PROXY STATEMENT

Our board of directors is soliciting your proxy for the annual meeting of stockholders to be held at the Magnolia Hotel, which is located at 1100 Texas Avenue, Houston, Texas 77002, on Wednesday, September 6, 2017 at 10:00 a.m. and at any and all adjourned sessions of the annual meeting.

We are mailing our annual report for the fiscal year ended December 31, 2016, to our stockholders with this notice and proxy statement (including the form of proxy) on or about July 31, 2017.

Record Date and Quorum Requirements

Only stockholders of record at the close of business on July 14, 2017 will be entitled to vote at the annual meeting. Our voting stock consists of issued and outstanding shares of our common stock and issued and outstanding shares of our 12.0% Series A Convertible Preferred Stock (the "Series A Preferred Stock") and 12.0% Series B Convertible Preferred Stock (the "Series B Preferred Stock" and, together with the Series A Preferred Stock, the "Preferred Stock"). The holders of Preferred Stock are entitled to vote, on an "as converted" basis on all matters submitted to a vote of stockholders.

As of the close of business on July 14, 2017, we had 51,277,388 shares of common stock issued and outstanding, each entitled to one vote, 1,200 shares of Series A Preferred Stock issued and outstanding, each entitled to 5,000 votes, or an aggregate of 6,000,000 votes, and 909.6 shares of Series B Preferred Stock issuance and outstanding, each entitled to 2,777 votes, or an aggregate of 2,525,959 votes. The holders of shares of common stock and Preferred Stock

representing a majority of eligible votes on the record date must be present in person or by proxy to have a quorum for the transaction of business at the annual meeting. Shares of common stock and Preferred Stock represented by proxy (includes shares which abstain, withhold the vote or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum exists for a matter presented at the annual meeting.

Items to be Voted Upon, Voting Your Shares and Votes Required

Your vote is very important. If you do not vote your shares, you will not have an impact with respect to the issues to be voted on at this annual meeting. In addition, banks and brokers cannot vote on their clients' behalf on "non-routine" proposals.

Stockholders will be voting upon five matters as well as any other business that may properly come before the meeting. The specific items to be voted on are: (1) election of one Class C director, (2) ratification of the appointment of GBH CPAs, PC as our independent registered public account firm for the 2017 fiscal year, (3) approval of adoption of our 2017 Equity Incentive Plan, (4) approval, on a non-binding advisory basis, of the compensation of our named executive officers, and (5) approval, on a non-binding advisory basis, of the frequency of advisory votes on compensation of named executive officers.

In order to be elected as a director, a nominee for director must receive a plurality of the votes cast at the annual meeting. Ratification of the selection of GBH CPAs, PC as our independent registered public accounting firm, approval of adoption of our 2017 Equity Incentive Plan and advisory approval of compensation of named executive officers will each require the affirmative vote of a majority of the votes cast. Advisory approval of the frequency of advisory votes on compensation of named executive officers will be determined by a plurality of the votes cast.

Shares that abstain from voting on a particular proposal, and shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares on a particular proposal, will not be counted as votes “in favor” of such proposal, and will also not be counted as votes cast or shares voting on that proposal. Accordingly, abstentions and “broker non-votes” will have no effect on the voting on a proposal that requires the affirmative vote of a certain percentage of the votes cast or shares voting on a proposal but will have the effect of a vote against proposals requiring the affirmative vote of all shares entitled to vote. However, abstentions are considered to be present or represented in determining whether a quorum exists on a given matter.

Submitting Your Proxy

If you complete and submit your proxy, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy card but do not fill out the voting instructions on the proxy card, the persons named as proxies will vote the shares represented by your proxy as follows:

FOR the election of each of the director nominees;

FOR the ratification of the selection of GBH CPAs, PC as our registered public accounting firm;

FOR approval of our 2017 Equity Incentive Plan;

FOR approval, on an advisory basis, of the compensation of our named executive officers; and

THREE YEARS for the frequency of advisory votes on executive compensation.

To ensure that your vote is recorded promptly, please vote as soon as possible. To vote by proxy, please complete, sign and mail the proxy card in the enclosed postage-paid envelope.

Stockholders that attend the annual meeting and wish to vote in person will be given a ballot at the meeting. If your shares are held in “street name” and you want to attend the annual meeting, you must bring an account statement or letter from the brokerage firm or bank holding your shares showing that you were the beneficial owner of the shares on the record date. If you want to vote shares that are held in “street name” or are otherwise not registered in your name, you will need to obtain a “legal proxy” from the holder of record and present it at the annual meeting.

Revoking or Changing Your Proxy

You may revoke or change your proxy at any time before it is voted. For a stockholder “of record”, meaning one whose shares are registered in his or her own name, to revoke or change a proxy, the stockholder may follow one of the procedures listed below.

submit another properly signed proxy, which bears a later date;

deliver a written revocation to our corporate secretary; or

attend the annual meeting or any adjourned session thereof and vote in person.

If you are a beneficial owner of our common stock, and not the stockholder of record (for example your common stock is registered in “street name” with a brokerage firm), you must follow the procedures required by the holder of record, which is usually a brokerage firm or bank, to revoke or change a proxy. You should contact the stockholder of record directly for more information on these procedures.

Other Information

We will bear the expense of soliciting proxies. Our officers and certain other employees, without additional remuneration, may solicit proxies personally or by telephone, e-mail or other means.

Our Annual Report on Form 10-K for the year ended December 31, 2016, which is not part of the proxy soliciting materials, is included with this Proxy Statement.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The table below shows the number of our shares of common stock beneficially owned as of July 14, 2017 by:

each person or group known by us to beneficially own more than 5% of our outstanding common stock;

each director and nominee for director;

each executive officer named in the Summary Compensation Table under the heading “Executive Compensation” below; and

all of our current directors and executive officers of the company as a group.

The number of shares beneficially owned by each 5% holder, director or executive officer is determined by the rules of the SEC, and the information does not necessarily indicate beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the person or entity has sole or shared voting power or investment power and also any shares that the person or entity can acquire within 60 days of July 14, 2017 through the exercise of any stock option or other right. For purposes of computing the percentage of outstanding shares of common stock held by each person or entity, any shares that the person or entity has the right to acquire within 60 days after July 14, 2017 are deemed to be outstanding with respect to such person or entity but are not deemed to be outstanding for the purpose of computing the percentage of ownership of any other person or entity. Unless otherwise indicated, each person or entity has sole investment and voting power (or shares such power with his or her spouse) over the shares set forth in the following table. The inclusion in the table below of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares. As of July 14, 2017, there were 51,277,388 shares of common stock issued and outstanding.

PROPOSAL 1

ELECTION OF DIRECTORS

Our restated certificate of incorporation and amended and restated by-laws, each as amended to date, provide for the classification of our board into three classes, as nearly equal in number as possible. The Class A, Class B and Class C directors are currently serving until the annual meeting of stockholders that will be held in 2019, 2018 and 2017, respectively, and until their respective successors are elected and qualified. There are currently two Class A directors, two Class B directors and one Class C director.

The nominee listed below is currently serving as a director and has indicated that he is willing to continue to serve, if elected. The independent directors of the board nominated the candidate for election. The board has no reason to believe that the nominee will become unavailable.

In the section below, we provide the names and biographical information about the Class C nominee and each other member of the board.

PROPOSAL 3

APPROVAL OF THE HOUSTON AMERICAN ENERGY CORP. 2017 EQUITY INCENTIVE PLAN

In March 2017, our board of directors adopted, subject to stockholder approval, the Houston American Energy Corp. 2017 Equity Incentive Plan (the “2017 Plan”). The 2017 Plan has a share reserve of 5,000,000 shares. As of July 14, 2017, we had outstanding options under existing stock option plans to purchase a total of 5,832,165 shares and 167,835 shares remained eligible for grant under those plans.

We believe that appropriate equity incentives are critical to attracting and retaining qualified and motivated personnel. The approval of this proposal will enable us to continue to provide such incentives.

The board, acting through the compensation committee, has full discretion to determine the number of awards to be granted to participants under the 2017 Plan, subject to an annual limitation on the total number of awards that may be granted to any employee.

Key Features of the 2017 Equity Incentive Plan:

An independent committee of the board of directors administers the plan;

5,000,000 shares are authorized for grant under the plan;

Awards may not be granted later than 10 years from the effective date of the plan;

Awards may be stock options, stock appreciation rights, restricted stock, restricted stock units, deferred compensation awards and other stock-based awards;

Stock options and stock appreciation rights may not be repriced without stockholder approval;

Stock options and stock appreciation rights may not be granted below fair market value;

Awards other than stock options and stock appreciation rights will be limited to an aggregate maximum of 2,000,000 shares;

Shares tendered in payment of a stock option, shares withheld for taxes and shares repurchased by the Company using stock option proceeds will not be available again for grant; and

The 2017 Plan reserve also will be reduced by the full amount of shares granted as stock appreciation rights, regardless of the number of shares upon which payment is made.

Summary of the 2017 Plan

The following is a summary of the material terms of the 2017 Plan. It is qualified in its entirety by the specific language of the 2017 Plan, which is included as [Appendix A](#) to this proxy statement and which is available to any stockholder upon request.

General

The 2017 Plan provides for the grant of incentive and nonstatutory stock options as well as stock appreciation rights, restricted stock, restricted stock units and other stock-based awards. Incentive stock options granted under the 2017 Plan are intended to qualify as “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”). Nonstatutory stock options granted under the 2017 Plan are not intended to qualify as incentive stock options under the Code.

Purpose

The purpose of the 2017 Plan is to advance the interests of our company and our stockholders by providing an incentive to attract and retain persons eligible to receive awards under the 2017 Plan and by motivating such persons to contribute to the growth and profitability of our company.

Administration

The 2017 Plan is administered by our board of directors and its designees. The board has the power to construe and interpret the 2017 Plan and, subject to the provisions of the 2017 Plan, to determine the persons to whom and the dates on which awards will be granted, the number of shares to be subject to each award, the time or times during the term of each award within which all or a portion of such award may be exercised, the exercise price, the type of consideration to be paid upon exercise of an award, and other terms of the award. The board of directors is authorized to delegate administration of the 2017 Plan to a committee of outside directors. The board has delegated administration of the 2017 Plan to the compensation committee of the board. As used herein with respect to the 2017 Plan, the “board” refers to the compensation committee, as well as to the board of directors itself.

Stock Subject to the 2017 Plan

5,000,000 shares of our common stock are reserved for issuance pursuant to the 2017 Plan. If awards granted under the 2017 Plan expire, are cancelled or otherwise terminate without being exercised, the shares of common stock subject to such expired, cancelled or terminated awards will then be available for grant under the 2017 Plan. Shares subject to awards other than stock options and stock appreciation rights will be limited to an aggregate of not more than 2,000,000 shares. Any shares returned to the reserve as described above will be returned on the same basis as they are charged.

Eligibility

Awards other than incentive stock options generally may be granted only to employees, directors and consultants of our company, or certain related entities or designated affiliates. An incentive stock option can only be granted to a person who, on the effective date of grant, is an employee of our company, a parent corporation or a subsidiary corporation. As of July 14, 2017, we had three employees and four non-employee directors eligible to receive grants.

No incentive stock options may be granted under the 2017 Plan to any person who, at the time of the grant, owns (or is deemed to own) stock possessing more than 10% of the total combined voting power of our company, or any of its parent or subsidiary corporations, unless the option exercise price is at least 110% of the fair market value of the stock subject to the option on the date of grant, and the term of the option does not exceed 5 years from the date of grant. The aggregate fair market value, determined at the time of grant, of the shares of common stock with respect to which incentive stock options granted under the 2017 Plan are exercisable for the first time by an optionee during any calendar year (under all such plans of the company and its parent and subsidiary corporations) may not exceed \$100,000. In order to permit awards to qualify as “performance based compensation” under Code Section 162(m) no employee may be granted awards under the 2017 Plan in excess of the following in each fiscal year of the company:

Stock options and stock appreciation rights: No more than 2,000,000 shares.

Restricted stock and restricted stock unit awards: No more than 2,000,000 shares in the aggregate.

Options and Stock Appreciation Rights

The following is a description of the general terms of options and stock appreciation rights under the 2017 Plan. Individual grants may have terms that differ from those described below.

— *Exercise Price; Payment*

The exercise price of incentive stock options under the 2017 Plan may not be less than the fair market value of the common stock subject to the option on the date of the option grant, and in some cases (see “Eligibility” above), may not be less than 110% of such fair market value. The exercise price of nonstatutory stock options and stock appreciation rights may not be less than the fair market value of the stock subject to the award on the date of the option grant. On July 14, 2017, the closing price of our common stock as reported on the NYSE MKT was \$0.70 per share. The exercise price of options granted under the 2017 Plan must be paid: (i) in cash, by check or cash equivalent, (ii) by tender to the company, or attestation to the ownership of shares of common stock of the company owned by the optionee having a fair market value not less than the exercise price, (iii) in any other form of legal consideration acceptable to the board, or (iv) any combination of the above.

— *No Repricing*

The 2017 Plan does not permit the company to lower the exercise price of options or stock appreciation rights or to exchange options or stock appreciation rights for awards with a lower exercise price without further stockholder approval.

— *Exercise*

Options and stock appreciation rights granted under the 2017 Plan may become exercisable (“vest”) in cumulative increments as determined by the board provided that the holder’s employment by, or service as a director or consultant to the company or certain related entities or designated affiliates (“service”) continues from the date of grant until the applicable vesting date. Shares covered by awards granted under the 2017 Plan may be subject to different vesting terms. The board has the power to accelerate the time during which an award may be exercised.

— *Term*

The maximum term of options and stock appreciation rights under the 2017 Plan is ten years, except that in certain cases (see “Eligibility” above) the maximum term is five years. The 2017 Plan provides for earlier termination of an award due to the holder’s cessation of service.

Restrictions on Transfer

Incentive stock options granted under the 2017 Plan may not be transferred except by will or by the laws of descent and distribution, and may be exercised during the lifetime of the person to whom the option is granted only by such person. A nonstatutory stock option or stock appreciation right is not transferable in any manner other than (i) by will or by the laws of descent and distribution, (ii) by written designation of a beneficiary taking effect upon the death of the optionee, (iii) by delivering written notice to the company that the optionee will be gifting to certain family members or other specific entities controlled by or for the benefit of such family members, and such other transferees as the board may approve.

Restricted Stock Units

The board may grant restricted stock units under the 2017 Plan that represent a right to receive shares of our common stock at a future date determined in accordance with the participant's award agreement. No monetary payment is required for receipt of restricted stock units or the shares issued in settlement of the award, the consideration for which is furnished in the form of the participant's services to the company. The board may grant restricted stock unit awards subject to criteria that it may establish, or may make the awards subject to vesting conditions similar to those applicable to restricted stock awards. Unless otherwise provided by the board, a participant will forfeit any restricted stock units which have not vested prior to the participant's termination of service. Participants have no voting rights or rights to receive cash dividends with respect to restricted stock unit awards until shares of common stock are issued in settlement of such awards. However, the board may grant restricted stock units that entitle their holders to receive dividend equivalents, which are rights to receive additional restricted stock units for a number of shares whose value is equal to any cash dividends we pay.

Restricted Stock Awards

The board may grant restricted stock awards under the 2017 Plan either in the form of a restricted stock purchase right, giving a participant an immediate right to purchase common stock, or in the form of a restricted stock bonus, for which the participant furnishes consideration in the form of services to the company. The board determines the purchase price payable under restricted stock purchase awards, which may be less than the then current fair market value of our common stock. Restricted stock awards may be subject to vesting conditions based on such service or other criteria as the board specifies. Shares acquired pursuant to a restricted stock award may not be transferred by the participant until vested. Unless otherwise provided by the board, a participant will forfeit any shares of restricted stock as to which the restrictions have not lapsed prior to the participant's termination of service. Participants holding restricted stock will generally have the right to vote the shares and to receive any dividends paid, except that dividends or other distributions paid in shares will be subject to the same restrictions as the original award.

Deferred Compensation Awards

The 2017 Plan authorizes the board to establish a deferred compensation award program. If and when implemented, participants designated by the board who are officers, directors or members of a select group of highly compensated employees may elect to receive, in lieu of compensation otherwise payable in cash or in lieu of cash or shares of common stock issuable upon the exercise or settlement of stock options or stock appreciation rights, an award of deferred stock units. Each such stock unit represents a right to receive one share of our common stock at a future date determined in accordance with the participant's award agreement. Deferred stock units are fully vested upon grant and will be settled by distribution to the participant of a number of whole shares of common stock equal to the number of stock units subject to the award as soon as practicable following the earlier of the date on which the participant's service terminates or a settlement date elected by the participant at the time of his or her election to receive the deferred stock unit award. Participants are not required to pay any additional consideration in connection with the settlement of deferred stock units. A holder of deferred stock units has no voting rights or other rights as a stockholder until shares of common stock are issued to the participant in settlement of the stock units. However, participants holding deferred stock units will be entitled to receive dividend equivalents with respect to any payment of cash dividends on an equivalent number of shares of common stock. Such dividend equivalents will be credited in the form of additional whole and fractional stock units determined in accordance with a method specified by the board in the participant's award agreement. Prior to settlement, deferred stock units may not be assigned or transferred other than by will or the laws of descent and distribution.

Other Stock-Based Awards

The 2017 Plan permits the board to grant other awards based on the company's stock or on dividends on the company's stock.

Effect of Certain Corporate Events

In the event of any stock dividend, stock split, reverse stock split, recapitalization, combination, reclassification or similar change in the capital structure of the company, appropriate adjustments will be made in the number and class of shares subject to the 2017 Plan and to any outstanding awards, in the Section 162(m) per employee grant limit (see "Federal Income Tax Information — Potential Limitation on Company Deductions," below), and in the exercise price per share of any outstanding awards. Any fractional share resulting from an adjustment will be rounded down to the nearest whole number, and at no time will the exercise price of any option or stock appreciation right be decreased to an amount less than par value of the stock subject to the award.

If a change in control occurs, the surviving, continuing, successor or purchasing corporation or parent corporation thereof may either assume the company's rights and obligations under the outstanding awards or substitute substantially equivalent awards for such corporation's stock. Awards that are not assumed, replaced or exercised prior to the change in control will terminate. The board may grant awards that will accelerate in connection with a change in control. The acceleration of an award in the event of an acquisition or similar corporate event may be viewed as an anti-takeover provision, which may have the effect of discouraging a proposal to acquire or otherwise obtain control of the company.

Duration, Amendment and Termination

The board may amend or terminate the 2017 Plan at any time. If not earlier terminated, the 2017 Plan will expire on the tenth anniversary of stockholder approval.

The board may also amend the 2017 Plan at any time or from time to time. However, no amendment authorized by the board will be effective unless approved by the stockholders of the company if the amendment would: (i) increase the number of shares reserved under the 2017 Plan; (ii) change the class of persons eligible to receive incentive stock options; or (iii) modify the 2017 Plan in any other way if such modification requires stockholder approval under applicable law, regulation or rule.

Specific Grants

Awards under the 2017 Plan are discretionary. Accordingly, it is not possible to determine the number of awards that may be granted under the 2017 Plan to specific individuals. As of July 14, 2017, no options or other awards under the 2017 Plan were issued and outstanding.

Federal Income Tax Information

— *Incentive Stock Options*

An optionee recognizes no taxable income for regular income tax purposes as the result of the grant or exercise of an incentive stock option. Optionees who do not dispose of their shares for two years following the date the incentive stock option was granted or within one year following the exercise of the option will normally recognize a long-term capital gain or loss equal to the difference, if any, between the sale price and the purchase price of the shares. If an optionee satisfies both such holding periods upon a sale of the shares, the company will not be entitled to any deduction for federal income tax purposes. If an optionee disposes of shares either within two years after the date of grant or within one year from the date of exercise (referred to as a “disqualifying disposition”), the difference between the fair market value of the shares on the exercise date and the option exercise price (not to exceed the gain realized on the sale if the disposition is a transaction with respect to which a loss, if sustained, would be recognized) will be taxed as ordinary income at the time of disposition. Any gain in excess of that amount will be a capital gain. If a loss is recognized, there will be no ordinary income, and such loss will be a capital loss. A capital gain or loss will be long-term if the optionee’s holding period is more than 12 months. Any ordinary income recognized by the optionee upon the disqualifying disposition of the shares generally should be deductible by the company for federal income tax purposes, except to the extent such deduction is limited by applicable provisions of the Code or the regulations thereunder. The difference between the option exercise price and the fair market value of the shares on the exercise date of an incentive stock option is an adjustment in computing the optionee’s alternative minimum taxable income and may be subject to an alternative minimum tax which is paid if such tax exceeds the regular tax for the year. Special rules may apply with respect to certain subsequent sales of the shares in a disqualifying disposition, certain basis adjustments for purposes of computing the alternative minimum taxable income on a subsequent sale of the shares and certain tax credits which may arise with respect to optionees subject to the alternative minimum tax.

— *Nonstatutory Stock Options and Stock Appreciation Rights*

Nonstatutory stock options and stock appreciation rights have no special tax status. A holder of these awards generally does not recognize taxable income as the result of the grant of such award. Upon exercise of a nonstatutory stock option or stock appreciation right, the holder normally recognizes ordinary income in an amount equal to the

difference between the exercise price and the fair market value of the shares on the exercise date. If the holder is an employee, such ordinary income generally is subject to withholding of income and employment taxes. Upon the sale of stock acquired by the exercise of a nonstatutory stock option or stock appreciation right, any gain or loss, based on the difference between the sale price and the fair market value on the exercise date, will be taxed as capital gain or loss. A capital gain or loss will be long-term if the holding period of the shares is more than 12 months. The company generally should be entitled to a deduction equal to the amount of ordinary income recognized by the optionee as a result of the exercise of a nonstatutory stock option or stock appreciation right, except to the extent such deduction is limited by applicable provisions of the Code or the regulations thereunder. No tax deduction is available to the company with respect to the grant of a nonstatutory stock option or stock appreciation right or the sale of the stock acquired pursuant to such grant.

— *Restricted Stock*

A participant acquiring restricted stock generally will recognize ordinary income equal to the fair market value of the shares on the “determination date.” The “determination date” is the date on which the participant acquires the shares unless the shares are subject to a substantial risk of forfeiture and are not transferable, in which case the determination date is the earlier of (i) the date on which the shares become transferable or (ii) the date on which the shares are no longer subject to a substantial risk of forfeiture. If the determination date is after the date on which the participant acquires the shares, the participant may elect, pursuant to Section 83(b) of the Code, to have the date of acquisition be the determination date by filing an election with the Internal Revenue Service no later than 30 days after the date on which the shares are acquired. If the participant is an employee, such ordinary income generally is subject to withholding of income and employment taxes. Upon the sale of shares acquired pursuant to a restricted stock award, any gain or loss, based on the difference between the sale price and the fair market value on the determination date, will be taxed as capital gain or loss. The company generally should be entitled to a deduction equal to the amount of ordinary income recognized by the participant on the determination date, except to the extent such deduction is limited by applicable provisions of the Code.

— *Restricted Stock Unit Awards*

A participant generally will recognize no income upon the receipt of a restricted stock unit award. Upon the settlement of such awards, participants normally will recognize ordinary income in the year of receipt in an amount equal to the cash received and the fair market value of any substantially vested shares received. If the participant is an employee, such ordinary income generally is subject to withholding of income and employment taxes. If the participant receives shares of restricted stock, the participant generally will be taxed in the same manner as described above (see discussion under “Restricted Stock”). Upon the sale of any shares received, any gain or loss, based on the difference between the sale price and the fair market value on the “determination date” (as defined above under “Restricted Stock”), will be taxed as capital gain or loss. The company generally should be entitled to a deduction equal to the amount of ordinary income recognized by the participant on the determination date, except to the extent such deduction is limited by applicable provisions of the Code.

— *Deferred Compensation Awards*

Section 409A of the Code provides certain requirements on non-qualified deferred compensation arrangements. These include requirements with respect to an individual’s election to defer compensation and the individual’s selection of the timing and form of distribution of the deferred compensation. Section 409A also generally provides that distributions must be made on or following the occurrence of certain events (e.g., the individual’s separation from service, a predetermined date, or the individual’s death). Section 409A imposes restrictions on an individual’s ability to change his or her distribution timing or form after the compensation has been deferred. Deferred compensation awards granted under the plan will be subject to the requirements of Section 409A. If an award is subject to and fails to satisfy the requirements of Section 409A, the recipient of that award may recognize ordinary income on the amounts deferred under the award, to the extent vested, which may be prior to when the compensation is actually or constructively received. Also, if an award that is subject to Section 409A fails to comply with Section 409A’s provisions, Section 409A imposes an additional 20% federal income tax on compensation recognized as ordinary income, as well as interest on such deferred compensation.

— *Potential Limitation on Company Deductions*

Code Section 162(m) denies a deduction to the company for compensation paid to certain employees in a taxable year to the extent that compensation exceeds \$1 million for a covered employee. It is possible that compensation attributable to stock awards, when combined with all other types of compensation received by a covered employee from the company, may cause this limitation to be exceeded in any particular year. Certain kinds of compensation, including qualified “performance-based compensation,” are disregarded for purposes of the deduction limitation. In accordance with applicable regulations issued under Section 162(m), compensation attributable to stock options and stock appreciation rights will qualify as performance-based compensation, provided that: (i) the option plan contains a per-employee limitation on the number of shares for which options or stock appreciation rights may be granted during

a specified period, (ii) the per-employee limitation is approved by the stockholders, (iii) the option is granted by a compensation committee comprised solely of “outside directors” (as defined in Section 162(m)) and (iv) the exercise price of the option or right is no less than the fair market value of the stock on the date of grant.

For the aforementioned reasons, the 2017 Plan provides for an annual per employee limitation as required under Section 162(m) and the company’s compensation committee is comprised solely of outside directors. Accordingly, options or stock appreciation rights granted by the compensation committee qualify as performance-based compensation, and the other awards subject to performance goals may qualify.

— *Other Tax Consequences*

The foregoing discussion is intended to be a general summary only of the federal income tax aspects of awards granted under the 2017 Plan; tax consequences may vary depending on the particular circumstances at hand. In addition, administrative and judicial interpretations of the application of the federal income tax laws are subject to change. Furthermore, no information is given with respect to state or local taxes that may be applicable. Participants in the 2017 Plan who are residents of or are employed in a country other than the United States may be subject to taxation in accordance with the tax laws of that particular country in addition to or in lieu of United States federal income taxes.

Vote Required and Board of Directors Recommendation

Approval of the 2017 Plan requires the affirmative vote of a majority of the outstanding shares of common stock present in person or by proxy at the meeting and entitled to be voted on this matter.

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF 2017 EQUITY INCENTIVE PLAN.

PROPOSAL 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our shareholders to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC’s rules. This proposal, commonly known as a “say-on-pay” proposal, gives our shareholders the opportunity to express their views on the compensation of our named executive officers.

As described in detail below under the heading “Executive Compensation,” our executive compensation programs are designed to attract, retain and motivate our named executive officers who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of annual and long-term strategic and corporate goals, and the realization of increased shareholder value. Please read the “Executive Compensation” and

related information in this proxy statement for additional details about our executive compensation programs, including information about the compensation of our named executive officers in 2016.

We are asking our shareholders to indicate their support for the compensation of our named executive officer as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our shareholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s shareholders approve, on a non-binding, advisory basis, the compensation paid to our named executive officers, as disclosed in the Company’s Proxy Statement for the 2017 Annual Shareholders Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and disclosure.”

Although the “say-on-pay” vote is advisory, and therefore not binding on us, we value the opinions of our shareholders and we will consider the outcome of the vote when making future compensation decisions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL 5

ADVISORY VOTE ON THE FREQUENCY OF HOLDING FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

The Dodd-Frank Act also enables our stockholders to vote, on an advisory or non-binding basis, on how frequently they would like to cast an advisory vote on the compensation of our named executive officers. By voting on this proposal, stockholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every one, two, or three years.

After careful consideration of the frequency alternatives, our board believes that conducting advisory vote on executive compensation every three years is appropriate. We believe that a three-year frequency is most consistent with our approach to compensation. In making such determination, our board considered the following factors:

our board and compensation committee believe our compensation program should include both short-term and long-term elements which inherently requires evaluation of multi-year periods:

a three-year advisory vote cycle gives our board sufficient time to thoughtfully consider the results of the advisory vote regarding executive compensation and to implement any desired changes to our compensation policies and procedures; and

a three-year advisory vote cycle will provide our stockholders sufficient time to evaluate the effectiveness of our short- and long-term compensation strategies and our related performance.

The voting frequency option that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been selected by the stockholders. Our board will carefully consider the outcome of the vote when making future decisions regarding the frequency of advisory votes on executive compensation. However, because this vote is advisory and not binding, our board may decide that it is in the best interests of our company and stockholders to hold an advisory vote more or less frequently than the alternative that has been selected by our stockholders.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “THREE YEARS” WITH RESPECT TO THE FREQUENCY OF NON-BINDING STOCKHOLDER VOTES TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

(1) Option vests and becomes exercisable 1/3 on each of the first three anniversaries of the grant date subject to accelerated vesting upon the receipt of \$10 million or more of aggregate gross proceeds from the sale of equity securities or securities convertible into equity securities or the acquisition of \$10 million or more in aggregate purchase price of oil and gas properties.

Employment Arrangements

John Boylan was appointed Chairman, Chief Executive Officer and President of the Company in April 2015. Upon his retention, Mr. Boylan's salary was fixed at \$120,000 and Mr. Boylan was granted a ten-year stock option to purchase 900,000 shares of common stock at the then fair market value. Mr. Boylan also receives such other benefits as are generally provided to other employees of the Company. In March 2017, our compensation committee revised the terms of Mr. Boylan's compensation (1) increasing his annual base salary, effective January 1, 2017, to \$250,000 per year, payable \$10,000 per month with unpaid salary accruing until such time as the compensation committee determines that the Company has sufficient financial capacity to pay full salary after which accrued amounts and salary will be paid based on financial capacity as determined by the compensation committee, (2) providing for the payment of annual bonuses to be paid as determined by the compensation committee, (3) providing for a grant, under our Production Incentive Plan, of a 1% interest in Company revenues from all wells drilled on our Reeves County, Texas acreage, and (4) granting a ten-year stock option to purchase 500,000 shares of common stock at fair market value on the date of grant.

Equity Incentive Plan

Our board of directors and shareholders have adopted the Houston American Energy Corp. 2008 Equity Incentive Plan (the “2008 Plan”). Under the 2008 Plan, 6,000,000 shares of common stock are reserved for issuance pursuant to grants of stock options and restricted stock. The 2008 Plan is administered by our Compensation Committee and provides that key employees, consultants and directors are eligible to participate therein.

Our board adopted the 2017 Plan and have submitted the same for approval by the stockholders pursuant to this Proxy Statement. Subject to approval by the stockholders, the 2017 Plan reserves 5,000,000 shares of common stock for issuance pursuant to grants under the plan.

During 2015, we granted options to purchase 900,000 shares to Mr. Boylan, our Chairman, CEO and President. Those options were exercisable for ten years at \$0.2158 per share, the market price on the grant date, and vest 1/3 on each of the first three anniversaries of the grant date subject to accelerated vesting upon (i) receipt of \$10 million or more in gross receipts from the sale of equity securities or securities convertible into equity securities; and (ii) the acquisition of \$10 million or more in aggregate purchase price of oil and gas properties. No option grants were made to named executive officers in 2016. Pursuant to his revised employment terms, in March 2017, we granted options to purchase 500,000 shares to Mr. Boylan. Those options are exercisable for ten years at \$0.30 per share, the market price on the grant date, and vest 1/3 on each of the first three anniversaries of the grant date provided that the options will vest in full on December 31, 2017 if our common stock continues to be listed on the NYSE MKT on that date.

Termination or Change in Control Payments

We are party to a Change in Control Agreement (the “Change in Control Agreement”) with our former President and Chief Executive Officer, John Terwilliger, who continues as an employee. Pursuant to the Change in Control Agreement, if we undergo a change in control and Mr. Terwilliger is terminated without cause or resigns for good reason within 90 days prior to or within 12 months following a change in control, Mr. Terwilliger is entitled to (i) a lump sum cash severance payment equal to 250% of his average annual cash compensation (including salary and bonuses) during the three years ending on the termination date, and (ii) acceleration of vesting of all unvested time-based stock options.

Pension Benefits

We do not maintain any retirement plans or otherwise provide any retirement benefits of any nature for our executives or employees.

Director Compensation Table

The following table provides compensation information for the year ended December 31, 2016 for each member of our Board of Directors, excluding John Boylan who receives no compensation in his capacity as a director:

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (\$)	Option Awards (\$) (1)(2)	Non-Equity Incentive Plan Compensation (\$)	All Other Compensation (\$)	Total (\$)
Stephen Hartzell	18,750	—	30,096	—	—	48,846
O. Lee Tawes III	11,250	—	31,636	—	—	42,886
Keith Grimes	18,750	—	30,096	—	—	48,846
Roy Jageman	31,250	—	31,635	—	—	62,885

Reflects the grant date fair value calculated in accordance with FASB ASC Topic 718. The Company's FASB ASC (1) Topic 718 assumptions used in these calculations are set forth in Note 5 to the Financial Statements included in the Company's annual report on Form 10-K filed with the SEC on March 16, 2017.

The following are the aggregate number of option awards outstanding that have been granted to each of our (2) non-employee directors as of December 31, 2016, the last day of the 2016 fiscal year: Mr. Hartzell: 491,666; Mr. Tawes: 501,666; Mr. Grimes: 350,000; and Mr. Jageman: 268,333.

Standard Director Compensation Arrangements

We compensate non-employee members of the board through a mixture of cash and equity-based compensation. Cash compensation arrangements for our non-employee directors consist of the following payments: (i) annual retainer of \$9,000; (ii) annual retainer for service on each board committee of \$3,000; (iii) annual retainer for service as chair of the audit committee of \$3,750; and (iv) annual retainer for service as chair of the compensation committee of \$2,250. Each of the annual retainers is payable in equal quarterly installments. We also reimburse expenses incurred by non-employee directors to attend board and committee meetings.

On the date of the initial appointment or election of each non-employee director, and on the date of each annual meeting thereafter, each non-employee director receives a stock option grant to purchase 50,000 shares (pro-rated if appointment or election is other than at an annual meeting of stockholders) of our common stock at a price equal to the fair market value of our common stock on the date of grant. Option grants to directors vest 20% on the date of grant and 80% nine months from the date of grant.

In March 2016, we formed an ad hoc Finance Committee of the Board, comprised of Messrs. Jageman and Tawes, to assist and oversee management in connection with capital market transactions and associated financial modeling. The members of the ad hoc Finance Committee received five-year option grants to purchase 10,000 shares of common stock at \$0.1982 per share, the fair market value on the date of grant, and the chair of the committee, Mr. Jageman, received \$5,000 in cash.

In June 2016, in recognition of the increasing demands placed on directors associated with the exploration of strategic alternatives, Messrs. Jageman, Tawes, Hartzell and Grimes each received ten-year option grants to purchase 150,000 shares of common stock at \$0.2201 per share, the fair market value on date of grant. Those options vest (i) 50% on the earlier of June 7, 2017 or the day preceding the next annual shareholders meeting at which directors are elected, (ii) 50% on the earlier of June 7, 2018 or the day preceding the second annual shareholders meeting at which directors are elected, and (iii) in full in the event that the Company consummates a transaction in the nature of a sale of shares of equity securities for cash or assets resulting in a net addition(s) to stockholders' equity of not less than \$2 million.

Directors who are also our employees do not receive cash or equity compensation for service on the board in addition to compensation payable for their service as employees of Houston American Energy.

CORPORATE GOVERNANCE

The Board and Board Meetings; Annual Meeting Attendance

The board consists of five directors. During the fiscal year ended December 31, 2016, the board held a total of 13 meetings (including telephonic meetings and committee meetings). Each of the incumbent directors attended at least 75% of the total number of meetings of the board, including meetings of all committees on which he served. Our corporate governance guidelines provide that directors are expected to attend the annual meeting of stockholders. All of our directors attended our 2016 annual meeting of stockholders.

Board Independence

The board has determined that each of the directors, with the exception of Mr. Boylan, qualify as “independent” as defined by applicable NYSE MKT and SEC rules. In making this determination, the board has concluded that none of these members has a relationship that, in the opinion of the board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Stephen Hartzell has served as lead director since March 2007 and presides over meetings of the independent directors.

Board Committees

The board currently has, and appoints members to, two standing committees: the audit committee and the compensation committee. Each member of these committees is independent as defined by applicable the NYSE MKT and SEC rules. The current members of the committees are identified below:

Director	Audit	Compensation
Stephen Hartzell	[X]	[X] (Chair)
Keith Grimes	[X]	[X]
Roy Jageman	[X] (Chair)	[X]

Audit Committee

The audit committee is composed of three independent directors, Messrs. Jageman, Hartzell and Grimes, each of whom meets the independence and financial literacy requirements as defined by applicable NYSE MKT and SEC rules. The audit committee assists the board in its general oversight of our financial reporting, internal controls, legal compliance, ethics programs and audit functions, and is directly responsible for the appointment, evaluation, retention and compensation of the registered public accounting firm. The board has determined that Mr. Jageman qualifies as an “audit committee financial expert” in accordance with the applicable rules and regulations of the SEC.

The audit committee acts under the terms of a written charter initially adopted in May 2006, a copy of which can be found on our website at www.houstonamerican.com/corporategovernance.html. The audit committee met 5 times during the fiscal year ended December 31, 2016. For more information regarding the audit committee, please refer to the “Report of Audit Committee” beginning on page 20.

Compensation Committee

The compensation committee, which is appointed by the board, is composed of three non-employee independent directors as defined by applicable NYSE MKT rules. The committee is responsible for establishing and administering the policies that govern both annual compensation and equity ownership. It reviews and approves salaries, bonus and incentive compensation, perquisites, equity compensation, and all other forms of compensation for our executive officers, including the chief executive officer. The compensation committee is also responsible for reviewing and administering our incentive compensation plans, equity incentive programs and other benefit plans. It periodically reviews and makes recommendations to the board with respect to director compensation.

The compensation committee acts under the terms of a written charter adopted in June 2013, a copy of which can be found on our website at www.houstonamerican.com/corporategovernance.html. The compensation committee held one meeting during the fiscal year ended December 31, 2016.

Nomination of Directors

The board of directors does not maintain a standing nominating committee. Instead, the board has adopted, by resolution, a process of nominating directors wherein nominees must be selected, or recommended for the board's selection, by a majority of the independent directors with independence determined in accordance with NYSE MKT standards. Because of the relatively small size of the board and the current demands on the independent directors, the board determined that the nomination process would best be carried out, while maintaining the independence of the nominating process, by drawing upon the resources of all board members with the requirement that nominees be selected by a majority of the independent directors.

In the event of a vacancy on the board, the process followed by the independent directors in nominating and evaluating director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the board.

In considering whether to recommend any particular candidate for inclusion in the board's slate of recommended director nominees, the independent directors apply criteria adopted by the board. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of conflicts of interest and the ability to act in the interests of all stockholders. No specific weights are assigned to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Board does not have a formal policy with respect to diversity of nominees. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will best allow the board to fulfill its responsibilities.

The board may utilize the services of a search firm to help identify candidates for director who meet the qualifications outlined above.

Stockholders may recommend individuals to the independent directors for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date such recommendation is made, to Independent Directors, c/o Corporate Secretary, Houston American Energy Corp, 801 Travis St., Suite 1425, Houston, Texas 77002. Assuming that appropriate biographical and background material has been provided on a timely basis, the stockholder-recommended candidates will be evaluated by following substantially the same process, and applying substantially the same criteria, as it follows for candidates recommended by our board or others. If the board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in the proxy card for the next annual meeting.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of the board, by following the procedures set forth under "Deadline for Submission of Stockholder Proposals for the 2018 Annual Meeting" on page 21. Candidates nominated by stockholders in accordance with the procedures set forth in the bylaws will not be included in our proxy card for the next annual meeting.

Communicating with the Independent Directors

Our board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our lead independent director, Mr. Hartzell, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the lead independent director, with the assistance of our counsel, considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the board should address such communications to Houston American Energy Corp, Board of Directors, c/o Corporate Secretary, 801 Travis St., Suite 1425, Houston, Texas 77002.

Board Leadership Structure and Risk Oversight Role

Our Chief Executive Officer also serves as Chairman of our Board of Directors. As noted, Stephen Hartzell presently serves as our “Lead Independent Director”. We believe that such a leadership structure is appropriate for our company given the small size of our company and our need to control costs and facilitate rapid response to market opportunities.

Our Board provides high level oversight with respect to our risk management activities, consisting principally of interfacing with management with regard to proper risk management policies and implementation of those policies. In general, the Board familiarizes itself with the risk management policies being pursued and the actual transactions carried out in that regard so as to assure that the policy is sound and the transactions undertaken are consistent with the policy. Given our position as a non-operator of our various properties, decisions regarding entry into derivative instruments to manage commodity price risk is typically vested in the property operators and, therefore, the Board believes that our company and management has little discretion with regard to risk management transactions.

Code of Conduct and Ethics

We have adopted a written code of conduct and ethics that applies to all our directors, officers and employees, including our chief executive officer and our chief financial and accounting officer. A current copy of the code can be found on our website at www.houstonamerican.com/corporategovernance.html. In addition, we intend to post on our website or file under cover of Form 8-K all disclosures that are required by law or NYSE MKT listing standards concerning any amendments to, or waivers from, any provision of the code.

SECTION 16(a) BENEFICIAL OWNERSHIP

REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, or “Section 16(a)”, requires that directors, executive officers and persons who own more than ten percent of any registered class of a company’s equity securities, or “reporting persons,” file with the SEC initial reports of beneficial ownership and report changes in beneficial ownership of common stock and other equity securities. Reporting persons holding our stock are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of copies of these reports, and written representations from such reporting persons, we believe that all filings required to be made by reporting persons of our stock were timely filed for the year ended December 31, 2016 in accordance with Section 16(a).

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Report of Audit Committee

The audit committee is responsible for assessing the information provided by management and our registered public accounting firm in accordance with its business judgment. Management is responsible for the preparation, presentation and integrity of our financial statements and for the appropriateness of the accounting principles and reporting policies that are used. Management is also responsible for testing the system of internal controls, and reports to the audit committee on any deficiencies found. Our registered public accounting firm was responsible for auditing the financial statements and for reviewing the unaudited interim financial statements.

The audit committee reviewed with our registered public accounting firm the overall scope and plan of the audit. In addition, it met with our registered public accounting firm to discuss the results of GBH CPAs, PC's examination, the evaluation of our system of internal controls, the overall quality of our financial reporting and such other matters as are required to be discussed under generally accepted auditing standards. The audit committee has also received from, and discussed with, our registered public accounting firm the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees).

The audit committee discussed with GBH CPAs, PC that firm's independence from management and our company, including the matters in the written disclosures and the letter required by the Public Company Accounting Oversight Board. The audit committee has also considered the compatibility of audit related and other services with the auditors' independence.

In fulfilling its oversight responsibilities, the audit committee has reviewed and discussed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2016 with both management and our registered public accounting firm. The audit committee's review included a discussion of the quality and integrity of the accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosures in the financial statements.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board, and the board has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2016 for filing with the SEC.

By the Audit Committee of the Board of Directors:

Roy Jageman, Audit Committee Chair

Stephen Hartzell, Audit Committee Member

Keith Grimes, Audit Committee Member

Pre-Approval Policies and Procedures

The audit committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our registered public accounting firm. This policy generally provides that we will not engage our registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the audit committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, the audit committee may pre-approve specific types of services that are expected to be provided by our registered public accounting firm during the next 12 months. Any such pre-approval is detailed as to the particular services to be provided and is also generally subject to a maximum dollar amount.

The committee's practice is to consider for approval, at its regularly scheduled quarterly meetings, all audit and non-audit services proposed to be provided by our registered public accounting firm. In situations where a matter cannot wait until the next regularly scheduled committee meeting, the chairman of the committee has been delegated authority to consider and, if appropriate, approve audit and non-audit services or, if in the chairman's judgment it is considered appropriate, to call a special meeting of the committee for that purpose.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of "householding". This means that only one copy of our annual report and proxy statement will be sent to stockholders who share the same last name and address. Householding is designed to reduce duplicate mailings and save significant printing and postage costs.

If you receive a household mailing this year and would like to receive additional copies of our annual report and/or proxy statement, please submit your request in writing to: Houston American Energy Corp., 801 Travis St., Suite 1425, Houston, Texas 77002, Attention: Secretary or by calling Houston American Energy at (712) 222-6966. Any stockholder who wants to receive separate copies of the proxy statement in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact his or her bank, broker, or other nominee record holder.

1.1 Establishment. The Houston American Energy Corp. 2017 Equity Incentive Plan (the “*Plan*”) is hereby adopted March 14, 2017 subject to approval by the stockholders of the Company (the date of such approval, the “*Effective Date*”).

1.2 Purpose. The purpose of the Plan is to advance the interests of the Participating Company Group and its stockholders by providing an incentive to attract and retain the best qualified personnel to perform services for the Participating Company Group, by motivating such persons to contribute to the growth and profitability of the Participating Company Group, by aligning their interests with interests of the Company’s stockholders, and by rewarding such persons for their services by tying a significant portion of their total compensation package to the success of the Company. The Plan seeks to achieve this purpose by providing for Awards in the form of Options, Stock Appreciation Rights, Restricted Stock Awards, Restricted Stock Units, Deferred Compensation Awards and other Stock-Based Awards as described below.

1.3 Term of Plan. The Plan shall continue in effect until the earlier of its termination by the Board or the date on which all of the shares of Stock available for issuance under the Plan have been issued and all restrictions on such shares under the terms of the Plan and the agreements evidencing Awards granted under the Plan have lapsed. However, Awards shall not be granted later than ten (10) years from the Effective Date. The Company intends that the Plan comply with Section 409A of the Code (including any amendments to or replacements of such section), and the Plan shall be so construed.

Furthermore, a Participant’s Service shall not be deemed to have terminated if the Participant takes any military leave, sick leave, or other bona fide leave of absence approved by the Company. However, if any such leave taken by a Participant exceeds ninety (90) days, then on the ninety-first (91st) day following the commencement of such leave the Participant’s Service shall be deemed to have terminated, unless the Participant’s right to return to Service is guaranteed by statute or contract. Notwithstanding the foregoing, unless otherwise designated by the Company or required by law, a leave of absence shall not be treated as Service for purposes of determining vesting under the Participant’s Award Agreement. A Participant’s Service shall be deemed to have terminated either upon an actual termination of Service or upon the entity for which the Participant performs Service ceasing to be a Participating Company. Subject to the foregoing, the Company, in its discretion, shall determine whether the Participant’s Service has terminated and the effective date of such termination.

(ll) “**Stock**” means the common stock of the Company, as adjusted from time to time in accordance with Section 4.2 of the Plan.

(mm) “**Stock-Based Awards**” means any award that is valued in whole or in part by reference to, or is otherwise based on, the Stock, including dividends on the Stock, but not limited to those Awards described in Sections 6 through 10 of the Plan.

(nn) “**Subsidiary Corporation**” means any present or future “subsidiary corporation” of the Company, as defined in Section 424(f) of the Code.

(oo) “**Successor**” means a corporation into or with which the Company is merged or consolidated or which acquires all or substantially all of the assets of the Company and which is designated by the Board as a Successor for purposes of the Plan.

(pp) “**Ten Percent Owner**” means a Participant who, at the time an Option is granted to the Participant, owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of a Participating Company (other than an Affiliate) within the meaning of Section 422(b)(6) of the Code.

(qq) “**Vesting Conditions**” means those conditions established in accordance with Section 8.4 or Section 9.2 of the Plan prior to the satisfaction of which shares subject to a Restricted Stock Award or Restricted Stock Unit Award, respectively, remain subject to forfeiture or a repurchase option in favor of the Company upon the Participant’s termination of Service.

2.2 Construction. Captions and titles contained herein are for convenience only and shall not affect the meaning or interpretation of any provision of the Plan. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term “or” is not intended to be exclusive, unless the context clearly requires otherwise.

3. ADMINISTRATION.

3.1 Administration by the Committee. The Plan shall be administered by the Committee. All questions of interpretation of the Plan or of any Award shall be determined by the Committee, and such determinations shall be final and binding upon all persons having an interest in the Plan or such Award.

3.2 Authority of Officers. Any Officer shall have the authority to act on behalf of the Company with respect to any matter, right, obligation, determination or election which is the responsibility of or which is allocated to the Company herein, provided the Officer has apparent authority with respect to such matter, right, obligation, determination or election.

3.3 Administration with Respect to Insiders. With respect to participation by Insiders in the Plan, at any time that any class of equity security of the Company is registered pursuant to Section 12 of the Exchange Act, the Plan shall be administered in compliance with the requirements, if any, of Rule 16b-3.

3.4 Committee Complying with Section 162(m). While the Company is a “publicly held corporation” within the meaning of Section 162(m), the Board may establish a Committee of “outside directors” within the meaning of Section 162(m) to approve the grant of any Award which might reasonably be anticipated to result in the payment of employee remuneration that would otherwise exceed the limit on employee remuneration deductible for income tax purposes pursuant to Section 162(m).

3.5 Powers of the Committee. In addition to any other powers set forth in the Plan and subject to the provisions of the Plan, the Committee shall have the full and final power and authority, in its discretion:

(a) to determine the persons to whom, and the time or times at which, Awards shall be granted and the number of shares of Stock or units to be subject to each Award;

(b) to determine the type of Award granted and to designate Options as Incentive Stock Options or Nonstatutory Stock Options;

(c) to determine the Fair Market Value of shares of Stock or other property;

(d) to determine the terms, conditions and restrictions applicable to each Award (which need not be identical) and any shares acquired pursuant thereto, including, without limitation, (i) the exercise or purchase price of shares purchased pursuant to any Award, (ii) the method of payment for shares purchased pursuant to any Award, (iii) the method for satisfaction of any tax withholding obligation arising in connection with Award, including by the withholding or delivery of shares of Stock, (iv) the timing, terms and conditions of the exercisability or vesting of any Award or any shares acquired pursuant thereto, (v) the time of the expiration of any Award, (vi) the effect of the Participant's termination of Service on any of the foregoing, and (viii) all other terms, conditions and restrictions applicable to any Award or shares acquired pursuant thereto not inconsistent with the terms of the Plan;

(e) to determine whether an Award will be settled in shares of Stock, cash, or in any combination thereof;

(f) to approve one or more forms of Award Agreement;

(g) to amend, modify, extend, cancel or renew any Award or to waive any restrictions or conditions applicable to any Award or any shares acquired pursuant thereto;

(h) to accelerate, continue, extend or defer the exercisability or vesting of any Award or any shares acquired pursuant thereto, including with respect to the period following a Participant's termination of Service;

(i) without the consent of the affected Participant and notwithstanding the provisions of any Award Agreement to the contrary, to unilaterally substitute at any time a Stock Appreciation Right providing for settlement solely in shares of Stock in place of any outstanding Option, provided that such Stock Appreciation Right covers the same number of shares of Stock and provides for the same exercise price (subject in each case to adjustment in accordance with Section 4.2) as the replaced Option and otherwise provides substantially equivalent terms and conditions as the replaced Option, as determined by the Committee;

(j) to prescribe, amend or rescind rules, guidelines and policies relating to the Plan, or to adopt sub-plans or supplements to, or alternative versions of, the Plan, including, without limitation, as the Committee deems necessary or desirable to comply with the laws or regulations of or to accommodate the tax policy, accounting principles or custom of, foreign jurisdictions whose citizens may be granted Awards;

(k) to correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award Agreement and to make all other determinations and take such other actions with respect to the Plan or any Award as the Committee may deem advisable to the extent not inconsistent with the provisions of the Plan or applicable law; and

(l) to delegate to any proper Officer the authority to grant one or more Awards, without further approval of the Committee, to any person eligible pursuant to Section 5, other than a person who, at the time of such grant, is an Insider; provided, however, that (i) the exercise price per share of each such Option shall be equal to the Fair Market Value per share of the Stock on the effective date of grant, and (ii) each such Award shall be subject to the terms and conditions of the appropriate standard form of Award Agreement approved by the Committee and shall conform to the provisions of the Plan and such other guidelines as shall be established from time to time by the Committee.

3.6 Indemnification. In addition to such other rights of indemnification as they may have as members of the Board or the Committee or as officers or employees of the Participating Company Group, members of the Board or the Committee and any officers or employees of the Participating Company Group to whom authority to act for the Board, the Committee or the Company is delegated shall be indemnified by the Company against all reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan, or any right granted hereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such person is liable for gross negligence, bad faith or intentional misconduct in duties; provided, however, that within sixty (60) days after the institution of such action, suit or proceeding, such person shall offer to the Company, in writing, the opportunity at its own expense to handle and defend the same.

3.7 Arbitration. Any dispute or claim concerning any Awards granted (or not granted) pursuant to this Plan and any other disputes or claims relating to or arising out of the Plan shall be fully, finally and exclusively resolved by binding arbitration conducted pursuant to the Commercial Arbitration Rules of the American Arbitration Association. By accepting an Award, Participants and the Company waive their respective rights to have any such disputes or claims tried by a judge or jury.

3.8 Repricing Prohibited. Without the affirmative vote of holders of a majority of the shares of Stock cast in person or by proxy at a meeting of the stockholders of the Company at which a quorum representing a majority of all outstanding shares of Stock is present or represented by proxy, the Committee shall not approve a program providing for either (a) the cancellation of outstanding Options or SARs and the grant in substitution therefore of new Awards having a lower exercise price or (b) the amendment of outstanding Options or SARs to reduce the exercise price thereof. This paragraph shall not be construed to apply to the issuance or assumption of an Award in a transaction to which Code section 424(a) applies, within the meaning of Section 424 of the Code.

4. SHARES SUBJECT TO PLAN.

4.1 Maximum Number of Shares Issuable. Subject to adjustment as provided in Section 4.2, the maximum aggregate number of shares of Stock that may be issued under the Plan shall be Five Million (5,000,000) and shall consist of authorized but unissued or reacquired shares of Stock or any combination thereof; provided, however, that the maximum number of shares of Stock that are subject to Awards, other than Options or SARs, shall not exceed Two Million (2,000,000). If an outstanding Award for any reason expires or is terminated or canceled without having been exercised or settled in full, or if shares of Stock acquired pursuant to an Award subject to forfeiture or repurchase are forfeited or repurchased by the Company, the shares of Stock allocable to the terminated portion of such Award or such forfeited or repurchased shares of Stock shall again be available for issuance under the Plan. When a SAR settled in shares of Stock is exercised, the total number of shares subject to the SAR Agreement with respect to which the exercise occurs shall count against the limit, regardless of the number of shares actually issued in settlement of the SAR. Shares used to pay the exercise price of an option shall not again become available for future grant or issuance under the Plan. Shares used to satisfy tax withholding obligations shall not become available for future grant or issuance under the Plan. To the extent an Award is settled in cash rather than shares of Stock, such cash payment shall not reduce the number of shares available for issuance under the Plan.

4.2 Adjustments for Changes in Capital Structure. Subject to any required action by the stockholders of the Company, in the event of any change in the Stock effected without receipt of consideration by the Company, whether through merger, consolidation, reorganization, reincorporation, recapitalization, reclassification, stock dividend, stock split, reverse stock split, split-up, split-off, spin-off, combination of shares, exchange of shares, or similar change in the capital structure of the Company, or in the event of payment of a dividend or distribution to the stockholders of the Company in a form other than Stock (excepting normal cash dividends) that has a material effect on the Fair Market Value of shares of Stock, appropriate adjustments shall be made in the number and kind of shares subject to the Plan and to any outstanding Awards, in the Award limits set forth in Section 5.4, and in the exercise or purchase price per share under any outstanding Award in order to prevent dilution or enlargement of Participants' rights under the Plan. For purposes of the foregoing, conversion of any convertible securities of the Company shall not be treated as "effected without receipt of consideration by the Company." If a majority of the shares which are of the same class as the shares that are subject to outstanding Awards are exchanged for, converted into, or otherwise become (whether or not pursuant to an Ownership Change Event) shares of another corporation (the "*New Shares*"), the Committee may unilaterally amend the outstanding Options to provide that such Options are exercisable for New Shares. In the event of any such amendment, the number of shares subject to, and the exercise price per share of, the outstanding Awards shall be adjusted in a fair and equitable manner as determined by the Board, in its discretion. Any fractional share resulting from an adjustment pursuant to this Section 4.2 shall be rounded down to the nearest whole number. The Committee in its sole discretion, may also make such adjustments in the terms of any Award to reflect, or related to, such changes in the capital structure of the Company or distributions as it deems appropriate. The adjustments determined by the Committee pursuant to this Section 4.2 shall be final, binding and conclusive.

5. ELIGIBILITY AND AWARD LIMITATIONS.

5.1 Persons Eligible for Awards. Awards may be granted only to Employees, Consultants and Directors. For purposes of the foregoing sentence, “Employees,” “Consultants” and “Directors” shall include prospective Employees, prospective Consultants and prospective Directors to whom Awards are offered to be granted in connection with written offers of an employment or other service relationship with the Participating Company Group; provided, however, that no Stock subject to any such Award shall vest, become exercisable or be issued prior to the date on which such person commences Service.

5.2 Participation. Awards other than Nonemployee Director Awards are granted solely at the discretion of the Committee. Eligible persons may be granted more than one Award. However, eligibility in accordance with this Section shall not entitle any person to be granted an Award, or, having been granted an Award, to be granted an additional Award.

A-9

5.3 Incentive Stock Option Limitations.

(a) **Persons Eligible.** An Incentive Stock Option may be granted only to a person who, on the effective date of grant, is an Employee of the Company, a Parent Corporation or a Subsidiary Corporation (each being an “**ISO-Qualifying Corporation**”). Any person who is not an Employee of an ISO-Qualifying Corporation on the effective date of the grant of an Option to such person may be granted only a Nonstatutory Stock Option. An Incentive Stock Option granted to a prospective Employee upon the condition that such person become an Employee of an ISO-Qualifying Corporation shall be deemed granted effective on the date such person commences Service with an ISO-Qualifying Corporation, with an exercise price determined as of such date in accordance with Section 6.1.

(b) **Fair Market Value Limitation.** To the extent that options designated as Incentive Stock Options (granted under all stock option plans of the Participating Company Group, including the Plan) become exercisable by a Participant for the first time during any calendar year for stock having a Fair Market Value greater than One Hundred Thousand Dollars (\$100,000), the portion of such options which exceeds such amount shall be treated as Nonstatutory Stock Options. For purposes of this Section, options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of stock shall be determined as of the time the option with respect to such stock is granted. If the Code is amended to provide for a limitation different from that set forth in this Section, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Options as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonstatutory Stock Option in part by reason of the limitation set forth in this Section, the Participant may designate which portion of such Option the Participant is exercising. In the absence of such designation, the Participant shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Upon exercise, shares issued pursuant to each such portion shall be separately identified.

5.4 Award Limits.

(a) **Maximum Number of Shares Issuable Pursuant to Incentive Stock Options.** Subject to adjustment as provided in Section 4.2, the maximum aggregate number of shares of Stock that may be issued under the Plan pursuant to the exercise of Incentive Stock Options shall not exceed Five Million (5,000,000) shares. The maximum aggregate number of shares of Stock that may be issued under the Plan pursuant to all Awards other than Incentive Stock Options shall be the number of shares determined in accordance with Section 4.1, subject to adjustment as provided in Section 4.2.

(b) **Section 162(m) Award Limits.** The following limits shall apply to the grant of any Award if, at the time of grant, the Company is a “publicly held corporation” within the meaning of Section 162(m).

(i) **Options and SARs.** Subject to adjustment as provided in Section 4.2, no Employee shall be granted within any fiscal year of the Company one or more Options or Freestanding SARs which in the aggregate are for more than Two Million (2,000,000) shares of Stock reserved for issuance under the Plan.

(ii) **Restricted Stock and Restricted Stock Unit Awards.** Subject to adjustment as provided in Section 4.2, no Employee shall be granted within any fiscal year of the Company one or more Restricted Stock Awards or Restricted Stock Unit Awards for more than Two Million (2,000,000) shares of Stock in the aggregate under the Plan.

6. TERMS AND CONDITIONS OF OPTIONS.

Options shall be evidenced by Award Agreements specifying the number of shares of Stock covered thereby, in such form as the Committee shall from time to time establish. No Option or purported Option shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Options may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

A-10

6.1 Exercise Price. The exercise price for each Option shall be established in the discretion of the Committee; provided, however, that (a) the exercise price per share shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option and (b) no Incentive Stock Option granted to a Ten Percent Owner shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option. Notwithstanding the foregoing, an Option (whether an Incentive Stock Option or a Nonstatutory Stock Option) may be granted with an exercise price lower than the minimum exercise price set forth above if such Option is granted pursuant to an assumption or substitution for another option in a manner qualifying under the provisions of Section 424(a) of the Code.

6.2 Exercisability and Term of Options.

(a) ***Option Vesting and Exercisability.*** Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, criteria and restrictions as shall be determined by the Committee and set forth in the Award Agreement evidencing such Option; provided, however, that (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive Stock Option granted to a Ten Percent Owner shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option, and (c) no Option offered or granted to a prospective Employee, prospective Consultant or prospective Director may become exercisable prior to the date on which such person commences Service. Subject to the foregoing, unless otherwise specified by the Committee in the grant of an Option, any Option granted hereunder shall terminate ten (10) years after the effective date of grant of the Option, unless earlier terminated in accordance with its provisions, or the terms of the Plan.

(b) ***Participant Responsibility for Exercise of Option.*** Each Participant is responsible for taking any and all actions as may be required to exercise any Option in a timely manner, and for properly executing any documents as may be required for the exercise of an Option in accordance with such rules and procedures as may be established from time to time. By signing an Option Agreement each Participant acknowledges that information regarding the procedures and requirements for the exercise of any Option is available upon such Participant's request. The Company shall have no duty or obligation to notify any Participant of the expiration date of any Option.

6.3 Payment of Exercise Price.

(a) ***Forms of Consideration Authorized.*** Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option shall be made (i) in cash, by check or in cash equivalent, (ii) by tender to the Company, or attestation to the ownership, of shares of Stock owned by the Participant having a Fair Market Value not less than the exercise price, (iii) by such other consideration as may be approved by the Committee from time to time to the extent permitted by applicable law, or (iv) by any combination thereof. The Committee may at any time or from time to time grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of

consideration.

(b) *Limitations on Forms of Consideration.*

(i) **Tender of Stock.** Notwithstanding the foregoing, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock to the extent such tender or attestation would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company's stock.

(ii) **Payment by Promissory Note.** No promissory note shall be permitted if the exercise of an Option using a promissory note would be a violation of any law. Any permitted promissory note shall be on such terms as the Committee shall determine. The Committee shall have the authority to permit or require the Participant to secure any promissory note used to exercise an Option with the shares of Stock acquired upon the exercise of the Option or with other collateral acceptable to the Company. Unless otherwise provided by the Committee, if the Company at any time is subject to the regulations promulgated by the Board of Governors of the Federal Reserve System or any other governmental entity affecting the extension of credit in connection with the Company's securities, any promissory note shall comply with such applicable regulations, and the Participant shall pay the unpaid principal and accrued interest, if any, to the extent necessary to comply with such applicable regulations.

A-11

6.4 Effect of Termination of Service.

(a) **Option Exercisability.** Subject to earlier termination of the Option as otherwise provided herein and unless otherwise provided by the Committee, an Option shall be exercisable after a Participant's termination of Service only during the applicable time periods provided in the Award Agreement.

(b) **Extension if Exercise Prevented by Law.** Notwithstanding the foregoing, unless the Committee provides otherwise in the Award Agreement, if the exercise of an Option within the applicable time periods is prevented by the provisions of Section 13 below, the Option shall remain exercisable until three (3) months (or such longer period of time as determined by the Committee, in its discretion) after the date the Participant is notified by the Company that the Option is exercisable, but in any event no later than the Option Expiration Date.

(c) **Extension if Participant Subject to Section 16(b).** Notwithstanding the foregoing, if a sale within the applicable time periods of shares acquired upon the exercise of the Option would subject the Participant to suit under Section 16(b) of the Exchange Act, the Option shall remain exercisable until the earliest to occur of (i) the tenth (10th) day following the date on which a sale of such shares by the Participant would no longer be subject to such suit, (ii) the one hundred and ninetieth (190th) day after the Participant's termination of Service, or (iii) the Option Expiration Date.

6.5 Transferability of Options. During the lifetime of the Participant, an Option shall be exercisable only by the Participant or the Participant's guardian or legal representative. Prior to the issuance of shares of Stock upon the exercise of an Option, the Option shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. Notwithstanding the foregoing, to the extent permitted by the Committee, in its discretion, and set forth in the Award Agreement evidencing such Option, a Nonstatutory Stock Option shall be assignable or transferable subject to the applicable limitations, if any, described in the General Instructions to Form S-8 Registration Statement under the Securities Act.

7. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS.

Stock Appreciation Rights shall be evidenced by Award Agreements specifying the number of shares of Stock subject to the Award, in such form as the Committee shall from time to time establish. No SAR or purported SAR shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing SARs may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

7.1 Types of SARs Authorized. SARs may be granted in tandem with all or any portion of a related Option (a **“Tandem SAR”**) or may be granted independently of any Option (a **“Freestanding SAR”**). A Tandem SAR may be granted either concurrently with the grant of the related Option or at any time thereafter prior to the complete exercise, termination, expiration or cancellation of such related Option.

7.2 Exercise Price. The exercise price for each SAR shall be established in the discretion of the Committee; provided, however, that (a) the exercise price per share subject to a Tandem SAR shall be the exercise price per share under the related Option and (b) the exercise price per share subject to a Freestanding SAR shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the SAR.

7.3 Exercisability and Term of SARs.

(a) **Tandem SARs.** Tandem SARs shall be exercisable only at the time and to the extent, and only to the extent, that the related Option is exercisable, subject to such provisions as the Committee may specify where the Tandem SAR is granted with respect to less than the full number of shares of Stock subject to the related Option.

(b) **Freestanding SARs.** Freestanding SARs shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, criteria and restrictions as shall be determined by the Committee and set forth in the Award Agreement evidencing such SAR; provided, however, that no Freestanding SAR shall be exercisable after the expiration of ten (10) years after the effective date of grant of such SAR.

7.4 Deemed Exercise of SARs. If, on the date on which an SAR would otherwise terminate or expire, the SAR by its terms remains exercisable immediately prior to such termination or expiration and, if so exercised, would result in a payment to the holder of such SAR, then any portion of such SAR which has not previously been exercised shall automatically be deemed to be exercised as of such date with respect to such portion.

7.5 Effect of Termination of Service. Subject to earlier termination of the SAR as otherwise provided herein and unless otherwise provided by the Committee in the grant of an SAR and set forth in the Award Agreement, an SAR shall be exercisable after a Participant's termination of Service only as provided in the Award Agreement.

7.6 Nontransferability of SARs. During the lifetime of the Participant, an SAR shall be exercisable only by the Participant or the Participant's guardian or legal representative. Prior to the exercise of an SAR, the SAR shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution.

8. TERMS AND CONDITIONS OF RESTRICTED STOCK AWARDS.

Restricted Stock Awards shall be evidenced by Award Agreements specifying the number of shares of Stock subject to the Award, in such form as the Committee shall from time to time establish. No Restricted Stock Award or purported Restricted Stock Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Restricted Stock Awards may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

8.1 Types of Restricted Stock Awards Authorized. Restricted Stock Awards may or may not require the payment of cash compensation for the stock. Restricted Stock Awards may be granted upon such conditions as the Committee shall determine.

8.2 Purchase Price. The purchase price, if any, for shares of Stock issuable under each Restricted Stock Award and the means of payment shall be established by the Committee in its discretion.

8.3 Purchase Period. A Restricted Stock Award requiring the payment of cash consideration shall be exercisable within a period established by the Committee; provided, however, that no Restricted Stock Award granted to a prospective Employee, prospective Consultant or prospective Director may become exercisable prior to the date on which such person commences Service.

8.4 Vesting and Restrictions on Transfer. Shares issued pursuant to any Restricted Stock Award may or may not be made subject to Vesting Conditions based upon the satisfaction of such Service requirements, conditions, restrictions or criteria, including as shall be established by the Committee and set forth in the Award Agreement evidencing such Award. During any Restriction Period in which shares acquired pursuant to a Restricted Stock Award remain subject to Vesting Conditions, such shares may not be sold, exchanged, transferred, pledged, assigned or otherwise disposed of other than as provided in the Award Agreement or as provided in Section 8.7. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder.

8.5 Voting Rights; Dividends and Distributions. Except as provided in this Section, Section 8.4 and any Award Agreement, during the Restriction Period applicable to shares subject to a Restricted Stock Award, the Participant shall have all of the rights of a stockholder of the Company holding shares of Stock, including the right to vote such shares and to receive all dividends and other distributions paid with respect to such shares. However, in the event of a dividend or distribution paid in shares of Stock or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.2, any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Participant is entitled by reason of the Participant's Restricted Stock Award shall be immediately subject to the same Vesting Conditions as the shares subject to the Restricted Stock Award with respect to which such dividends or distributions were paid or adjustments were made.

8.6 Effect of Termination of Service. Unless otherwise provided by the Committee in the grant of a Restricted Stock Award and set forth in the Award Agreement, if a Participant's Service terminates for any reason, whether voluntary or involuntary (including the Participant's death or disability), then the Participant shall forfeit to the Company any shares acquired by the Participant pursuant to a Restricted Stock Award which remain subject to Vesting Conditions as of the date of the Participant's termination of Service in exchange for the payment of the purchase price, if any, paid by the Participant. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company.

8.7 Nontransferability of Restricted Stock Award Rights. Prior to the issuance of shares of Stock pursuant to a Restricted Stock Award, rights to acquire such shares shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or the laws of descent and distribution. All rights with respect to a Restricted Stock Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

9. TERMS AND CONDITIONS OF RESTRICTED STOCK UNIT AWARDS.

Restricted Stock Unit Awards shall be evidenced by Award Agreements specifying the number of Restricted Stock Units subject to the Award, in such form as the Committee shall from time to time establish. No Restricted Stock Unit Award or purported Restricted Stock Unit Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Restricted Stock Units may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

9.1 Grant of Restricted Stock Unit Awards. Restricted Stock Unit Awards may be granted upon such conditions as the Committee shall determine.

9.2 Vesting. Restricted Stock Units may or may not be made subject to Vesting Conditions based upon the satisfaction of such Service requirements, conditions, restrictions or criteria as shall be established by the Committee and set forth in the Award Agreement evidencing such Award.

9.3 Voting Rights, Dividend Equivalent Rights and Distributions. Participants shall have no voting rights with respect to shares of Stock represented by Restricted Stock Units until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). However, the Committee, in its discretion, may provide in the Award Agreement evidencing any Restricted Stock Unit Award that the Participant shall be entitled to receive Dividend Equivalents with respect to the

payment of cash dividends on Stock having a record date prior to the date on which Restricted Stock Units held by such Participant are settled. Such Dividend Equivalents, if any, shall be paid by crediting the Participant with additional whole Restricted Stock Units as of the date of payment of such cash dividends on Stock. The number of additional Restricted Stock Units (rounded to the nearest whole number) to be so credited shall be determined by dividing (a) the amount of cash dividends paid on such date with respect to the number of shares of Stock represented by the Restricted Stock Units previously credited to the Participant by (b) the Fair Market Value per share of Stock on such date. Such additional Restricted Stock Units shall be subject to the same terms and conditions and shall be settled in the same manner and at the same time (or as soon thereafter as practicable) as the Restricted Stock Units originally subject to the Restricted Stock Unit Award. In the event of a dividend or distribution paid in shares of Stock or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.2, appropriate adjustments shall be made in the Participant's Restricted Stock Unit Award so that it represents the right to receive upon settlement any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Participant would be entitled by reason of the shares of Stock issuable upon settlement of the Award, and all such new, substituted or additional securities or other property shall be immediately subject to the same Vesting Conditions as are applicable to the Award.

9.4 Effect of Termination of Service. Unless otherwise provided by the Committee in the grant of a Restricted Stock Unit Award and set forth in the Award Agreement, if a Participant's Service terminates for any reason, whether voluntary or involuntary (including the Participant's death or disability), then the Participant shall forfeit to the Company any Restricted Stock Units pursuant to the Award which remain subject to Vesting Conditions as of the date of the Participant's termination of Service.

9.5 Settlement of Restricted Stock Unit Awards. The Company shall issue to a Participant on the date on which Restricted Stock Units subject to the Participant's Restricted Stock Unit Award vest or on such other date determined by the Committee, in its discretion, and set forth in the Award Agreement one (1) share of Stock (and/or any other new, substituted or additional securities or other property pursuant to an adjustment described in Section 9.3) for each Restricted Stock Unit then becoming vested or otherwise to be settled on such date, subject to the withholding of applicable taxes. Notwithstanding the foregoing, if permitted by the Committee and set forth in the Award Agreement, the Participant may elect in accordance with terms specified in the Award Agreement to defer receipt of all or any portion of the shares of Stock or other property otherwise issuable to the Participant pursuant to this Section.

9.6 Nontransferability of Restricted Stock Unit Awards. Prior to the issuance of shares of Stock in settlement of a Restricted Stock Unit Award, the Award shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to a Restricted Stock Unit Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

10. DEFERRED COMPENSATION AWARDS.

10.1 Establishment of Deferred Compensation Award Programs. This Section 10 shall not be effective unless and until the Committee determines to establish a program pursuant to this Section. The Committee, in its discretion and upon such terms and conditions as it may determine, may establish one or more programs pursuant to the Plan under which:

(a) Participants designated by the Committee who are Insiders or otherwise among a select group of highly compensated Employees may irrevocably elect, prior to a date specified by the Committee, to reduce such Participant's compensation otherwise payable in cash (subject to any minimum or maximum reductions imposed by the Committee) and to be granted automatically at such time or times as specified by the Committee one or more Awards of Stock Units with respect to such numbers of shares of Stock as determined in accordance with the rules of the program established by the Committee and having such other terms and conditions as established by the Committee; provided any such election is made in accordance with Code Section 409A.

(b) Participants designated by the Committee who are Insiders or otherwise among a select group of highly compensated Employees may irrevocably elect, prior to a date specified by the Committee, to be granted automatically an Award of Stock Units with respect to such number of shares of Stock and upon such other terms and conditions as established by the Committee in lieu of:

(i) shares of Stock otherwise issuable to such Participant upon the exercise of an Option; or

(ii) cash or shares of Stock otherwise issuable to such Participant upon the exercise of an SAR.

10.2 Terms and Conditions of Deferred Compensation Awards. Deferred Compensation Awards granted pursuant to this Section 10 shall be evidenced by Award Agreements in such form as the Committee shall from time to time establish. No such Deferred Compensation Award or purported Deferred Compensation Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Deferred Compensation Awards may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

(a) ***Vesting Conditions.*** Deferred Compensation Awards shall not be subject to any vesting conditions.

(b) *Terms and Conditions of Stock Units.*

(i) **Voting Rights; Dividend Equivalent Rights and Distributions.** Participants shall have no voting rights with respect to shares of Stock represented by Stock Units until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). However, a Participant shall be entitled to receive Dividend Equivalents with respect to the payment of cash dividends on Stock having a record date prior to date on which Stock Units held by such Participant are settled. Such Dividend Equivalents shall be paid by crediting the Participant with additional whole and/or fractional Stock Units as of the date of payment of such cash dividends on Stock. The method of determining the number of additional Stock Units to be so credited shall be specified by the Committee and set forth in the Award Agreement. Such additional Stock Units shall be subject to the same terms and conditions and shall be settled in the same manner and at the same time (or as soon thereafter as practicable) as the Stock Units originally subject to the Stock Unit Award. In the event of a dividend or distribution paid in shares of Stock or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.2, appropriate adjustments shall be made in the Participant's Stock Unit Award so that it represent the right to receive upon settlement any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Participant would be entitled by reason of the shares of Stock issuable upon settlement of the Award.

(ii) **Settlement of Stock Unit Awards.** A Participant electing to receive an Award of Stock Units pursuant to this Section 10 shall specify at the time of such election a settlement date with respect to such Award. The Company shall issue to the Participant as soon as practicable following the earlier of the settlement date elected by the Participant or the date of termination of the Participant's Service, a number of whole shares of Stock equal to the number of whole Stock Units subject to the Stock Unit Award. Such shares of Stock shall be fully vested, and the Participant shall not be required to pay any additional consideration (other than applicable tax withholding) to acquire such shares. Any fractional Stock Unit subject to the Stock Unit Award shall be settled by the Company by payment in cash of an amount equal to the Fair Market Value as of the payment date of such fractional share.

(iii) **Nontransferability of Stock Unit Awards.** Prior to their settlement in accordance with the provision of the Plan, no Stock Unit Award shall be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to a Stock Unit Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

11. OTHER STOCK-BASED AWARDS.

In addition to the Awards set forth in Sections 6 through 10 above, the Committee, in its sole discretion, may carry out the purpose of this Plan by awarding Stock-Based Awards as it determines to be in the best interests of the Company

and subject to such other terms and conditions as it deems necessary and appropriate.

12. EFFECT OF CHANGE IN CONTROL ON OPTIONS AND SARs.

12.1 Accelerated Vesting. The Committee, in its sole discretion, may provide in any Award Agreement or, in the event of a Change in Control, may take such actions as it deems appropriate to provide for the acceleration of the exercisability and vesting in connection with such Change in Control of any or all outstanding Options and SARs and shares acquired upon the exercise of such Options and SARs upon such conditions and to such extent as the Committee shall determine.

12.2 Assumption or Substitution. In the event of a Change in Control, the surviving, continuing, successor, or purchasing corporation or other business entity or parent thereof, as the case may be (the “*Acquiring Corporation*”), may, without the consent of the Participant, either assume the Company’s rights and obligations under outstanding Options and SARs or substitute for outstanding Options and SARs substantially equivalent options or stock appreciation rights for the Acquiring Corporation’s stock. Any Options or SARs which are neither assumed or substituted for by the Acquiring Corporation in connection with the Change in Control nor exercised as of the date of the Change in Control shall terminate and cease to be outstanding effective as of the date of the Change in Control. Notwithstanding the foregoing, shares acquired upon exercise of an Option or SAR prior to the Change in Control and any consideration received pursuant to the Change in Control with respect to such shares shall continue to be subject to all applicable provisions of the Award Agreement evidencing such Award except as otherwise provided in such Award Agreement. Furthermore, notwithstanding the foregoing, if the corporation the stock of which is subject to the outstanding Options or SARs immediately prior to an Ownership Change Event described in Section 2.1(y)(i) constituting a Change in Control is the surviving or continuing corporation and immediately after such Ownership Change Event less than fifty percent (50%) of the total combined voting power of its voting stock is held by another corporation or by other corporations that are members of an affiliated group within the meaning of Section 1504(a) of the Code without regard to the provisions of Section 1504(b) of the Code, the outstanding Options and SARs shall not terminate unless the Board otherwise provides in its discretion.

12.3 Effect of Change in Control on Restricted Stock and Other Type of Awards. The Committee may, in its discretion, provide in any Award Agreement evidencing a Restricted Stock or Other Type of Award that, in the event of a Change in Control, the lapsing of any applicable Vesting Condition or Restriction Period applicable to the shares subject to such Award held by a Participant whose Service has not terminated prior to the Change in Control shall be accelerated and/or waived effective immediately prior to the consummation of the Change in Control to such extent as specified in such Award Agreement; provided, however, that such acceleration or waiver shall not occur to the extent an Award is assumed or substituted with a substantially equivalent Award in connection with the Change in Control. Any acceleration, waiver or the lapsing of any restriction that was permissible solely by reason of this Section 12.3 and the provisions of such Award Agreement shall be conditioned upon the consummation of the Change in Control.

13. COMPLIANCE WITH SECURITIES LAW.

The grant of Awards and the issuance of shares of Stock pursuant to any Award shall be subject to compliance with all applicable requirements of federal, state and foreign law with respect to such securities and the requirements of any stock exchange or market system upon which the Stock may then be listed. In addition, no Award may be exercised or shares issued pursuant to an Award unless (a) a registration statement under the Securities Act shall at the time of such exercise or issuance be in effect with respect to the shares issuable pursuant to the Award or (b) in the opinion of legal counsel to the Company, the shares issuable pursuant to the Award may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance and sale of any shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such shares as to which such requisite authority shall not have been obtained. As a condition to issuance of any Stock, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

14. TAX WITHHOLDING.

14.1 Tax Withholding in General. The Company shall have the right to deduct from any and all payments made under the Plan, or to require the Participant, through payroll withholding, cash payment or otherwise, including by means of a net exercise of an Option, to make adequate provision for, the federal, state, local and foreign taxes, if any, required by law to be withheld by the Participating Company Group with respect to an Award or the shares acquired pursuant thereto. The Company shall have no obligation to deliver shares of Stock, to release shares of Stock from an escrow established pursuant to an Award Agreement, or to make any payment in cash under the Plan until the Participating Company Group's tax withholding obligations have been satisfied by the Participant.

14.2 Withholding in Shares. The Company shall have the right, but not the obligation, to deduct from the shares of Stock issuable to a Participant upon the exercise or settlement of an Award, or to accept from the Participant the

tender of, a number of whole shares of Stock having a Fair Market Value, as determined by the Company, equal to all or any part of the tax withholding obligations of the Participating Company Group. The Fair Market Value of any shares of Stock withheld or tendered to satisfy any such tax withholding obligations shall not exceed the amount determined by the applicable minimum statutory withholding rates.

A-17

15. AMENDMENT OR TERMINATION OF PLAN.

The Board or the Committee may amend, suspend or terminate the Plan at any time. However, without the approval of the Company's stockholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the Plan (except by operation of the provisions of Section 4.2), (b) no change in the class of persons eligible to receive Incentive Stock Options, and (c) no other amendment of the Plan that would require approval of the Company's stockholders under any applicable law, regulation or rule. No amendment, suspension or termination of the Plan shall affect any then outstanding Award unless expressly provided by the Board or the Committee. In any event, no amendment, suspension or termination of the Plan may adversely affect any then outstanding Award without the consent of the Participant unless necessary to comply with any applicable law, regulation or rule.

16. MISCELLANEOUS PROVISIONS.

16.1 Repurchase Rights. Shares issued under the Plan may be subject to one or more repurchase options, or other conditions and restrictions as determined by the Committee in its discretion at the time the Award is granted. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

16.2 Provision of Information. Each Participant shall be given access to information concerning the Company equivalent to that information generally made available to the Company's common stockholders.

16.3 Rights as Employee, Consultant or Director. No person, even though eligible pursuant to Section 5, shall have a right to be selected as a Participant, or, having been so selected, to be selected again as a Participant. Nothing in the Plan or any Award granted under the Plan shall confer on any Participant a right to remain an Employee, Consultant or Director or interfere with or limit in any way any right of a Participating Company to terminate the Participant's Service at any time. To the extent that an Employee of a Participating Company other than the Company receives an Award under the Plan, that Award shall in no event be understood or interpreted to mean that the Company is the Employee's employer or that the Employee has an employment relationship with the Company.

16.4 Rights as a Stockholder. A Participant shall have no rights as a stockholder with respect to any shares covered by an Award until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). No adjustment shall be made for dividends,

distributions or other rights for which the record date is prior to the date such shares are issued, except as provided in Section 4.2 or another provision of the Plan.

16.5 Fractional Shares. The Company shall not be required to issue fractional shares upon the exercise or settlement of any Award.

16.6 Severability. If any one or more of the provisions (or any part thereof) of this Plan shall be held invalid, illegal or unenforceable in any respect, such provision shall be modified so as to make it valid, legal and enforceable, and the validity, legality and enforceability of the remaining provisions (or any part thereof) of the Plan shall not in any way be affected or impaired thereby.

16.7 Beneficiary Designation. Subject to local laws and procedures, each Participant may file with the Company a written designation of a beneficiary who is to receive any benefit under the Plan to which the Participant is entitled in the event of such Participant's death before he or she receives any or all of such benefit. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. If a married Participant designates a beneficiary other than the Participant's spouse, the effectiveness of such designation may be subject to the consent of the Participant's spouse. If a Participant dies without an effective designation of a beneficiary who is living at the time of the Participant's death, the Company will pay any remaining unpaid benefits to the Participant's legal representative.

16.8 Unfunded Obligation. Participants shall have the status of general unsecured creditors of the Company. Any amounts payable to Participants pursuant to the Plan shall be unfunded and unsecured obligations for all purposes, including, without limitation, Title I of the Employee Retirement Income Security Act of 1974. No Participating Company shall be required to segregate any monies from its general funds, or to create any trusts, or establish any special accounts with respect to such obligations. The Company shall retain at all times beneficial ownership of any investments, including trust investments, which the Company may make to fulfill its payment obligations hereunder. Any investments or the creation or maintenance of any trust or any Participant account shall not create or constitute a trust or fiduciary relationship between the Committee or any Participating Company and a Participant, or otherwise create any vested or beneficial interest in any Participant or the Participant's creditors in any assets of any Participating Company. The Participants shall have no claim against any Participating Company for any changes in the value of any assets which may be invested or reinvested by the Company with respect to the Plan. Each Participating Company shall be responsible for making benefit payments pursuant to the Plan on behalf of its Participants or for reimbursing the Company for the cost of such payments, as determined by the Company in its sole discretion. In the event the respective Participating Company fails to make such payment or reimbursement, a Participant's (or other individual's) sole recourse shall be against the respective Participating Company, and not against the Company. A Participant's acceptance of an Award pursuant to the Plan shall constitute agreement with this provision.
