PROXY STATEMENT

2018 ANNUAL MEETING OF SHAREHOLDERS

To be held on June 26, 2018 at 3:00 p.m. (Pacific Time)

This Proxy Statement (the “Proxy Statement”) is being furnished to all shareholders of record as of April 30, 2018 by the Board of Directors (the “Board”) of Qualstar Corporation, a California corporation (“Qualstar,” the “Company,” or “we”), in connection with the solicitation of proxies for the Annual Meeting of Shareholders (including any adjournment, postponement, continuation or rescheduling thereof, the “Annual Meeting”) to be held on June 26, 2018 at our principal executive office, located at 130 West Cochran Street, Unit C, Simi Valley, California 93065, at 3:00 p.m. Pacific Time. This Proxy Statement contains important information about the business matters that will be voted on at the Annual Meeting.

GENERAL INFORMATION

Why am I receiving these materials?

We sent you this Proxy Statement because your Board is soliciting your proxy to vote at the Annual Meeting. This Proxy Statement summarizes the information you need to vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares of Qualstar's common stock, no par value. This Proxy Statement, the accompanying **WHITE** proxy card and our annual report on Form 10-K for the fiscal year ended December 31, 2017 are being made available to shareholders beginning on or about May 17, 2018. Please read this Proxy Statement, as it contains important information you need to know to vote at the Annual Meeting.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

In accordance with the rules of the SEC, we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the internet. The notice containing instructions on how to access our proxy materials is first being mailed on or about May 17, 2018 to all shareholders entitled to vote at the Annual Meeting. Shareholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the notice. We encourage shareholders to take advantage of the availability of our proxy materials on the internet to help reduce the environmental impact and the costs of our annual meetings of shareholders.

What proposals will be voted on at the Annual Meeting?

At the Annual Meeting, you will be asked to consider and vote upon the following matters:

Election of four directors to each serve until the Annual Meeting and until their respective successors will have been duly elected and qualified (Proposal 1);

Approval of the appointment of RBSM LLP as the independent registered public accounting firm for the fiscal year ending December 31, 2018 (Proposal 2);

To conduct an advisory vote regarding the compensation of our Named Executive Officers: Say on Pay (Proposal 3); and

Any other matters, if any, as may properly be brought before the Annual Meeting and any postponement or adjournment of the Annual Meeting.

When and where will the Annual Meeting be held?

The Annual Meeting will be held on June 26, 2018, at 3:00 p.m. Pacific Time, at our principal executive office, located at 130 West Cochran Street, Unit C, Simi Valley, California 93065.

Who is entitled to vote at the Annual Meeting?

The Board has fixed the close of business on April 30, 2018 as the record date for determining those shareholders entitled to notice of, and to vote on, all matters that may properly come before the Annual Meeting. As of the record date, Qualstar had 2,048,118 outstanding shares of common stock entitled to notice of, and to vote at, the Annual Meeting. No other securities are entitled to vote at the Annual Meeting. Only shareholders of record on the record date are entitled to notice of and to vote at the Annual Meeting and at any adjournment thereof.

What are the voting rights of shareholders?

Each shareholder of record is entitled to one vote for each share held as of the record date on all matters to come before the Annual Meeting and at any adjournment thereof. Under our Restated Articles of Incorporation, shareholders do not have cumulative voting rights in the election of directors.

How many votes must be present to hold the Annual Meeting?

To conduct business at the Annual Meeting, a quorum must be present. The presence in person or by proxy of shareholders entitled to cast at least a majority of all votes entitled to be cast at the meeting will constitute a quorum. We count proxies marked “withhold authority” as to any director nominee or “abstain” as to a particular proposal for purposes of determining the presence or absence of a quorum at the Annual Meeting for the transaction of business.

How do I vote my shares?

In addition to voting in person at the Annual Meeting or any postponement or adjournment thereof, you may vote by mail, internet or telephone.

Voting by Internet or Telephone. If you are a registered shareholder (that is, if your stock is registered in your name), you may also vote by internet or telephone by following the instructions included with your **WHITE** proxy card. You are encouraged to vote electronically by internet or telephone. The procedures for each of these voting methods is set forth below.

Vote by Internet. Use the internet to vote your proxy 24 hours a day, 7 days a week. Have your **WHITE** proxy card in hand when you log on. You will be prompted to enter your Control Number(s) which is located on your **WHITE** proxy card and then follow the directions given to obtain your records and create a voting instructions form.

Vote by Telephone. Use any touch-tone telephone to vote your proxy 24 hours a day, 7 days a week. Have your **WHITE** proxy card in hand when you call. You will be prompted to enter your Control Number(s) which is located on your **WHITE** proxy card and then follow the directions given.

If you vote by internet or telephone, you do not need to return your **WHITE** proxy card.

If your shares are held in “street name” (that is, if your stock is registered in the name of your broker, bank or other nominee), please check your proxy card or contact your broker, bank or other nominee to determine whether you will be able to vote by internet or telephone.

If you need assistance in revoking your proxy or changing your vote, please call the Company at 1-800-468-0680 ext. 114.

Voting by Mail. To vote by mail, please sign, date and return to Qualstar as soon as possible the enclosed **WHITE** proxy card. An envelope with postage paid, if mailed in the United States, is provided for this purpose. Properly executed proxies that are received in time and not subsequently revoked will be voted as instructed on the proxies. If you vote by internet or by telephone as described above, you need not also mail a proxy to Qualstar.

Voting at the Annual Meeting. You may vote by ballot in person at the Annual Meeting. If you want to vote by ballot, and you hold your shares in street name (that is, through a bank or broker), you must obtain a power of attorney or other proxy authority from that organization and bring it to the Annual Meeting. Follow the instructions from your bank, broker or other agent or nominee included with these proxy materials, or contact your bank, broker or other agent or nominee to request a power of attorney or other proxy authority. Even if you plan to attend the Annual Meeting, you are encouraged to submit a **WHITE** proxy card or vote by internet or telephone to ensure that your vote is received and counted. If you vote in person at the Annual Meeting, you will revoke any prior proxy you may have submitted.

How does the Board recommend that I vote?

The Board recommends that you vote as follows:

“FOR” each of the following four (4) nominees to the Board: Steven N. Bronson, David J. Wolenski, Leonard A. Hagan, and Nicholas A. Yarymovych (Proposal 1);

“FOR” approval of the appointment of RBSM LLP as the independent registered public accounting firm for the fiscal year ending December 31, 2018 (Proposal 2); and

“FOR” approval of the advisory vote regarding Named Executive Officer Compensation; Say on Pay (Proposal 3).

What vote is required?

The vote that is required depends upon the matter that is voted upon.

Proposal 1

Directors are elected by a plurality of the votes cast for election of directors and the Board has proposed four (4) nominees. Accordingly, the directors elected will be the four (4) nominees who receive the highest number of “**FOR**” votes cast at the Annual Meeting by shareholders present, in person, or by proxy, and entitled to vote. If a shareholder does not vote for the election of directors because the authority to vote is withheld, because a proxy is not returned, because the broker holding the shares does not vote, or because of some other reason, the shares will not count in determining the total number of votes for each nominee. **WHITE** Proxies signed and returned unmarked will be voted **FOR** the Board’s four (4) nominees (Steven N. Bronson, David J. Wolenski, Leonard A. Hagan, and Nicholas A. Yarymovych). **Please note that brokers may not vote on the election of directors in the absence of specific client instruction. Those who hold shares in a brokerage account are encouraged to provide voting instructions to their broker.** Votes that are not returned, withheld or broker non-votes will have no effect on the outcome of the election. If any nominee is unable to act as director because of an unexpected occurrence, the proxy holders may vote the proxies for another person or the Board may reduce the number of directors to be elected. The holders of the proxy for the Annual Meeting will be Steven N. Bronson and Louann Negrete (the “Proxy Holders”). Proxies solicited by the Board will be voted “**FOR**” each nominee, unless otherwise instructed.

Proposal 2

Approval of the appointment of RBSM LLP as the independent registered public accounting firm for the fiscal year ending December 31, 2018 will require the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote. For purposes of Proposal 2, abstentions and broker non-votes will not affect the voting outcome, which recognizes only actual votes for or against the proposal. Proxies solicited by the Board will be voted “**FOR**” this proposal, unless otherwise instructed.

Proposal 3

Approval of the advisory vote on executive compensation will require the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote. For purposes of Proposal 3, abstentions and broker non-votes will not affect voting outcome, which recognizes only actual votes for or against the proposal.

Are there any directors not standing for reelection?

No. All directors are standing for re-election at the meeting.

If I give a proxy, how will my shares be voted?

WHITE proxy cards received by us before the Annual Meeting that are properly executed and dated will be voted at the Annual Meeting in accordance with the instructions indicated on the proxy.

If you properly execute and date your **WHITE** proxy card but do not include voting instructions, your **WHITE** proxy card will be voted **FOR** the election of each of the following four (4) director nominees: Steven N. Bronson, David J. Wolenski, Leonard A. Hagan, and Nicholas A. Yarymovych, and **FOR** Proposal 2 and **FOR** Proposal 3 and in accordance with the best judgment of the Proxy Holders on any other matters that may come before the meeting. Unsigned proxies will not be voted.

If you vote using the website or the telephone number noted on the **WHITE** proxy card, you do not need to return ANY proxy card.

If the Annual Meeting is postponed or adjourned, a shareholder's proxy will remain valid and may be voted at the postponed or adjourned meeting. A shareholder still will be able to revoke the shareholder's proxy until it is voted.

What if other matters are voted on at the Annual Meeting?

With respect to any other matter that properly comes before the Annual Meeting, the Proxy Holders will vote the proxies in their discretion in accordance with their best judgment and in the manner they believe to be in the best interest of Qualstar. For example, if you do not give instructions on your **WHITE** proxy card or by internet or telephone, and a nominee for Director listed on the **WHITE** proxy card withdraws before the election (which is not now anticipated), your shares will be voted by the Proxy Holders for any substitute nominee as may be nominated by the Board. The holders of the proxy for the Annual Meeting will be Steven N. Bronson and Louann Negrete.

On the date we filed this Proxy Statement with the Securities and Exchange Commission, the Board did not know of any other matter to be brought before the Annual Meeting.

How will my shares be voted if I mark "Abstain" on my proxy card?

We will count a properly executed **WHITE** proxy card marked "Abstain" as present for purposes of determining whether a quorum is present, but the shares represented by that **WHITE** proxy card will not be voted at the Annual Meeting for the proposals so marked.

Will my shares be voted if I do not provide instructions to my broker or nominee?

If you are a beneficial owner whose shares are held by a broker, your broker has discretionary voting authority under NYSE rules to vote your shares for the ratification of RBSM LLP even if the broker does not receive voting instructions from you. However, your broker does not have discretionary authority to vote on the election of directors, the advisory vote regarding executive compensation or on any shareholder proposal without instructions from you, in which case a broker non-vote will occur. Since shares that constitute broker non-votes will not be included in vote totals and have no effect on the outcome of the election of directors, the advisory vote regarding executive compensation, or any other matters properly brought before the meeting, it is important that you instruct your broker on how to vote your shares.

Can I revoke my proxy or change my vote?

Any proxy may be changed or revoked at any time prior to the Annual Meeting by submitting a new proxy with a later date, by a later telephone or Internet vote (subject to the telephone or Internet voting deadline), by voting in person at the Annual Meeting or by submitting a revocation in writing. Written revocations must be directed to: Corporate Secretary, Qualstar Corporation, 130 West Cochran Street, Unit C, Simi Valley, California 93065; and they must be received by the Corporate Secretary no later than 5:00 p.m., Pacific Time, on June 25, 2018.

If you hold your shares in street name (that is, through a bank or broker) and desire to vote by ballot in person at the Annual Meeting, you must obtain a power of attorney or other proxy authority from that organization and bring it to the Annual Meeting. Follow the instructions from your bank, broker or other agent or nominee included with these proxy materials, or contact your bank, broker or other agent or nominee to request a power of attorney or other proxy authority. If you vote in person at the Annual Meeting, you will revoke any prior proxy you may have submitted.

What does it mean if I receive more than one WHITE proxy card?

If you hold your shares in more than one account, you will receive a **WHITE** proxy card for each account. To ensure that all of your shares are voted, please vote using each **WHITE** proxy card you receive or, if you vote by internet or telephone, you will need to enter each of your Control Numbers. Remember, you may vote by telephone or internet or by signing, dating and returning the **WHITE** proxy card in the postage-paid envelope provided.

Who will solicit proxies on behalf of the Board?

Your vote is being solicited on behalf of the Board, and the Company will pay the costs associated with the solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement.

Who will bear the cost of the solicitation of proxies?

The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy card and any additional soliciting materials furnished to shareholders, will be borne by Qualstar. Copies of solicitation material will be furnished to banks, brokerage houses, dealers, banks, voting trustees, their respective nominees and other agents holding shares in their names, which are beneficially owned by others, so that

they may forward this solicitation material, to beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding these materials to the beneficial owners.

ELECTION OF DIRECTORS

(Proposal 1)

In accordance with Qualstar's amended and restated bylaws, the number of authorized directors constituting the Board is fixed as of the commencement of voting at the Annual Meeting at six (6). The Board is nominating four (4) directors to be elected at the Annual Meeting, each of who will hold office until the next Annual Meeting of Shareholders and until their respective successors are elected and have been qualified or such director's earlier resignation, death or removal. As a result, there will be two (2) vacancies on the Board. Such vacancies may be filled by a majority of the remaining directors and any such additional directors shall hold office until his or her successor is elected at an annual or a special meeting of the shareholders. Subject to the provisions of Qualstar's amended and restated bylaws and its restated articles of incorporation, the shareholders may also elect a director or directors at any time to fill any vacancy or vacancies not filled by the directors.

The following four individuals—Steven N. Bronson, David J. Wolenski, Leonard A. Hagan, and Nicholas A. Yarymovych—have been designated by the Board as the nominees for election as directors. Messrs. Bronson, Wolenski, Hagan and Yarymovych currently serve as directors of Qualstar and were all elected to the Board at the 2017 Annual Meeting of Shareholders. Each of our four nominees was recommended to the Board by the Nominating and Governance Committee and was approved by the Board. The recommendation of the Board is based on its carefully considered judgment that the experience, record and qualifications of each of its nominees make them the best candidates to serve on the Board. We believe that these four nominees, with their breadth of relevant and diverse experience, represent the best interests of our shareholders and that the four nominees recommended by the Board should be elected.

The nominees of the Board have consented to serving as nominees for election to the Board, to being named in this Proxy Statement and to serving as members of the Board if elected by Qualstar's shareholders. As of the date of this Proxy Statement, Qualstar has no reason to believe that any nominee will be unable or unwilling to serve if elected as a director. However, if for any reason a nominee becomes unable to serve or for good cause will not serve if elected, the Board upon the recommendation of its Nominating and Governance Committee may designate substitute nominees, in which event the shares represented by proxies returned to us will be voted for such substitute nominees. If any substitute nominees are so designated, we will file an amended proxy statement that, as applicable, identifies the substitute nominees, discloses that such nominees have consented to being named in the amended proxy statement and to serve as directors if elected, and includes certain biographical and other information about such nominees required by the applicable rules promulgated by the SEC.

The accompanying **WHITE** proxy card will not be voted for more than four candidates or for anyone other than the Board's nominees or designated substitutes. Unless otherwise instructed, the persons named in the accompanying proxy will vote to elect Steven N. Bronson, David J. Wolenski, Leonard A. Hagan and Nicholas A. Yarymovych to

the Board, unless, by marking the appropriate space on the **WHITE** proxy card, the shareholder instructs that he, she or it withholds authority from the Proxy Holders to vote.

The following table provides information regarding Qualstar's nominees, their ages, the year in which each first became a director of Qualstar, their principal occupations or employment during the past five years, directorships held with other public companies at any time during the past five years, and other biographical data. Included in the biography of each nominee is a description of the particular experience, qualifications, attributes or skills that led the Board to conclude that the nominee should serve as a director of Qualstar.

Vote Required and the Board's Recommendation

The affirmative vote of a plurality of the total shares of common stock represented in person or by proxy and entitled to vote is required for the election of each of the nominees. Any shares that are not voted, whether by abstention, broker non-votes or otherwise, will not affect the election of directors, except to the extent that the failure to vote for an individual will result in another individual receiving a larger proportion of the votes cast.

It is the intention of the persons named as proxies to vote such proxy FOR the election of all nominees, unless otherwise directed by the shareholder. The Board knows of no reason why any of the nominees would be unable or unwilling to serve, but if any nominee should for any reason be unable or unwilling to serve, the proxies will be voted for the election of such other person for the office of director as the Board may recommend in the place of such nominee.

The Board recommends that shareholders vote "FOR" the election of each nominee LISTED above. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" EACH NOMINEE, UNLESS OTHERWISE INSTRUCTED.

CORPORATE GOVERNANCE

Director Independence

Our Board has determined that all of our current directors and Dale E. Wallis, who served on our Board during the 2017 fiscal year but did not stand for re-election at our 2017 annual shareholder meeting, at the time of their service, satisfied the “independent director” standards established by rules of The NASDAQ Stock Market, Inc. (“NASDAQ”), except for Steven N. Bronson. Each director serving on the Audit Committee of our Board and Dale E. Wallis, who served on the Audit Committee of our Board during the 2017 fiscal year, at the time of their service also met the more stringent independence requirements established by Securities and Exchange Commission rules applicable to audit committees. Our Board has determined that no director has a relationship that would interfere with the exercise of independent judgment in carrying out his responsibilities as a director. There are no family relationships among any of the directors or executive officers of the Company.

The Board and Committee Meetings

During the twelve months ended December 31, 2017, our Board of Directors held six meetings, our Audit Committee held seven meetings and our Compensation Committee held two meetings. Each director attended (or participated by telephone in) 100% of the total number of meetings of the Board and committees on which he served.

The independent directors meet in executive session on a regular basis without any management directors or employees present.

In accordance with our Corporate Governance Guidelines, which our Board adopted on April 26, 2013, directors are expected to attend annual meetings of shareholders. Mr. Bronson and Mr. Wolenski attended last year’s annual meeting of shareholders in person. A copy of our Corporate Governance Guidelines is available in the investors section of the Company’s website at www.qualstar.com.

Committees of the Board

Our Board oversees our risk management. This oversight is administered primarily through the following committees: (i) an Audit Committee, (ii) a Compensation Committee and (iii) a Nominating and Corporate Governance

Committee. Each Committee has only independent directors as members.

The Audit Committee

The Audit Committee is comprised solely of non-employee directors who satisfy current NASDAQ standards with respect to independence, financial expertise and experience. During the fiscal year ended December 31, 2017, the members of the Audit Committee were: Leonard Hagan, David Wolenski, and Nicholas Yarymovych, with Mr. Hagan serving as the Chairman. The Board has determined that Mr. Hagan qualifies as an “audit committee financial expert” as defined by Item 407(d)(5)(ii) of Regulation S-K.

The Audit Committee has a written charter that requires the committee to oversee our accounting and financial reporting process, our system of internal controls regarding finance, accounting, legal compliance and ethics, and the audits of our financial statements, a current copy of which is available to shareholders on our website, www.qualstar.com. The primary duties of the Audit Committee consist of, among other things:

- serving as an independent and objective party to monitor our financial reporting process, internal control system and disclosure control system;
 - reviewing and appraising the audit efforts of our independent accountants;
 - assuming direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and our management regarding financial reporting issues;
-

- providing an open avenue of communication among the independent accountants, financial and senior management and the Board;
- reviewing and approving all related party transactions;
- discussing with management any correspondence from regulators, government agencies, or employee complaints or any reports that raise material issue regarding the Company's financial statements, processes, or policies; and
- discussing our policies with respect to risk assessment and risk management.

The Audit Committee held 7 meetings during the fiscal year ended December 31, 2017. To ensure independence, the Audit Committee also meets separately with the Company's independent public accountants apart from meeting with members of management.

The Compensation Committee

Our Compensation Committee consists of three directors: Messrs. Yarymovych (chairman), Hagan and Wolenski. Each such member of the Compensation Committee is independent applying the definition of independence under the listing standards of NASDAQ and SEC regulations.

Each member of our Compensation Committee must (i) be one of our independent directors satisfying the independence requirements of NASDAQ and other applicable regulatory requirements; (ii) qualify as an "outside director" under Section 162(m) of the Internal Revenue Code, as amended; and (iii) meet the requirements of a "non-employee director" for purposes of Section 16 of the Securities Exchange Act of 1934, as amended. Except as permitted by NASDAQ, members of the Compensation Committee must not accept any consulting, advisory or the other compensatory fee from us or any of our subsidiaries.

The Compensation Committee oversees the determination of all matters relating to employee compensation and benefits and specifically determines and approves salaries, bonuses and equity-based compensation for our executive officers.

We have adopted a Compensation Committee charter which outlines the Compensation Committee's primary duties which are to:

-

evaluate the performance of the Chief Executive Officer in light of our goals and objectives and determine the Chief Executive Officer's compensation based on this evaluation and such other factors as the Committee shall deem appropriate;

determine and approve all executive officer compensation;

approve the aggregate amounts and methodology for determination of all salary, bonus, and long-term incentive awards for all employees other than executive officers;

review and recommend equity-based compensation plans to the full Board and approve all grants and awards thereunder;

review and approve changes to our equity-based compensation plans other than those changes that require shareholder approval under the plans, the requirements of NASDAQ or any exchange on which our securities may be listed and/or any applicable law;

review and recommend to the full Board changes to our equity-based compensation plans that require shareholder approval under the plans, the requirements of NASDAQ or any exchange on which our securities may be listed and/or any applicable law;

review and approve changes in our retirement, health, welfare and other benefit programs that result in a material change in costs or the benefit levels provided;

- administer our equity-based compensation plans; and

approve, as required by applicable law, the annual Committee report on executive compensation for inclusion in our proxy statement.

A current copy of the Compensation Committee charter is available to shareholders on our website, www.qualstar.com.

The Compensation Committee has responsibility for establishing, implementing and monitoring the Company's compensation philosophy. Accordingly, the Compensation Committee strives to develop and maintain competitive, progressive programs that attract, retain and motivate high-caliber employees, foster teamwork, and maximize the long-term success of the Company by appropriately rewarding our employees for their achievements. The Compensation Committee evaluates risk and rewards associated with the Company's overall compensation philosophy and structure.

The Compensation Committee has the authority, in its sole discretion, to retain or obtain advice from compensation consultants, independent legal counsel and other advisers, and is directly responsible for the retention, termination, compensation and oversight of the work of any such consultant, counsel or other adviser. In selecting a consultant, counsel or other adviser, the Compensation Committee must, as required by NASDAQ rules, take into consideration all factors relevant to such person's independence from management, including all factors that NASDAQ identifies in its listing standards. In April 2017, the Compensation Committee retained a compensation consultant to prepare an assessment of compensation for the Chief Executive Officer. The results of the assessment were taken into consideration when the Compensation Committee increased the salary of Mr. Bronson and awarded him 100,000 options on August 3, 2017, as further discussed below. The Compensation Committee is regularly advised by the Company's outside legal counsel and has found no conflict of interest in such counsel continuing to provide advice to the Compensation Committee.

The Compensation Committee may form and delegate its authority to subcommittees as appropriate. To date, the Compensation Committee has not delegated such authority.

Additionally, the Chief Executive Officer may make recommendations to the Compensation Committee relating to executive and director compensation, but consistent with NASDAQ rules, he may not be present during deliberations or voting regarding his own compensation. The Compensation Committee meets with the Company's Chief Executive Officer and other senior executives in order to obtain recommendations with respect to the Company's compensation programs and practices for executives and other employees. Management discusses with the Compensation Committee the practices that have been put in place to identify and mitigate, as necessary, potential risks. With support from market compensation data, performance reviews and other information, management makes recommendations to the Compensation Committee on the base salaries, bonus targets and equity compensation for the executive officers and other employees. The Compensation Committee takes management's recommendations into consideration, but is not bound by management's recommendations with respect to executive compensation. The Chief Executive Officer annually reviews the performance of each executive officer, other than himself. The Chief Executive Officer's performance is reviewed by the Compensation Committee which makes recommendations to the full Board.

The Compensation Committee held two meetings during the fiscal year ended December 31, 2017.

The Nominating and Governance Committee

The Nominating and Governance Committee is comprised solely of non-employee directors who satisfy current NASDAQ standards and SEC regulations with respect to independence. During the fiscal year ended December 31, 2017, the members of the Nominating and Governance Committee were: David J. Wolenski, Nicholas A. Yarymovych, and Leonard A. Hagan, with Mr. Wolenski serving as Chairman.

The role of the Nominating and Governance Committee, as set forth in its charter, is to develop and recommend to the Board corporate governance guidelines applicable to Qualstar, assist the Board by identifying, evaluating and recommending candidates for election to the Board, and recommending Board members to serve on each committee of the Board. A copy of our Nominating and Governance Committee charter is available in the investors section of Qualstar's website at www.qualstar.com.

The guidelines and procedures for identifying and evaluating nominees for election to the Board are set forth in the charter of the Nominating and Governance Committee. In general, persons considered for nomination to the Board must have demonstrated outstanding achievement, integrity and judgment and such other skills and experience as will enhance the Board's ability to serve the long-term interests of Qualstar and our shareholders, and must be willing and able to devote the necessary time for Board service. To comply with regulatory requirements, a majority of Board members must qualify as independent directors under NASDAQ rules, and at least one Board member must qualify as an "audit committee financial expert" under rules promulgated by the SEC. In order to qualify for nomination or re-nomination for election to the Board, a candidate must also comply with all applicable provisions of Qualstar's amended and restated bylaws.

The Nominating and Governance Committee considers potential candidates recommended by current directors, company officers, employees and others, and will consider candidates recommended by shareholders for consideration as director nominees. Our Nominating and Governance Committee charter makes no distinction between whether a director nominee is recommended by a shareholder or by management. Although we have not received any recommendations for director nominees from shareholders, we expect that the Committee would apply the same process and criteria in evaluating a shareholder recommendation as it would for a management recommendation. A shareholder wishing to recommend a candidate for nomination to the Board should send a letter to our Corporate Secretary at 130 West Cochran Street, Unit C, Simi Valley, California 93065. The mailing envelope must contain a clear notation that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a shareholder and provide a brief summary of the candidate's qualifications. Additionally, the Nominating and Governance Committee considers diversity of the Board members' skill and experience in areas that are relevant to the Company's business and activities, including operations, finance, marketing and sales. Our Board does not, however, have a formal policy regarding racial/ethnic, gender or other diversity of director candidates, but considers diversity as a factor in evaluating such candidates. At a minimum, candidates recommended for election to the Board must meet the independence standards established by NASDAQ and the criteria set forth above.

The Nominating and Governance Committee held no meetings during the fiscal year ended December 31, 2017 but did act by unanimous written consent on one occasion.

Board Leadership Structure and the Role of the Board in the Oversight of Risk Management

We separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the different responsibilities fulfilled by the Chief Executive Officer and the Chairman of the Board at Qualstar. Our Chief Executive Officer, Mr. Bronson, is responsible for setting our strategic direction and for our day-to-day leadership and performance, while our Chairman of the Board, Mr. Wolenski, provides guidance to the Chief Executive Officer and sets the agenda for, and presides over, meetings of the Board of Directors.

Our Board is involved in overseeing the management of risks that face our company. Historically, potential risks have been considered by the full Board as they became apparent, such as in connection with potential acquisitions, as new business opportunities are evaluated, or with day-to-day operational issues. Our Audit Committee focuses on risks related to financial information systems and financial reporting, and regularly reports to the full Board regarding its activities and any specific risks that merit attention by the full Board. Our Compensation Committee has oversight responsibility regarding risks related to the Company's compensation policies and practices.

Shareholder Communications with the Board

Shareholders wishing to communicate with the Board or with an individual Board member concerning Qualstar may do so by writing to the Board or to the particular Board member, and mailing the correspondence to: Attention: Corporate Secretary, Qualstar Corporation, 130 West Cochran Street, Unit C, Simi Valley, California 93065. The envelope should indicate that it contains a shareholder communication.

All correspondence received is opened and screened for security purposes. Qualstar's Corporate Secretary reviews such correspondence and provides the Board at each of its meetings with a summary of all such correspondence and a copy of any correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or the standing committees of the Board or that otherwise requires their attention. The Corporate Secretary will not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic. Correspondence relating to accounting, internal controls or auditing matters will be handled in accordance with procedures established by the Audit Committee with respect to such matters.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics that applies to all employees, officers and directors of Qualstar. A copy of the Code of Business Conduct and Ethics is available in the investors section of Qualstar's website at www.qualstar.com, and a copy also may be obtained at no charge by written request to the attention of the Corporate Secretary at 130 West Cochran Street, Unit C, Simi Valley, California 93065.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires Qualstar's directors and executive officers, and persons who own more than ten percent of Qualstar's common stock, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock. Officers, directors and greater than ten percent shareholders are required by SEC regulations to furnish Qualstar with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of Section 16(a) reports furnished to us and a review of the shareholders register, during the twelve months ended December 31, 2017, our officers, directors and greater than ten percent beneficial owners complied with all Section 16(a) filing requirements, except that Leonard A. EXECUTIVE COMPENSATION

Overview

Qualstar's executive compensation program is based on the same objectives that guide Qualstar in establishing all of its compensation programs:

Compensation fosters the long-term focus required for Qualstar's success. In general, the compensation of Company executives includes longer-term incentives because they are in a greater position to influence longer-term results.

Compensation reflects the level of job responsibility, individual performance, and Company performance. As employees progress to higher levels in the organization, an increasing proportion of their pay should be linked to Company performance and shareholder returns because those employees are more able to affect Qualstar's operating results.

Compensation reflects the value of the job in the marketplace. To attract and retain a highly skilled work force, we must remain competitive with the pay of other employers who compete with us for talent.

While compensation programs and individual pay levels will always reflect differences in job responsibilities, geographies and marketplace considerations, the overall structure of the compensation and benefit programs should be broadly similar and equitable across the organization.

Components of Executive Compensation

For the twelve months ended December 31, 2017, the principal components of compensation for named executive officers were: (1) base salary, (2) performance-based incentive compensation, (3) long-term equity incentive compensation, (4) personal benefits, and (5) other compensation. In determining the amount and relative allocation among each component of compensation for each named executive officer, the Compensation Committee considered, among other factors, each executive officer's experience level, historical performance, compensation paid by companies comparable in size to Qualstar, data obtained from management's recruitment activities, historical rates of executive compensation, Company revenues and profitability, and alignment with the Company's overall compensation philosophy.

Summary Compensation Table

The following table shows information about the compensation awarded to, earned by and paid to Mr. Steven N. Bronson and Ms. Louann Negrete (collectively referred to as our “named executive officers”) during the years ended December 31, 2017 and 2016. Mr. Bronson and Ms. Negrete were the Company’s only two “named executive officers,” as defined under Item 402 of Regulation S-K promulgated by the SEC, for such fiscal years.

Components of Executive Compensation

Base Salary

Base salaries were set at levels that the Compensation Committee deemed to be sufficient to attract and retain highly talented executive officers capable of fulfilling the Company's key objectives. Base salaries were also set with the goal of rewarding executive officers on a day-to-day basis for their time and services while encouraging them to strive for performance-based and long-term incentives.

Performance-Based Incentive Compensation

The Company utilized an annual discretionary cash bonus program, which was intended to reward executive officers based on the Company's overall performance and the individual named executive officer's contributions to that performance. In determining an annual discretionary bonus for each named executive officer, we evaluated performance as measured against certain objective financial metrics as well as individual performance goals. We believe that the performance-based incentive compensation provides incentives that are necessary to retain executives and reward them for our short-term performance in the pursuit of our larger business objectives and is designed to provide for a portion of our cash compensation for named executive officers to be variable based upon Company and individual performance.

Long-Term Equity Incentive Compensation

The Company has a long-term equity incentive plan, which is intended to retain executive officers and reward executive officers based on the Company's performance. Equity incentives, such as stock options and restricted stock awards, have been granted to executive officers as long-term incentives in order to align executives' performance with the interests of the Company's shareholders and also to encourage retention. On August 3, 2017, the Compensation Committee awarded Mr. Bronson an option to purchase 100,000 shares of the Company's common stock and Louann Negrete an option to purchase 10,000 shares of the Company's common stock. The options are immediately exercisable at an exercise price of \$7.08 per share, have a term of ten years and were granted pursuant to the Company's 2017 Stock Option and Incentive Plan.

Personal Benefits

As employees, the Company's executives are eligible to participate in health and welfare benefits, as offered to our general workforce, designed to attract and retain a skilled workforce in a competitive marketplace. These benefits help ensure that the Company has a healthy and focused workforce through reliable and competitive health and other personal benefits. These benefits were considered in relation to the total compensation package, but did not materially impact decisions regarding other elements of executive officer compensation.

The Company also maintains a tax-qualified retirement plan ("401(k) Plan") that provides eligible employees with an opportunity to save for retirement on a tax-advantaged basis. All employees are eligible to participate in the 401(k) Plan following three months of service of employment and may contribute up to 100% of their compensation on a pre-tax basis, not to exceed the annual IRS maximum. The Company, at the discretion of management, may make matching contributions in an amount equal to 25% of the first 6% of compensation contributed by eligible participants. However, the Company has suspended discretionary matching contributions effective as of August 2009.

Employment Agreement with Steven N. Bronson

The Company was party to an employment agreement with Mr. Bronson that commenced on June 1, 2016 and expired on December 31, 2016. The employment agreement provided Mr. Bronson with a base salary of \$160,000 and eligibility to earn a discretionary cash bonus up to 100% of his base salary, based on his achievement of various performance goals, as well as other general employment terms.

Subsequent to the expiration of his employment agreement, on August 3, 2017 the Compensation Committee (i) approved an increase in Mr. Bronson’s base salary from \$160,000 to \$200,000, (ii) approved a \$100,000 cash bonus to Mr. Bronson based on the Company achieving profitability and positive cash flow for the six months ended June 30, 2017 and (iii) awarded Mr. Bronson an option to purchase 100,000 shares of the Company’s common stock as further described above under the heading “Long Term Equity Compensation”. The Company is currently in the process of negotiating a new employment agreement with Mr. Bronson.

Tax and Accounting Implications

Under Section 162(m) of the Internal Revenue Code, of 1986, as amended (the “Code”), we generally receive a federal income tax deduction for compensation paid to any of our named executive officers only to the extent total compensation does not exceed \$1.0 million during any fiscal year or if it is “performance-based” under Section 162(m) of the Code. During the years ending December 31, 2017 and 2016, none of the executive officers of the Company had non-performance-based compensation in excess of \$1,000,000.

No fees were paid for service on the Board of Directors to directors who were also employees of the Company. For the fiscal year ending December 31, 2017, our non-employee directors received equity awards for their service on the Company's Board of Directors or the committees of the Board of Directors in the form of 5,000 stock options each.

RISKS RELATED TO COMPENSATION POLICIES AND PRACTICES

We believe that our compensation programs have been appropriately designed to attract and retain talent and properly incentivize our employees. To the extent our compensation programs provide for incentive-based compensation, these programs are designed to pay for performance and, thus, encourage only appropriate risk-taking. These programs are also subject to funding caps and oversight of the Compensation Committee and various functional departments of the Company to ensure that our employees, including our executive officers, are not encouraged to take excessive or unnecessary risks in managing our business. As a result, we believe that our compensation programs are not likely to create excessive risks that would have a materially adverse effect on the Company.

Transactions with Related Persons

In accordance with the charter of the Audit Committee of our Board of Directors, the Audit Committee is responsible for reviewing any proposed transaction with any related person which involves a potential conflict of interest or for which approval is required under applicable Securities and Exchange Commission and NASDAQ rules. Currently, this review and approval requirement applies to any transaction to which Qualstar will be a party, in which the amount involved exceeds the lesser of \$120,000 or one percent of the average of Qualstar's total assets at year end for the last two completed fiscal years, and in which any of the following persons will have a direct or indirect material interest: (a) any of our directors or executive officers, (b) any nominee for election as a director, (c) any security holder who is known to us to own of record or beneficially more than five percent of our common stock, or (d) any member of the immediate family of any of the persons described in the foregoing clauses (a) through (c).

In the event that management becomes aware of any related person transaction, management will present information regarding the proposed transaction to the Audit Committee for review. Approval of a transaction with a related person requires the affirmative vote of a majority of the members of the Audit Committee or of a majority of the members of the full Board of Directors. If the related person transaction involves a member or members of the Board, approval requires a majority vote of the directors who do not have a financial interest in the transaction.

(Proposal 2)

Proxies solicited by the Board will, unless otherwise directed, be voted to approve the appointment by the Audit Committee of RBSM LLP as the independent registered public accounting firm of Qualstar for the fiscal year ending December 31, 2018. RBSM LLP was appointed to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2017 on March 17, 2017. Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of RBSM LLP to our shareholders for ratification because we value our shareholders’ views on our independent registered public accounting firm and as a matter of good corporate practice. In the event that our shareholders fail to ratify the selection, it will be considered a recommendation to the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee may in its discretion select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

The Audit Committee generally pre-approves particular services or categories of services on a case-by-case basis. The independent registered public accountants and management periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accountants in accordance with these pre-approvals, and the fees for the services performed to date.

Changes in Independent Registered Public Accounting Firms

Appointment of RBSM LLP

On March 17, 2017, we dismissed Marcum LLP as the independent registered public accounting firm and engaged RBSM LLP as our new independent registered public accounting firm. The decision to dismiss Marcum and appoint RBSM was approved by the Audit Committee of our Board of Directors.

The audit reports of Marcum regarding our financial statements for the two most recent fiscal periods did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During our transition reporting period from July 1, 2015 through December 31, 2015, the fiscal year ended December 31, 2016 and through March 17, 2017: (i) there were no disagreements (as such term is used in Item 304(a)(1)(iv) of Regulation S-K) with Marcum on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Marcum, would have caused it to make reference to the subject matter of the disagreement in its reports and (ii) Marcum did not advise us of any of the events requiring reporting under Item 304(a)(1)(v) of Regulation S-K.

During the Company's the fiscal year ended June 30, 2015, the transition reporting period from July 1, 2015 through December 31, 2015, the fiscal year ended December 31, 2016 and through March 17, 2017, neither we nor anyone on our behalf consulted with RBSM regarding: (i) the application of accounting principles to a specified transaction, either completed or proposed, (ii) the type of audit opinion that might be rendered on our financial statements, and

neither a written report was provided to us nor oral advice was provided that RBSM concluded was an important factor considered by us in reaching a decision as to an accounting, auditing or financial reporting issue, or (iii) any matter that was either the subject of a disagreement or an event identified in response to Items 304(a)(1)(iv) or (v) of Regulation S-K, respectively (there being none).

Appointment of Marcum LLP

On January 8, 2016, we dismissed SingerLewak LLP as our independent auditors and engaged Marcum LLP as our independent auditors. The decisions to dismiss SingerLewak and appoint Marcum were approved by our Audit Committee of our Board.

The audit reports of SingerLewak regarding our financial statements for the two most recent fiscal years did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During our two most recent fiscal years and during the subsequent interim period from July 1, 2015 through January 8, 2016: (i) there were no disagreements (as such term is used in Item 304(a)(1)(iv) of Regulation S-K) with SingerLewak on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of SingerLewak, would have caused it to make reference to the subject matter of the disagreement in its reports and (ii) SingerLewak did not advise us of any of the events requiring reporting under Item 304(a)(1)(v) of Regulation S-K.

During our two most recent fiscal years and during the subsequent interim period from July 1, 2015 through January 8, 2016, neither we nor anyone on our behalf consulted with Marcum regarding: (i) the application of accounting principles to a specified transaction, either completed or proposed, (ii) the type of audit opinion that might be rendered on our financial statements, and neither a written report nor oral advice was provided to us that was an important factor considered by us in reaching a decision as to an accounting, auditing or financial reporting issue, or (iii) any matter that was either the subject of a disagreement or an event identified in response to Items 304(a)(1)(iv) or (v) of Regulation S-K, respectively (there being none).

The Board recommends THAT SHAREHOLDERS vote “FOR” the approval of the appointment of RBSM LLP. Proxies solicited by the Board will be voted “for” this proposal, unless otherwise instructed.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

(Proposal 3)

Section 14A of the Securities Exchange Act of 1934 and related SEC rules require that we provide our shareholders with the opportunity to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with SEC rules. We must provide this opportunity to our shareholders at least once every three years.

As described in the section of this Proxy Statement headed “Executive Compensation,” our executive compensation program is intended to attract and retain qualified executives required for the success of our business; to reward these executives for financial and operating performance; and to align their interests with those of our shareholders to create long-term shareholder value. In that section we disclose and discuss the compensation paid to our executive officers for the fiscal year ended December 31, 2017.

The Company is asking our shareholders to indicate their support for our named executive officer compensation as described in this Proxy Statement. This proposal, commonly known as a “say-on-pay,” gives the Company's shareholders the opportunity to express their views on the compensation paid to the Company's named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, the Company is asking our shareholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation of the named executive officers, for the fiscal year ended December 31, 2017, as disclosed in the Company’s Proxy Statement for the 2018 Annual Meeting of Shareholders.”

Adoption of this resolution will require the affirmative vote of a majority of the shares present or represented by proxy at the Annual Meeting and entitled to vote on the matter. Brokers and other nominee holders do not have discretion to vote uninstructed shares with respect to this Proposal. Accordingly, if brokers or other nominee holders do not receive voting instructions from beneficial owners of the shares, they will not be able to vote the shares and broker non-votes may occur with respect to this Proposal. However, broker non-votes will not affect the outcome of the voting on this Proposal because it requires the affirmative vote of a majority of the shares present or represented by proxy at the Annual Meeting (as opposed to a majority of the shares outstanding). Similarly, Abstentions will not affect the outcome of voting on this proposal.

This “say-on-pay” vote is advisory, and therefore is not binding on the Company, the Board of Directors or the Compensation Committee. Although the vote is non-binding, the Board of Directors and the Compensation Committee will review the voting results in connection with their ongoing evaluation of the Company’s compensation program.

The Board of Directors recommends a vote “FOR” advisory approval of the resolution set forth above.

PROPOSALS AND DIRECTOR NOMINATIONS FOR THE ANNUAL MEETING

Proposals to be Included in Our Proxy Statement

A shareholder who wishes to have a proposal considered for inclusion in our proxy statement for action at the Annual Meeting must comply with the requirements of Rule 14a-8 under the Exchange Act. The proposal must be in writing and be received by the Corporate Secretary of Qualstar at our principal executive offices no later than the close of business on January 22, 2019. However, if the date of the next annual meeting is changed by more than 30 days from the anniversary of this year's annual meeting, then, to be considered for inclusion in the proxy statement relating to next year's annual meeting, notice of a shareholder proposal will need to be received by the Company in a reasonable amount of time before the Company begins to send its proxy materials for the Annual Meeting.

Advance Notice Procedures

If a shareholder desires to have a proposal acted upon at the Annual Meeting that is not to be included in our proxy statement in accordance with Rule 14a-8 under the Exchange Act, or if a shareholder desires to nominate someone for election to our Board, the shareholder must follow the procedures outlined in our amended and restated bylaws. Our amended and restated bylaws provide that in order for a shareholder proposal to be considered at an annual meeting of shareholders, written notice of the proposal must be received by the Corporate Secretary of Qualstar at the principal executive offices of Qualstar not less than 60 days nor more than 90 days prior to the anniversary of the preceding year's annual meeting of shareholders. However, if the date of the Annual Meeting is advanced by more than 30 days or delayed by more than 60 days from such anniversary, notice by the shareholder, to be timely, must be received not earlier than the 90th day prior to such annual meeting of shareholders and not later than the close of business on the later of (a) the 60th day prior to such annual meeting or (b) the 10th day following the date on which notice of the date of the annual meeting was mailed or public disclosure thereof was made, whichever first occurs. The notice must contain information required by our amended and restated bylaws, including, but not limited to, a description of the proposal and any material interest of the shareholder relating to such proposal.

In order to nominate someone for election to our Board at an annual meeting of shareholders, written notice of the proposed nomination must be received by the Corporate Secretary of Qualstar not less than 60 days or more than 90 days prior to the anniversary of the preceding year's annual meeting of shareholders. However, if the date of the Annual Meeting is advanced by more than 30 days or delayed by more than 60 days from such anniversary, notice by the shareholder to be timely must be received by the Corporate Secretary of Qualstar not earlier than the 90th day prior to the Annual Meeting and not later than the close of business on the later of (a) the 60th day prior to such Annual Meeting or (b) the 10th day following the day on which notice of the date of the Annual Meeting was mailed or public disclosure thereof was made by Qualstar, whichever first occurs. The notice must contain information required by our amended and restated bylaws regarding the shareholder and the nominee, as well as information required to be included in a proxy statement by SEC rules and regulations. Submissions must be made by mail, courier

or personal delivery—submissions by e-mail will not be considered. The Nominating and Governance Committee will consider only those shareholder recommendations whose submissions comply with the above procedural requirements, including the additional requirements set forth in our amended and restated bylaws. The Nominating and Governance Committee will evaluate candidates recommended by shareholders in the same manner as those recommended by others.

Shareholders are also advised to review Qualstar's amended and restated bylaws, which contain additional requirements about advance notice of shareholder proposals and director nominations, including the information that must accompany any such shareholder notice.

Accordingly, in order for a shareholder proposal (other than a proposal made pursuant to Rule 14a-8 under the Exchange Act) or nomination to be considered at the Annual Meeting, a written notice of the proposal or the nomination, which includes the information required by our amended and restated bylaws, must be received by the Corporate Secretary of Qualstar at the principal executive offices of Qualstar between March 27, 2019 and April 27, 2019.

A copy of the full text of our amended and restated bylaws may be obtained upon written request to the Corporate Secretary of Qualstar at our principal executive offices or by accessing the SEC's EDGAR filing database at www.sec.gov.

DELIVERY OF DOCUMENTS TO SECURITY HOLDERS SHARING AN ADDRESS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for Proxy Statements with respect to two or more shareholders sharing the same address by delivering a single Proxy Statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. We and some brokers deliver a single Proxy Statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they are or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement, or if you currently receive multiple Proxy Statements and would prefer to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to our Corporate Secretary at our principal executive offices, located at 130 West Cochran Street, Unit C, Simi Valley, California 93065, or by calling us at 1-800-468-0680 ext. 114.

IMPORTANT

Your vote at this year's Annual Meeting is especially important, no matter how many or how few shares you own. Please sign and date the enclosed **WHITE** proxy card and return it in the enclosed postage-paid envelope promptly.

Only your latest dated, signed proxy card will be counted. Any proxy may be revoked at any time prior to its exercise at the Annual Meeting as described in this Proxy Statement.
