PROXY STATEMENT
2018 ANNUAL MEETING OF STOCKHOLDERS

The enclosed proxy is solicited by the board of directors of BIO-key International, Inc. (the “Company,” “we” or “us”) for use at the 2018 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Friday, June 22, 2018, at 10:00 a.m., local time, at the offices of Fox Rothschild LLP, 997 Lenox Drive, Building 3, Lawrenceville, NJ 08648, and at any continuation, adjournment or postponement thereof.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Who Can Attend and Vote

Only holders of our common stock and convertible preferred stock of record at the close of business on April 25, 2018, the record date, are entitled to notice of and to vote at the Annual Meeting, and at any continuation(s), postponement(s) or adjournment(s) thereof. As of the record date, 10,671,534 shares of our common stock, par value \$.0001 per share (“common stock”), 23,508 shares of our series A-1 convertible preferred stock, \$.0001 par value per share (“series A-1 stock”), and 44,580 shares of our Series B-1 Convertible Preferred Stock, \$.0001 par value per share (“series B-1 stock”), were issued and outstanding. Holders of our common stock are entitled to one vote per share for each proposal presented at the Annual Meeting. Holders of our series A-1 stock and series B-1 stock are entitled to one vote for each share of common stock issuable upon conversion of the such shares on the record date for each proposal presented at the Annual Meeting. As of April 25, 2018, the record date, the holder of our series A-1 stock is not entitled to any votes and the holders of our series B-1 stock are entitled to an aggregate of 1,238,334 votes for each proposal presented at the Annual Meeting. Neither the common stock, series A-1 stock, nor series B-1 stock have cumulative voting rights.

Voting Your Shares

If you are a registered holder, meaning that you hold our stock directly (not through a bank, broker or other nominee), you may vote in person at the Annual Meeting or by completing, dating and signing the proxy and promptly returning it, by telephone, or electronically through the internet by following the instructions included on your proxy card. All

signed, returned proxies that are not revoked will be voted in accordance with the instructions contained therein. Signed proxies that give no instructions as to how they should be voted on a particular proposal at the Annual Meeting will be counted as votes “for” such proposal or, in the case of the election of directors, as a vote “for” election of the eight nominees presented by the board of directors, and in the case of the preferred frequency of our “say-on-pay” voting, as a vote to select “every year” as the frequency.

If your shares are held through a bank, broker or other nominee, you are considered the beneficial owner of those shares. You may be able to vote by telephone or electronically through the internet in accordance with the voting instructions provided by that nominee. You must obtain a legal proxy from the nominee that holds your shares if you wish to vote in person at the Annual Meeting.

Applicable stock exchange rules restrict when brokers who are record holders of shares may exercise discretionary authority to vote those shares in the absence of instructions from beneficial owners. Brokers are not permitted to vote on non-discretionary items such as director elections, executive compensation, and other significant matters absent instructions from the beneficial owner. As a result, if you are a street name stockholder, and you do not give voting instructions, the holder of record will not be permitted to vote your shares with respect to Proposal No. 1—Election of Directors, Proposal, No. 3—Advisory Vote on Executive Compensation, or Proposal No. 4—Advisory Vote on Frequency Of Future “Say-On-Pay” Advisory Votes and your shares will be considered “broker non-votes” with respect to these proposals. Although any broker non-votes would be counted as present at the Annual Meeting for purposes of determining a quorum, they will be treated as not entitled to vote with respect to each of Proposal Nos. 1, 3 and 4. If you are a street name stockholder, and you do not give voting instructions, the record holder will be entitled to vote your shares with respect to Proposal No. 2—Ratification of the Appointment of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our Independent Registered Public Accounting Firm for the Year Ending December 31, 2018 in its discretion.

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the Chairman of the Annual Meeting may adjourn the Annual Meeting to permit further solicitations of proxies.

The telephone and internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the telephone or internet should understand that there may be costs associated with telephonic or electronic access. These charges include usage charges from telephone companies and internet access providers. The stockholder will bear the cost of these charges.

Procedural Matters

If you are a registered stockholder, you may vote your shares or submit a proxy to have your shares voted by one of the following methods:

By Internet. You may submit a proxy electronically via the internet by following the instructions provided on the proxy card. Please have your proxy card in hand when you access the website. Internet voting facilities will close at 11:59 p.m. ET on June 21, 2018.

By Telephone. You may submit a proxy by telephone using the toll-free number listed on the proxy card. Please have the proxy card in hand when you call. Telephone voting facilities will close at 11:59 p.m. ET on June 21, 2018.

By Mail. You may submit a proxy by signing, dating and returning your proxy card in the provided pre-addressed envelope in accordance with the enclosed instructions. We encourage you to sign and return the proxy or voter instruction card even if you plan to attend the Annual Meeting so that your shares will be voted even if you are unable to attend.

In Person. If you plan to attend the Annual Meeting and vote in person, we will provide you with a ballot at the Annual Meeting. You may vote in person at the Annual Meeting by completing a ballot; however, attending the Annual Meeting without completing a ballot will not count as a vote.

If your shares are held in street name, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Internet and/or telephone voting will also be offered to stockholders owning shares through most banks and brokers.

Quorum

The presence at the Annual Meeting in person or by proxy of holders of a majority of our common stock, series A-1 stock, and series B-1 stock outstanding and entitled to vote at the Annual Meeting will constitute a quorum.

Required Vote, Abstentions and Broker Non-Votes

Only stockholders of record at the close of business on April 25, 2018 have the right to vote at the Annual Meeting. The proposals at the Annual Meeting will require the following votes:

Directors will be elected by a plurality of all votes cast. You may vote “FOR ALL NOMINEES,” “WITHHOLD FOR ALL NOMINEES” or “FOR ALL EXCEPT” for the director nominees. Withheld votes and broker non-votes will have no effect on Proposal No. 1.

Ratification of the selection of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm will require the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on this matter. You may vote “FOR,” “AGAINST” or “ABSTAIN” on the proposal to ratify the selection of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm. Abstentions will have the same effect as a vote against Proposal No. 2. We do not expect any broker non-votes in connection with respect to Proposal No. 2.

Approval, on an advisory basis, of our executive compensation will require the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on this matter. You may vote “FOR,” “AGAINST” or “ABSTAIN” on the proposal to approve, on an advisory basis, our executive compensation. Abstentions will have the same effect as a vote against Proposal No. 3 and broker non-votes will have no effect on Proposal No. 3.

The frequency of advisory approval of our executive compensation will be approved, on an advisory basis, based upon which option receives the highest number of votes cast by stockholders. You may vote “1 YEAR,” “2 YEARS,” “3 YEARS” or “ABSTAIN” on the proposal to approve, on an advisory basis, the frequency of advisory approval of our executive compensation. Abstentions and broker non-votes will have no effect on Proposal No. 4.

A “withheld vote,” in the case of the proposal regarding the election of directors, or an “abstention,” in the case of the proposal regarding the ratification of the selection of our independent registered public accounting firm, the proposal regarding the approval, on an advisory basis, of our executive compensation, or the proposal regarding the approval, on an advisory basis, of the frequency of advisory votes of our executive compensation, represents a stockholder’s affirmative choice to decline to vote on a proposal.

Generally, “broker non-votes” occur when shares held by a broker in street name for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the ratification of the appointment of our independent registered public accounting firm, without instructions from the beneficial owner of those shares. As a result, we do not expect any broker non-votes in connection with the ratification of our independent registered public accounting firm.

Default Voting

A proxy that is properly completed and returned will be voted at the Annual Meeting in accordance with the instructions on the proxy. If you properly complete and return a proxy, but do not indicate any contrary voting instructions, your shares will be voted in accordance with the board’s recommendations, which are as follows:

FOR the election of the eight persons named in this proxy statement as the board’s nominees for election as directors;

FOR the ratification of the selection of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm for the year ending December 31, 2018;

FOR the approval, on an advisory basis, of our executive compensation;

FOR the approval, on an advisory basis, of holding the advisory vote on our executive compensation every year; and

FOR approval of authority to transact such other business as may properly come before the Annual Meeting.

If any other business properly comes before the stockholders for a vote at the Annual Meeting, your shares will be voted at the discretion of the holders of the proxy. The board knows of no matters, other than those previously stated herein, to be presented for consideration at the Annual Meeting.

How to Revoke

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with the Secretary of the Company an instrument of revocation or a duly executed proxy bearing a later date, or by electing to vote in person at the Annual Meeting. A stockholder who attends the Annual Meeting need not revoke the proxy and vote in person unless he or she wishes to do so. The mere presence at the Annual Meeting of the person appointing a proxy does not, however, revoke the appointment. If you are a stockholder whose shares are not registered in your own name, you will need additional documentation from your record holder to vote personally at the Annual Meeting.

Expenses of Solicitation

We will bear all costs incurred in the solicitation of proxies, including the preparation, printing and mailing of the Notice of Annual Meeting of Stockholders, proxy statement and the related materials. In addition to solicitation by mail, our directors, officers and employees may solicit proxies personally or by telephone, e-mail, facsimile or other means, without additional compensation.

Stockholder List

A list of stockholders entitled to vote at the Annual Meeting will be available for inspection at the Annual Meeting and at our corporate offices located at 3349 Highway 138, Building A, Suite E, Wall, NJ 07719 beginning June 11, 2018, during normal business hours for examination by any stockholder registered on our stock ledger as of the record date for any purpose germane to the Annual Meeting.

Householding/Delivery of Documents to Stockholders

The SEC rules permit registrants to adopt a procedure called “householding.” Under this procedure, stockholders of record who have the same address and last name will receive only one set of proxy materials, unless one or more of these stockholders notifies the registrant that they wish to continue receiving individual sets. This procedure reduces printing costs and postage fees incurred by the registrant.

We have not adopted this householding procedure with respect to our record holders; however, a number of brokerage firms have instituted householding which may impact certain beneficial owners of our common stock. If your family has multiple accounts by which you hold common stock, you may have received a householding notification from your broker. Please contact your broker directly if you have any questions, require additional copies of the proxy materials, or wish to revoke your decision to household, and thereby receive multiple sets. Those options are available to you at any time.

Beginning on or about April 30, 2018, we mailed to our stockholders our Annual Report on Form 10-K for the year ended December 31, 2017, which includes our audited consolidated financial statements, together with these proxy materials.

PROPOSAL 1: ELECTION OF DIRECTORS

Our board of directors is presently comprised of eight members who hold office until each director's successor is elected and qualified, or until such director's earlier resignation or removal. Each nominee for director has been nominated for a one-year term to serve until the 2019 Annual Meeting of Stockholders and until their successors are elected and have qualified.

Our nominating and corporate governance committee recommended Messrs. DePasquale, Gilley, Bush, Knook, Michel and Shin as nominees to our board of directors. Pursuant to the terms of our series A-1 stock and series B-1 stock, we must include a director nominee for election designated by the holders of the series A-1 stock and a director nominee for election designated by the holders of the series B-1 stock. In the event any board member nominated by such stockholders resigns or is unable to serve, the stockholders that nominated such board member will be entitled to nominate a replacement director. Mr Wong, in his capacity as the sole holder of the issued and outstanding shares of series A-1 stock, nominated himself as a nominee to our board of directors. The holders of the issued and outstanding shares of series B-1 stock nominated Mr. Yao as a nominee to our board of directors. Each of the nominees for election is currently a director of the Company. If elected at the Annual Meeting, each of the nominees would serve until the 2019 Annual Meeting of Stockholders and until his successor is duly elected and qualified, or until such director's earlier death, resignation or removal.

The nominees have consented to being nominated and have expressed their intention to serve if elected. We have no reason to believe that the nominees will be unable to serve if elected to office and, to our knowledge, the nominees intend to serve the entire term for which election is sought. In the event any of the nominees recommended by our nominating and corporate governance committee should become unable to serve, or for good cause will not serve, as a director, it is intended that votes will be cast for a substitute nominee designated by the board of directors or the board of directors may elect to reduce its size. Only the nominees or substitute nominees designated by the board of directors will be eligible to stand for election as directors at the Annual Meeting.

Nominees for Board of Directors

We believe that our board of directors should be composed of individuals with sophistication and experience in many substantive areas that impact our business. We believe that experience, qualifications, or skills in the following areas are most important: technology applications, development, and distribution; accounting and finance; government affairs; design, innovation and engineering; strategic planning; human resources and development practices; and board practices of other corporations. We believe that our current board members possess the professional and personal qualifications necessary for board service, and have highlighted particularly noteworthy attributes for each board member below. The principal occupation, business experience for at least the past five years, and the age as of April 25, 2018, of each director nominee is included below.

Michael W. DePasquale, 63, has served as our Chief Executive Officer and a Director since January 3, 2003, and Chairman of the Board since January 29, 2014. He served as Co-Chief Executive Officer of the Company from July 2005 to August 2006. Mr. DePasquale brings more than 30 years of executive management, sales and marketing experience to the Company. Prior to joining us, Mr. DePasquale served as the President and Chief Executive Officer of Prism eSolutions, Inc., a Pennsylvania-based provider of professional consulting services and online solutions for ISO-9001/14000 certification for customers in manufacturing, healthcare and government markets, since February 2001. From December 1999 through December 2000, Mr. DePasquale served as Group Vice President for WRC Media, a New York-based distributor of supplemental education products and software. From January 1996 until December 1999, Mr. DePasquale served as Senior Vice President of Jostens Learning Corp., a California-based provider of multimedia curriculum. Prior to Jostens, Mr. DePasquale held sales and marketing management positions with McGraw-Hill and Digital Equipment Corporation. Mr. DePasquale earned a Bachelor of Science degree from the New Jersey Institute of Technology. He serves on the Board of Directors and as Treasurer of the International Biometrics and Identification Industry Association. CORPORATE GOVERNANCE

Director Independence

As required under the NASDAQ Marketplace Rules, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. Our board considered certain relationships between our directors and us when determining each director's status as an "independent director" under Rule 5605(a)(2) of the NASDAQ Marketplace Rules. Based upon such definition and SEC regulations, we have determined that Robert Michel, Pieter Knook, Thomas Bush, III, Thomas Gilley and Fabian Shin are "independent" under NASDAQ standards.

Board Leadership Structure and Role in Risk Oversight

We do not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as our board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the board. The board has determined that having our Chief Executive Officer serve as Chairman is in the best interest of our stockholders at this time. This structure makes the best use of the Chief Executive Officer's extensive knowledge of the Company and our industry, as well as fostering greater communication between our management and the board.

Our corporate governance guidelines provide that the board of directors is responsible for reviewing the process for assessing the major risks facing us and the options for their mitigation. This responsibility is largely satisfied by our audit committee, which is responsible for reviewing and discussing with management and our independent registered public accounting firm our major risk exposures and the policies management has implemented to monitor such exposures, including our financial risk exposures and risk management policies.

Committees of the Board of Directors

Audit Committee

Our audit committee is comprised of Robert J. Michel (Chair), Fabian Shin and Pieter Knook, all of whom meet the independence standards for purposes of serving on an audit committee established by NASDAQ and under the Exchange Act. Our audit committee (i) assists the board of directors in its oversight of the integrity of our financial statements, compliance with legal and regulatory requirements, and corporate policies and controls, (ii) has the sole authority to retain and terminate our independent registered public accounting firm, approve all auditing services and related fees and the terms thereof, and pre-approve any non-audit services to be rendered by our independent registered public accounting firm, and (iii) is responsible for confirming the independence and objectivity of our independent registered public accounting firm. Our independent registered public accounting firm has unrestricted access to our audit committee. Our board of directors has determined that Robert J. Michel qualifies as an "audit committee financial expert," as such term is defined in Item 407 of Regulation S-K.

Our audit committee operates under a written charter that is reviewed annually. The charter is available on our website at www.bio-key.com. The audit committee held four meetings during the year ended December 31, 2017.

Compensation Committee

Our compensation committee is comprised of Thomas Bush, III (Chair) and Robert Michel, both of whom meet the independence standards established by NASDAQ and under the Exchange Act. The compensation committee's duties include overseeing our overall compensation philosophy, policies and programs. This includes reviewing and analyzing the design and function of our various compensation components, establishing salaries, incentives and other forms of compensation for officers and non-employee directors, and administering our equity incentive plan. In fulfilling its responsibilities, the compensation committee has the authority to delegate any or all of its responsibilities to a subcommittee of the compensation committee.

Our compensation committee operates under a written charter that is reviewed annually. The charter is available on our website at www.bio-key.com. The compensation committee held two meetings during the year ended December 31, 2017.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is comprised of Thomas Gilley (Chair) and Thomas Bush, III, both of whom meet the independence standards established by NASDAQ and under the Exchange Act. The nominating and corporate governance committee is responsible for making recommendations to the board of directors regarding candidates for directorships and the size and composition of the board. In addition, the nominating and corporate governance committee is responsible for overseeing our corporate governance guidelines and reporting and making recommendations to the board concerning corporate governance matters.

Our nominating and corporate governance committee operates under a written charter that is reviewed annually. The charter is available on our website at www.bio-key.com. The nominating and corporate governance committee held one meeting during the year ended December 31, 2017.

Considerations in Evaluating Director Nominees

In selecting nominees for director, without regard to the source of the recommendation, our nominating and corporate governance uses a variety of methods for identifying and evaluating director nominees. In its evaluation of director candidates, our nominating and corporate governance committee may consider, among other things, the current size and composition of our board of directors, the needs of our board of directors, and the respective committees of our board of directors. Some of the qualifications that our nominating and corporate governance committee may consider include, without limitation, issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, leadership skills, potential conflicts of interest, and other commitments. Director candidates must have sufficient time available in the judgment of our nominating and corporate governance committee to perform all board of director and committee responsibilities. In addition, our nominating and corporate governance committee considers all applicable statutory and regulatory requirements and the requirements of any exchange upon which our common stock is listed or to which it may apply in the foreseeable future. The terms of our series A-1 stock and series B-1 stock provide for the holders of such shares to each designate a director nominee which is not subject to the nominating and corporate governance committee's review and recommendation process.

Although our board of directors does not maintain a specific policy with respect to board diversity, we believe that our board of directors should be a diverse body, and our nominating and corporate governance committee considers a broad range of backgrounds and experiences in reviewing candidates for nomination to the board of directors. In making determinations regarding nominations of directors, our nominating and corporate governance committee may take into account the benefits of diverse viewpoints. Our nominating and corporate governance committee also considers these and other factors as it oversees the annual board of director and committee evaluations. After completing its review and evaluation of director candidates, our nominating and corporate governance committee recommends to our full board of directors the director nominees for selection.

Stockholder Recommendations for Nominations to the Board of Directors

Our nominating and corporate governance committee will consider directors candidates recommended by stockholders so long as such recommendations comply with our certificate of incorporation, our bylaws, and applicable laws, rules and regulations, including those promulgated by the SEC. The nominating and corporate governance committee will evaluate such recommendations in accordance with its charter, bylaws, policies and procedures for director candidates, and the regular director nominee criteria described above. This process is designed to ensure that our board of directors includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to our business. Eligible stockholders wishing to recommend a candidate for nomination should contact our Secretary in writing. Such recommendations must include information about the candidate, evidence of the recommending stockholder's ownership of our common stock, and written consent from the candidate confirming willingness to serve on our board of directors, if elected. Subject to the terms of our series A-1 stock and series B-1 stock, our nominating and corporate governance committee has discretion to decide which individuals to recommend for nomination as directors.

Director Attendance

During 2017, the board of directors held four meetings. Each of our directors attended at least 75% of all meetings of the board of directors and any committees on which such director was a member except Mr. Yao.

Although we do not have a specific director attendance policy, directors are encouraged to attend the annual meetings of stockholders.

Code of Ethics

We have adopted a Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics is designed to deter wrongdoing and promote: (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; (ii) full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in our other public communications; (iii) compliance with applicable governmental laws, rules, and regulations; (iv) the prompt internal reporting of violations of the code to an appropriate person or persons identified in the code; and (v) accountability for adherence to the code. We intend to disclose amendments or waivers of the Code of Ethics on our website within four business days. Narrative Disclosure to Summary Compensation Table

Compensation for our executives is comprised of three main components: base salary, annual performance-based cash bonus, and long-term equity awards. We do not target a specific weighting of these three components or use a prescribed formula to establish pay levels. Rather, the board of directors and compensation committee considers changes in the business, external market factors and our financial position each year when determining pay levels and allocating between long-term and current compensation for the named executive officers.

Cash compensation is comprised of base salary and an annual performance-based cash bonus opportunity. The committee generally seeks to set a named executive officer's targeted total cash compensation opportunity within a range that is the average of the applicable peer company and/or general industry compensation survey data, adjusted as appropriate for individual performance and internal pay equity and labor market conditions.

In setting cash compensation levels, we favor a balance in which base salaries are generally targeted at slightly below the peer average and a bonus opportunity that is targeted at slightly above the average. The base salary of our CEO has not been increased since 2005. In light of this fact and in order to motivate and retain these key officers, the compensation committee increased the base salaries of our CEO and CFO to \$275,000 and \$175,000, respectively, in 2018.

Performance-based bonuses are generally based upon the achievement of certain revenue milestones established by the compensation committee. The committee believes that this higher emphasis on performance-based cash bonuses places an appropriate linkage between a named executive officer's pay, his or her individual performance and the achievement of specific business goals by placing a higher proportion of annual cash compensation at risk, thereby aligning executive opportunity with the interests of stockholders.

In 2017, we adopted an incentive bonus plan for our named executive officers, our other executive officers, and certain key employees. The plan provided for the payment of a cash bonus equal to 10% of our net income in the event that our 2017 revenue exceeded \$5,000,000, 12% of our net income in the event that our 2017 revenue exceeded \$10,000,000, and 15% of our net income in the event that our 2017 revenue exceeds \$12,500,000 to be allocated among our named executive officers and other participants in the plan based on the relative base salaries of the participants. No bonuses were paid as we did not report any net income in 2017. Based on our financial performance in 2017, including the fact that we exceeded the first revenue target, we awarded discretionary bonuses to Mr. DePasquale and Ms. Welch of \$20,000 and \$10,000, respectively. We did not pay any cash bonuses to our named executive officers in 2016.

For 2018, we have adopted an incentive bonus plan for our named executive officers, our other executive officers, and certain key employees. The plan provides for the payment of a cash bonus equal to 10% of our EBITDA in the event that our 2018 revenue exceeds \$11,900,000, 12% of our EBITDA in the event that our 2018 revenue exceeds \$15,800,000, and 15% of our EBITDA in the event that our 2018 revenue exceeds \$18,900,000. The forgoing amount, if any, will be allocated among our named executive officers and other participants in the plan based on the relative base salaries of the participants.

We also include an equity component as part of our compensation package because we believe that equity-based compensation aligns the long-term interests of our named executive officers with those of stockholders. In 2017, we issued options to Mr. DePasquale to purchase 250,000 shares of common stock, to Ms. Welch to purchase 130,000 shares of common stock, and to Ms. Rivera to purchase 130,000 shares of common stock. The forgoing options have an exercise price of \$2.65 per share, the last sales price of our common stock on the date of grant, have a term of seven years, and vest in three equal annual installments commencing March 16, 2018. We did not issue any equity compensation to Mr. DePasquale or Ms. Welch in 2016.

These cash and equity compensation components of pay are supplemented by various benefit plans that provide health, life, accident, disability and severance benefits, most of which are the same as the benefits provided to all of our US based employees.

Narrative Disclosure to Outstanding Equity Awards at December 31, 2017 Table

The following are the material terms of each agreement, contract, plan or arrangement that provide for payments to one or more of our named executive officers at, following or pursuant to their resignation, retirement or termination, or in connection with a change in control of the Company.

Termination Arrangements

We may terminate our employment agreement with Mr. DePasquale at any time with or without cause. In the event of termination by us without cause, we will continue to pay Mr. DePasquale his then current base salary for the greater of nine months from the date of such termination or the number of months remaining until the end of the term of the agreement.

We may terminate our employment agreement with Ms. Welch at any time with or without cause. In the event of termination by us without cause, we will continue to pay Ms. Welch her then current base salary for the greater of six months from the date of such termination or the number of months remaining until the end of the term of the agreement.

Change in Control Provisions

Our 2004 Stock Incentive Plan and 2015 Equity Incentive Plan (the “Plans”) provide for the acceleration of the vesting of unvested options upon a “Change in Control” of the Company. A Change in Control is defined in the Plans to include (i) a sale or transfer of substantially all of the Company’s assets; (ii) the dissolution or liquidation of the Company; (iii) a merger or consolidation to which the Company is a party and after which the prior shareholders of the Company hold less than 50% of the combined voting power of the surviving corporation’s outstanding securities; (iv) the incumbent directors cease to constitute at least a majority of the Board of Directors; or (v) a change in control of the Company which would otherwise be reportable under Section 13 or 15(d) of the Exchange Act. In the event of a “Change In Control” each Plan provides for the immediate vesting of all options issued thereunder. Options issued to executive officers outside of the Plans contain change in control provisions substantially similar to those contained in the Plans.

Our employment agreement with Mr. DePasquale contains a change in control provision that is triggered if Mr. DePasquale is not offered continued employment with us or any successor, or within five years following such Change of Control, we or any successor terminate Mr. DePasquale's employment without cause. If this occurs, then we will pay Mr. DePasquale his base salary and benefits earned but unpaid through the date of termination, and any prorated bonus earned during the then current bonus year, plus two times his then current base salary.

All of our directors elected to receive payment in common stock for the last board meeting in 2017. Other than with respect to Kelvin's stock awards, officers who also serve as directors do not receive additional compensation for their service as directors. EQUITY COMPENSATION PLAN INFORMATION

The following table provides certain information with respect to all of our equity compensation plans in effect as of December 31, 2017.

Total	1,477,493	\$ 2.91	584,581

On December 4, 2015, we adopted the 2015 Equity Incentive Plan (the “2015 Plan”) which the stockholders approved on January 27, 2016. The 2015 Plan reserves 666,667 shares of common stock for issuance of awards to employees, non-employee directors, and consultants and is administered by the compensation committee of our board of directors. The 2015 Plan provides for the grant of incentive stock options (ISOs), nonstatutory stock options (NSOs), restricted stock awards, restricted stock unit awards, stock appreciation rights, other stock awards, and performance awards that may be settled in stock, or other property. A maximum of 33,334 shares of our common stock may be granted to any one participant during any one calendar year pursuant to stock options, stock appreciation rights or other stock awards. The term of stock options granted may not exceed ten years and exercise prices may not be less than 100% of the fair market value of the common stock subject to the stock option on the date of grant. If a stock award granted under the

2015 Plan, or any portion thereof, expires, is forfeited or otherwise terminates without all of the shares covered by the stock award having been issued, such expiration, termination or settlement will not reduce or otherwise offset the number of shares available for issuance under the 2015 Plan. In the event of a change in control, a stock award under the 2015 Plan may be subject to additional acceleration of vesting and exercisability. Unless terminated sooner by our board of directors, the 2015 Plan will automatically terminate on December 3, 2025. As of December 31, 2017, there were outstanding options under the 2015 Plan to purchase 82,086 shares of common stock, and 584,581 shares were available for future grants.

On October 12, 2004, we adopted the 2004 Stock Option Plan (the 2004 Plan). The 2004 Plan was not presented to stockholders for approval and thus incentive stock options were not available under this plan. Under the terms of this plan, 166,667 shares of common stock were reserved for issuance to employees, officers, directors, and consultants at exercise prices which may not be below 85% of fair market value. The term of stock options granted may not exceed ten years. Options issued under the 2004 Plan vest pursuant to the terms of stock option agreements with the recipients. In the event of a change in control, as defined, all options outstanding vest immediately. The 2004 Plan expired in October 2014. As of December 31, 2017, there were outstanding options under the 2004 Plan to purchase 52,296 shares of common stock and no shares were available for future grants.

In addition to options issued under the 2004 and 2015 Plans, we have issued options to purchase common stock to employees, officers, directors and consultants outside of the plans. As of December 31, 2017, there were outstanding non-plan options to purchase 1,343,111 shares of common stock. PROPOSAL 2: RATIFICATION OF THE SELECTION OF ROTENBERG MERIL SOLOMON BERTIGER & GUTTILLA, P.C. AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2018

The audit committee has appointed Rotenberg Meril Solomon Bertiger & Guttilla, P.C. (“Rotenberg Meril”) to audit and report on the consolidated financial statements of the Company and its subsidiaries for the fiscal year ending December 31, 2018. Rotenberg Meril served as our independent registered public accounting firm for the fiscal year ended December 31, 2017.

The board of directors is submitting the selection of Rotenberg Meril for ratification at the Annual Meeting. The submission of this matter for ratification by stockholders is not legally required, but our board of directors and the audit committee believe the submission provides an opportunity for stockholders through their vote to communicate with the board and the audit committee about an important aspect of corporate governance. If the stockholders do not ratify the selection of Rotenberg Meril, the audit committee will reconsider, but will not be required to rescind, the selection of that firm as our independent registered public accounting firm. Representatives of Rotenberg Meril will attend the Annual Meeting and may make a statement if they wish. They will be available to answer appropriate questions at the Annual Meeting.

The audit committee has the authority and responsibility to retain, evaluate and replace our independent registered public accounting firm. The stockholders’ ratification of the appointment of Rotenberg Meril does not limit the authority of the audit committee to change our independent registered public accounting firm, as it deems necessary or appropriate, at any time.

Audit and Related Fees

The following table presents fees for professional audit services performed for the audit of our annual financial statements for the years ended December 31, 2017 and 2016 and fees billed and unbilled for other services rendered by it during those periods.

	2017	2016
Audit Fees	\$ 100,000	\$ 99,885
Audit-Related Fees	9,436	15,695
Tax Fees	16,920	18,160
Total Fees	\$ 126,356	\$ 133,740

Audit Fees consist of fees billed for professional services rendered for the audit of our financial statements and review of the interim financial statements included in quarterly reports and services that are normally provided by our auditors in connection with statutory and regulatory filings or engagements. Audit fees also include fees for services provided in connection with registration of securities and review of documents filed with the SEC.

Audit-Related Fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and which are not reported under audit fees. These services relate primarily to the due diligence related to registration statements filed by the Company.

Tax Fees consist of fees billed for professional services for tax compliance assistance rendered during the fiscal year.

Audit Committee Pre-Approval Procedures

The audit committee of our board of directors consists of Robert J. Michel (Chairman), Fabian Shin and Pieter Knook. The audit committee approves the engagement of our independent auditors to render audit and non-audit services before they are engaged. All of the fees for 2017 and 2016 shown above were pre-approved by the audit committee.

The audit committee pre-approves all audit and other permitted non-audit services provided by our independent auditors. Pre-approval is generally provided for up to one year, is detailed as to the particular category of services and is subject to a monetary limit. Our independent auditors and senior management periodically report to the audit committee the extent of services provided by the independent auditors in accordance with the pre-approval, and the fees for the services performed to date. The audit committee may also pre-approve particular services on a case-by-case basis.

Our audit committee will not approve engagements of our independent registered public accounting firm to perform non-audit services for us if doing so will cause our independent registered public accounting firm to cease to be independent within the meaning of applicable SEC rules. In addition, our audit committee considers, among other things, whether our independent registered public accounting firm is able to provide the required services in a more or less effective and efficient manner than other available service providers.

Required Vote

Approval of Proposal 2 requires the affirmative vote of a majority of the shares of common stock, series A-1 stock, and series B-1 stock, voting together as a single class, present in person or by proxy and entitled to vote on this proposal at the Annual Meeting. As a result, abstentions will have the same effect as votes against this proposal. We do not expect any broker non-votes in connection with this proposal.

The board of directors recommends a vote FOR the proposal to ratify the selection of Rotenberg Meril as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

REPORT OF THE AUDIT COMMITTEE

This report of the audit committee is required by the SEC and, in accordance with the SEC's rules, will not be deemed to be part of or incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act or under the Exchange Act, except to the extent that we specifically incorporate this information by reference, and will not otherwise be deemed "soliciting material" or "filed" under either the Securities Act or the Exchange Act.

Our management is responsible for the preparation, presentation and integrity of our financial statements for the appropriateness of the accounting principles and reporting policies that we use, and for establishing and maintaining adequate internal control over financial reporting. Rotenberg Meril, our independent registered public accounting firm for 2017, was responsible for performing an independent audit of our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2017 (the "Form 10-K"), and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

In connection with the preparation of our audited financial statements for the year ended December 31, 2017, the audit committee:

reviewed and discussed the audited financial statements with management;

discussed with Rotenberg Meril, our independent registered public accounting firm, the matters required to be discussed under applicable standards of the of the Public Company Accounting Oversight Board ("PCAOB"); and

received the written disclosures and the letter from Rotenberg Meril, our independent registered public accounting firm, required by the applicable requirements of the PCAOB regarding Rotenberg Meril's communications with the audit committee concerning independence, discussed with Rotenberg Meril its independence, and satisfied itself as to their independence.

Based upon the review and discussions described above, the audit committee recommended to the board of directors that the audited financial statements be included in the Form 10-K for filing with the SEC.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

General

In accordance with Section 14A of the Exchange Act and Rule 14a-21(a) promulgated thereunder, our stockholders are entitled to vote at the Annual Meeting to approve the compensation of our named executive officers, commonly known as a “Say-on-Pay”, as disclosed in this proxy statement in accordance with the standards established under Item 402 of Regulation S-K under the Exchange Act. However, the stockholder vote on executive compensation is an advisory vote only, and it is not binding on us, our board of directors, or any of our board committees.

Although the vote is non-binding, our board of directors and the compensation committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions affecting our executive officers.

We design our executive compensation program to implement our core objectives of attracting and retaining superior executive talent, motivating and rewarding executives whose knowledge, skills and performance are critical to our business, ensuring executive compensation is aligned with our corporate strategies and business objectives, and aligning executives’ incentives with the creation of stockholder value.

Resolution

Our stockholders are being asked to approve by advisory vote the following resolution relating to the compensation of our named executive officers as described in this proxy statement:

“RESOLVED that the Company’s stockholders hereby approve the compensation paid to the Company’s executive officers named in the Summary Compensation Table of this proxy statement, as that compensation is disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the various compensation tables and the accompanying narrative discussion included in this proxy statement.”

The vote on this resolution is not intended to address any specific element of compensation; rather the vote relates to the compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC.

Required Vote

Approval of Proposal 3 requires the affirmative vote of a majority of the shares of common stock, series A-1 stock, and series B-1 stock, voting together as a single class, present in person or by proxy and entitled to vote on this proposal at the Annual Meeting. As a result, abstentions will have the same effect as votes against this proposal and broker non-votes will have no effect on this proposal.

The board of directors recommends an advisory vote FOR the resolution to approve the executive compensation as disclosed in this proxy statement.

PROPOSAL 4: ADVISORY VOTE ON FREQUENCY OF THE ADVISORY APPROVAL OF OUR EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act and Rule 14a-21(b) promulgated thereunder, we are asking our stockholders to indicate, in a non-binding advisory vote, whether future advisory votes to approve the compensation of the named executive officers should be held every year, every two years, or every three years.

Our board of directors has determined that our stockholders should have the opportunity to vote on the compensation of our named executive officers every year. The board believes that giving the stockholders the right to cast an advisory vote every year on the compensation of our named executive officers will provide stockholders with the opportunity to give us timely input on our executive compensation program.

Stockholders can specify one of four choices when voting on this proposal: every one year, every two years, every three years, or abstain. By voting on this proposal, stockholders are not voting to approve or disapprove the board's recommendation. The frequency — every "one year," "two years" or "three years" — receiving the highest number of votes will be determined to be the preferred frequency of holding future advisory votes on named executive officer compensation.

As this is an advisory vote, the results will not be binding on us or on the compensation committee of the board, and the board may decide that it is in the best interests of the stockholders and the Company to hold an advisory vote on our named executive officer compensation more or less frequently than the option selected by our stockholders. We will provide our stockholders with the opportunity to vote on the frequency of advisory votes on our named executive officers' compensation at our annual meetings at least once every six calendar years.

Resolution

Under this Proposal No. 4, stockholders may vote to have the "say-on-pay" vote every one year, every two years, every three years, or abstain from voting in response to the resolution set forth below.

“RESOLVED, that the stockholders determine, on an advisory basis, whether the preferred frequency of an advisory vote on the executive compensation of the Company’s named executive officers as set forth in the Company’s proxy statement should be every year, every two years, or every three years.”

You are not voting in this proposal to approve or disapprove our board’s recommendation. Instead, you may cast your vote on your preferred voting frequency by choosing the option of one year, two years, three years, or abstain from voting when you vote in response to this proposal.

Required Vote

The frequency receiving the highest number of votes of the shares of common stock, series A-1 stock, and series B-1 stock, voting together as a single class, present in person or by proxy and entitled to vote on this proposal at the Annual Meeting will be determined to be the preferred frequency under Proposal 4. Abstentions and broker non-votes will have no effect on this proposal.

The board of directors recommends that stockholders vote for “One Year” on the advisory vote on frequency of advisory approval of executive compensation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Reports of all transactions in our common stock by officers, directors and ten percent (10%) stockholders are required to be filed with the SEC pursuant to Section 16(a) of the Exchange Act. Based solely on our review of copies of the reports received, or representations of such reporting persons, we believe that during the year ended December 31, 2017, all Section 16(a) filing requirements applicable to our officers, directors and ten percent (10%) stockholders were satisfied in a timely fashion, except for the late filing of the following forms: Kelvin did not timely file a Form 4 reporting the acquisition of common stock in payment of board fees on March 15, 2017.

The notice must set forth: (i) the name, age, business address and, if known, residence address of each such nominee; (ii) principal occupation or employment of each such nominee; (iii) the number of shares of stock of the Company that are beneficially owned by each such nominee; and (iv) any other information concerning such nominee that must be disclosed as to nominees in proxy solicitations pursuant to Regulation 14A under the Exchange Act. In addition, as to the stockholder giving the notice, the notice must include: (1) the name and record address of such stockholder; and (2) the class and number of shares of Company stock beneficially owned by such stockholder. Our nominating and corporate governance committee will consider all director candidates recommended by any stockholder on the same basis as candidates recommended by the board and other sources. The presiding officer at the annual meeting is required to determine whether any nomination was properly brought before the annual meeting in accordance with our bylaws.
