Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On March 21, 2013, the Audit Committee of the Registrant's Board of Directors (the Audit Committee) determined that the Registrant's financial statements for the fiscal quarters ended June 30 and September 30, 2012, need to be restated with respect to the treatment of the amendment of certain notes and warrants, and should no longer be relied upon.

On June 15, 2012, the Registrant amended certain of its senior convertible notes and warrants that were issued in 2010. The initial senior convertible notes and warrants included an anti-dilution provision that allowed for the automatic reset of the conversion or exercise price upon any future sale of common stock instruments at or below the current conversion or exercise price. The amended notes and warrants removed the price-based anti-dilution provisions contained in the senior convertible notes and warrants. The modification was initially accounted for as an extinguishment based on an error in a calculation of the change to the beneficial conversion feature. Management has determined that the transaction should have been accounted for as a modification rather than as an extinguishment. The effect of the change in accounting is to reduce reported net income for the three months ended June 30, 2012 from \$339,157 to \$131,157, to reduce reported net income for the six months ended June 30, 2012 from \$1,099,113 to \$891,113, and to increase the net loss reported for the cumulative period since inception to June 30, 2012 from \$10,480,398 to \$10,688,398. The additional effect of the change in accounting is to increase reported net loss for the three months ended September 30, 2012 from \$737,157 to \$859,245, to reduce reported net income for the nine months ended September 30, 2012 from \$361,956 to \$31,868, and to increase the net loss reported for the cumulative period since inception to September 30, 2012 from \$11,217,555 to \$11,547,643.

The Audit Committee and the Registrant's Chief Financial Officer have discussed with the Registrant's registered independent public accounting firm the matters disclosed in this report. The registrant expects to file the restated financial statements through the EDGAR system on or around March 29, 2013.
