FMG merged with and into UIH, with UIH remaining as the surviving entity. In connection with the merger, FMG changed its name to United Insurance Holdings Corp. Prior to the merger, FMG was a blank check company with no operations, formed as vehicle for an acquisition of an operating business.

Director Independence

Three of our seven directors, Messrs. Zuhlke, Poitevint and Whittemore, who are also members of the Audit Committee, are "independent" under the NASDAQ Marketplace Rules and requirements. Although we are not required to adopt director independence standards by a national securities exchange or an inter-dealer quotation system, in order to identify our directors and/or director-nominees who qualify as independent directors, we have adopted the director independence standards as set forth in the NASDAQ Marketplace Rules.

Messrs. Branch and Whittemore are members of both our Nominating and Corporate Governance Committee and our Compensation and Benefits Committee. Mr. Pratt is a member of our Nominating and Corporate Governance Committee and Mr. Poitevint is a member of our Compensation and Benefits Committee. Messrs. Whittemore and Poitevint are "independent" directors under the NASDAQ Marketplace Rules for director independence; however, Messrs. Branch and Pratt, are not "independent" directors under the NASDAQ Marketplace Rules.

Meetings and Meeting Attendance

Our Board held nine meetings and acted by unanimous written consent in lieu of a meeting one time during 2010. All directors attended all of our Board meetings during the last fiscal year. Four directors attended our 2010 annual meeting. We do not have a formal policy with respect to director attendance at annual meetings; however, all of our directors are encouraged to attend.

Board Committees

Our Board has three formal committees: a Nominating and Corporate Governance Committee, a Compensation and Benefits Committee, and an Audit Committee.

The following table provides the current membership for each of our Board committees:

	Nominating and Governance	Compensation and Benefits	Audit
Gregory C. Branch	X	X	
Gordon G. Pratt	X		
Donald J. Cronin			
Alec L. Poitevint, II		X	X
Larry G. Swets, Jr.			
Kent G. Whittemore	Chair	Chair	X
James R. Zuhlke			Chair

Below is a description of each committee of our Board. Our Audit, Nominating and Corporate Governance, and Compensation and Benefits Committees all have authority to engage legal counsel or other advisors or consultants as the committees deem appropriate to carry out their committee responsibilities.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee (our Nominating Committee) assists our Board with the following:

- identifying qualified individuals to become directors,

- recommending to our Board qualified director nominees for election at the stockholders' annual meeting and determining membership on Board committees,

- recommending a set of Corporate Governance Guidelines,

- overseeing annual self-evaluations by our Board and annual self-evaluations of itself, and

- reporting annually to our Board on the Chief Executive Officer succession plan.

Our Nominating Committee operates under a formal written charter that governs its duties and standards of performance. Our Nominating Committee reviews its charter annually for appropriate revisions. Copies of the charter can be obtained free of charge on our web site at www.upcic.com or by contacting our Secretary at the address appearing on the first page of this Proxy Statement.

Our Board selects the director nominees to stand for election at our annual stockholder meetings and to fill vacancies occurring on our Board based on the recommendations of our Nominating Committee. Our Nominating Committee has not adopted minimum qualifications for director nominees. Our Nominating Committee selects nominees for director on the basis of experience, integrity, skills, diversity, ability to make independent analytical inquiries, understanding of our business environment and willingness to devote adequate time to Board duties, all in the context of an assessment of the perceived needs of the Board at a given point in time. While our Nominating Committee does consider diversity as one of several criteria for eligibility, we have not adopted a formal diversity policy. In addition to the individual attributes of our directors discussed above, we highly value the collective business experience and qualifications of the directors. We believe that the collective experiences, viewpoints and perspectives of our directors result in a Board with the commitment and energy to advance the interests of our stockholders.

We do not have any arrangements with third parties to identify or evaluate potential director nominees. Our Nominating Committee may consider current members of our Board for re-election unless they have notified our Board that they do not wish to stand for re-election. Our Nominating Committee may also consider candidates for our Board recommended by current members of our Board or members of management. In addition, our Nominating Committee will consider director candidates recommended by our stockholders in the same manner as it would consider any other recommended nominees. Any stockholder wishing to recommend a nominee for director should notify our Secretary in writing and include, at a minimum, (i) the name and address, as they appear in our books, of the stockholder giving the notice, (ii) the class and number of our Common Stock shares that are beneficially owned

by the stockholder, (iii) a statement that the candidate is willing to be nominated and to serve as a director if elected, and (iv) any other information regarding the candidate that the SEC would require to be included in a proxy statement. If our Nominating Committee determines that a stockholder recommended candidate is suitable for Board membership, it will include the candidate in the pool of candidates to be considered for nomination upon the occurrence of the next Board vacancy or in connection with the next annual meeting of our stockholders.

Pursuant to the above procedures, once our Nominating Committee has identified prospective nominees, background information will be solicited on the candidates, following which they will be investigated, interviewed and evaluated by our Nominating Committee, which will then report to the Board.

Our Nominating Committee recommended the two incumbent director nominees for our Annual Meeting to our Board who approved their recommendation.

Our Nominating Committee met one time during 2010 with all members attending the meeting.

Compensation and Benefits Committee. Our Compensation and Benefits Committee assists our Board with its responsibilities relating to the compensation of our directors and officers and has overall responsibility for recommending the director and officer compensation plans, policies and long-term compensation programs for final approval by our Board. The committee takes into account the goals and objectives of our company as approved by the Board when making recommendations for the Chief Executive Officer's and the Chief Financial Officer's compensation. Based on our Chief Executive Officer's recommendations, our Compensation and Benefits Committee will recommend any employment arrangements and bonus plans for officers other than our Chief Executive Officer. For information regarding the committee's processes and procedures for determining director compensation, please see the "Director Compensation for the Year Ended December 31, 2010 in the section entitled "Director and Executive Compensation" below. The committee may not delegate any of its authority to any other persons. The committee may engage compensation consultants; however, the committee has not engaged any compensation consultants to date.

Our Compensation and Benefits Committee operates under a formal written charter adopted by our Board that governs its duties and conduct. The Compensation and Benefits Committee reviews its charter annually for appropriate revisions. Copies of the charter can be obtained free of charge on our web site at www.upcic.com or by contacting our Secretary at the address appearing on the first page of this Proxy Statement.

Our Compensation and Benefits Committee did not meet during 2010.

Audit Committee. We established an Audit Committee in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. Our Audit Committee is comprised of James R. Zuhlke, Alec L. Poitevint, II and Kent G. Whittemore. Our Board has determined that Mr. Zuhlke is our audit committee financial expert as defined in Item 407(d)(5) of Regulation S-K. All three members of our Audit Committee are "independent" under both the general independence standards and the audit committee independence standards set forth in the NASDAQ Marketplace Rules.

Our Audit Committee operates under a formal written charter adopted by our Board that governs its duties and conduct. Our Audit Committee reviews its charter annually for appropriate revisions. Copies of the charter can be obtained free of charge on our web site at www.upcic.com or by contacting our Secretary at the address appearing on the first page of this Proxy Statement.

Our Audit Committee assists our Board in its oversight of the quality and integrity of our accounting, auditing, and reporting practices. Our Audit Committee's role includes monitoring:

- the integrity of our financial statements,
- our compliance with legal and regulatory requirements,
- the independent auditor's qualifications and independence,
- the performance of our independent auditors, and
- our business practices and ethical standards.

Our Audit Committee met five times during 2010 with all members attending four of the meetings and with two members of the Audit Committee attending the fifth meeting.

Audit Committee Report

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board in its general oversight of United's financial reporting, internal controls, and audit functions. Management is responsible for the preparation, presentation, and integrity of United's financial statements, which includes establishing procedures designed to reasonably assure compliance with U.S. generally accepted accounting principles (GAAP), applicable laws, and regulations.

McGladrey & Pullen, LLP, United's independent registered public accounting firm, is responsible for performing an independent audit of United's consolidated financial statements in accordance with generally accepted auditing standards and expressing an opinion on United's consolidated financial statements. The Audit Committee has ultimate authority and responsibility for selecting, negotiating the compensation of, evaluating and, when appropriate, replacing United's independent registered public accounting firm. The Audit Committee also has the authority to engage its own outside advisors, including experts in particular areas of accounting or law, as it determines appropriate, apart from counsel or advisors hired by management.

The Audit Committee is not comprised of professional accountants or auditors, its functions are not intended to duplicate or to certify the activities of management and the independent audit firm, and the Audit Committee cannot certify that the independent audit firm is "independent" under applicable rules. The Audit Committee serves in a Board-level oversight role in which it provides advice, counsel and direction to management and to the auditors based upon information it receives and upon the business, financial, and accounting experience of its members.

The Audit Committee met five times during 2010, including meeting once each quarter with the independent auditors, and with United's principal executive officer and principal financial officer to review United's interim and annual financial statements in advance of publication and quarterly earnings press releases. Management's and the independent auditor's presentations to and discussions with the Audit Committee cover various topics and events which may have significant financial impact, or those that are the subject of discussions between management and the independent auditors. Such topics include recent accounting pronouncements or changes in regulatory or reporting requirements, if any, which may affect United.

The Audit Committee has reviewed management's report on internal controls and the methodologies management uses to assure compliance with those controls. The Audit Committee has received recommendations from management and from outside consultants regarding the efficacy of the controls in place and opportunities to improve those controls. The Audit Committee has reviewed management's comprehensive response to a business risk assessment and had follow up discussions with third parties to the extent involved. Management has implemented the policy established by the Audit Committee allowing for the confidential, anonymous submission by employees of any concerns regarding questionable accounting or business practices. The Audit Committee has confirmed that the utilization of the established procedures does in fact result in notification to the committee. During the third quarter, the Audit Committee met and investigated a report received through this procedure utilizing assistance from the independent auditors and outside counsel. The Audit Committee found no facts to support the claim.

The Audit Committee has met separately with the independent auditors to review the auditor's qualifications and independence. The Audit Committee pre-approves all services to be provided by the independent auditors, including GAAP and statutory audit-related services, tax services and any other services. The Audit Committee generally provides pre-approval for up to one year related to a specific task or scope of work. Upon request from management, the Audit Committee approved an additional engagement of the auditors in connection with internal controls and Sarbanes-Oxley compliance. The Audit Committee Chairman has been delegated authority by the Audit Committee Charter to pre-approve additional services up to \$10,000 and to communicate such approval to the full committee. The Audit Committee met separately to conduct an evaluation of its own obligations under the Audit Committee Charter and to determine whether it fulfilled those obligations, to validate the qualification of its members, to confirm its members' independence, and to make recommendations to the Board concerning qualifications the Board should consider for future Audit Committee members.

As part of its oversight responsibility, the Audit Committee has reviewed and discussed the audited financial statements, the adequacy of financial controls and the effectiveness of United's internal control over financial reporting with management and McGladrey & Pullen, LLP. The Audit Committee also has discussed with McGladrey & Pullen, LLP the matters required to be discussed by Statement on Auditing Standards No. 114 (The Auditor's Communication with those Charged with Governance). The Audit Committee has received the written disclosures and the letter from McGladrey & Pullen, LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence. The Audit Committee also has discussed with McGladrey & Pullen, LLP that firm's independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in United's Annual Report on Form 10-K for the year ended December 31, 2010, which was filed with the Securities and Exchange Commission.

Board Leadership Structure and Board's Role in Risk Oversight

Our Board has a non-executive Chairman. This position is independent from management. The Chairman sets the agendas for and presides over the Board meetings. The Chief Executive Officer is a member of the Board and participates in meetings. The Board believes that this leadership structure is appropriate for our company at this time because it allows for independent oversight of management, increases management accountability and encourages an objective evaluation of management's performance.

The Board regularly devotes time during its meetings to review and discuss the most significant risks facing our company and management's process for identifying, prioritizing and responding to those risks. During these discussions, our Chief Executive Officer, our Chief Underwriting Officer and our Chief Financial Officer present management's process for the assessment of risks, a description of the most significant risks facing our company and any mitigating factors, plans or policies in place to address those risks. The Board has also delegated certain of its risk oversight responsibilities to its committees.

The Audit Committee bears responsibility for oversight of our company's policies with respect to risk assessment and risk management and must discuss major financial risk exposures facing our company and the steps our company has taken to monitor and control such exposures. The Audit Committee is also responsible for the oversight of our company's compliance with legal and regulatory requirements, which represent many of the most significant risks our company faces.

Communication with Directors

Shareholders may contact an individual director, our Board as a group, or a specified Board committee by sending correspondence addressed to our Secretary to the address appearing in the Notice of Annual Meeting or by sending an email to our investor relations email address at InvestorRelations@upcic.com. Each communication should specify the applicable addressee or addressees to which the communication is directed, as well as the general topic of the communication. We will initially receive and process communications before forwarding them to the addressee. We also may refer communications to other departments as applicable. We generally will not forward to our directors a communication that is primarily commercial in nature, relates to an improper or irrelevant topic, or is a request for general information regarding us.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and officers and persons who beneficially own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of such equity securities. Directors, officers and greater than 10% beneficial owners are required by SEC regulations to furnish us with all Section 16(a) forms they file.

Based solely on our review of the Section 16(a) forms furnished to us with respect to the year ended December 31, 2010 and the written representations received from certain reporting persons indicating that no Form 5 filings were required for them, we believe that, during the year ended December 31, 2010, all Section 16(a) reports required to be filed by our directors, officers, and greater than 10% beneficial owners were timely filed.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following is a summary of the transactions and series of related transactions, since January 1, 2009, in which we have been a participant, in which the amount involved exceeded the lesser of \$120,000 or one percent of the average of our total assets at year end for the last two completed fiscal years, and in which any of our executive officers, directors, beneficial holders of more than 5% of our Common Stock or the immediate family members of such officers, directors, and beneficial holders had or will have a direct or indirect material interest, other than compensation to our officers and directors for service as such.

Effective October 8, 2003, we entered into an investment-management agreement with Synovus Trust Company, N.A. (Synovus Trust). The agreement remains in effect until terminated by either party. Synovus Financial Corporation (Synovus) owns Synovus Trust, which provides discretionary investment management services for the investment accounts of our subsidiaries. Synovus owned 14.6% of our outstanding Common Stock at December 31, 2010 and 2009. During 2010 and 2009, our subsidiaries incurred combined fees under the agreement of \$0.1 million for each year.

We entered into a Loan Agreement, dated February 8, 2007, with Columbus Bank and Trust Company (CB&T) in which CB&T loaned \$33 million to us (the Loan Agreement). CB&T is an affiliate of Synovus. The initial promissory note provided for interest to be paid monthly and principal to be paid in 36 equal monthly installments of approximately \$0.9 million with all interest and principal due by February 20, 2010. We initially incurred interest at an annual rate of 400 basis points above the 30-Day LIBOR. In addition to the indebtedness under the Loan Agreement, we maintained deposit account arrangements and bank accounts with Synovus and its affiliates. On March 13, 2008, we entered into an amendment to the CB&T Loan Agreement which eliminated the "excess cash flow" provision of the loan. In addition, the minimum balance in the investment accounts at CB&T was increased from \$10 million to \$13 million with no future payments into investment accounts required. The interest rate was decreased from 400 to 300 basis points above the 30-Day LIBOR. On May 27, 2008, we, along with CB&T, agreed to modify the Loan Agreement to allow us to utilize the \$13.1 million that was currently held in escrow as a principal reduction to the term loan. The modification also eliminated the requirement for us to have any funds held in escrow. On August 11, 2008, we entered into a Second Amendment to the loan agreement with CB&T. The Second Amendment requires principal payments to cease after the July 2008 installment and recommence with the April 2009 installment. In accordance with the Second Amendment, we paid interest only payments on this loan from August 1, 2008 through April 1, 2009. On August 13, 2008, CB&T waived the debt covenant requirement related to maintenance of a minimum debt service coverage ratio of at least 2:1 on a quarterly basis. This covenant was reinstated on January 1, 2009 and is measured quarterly. On May 5, 2009, we entered into a Third Amendment to the Loan Agreement with CB&T which required principal payments to cease until loan maturity on February 20, 2010. During 2009, we incurred interest of \$0.1 million of interest expense. CB&T charged us standard industry rates. The largest aggregate amount of principal outstanding on the note for 2010 and 2009 was \$4.3 million. The remaining \$4.3 million balance on the note was paid in full in February 2010.

On September 29, 2008, we issued notes payable with a total face amount of \$7.5 million to HBK Master Fund L.P. and Bulldog Investors, two of our former stockholders who owned more than 5% of FMG prior to the merger. These notes are part of the Merger note agreement we entered into on August 15, 2008, with various accredited investors. In exchange for these two notes, we received 869,565 shares of our Common Stock, with a total value of \$6.9 million at the time the notes were issued. The notes bear interest at 11% per annum, and require semi-annual interest-only payments each April 1 and October 1. The entire principal balance is due and payable on September 29, 2011. For the years ended December 31, 2010 and 2009, total interest incurred related to these notes was \$0.3 million and \$0.8 million, respectively, and total discount amortized related to these notes was \$0.1 million and \$0.2 million respectively. The notes were paid in full in May 2010.

On September 29, 2008, we issued a note payable with a total face amount of \$0.5 million to United Noteholders, LLC, in exchange for cash. Director James R. Zuhlke owns an interest in United Noteholders, LLC, which is managed by directors Gordon G. Pratt and Larry G. Swets, Jr. This note was issued under the Merger note agreement we entered into on August 15, 2008 as discussed above. For the years ended December 31, 2010 and 2009, total interest incurred related to this note was less than \$0.1 million and \$0.1 million respectively, and total discount amortized related to this note was less than \$0.1 million for each year. The notes were paid in full in May 2010.

Effective March 30, 2011, our wholly-owned subsidiary United Property & Casualty Insurance (UPC) purchased \$2.25 million of up to \$3 million aggregate principal amount of promissory notes (HRM Notes) offered by Hamilton Risk Management Co., a Florida corporation engaged in the business of providing automobile insurance in Florida through its wholly-owned subsidiaries. The HRM Notes bear interest at the rate of two percent per annum. All outstanding principal of and interest on the HRM Notes is due on March 30, 2014. In consideration for its purchase of HRM Notes, UPC received a Class A limited partnership interest in Acadia Acquisition Partners, L.P., the parent company of Hamilton Risk Management. After repayment of

approximately \$18 million of indebtedness of Hamilton Risk Management, which includes the HRM Notes, and distributions to partners for payment of taxes on profits of the partnership, the limited partners of Acadia Acquisition Partners may receive operating distributions from the partnership. Our director, James R. Zuhlke, is acting as Executive Chairman of Hamilton Risk Management on an interim basis for which he will receive consulting fees. Our director, Larry G. Swets, Jr. is one of two managers of the limited liability company that serves as general partner of Acadia Acquisition Partners. Mr. Swets will not receive compensation for acting as a manager of the general partner absent the written consent of its sole member, Kingsway America Inc. Mr. Swets serves as President, Chief Executive Officer and a director of Kingsway America Inc., a wholly owned subsidiary of Kingsway Financial Services, Inc. Kingsway America Inc. owns a Class B limited partnership interest in Acadia Acquisition Partners and is the sole member of the general partner of Acadia Acquisition Company.

Unless noted above, we believe the terms obtained or consideration we paid or received, as applicable, in connection with the transactions described above were comparable to the terms available or the amounts that would be paid or received, as applicable, in arm's-length transactions. During 2009, we implemented a formal policy for reviewing related party transactions.

PROPOSAL TWO—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has approved the engagement of McGladrey & Pullen, LLP (McGladrey) as the independent registered public accounting firm to perform the audit of our consolidated financial statements for the year ending December 31, 2011. McGladrey performed the audit of our 2010 consolidated financial statements. McGladrey has advised our Audit Committee that neither it, nor any of its members, has any direct financial interest in United as a promoter, underwriter, voting trustee, director, officer or employee. We are asking the stockholders to ratify our Audit Committee's selection of McGladrey as our independent registered public accounting firm for the 2011 fiscal year. A representative of McGladrey is not expected to be present at our Annual Meeting; however if a McGladrey representative does attend, the representative will be available to respond to appropriate questions and will have the opportunity to make a statement if the representative desires to do so.

We are asking our stockholders to ratify the selection of McGladrey as our independent registered public accounting firm. Although ratification is not required by our Certificate of Incorporation, By-Laws or otherwise, the Board is submitting the selection of McGladrey to our stockholders for ratification because we value our stockholders' views on the appointment of our independent registered public accounting firm. If our stockholders fail to ratify the selection of McGladrey, it will be considered as a direction from the stockholders to our Board and our Audit Committee to consider the selection of a different firm and our Audit Committee will reconsider whether or not to retain McGladrey. In such event, our Audit Committee may retain McGladrey notwithstanding the fact that the stockholders did not ratify the selection, or may select another accounting firm without re-submitting the matter to a stockholder vote. Even if the selection is ratified, our Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interest and thus, our stockholders best interest.

Changes of Independent Registered Public Accounting Firms

Dismissal of DeMeo, Young, McGrath; Appointment of McGladrey & Pullen, LLP

Effective April 20, 2009, the Audit Committee of our Board dismissed DeMeo, Young, McGrath (DYM) as our independent registered public accounting firm.

As described below, the change in independent registered public accounting firms is not the result of any disagreement with DYM. DYM's audit report dated March 23, 2009 (which was included in our Annual Report on Form 10-K/A for the year ended December 31, 2008, filed with the SEC on March 31, 2009) on our consolidated financial statements as of, and for the years ended, December 31, 2008 and December 31, 2007 did not contain an adverse opinion or a disclaimer opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles.

During the years ended December 31, 2008 and December 31, 2007 and through the date of DYM's dismissal on April 20, 2009, we had no disagreements with DYM on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedure that, if not resolved to DYM's satisfaction, would have caused DYM to make reference to the subject matter thereof in connection with its report on our consolidated financial statements for either of such years. During the years ended December 31, 2008 and December 31, 2007 and through the date of DYM's dismissal on April 20, 2009, there were no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

Effective April 27, 2009, the Audit Committee of our Board engaged McGladrey as our independent registered public accounting firm for our fiscal year ending December 31, 2009.

During the fiscal years ended December 31, 2008 and 2007, and the subsequent interim period prior to the engagement of McGladrey, we did not consult with McGladrey regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The following is a summary of the fees billed by McGladrey to us for services rendered during 2010 and 2009. Amounts shown below are in millions.
