PROXY STATEMENT FOR 2017 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

General

The Board of Directors of United Insurance Holdings Corp. solicits the accompanying proxy for our 2017 Annual Meeting of Stockholders to be held at our office located at 800 2nd Avenue S., St. Petersburg, Florida, 33701 on Tuesday, May 9, 2017, at 1:00 p.m. local time. In our attached Notice of Annual Meeting of Stockholders, we set forth the matters that stockholders will consider and act upon at the meeting. We will send this Proxy Statement for our Annual Meeting, our Notice of Annual Meeting of Stockholders, the enclosed proxy, our 2016 Annual Report, and our Notice of Internet Availability of Proxy Materials to our stockholders on or about March 29, 2017. Included in our 2016 Annual Report is our Annual Report on Form 10-K for the fiscal year ended December 31, 2016, as filed with the Securities and Exchange Commission, which you can find on the SEC's website at www.sec.gov or our website at investors.upcinsurance.com. Copies of the exhibits filed with our Form 10-K may be obtained by submitting a written request as described in the subsection entitled Communication with the Company.

Our Board is not aware of any other matters that are likely to be brought before stockholders at the Annual Meeting other than those specified in the notice thereof; however, if any other matters properly come before the stockholders at the Annual Meeting, the persons named in the enclosed proxy or their duly constituted substitutes acting at the Annual Meeting will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned prior to voting at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. Except as set forth below, in the absence of instructions, executed proxies will be voted "FOR" the three nominees to serve as Class A Directors of our Board and "FOR" the ratification of the appointment by the Audit Committee of our Board of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. Please note that your broker will NOT be able to vote your shares with respect to the election of directors (Proposal One) if you have not provided instructions to your broker. We therefore strongly encourage you to submit your proxy and exercise your right to vote as a stockholder.

Communication with the Company

Unless otherwise noted in the Proxy Statement, requests for documents and/or information, submissions of proposals or nominations, proxy revocations or other official communications should be submitted in writing to the following address:

United Insurance Holdings Corp.

Attention: Corporate Secretary

Outstanding Securities and Voting Rights

Our Board has fixed the record date for the determination of stockholders entitled to notice of, and to vote at, our Annual Meeting as the close of business on March 22, 2017. As of March 22, 2017, there were 21,726,608 shares of our common stock outstanding and entitled to vote. Each share of our common stock is entitled to one vote on each of

the matters listed in our Notice of Annual Meeting and this Proxy Statement.

Voting Information

The presence of the holders of a majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting, present in person or represented by proxy, is necessary to constitute a quorum. Abstentions and “broker non-votes” are counted as present and entitled to vote for the purpose of determining whether a quorum is present. A “broker non-vote” occurs when a broker, bank or other holder of record, holding shares for a beneficial owner, does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Brokers may not vote on behalf of their clients with respect to the election of directors (Proposal One) if their clients do not provide voting instructions. Please vote your shares on Proposal One. Abstentions and broker non-votes will not affect the outcome of the vote on Proposal One.

Directors will be elected by a plurality of the votes cast by shares entitled to vote at the Annual Meeting. Therefore, the three Class A Director nominees receiving the most votes will be elected to the Board as Class A Directors to serve two year terms ending on the date of the 2019 annual meeting of stockholders and until their successors are duly elected and qualified.

Neither our Certificate of Incorporation, our By-Laws nor any applicable law requires stockholder ratification of the appointment of RSM as our independent registered public accounting firm. Our Certificate of Incorporation (as amended and restated) provides that our directors may submit any act for approval or ratification at any annual meeting of our stockholders and that the approval or ratification of such act will require the vote of the holders of a majority of our stock represented in person or by proxy and entitled to vote at the meeting (provided that a quorum of stockholders is represented in person or by proxy). Accordingly, the appointment of RSM as our independent registered public accounting firm for the fiscal year ending December 31, 2017 will be ratified if we receive the affirmative vote of the holders of a majority of our stock represented in person or by proxy and entitled to vote at the Annual Meeting, provided that a quorum is represented. Abstentions will be included in the calculation of the number of shares represented and entitled to vote at the Annual Meeting and will therefore count as votes against the ratification of the appointment of RSM.

We have appointed an Inspector of Elections for our Annual Meeting who will tabulate all of the votes at our Annual Meeting. For a period of ten (10) days prior to the Annual Meeting, any stockholder may appear at our office, located at the address listed in the subsection entitled Communication with the Company, to examine a list of our stockholders entitled to vote at our Annual Meeting.

Attendance

All stockholders as of the close of business on the Record Date, or their duly appointed proxy holders, may attend our Annual Meeting. Registration will begin at 12:30 p.m. and persons attending should allow ample time for check-in procedures. If you attend, please note that you must present valid photo identification, such as a driver’s license or passport. If you are a stockholder of record, we will verify your name against the list of our stockholders as of the Record Date, prior to admittance to our Annual Meeting. Please also note that if you are a beneficial holder and hold your shares through a broker, bank or other holder of record (i.e., in “street name”), you will need to present a copy of a brokerage statement or a legal proxy from your broker, bank, or other holder of record, reflecting your stock ownership as of the Record Date before you can be admitted to our Annual Meeting.

You may attend our Annual Meeting and vote in person, regardless of whether you have previously voted by proxy card or via the Internet. If you are a beneficial owner of our common stock and if you obtain a legal proxy from your

broker, bank or other holder of record and present it to the Inspector of Elections along with your ballot, you may vote in person at our Annual Meeting. We encourage you to vote your shares in advance of our Annual Meeting, even if you plan on attending. If you have already voted, you may nevertheless revoke your vote in the manner described below and vote in person at our Annual Meeting.

Directions

To obtain directions to attend our Annual Meeting and vote in person, please contact Jessica Strathman, SEC Reporting Manager, at (727) 895-7737.

Revocation

You may revoke your proxy at any time before the vote at our Annual Meeting by submitting written notice as described in the subsection entitled Communication with the Company, by delivering a proxy bearing a later date or by attending the meeting and voting in person. If you beneficially own shares of our common stock, you may submit new voting instructions by contacting your broker, bank, or other holder of record. You may also vote in person at our Annual Meeting if you obtain a legal proxy, as described in the subsection entitled Attendance.

Expense and Manner of Solicitation

Our Board is soliciting the proxy accompanying this Proxy Statement. We will bear the entire cost of solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy, and any additional information we furnish to our stockholders. We may solicit proxies through the mail, or our directors, executive officers, and other employees may solicit proxies in person or by telephone. We will not pay any additional compensation to our directors, executive officers, or other employees for their services with regard to proxy solicitation. We will also request brokers, banks, and other stockholders of record to forward proxy materials, at our expense, to the beneficial owners of our shares.

Delivery of Documents to Stockholders Sharing an Address

Some companies, brokers, banks, and other holders of record may employ procedures, approved by the SEC, known as “householding.” Householding, which reduces costs associated with duplicate printings and mailings, means that we will send only one copy of our Annual Report and Proxy Statement to stockholders who share the same address. Stockholders sharing the same address will continue to receive separate proxy cards.

If you own shares of our common stock and would like to receive additional copies of our Annual Report and Proxy Statement, you may submit a request to us by: (i) mailing a request in writing as described in the subsection entitled Communication with the Company, or (ii) calling us at (727) 895-7737; we will promptly mail the requested copies to you. If you own shares of our common stock in your own name and you want to receive separate copies of the Annual Report and Proxy Statement in the future, or if you receive multiple copies and want to receive only one copy, contact American Stock Transfer & Trust Company, LLC at (800) 937-5449 or 6201 15th Avenue, Brooklyn, NY 11219. If you beneficially own shares of our common stock (including through a bank or broker) and you want to receive separate copies of the Annual Report and Proxy Statement in the future, or if you receive multiple copies and want to receive only one copy, contact your bank, broker, or other holder of record.

AMERICAN COASTAL MERGER

On August 17, 2016, we entered into an Agreement and Plan of Merger (the merger agreement) with Kilimanjaro Corp., a North Carolina corporation and a wholly-owned subsidiary of UIHC (Merger Sub), Kili LLC, a Delaware limited liability company and a wholly-owned subsidiary of UIHC (Merger LLC), RDX Holding, LLC, a Delaware limited liability company (RDX), R. Daniel Peed, an individual residing in Texas (Mr. Peed), Peed FLP1, Ltd., L.L.P., a Texas limited liability partnership that is wholly-owned by Mr. Peed (Peed FLP1), and AmCo Holding Company, a North Carolina corporation and a wholly-owned subsidiary of RDX (AmCo), pursuant to which, subject to the satisfaction or waiver of the conditions set forth in the merger agreement, we will acquire AmCo by way of a series of mergers and each share of AmCo common stock issued and outstanding immediately prior to the transactions will be converted into a number of shares of UIHC common stock (the merger consideration) equal to 209,563.55 multiplied by the lesser of (i) one and (ii) a fraction, the numerator of which is 130% of \$14.81 and the denominator of which is the thirty trading day trailing volume-weighted average closing stock price of UIHC common stock as of the day of the closing of the mergers. Immediately following the closing, RDX will distribute to its members all of the merger consideration.

On February 3, 2017, a special meeting of our stockholders was held at our principal executive offices. A total of 17,042,645 shares of our common stock, out of a total of 21,646,614 shares of common stock issued and outstanding and entitled to vote as of the close of business on December 28, 2016, were present in person or represented by proxy at the special meeting. Stockholders voted upon and approved the issuance of shares of our common stock, as contemplated by the merger agreement with AmCo. Approximately 98.8% of the shares voted were voted in favor of the issuance.

On October 17, 2016 and February 3, 2017, the State of Hawaii and the Florida Office of Insurance Regulation, respectively, granted regulatory approval in respect of the mergers.

We expect to issue approximately 20,956,355 shares of our common stock pursuant to the merger agreement. Based on the number of shares of common stock of AmCo and UIHC outstanding at the close of business on December 28, 2016 (being the record date for UIHC's special meeting of stockholders), immediately following the consummation of the mergers, current UIHC stockholders and RDX members would own approximately 51% and 49% of the outstanding shares of our common stock, respectively. In particular, Mr. Peed, being the majority equityholder of RDX, is expected to beneficially own approximately 32% of the outstanding shares of our common stock.

At the effective time of the first merger, our board will be increased from seven directors to ten directors. The board is expected to be comprised of the directors of our board as of immediately prior to the effective time of the first merger, plus Mr. Peed, Mr. Patrick F. Maroney and Mr. Michael R. Hogan. Mr. Peed will also serve as the Non-Executive Vice Chairman of the board.

For additional information on the transaction, refer to our proxy statement filed with the SEC on December 29, 2016.

PROPOSAL ONE – ELECTION OF DIRECTORS

Proposal

Our Board consists of Class A Directors and Class B Directors; each class generally serves a two-year term, typically with only one class of directors being elected in each year.

The term of office for our Class A Directors, currently consisting of Gregory C. Branch, John Forney, and Kent G. Whittemore, will expire at our Annual Meeting. Accordingly, our Board is soliciting votes for the three Class A Director nominees named below and your proxy cannot be voted for more than three Class A Director nominees. The term of office for our Class B Directors, currently consisting of Kern M. Davis, M.D., William H. Hood, III, Sherrill W. Hudson, and Alec Poitevint, II, will expire at our 2018 annual meeting of stockholders.

Our Board has nominated for re-election at the Annual Meeting Gregory C. Branch, John Forney, and Kent G. Whittemore as Class A Directors. Each director nominee elected as a Class A Director at our Annual Meeting will serve a two-year term until his successor is elected and qualified at our 2019 annual meeting of stockholders.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted “FOR” the election of Gregory C. Branch, John Forney, and Kent G. Whittemore as Class A Directors. All of these nominees have agreed to serve if elected and have consented to being named in this Proxy Statement. In the event that any nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board may recommend in his place. We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. Therefore, the three Class A Director nominees receiving the

most votes will be elected as Class A Directors. Abstentions and broker non-votes will not affect the outcome of the vote on the election of directors.

5

Recommendation of the Board

Our Board unanimously recommends that you vote FOR the election of Gregory C. Branch, John Forney, and Kent G. Whittemore as Class A Directors, each to serve a two-year term ending on the date of the 2019 annual meeting of stockholders and until his successor is duly elected and qualified. Each of the nominees for director is currently a director of the company. The Board's recommendation is based on the extent of each candidate's demonstrated excellence and success in his chosen career and the specific skills the candidate adds to the Board.

Board Leadership Structure and Board's Role in Strategy and Risk Oversight

Our Board has a non-executive Chairman, a position which remains independent of management. The Chairman, Greg C. Branch, sets the agendas for and presides over the Board meetings. He helps to assure that all Board members have the means to, and do, carry out their responsibilities, and he also communicates regularly with our Chief Executive Officer (CEO) on matters of significance. The CEO, John Forney, is a member of the Board and participates in meetings. The Board believes that this leadership structure is appropriate for our Company at this time because it allows for independent oversight of management, increases management accountability and encourages an objective evaluation of management's performance.

The Board reviews and approves the company's strategic plan as presented by management and monitors our performance throughout the year against the plan.

The Board regularly devotes time during its meetings to review and discuss the most significant risks we face and management's process for identifying, prioritizing and responding to those risks. During these discussions, our CEO and our Chief Financial Officer (CFO) present management's process for the assessment of risks, a description of the most significant risks we face and any mitigating factors, plans or policies in place to address those risks. The Board also delegates certain of its risk oversight responsibilities to its committees.

The Audit Committee bears responsibility for oversight of our policies with respect to risk assessment and risk management. They analyze major financial risk exposures which we face and the steps we have taken to monitor and control such exposures. The Audit Committee also oversees our compliance with legal and regulatory requirements, areas which generate many of the most significant risks we face.

The Compensation Committee reviews our compensation structure, policies and practices to determine whether incentive compensation arrangements would be reasonably likely to have a material adverse effect on our company.

We also have a Finance Committee which bears responsibility for oversight of policy decisions about risk aggregation and minimization, including credit risk. The Finance Committee is also responsible for oversight of the capital structure and financing arrangements in support of our plans to ensure consistency with our risk tolerances and oversight of management's investment of our assets.

Meetings and Meeting Attendance

Our Board held seven meetings during 2016. On average, all of our directors attended 96% of all meetings of the Board and Board committees on which they served during 2016. All of our directors attended our 2016 annual meeting of stockholders. We do not have a formal policy with respect to director attendance at annual meetings; however, we encourage all of our directors to attend.

Communication with Directors

Stockholders may contact an individual director, our Board as a group, or a specified Board committee by sending correspondence addressed to our Secretary to the address listed in the subsection entitled Communication with the Company or by sending an e-mail to our investor relations e-mail address at InvestorRelations@upcinsurance.com. Each communication should specify the applicable addressee or addressees to which the communication is directed, as well as the general topic of the communication. We will initially receive and process communications before

forwarding them to the addressee. We also may refer communications to other departments as applicable. We generally will not forward to our directors a communication that is primarily commercial in nature, relates to an improper or irrelevant topic, or is a request for general information.

In the following subsections, we describe each formal committee of our Board. Each formal Board committee has the authority to engage legal counsel, other advisors or consultants as the committee deems appropriate to carry out its responsibilities.

Audit Committee. Our Audit Committee consists of Mr. Hudson, Mr. Whittemore and Dr. Davis. Our Board has determined that Mr. Hudson is currently our audit committee financial expert as defined in Item 407(d)(5) of Regulation S-K. All members of our Audit Committee are “independent” under both the general independence standards and the audit committee independence standards set forth in the NASDAQ Marketplace Rules.

Our Audit Committee operates under a formal written charter adopted by our Board that governs its duties and conduct. The committee reviews its charter annually for appropriate revisions. Interested parties can obtain copies of the charter free of charge on our web site at investors.upcinsurance.com, or by contacting our Corporate Secretary at the address listed in the subsection entitled Communication with the Company.

Our Audit Committee assists our Board in its oversight of the quality and integrity of our accounting, auditing, and reporting practices. Our Audit Committee’s role includes monitoring:

- the integrity of our financial statements,
- our compliance with legal and regulatory requirements,
- the independent auditor’s qualifications and independence,
- the performance of our independent auditors,
- our business practices and ethical standards, and
- our risk assessment and risk management policies.

Our Audit Committee met six times during 2016, with all members attending the meetings.

Compensation and Benefits Committee. Our Compensation and Benefits Committee assists our Board with its responsibilities relating to the compensation of our directors and officers, and it has overall responsibility for recommending director and officer compensation plans, policies and long-term compensation programs for final approval by our Board. The committee takes into account our goals and objectives approved by the Board when making recommendations for the CEO's and the CFO's compensation. Based on our CEO's recommendations, the committee will recommend any employment arrangements and bonus plans for officers. For information regarding the committee's processes and procedures for determining director compensation, please see the section entitled Director Compensation. The committee may not delegate

any of its authority to any other persons. The committee may engage compensation consultants; however, the committee did not engage compensation consultants with respect to executive or director compensation during 2016.

All members of our Compensation Committee are "independent" under both the general independence standards and the compensation committee independence standards set forth in the NASDAQ Marketplace Rules.

Our Compensation Committee operates under a formal written charter adopted by our Board that governs its duties and conduct. The committee reviews its charter annually for appropriate revisions. Interested parties can obtain copies of the charter free of charge on our web site at investors.upcinsurance.com, or by contacting our Secretary at the address listed in the subsection entitled Communication with the Company.

Our Compensation Committee met six times during 2016, with all members attending the meetings.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee assists our Board by:

- identifying qualified individuals to become directors,
- recommending qualified director nominees for election at the stockholders' annual meeting,
- etermining membership on Board committees,
- verifying the independence of our Board members,
- recommending changes to our corporate governance guidelines and other governing instruments,
- reviewing non-financial matters reported to the Anonymous Reporting Hotline or Audit Committee,
- overseeing annual self-evaluations by our Board, and
- reporting annually to our Board regarding the CEO succession plan.

Our Nominating Committee operates under a formal written charter that governs its duties and standards of performance. The committee reviews its charter annually for appropriate revisions. Interested parties can obtain copies of the charter free of charge on our web site at investors.upcinsurance.com, or by contacting our Secretary at the address listed in the subsection entitled Communication with the Company.

Our Board selects the director nominees to stand for election at our annual stockholder meetings and to fill vacancies occurring on our Board based on the recommendations of the Nominating Committee. Our Nominating Committee has not adopted minimum qualifications for director nominees. Our Nominating Committee selects nominees for director on the basis of experience, integrity, skills, the ability to make independent analytical inquiries, an understanding of our business environment and the willingness to devote adequate time to Board duties, all within the context of an assessment of the perceived needs of the Board at a given point in time. While our Nominating Committee considers diversity as one of several criteria for eligibility, we have not adopted a formal diversity policy. In addition to the individual attributes of our directors discussed above, we highly value the collective business experience and qualifications of the directors. We believe that the collective experiences, viewpoints and perspectives of our directors result in a Board with the commitment and energy to advance the interests of our stockholders.

Our Nominating Committee may consider current members of our Board for re-election unless they have notified our Board that they do not wish to stand for re-election. Our Nominating Committee may also consider candidates for our Board recommended by current members of our Board or members of management. In addition, our Nominating Committee will consider director candidates recommended by our stockholders in the same manner as it would consider any other recommended nominees. Any stockholder wishing to recommend a nominee for director should notify our Corporate Secretary in writing and include, at a minimum, (i) the name and address, as they appear in our books, of the stockholder giving the notice, (ii) the class and number of our common stock shares that the stockholder beneficially owns, (iii) a statement that the candidate is willing to be nominated and to serve as a director if elected, and (iv) any other information regarding the candidate that the SEC would require us to include in a proxy statement. If our Nominating Committee determines that a stockholder-recommended candidate is suitable for Board membership, it will include the candidate in the pool of candidates under

consideration for nomination upon the occurrence of the next Board vacancy or in connection with the next annual meeting of our stockholders.

Pursuant to the above procedures, once our Nominating Committee identifies prospective nominees, it will solicit background information on the candidates, then investigate, interview and evaluate the candidates. The committee will then report to the Board.

Our Nominating Committee recommended the three incumbent director nominees for election at our Annual Meeting to our Board, who approved the recommendation.

Our Nominating Committee met five times during 2016, with all members attending at least 96% of all meetings on average.

PROPOSAL TWO – RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has approved the engagement of RSM as the independent registered public accounting firm to perform an audit of our consolidated financial statements for the fiscal year ending December 31, 2017. RSM performed the audit of our 2016 consolidated financial statements. RSM has advised our Audit Committee that neither it, nor any of its members, has any direct financial interest in UPC Insurance as a promoter, underwriter, voting trustee, director, officer or employee. Though we do not expect a representative of RSM to attend our Annual Meeting, if an RSM representative does attend, the representative will respond to appropriate questions and will have the opportunity to make a statement if the representative desires to do so.

We hereby ask our stockholders to ratify our Audit Committee's appointment of RSM as our independent registered public accounting firm for the 2017 fiscal year. Although neither our Certificate of Incorporation, our By-laws, nor any other document or agreement requires ratification, the Board submits the appointment of RSM to our stockholders for ratification because we value our stockholders' views on the appointment of our independent registered public accounting firm. If our stockholders do not ratify the appointment of RSM, we will consider such result as a direction from the stockholders to our Audit Committee to consider the appointment of a different firm and our Audit Committee will reconsider whether to retain RSM. In such event, our Audit Committee may retain RSM notwithstanding the fact that the stockholders did not ratify the appointment, or may appoint another accounting firm without re-submitting the matter to a stockholder vote. Even if stockholders ratify the appointment, our Audit Committee in its discretion may appoint a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interest and, thus, in our stockholders' best interest.

Recommendation of the Board

The Board recommends a vote FOR the ratification of the appointment of RSM as our independent registered public accounting firm for the fiscal year ending December 31, 2017.

Audit Committee Report

As part of its oversight responsibility, the Audit Committee reviewed and discussed the audited financial statements, the adequacy of financial controls and the effectiveness of UPC Insurance's internal control over financial reporting with management and RSM. The Audit Committee also has discussed with RSM the matters required to be discussed by the statement on Auditing Standards No. 16 (as adopted by the Public Company Accounting Oversight Board in Rule 3526). The Audit Committee has received the written disclosures and the letter from RSM required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence. The Audit Committee also has discussed with RSM that firm's independence.

Based on these reviews and discussions, the Audit Committee has recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in UPC Insurance's Annual Report on Form 10-K for the year ended December 31, 2016 for filing with the SEC.

Sherrill W. Hudson, Chairman
Kent G. Whittemore

The Audit Committee Chairman may approve permissible non-audit services costing up to \$10,000, with subsequent notification to the full Audit Committee.

Role of the Compensation Committee and Management in the Compensation-Setting Process. Our Compensation Committee's role in reviewing and approving executive compensation includes the duties and responsibilities set forth in the Compensation Committee's charter. Among other things, the Compensation Committee has responsibility to do the following:

oversee our overall compensation structure, policies and programs;

administer and determine our Company's equity- and incentive-based compensation plans that require approval from our Board of Directors;

review and approve corporate goals and objectives relevant to the compensation of our CEO, evaluate our CEO's performance in light of those goals and objectives and set the CEO's compensation level based on this evaluation;

oversee the evaluation of the other executive officers and set the compensation of other executive officers based upon the recommendation of the CEO;

review and recommend employment agreements and severance and change of control arrangements for our executive officers;

assist the Board in reviewing the outcome of stockholder votes on say on pay and the frequency of say on pay; and

periodically assess the risks associated with our compensation policies and practices.

Our CEO recommends base salaries for our executive officers other than himself to the Compensation Committee for its approval and recommends performance targets under the Annual Incentive Plan and Long-Term Incentive Plan for approval by the Compensation Committee, as explained in more detail under the section entitled Incentive Compensation below. Our CEO also negotiates employment agreements with executive officers, subject to review by the Compensation Committee, and makes recommendations to the Compensation Committee with respect to equity awards and cash bonuses for our NEOs other than himself under our Annual Incentive Plan and Long-Term Incentive Plan. All compensation elements for our CEO are reviewed and approved by the Compensation Committee. The Chairs of the Audit and Finance Committees serve on the Compensation Committee. These Directors bring information and perspective from the work of other committees to provide insight on the Compensation Committee's decisions. We believe this enhances the Compensation Committee's execution of its role, including its role in risk management oversight.

Summary of 2016 Compensation Actions. In 2016, our Compensation Committee continued its focus on structuring our compensation arrangements in keeping with our compensation philosophy, which is described below under Overview of our Executive Compensation Philosophy and Objectives. Actions taken or approved by our Compensation Committee relative to the compensation programs for our executive officers for 2016 included the following:

Reviewed the performance of our CEO and determination of his total compensation. This included decisions regarding salary changes as seen in the Elements of Executive Compensation subsection and incentive based awards

as described in the Executive Compensation subsection.

Reviewed the performance of our other executive officers, including our NEOs, with assistance from our CEO and determination of the structure and amount of base salary incentive and bonus compensation for our executive officers for 2016 as seen in the Elements of Executive Compensation and Executive Compensation subsections, respectively.

Established performance goals and target awards under our annual incentive plan and long-term incentive plan.

Overview of our Executive Compensation Philosophy and Objectives. We believe that a skilled, experienced and dedicated senior management team is essential to the future performance of our company and to building stockholder value. In order to attract and retain talented executives with these qualities as well as to motivate management to maximize performance

while building stockholder value, we have sought to establish compensation programs that we believe are competitive in the marketplace. We also have a “pay-for-performance” philosophy, meaning that we will pay higher compensation to our NEOs if we believe the performance of the Company delivers higher value to the stockholders.

Three long-term objectives drive the Compensation Committee’s decisions regarding the executive compensation elements, incentive plan design, and award levels. These objectives are as follows:

Build long-term stockholder value - We provide a significant portion of executive compensation through long-term incentive compensation and stock-based opportunities to emphasize compensation programs that we believe are linked to maximizing stockholder value over the long term;

Drive sustained, strong business and financial results - We provide a significant portion of executive compensation through incentive compensation programs that are linked to our Company achieving targeted increases in earnings per share, return on equity and gross premiums earned; and

Attract, motivate and retain a highly qualified and effective executive team - The attraction, motivation and retention of top executive talent is critical to our continued success. Therefore, the Compensation Committee considers broad based surveys that reveal executive compensation levels in the industry to gain a general understanding of compensation practices.

Elements of Executive Compensation. The key components of our compensation program for our NEOs for 2016 were base salary, annual cash incentive awards under our Annual Incentive Plan, time-vesting restricted stock awards under our Long-Term Incentive Plan, discretionary cash bonuses and restricted stock awards and other compensation consisting primarily of matching 401(k) contributions, and health and welfare benefits. Each component of our compensation program has an important role in creating compensation arrangements that motivate and reward strong performance and in retaining the NEOs who deliver strong performance.

Base Salary

In general, the base salary of each executive was initially established through arm's-length negotiations at the time the individual was hired, taking into account the individual's qualifications, experience, level of responsibility, as well as internal pay equity considerations. The salaries of our NEOs are based on the individual employment agreements. These agreements permit base salary to be increased on an annual basis at the discretion of the Compensation Committee during the term of employment, but may not be decreased.

In 2016, our CEO conducted a review of the base salaries of our NEOs (other than himself) for potential increases and recommended changes to the Compensation Committee for its final determination. The Compensation Committee also reviewed the base salaries of our executive officers in light of broad based survey data that reveal executive compensation levels in the industry to gain a general understanding of compensation practices. We believe base salaries should be competitive based upon an executive officer’s scope of responsibilities, the market compensation of similarly situated executives, and the relative talent of the individual officer. When establishing base salary for an executive, we also consider other factors such as internal consistency and, for new hires, salary paid by a former employer. Based on the foregoing considerations, in 2017 the Compensation Committee approved salaries consistent with 2016 for each of the NEOs. Our NEOs base salaries for 2016 and 2017 were as follows:

Named Executive	2016 Base Salary	2017 Base Salary
John Forney	\$1,000,000	\$1,000,000
B. Bradford Martz	325,000	325,000
Deepak Menon	325,000	325,000

Paul DiFrancesco	250,000	250,000
Andrew D. Swenson	225,000	225,000

Incentive Compensation

The award of incentive compensation for our NEOs under our Annual Incentive Plan and Long-Term Incentive Plan is based on achieving certain annual corporate performance goals included in our 2013 Omnibus Incentive Plan. As to each performance goal, the relevant measurement of performance will be computed in accordance with generally accepted

accounting principles to the extent applicable, but, unless otherwise determined by the Compensation Committee will exclude the effect of items set forth in the 2013 Omnibus Incentive Plan.

Annual Incentive Plan - Our NEOs as well as certain other management employees, participate in the Annual Incentive Plan, which provides an opportunity to earn a cash bonus upon achievement of key financial performance objectives approved by the Compensation Committee. Within the overall context of our compensation philosophy and culture, the Annual Incentive Plan:

- provides competitive levels of total cash compensation;
- aligns pay with organization and individual performance; and
- focuses executive attention on key business metrics.

In setting the performance goals under the Annual Incentive Plan, our intention is to provide for challenging and ambitious targets to further our overall goal of increasing stockholder value. Though challenging, we believe the goals are attainable through a collaborative effort by our NEOs. The Compensation Committee reviews and approves payouts made under the Annual Incentive Plan.

Long-Term Incentive Plan - The Compensation Committee determined to implement our Long-Term Incentive Plan because it believes that long-term incentives are an essential part of our total compensation package, which is intended to promote ownership, higher performance and ultimately higher stockholder return, and in view of its goal for long-term compensation of furthering four key objectives. Within the overall context of our compensation philosophy and culture, the Long-Term Incentive Plan:

- **Pay for Performance:** Emphasize variable compensation that is linked to our performance, in an effort to generate and reward superior corporate performance;

- **Alignment of Interests:** Use adjusted pre-tax net income as the key performance metric, linking executives' incentive goals with the interests of our stockholders;

- **Long-Term Success:** Support and reward executives for consistent performance over time and achievement of our long-term strategic goals; and

- **Retention:** Attract and retain highly qualified executives whose abilities are critical to our success and competitive advantage.

Under our long-term incentive program, we may make annual grants of time-vesting restricted stock to our executive officers if predetermined corporate performance targets are achieved. Restricted stock awards for our NEOs vest ratably over the three years following the grant date, contingent on continued employment, unless the executive is terminated by us other than for cause. The number of shares of time-vesting restricted stock to be granted is based on the target dollar value of the award divided by the closing price of our stock on the date of grant.

Other Compensation

We adopted a 401(k) plan that generally covers all of our employees who have completed 90 days of service. Pursuant to our 401(k) plan, participants may elect to make pre-tax contributions up to the statutorily-prescribed annual limits. In addition to their base salaries and awards under incentive plans described above, our NEOs receive matching contributions under our 401(k) plan in the same manner as all of our employees who participate in the plan. During 2016, we matched 100% of a participant's pre-tax contributions up to the first 5% of such participant's base salary up to the maximum allowed by the plan.

Our executive officers receive health and welfare benefits, such as group medical, group life, group dental, short-term and long-term disability coverage. We believe that our executives should be able to provide for their retirement needs from the total annual compensation they earn based on our Company's performance. Accordingly, other than an employer matching contribution to the accounts of our NEOs under our 401(k) Plan, which is the same matching

contribution rate that we provide to all eligible full-time employees, we do not offer executives any qualified or non-qualified pension plans, supplemental executive retirement plans, deferred compensation plans or other forms of compensation for retirement.

Other Highlights of Our Compensation Programs. We periodically review best practices in the area of executive compensation and update our compensation policies and practices to reflect those that we believe are appropriate for our company. In addition to our short- and long-term performance compensation described in the Elements of Executive Compensation section above, our program also includes the following:

18

We pay for performance, offering our NEOs the opportunity to earn a substantial amount of variable compensation based on our Company achieving certain performance targets.

We encourage long-term decision making as our restricted stock awards vest over a three-year time period and the ultimate value of the shares is determined by our performance over the three years.

We do not provide change of control severance for an executive officer under an employment agreement unless the executive is terminated without cause or, in the case of our CEO, we fail to obtain the written assumption of the employment agreement by a successor.

Our equity compensation plan does not permit repricing of stock options without stockholder approval.

We do not generally guarantee salary increases or bonuses for our executive officers.

Severance and Change of Control Arrangements. We have entered into employment agreements with each of our NEOs, which provide for severance benefits if we terminate the executive without cause. These severance benefits consist of base salary continuation (ranging from six to twelve months), paid COBRA coverage ranging from 120 days to twelve months, a prorated portion of the executive's annual incentive bonus and, in the case of our CEO, accelerated vesting of a portion of his then unvested restricted stock granted under his employment agreement. Our CEO is also eligible for the foregoing of severance benefits if he terminates his employment for "good reason," as defined in his employment agreement. Additionally, under the terms of restricted stock awards granted pursuant to our Long-Term Incentive Plan, accelerated vesting of any unvested restricted stock will occur if we terminate the executive other than for cause.

We compete for executive talent in a highly competitive market in which companies routinely offer similar benefits to NEOs. We view these benefits as appropriate for the NEOs who may not be in a position to readily obtain comparable employment within a reasonable period of time. Please refer to the discussion below under "Potential Payments upon Termination or Change of Control" for a more detailed discussion of our severance and change of control arrangements.

2016 Compensation under Annual and Long-Term Incentive Plans. For incentive compensation to be paid under our Annual Incentive Plan and Long-Term Incentive Plan, the Compensation Committee identified the following performance measures that would be used to measure corporate performance for 2016: adjusted pre-tax net income greater than 50% of 2016 pre-tax budgeted income of \$43,275,000. The Compensation Committee selected this performance measure because it is among the key performance metrics used by our Board to evaluate our corporate performance. This performance measure was evaluated by our Compensation Committee in determining eligibility for the target payments under the incentive compensation program. The Compensation Committee retained discretion, however, to pay any amount less than the target on the basis of the Compensation Committee's assessment of the level of achievement as measured by the performance goals, the CEO's recommendations for other executive officers and such other performance or other considerations as the Compensation Committee deems relevant.

In 2016, the annual cash incentive awards available under the Annual Incentive Plan made up approximately 54% of the total incentive award opportunity for our NEOs and the time-vesting restricted stock made up the remaining 46%. In February 2017, the Compensation Committee determined that the level of performance required for payment of the incentive compensation at the previously identified target levels had been satisfied. For fiscal year 2016, 50% of our 2016 pre-tax budgeted income after all adjustments set forth by the Plan was \$44,948,000, which calculation includes adjustments allowed under paragraph 18(s)(i)-(xiii) of the 2013 Omnibus Incentive Plan, mainly attributable to non-recurring catastrophe losses. Taking into consideration these outcomes, the Compensation Committee approved (1) payment of the annual cash bonus amounts to our NEOs for 2016 reflected in the Summary Compensation Table under the column titled "Non-Equity Incentive Plan Compensation" and (2) the grants of time-vesting restricted stock to each of our Named Executive Officers for 2016 reflected in the Summary Compensation Table under "Stock Awards."

Risk Assessment of Compensation Policies and Practices. The Board relies on the Compensation Committee to address risk exposures we face with respect to compensation, with appropriate reporting of these risks to be made to the full Board. The Compensation Committee, as part of its periodic review of compensation and benefit programs, assesses the potential risks arising from our compensation policies and practices and considers safeguards against incentives to take excessive risks. Based on its most recent review, the Compensation Committee has concluded that the risks arising from our compensation policies and practices for its associates are not reasonably likely to have a material adverse effect on us.

Policy Regarding Restatements. We do not currently have a formal policy requiring a fixed course of action with respect to compensation adjustments following later restatements of financial results. Under those circumstances, our Board of Directors or Compensation Committee would evaluate whether compensation adjustments were appropriate based on the facts and circumstances surrounding the restatement.

Advisory Votes on Compensation. The Board recognizes the fundamental interest that our stockholders have in the compensation of our executive officers. At the 2013 Annual Meeting of Stockholders, our stockholders had the opportunity to cast an advisory vote (a “say-on-frequency proposal”) on how often we should include a say-on-pay proposal in its proxy statement. Based on our stockholders’ vote on the say-on-frequency proposal, the Board determined that we will hold stockholder say-on-pay advisory votes on executive compensation once every three years, with the next say-on-pay advisory vote to be held at the 2019 Annual Meeting of Stockholders. The next say-on-frequency advisory vote will be held at the 2019 Annual Meeting of Stockholders as well.

Tax Considerations. The Compensation Committee has considered the potential future effects of Section 162(m) of the Code on the compensation paid to our NEOs. Section 162(m) places a limit of \$1 million on the amount of compensation that a publicly held corporation may deduct in any one year with respect to its CEO and each of the next three most highly compensated executive officers (other than its CFO). In general, certain performance-based compensation approved by stockholders is not subject to this deduction limit. The Compensation Committee has adopted a policy that, where reasonably practicable, we will seek to qualify the variable compensation paid to our NEO’s for an exemption from the deductibility limits of Section 162(m). However, we may authorize compensation payments that do not comply with the exemptions in Section 162(m) when we believe that such payments are appropriate to attract and retain executive talent. In addition, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, no assurance can be given, notwithstanding our intentions, that compensation intended to satisfy the requirements for deductibility under Section 162(m) will do so. We sought and obtained stockholder approval of the 2013 Omnibus Incentive Plan at the 2013 Annual Meeting for purposes of complying with NASDAQ listing standards and permitting qualifying compensation awarded under the plan to be qualified as performance-based compensation under Section 162(m) of the Code.

Compensation Committee Report. Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, our Compensation Committee recommended to our Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

The amounts shown in the columns under the heading "Estimated Future Payouts Under Non-Equity Incentive Plan Awards" represent potential future payments at the time of the grant only. At the time of the grant, whether these amounts (or any portion thereof) would ultimately be received by the NEOs was uncertain because the awards were contingent on the achievement of performance goals and the NEOs' continued employment. The awards in the columns under the heading "Estimated Possible Payouts Under Non-Equity Incentive Plan Awards" were granted under our annual cash incentive program for 2016, as indicated, and payment is or was contingent on our achievement of a given level of corporate performance, as described above in the section titled "Compensation of Executive Officers - Compensation Discussion and Analysis - Elements of Executive Compensation." The amounts, if any, actually earned and paid to our NEOs for 2016 under our Annual Incentive Plan are shown in the Non-Equity Incentive Plan Compensation column in the Summary Compensation Table above.

(2) Represents the gross number of shares vesting multiplied by the closing price of our common stock on the NASDAQ Stock Market on the date of vesting.

(3) Mr. DiFrancesco joined our Company on November 23, 2015 and was appointed Chief Underwriting Officer effective August 10, 2016. Therefore, he did not receive Stock Award Grants for performance years before 2016, his first full year with us.

Potential Payments upon Termination or Change of Control. The information below describes certain compensation and benefits to which our NEOs are entitled in the event their employment is terminated under certain circumstances and/or change of control occurs. See the table at the end of this section for the amount of compensation and benefits that would have become payable under existing plans and contractual arrangements assuming a termination of employment and/or change of control had occurred on December 31, 2016 assuming a market value of our common stock on that date of \$15.14, which was the closing sale price of a share of our common stock on such date, given the NEOs compensation and service levels as of such date. There can be no assurance that an actual triggering event would produce the same or similar results as those estimated if such event occurs on any other date or at any other price, or if any other assumption used to estimate potential payments and benefits is not correct. Due to the number of factors that affect the nature and amount of any potential payments or benefits, any actual payments and benefits may be different.

Termination Without Cause. As described above, we are a party to employment agreements with each of our NEOs, all of which were entered into prior to December 31, 2016. Under each employment agreement, "Cause" shall only mean (i) any action or omission of the Executive which constitutes a material breach of the employment agreement, (ii) willful (only if done or omitted to be done without a good faith reasonable belief that such act or failure to act was in the best interests of the Company) failure to perform the duties assigned to the executive by the CEO or the Board, from time to time; (iii) fraud, breach of fiduciary duty, embezzlement or misappropriation as against the Company, or (iv) the conviction (from which no appeal can be taken) of executive for any criminal act which is a felony.

Under Mr. Forney's employment agreement, termination without cause would take effect after a 30-day notice, and he would be entitled to receive base salary continuation, payable in equal installments in accordance with normal payroll practices. If Mr. Forney is terminated without cause prior to his initial five-year term, he would be entitled to 12 months of his base salary. If 30-day notice of termination is after the five-year contract term, he would be entitled to receive his remaining base salary for the year of separation. He would be owed any benefits under any benefit plans (in accordance with the terms of such plans). In addition, Mr. Forney would be entitled to up to 24 months of COBRA, which would cease upon his becoming eligible for healthcare coverage with a subsequent employer. Annual cash bonuses earned but not paid, for the prior fiscal year would be payable within the next normal payroll period. Remaining equity from Mr. Forney's original stock grant would automatically and immediately vest in full. Any restricted stock awarded to Mr. Forney based on the achievement of performance goals would vest in full upon termination. Additionally, Mr. Forney would also be entitled to receive a pro-rated portion of his annual performance bonus for the year of termination, to be paid in full within 90 days following the completion of the fiscal year.

Mr. Forney would receive these same benefits if he were to terminate employment with good reason. "Good Reason" means, without executive's written consent: (i) a reduction by the Company in executive's Base Salary or Target Bonus as in effect from time to time; or (ii) the Board materially reduces (including as a result of any co-sharing of responsibilities arrangement), other than during any period of illness or incapacity, executive's authority, responsibilities, or duties such that Executive no longer has the title of, or serves or functions as, CEO of the Company; or (iii) the Company fails to maintain an annual and long-term incentive program for senior executives in which executive participates; or (iv) failure of the Board to nominate executive for election to the Board of Directors at an annual meeting of stockholders; or (v) the Company requiring executive to be based at a location in excess of 35 miles from the location of the Company's principal executive office as of the effective date of the agreement, except for required travel on Company business; or (vi) the Company fails to obtain the written assumption of its obligations under the agreement by a successor not later than the consummation of a merger, consolidation or sale of the Company; or (vii) a material breach by the Company of its obligations under the agreement.

If Mr. Forney is terminated without cause, by us, with at least 90 days' written notice after his initial five-year term, or if there is a decision not to extend the employment term, Mr. Forney would be entitled to receive payment of any unpaid base salary accrued through the effective date of termination, as well as any expense reimbursement. He would

be owed any benefits under any benefit plans (in accordance with the terms of such plans). Any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date, would also be paid to Mr. Forney. Any remaining restricted stock awarded based on the achievement of performance goals for the year of separation would vest in full, automatically and immediately, upon termination.

Under the employment agreements for the remaining NEOs, the initial term is one year, with automatic one-year renewal terms unless either party provides 30-days' written notice of intent to non-renew.

If any NEO's employment is terminated without Cause (as defined above), termination would take effect immediately and he would be entitled to severance at the base salary rate for the remainder of the term or 180 days, whichever is greater. They would also be owed any benefits under any expense reimbursement and any benefit plans (in accordance with the terms of such plans), and they would be entitled to up to 120 days of COBRA, until they became eligible with a subsequent employer. Any

annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date, would also be paid to the NEO. If termination occurs prior to the end of any fiscal year, a pro rata annual incentive bonus for the fiscal year in which termination occurs (determined and paid based on actual performance achieved for that fiscal year against the performance goals for that fiscal year) to which the NEO would have been entitled if employed at the conclusion of the fiscal year, would be paid in full within 90 days following completion of the fiscal year. Any remaining restricted stock awarded based on the achievement of performance goals for the year of separation would vest in full, automatically and immediately, upon termination.

Termination For Cause. If any NEO's employment is terminated for Cause (as defined above), he would be entitled to receive payment of any unpaid base salary accrued through the effective date of termination, as well as any expense reimbursement. He would be owed any benefits under any benefit plans (in accordance with the terms of such plans). Any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date, would also be paid to the NEO. Any such payments must be made on or before March 15th of the year following the NEO's termination for cause.

Termination due to Death or Disability. If any NEO's employment is terminated due to death or disability, he (or his estate or legal representatives (as applicable)) would be entitled to receive payment of base salary as of the date of termination of employment, reimbursement for expenses incurred, any benefits under any benefit plans (in accordance with the terms of such plans), any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date, and if termination occurs prior to the end of any fiscal year, a pro rata annual incentive bonus for the fiscal year in which termination occurs (determined and paid based on actual performance achieved for that fiscal year against the performance goals for that fiscal year) to which the NEO would have been entitled if employed at the conclusion of the fiscal year, would be paid in full. In addition, in the case of death, we will continue to provide all benefits applicable to the NEO's family for six months. Any such payments shall be made on or before March 15th of the year following death or disability. Any remaining restricted stock awarded based on the achievement of performance goals for the year of separation would vest in full, automatically and immediately, upon termination.

Resignation. Our CEO and NEOs may resign upon 30 days' notice to us. They would be entitled to receive base salary continuation, payable in equal installments in accordance with normal payroll practices for the notice period, as well as any expense reimbursement. They would be owed any benefits under any benefit plans (in accordance with the terms of such plans). Any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date, would also be paid to the NEO. For our CEO, 20% of any remaining restricted stock under the initial equity award, if any, would vest upon the end of the 30-day notice period. For all NEO's, any remaining restricted stock awarded would be forfeited upon resignation.

The table below sets forth the estimated value of the potential payments to each of the NEOs, assuming the executive was given notice of employment termination on December 31, 2016. The figures in the table below are based on the employment agreements in effect on December 31, 2016.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, our officers and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of such equity securities. SEC regulations require directors, officers and beneficial owners of more than 10% of our outstanding equity securities to furnish us with all Section 16(a) forms they file.

Based solely on our review of the Section 16(a) forms furnished to us with respect to the year ended December 31, 2016, and the written representations we received from certain reporting persons indicating that no circumstances occurred during the noted period that would require them to file a Form 5, we believe that, during the year ended December 31, 2016, all Section 16(a) reports required to be filed by our directors, officers and greater than 10% beneficial owners were timely filed except for the following form, which was filed late: a Form 4 filing reporting one transaction by Mr. DiFrancesco which was late as the result of an inadvertent administrative error.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following summarizes the transactions and series of related transactions, since January 1, 2016, in which we participated, in which the subject amount exceeded \$120,000 and in which any of our executive officers, directors, beneficial holders of more than 5% of our common stock or the immediate family members of such officers, directors, and beneficial holders had or will have a direct or material indirect interest, other than compensation we paid to our officers and directors for services performed as such.

One of our executive officers, Ms. Salmon, is a former partner at the law firm of Groelle & Salmon, PA, where her spouse remains partner and co-owner. Groelle & Salmon, PA provides legal representation to us related to our claims litigation, and also provided representation to us for several years prior to Ms. Salmon joining UPC Insurance in 2014. During the year ended December 31, 2016, Groelle & Salmon, PA billed us approximately \$2,892,000. Ms. Salmon's spouse has a 50% interest in these billings, or approximately \$1,446,000 for the year ended December 31, 2016.

Policies and Procedures Regarding Related Person Transactions. Our Board has adopted written policies and procedures regarding related person transactions. For purposes of these policies and procedures:

a “related person” means any of our directors, executive officers or nominees for director, and any of their immediate family members, and any beneficial owner of more than 5% of our voting securities; and

a “related person transaction” generally is a transaction in which we were or are to be a participant and in which any related person had or will have a direct or indirect interest.

The related person, or the director, executive officer or nominee who is an immediate family member of a related person, must notify our outside SEC counsel of the related person transaction. Certain transactions will generally be deemed pre-approved under these written policies and procedures, including transactions in the ordinary course of business that do not exceed \$120,000 in any fiscal year and executive officer and director compensation arrangements approved by our Compensation Committee. Except for certain enumerated pre-approved transactions, our SEC counsel shall notify our Audit Committee of any proposed related person transactions reported to it. The Audit Committee will consider all of the relevant facts and circumstances available regarding the proposed related person transaction and will ratify, approve or disapprove the related person transaction based on factors it deems appropriate, including the benefits to our Company, the commercial reasonableness of the terms of the related person transaction, and its impact on director independence.

Proposals must comply with the SEC proxy rules relating to stockholder proposals to be included in our proxy materials.

If we receive any notice of a stockholder proposal submitted outside the processes of Rule 14a-8 after January 23, 2018, we will consider such notice untimely.
